<sup>3</sup> All summaries herein of terms contained in the Engagement Letter are provided for convenience only. The terms set forth in the Engagement Letter control in all respects.

- (i) Assist in preparing for and filing chapter 11 petitions, coordinating and providing administrative support for the chapter 11 proceeding and developing the Debtors' plan of reorganization or other appropriate case resolution, if necessary;
- (ii) Assist with the preparation of the statement of affairs, schedules, and other regular reports required by the Court;
- (iii) Assist in obtaining and presenting information required by parties in interest in the Debtors' bankruptcy process including official committees appointed by the Court and the Court itself;
- (iv) Provide assistance in such areas as testimony before the Court on matters that are within the scope of this engagement and within APS' area of testimonial competencies;
- (v) Assist the Debtors and its management in developing a short-term cash flow forecasting tool and related methodologies and assist with planning for alternatives as requested by the Debtors;
- (vi) Provide assistance as requested by management in connection with the Debtors' development of their business plan, and such other related forecasts as may be required by creditor constituencies in connection with negotiations or by the Debtors for other corporate purposes;
- (vii) Assist the "working group" professionals who are representing the Debtors in the reorganization process or who are working for the Debtors' various stakeholders to coordinate their effort and individual work product in order to be consistent with the Debtors' overall restructuring goals;
- (viii) Assist in communication and/or negotiation with outside constituents including the banks and their advisors; and
- (ix) Assist with such other matters as may be requested that fall within APS' expertise and that are mutually agreeable.

7. APS understands that the Debtors may retain additional professionals

during the term of its engagement and will work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors. The services provided by APS will complement, and not duplicate, the services to be rendered by any other professional retained in the chapter 11 cases.

**Terms of Retention**

8. APS' decision to accept this engagement to advise and assist the Debtors is conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment, compensated for its services, and reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices, as set forth in Schedule 1 of the Engagement Letter (the "*Fee and Expense Structure*").

9. My standard hourly rates and those for the Vice Presidents and the APS Personnel working on this matter are as follows:

**OFFICERS OF THE DEBTORS**

Name	Description	Hourly Rate	Commitment Full or Part Time
David C. Johnston	Chief Restructuring Officer	\$1,015	Part Time
Charles N. Braley	Senior Vice President of Restructuring	\$830	Full Time
M. Brian Huffman	Vice President of Restructuring	\$770	Full Time

**APS PERSONNEL**

Name	Description	Hourly Rate	Commitment Full or Part Time
Raymond J. Adams	Director	\$720	Full Time
Jeffrey Ivester	Vice President	\$530	Full Time
Emilia Kanazireva	Analyst	\$315	Part Time

APS' current standard hourly rates for 2016, subject to periodic adjustments, are as follows:

Title	Hourly Rate
Managing Director	\$960 – \$1,095
Director	\$720 – \$880
Vice President	\$530 – \$635
Associate	\$365 – \$500
Analyst	\$315 – \$350
Paraprofessional	\$240 – \$260

13. In the normal course of business, APS may periodically adjust its billing rates. Changes in applicable hourly rates will be noted on the invoices for the first time period in which the revised rates became effective.

14. In addition to compensation for professional services rendered by APS Personnel and the Officers, APS will seek reimbursement for reasonable and necessary expenses incurred in connection with the chapter 11 cases, including transportation costs, lodging, and meals. Notwithstanding anything in the Engagement Letter or herein to the contrary, APS and the Debtors have agreed that the Debtors are not obligated to reimburse APS for the time spent by the Officers and APS Personnel traveling to and from Fort Worth, Texas in these chapter 11 cases.

15. The Fee and Expense Structure is consistent with and typical of compensation arrangements entered into by APS and other comparable firms that render similar services under similar circumstances. The Debtors believe that the Fee and Expense Structure is reasonable, market-based, and designed to compensate APS fairly for its work and to cover fixed and routine overhead expenses.

16. To the extent APS uses the services of independent contractors (the "*Contractors*") in the chapter 11 cases, APS shall (i) pass through the cost of such Contractors to the Debtors at the same rate that APS pays the Contractors; (ii) seek reimbursement for actual costs only; (iii) ensure that the Contractors are subject to the same conflict checks as required for APS; and (iv) file with the Court such disclosures required by Bankruptcy Rule 2014.

