**DEBTORS' MOTION PURSUANT TO 11 U.S.C. §§ 105(a) AND 1142(b) FOR
ENTRY OF ORDER IMPLEMENTING THE PROVISIONS OF THE PLAN
WITH RESPECT TO THE PREPETITION LENDER NOTES AND
PREPETITION LENDER NOTES DOCUMENTS**

Mesabi Metallica Company LLC (“**Mesabi**”) (f/k/a Essar Steel Minnesota LLC) and ESML Holdings Inc. (“**Holdings**,” and, together with Mesabi, the “**Debtors**”) hereby submit this motion (the “**Motion**”) for entry of an order implementing the provisions of the *Third Amended Chapter 11 Plan of Reorganization of Mesabi Metallica Company LLC (f/k/a Essar Steel Minnesota LLC) and ESML Holdings Inc.* [D.I. 990] (the “**Plan**”).² In support of the Motion, the Debtors respectfully represent as follows:

I.

BACKGROUND

1. On July 8, 2016 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”), thereby commencing the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”).

¹ Essar Steel Minnesota LLC has changed its name to Mesabi Metallica Company LLC. The last four digits of Mesabi Metallica Company LLC’s federal taxpayer identification number are 8770. The last four digits of ESML Holdings Inc.’s federal taxpayer identification number are 8071.

² Where the context requires, each capitalized term used but not otherwise defined herein shall have the meaning ascribed to such term in the Plan.

The Debtors are authorized to continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On July 12, 2016, the Court entered an order for the joint administration of the Chapter 11 Cases [D.I. 32].

3. No trustee or examiner was appointed in the Chapter 11 Cases. On July 19, 2016, an official committee of unsecured creditors was appointed in the Chapter 11 Cases.

4. Information regarding the Debtors' businesses, capital structure, and the circumstances leading to the commencement of the Chapter 11 Cases is set forth in the *Declaration of Sanjay Bhartia in Support of First Day Motions and Applications* [D.I. 14].

6. On February 2, 2017, the Debtors filed their initial Chapter 11 Plan of Reorganization [D.I. 690], which was amended several times, including on June 8, 2017, when the Debtors filed the Plan.

7. On April 12, 2017, the Debtors filed the initial plan documents and notice thereto [D.I. 889], which were later revised pursuant to the notice of amended plan documents filed on June 12, 2017 [D.I. 1005] (the "**Notice of Revised and Removed Plan Documents**"). Attached as Exhibit 6 to the Notice of Revised and Removed Plan Documents was the form Prepetition Lender Note indenture and attached thereto was the form Prepetition Lender Note. The form Prepetition Lender Notes and form Prepetition Lender Notes Documents (including the indenture) were subject to further modification, amendment, and negotiations between the Plan Sponsor and the Prepetition Lenders.

8. On June 13, 2017, the Court confirmed the Plan and entered the *Findings of Fact, Conclusions of Law, and Order Confirming the Third Amended Chapter 11 Plan of Reorganization for Mesabi Metallics Company LLC (f/k/a Essar Steel Minnesota LLC) and*

ESML Holdings Inc. Proposed by the Debtors [D.I. 1025] (the “**Confirmation Order**”). No party appealed the Confirmation Order and the Confirmation Order became final and non-appealable on June 27, 2017.

9. Since entry of the Confirmation Order, the Debtors have continued to make significant headway towards effectuating the Plan.

10. The Debtors have also continued to work with the Plan Sponsor and the Prepetition Lenders to consummate the Plan and go effective. Among other things, the Debtors and Plan Sponsor with the participation of the Prepetition Lenders and potential exit financing lenders have modified the indenture (including the exhibits thereto, the “**Indenture**”), which is the subject of this Motion. A true and correct copy of the current form of revised Indenture is attached to the proposed order as **Exhibit 1**.

11. The Debtors now move to further implement the Plan and supplement the Plan Documents with the Indenture and proceed with moving towards an Effective Date on November 30, 2017, or as soon as practicable thereafter.

II.

JURISDICTION

12. The Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334, the Confirmation Order ¶ 51, and the Plan, Article XIII (iv), (vii), and (x). This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

III.

RELIEF REQUESTED

13. By this Motion and pursuant to sections 105(a) and 1142(b) of the Bankruptcy Code, the Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A**, implementing the Plan and approving the modified Indenture.

IV.

BASIS FOR RELIEF

14. The relief requested by this Motion is authorized pursuant to section 1142 of the Bankruptcy Code, which provides, in pertinent part:

The court may direct the debtor and any other necessary party to execute or deliver or to join in the execution or delivery of any instrument required to effect a transfer of property dealt with by a confirmed plan, *and to perform any other act . . .* that is necessary for the consummation of the plan.

11 U.S.C. § 1142(b) (emphasis added); *see also Beal Bank S.S.B. v. Jack's Marine, Inc.*, 201 B.R. 376, 379 (E.D. Pa. 1996) (section 1142 may be used to protect the confirmation order, prevent interference with the reorganization and aid in the plan's execution). Thus, because the relief requested herein is necessary to ensure that the Plan is properly and effectively consummated, the Court is authorized to grant such relief.

15. The relief requested in this Motion is also appropriate under the Court's equitable powers under section 105(a) of the Bankruptcy Code, which provides that the "court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a). Courts within the Third Circuit have acknowledged that section 105 confers broad powers on bankruptcy courts:

Section 105 grants bankruptcy judges broad equitable powers that are to be used to further fundamental bankruptcy principles, which

are directed toward rehabilitation of debtors and distribution of debtors' assets.

In re Joyce, 399 B.R. 382, 386 n.2 (Bankr. D. Del. 2009); *see also In re Kaiser Aluminum Corp.*, 456 F.3d 328, 340 (3d Cir. 2006) (Bankruptcy Courts may, when necessary, “eschew [] mechanical rules,’ ‘modify creditor-debtor relationships,’ and ‘craft flexible remedies that, while not expressly authorized by the [Bankruptcy] Code, effect the result the Code was designed to obtain.’”) (internal citations omitted).

16. The Debtors have engaged in extensive negotiations with the Plan Sponsor, the Prepetition Lenders, and potential exit financing lenders regarding the revised form of the Indenture. The Debtors believe that all changes to the Indenture since the draft filed as a Plan Document on June 12, 2017 [D.I. 1005] are reasonable in light of the circumstances of these Chapter 11 Cases and are acceptable to the Plan Sponsor.³ The Indenture and the exhibits thereto, have been negotiated in good faith and are, in the judgment of the Debtors and the Plan Sponsor, necessary and appropriate to effectuate the Plan. The Debtors reserve the rights to file a further modified or amended version of the Indenture prior to the hearing on the Motion. Accordingly, the Debtors request that the Court grant the relief sought herein.

V.

NOTICE

17. Notice of this Motion has been provided to (i) the Office of the United States Trustee for the District of Delaware, (ii) counsel to the Plan Sponsor, (iii) counsel to the Prepetition Lenders; (iv) counsel to the Committee, and (v) those parties that have filed requests

³ While the Debtors believe that all changes to the Indenture will be acceptable to the Prepetition Lenders, in the event the parties are unable to reach a full consensus on an agreed form of the Indenture prior to the hearing on this Motion, the Debtors reserve their rights to demonstrate, and request the Court to adjudicate, on November 30, 2017, “whether the Prepetition Lenders’ acceptance of the Prepetition Lender Notes Documents, or any comments thereto, is being unreasonably withheld, conditioned, or delayed in the event of a dispute with respect thereto.” Confirmation Order ¶ 19.

for notices in this case pursuant to Bankruptcy Rule 2002. A courtesy copy has also been provided to counsel for the potential exit financiers. The Debtors submit that in view of the facts and circumstances, such notice is sufficient and no other or further notice need be provided.

18. No previous motion for the relief sought herein has been made to this or any other court.

VI.

CONCLUSION

WHEREFORE, the Debtors respectfully request entry of an order (a) granting the relief requested herein and (b) granting the Debtors such other and further relief as the Court deems just and proper.

Section 1.04 [Reserved].

