RE: *In re Energy XXI Ltd, et al.*, Case No. 16-31928

TO ALL HOLDERS OF CLAIMS AND INTERESTS ENTITLED TO VOTE ON THE PLAN:

Energy XXI Ltd and its affiliated debtors and debtors in possession (collectively, the "***Debtors***") each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the "***Court***") on April 14, 2016.

You have received this letter and the enclosed materials because you are entitled to vote on the *Debtors' Amended Proposed Joint Chapter 11 Plan of Reorganization* (the "***Plan***").

On July 13, 2016, the Honorable David R. Jones ("***Judge Jones***") entered an order (the "***Disclosure Statement Order***") approving: (a) the Debtors' *Third Amended Disclosure Statement for the Debtors' Proposed Joint Chapter 11 Plan of Reorganization* (the "***Disclosure Statement***") as containing "adequate information" pursuant to section 1125 of the Bankruptcy Code; (b) the solicitation materials and documents to be included in the solicitation packages (the "***Solicitation Package***"); and (c) the procedures for soliciting, receiving, and tabulating votes on the Plan and for filing objections to the Plan.

On September 23, 2016, Judge Jones entered an order (the "***Supplement Order***") approving: (a) the *Supplement to the Third Amended Disclosure Statement for the Debtors' Proposed Joint Chapter 11 Plan of Reorganization* (the "***Supplement***") and (b) the revised solicitation materials and documents to be included in the Solicitation Package.

The Debtors believe that the acceptance of the Plan is in the best interests of their estates, holders of Claims, and other parties in interest. Moreover, the Debtors believe that any alternative other than confirmation of the Plan (including the alternative proposal discussed below) could result in extensive delays and increased administrative expenses, which, in turn, would likely result in smaller distributions (or no distributions) on account of Claims asserted in these chapter 11 cases. The Debtors believe a swift exit from chapter 11 with the support of their key constituents maximizes value for all of the Debtors' stakeholders and will best position the Debtors for long-term success.

On September 12, 2016, the Debtors received a letter from certain holders of unsecured notes (the "***Proposal Sponsors***") outlining an alternative restructuring proposal (the "***Proposal***").

As discussed in more detail in the Supplement, the Debtors believe the Proposal includes numerous contingencies and remains subject to completion of due diligence by the Proposal Sponsors, does not have committed financing, and prosecution of the Proposal would extend the duration of these chapter 11 cases.

THE DEBTORS STRONGLY URGE YOU TO PROPERLY AND TIMELY CAST YOUR BALLOT TO ACCEPT THE PLAN. THE DEBTORS BELIEVE THAT THE PLAN MAXIMIZES THE VALUE OF THE DEBTORS' ESTATES AND REPRESENTS THE BEST AVAILABLE ALTERNATIVE FOR COMPLETING THE CHAPTER 11 CASES. FURTHER, THE RESTRUCTURING CONTEMPLATED BY THE PLAN HAS THE SUPPORT OF THE STEERING COMMITTEE, THE SECOND LIEN AD HOC COMMITTEE, AND THE BUREAU OF OCEAN MANAGEMENT, SIGNIFICANT PARTIES IN INTEREST IN THESE CHAPTER 11 CASES.

The Court has set **October 17, 2016 at 2:00 p.m. (Central Time)** as the date and time for the hearing on confirmation of the Plan and to consider any objections to the Plan. The confirmation hearing will be held at the **United States Bankruptcy Court, Southern District of Texas, Houston Division, Courtroom 400, 515 Rusk Street, Houston, Texas 77002.**

You are receiving this letter because you are entitled to vote on the Plan. Therefore, you should read this letter carefully and discuss it with your attorney. If you do not have an attorney, you may wish to obtain and consult with one.

In addition to this cover letter, the enclosed materials comprise your Solicitation Package and were approved by the Court for distribution to holders of Claims in connection with the solicitation of votes to accept the Plan. The Solicitation Package contains: (a) a cover letter describing the contents of the Solicitation Package; (b) the Supplement (with the Plan attached thereto) and the Supplement Order; (c) a confirmation hearing notice; and (d) one or more ballots, as appropriate, together with a pre-addressed postage-paid envelope.

The materials in the Solicitation Package are intended to be self-explanatory. If you should have any questions or if you would like to obtain additional solicitation materials, please feel free to contact the Debtors' Solicitation Agent, Epiq Bankruptcy Solutions, LLC (the "***Solicitation Agent***"), by visiting the Solicitation Agent's website at http://dm.epiq11.com/EXL, calling (646) 282-2500 or (866) 734-9393 (toll free), or sending an email to tabulation@epiqsystems.com with "EXXI" in the subject line. You may also obtain copies of any pleadings filed in these chapter 11 cases for free by visiting http://dm.epiq11.com/EXL.

To: The Unsecured Creditors of Energy XXI Ltd, et al.

Re: Energy XXI Ltd - Solicitation With Respect to
Debtors' Amended Proposed Joint Chapter 11 Plan of Reorganization

We are counsel to the Official Committee of Unsecured Creditors of Energy XXI Ltd (the "**Committee**") appointed by the United States Trustee in the chapter 11 proceedings (the "**Chapter 11 Cases**") of Energy XXI Ltd and its subsidiaries (collectively the "**Debtors**") pending before the United States Bankruptcy Court for the Southern District of Texas. The Committee represents the interests of the unsecured creditors in the Chapter 11 Cases and consists of seven creditor members: four trade creditors and three indenture trustees, the latter of whom collectively represent the interests of the Debtors' unsecured notes (of which in excess of $1.3 billion remained outstanding as of the petition date). This letter is written on behalf of the Committee.

For the reasons outlined herein, the Committee strongly recommends that the Debtors' unsecured creditors vote to REJECT the Plan, and check the box on their ballots to OPT-OUT of the release provisions provided for in the Plan.