17. To the extent APS requires services of its international divisions or personnel from specialized practices, the standard hourly rates for that international division or specialized practice will apply.

18. APS will submit monthly invoices to the Debtors, and the Debtors request authority to pay, in the ordinary-course of business, all reasonable amounts invoiced by APS for fees and expenses.

19. APS will, however, file with the Court, and provide reports on the engagement and compensation earned and expenses incurred for the previous month (“**Compensation Reports**”) to (i) Basic Energy Services, Inc., 801 Cherry Street, Suite 2100, Fort Worth, Texas 76102, (Attn: Roe Patterson, Alan Krenek, and Mike Dye); (ii) Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Ray C. Schrock, P.C. and Ronit J. Berkovich, Esq.); (iii) Richards, Layton & Finger, P.A., 920 N. King Street, One Rodney Square, Wilmington, Delaware 19807 (Attn: Daniel J. DeFranceschi, Esq., Michael J. Merchant, Esq.); (iv) the U.S. Trustee, 844 King Street, Suite 2207, Lockbox 35, Wilmington, Delaware 19801; (v) Davis Polk & Wardwell LLP, 450 Lexington Avenue, New York, New York 10017 (Attn: Marshall Huebner, Esq. and Darren Klein, Esq.); (vi) Potter Anderson & Corroon LLP, 1313 North Market Street, 6th Floor, Wilmington, Delaware (Attn: Jeremy W. Ryan, Esq.) (vii) Vinson & Elkins LLP, Trammell Crow Center, 2001 Ross Avenue, Suite 3700, Dallas, Texas 75201 (Attn: James Markus, Esq.); (viii) Fried, Frank, Harris, Shriver & Jacobson LLP, One New York Plaza, New York, New York 10004 (Attn: Brad Eric Scheler, Esq. and Peter B. Siroka, Esq.); and (ix) counsel to the Committee, if any (collectively, the “**Notice Parties**”). The Compensation Reports will contain a summary chart that describes the compensation earned by each executive officer and staff employee and itemizes the expenses

incurred for the relevant period. Time records will (i) be appended to such reports, (ii) contain detailed time entries describing the task(s) performed, and (iii) be organized by project category. Where personnel are providing services at an hourly rate, the time entries will identify the time spent completing each task in half-hour increments and corresponding charge (multiplied by hourly rate) for each task. Notice Parties will have 21 days after the date such Compensation Report is served to object. In the event an objection is raised and not consensually resolved by the Debtors, APS, and the objecting party, the objected to portion of the Compensation Report will be subject to review by the Court. No payments will be made to APS on account of the objected to portion of such Compensation Report until such objection is resolved.

20. Each month, APS will file with the Court (and serve to the Notice Parties) a report reflecting the APS Personnel that worked on the engagement for the previous month (“*Staffing Report*”). Such report will include the names of all full- and part-time APS Personnel that provided services in these chapter 11 cases during the prior month and each individual’s hourly billing rate. The Notice Parties will have 21 days after the date each Staffing Report is served upon them to object. The Staffing Reports and APS’ staffing decisions will be subject to review by the Court in the event an objection is filed.

21. APS often works for compensation that includes hourly-based fees and performance-based, contingent-incentive compensation earned upon achieving meaningful results. APS does not currently request a success fee in the chapter 11 cases, but reserves the right to negotiate a success fee with Debtors and then present it to this Court for approval.

22. APS received unapplied advance payments from the Debtors in the amount of \$400,000 (the “*Retainer*”). According to APS’ books and records, during the 90-day

period prior to the Petition Date, Debtors paid APS \$2,134,015.42 in aggregate for professional services performed and expenses incurred, including the Retainer.

23. The Debtors and APS have agreed that any portion of the Retainer not used to compensate APS for its prepetition services and reasonable and documented out-of-pocket expenses will be held and applied against its final post-petition billing and will not be placed in a separate account.

24. Due to the ordinary course and unavoidable reconciliation of fees and submission of expenses immediately prior, and subsequent to the Petition Date, APS may have incurred, but not billed, fees and reimbursable expenses that relate to the pre-petition period. Approval is sought from this Court for APS to apply the Retainer to these amounts. Upon entry of an Order approving the relief requested in the Application, the Debtors will not owe APS any sums for pre-petition services.