Section 1.05 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Issuer and the Guarantors. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee, the Issuer and the Guarantors, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved (1) by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or (2) in any other manner deemed reasonably sufficient by the Trustee. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Issuer or the Guarantors in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Issuer may set a record date for purposes of determining the identity of Holders entitled to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, or to vote on or consent to any action authorized or permitted to be taken by the Holders; *provided* that the Issuer may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Issuer prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote,

any such record date shall be the later of 30 days prior to the first solicitation of such consent or vote or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the Holders on such record date, and only such Holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action (including revocation of any action), whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes, or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Issuer, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder in the manner set forth in Section 13.01.

(f) The Trustee may set any day as a record date for the purpose of determining the Holders entitled to join in the giving or making of (1) any notice of default under Section 6.01(a), (2) any declaration of acceleration referred to in Section 6.02, (3) any direction referred to in Section 6.04 or (4) any request to pursue a remedy as permitted in Section 6.05. If any record date is set pursuant to this paragraph, the Holders on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Issuer's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Issuer and to each Holder in the manner set forth in Section 13.01.

(g) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(h) Without limiting the generality of the foregoing, a Holder, including a Depositary that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and a Depositary that is the Holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by a Depositary entitled under the procedures of such Depositary, if any, to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or

other action provided in this Indenture to be made, given or taken by Holders; *provided* that if such a record date is fixed, only the beneficial owners of interests in such Global Note on such record date or their duly appointed proxy or proxies shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such beneficial owners remain beneficial owners of interests in such Global Note after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.05, the party hereto that sets such record date may designate any day as the “Expiration Date” and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Notes in the manner set forth in Section 13.01, on or prior to both the existing and the new Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.05, the party hereto which set such record date shall be deemed to have initially designated the 90th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

ARTICLE 2

THE NOTES

Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Notes issued under this Indenture are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee’s certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Issuer or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Note shall be dated the date of its authentication. Subject to the issuance of additional Notes or the increase in the principal amount of the Global Notes in order to evidence PIK Interest (which additional Notes or increased principal amount shall be in denominations of \$1.00 or any integral multiple of \$1.00 in excess thereof), the Notes shall be issuable only in registered form without interest coupons and in denominations of \$2,000 and any integral multiples of \$1.00. On any Interest Payment Date on which the Issuer pays interest all or in part in PIK Interest (a “PIK Payment”) with respect to a Global Note, the Trustee shall, subject to the Issuer’s compliance with Section 2.14(d), increase the principal amount of such Global Note by an amount equal to the interest payable as PIK Interest, rounded up to the nearest whole dollar, for the relevant Interest Period on the principal amount of such Global Note as of the relevant Record Date for such Interest Payment Date, to the credit of the Holders of such Global Note on such Record Date and an adjustment shall be made on the books and records of the Trustee with respect to such Global Note to reflect such increase.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is limited to \$300 million, *provided* that nothing herein shall prevent the issuance of Additional Notes or the increase in the aggregate principal amount of the Global Notes issuable hereunder in connection with the payment of PIK Interest.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes except that interest may accrue on the Additional Notes from their date of issuance (or such other date specified by the Issuer), subject to the Issuer's right to issue Additional Notes of a different series as set forth in the next paragraph; provided that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Section 4.09 and that a separate CUSIP or ISIN will be issued for Additional Notes, if the Initial Notes and the Additional Notes are not treated as fungible for U.S. federal income tax purposes, with the Initial Notes or any other Additional Notes bearing the same CUSIP or ISIN.

Section 2.02 Execution and Authentication.

(a) At least one Officer of the Issuer shall execute the Notes on behalf of the Issuer by manual or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual signature of an authorized signatory of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) On each Issue Date, the Trustee shall, upon receipt of a written order of the Issuer signed by an Officer of the Issuer (an "Authentication Order"), authenticate and deliver the Initial Notes specified in such Authentication Order. In addition, at any time, from time to time, the Trustee shall, upon receipt of an Authentication Order (together with such other documents as may be required pursuant to this Indenture), authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes issued or increased hereunder.

(d) The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes

authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Issuer or an Affiliate of the Issuer.

Section 2.03 Registrar and Paying Agent.

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“Registrar”) and at least one office or agency where Notes may be presented for payment (“Paying Agent”). The Registrar shall keep a register of the Notes (“Note Register”) and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar, and the term “Paying Agent” includes any additional paying agent. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Restricted Subsidiaries may act as Paying Agent or Registrar.

(b) The Issuer initially appoints The Depository Trust Company to act as Depository with respect to the Global Notes. The Issuer initially appoints the Trustee to act as Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

(c) The Issuer may change the Paying Agent or Registrar without notice to the Holders. The Issuer or any of its Restricted Subsidiaries may act in any such capacity.

Section 2.04 Paying Agent to Hold Money in Trust.

The Issuer shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal and, subject to Section 2.14(a), interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee in writing of its action or failure so to act. Each Paying Agent shall promptly notify the Issuer in the event that there is deposited with such Paying Agent an amount in excess of the amount required to be paid on any such due date, and the Issuer shall be entitled to remittance of such excess amount. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal and interest on the Notes, and shall notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five Business Days after each Record Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A.

(b) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(c) No service charge shall be imposed in connection with any registration of transfer or exchange (other than pursuant to Section 2.07), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10 and 9.05).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Issuer nor the Registrar shall be required to register the transfer of or to exchange any Note between a Record Date and the next succeeding Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office of the Trustee as set forth in Section 13.01, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(h) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall

authenticate and deliver, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Appendix A.

(i) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by facsimile or transmission in portable document format (“PDF”).

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee’s requirements are otherwise met. Such Holder shall furnish to the Issuer and to the Trustee such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction, loss, or theft, the Holder shall also furnish to the Issuer and to the Trustee evidence to their satisfaction of the destruction, loss or theft, of such Note and of the ownership thereof. The Issuer may charge the Holder for the expenses of the Issuer and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

(b) If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

(d) If a Paying Agent (other than the Issuer, a Restricted Subsidiary or an Affiliate of any thereof) holds, on the maturity date or any redemption date, money sufficient to pay Notes payable or to be purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Issuer or by any Affiliate of the Issuer, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in conclusively relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is the Issuer or any obligor upon the Notes or any Affiliate of the Issuer or of such other obligor.

Section 2.10 Temporary Notes.

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes. Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the cancellation of Notes delivered pursuant to this Section 2.11 shall, upon the written request of the Issuer, be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) Upon the occurrence and during the continuance of an Event of Default, the outstanding principal amount of the Notes and any accrued and unpaid interest and all other overdue amounts shall each bear interest until paid to the Persons who are Holders on a subsequent special record date at the Applicable Rate, *plus* 2.00% per annum, as provided in the Notes and in Sections 2.14 and 4.01. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment

date for such defaulted interest. The Trustee shall promptly notify the Issuer of such special record date. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depositary, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depositary to each Holder a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers.

The Issuer in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP or ISIN numbers in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or exchange shall not be affected by any defect in or omission of such numbers. The Issuer shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

Section 2.14 Interest.

(a) (1) Interest on the Notes shall accrue from and including the most recent date to which interest has been paid (or, if no interest has been paid, from the Issue Date) through but excluding the date on which interest is paid. Interest shall be payable semiannually in arrears on each Interest Payment Date, commencing the date of the original issuance of the Notes hereunder at a rate per annum equal to seven percent (7.00%) (the “Applicable Rate”); *provided* that for Interest Payment Dates prior to the date that is the one-year anniversary of the Production Date (as defined in the Plan) all interest shall be PIK interest, and thereafter, interest shall be payable 5/7ths in cash and 2/7ths PIK on each Interest Payment Date through the Maturity Date. Following an increase in the principal amount of the outstanding Global Notes as a result of a PIK Payment, the Notes shall bear interest on such increased principal amount from and after the date of such PIK Payment. With respect to any PIK Payment in the form of Definitive Notes, no later than 10 Business Days prior to the relevant Interest Payment Date the Issuer shall deliver to the Trustee and the Paying Agent (if other than the Trustee) an Authentication Order to authenticate on the relevant Interest Payment Date new Notes in the required principal amount (rounded up to the nearest whole dollar) (the “PIK Notes”), and the Trustee will, on the relevant Interest Payment Date, authenticate and deliver such PIK Notes in certificated form for original issuance to the Holders of Definitive Notes on the relevant Record Date, as shown by the records of the register of Holders. Each PIK Note so issued will be dated as of the applicable Interest Payment Date and will bear interest from and after such date. Any

payment of PIK Interest shall be deemed to be payment in full to the same extent as if it were paid in cash.