The Committee has been actively involved in the Chapter 11 Cases and in the review of the *Debtors' Amended Proposed Joint Chapter 11 Plan of Reorganization* dated September 14, 2016 (the "***Amended Plan***" or, as may be amended, modified, or supplemented from time to time, the "***Plan***") and the corresponding disclosure statement (as modified by the supplement approved by the Court on September 23, 2016, the "**Disclosure Statement**"). In particular, the Committee has been (a) conducting independent analyses of various assumptions contained in the Plan, (b) analyzing the Debtors' assertions with respect to value, and (c) deposing certain of the Debtors' representatives (including the Debtors' CEO, restructuring advisor, investment banker and two independent directors) to gain a better understanding of, among other things, certain prepetition conduct and transactions, the value of the Debtors' businesses, the value of encumbered and unencumbered assets and the decision making and corporate governance that was involved in the negotiation and formulation of the Plan. Based upon the foregoing review and analysis, the Committee believes that the Plan is patently unfair to unsecured creditors because it deprives them of the value that they are entitled to, cannot be confirmed as constructed as a matter of law, and should be rejected by the various classes of unsecured creditors. The defects in the Plan include, but are by no means limited to, the following:

- Flawed Valuation. Based on the ongoing valuation work performed by FTI Consulting, Inc. ("**FTI**"), the Committee's financial advisor, the Committee believes that the Plan is predicated upon a flawed valuation analysis. The Committee believes that the Debtors' valuation analysis significantly understates the value of the Debtors' businesses and assets, which should inure to the benefit of unsecured creditors and significantly increase their recoveries. Indeed, FTI has prepared its own valuation which concludes that the Debtors' enterprise value is approximately $1 billion higher than the $575 million valuation that was prepared by the Debtors' financial advisor, PJT Partners LP, and upon which the Plan is predicated.

- Unfair Allocation of Assets. The Plan fails to appropriately account for the Debtors' substantial unencumbered assets – the value of which should be (but, under the Plan, is not) distributed to holders of unsecured claims. This failure, together with the understated valuation of the Debtors' assets and the paltry distributions to unsecured creditors (which do not account for the Debtors' substantial unencumbered assets), result in a windfall recovery to the Debtors' prepetition secured second lien noteholders (the "**Second Lien Noteholders**"). The Second Lien Noteholders will receive at least 87.8% of the new equity of the Reorganized Debtors and will also have the opportunity to receive, depending on the outcome of litigation, an additional 5.4% of new equity of the Reorganized Debtors on account of its deficiency claim with respect to the Intercompany Note Trust Distribution (for a total of 93.2% of the new equity of the Reorganized Debtors). As a result, in the event that the Second Lien Noteholders receive the maximum (i.e., 5.4%) of the additional new equity noted above, unsecured noteholders will receive, in total, not more than 6.8% of the new equity of the Reorganized Debtors, subject to the outcome of litigation (the resolution of which may require significant time and, thus, attendant delay with respect to any distributions). The unsecured creditors of Energy XXI Ltd. will receive 0.2% of the new equity (inclusive of the 6.8%) with no opportunity to receive any additional equity or value regardless of the outcome of litigation. The distributions of new equity to both the Second Lien Noteholders and unsecured creditors will each be subject to dilution from the new equity issued to the management team of the Reorganized Debtors in connection with the proposed management incentive plan. The foregoing allocation fails to adequately account for the value to which unsecured creditors are entitled.

- Against the Best Interests of Creditors. The Committee believes the Plan on its face fails the "best interests of creditors" test under section 1129(a)(7) of the Bankruptcy Code based on the Debtors' admissions in the Disclosure Statement. The "best interest of creditors" test requires that each impaired creditor receive at least the amount such creditor would receive in a chapter 7 liquidation, regardless of how the class votes, unless such creditor individually accepts the plan. Under the Plan, however, the classes of EGC Unsecured Noteholders, EPL Unsecured Noteholders and/or EXXI 3.0% Senior Convertible Notes will receive only a *di minimis* amount of new equity in the Reorganized Debtors. This disparity is further highlighted by the Debtors' undervaluing of their assets and their failure to include claims against insiders and the Second Lien Noteholders described below.

- Improper Opt-Out Provisions for Third Party Releases. The Committee believes the Plan impermissibly releases (through improper and coercive ballot mechanics) multiple claims that impaired creditors may hold against various third parties in violation of the Fifth Circuit's prohibition against non-consensual third-party releases in that, among other things, a creditor (a) who does not submit a ballot on the Plan is deemed to consent to the third party releases; (b) who submits a ballot but does not vote to accept or reject the Plan is required to affirmatively opt-out of the third party claimholder releases to avoid being subjected to such releases; and (c) who votes to reject the Plan is required to separately affirmatively opt-out of the third party releases. Additionally, accepting creditors are not permitted to opt-out of the third-party releases, which will benefit the Debtors' insiders and others.

- Releases of Insiders and Secured Creditors. The Debtors have additionally disclosed a variety of issues that may give rise to claims against the Debtors' insiders and the Second Lien Noteholders. Under the Plan, these claims are released by the Debtors and the unsecured creditors who accept the Plan or fail to opt-out of the release provisions. One particular issue of concern is the Debtors' failure to evaluate and value and, thus, carry their burden of demonstrating the propriety of providing releases for the Debtors' insiders. A second particular issue of concern is the variety of

claims that the Committee believes should be asserted against the Second Lien Noteholders, which claims were described in detail in two pleadings [Docket Nos. 1082 and 1083] filed by the Committee in the Chapter 11 Cases. Such claims include, but are not limited to the transfer of (i) approximately $11 million of unencumbered funds of Debtor EPL Oil & Gas, Inc. ("**EPL**") to Debtor Energy XXI Gulf Coast, Inc. ("**EGC**') through an interest payment on Unsecured Notes issued by EPL, which transfer resulted in a transfer of unencumbered assets (EPL's funds) to an account constituting collateral for the Second Lien Noteholders, and (ii) approximately $100 million of funds held in accounts not subject to deposit account control agreements in favor of the Second Lien Noteholders, thereby effectively granting and/or perfecting a security interest in such funds to or for the benefit of the Second Lien Noteholders during the preference period. Additionally, the holders of certain EPL Unsecured Notes have challenged the allowance of any claim relating to certain EPL Unsecured Notes that were repurchased by Debtor EGC and, in this regard, such holders contend that there are substantial defenses to the allowance of any such claim asserted by EGC with respect to such notes. The Debtors have failed to evaluate and value the benefit to unsecured creditors that would result from bringing litigation to avoid and invalidate the foregoing transactions and/or recover damages from the parties involved in the foregoing transactions.