#### **APS' Disinterestedness**

25. In connection with its proposed retention by the Debtors in the chapter 11 cases, APS undertook a lengthy review to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors. Specifically, APS obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties-in-interest in the chapter 11 cases ("**Potential Parties-in-Interest**"). Such parties are listed on Schedule 1 annexed hereto. A search was performed for connections to the Potential Parties-in-Interest within the past five years, and results were disclosed as to AlixPartners Holdings, LLP ("**AP Holdings**"), APS' parent company, and each of AlixPartners Holdings' U.S. and non-U.S. subsidiary affiliates (collectively, "**AlixPartners**"). In addition, APS sends an email to all of its professionals inquiring of any potential connections.

26. Based on that review, APS represents that, to the best of its knowledge, APS knows of no fact or situation that would represent a conflict of interest for APS with regard to the Debtors. Unless otherwise noted, references to AlixPartners in the disclosures below collectively refer to AlixPartners, AP Holdings, APS, and each of their subsidiary affiliates. APS wishes to disclose the following:

- Funds managed by subsidiaries of CVC Capital Partners SICAV-FIS S.A. (“*CVC*”), a private equity and investment advisory firm, own a controlling stake in AP Holdings, the parent of AlixPartners. CVC Credit Partners, L.P. (“*CVC Credit Partners*”) is a global debt management business and a majority owned subsidiary of CVC.

CVC’s private equity funds (“*CVC Funds*”) and debt funds (“*CVC Credit Partners’ Funds*”) are managed independently from each other, with no overlap in membership of the relevant investment committees or boards of entities with responsibility for investment decisions. CVC has in place an internal information barrier between the CVC Funds and the CVC Credit Partners’ Funds. All CVC Credit Partners investment professionals are dedicated to CVC Credit Partners and are not involved in the private equity business. CVC Credit Partners also has separate IT systems and workspaces.

No material nonpublic information about the Debtors has been furnished by AlixPartners to CVC or any CVC managed funds or their portfolio companies, including without limitation, CVC Credit Partners (collectively, the “*CVC Entities*”) and AlixPartners will continue to abide by its confidentiality obligations to the Debtors. AlixPartners operates independently of the CVC Entities, and does not share employees or officers with the CVC Entities. A managing partner of CVC is on the Board of Directors of AlixPartners, LLP and AP Holdings and on the advisory board to CVC Credit Partners. Certain other CVC executives, who are not connected with CVC Credit Partners, are also on either the Board of Directors of AlixPartners, LLP or the Board of Directors of AlixPartners Holdings, LLP. AlixPartners and the CVC Entities have separate offices in separate buildings and use separate Internet email addresses. AlixPartners’ financial performance is not directly impacted by the success or failure of the CVC Entities.

As a component of its conflict checking system, AlixPartners has searched the names of CVC, CVC Credit Partners, the CVC Credit Partners’ Funds, the CVC Funds, each managing partner of CVC and each portfolio company of the CVC Funds (the “*CVC Conflict Parties*”) against the list of Potential Parties in Interest, and AlixPartners has determined to the best of its knowledge it has no connection or relationship with the CVC Conflict Parties that requires disclosure other than as noted herein. The term “portfolio

company” means any business in which a CVC fund has a direct controlling or minority interest. The term “portfolio company” does not include indirect investments such as businesses owned or investments made by a CVC Funds portfolio company or investments made by the CVC Credit Partners’ Funds. CVC Credit Partners Funds, as well as other CVC Entities, may in the ordinary course from time to time hold, control and/or manage loans to, or investments in the Debtors and parties in interest in these cases. Further, the CVC Entities may have had, currently have or may in the future have business relationships or connections with the Debtors or other Potential Parties in Interest in matters related to or unrelated to the Debtors or their affiliates or these chapter 11 cases. Furthermore, AlixPartners has provided to CVC the list of Debtors and has performed appropriate checks to determine if there exists any material connection or relationship between the CVC Conflict Parties and the Debtors. AlixPartners will supplement this disclosure if it obtains information regarding any such connection. Other than as specifically noted herein, AlixPartners has not undertaken to determine the existence, nature and/or full scope of any business relationships or connections that the CVC Entities may have with the Potential Parties in Interest, the Debtors and their affiliates or these chapter 11 cases.