(b) [Reserved.]

(c) If the due date for any payment in respect of any Notes is not a Business Day at the place at which such payment is due to be paid, the Holder thereof shall not be entitled to payment of the amount due until the next succeeding Business Day at such place, and shall not be entitled to any further interest or other payment as a result of any such delay.

(d) No later than 10 (ten) days prior to the relevant Interest Payment Date in connection with any PIK Payment, the Issuer shall deliver to the Trustee and the Paying Agent (if other than the Trustee) written notification, executed by an Officer of the Issuer, substantially in the form of Exhibit D hereto, setting forth the amount of PIK Interest to be paid on such Interest Payment Date and directing the Trustee and the Paying Agent (if other than the Trustee) to issue PIK Notes or increase the principal amount of the Global Notes in accordance with this paragraph and Section 2.14(a), which notification the Trustee and Paying Agent shall be entitled to rely upon.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

(a) If the Issuer elects to redeem Notes pursuant to Section 3.06, it shall furnish to the Trustee, at least two Business Days before notice of redemption is required to be mailed or delivered to Holders pursuant to Section 3.03 (unless a shorter notice shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officers' Certificate setting forth (1) the paragraph or subparagraph of such Note or Section of this Indenture pursuant to which the redemption shall occur, (2) the redemption date, (3) the principal amount of the Notes to be redeemed, (4) the redemption price, if then ascertainable and (5) if applicable, any conditions to such redemption.

Section 3.02 Selection of Notes to be Redeemed or Purchased in Part

If less than all of the Notes are to be redeemed at any time (including, for the avoidance of doubt, under Section 4.16), selection of Notes for redemption shall be made by the Trustee by lot; *provided* that no Notes of \$2,000 or less (or, if a PIK Payment has been made, \$1.00 or less) shall be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption that relates to such Notes shall state the portion of the principal amount thereof to be redeemed.

Section 3.03 Notice of Redemption.

(a) The Issuer shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depositary, or cause to be mailed (or delivered by electronic transmission in accordance with the applicable procedures of the Depositary) notices

of redemption of Notes not less than 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed pursuant to this Article at such Holder's registered address or otherwise in accordance with the applicable procedures of the Depositary, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with Article 8 or Article 12.

(b) The notice shall identify the Notes to be redeemed (including CUSIP and ISIN number, if applicable) and shall state:

- (1) the redemption date;
 - (2) the redemption price, including the portion thereof representing any accrued and unpaid interest; *provided* that in connection with a redemption under Section 3.06(a), the notice need not set forth the redemption price but only the manner of calculation thereof;
 - (3) the name and address of the Paying Agent;
 - (4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
 - (5) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;
 - (6) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
 - (7) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes;
 - (8) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the applicable redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note; and
 - (9) if applicable, any condition to such redemption.
- (c) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that the Issuer shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(b).
- (d) If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in

which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the applicable redemption date, unless the Issuer defaults in the payment of the applicable redemption price, interest ceases to accrue on Notes or portions of them called for redemption.

(e) Notice of any redemption of the Notes in connection with a corporate transaction (including an Equity Offering, an incurrence of Indebtedness or a Change of Control other than a Permitted Change of Control) may, at the Issuer's discretion, be given prior to the completion thereof and any such redemption or notice, at the Issuer's discretion, may be subject to one or more conditions precedent, including, but not limited to, completion of the related transaction. If such redemption is subject to any such conditions precedent, the notice in respect thereof may state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions precedent shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions precedent shall not have been satisfied (or waived by the Issuer in its sole discretion) by the redemption date, or by the redemption date as so delayed.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed or delivered in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. The notice, if mailed or delivered by electronic transmission in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the Business Day prior to the redemption or purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Payment Date, then any accrued and unpaid interest shall be paid to the Holder of record on such Record Date. The Paying Agent shall promptly mail to each Holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on all Notes to be redeemed or purchased.

(b) If the Issuer complies with the provisions of Section 3.05(a), on and after the redemption or purchase date, interest shall cease to accrue on the Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Payment Date, then any accrued and unpaid interest to the redemption or purchase date in respect of such Note shall be paid on such redemption or purchase date to the Person in whose name such Note is registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Sections 2.12 and Section 4.01.

Section 3.06 Optional Redemption.

(a) The Issuer may, at any time, but subject in all respects to the Intercreditor Agreement and the Priority Lien Documents, redeem the Notes, in whole or in part, upon notice pursuant to Section 3.03 at a redemption price equal to 100% of the aggregate principal amount of the Notes *plus* accrued and unpaid interest thereon, to the redemption date. Promptly after the determination thereof, the Issuer shall give the Trustee notice of the redemption price provided for in this Section 3.06(a), and the Trustee shall not be responsible for such calculation.

(b) Except pursuant to clause (a) of this Section 3.06, to the extent applicable, the Notes shall not be redeemable at the Issuer's option.

(c) Any redemption pursuant to this Section 3.06 shall be made pursuant to the provisions of Sections 3.01 through 3.05.

(d) Any redemption notice in connection with this Section 3.06 may, at the Issuer's discretion, be subject to one or more conditions precedent.

Section 3.07 Mandatory Redemption.

The Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes other than as set forth in Section 6.02. The Issuer, the Guarantors, and their respective Restricted Subsidiaries and Affiliates may at any time and from time to time purchase Notes in the open market or otherwise, subject to compliance with all applicable securities laws.

Section 3.08 Notes Redeemed or Purchased in Part

Upon surrender of a Note that is redeemed or purchased in part, the Issuer will issue and, upon receipt of an Authentication Order from the Issuer, the Trustee will authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount of \$2,000 or integral multiple of \$1.00 (solely for any PIK Notes) in excess thereof.

ARTICLE 4

Section 4.02 Prepayment of Notes.

The Issuer may at any time and from time to time prepay any principal amount of the Notes in whole or in part without premium or penalty, pursuant to Article 3. Notwithstanding anything to the contrary in this Section 4.02, the Issuer's right to make such prepayments of any principal amount of the Notes, and the rights of such Holders of Notes to receive such prepayments, are subject to the limitations set forth in the Intercreditor Agreement and are only permitted to the extent permitted under the Priority Lien Documents, as applicable.

Section 4.03 Taxes

Section 4.05 Corporate Existence.

Subject to Article 5, each Obligor shall do or cause to be done all things necessary to preserve and keep in full force and effect (1) its corporate or limited liability company existence and the corporate, partnership, limited liability company or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of such Obligor or any such Restricted Subsidiary and (2) the material rights (charter and statutory), licenses and franchises of such Obligor and its Restricted Subsidiaries; *provided* that such Obligor shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Restricted Subsidiaries, if such Obligor in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of such Obligor and its Restricted Subsidiaries, taken as a whole.

Section 4.06 Reports and Other Information³

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Issuer shall provide to the Holders the following reports:

(c) In the event that any Parent Company of the Issuer becomes a Guarantor of the Notes, the Issuer may satisfy its obligations under this Section 4.06 to provide consolidated financial information of the Issuer by furnishing consolidated financial information relating to such parent; *provided* that (1) such financial statements are accompanied by consolidating financial information for such parent, the Issuer and the Restricted Subsidiaries in the manner prescribed by the SEC and (2) such parent is not engaged in any business in any material respect other than such activities as are incidental to its ownership, directly or indirectly, of the Capital Stock of the Issuer.