FOR EACH OF THE FOREGOING REASONS, THE COMMITTEE URGES YOU TO VOTE TO REJECT THE PLAN AND OPT-OUT OF THE RELEASES. TO DO SO, PLEASE NOTE THAT YOU MUST CHECK THE BOXES TO REJECT THE PLAN AND OPT OUT OF THE RELEASES ON YOUR BALLOTS AND RETURN YOUR BALLOTS SO THAT THEY ARE RECEIVED BY THE VOTING DEADLINE ON OCTOBER 13, 2016 AT 5:00 PM (CENTRAL TIME).

The Committee nevertheless recognizes that certain holders of Trade Claims in Class 10 may decide to vote in favor of the Plan notwithstanding (x) the significant defects in the Plan that the Committee believes render it unconfirmable as a matter of law and (y) the fact that at least one other potential alternative to the Plan that the Debtors are currently considering (namely, the Ad Hoc Group Proposal (as defined in the Disclosure Statement)), would, if ultimately included in an alternative plan confirmed by the Court, provide for an even greater recovery to holders of Allowed Trade Claims than is provided under this Plan, as such potential alternative proposal provides for a 100% recovery to holders of Allowed Trade Claims, provided, however, that it should be understood that (i) such potential alternative proposal is subject to certain contingencies and completion of due diligence, and (ii) there are certain risks of ultimate payment inherent in any plan. The Committee would additionally note that, notwithstanding its recommendation that unsecured creditors vote to reject the Plan, if the Plan is nevertheless ultimately confirmed by the Court, an unsecured creditor who votes to reject the Plan will nevertheless be entitled to receive the same economic treatment that Article III.B of the Plan proposes for such creditor. Thus, by way of example, if the holder of a Trade Claim in Class 10 votes to reject the Plan (and even if the entire Trade Claim class (i.e., Class 10) fails to accept the Plan by the requisite amount and number to establish an acceptance of the Plan by such class), and the Plan is confirmed and becomes effective, the holder of an Allowed Trade Claim in such class will receive the "Trade Claim Settlement Distribution" (unless claimant affirmatively elected to not receive the Trade Claim Settlement) and thereby receive (a) Cash in an amount equal to $0.90 on account of each dollar of an Allowed Trade Claim and (b) a release by the Debtors of all Avoidance Actions against such holder of an Allowed Trade Claim (as the foregoing terms are defined in the Plan.

If you have any questions regarding this recommendation, the ballot which you have received or any information in the Disclosure Statement, please feel free to contact the undersigned at 212-906-1200 (mitchell.seider@lw.com) or 504-299-3300 (wpatrick@hellerdraper.com). Class 10 Trade Claim Voting Procedures

With respect to the Class 10 Trade Claim ballot (the "***Ballot***"), the following voting procedures apply:

(a) If a holder of a Class 10 Trade Claim does not submit a Ballot, the holder of such Class 10 Trade Claim will by default opt into the Trade Claim Settlement Distribution and will be deemed to consent to the release provisions contained in Article VIII of the Plan.

(b) If a holder of a Class 10 Trade Claim submits a Ballot but does not vote to accept or reject the Plan in Item 2 of the Ballot, the holder of such Class 10 Trade Claim will by default opt into the Trade Claim Settlement Distribution. If such holder does not wish to grant the releases contained in Article VIII of the Plan, such holder must check the box in Item 4 of the Ballot. Otherwise, such holder is deemed to grant the releases contained in Article VIII of the Plan.

(c) If a holder of a Class 10 Trade Claim votes to accept the Plan, the holder of such Class 10 Trade Claim is deemed to grant the releases contained in Article VIII of the Plan and thus cannot elect to not grant the releases contained in Article VIII of the Plan. If a holder of a Class 10 Trade Claim votes to accept the Plan and checks the box in Item 4 of the Ballot to not grant the releases contained in Article VIII of the Plan, such election to not grant the releases contained in Article VIII of the Plan will not be counted.

(d) If a holder of a Class 10 Trade Claim votes to reject the Plan and such holder does not wish to grant the releases contained in Article VIII of the Plan, then such holder must check the box in Item 4 of the Ballot. Otherwise, such holder is deemed to grant the releases contained in Article VIII of the Plan.

(e) If a holder of a Class 10 Trade Claim votes to reject the Plan (and the Plan is confirmed and becomes effective), the holder of such Trade Claim, if Allowed, will receive the Trade Claim Settlement Distribution, unless such holder checks the box in Item 3 of the Ballot, in which case such holder will be entitled to seek to obtain Cash in the amount of its Allowed Secured Claim in accordance with the procedures set forth in the Plan.

(f) If a holder of a Class 10 Trade Claim elects to seek to obtain Cash in the amount of its Allowed Secured Claim in accordance with the procedures set forth in the Plan (rather than accept the Trade Claim Settlement Distribution), the holder of such Class 10 Trade Claim must check the box in Item 3 of the Ballot. Otherwise, the holder of such Class 10 Trade Claim will by default opt into the Trade Claim Settlement Distribution.

(g) For the avoidance of doubt, the amount of each Allowed Class 10 Trade Claim will be determined through the claims allowance and reconciliation process pursuant to the Plan and will not be impacted in any way by the submission of a Ballot using the pre-printed scheduled amount as of the Voting Record Date (as defined in the Disclosure Statement Order).

Plan Injunction, Releases, and Exculpation

If you vote to accept the Plan, you shall be deemed to have consented to the release, injunction, and exculpation provisions set forth in in Article VIII of the Plan. The Disclosure Statement and the Plan must be referenced for a complete description of the release, injunction, and exculpation.

A. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, their Estates, and the Reorganized Debtors from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or

liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted on behalf of the Debtors, that the Debtors, their Estates, or the Reorganized Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, the Debtors' intercompany transactions, the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth herein do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in this Article VIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or their Estates asserting any claim or cause of action released pursuant to such releases.