- Certain of the CVC Credit Partners’ Funds act as lenders to AlixPartners. Further, AlixPartners may have had, currently has or may in the future have other business relationships with, among other entities, portfolio companies or managed funds of CVC in matters unrelated to the Debtors or their affiliates in these chapter 11 cases. Based on, among other things, the business separation between the CVC Funds and the CVC Credit Partners’ Funds, the business separation between the CVC Entities and AlixPartners, and the confidentiality obligations referred to above, AlixPartners believes that it does not hold or represent an interest adverse to the estate with respect to the engagement.

27. AlixPartners, APS, and its affiliates are advisors and crisis managers providing services and advice in many areas, including restructuring and distressed debt. As part of its diverse practice, AlixPartners and APS appear in numerous cases, proceedings, and transactions involving many different attorneys, accountants, investment bankers, and financial consultants, some of whom may represent claimants and parties in interest in the chapter 11 cases. Further, AlixPartners and APS have in the past been, currently are, and may in the future be represented by several attorneys and law firms, some of whom may be involved in the chapter 11 cases. In addition, AlixPartners and APS have in the past been, currently are, and likely will be in the future, engaged in matters unrelated to the Debtors or the chapter 11 cases in which it works with or against other professionals involved in these cases. Moreover, AlixPartners and APS might have referred work to other professionals who are retained in the chapter 11 cases. Likewise, certain such professionals who are retained in the chapter 11 cases might have referred work to AlixPartners. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, none of these business relations constitute interests adverse to the Debtors.

28. From time to time, APS and AlixPartners have provided services, and likely will continue to provide services, to certain creditors of the Debtors and various other parties adverse to the Debtors in matters wholly unrelated to the chapter 11 cases. As described herein, however, APS and AlixPartners have undertaken a detailed search to determine, and to

disclose, whether either is providing or has provided services to any significant creditor, equity security holder, insider, or other party-in-interest in such unrelated matters.

29. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, and except as set forth herein, neither I nor any member of the APS engagement team (i) have any connection with the U.S. Trustee, or any employee in the Office of the U.S. Trustee; or (ii) are related or connected to any United States Bankruptcy Judge for the District of Delaware, any of the District Judges for the District of Delaware who handle bankruptcy cases, except as otherwise set forth herein.

30. To the best of my knowledge, none of the members of the engagement team, APS, AP Holdings, AlixPartners, LLP, their subsidiaries or affiliates is a direct holder of any of the Debtors' securities. It is possible that members of the engagement team or certain of AlixPartners or APS employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing, may own interests in mutual funds or other investment vehicles (including various types of private funds) that own the Debtors' or other parties in interest's debt or equity securities or other financial instruments including bank loans and other obligations. Typically, the holders of such interests have no control over investment decisions related to such investment funds or financial instruments. AlixPartners' policy prohibits its employees from personally trading in the Debtors' securities.

31. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, except as set forth herein, AlixPartners and APS have not been retained to assist any entity or person other than the Debtors on matters relating to, or in direct connection with, the chapter 11 cases. AlixPartners and APS will continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or

other parties in interest in the chapter 11 cases, *provided that* such services do not relate to, or have any direct connection with, the chapter 11 cases or the Debtors.

32. Despite the efforts described above to identify and disclose the connections that AlixPartners, APS, and their affiliates have with parties-in-interest in the chapter 11 cases, because the Debtors are a large enterprise with numerous creditors and other relationships, AlixPartners and APS are unable to state with certainty that every client relationship or other connection has been disclosed.

33. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, neither I, AlixPartners, nor APS have entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in the chapter 11 cases (i) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (ii) for payment of such compensation from the assets of the estates in excess of the compensation allowed by the Court pursuant to the applicable provisions of the Bankruptcy Code, or (iii) for payment of compensation in connection with the chapter 11 cases other than in accordance with the applicable provisions of the Bankruptcy Code.

34. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine, none of APS, AlixPartners, I, nor any employee of APS who will work on the engagement holds or represents any interest materially adverse to the Debtors or their estates.

35. If APS discovers additional information that requires disclosure, APS will promptly file a supplemental disclosure with the Court as required by Bankruptcy Rule 2014 and/or the Protocol. APS reserves the right to supplement this Declaration in the event that APS discovers any facts bearing on matters described in this Declaration regarding APS' employment by the Debtors.