The Fair Market Value of any assets or securities that are required to be valued by this Section 4.08 will be evidenced by an Officers' Certificate delivered to the Trustee within five Business Days of the making of the Restricted Payment, together with a copy of any related resolution of the Board of Directors of the Issuer. Such Officers' Certificate shall state that the Restricted Payment is permitted by this Section 4.08. For purposes of determining compliance with this Section 4.08, in the event that a Restricted Payment meets the criteria of more than one of the exceptions described in (1) through (11) above or is entitled to be made pursuant to the first paragraph of this Section 4.08, the Issuer shall, in its sole discretion, classify such Restricted Payment, or later classify, reclassify or re-divide all or a portion of such Restricted Payment, in any manner that complies with this Section 4.08.

Section 4.09 Limitation on Indebtedness.

(a) Each Obligor shall not, and shall not permit any of its Restricted Subsidiaries to, create, incur, assume or permit to exist any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; *provided, however*, that each Obligor and its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness) or issue Disqualified Stock, if the Consolidated Priority Lien Secured Debt Ratio for the Issuer's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock is issued, as the case may be, would have been no greater than 4.50 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) The provisions of Section 4.09(a) shall not prohibit the Incurrence of the following Indebtedness:

(1) the incurrence by any Obligor of Indebtedness represented by the Notes and the related Note Guarantees to be issued on the initial Issue Date (but excluding any Additional Notes) and any PIK Interest thereon (or PIK Notes delivered in lieu of PIK Interest) in accordance with this Indenture;

(2) Indebtedness existing on the date of the original issuance of the Notes hereunder (other than Indebtedness described in clause (1));

(3) (i) Priority Lien Debt not to exceed the greater of (x) \$750 million plus any additional amounts necessary or desirable to fund bona fide construction costs of the Nashwauk Iron Ore Mining Project and any and all bona fide pre-operating expenses and expenses and (y) an amount equal to the sum of (A) \$750 million plus (B) 10% of Consolidated Total Assets determined as of the date of the incurrence of such Indebtedness after giving pro forma effect to such incurrence and the application of the proceeds therefrom and (ii) Indebtedness for the Obligors in an aggregate principal amount not exceeding at any time outstanding (a) the aggregate principal amount of the Prepetition Trade Creditor Notes; (b) all amounts owed by the Obligors in connection with the Plan; (c) the full amount of the pre-existing Indebtedness of the Guarantor as of the initial Issue Date; (d) up to \$5 million to cover storage fees, transportation costs and unpaid purchase price for equipment currently stored in _____; and (e) up to \$5 million aggregate principal amount of any drawings under any standby letters of credit issued to secure the Guarantor's obligations owed to Progress Rail Leasing Corporation ("Progress Rail") under that certain Master Railcar Lease Agreement (Full Service) between the Guarantor and Progress Rail; and (f) any interest, fees or expenses accrued, incurred or capitalized on any of the Indebtedness permitted under the foregoing provisions of this Section 4.09(b)(3).

(5) Indebtedness of an Obligor owing to and held by any of its Restricted Subsidiaries or Indebtedness of a Restricted Subsidiary of an Obligor owing to and held by such Obligor or any other Restricted Subsidiary of such Obligor; provided, however, (a) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than an Obligor or a Restricted Subsidiary of an Obligor; and (b) any sale or other transfer of any such Indebtedness to a Person other than an Obligor or a Restricted Subsidiary of an Obligor shall be deemed, in each case under this clause (5) of this Section 4.09(b), to constitute an Incurrence of such Indebtedness by such Obligor or such Restricted Subsidiary, as the case may be;

(6) the Incurrence by an Obligor or any of their Restricted Subsidiaries of Refinancing Indebtedness that serves to refund or refinance any Indebtedness Incurred as permitted under Section 4.09(a), and clauses (1), (2), (3), (6), (16) and (17) of this Section 4.09(b);

(7) Preferred Stock of a Restricted Subsidiary of an Obligor held by such Obligor or any other Restricted Subsidiary of such Obligor; provided, however, (A) any subsequent issuance or transfer of Capital Stock or any other event which results in such Preferred Stock being beneficially held by a Person other than such Obligor or a Restricted Subsidiary of such Obligor; and (B) any sale or other transfer of any such Preferred Stock to a Person other than such Obligor or a Restricted Subsidiary of such Obligor shall be deemed in each case under this clause (7) to constitute an Incurrence of such Preferred Stock by such Restricted Subsidiary;

(8) Indebtedness of Persons Incurred and outstanding on the date on which such Person became a Restricted Subsidiary of, or was acquired by, or merged into, an Obligor or any Restricted Subsidiary of any Obligor; *provided, however*, that the Incurrence of such Indebtedness does not materially impair the ability of the Issuer or the Guarantors to pay interest and principal on the Notes;

(9) Indebtedness arising from agreements of an Obligor or a Restricted Subsidiary of any Obligor providing for indemnification, adjustment of purchase price or similar obligations, in each case, Incurred or assumed in connection with (a) the disposition of any business or assets of such Obligor or any business, assets or Capital Stock of a Restricted Subsidiary of such Obligor, other than Guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or a Restricted Subsidiary of an Obligor for the purpose of financing such acquisition and (b) acquisitions of any business, assets or Capital Stock of another Person or any Investments; *provided* that such Indebtedness is not reflected on the balance sheet of such Obligor or any of its Restricted Subsidiaries (contingent obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause (9)), and the

Incurrence of such Indebtedness does not materially impair the ability of any Obligor to pay interest and principal on the Notes;

(10) Subordinated Indebtedness;

(11) Obligations incurred and Investments made by one or more Affiliates of the Issuer or the Guarantor that may involve the Issuer and/or the Guarantor but have no adverse impact upon their ability to satisfy their Obligations with respect to the Notes;

(12) Indebtedness Incurred by the Obligors for working capital purposes on a secured basis in an aggregate principal amount not exceeding at any time outstanding equal to the greater of (a) \$150 million and (b) \$100 million plus 10% of Consolidated Total Assets determined as of the date of the incurrence of such Indebtedness after giving pro forma effect to such incurrence and the application of the proceeds therefrom;

(13) the incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness represented by Capitalized Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property, plant or equipment used in the business of the Issuer or any of its Restricted Subsidiaries, in an aggregate principal amount, including all Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (13), not to exceed the greater of \$50 million and 5.0% of Consolidated Total Assets determined as of the date of the incurrence of such Indebtedness after giving pro forma effect to such incurrence and the application of the proceeds therefrom;

(14) Obligations incurred and investments made in connection with construction by, on behalf of, or on the land of the Issuer and/or the Guarantor of any value added iron or other steel production facility, including, without limitation, any hot briquetted iron production facility;

(15) Indebtedness incurred by the Guarantor in connection with operation of a pig iron processing joint venture, including Indebtedness incurred to fund capital expenditures of the joint venture in an amount not to exceed the greater of \$50 million and 5.0% of Consolidated Total Assets determined as of the date of the incurrence of such Indebtedness after giving pro forma effect to such incurrence and the application of the proceeds therefrom;

(16) Junior Lien Debt in an aggregate principal amount not to exceed the greater of (a) \$75 million and (b) 7.5% of Consolidated Total Assets determined as of the date of the incurrence of such Indebtedness after giving pro forma effect to such incurrence and the application of the proceeds therefrom;

(17) additional Indebtedness (which may include, without limitation, Priority Lien Obligations, Parity Lien Obligations and Junior Lien Obligations) in an aggregate principal amount not to exceed the greater of (a) \$75 million and (b) 7.5% of Consolidated Total Assets determined as of the date of the incurrence of such

Indebtedness after giving pro forma effect to such incurrence and the application of the proceeds therefrom; and

provided, that with respect to any such Priority Lien Debt, the parties hereto hereby agree that the Issuer and the Trustee shall enter into or join the Intercreditor Agreement.

For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of permitted Indebtedness described in clauses (1) through (18) above or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Company will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09; *provided* that any Indebtedness outstanding on the Issue Date shall be considered incurred under clause (2) of Section 4.09(b) and may not be later reclassified. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this **Error! Reference source not found.** Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Issuer or any Restricted Subsidiary may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

Section 4.10 Limitation on Liens.