B. *Releases by Holders of Claims and Interests*

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all

Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best

interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related agreements, instruments, and other documents (including the Definitive Documentation), the Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

D. *Injunction*

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.E or Article VIII.F of the Plan, discharged pursuant to Article VIII.B of the Plan, or are subject to exculpation pursuant to Article VIII.G of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Non-Debtor Subsidiaries, the Reorganized Debtors, the Released Parties, or the Exculpated Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims

or Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan.

Schedule 1

Plan Injunction, Releases, and Exculpation

If you vote to accept the Plan, you shall be deemed to have consented to the release, injunction, and exculpation provisions set forth in in Article VIII of the Plan. The Disclosure Statement and the Plan must be referenced for a complete description of the release, injunction, and exculpation.

A. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, their Estates, and the Reorganized Debtors from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted on behalf of the Debtors, that the Debtors, their Estates, or the Reorganized Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, the Debtors' intercompany transactions, the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth herein do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or

continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in this Article VIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or their Estates asserting any claim or cause of action released pursuant to such releases.

B. *Releases by Holders of Claims and Interests*

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it

be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related agreements, instruments, and other documents (including the Definitive Documentation), the Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

D. *Injunction*

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.E or Article VIII.F of the Plan, discharged pursuant to Article VIII.B of the Plan, or are subject to exculpation pursuant to Article VIII.G of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Non-Debtor Subsidiaries, the Reorganized Debtors, the Released Parties, or the Exculpated Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan.

If the requisite acceptances are not obtained, the Court may nonetheless confirm the Plan if it finds that the Plan (a) provides fair and equitable treatment to, and does not unfairly discriminate against, the class or classes rejecting the Plan, and (b) otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Court, it will be binding on you whether or not you vote or if you vote to reject the Plan. Any Ballot that is illegible, contains insufficient information to identify the holder, does not contain an original signature, or is unsigned will not be counted.

The Solicitation Agent will tabulate all properly completed Ballots and Master Ballots received on or before the Voting Deadline. IF YOU ARE RETURNING YOUR BALLOT TO YOUR VOTING NOMINEE, PLEASE RETURN IT BY THE DEADLINE PROVIDED BY YOUR VOTING NOMINEE OR OTHERWISE ALLOW SUFFICIENT TIME FOR YOUR VOTE TO BE INCLUDED ON A MASTER BALLOT AND FORWARDED TO THE SOLICITATION AGENT BY THE VOTING DEADLINE. The Solicitation Agent will not accept any Ballots or Master Ballots by email, facsimile, or other electronic means. If you are directed by your Voting Nominee to submit the Beneficial Holder Ballot to the Voting Nominee via electronic means, such instructions to your Voting Nominee shall have the same effect as if you had completed and returned a physical Beneficial Holder Ballot, including all certifications.

2. If neither the "accept" nor "reject" box is checked in Item 2, or the Ballot is otherwise not properly completed, executed, or timely returned, then the Ballot may not be counted. If both the "accept" and "reject" box is checked in Item 2, the Ballot will not be counted.

3. You must vote all your Class 6 Second Lien Notes Claims under the Plan either to accept or reject the Plan. 5. If you vote to accept the Plan by checking the "accept" box in Item 2, but you also check the box in Item 3, your election not to grant the releases will not be counted, as your vote in favor of the Plan shall be deemed a consent to the releases set forth in Article VIII of the Plan to the fullest extent permitted by applicable law.

6. For the avoidance of doubt, parties in interest that are deemed to reject and not entitled to vote on the Plan (including holders of EXXI Interests) are not Releasing Parties.

7. The Ballot does not constitute, and shall not be deemed to be, a proof of claim or interest or an assertion or admission of a Claim or Interest.

8. The Ballot is not a letter of transmittal and may not be used for any purpose other than to vote to accept or reject the Plan.

9. If you cast more than one Ballot voting the same Claim prior to the Voting Deadline, the latest received, properly executed Ballot submitted to the Solicitation Agent will supersede any prior Ballot.

10. In the event that (a) the Debtors revoke or withdraw the Plan or (b) the Confirmation Order is not entered or consummation of the Plan does not occur, this Ballot shall automatically be null and void and deemed withdrawn without any requirement of affirmative action by or notice to you.

11. There may be changes made to the Plan that do not cause material adverse effects on an accepting class. If such non-material changes are made to the Plan, the Debtors will not resolicit votes for acceptance or rejection of the Plan.

A. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, their Estates, and the Reorganized Debtors from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted on behalf of the Debtors, that the Debtors, their Estates, or the Reorganized Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, the Debtors' intercompany transactions, the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth herein do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring

Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on

the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related agreements, instruments, and other documents (including the Definitive Documentation), the

Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

D. *Injunction*

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.E or Article VIII.F of the Plan, discharged pursuant to Article VIII.B of the Plan, or are subject to exculpation pursuant to Article VIII.G of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Non-Debtor Subsidiaries, the Reorganized Debtors, the Released Parties, or the Exculpated Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan.

The Solicitation Agent will not accept any Ballots or Master Ballots by email, facsimile, or other electronic means. If you are directed by your Voting Nominee to submit the Beneficial Holder Ballot to the Voting Nominee via electronic means, such instructions to your Voting Nominee shall have the same effect as if you had completed and returned a physical Beneficial Holder Ballot, including all certifications.

2. If neither the "accept" nor "reject" box is checked in Item 2, or the Ballot is otherwise not properly completed, executed, or timely returned, then the Ballot may not be counted. If both the "accept" and "reject" box is checked in Item 2, the Ballot will not be counted.

3. You must vote all your Class 7 EGC Unsecured Notes Claims under the Plan either to accept or reject the Plan. Accordingly, if you return more than one Ballot voting different EGC Unsecured Notes Claims, the Ballots are not voted in the same manner, and you do not correct this before the Voting Deadline, those Ballots will not be counted. An otherwise properly executed Ballot that attempts to partially accept and partially reject the Plan will likewise not be counted.

4. If you voted to reject the Plan and elect not to grant the releases contained in Article VIII of the Plan, check the box in Item 3. Election to withhold consent is at your option. If you submit your Ballot without the box in Item 3 checked, you will be deemed to consent to the releases set forth in Article VIII of the Plan to the fullest extent permitted by applicable law.

5. If you vote to accept the Plan by checking the "accept" box in Item 2, but you also check the box in Item 3, your election not to grant the releases will not be counted, as your vote in favor of the Plan shall be deemed a consent to the releases set forth in Article VIII of the Plan to the fullest extent permitted by applicable law.

6. For the avoidance of doubt, parties in interest that are deemed to reject and not entitled to vote on the Plan (including holders of EXXI Interests) are not Releasing Parties.

7. The Ballot does not constitute, and shall not be deemed to be, a proof of claim or interest or an assertion or admission of a Claim or Interest.

8. The Ballot is not a letter of transmittal and may not be used for any purpose other than to vote to accept or reject the Plan.

9. If you cast more than one Ballot voting the same Claim prior to the Voting Deadline, the latest received, properly executed Ballot submitted to the Solicitation Agent will supersede any prior Ballot.

10. In the event that (a) the Debtors revoke or withdraw the Plan or (b) the Confirmation Order is not entered or consummation of the Plan does not occur, this Ballot shall automatically be null and void and deemed withdrawn without any requirement of affirmative action by or notice to you.

11. There may be changes made to the Plan that do not cause material adverse effects on an accepting class. If such non-material changes are made to the Plan, the Debtors will not resolicit votes for acceptance or rejection of the Plan.

12. NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR ADVICE, OR TO MAKE ANY REPRESENTATION, OTHER THAN WHAT IS CONTAINED IN THE MATERIALS MAILED WITH THIS BALLOT OR OTHER MATERIALS AUTHORIZED BY THE COURT.

13. PLEASE RETURN YOUR BALLOT PROMPTLY IN THE ENVELOPE PROVIDED OR AS OTHERWISE DIRECTED BY YOUR BANK, BROKER, OR VOTING NOMINEE.

14. IF YOU HAVE RECEIVED A DAMAGED BALLOT OR HAVE LOST YOUR BALLOT, OR IF YOU HAVE ANY QUESTIONS CONCERNING THIS BALLOT OR THE VOTING PROCEDURES, PLEASE CALL THE SOLICITATION AGENT AT (646) 282-2500 OR (866) 734-9393 (TOLL FREE) OR SEND AN EMAIL TO TABULATION@EPIQSYSTEMS.COM WITH "EXXI" IN THE SUBJECT LINE. PLEASE DO NOT DIRECT ANY INQUIRIES TO THE COURT.

15. THE SOLICITATION AGENT IS NOT AUTHORIZED TO AND WILL NOT PROVIDE LEGAL ADVICE.

Schedule 1

Plan Injunction, Releases, and Exculpation

If you vote to accept the Plan, you shall be deemed to have consented to the release, injunction, and exculpation provisions set forth in in Article VIII of the Plan. The Disclosure Statement and the Plan must be referenced for a complete description of the release, injunction, and exculpation.

A. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, their Estates, and the Reorganized Debtors from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted on behalf of the Debtors, that the Debtors, their Estates, or the Reorganized Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, the Debtors' intercompany transactions, the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth herein do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any

Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in this Article VIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or their Estates asserting any claim or cause of action released pursuant to such releases.

B. *Releases by Holders of Claims and Interests*

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan,

the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related agreements, instruments, and other documents (including the Definitive Documentation), the Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan, the related agreements,

instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

D. *Injunction*

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.E or Article VIII.F of the Plan, discharged pursuant to Article VIII.B of the Plan, or are subject to exculpation pursuant to Article VIII.G of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Non-Debtor Subsidiaries, the Reorganized Debtors, the Released Parties, or the Exculpated Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan.

Please use this Ballot to cast your vote to accept or reject the Plan if you are, as of July 12, 2016 (the "***Voting Record Date***"), a beneficial owner (a "***Beneficial Owner***") of a Claim (collectively, "***EPL Unsecured Notes Claims***") against the Debtors arising under that certain indenture, dated as of April 8, 2014 among EPL Oil & Gas, Inc., the guarantors party thereto, and U.S. Bank, N.A., including all agreements, notes, instruments, and any other documents delivered pursuant thereto or in connection therewith (in each case, as amended, modified, or supplemented from time to time). The Debtors intend to seek the Plan's prompt confirmation by the Court. The Plan can be confirmed by the Court and thereby made binding on you if it is accepted by the holders of at least two-thirds of the aggregate principal amount and more than one-half in number of the Claims voted in each Impaired class, and if the Plan otherwise satisfies the applicable requirements of section 1129(a) of the Bankruptcy Code. If the requisite acceptances are not obtained, the Court may nonetheless confirm the Plan if it finds that the Plan (a) provides fair and equitable treatment to, and does not unfairly discriminate against, the class or classes rejecting the Plan, and (b) otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Court, it will be binding on you whether or not you vote or if you vote to reject the Plan. If you vote to accept the Plan, you shall be deemed to have consented to the release, injunction, and exculpation provisions set forth in in Article VIII of the Plan. The Disclosure Statement and the Plan must be referenced for a complete description of the release, injunction, and exculpation.

A. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, their Estates, and the Reorganized Debtors from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted on behalf of the Debtors, that the Debtors, their Estates, or the Reorganized Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, the Debtors' intercompany transactions, the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth herein do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and

(ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in this Article VIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or their Estates asserting any claim or cause of action released pursuant to such releases.

B. *Releases by Holders of Claims and Interests*

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by

any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related

agreements, instruments, and other documents (including the Definitive Documentation), the Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

D. *Injunction*

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.E or Article VIII.F of the Plan, discharged pursuant to Article VIII.B of the Plan, or are subject to exculpation pursuant to Article VIII.G of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Non-Debtor Subsidiaries, the Reorganized Debtors, the Released Parties, or the Exculpated Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan.

If the requisite acceptances are not obtained, the Court may nonetheless confirm the Plan if it finds that the Plan (a) provides fair and equitable treatment to, and does not unfairly discriminate against, the class or classes rejecting the Plan, and (b) otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Court, it will be binding on you whether or not you vote or if you vote to reject the Plan. A. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, their Estates, and the Reorganized Debtors from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted on behalf of the Debtors, that the Debtors, their Estates, or the Reorganized Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, the Debtors' intercompany transactions, the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth herein do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring

Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in this Article VIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or their Estates asserting any claim or cause of action released pursuant to such releases.