Each Obligor shall not, and shall not permit any of their Restricted Subsidiaries to, directly or indirectly, create, incur, assume or permit to exist any Lien on any property or asset now owned or hereafter acquired by it, or assign or sell any income or revenues (including accounts receivable) or rights in respect of any thereof, other than Permitted Liens.

Section 4.11 Designation of Restricted and Unrestricted Subsidiaries.

The Board of Directors of the Issuer may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause an Event of Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Issuer and its Restricted Subsidiaries in the

Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.08 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Issuer. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Any designation of a Subsidiary of the Issuer as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions of this Section 4.11 and was permitted by Section 4.08 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements of this Section 4.11 as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Issuer as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, the Issuer will be in default of such covenant. The Board of Directors of the Issuer may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Issuer of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a pro forma basis as if such designation had occurred at the beginning of the four-quarter reference period and (2) no Default or Event of Default would be in existence immediately following such designation.

Section 4.12 Future Guarantors.

(a) Subject to the Intercreditor Agreement, except as otherwise set forth herein, after the Issue Date, each Obligor shall cause each of its Restricted Subsidiaries (other than a Foreign Subsidiary) created or acquired by such Obligor or one or more of its Restricted Subsidiaries that Guarantee any of the Priority Lien Debt or Junior Lien Debt to execute and deliver to the Trustee a supplemental indenture to the Indenture pursuant to which such Restricted Subsidiary shall irrevocably and unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of and interest on the Notes and all other Obligations of the Issuer under the Notes Documents on the same basis as the payment obligations owed by the Obligors (each, a "Guarantee Supplement"). Notwithstanding anything to the contrary herein or in any other Collateral Document, during such time as any Priority Lien Debt (or commitments therefor) are outstanding, no such Guarantee Supplement shall be required under this Indenture or any other Collateral Document until the date that is no earlier than ten (10) Business Days after the date such Restricted Subsidiary is required under the Priority Lien Documents to deliver such Guarantee of the Priority Lien Debt to the Priority Lien Agent (it being agreed and understood that no such Guarantee Supplement shall be required hereunder if a corresponding guarantee is not required under the Priority Lien Documents).

(b) The Obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other

Guarantor in respect of the Obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution Obligations under the Indenture, result in the Obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law.

(c) Subject to the Intercreditor Agreement, each Person that becomes a Guarantor after the Issue Date shall, subject to the terms hereof become party to the applicable Collateral Documents and shall as promptly as practicable execute and deliver such security instruments, financing statements, mortgages, deeds of trust (in substantially the same form as those executed and delivered with respect to the Collateral on the Issue Date or on the date first delivered in the case of Mortgages and certificates and opinions of counsel (to the extent, and substantially in the form, delivered on the Issue Date or the date first delivered in the case of Mortgages (but no greater scope)) as may be necessary to vest in the Collateral Agent a perfected security interest (subject to Permitted Liens) in properties and assets that constitute Collateral as security for the Notes or the Note Guarantees and as may be necessary to have such property or asset added to the applicable Collateral as required under the Collateral Documents and the Indenture, and thereupon all provisions of the Indenture relating to the Collateral shall be deemed to relate to such properties and assets to the same extent and with the same force and effect. Notwithstanding anything to the contrary herein or in any other Collateral Document, during such time as any Priority Lien Debt (or commitments therefor) are outstanding, no delivery or perfection of any Collateral or Collateral Document as security for the Notes or the Note Guarantees shall be required under this Indenture or any other Collateral Document until the date no earlier than ten (10) Business Days after the date such Restricted Subsidiary is required under the Priority Lien Documents to perfect a valid and enforceable Lien on such Collateral in favor of the Priority Lien Agent to secure the Priority Lien Debt (it being agreed and understood that no such delivery or perfection of any Collateral or Collateral Document shall be required hereunder if the corresponding delivery or perfection is not required under the Priority Lien Documents).

(d) Each Note Guarantee shall be released in accordance with the provisions of Section 11.06.

Section 4.13 Limitation on Restrictions on Distribution From Restricted Subsidiaries

(a) No Obligor shall, or shall permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of such Obligor or any such Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to an Obligor or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness or other obligations owed to an Obligor or any Restricted Subsidiary of an Obligor (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);

(2) make any loans or advances to an Obligor or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to an Obligor or any Restricted Subsidiary to other Indebtedness Incurred by such Obligor or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(3) sell, lease or transfer any of its property or assets to an Obligor or any Restricted Subsidiary of any Obligor (it being understood that such transfers shall not include any type of transfer described in clause (1) or (2) of this Section 4.12(a)).

(b) Section 4.12(a) shall not prohibit encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions pursuant to the Collateral Documents and related documentation and other agreements or instruments in effect at or entered into on the Issue Date;

(2) this Indenture, the Notes and the Note Guarantees;

(3) the Priority Lien Documents or the Junior Lien Documents;

(4) any agreement or other instrument of a Person acquired by an Obligor or any of its Restricted Subsidiaries in existence at the time of such acquisition (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Restricted Subsidiaries, or the property or assets of the Person and its Restricted Subsidiaries, so acquired (including after-acquired property);

(5) any amendment, restatement, modification, renewal, supplement, refunding, replacement or refinancing of an agreement referred to in clauses (1), (2), (3), (4), (16) of this Section 4.12(b) or this clause (5) of this Section 4.12(b);

(6) any customary provisions in leases, subleases or licenses and other agreements entered into by an Obligor or any Restricted Subsidiary of such Obligor in the ordinary course of business;

(7) any agreement for the sale or other disposition of assets, including without limitation an agreement for the sale or other disposition of the Capital Stock or assets of a Subsidiary that restricts distributions by the applicable Subsidiary pending the sale or other disposition;

(8) purchase money obligations for property (including Capital Stock) acquired in the ordinary course of business, Capital Lease Obligations and mortgage financings that impose restrictions on the property purchased or leased;

(9) Liens permitted to be incurred under the provisions of Section 4.10 hereof that limit the right of the debtor to dispose of the assets subject to such Liens;

(10) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements entered into (a) in the ordinary course of business consistent with past practice or (b) with the approval of the Issuer's Board of Directors, which limitations are applicable only to the assets or property that are the subject of such agreements;

(11) supermajority voting requirements existing under corporate charters, bylaws, stockholders' agreements and similar documents and agreements;

(12) customary provisions restricting subletting or assignment of any lease governing a leasehold interest;

(13) encumbrances or restrictions contained in Hedging Obligations permitted from time to time under this Indenture;

(14) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(15) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order; or

(16) documents related to Indebtedness Incurred or Preferred Stock issued by a Restricted Subsidiary of an Obligor permitted to be Incurred pursuant to Section 4.09.

Section 4.14 Transactions with Affiliates

(a) No Obligor shall, or shall permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or asset or the rendering of any service) with any Affiliate of such Obligor (an "Affiliate Transaction"), other than when:

(1) the terms of such Affiliate Transaction are no less favorable to such Obligor or such Restricted Subsidiary, as the case may be, than those that could have been obtained by such Obligor or such Restricted Subsidiary in a comparable transaction at the time of such transaction in arms' length dealings with a Person that is not an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate consideration in excess of \$50 million, (A) the terms of such transaction have been approved by a majority of the members of the Board of Directors of such Obligor and by a majority of the members of such Board of Directors having no personal stake in such transaction, if any (and such majority determines that such Affiliate Transaction satisfies the criteria in clause (1) of this Section 4.14(a)) and (B) the Board of Directors of such Obligor set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (2)(A) of this Section 4.14(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of such Board of Directors.