B. *Releases by Holders of Claims and Interests*

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in

connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related agreements, instruments, and other documents (including the Definitive Documentation), the Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of Securities pursuant

to the Plan, or the distribution of property under the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

A. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, their Estates, and the Reorganized Debtors from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted on behalf of the Debtors, that the Debtors, their Estates, or the Reorganized Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, the Debtors' intercompany transactions, the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth herein do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any

order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in this Article VIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or their Estates asserting any claim or cause of action released pursuant to such releases.

B. *Releases by Holders of Claims and Interests*

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other

occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related agreements, instruments, and other documents (including the Definitive Documentation), the Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of

such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

D. *Injunction*

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.E or Article VIII.F of the Plan, discharged pursuant to Article VIII.B of the Plan, or are subject to exculpation pursuant to Article VIII.G of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Non-Debtor Subsidiaries, the Reorganized Debtors, the Released Parties, or the Exculpated Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan.

Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary or an abstention from voting on the Plan, no provision of the Plan, or any order confirming the Plan (i) releases any non-debtor person or entity from any Claim or cause of action of the SEC; or, (ii) enjoins, limits, impairs, or delays the SEC from commencing or continuing any Claims, causes of action, proceedings or investigations against any non-debtor person or entity in any forum; or (iii) precludes the SEC from commencing or continuing any investigation or taking any action pursuant to its police or regulatory function against the Debtors or Reorganized Debtors, but only to the extent permitted under Section 362(b)(4), 524 and 1141 or the Bankruptcy Code.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in this Article VIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or their Estates asserting any claim or cause of action released pursuant to such releases.

B. *Releases by Holders of Claims and Interests*

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, its Estate, Reorganized Debtor, and Released Party from any and all Claims, Causes of Action, obligations, suits, judgments, damages, demands, losses, or liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership or operation thereof), the Debtors' in- or out-of-court restructuring efforts, intercompany transactions (including dividends paid), transactions pursuant and/or related to the First Lien Credit Agreement, the Second Lien Indenture, the Intercreditor Agreement, the Interim Cash Collateral Order and the Final Cash Collateral Order (and any payments or transfers in connection therewith), any Avoidance Actions, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the formulation, preparation, dissemination, negotiation, or Filing of the Restructuring Support Agreement, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, or any Restructuring Transaction, contract, instrument, document, release, or other agreement or document (including any legal opinion regarding any such transaction, contract, instrument, document, release, or other agreement or the reliance by any Released Party on the Plan or the Confirmation

Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the solicitation of votes with respect to this Plan, the administration and implementation of the Plan, including the issuance or distribution of Securities or other property pursuant to the Plan, the Definitive Documentation, the Bermuda Proceeding, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing. Notwithstanding anything to the contrary in the foregoing, (i) the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, including under any of the Restructuring Transactions, and (ii) nothing in this provision shall, nor shall it be deemed to, release any Released Party from any Claims or Causes of Action that are found, pursuant to a Final Order, to be the result of such Released Party's gross negligence, fraud, or willful misconduct.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article VIII.F, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan and the Restructuring Transactions; and (7) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to such releases.

C. *Exculpation*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Claim, Cause of Action, obligation, suit, judgment, damage, demand, loss, or liability for any claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, Filing, or termination of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the solicitation of votes with respect to this Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Debtors' in or out-of-court restructuring efforts, the Disclosure Statement, the Plan, the Restructuring Support Agreement, the related agreements, instruments, and other documents (including the Definitive Documentation), the Filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the

administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan, the related agreements, instruments, and other documents (including the Definitive Documentation), the Bermuda Proceeding, or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties (to the extent applicable) have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

D. *Injunction*

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.E or Article VIII.F of the Plan, discharged pursuant to Article VIII.B of the Plan, or are subject to exculpation pursuant to Article VIII.G of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Non-Debtor Subsidiaries, the Reorganized Debtors, the Released Parties, or the Exculpated Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument, or agreement (including those attached to the Disclosure Statement or set forth in the Plan Supplement, to the extent finalized) executed to implement the Plan.

MASTER BALLOT INSTRUCTIONS

1. If a Voting Nominee is transmitting the votes of any Beneficial Owner of Class 6 Second Lien Note Claims, such Voting Nominee may do one of the following:

   a. "Pre-validate" the individual Ballot contained in the Solicitation Package and forward the Solicitation Package to the Beneficial Owner of the Class 6 Second Lien Note Claim for voting within five business days after the receipt by such Voting Nominee of the Solicitation Package. A Voting Nominee "pre-validates" a Beneficial Owner Ballot by signing the Beneficial Owner Ballot, including their Depository Trust Company participant number, indicating the account number of the Beneficial Owner and the principal amount of Class 6 Second Lien Note Claim held by the Voting Nominee for such Beneficial Owner, and forwarding the Beneficial Owner Ballot, together with the Solicitation Package, to the Beneficial Owner. The Beneficial Owner shall then complete the information requested on the Beneficial Owner Ballot and return the Beneficial Owner Ballot directly to the Solicitation Agent the return envelope provided in the Solicitation Package. A list of Beneficial Owners to whom "pre-validated" Beneficial Owner Ballots were delivered should be maintained by Voting Nominees for inspection for at least one year.

   b. Within five business days after receipt by such Voting Nominee of the Solicitation Package, forward the Solicitation Package to the Beneficial Owner of the Class 6 Second Lien Notes Claims for voting along with a return envelope provided by and addressed to the Voting Nominee. The Beneficial Owner shall then return the individual Beneficial Owner Ballot to the Voting Nominee. In such case, the Voting Nominee will tabulate the votes of its respective Beneficial Owners on a Master Ballot that will be provided to the Voting Nominee separately by the Solicitation Agent, in accordance with any instructions set forth in the Master Ballot, and thereafter return the Master Ballot to the Solicitation Agent. The Voting Nominee should advise the Beneficial Owner to return their individual Beneficial Owner Ballots to the Voting Nominee by a date calculated by the Voting Nominee to allow it to prepare and return the Master Ballot to the Solicitation Agent so that the Master Ballot is <u>actually received</u> by the Solicitation Agent on or before the Voting Deadline.