(b) Subject to the exceptions and limitations set forth in the Priority Lien Documents and the Intercreditor Agreement, Section 4.14(a) shall not apply to:

(1) any transaction: (A) between any Obligor and its Restricted Subsidiaries; (B) between the Issuer and ERPI; and [(C) among the Issuer, ERPI, affiliates of ERPI and/or other entities in which Tom Clarke maintains an ownership interest, and any Guarantees issued by an Obligor or a Restricted Subsidiary of any Obligor for the benefit of any other Obligor or any other Restricted Subsidiary of any Obligor, as the case may be, in accordance with Section 4.09]⁴;

(2) Restricted Payments permitted to be made pursuant to Section 4.08 or Permitted Investments;

(3) any agreement as in effect as of the initial Issue Date, as these agreements may be amended, modified, supplemented, extended or renewed from time to time, so long as any such amendment, modification, supplement, extension or renewal is not more disadvantageous to the Holders in any material respect in the good faith judgment of the Board of Directors of the applicable Obligor, when taken as a whole, than the terms of the agreements in effect on the Issue Date; provided that such amendment, modification, supplement, extension or renewal shall not materially affect the Issuer's or Guarantor's ability to make anticipated principal and interest payments on the Notes (in the good faith determination of the Board of Directors of such Obligor);

(4) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into an Obligor or a Restricted Subsidiary of any Obligor; provided that such agreement was not entered into in contemplation of such acquisition or merger, and any amendment thereto, so long as any such amendment is not disadvantageous to the Holders in the good faith judgment of the Board of Directors of the applicable Obligor, when taken as a whole, as compared to the applicable agreement as in effect on the date of such acquisition or merger; provided that such agreement or any amendment thereof shall not materially affect such Obligor's ability to make anticipated principal and interest payments on the Notes (in the good faith determination of the Board of Directors of such Obligor); or

(5) (a) guarantees of performance by the Issuer and its Restricted Subsidiaries of the Issuer's Unrestricted Subsidiaries in the ordinary course of business, except for guarantees of Indebtedness in respect of borrowed money, and (b) pledges of Equity Interests of the Issuer's Unrestricted Subsidiaries for the benefit of lenders of the Issuer's Unrestricted Subsidiaries.

Section 4.15 Repurchase Upon Event of Default.

(a) If an Event of Default has occurred and is continuing and if the Acceleration Effective Date has occurred, Holders of at least 25% in aggregate principal amount of then outstanding Notes shall have the right to require the Issuer to, subject to the terms of the

⁴ Subject to further diligence.

Intercreditor Agreement, redeem all of the Notes at a redemption price in cash equal to 100% of the aggregate principal amount of the Notes outstanding plus accrued and unpaid interest (including additional interest to be paid following an Event of Default as set forth in Section 2.12), and interest upon overdue interest, if any (the “Event of Default Redemption Price”), to the date of redemption (the “Event of Default Redemption Payment Date”), subject to the right of Holders of record on a Record Date to receive any interest due on such Event of Default Redemption Payment Date (the redemption described in this Section 4.15(a), an “Event of Default Redemption”).

(1) Within five Business Days following any Acceleration Effective Date, the Issuer shall mail a notice of the Acceleration Effective Date and of the Event of Default giving rise to such Acceleration Effective Date to each Holder at such Holder’s registered address or otherwise deliver notice in accordance with the applicable procedures of the Depository, with a copy to the Trustee (an “Acceleration Effective Date Notice”), stating:

(A) the paragraph or subparagraph or Section pursuant to which such Event of Default has occurred and the manner in which such Acceleration Effective Date occurred pursuant to Section 6.02; and

(2) that the Notes have become immediately due and payable.

The Acceleration Effective Date Notice, if mailed or otherwise delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such Acceleration Effective Date Notice. If (A) an Acceleration Effective Date Notice is mailed in a manner herein provided and (B) any Holder fails to receive such Acceleration Effective Date Notice or a Holder receives such Acceleration Effective Date Notice but it is defective, such Holder’s failure to receive such Acceleration Effective Date Notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such Acceleration Effective Date Notice without defect.

(3) No later than 11:00 a.m. (New York City time) on the Business Day prior to the Event of Default Redemption Payment Date, the Issuer shall, to the extent lawful, deposit with the Paying Agent an amount equal to the Event of Default Redemption Price in respect of all Notes. The Trustee or Paying Agent shall promptly return to the Issuer any cash in U.S. dollars, deposited with the Trustee or Paying Agent, as applicable, by the Issuer in excess of the amounts necessary to pay the Event of Default Redemption Price on all Notes to be redeemed.

(4) On the Event of Default Redemption Payment Date, the Issuer shall, to the extent lawful, and subject to the Priority Lien Documents and the Intercreditor Agreement, deliver or cause to be delivered to the Trustee for cancellation all Notes together with an Officers’ Certificate stating the aggregate principal amount of Notes purchased by the Issuer in accordance with this Section 4.15 represents the total aggregate principal amount of Notes outstanding.

(5) The Paying Agent shall promptly pay (or otherwise deliver in accordance with the applicable procedures of the Depository) to each Holder of Notes the Event of Default Redemption Price for such Notes.

(6) If the Event of Default Redemption Payment Date is on or after a Record Date and on or before the related Payment Date, any accrued and unpaid interest to the Event of Default Redemption Payment Date shall be paid on the Event of Default Redemption Payment Date to the Person in whose name a Note is registered at the close of business on such Record Date.

(7) The Issuer shall not be required to make an Event of Default Redemption upon an Event of Default if a third party consummates the Event of Default Redemption in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 applicable to an Event of Default Redemption made by the Issuer and purchases all Notes.

(8) If the Issuer complies with the provisions of Section 4.15, on and after the Event of Default Redemption Payment Date, interest shall cease to accrue on all redeemed Notes. If any Note called for redemption by an Acceleration Effective Date Notice shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with Section 4.15, interest shall be paid on the unpaid principal, from the Event of Default Redemption Payment Date until such principal is paid, and, to the extent lawful, on any interest accrued to the Event of Default Redemption Payment Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Sections 2.12 and Section 4.01.

Section 4.16 Offer to Repurchase Upon Change of Control.

(a) Upon the occurrence of a Change of Control, each Holder of the Notes will have the right to require the Issuer to make an offer (a "Change of Control Offer") to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders on a record date to receive interest due on the relevant Interest Payment Date (the "Change of Control Payment"). Within thirty days following any Change of Control, the Issuer will send a notice to each Holder (with a copy to the Trustee) describing the transaction or transactions that constitute the Change of Control and stating:

(1) that the Change of Control Offer is being made pursuant to this Section 4.16 and that all Notes properly tendered prior to the expiration of the Change of Control Offer will be accepted for payment;

(2) (2) the purchase price and the purchase date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "Change of Control Payment Date");

(3) that any Note not repurchased will continue to accrue interest;

(4) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$1,000 in principal amount or an integral multiple thereof.

(b) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.16 hereof, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.16 by virtue of such compliance.

(c) Promptly following the expiration of the Change of Control Offer, the Issuer will, to the extent lawful, accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer, and the Issuer will:

(1) on the Change of Control Payment Date, deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(2) on the Change of Control Payment Date, deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

On the Change of Control Payment Date, the Paying Agent will send to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount of \$1,000 or an integral multiple

thereof (or \$1.00 or an integral multiple thereof in the case of any PIK Notes). Any Note so accepted for payment will cease to accrue interest on and after the Change of Control Payment Date unless the Issuer defaults in making the Change of Control Payment. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) Notwithstanding anything to the contrary in this Section 4.16, the Issuer will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.16 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.06 hereof, unless and until there is a default in payment of the applicable redemption price.

(e) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon the occurrence of such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making the Change of Control Offer.

(f) Notes repurchased by the Issuer pursuant to a Change of Control Offer will have the status of Notes issued but not outstanding or will be retired and canceled, at the Issuer's option. Notes purchased by a third party pursuant to the preceding paragraph will have the status of Notes issued and outstanding.

(g) The provisions described above that require the Issuer to make a Change of Control Offer following a Change of Control will be applicable regardless of whether or not any other provisions of this Indenture are applicable.

Section 4.17 Payments for Consent.

The Issuer will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 6.02 Acceleration.