2. The Plan can be confirmed by the Court and thereby made binding upon you and the Beneficial Owners if it is accepted by the holders of two-thirds of the aggregate principal amount and more than one half in number of Claims in each class that votes on the Plan, and if it otherwise satisfies the requirements of section 1129(a) of the Bankruptcy Code. If the requisite acceptances are not

obtained, the Court may nonetheless confirm the Plan if it finds that the Plan provides fair and equitable treatment to, and does not discriminate unfairly against, the class or classes rejecting it, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code.

3. With regard to any Beneficial Owner Ballots returned to you, to have the vote of your Beneficial Owners count, you must: (a) retain such Beneficial Owner Ballots in your files and transfer the requested information from each such Beneficial Owner Ballot onto the Master Ballot; (b) execute the Master Ballot; and (c) deliver the Master Ballot to the Solicitation Agent in accordance with these instructions.

4. Please keep any records of Beneficial Owner Ballots for at least one year after the Voting Deadline (or such other date as is set by subsequent Court order). You may be ordered to produce the Beneficial Owner Ballots to the Debtors or the Court.

5. If you are both the Voting Nominee and Beneficial Owner and you wish to vote such Class 6 Second Lien Notes Claims for which you are a Beneficial Owner, you may return either a Beneficial Owner Ballot or the Master Ballot for such Class 6 Second Lien Notes Claims.

6. The Master Ballot may not be used for any purpose other than to vote to accept or reject the Plan.

7. The Master Ballot does not constitute, and shall not be deemed to be, a proof of claim or interest or an assertion or admission of a Claim or Interest.

8. The following ballots shall not be counted in determining the acceptance or rejection of the Plan: (a) any ballot that is illegible or contains insufficient information to permit the identification of the Beneficial Owner's customer account or other identification number for the Beneficial Owner, (b) any ballot cast by a Person that does not hold a Claim or Interest in a class entitled to vote on the Plan, (c) any unsigned ballot, (d) any ballot that does not contain an original signature, (e) any ballot not marked to accept or reject the Plan, and any ballot indicating both acceptance and rejection of the Plan.

9. If a Beneficial Owner submits ballots for multiple Class 6 Second Lien Notes Claims, whether held in other accounts or other record names, and such ballots indicate <u>different</u> votes to accept or reject the Plan, then all such ballots will not be counted.

10. If the Master Ballot is received after the Voting Deadline, it will not be counted, unless otherwise determined by the Debtors. The method of delivery of the Master Ballot to the Solicitation agent is at your election and risk.

11. The Master Ballot should not be sent to the Debtors, the United States Trustee for the Southern District of Texas, or the Debtors' financial or legal advisors.

12. There may be changes made to the Plan that do not cause material adverse effects on an accepting Class. If such non-material changes are made to the Plan, the Debtors will not resolicit votes for acceptance or rejection of the Plan.

A Voting Nominee "pre-validates" a Beneficial Owner Ballot by signing the Beneficial Owner Ballot, including their DTC participant number, indicating the account number of the Beneficial Owner and the principal amount of Class 7 EGC Unsecured Notes Claim held by the Voting Nominee for such Beneficial Owner, and forwarding the Beneficial Owner Ballot, together with the Solicitation Package, to the Beneficial Owner. A list of Beneficial Owners to whom "pre-validated" Beneficial Owner Ballots were delivered should be maintained by Voting Nominees for inspection for at least one year.

   b. Within five business days after receipt by such Voting Nominee of the Solicitation Package, forward the Solicitation Package to the Beneficial Owner of the Class 7 EGC Unsecured Notes Claims for voting along with a return envelope provided by and addressed to the Voting Nominee. The Beneficial Owner shall then return the individual Beneficial Owner Ballot to the Voting Nominee. In such case, the Voting Nominee will tabulate the votes of its respective Beneficial Owners on a Master Ballot that will be provided to the Voting Nominee separately by the Solicitation Agent, in accordance with any instructions set forth in the Master Ballot, and thereafter return the Master Ballot to the Solicitation Agent. The Voting Nominee should advise the Beneficial Owner to return their individual Beneficial Owner Ballots to the Voting Nominee by a date calculated by the Voting Nominee to allow it to prepare and return the Master Ballot to the Solicitation Agent so that the Master Ballot is <u>actually received</u> by the Solicitation Agent on or before the Voting Deadline.

2. The Plan can be confirmed by the Court and thereby made binding upon you and the Beneficial Owners if it is accepted by the Holders of two-thirds of the aggregate principal amount and more than one half in number of Claims in each class that votes on the Plan, and if it otherwise satisfies the requirements of section 1129(a) of the Bankruptcy Code. If the requisite acceptances are not obtained, the Court may nonetheless confirm the Plan if it finds that the Plan provides fair and equitable treatment to, and does not discriminate

unfairly against, the class or classes rejecting it, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code.

3. With regard to any Beneficial Owner Ballots returned to you, to have the vote of your Beneficial Owners count, you must: (a) retain such Beneficial Owner Ballots in your files and transfer the requested information from each such Beneficial Owner Ballot onto the Master Ballot; (b) execute the Master Ballot; and (c) deliver the Master Ballot to the Solicitation Agent in accordance with these instructions.

4. Please keep any records of Beneficial Owner Ballots for at least one year after the Voting Deadline (or such other date as is set by subsequent Court order). You may be ordered to produce the Beneficial Owner Ballots to the Debtors or the Court.

5. If you are both the Voting Nominee and Beneficial Owner and you wish to vote such Class 7 EGC Unsecured Notes Claims for which you are a Beneficial Owner, you may return either a Beneficial Owner Ballot or the Master Ballot for such Class 7 EGC Unsecured Notes Claims.

6. The Master Ballot may not be used for any purpose other than to vote to accept or reject the Plan.

7. The Master Ballot does not constitute, and shall not be deemed to be, a proof of claim or interest or an assertion or admission of a Claim or Interest.