(a) (1) To the extent permitted by the Intercreditor Agreement, if any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of then outstanding Notes by written notice to the Issuer (and the Trustee, if given by the Holders) may declare the principal of, or accrued and unpaid interest, if any, on all the Notes to be due and payable and upon such declaration, shall be due and payable immediately by notice in writing to the Issuer and, in the case of notice by Holders, also to the Trustee specifying the applicable Events of Default and that it is a notice of acceleration (such date in the case of this paragraph and paragraph 1 of this Section 6.02(a), the “Acceleration Effective Date”).

(2) If an Event of Default under Section 6.01(6) hereof occurs and is continuing, the principal and accrued and unpaid interest, if any, on all the Notes shall become and be immediately due and payable, without any declaration or other act on the part of the Trustee or any Holders.

(b) The Holders of a majority in principal amount of the then outstanding Notes may waive all Events of Default (except with respect to nonpayment of principal or interest) and rescind any acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, other than the nonpayment of the principal of and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

Section 6.03 Remedies.

To the extent permitted by the Intercreditor Agreement, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect such [Deficiency Amount].⁶ The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

⁶ NTD: Deficiency Amount is not defined.

Section 6.04 Waiver of Past Defaults.

The Holders of a majority in principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all Holders waive any existing Default or Event of Default and its consequences hereunder, except:

- (1) a continuing Default or Event of Default in the payment of the principal or interest on any Note held by a non-consenting Holder; and
- (2) a Default with respect to a provision that under Section 9.02 cannot be amended without the consent of each Holder affected;

provided that, subject to Section 6.02, the Holders of a majority in principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

The Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Collateral Agent of exercising any trust or power conferred on the Trustee or the Collateral Agent. However, the Trustee and the Collateral Agent, as the case may be, may refuse to follow any direction that conflicts with law, this Indenture, the Notes, any Note Guarantee or the Intercreditor Agreement, the other Collateral Documents, or that the Trustee or the Collateral Agent determines in good faith is unduly prejudicial to the rights of any other Holder or that would involve the Trustee or the Collateral Agent in personal liability.

Section 6.06 Limitation on Suits

To the extent permitted by the Intercreditor Agreement, subject to Section 6.07, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) the Holders of at least 25% in principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(5) the Holders of a majority in principal amount of the then outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are prejudicial to such Holders).

Section 6.07 Rights of Holders to Receive Payment.

Subject to the Intercreditor Agreement, notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal and interest on its Note, on or after the respective due dates expressed or provided for in such Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

Subject to the Intercreditor Agreement, if an Event of Default specified in Section 6.01(a)(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer and any other obligor on the Notes for the whole amount of principal and interest remaining unpaid on the Notes, together with interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes, including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee or the Collateral Agent under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee or the Collateral Agent under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

(a) Application of Proceeds. Subject to the Intercreditor Agreement and Priority Lien Documents in all respects, if an Event of Default shall have occurred and be continuing, the Trustee or Paying Agent, as applicable, shall apply all or any part of proceeds constituting Collateral, and any proceeds of the Guarantee set forth in Article 11, in payment of the Obligations in the following order:

- (1) First, to pay incurred and unpaid fees, expenses and indemnities of the Trustee and/or each Agent under the Notes Documents, including all amounts due under Section 7.07;

(2) Second, to the Trustee and/or Paying Agent, for application by it towards payment of amounts then due and owing and remaining unpaid in respect of the Obligations to the Holders, *pro rata* among the Holders according to the amounts of the Obligations then due and owing and remaining unpaid to the Holders;

(3) Third, to the Trustee and/or Paying Agent, for application by it towards prepayment of the Obligations, *pro rata* among the Holders according to the amounts of the Obligations then held by the Holders; and

(4) Fourth, any balance remaining after the Obligations shall have been paid in full shall be paid over to or at the direction of the Issuer or as a court of competent jurisdiction may otherwise direct.

(b) Record Date. The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Issuer and to each Holder in the manner set forth in Section 13.01.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in such suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has received written notice, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, subject to the Intercreditor Agreement in all respects, and use the same degree of care in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default of which a Responsible Officer of the Trustee has received written notice:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee need perform only those duties that are specifically set forth in this Indenture, subject to the Intercreditor Agreement in all

respects, and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture, subject to the Intercreditor Agreement in all respects. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to the provisions of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture, the Intercreditor Agreement, the other Collateral Documents, the Notes and the Note Guarantees at the request or direction of any of the Holders or expend or risk its own funds or otherwise incur financial liability in the performance of its duties hereunder or under any of the Notes Documents unless such Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make

such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both subject to the other provisions of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer or a Guarantor shall be sufficient if signed by an Officer of the Issuer or such Guarantor.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity reasonably satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuer deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(l) The Trustee shall have no duty (A) to see to any recording, filing, or depositing of this Indenture or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof, (B) to see to any insurance or (C) to see to the payment or discharge of any tax, assessment, or other governmental charge or any Lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the trust fund.

(m) Except as otherwise expressly provided herein, the rights, privileges, protections, exculpations, immunities, indemnities and benefits provided to the Trustee hereunder (including but not limited to its right to be indemnified) are extended to, and shall be enforceable by, the Trustee and to its Responsible Officers and other Persons duly employed by them hereunder as if they were each expressly set forth herein for the benefit of the Trustee in such capacity, Responsible Officers or employees of the Trustee mutatis mutandis.

(n) The Trustee may request that an Issuer deliver an Officers' Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(o) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(p) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any governmental authority; natural catastrophes or other acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

(q) The permissive right of the Trustee to take any action under this Indenture or under any other agreement in connection herewith shall not be construed as a duty.

Section 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee or such Agent. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10.

Section 7.04 Trustee's Disclaimer.

The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity, sufficiency or adequacy of this Indenture, of the Notes or of the Note Guarantees, or of any other Notes Document except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. The Trustee shall not be accountable for the use or application by the Issuer of Notes or the proceeds thereof. The Trustee shall not be responsible to make any calculation with respect to any matter under this Indenture. It shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or the Note Guarantees or any other document in connection with the issuance or sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The Trustee shall have no duty to monitor or investigate the Issuer's compliance with or the breach of, or cause to be performed or observed, any representation, warranty or covenant made in this Indenture or any Security Document.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing of which a Responsible Officer of the Trustee has received written notice, the Trustee shall send electronically or mail to each Holder a notice of the Default within 90 days after it has received such written notice. Except in the case of an Event of Default specified in clauses (1) or (2) of Section 6.01(a), the Trustee may withhold from the Holders notice of any continuing Default if the Trustee determines in good faith that withholding the notice is in the interest of the Holders.

Section 7.06 Reports by Trustee to Holders of the Notes.

The Issuer shall promptly notify the Trustee in writing in the event the Notes are listed on any national securities exchange or delisted therefrom.

Section 7.07 Compensation and Indemnity.

(a) The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee, in its capacity as Trustee and as an Agent, from time to time such compensation for its acceptance of this Indenture and services hereunder and under each other Notes Document as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it, in its capacity as Trustee and as an Agent, in addition to the compensation for its

services. Such expenses shall include the reasonable compensation, disbursements and expenses of the respective agents and counsel of the Trustee and the Collateral Agent.

(b) The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee, in its capacity as Trustee and as an Agent, for, and hold the Trustee and any predecessor harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuer or any Guarantor (including this Section 7.07)) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee, in its capacity as Trustee and as an Agent, through the Trustee's own willful misconduct, gross negligence or bad faith.

(c) The obligations of the Issuer and the Guarantors under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee, in its capacity as Trustee and as an Agent, as the case may be.

(d) To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee and as an Agent, as the case may be, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee, in its capacity as Trustee and as an Agent, as the case may be.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(7) occurs, the expenses and the compensation for the services (including the reasonable fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time by giving 30 days prior notice of such resignation to the Issuer and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a receiver or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee.

(c) If a successor Trustee does not take office within 45 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's Obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.08, the term "Trustee" shall also include each Agent.

Section 7.09 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.10.

Section 7.10 Eligibility; Disqualification.