8. The following ballots shall not be counted in determining the acceptance or rejection of the Plan: (a) any ballot that is illegible or contains insufficient information to permit the identification of the Beneficial Owner's customer account or other identification number for the Beneficial Owner, (b) any ballot cast by a Person that does not hold a Claim or Interest in a class entitled to vote on the Plan, (c) any unsigned ballot, (d) any ballot that does not contain an original signature, (e) any ballot not marked to accept or reject the Plan, and any ballot indicating both acceptance and rejection of the Plan.

9. If a Beneficial Owner submits ballots for multiple Class 7 EGC Unsecured Notes Claims, whether held in other accounts or other record names, and such ballots indicate <u>different</u> votes to accept or reject the Plan, then all such ballots will not be counted.

10. If the Master Ballot is received after the Voting Deadline, it will not be counted, unless otherwise determined by the Debtors. The method of delivery of the Master Ballot to the Solicitation agent is at your election and risk.

MASTER BALLOT INSTRUCTIONS

1. If a Voting Nominee is transmitting the votes of any Beneficial Owner of Class 9 EXXI 3.0% Senior Convertible Notes Claims, such Voting Nominee may do one of the following:

   a. "Pre-validate" the individual Ballot contained in the Solicitation Package and forward the Solicitation Package to the Beneficial Owner of the Class 9 EXXI 3.0% Senior Convertible Notes Claim for voting within five business days after the receipt by such Voting Nominee of the Solicitation Package. A Voting Nominee "pre-validates" a Beneficial Owner Ballot by signing the Beneficial Owner Ballot, including their DTC participant number, indicating the account number of the Beneficial Owner and the principal amount of Class 9 EXXI 3.0% Senior Convertible Notes Claim held by the Voting Nominee for such Beneficial Owner, and forwarding the Beneficial Owner Ballot, together with the Solicitation Package, to the Beneficial Owner. The Beneficial Owner shall then complete the information requested on the Beneficial Owner Ballot and return the Beneficial Owner Ballot directly to the Solicitation Agent the return envelope provided in the Solicitation Package. A list of Beneficial Owners to whom "pre-validated" Beneficial Owner Ballots were delivered should be maintained by Voting Nominees for inspection for at least one year.

   b. Within five business days after receipt by such Voting Nominee of the Solicitation Package, forward the Solicitation Package to the Beneficial Owner of the Class 9 EXXI 3.0% Senior Convertible Notes Claims for voting along with a return envelope provided by and addressed to the Voting Nominee. The Beneficial Owner shall then return the individual Beneficial Owner Ballot to the Voting Nominee. In such case, the Voting Nominee will tabulate the votes of its respective Beneficial Owners on a Master Ballot that will be provided to the Voting Nominee separately by the Solicitation Agent, in accordance with any instructions set forth in the Master Ballot, and thereafter return the Master Ballot to the Solicitation Agent. The Voting Nominee should advise the Beneficial Owner to return their individual Beneficial Owner Ballots to the Voting Nominee by a date calculated by the Voting Nominee to allow it to prepare and return the Master Ballot to the Solicitation Agent so that the Master Ballot is actually received by the Solicitation Agent on or before the Voting Deadline.

2. The Plan can be confirmed by the Court and thereby made binding upon you and the Beneficial Owners if it is accepted by the holders of two-thirds of the aggregate principal amount and more than one half in number of Claims in each class that votes on the Plan, and if it otherwise satisfies the requirements of section 1129(a) of the Bankruptcy Code. If the requisite acceptances are not obtained, the Court may nonetheless confirm the Plan if it finds that the Plan provides fair and equitable treatment to, and does not discriminate unfairly against, the class or classes rejecting it, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code.

3. With regard to any Beneficial Owner Ballots returned to you, to have the vote of your Beneficial Owners count, you must: (a) retain such Beneficial Owner Ballots in your files and transfer the requested information from each such Beneficial Owner Ballot onto the Master Ballot; (b) execute the Master Ballot; and (c) deliver the Master Ballot to the Solicitation Agent in accordance with these instructions.

4. Please keep any records of Beneficial Owner Ballots for at least one year after the Voting Deadline (or such other date as is set by subsequent Court order). You may be ordered to produce the Beneficial Owner Ballots to the Debtors or the Court.

5. If you are both the Voting Nominee and Beneficial Owner and you wish to vote such Class 9 EXXI 3.0% Senior Convertible Notes Claims for which you are a Beneficial Owner, you may return either a Beneficial Owner Ballot or the Master Ballot for such Class 9 EXXI 3.0% Senior Convertible Notes Claims.

6. The Master Ballot may not be used for any purpose other than to vote to accept or reject the Plan.

7. The Master Ballot does not constitute, and shall not be deemed to be, a proof of claim or interest or an assertion or admission of a Claim or Interest.

8. The following ballots shall not be counted in determining the acceptance or rejection of the Plan: (a) any ballot that is illegible or contains insufficient information to permit the identification of the Beneficial Owner's customer account or other identification number for the Beneficial Owner, (b) any ballot cast by a Person that does not hold a Claim or Interest in a class entitled to vote on the Plan, (c) any unsigned ballot, (d) any ballot that does not contain an original signature, (e) any ballot not marked to accept or reject the Plan, and any ballot indicating both acceptance and rejection of the Plan.

9. If a Beneficial Owner submits ballots for multiple Class 9 EXXI 3.0% Senior Convertible Notes Claims, whether held in other accounts or other record names, and such ballots indicate <u>different</u> votes to accept or reject the Plan, then all such ballots will not be counted.

10. If the Master Ballot is received after the Voting Deadline, it will not be counted, unless otherwise determined by the Debtors. The method of delivery of the Master Ballot to the Solicitation agent is at your election and risk.

11. The Master Ballot should not be sent to the Debtors, the United States Trustee for the Southern District of Texas, or the Debtors' financial or legal advisors.

12. There may be changes made to the Plan that do not cause material adverse effects on an accepting class. If such non-material changes are made to the Plan, the Debtors will not resolicit votes for acceptance or rejection of the Plan.