(a) There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined

capital and surplus of at least \$50 million as set forth in its most recent published annual report of condition.

(b) This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

(a) Notwithstanding Section 9.02, without the consent of any Holder, the Issuer, the Guarantors and the Trustee may amend this Indenture, the Notes, the Note Guarantees and each other Notes Document to:

- (1) cure any ambiguity, mistake, omission, defect or inconsistency;
- (2) provide for the assumption by a successor entity of the Obligations of the Issuer or any Guarantor under this Indenture, the Note Guarantees and the other Notes Documents in accordance with Article 5;

- (8) evidence and provide for the acceptance of an appointment under this Indenture of a successor trustee or collateral agent; *provided* that the successor trustee or collateral agent is otherwise qualified and eligible to act as such under the terms of this Indenture;
- (9) confirm and evidence the release, termination or discharge of any Parity Lien with respect to or securing the Notes or the Note Guarantees when such release, termination or discharge is provided for in accordance with the terms of this Indenture or the Collateral Documents;
- (10) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act (it being understood this Indenture is not required to qualify under the Trust Indenture Act of 1939); or

(11) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that (A) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (B) such amendment does not materially and adversely affect the rights of Holders to transfer Notes; or

(12) in the event that PIK Notes are issued in certificated form, to make appropriate amendments to reflect an appropriate minimum denomination of certificated PIK Notes, and establish minimum redemption amounts for certificated PIK Notes.

(b) Upon the request of the Issuer, and upon receipt by the Trustee of the documents described in Section 13.02, the Trustee shall join with the Issuer and the Guarantor in the execution of any amended or supplemental indenture or other Notes Document authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture or other Notes Document that affects its own rights, duties or immunities in any capacity under this Indenture or otherwise. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor, the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit C, and delivery of an Officers' Certificate.

(c) The Trustee shall, pursuant to Section [5.06]⁸ of the Intercreditor Agreement, execute and deliver to Priority Lien Agent and the Issuer (for purposes of this clause (c), each as defined in the Intercreditor Agreement), at the written request of the Priority Lien Agent or the Issuer, any and all agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Intercreditor Agreement or this Agreement, including, without limitation, any amendment to the Intercreditor Agreement to permit or provide for an additional tranche of Indebtedness that is permitted to be incurred by the terms of this Agreement (including, without limitation, any Prior Lien Obligations, any Parity Lien or Junior Lien Obligations) to be bound thereby, in each case without the consent or approval of the Issuer, any Guarantor or any Holder, *provided* that with respect to any such execution and delivery, the Trustee shall be entitled to an Officers' Certificate and an Opinion of Counsel, each stating that the execution and delivery of each such agreement, certificate, document, or instrument, including any amendment to the Intercreditor Agreement, (i) is authorized or permitted by this Indenture (and the Intercreditor Agreement, as applicable) and (ii) that all conditions precedent provided for in this Indenture and the Intercreditor Agreement relating to such agreements, certificates, documents, or instruments, or any amendments to the foregoing or the Intercreditor Agreement, have been complied with, and the Trustee shall not be responsible or liable to the Issuer, any Guarantor or any Holder in connection therewith or for any matter arising out thereof.

⁸ NTD: To be conformed with the final Intercreditor Agreement.

Section 9.02 With Consent of Holders.

(a) Except as provided in Section 9.01 and this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes, the Note Guarantees and each other Notes Document with the consent of the Holders of a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, subject to Section 6.04 and Section 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Note Guarantees or any other Notes Document may be waived with the consent of the Holders of a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Section 2.08 and Section 2.09 shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

(b) Upon the request of the Issuer, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 and Section 13.02, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver. It shall be sufficient if such consent approves the substance of such proposed amendment, supplement or waiver.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall give to the Holders a notice briefly describing such amendment, supplement or waiver. However, the failure of the Issuer to give such notice to all the Holders, or any defect in the notice, shall not impair or affect the validity of any such amendment, supplement or waiver.

(e) [Reserved]

(f) Without the consent of each affected Holder, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the stated rate of interest or extend the stated time for payment of interest on any Note;

- (3) reduce the principal of or extend the Stated Maturity of any Note;
- (4) waive a Default or Event of Default in the payment of principal of or interest on the Notes except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes in accordance with Section 6.02(b);
- (5) make any Note payable in a currency other than that stated in the Note;
- (6) impair the right of any Holder to receive payment of principal, premium, if any, or interest on such Holder's Notes on or after the due dates thereof or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (7) make any change in the amendment or waiver provisions which require each Holder's consent; or
- (8) modify the Note Guarantees in any manner adverse to the Holders.

In addition, subject to the Intercreditor Agreement, without the consent of the Holders of at least 66 2/3% of the principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), no amendment, supplement or waiver may modify any Collateral Document or the provisions in this Indenture dealing with Collateral Documents to release all or substantially all of the Collateral.

(g) A consent to any amendment, supplement or waiver of this Indenture, the Notes or the Note Guarantee or any other Notes Document by any Holder given in connection with a tender of such Holder's Notes shall not be rendered invalid by such tender.

Section 9.03 Relation to Trust Indenture Act.

This Indenture shall not be subject to the Trust Indenture Act.

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Issuer may, but shall not be obligated to, fix a record date pursuant to Section 1.05 for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amendment, supplement or waiver, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.02, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantor party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

ARTICLE 10

COLLATERAL AND SECURITY

Section 10.01 The Collateral.

(a) The Issuer hereby appoints the Trustee to act as Collateral Agent, and each Holder by its acceptance of any Notes and the Guarantees thereof, irrevocably consents and agrees to such appointment. The Collateral Agent shall have the privileges, powers and immunities set forth in this Indenture and the Collateral Documents. All of the rights and protections granted to the Trustee pursuant to Article 7 and Section 13.02 of this Indenture are applicable to the Collateral Agent *mutatis mutandis*. Subject to the Intercreditor Agreement and the Priority Lien Documents, the due and punctual payment of the principal of and interest on the Notes and the Guarantees thereof when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, interest on the overdue principal of and interest (to the extent permitted by law), if any, on the Notes and the Guarantees thereof and performance of all other Obligations under this Indenture, including, without limitation, the Obligations of the Issuer set forth in Section 7.07 herein, and the Notes and the Guarantees thereof and any other Parity Lien Debt and the Collateral Documents, shall be secured by second-priority Liens and security interests in the Collateral, in each case subject to (i) Permitted Liens, as and to the extent provided in the Collateral Documents which the Issuer and Guarantor have entered into simultaneously with the execution of this Indenture and shall be secured by all Collateral Documents hereafter delivered as required or permitted by this Indenture and the Collateral Documents and (ii) the Intercreditor Agreement. The Issuer and the

Guarantors hereby agree that the Collateral Agent shall hold the Collateral in trust for the benefit of all of the Holders and the Trustee, in each case pursuant to the terms of the Collateral Documents, and the Collateral Agent and the Trustee are hereby authorized to execute and deliver the Collateral Documents.

(b) Each Holder, by its acceptance of any Notes and the Guarantees thereof, irrevocably consents and agrees to the terms of the Collateral Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms, agrees to the appointment of the Collateral Agent and authorizes and directs the Collateral Agent to perform its obligations and exercise its rights, powers and discretions under the Collateral Documents in accordance therewith.

(c) The Trustee and each Holder, by accepting the Notes and the Guarantees thereof, acknowledges that, as more fully set forth in the Collateral Documents, the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders and the Trustee, and that the Parity Liens with respect to this Indenture and the Collateral Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Collateral Documents and actions that may be taken thereunder as permitted by the Intercreditor Agreement.⁹

Section 10.02 [After-Acquired Property.]

(a) Subject in each case to the Intercreditor Agreement and the Priority Lien Documents, upon the acquisition by the Issuer or any of the Guarantors after the Issue Date of any assets, or any equipment or fixtures which constitute accretions, additions or technological upgrades to the equipment or fixtures or any working capital assets that, in any such case, form part of the Collateral, the Issuer or such Guarantor shall execute and deliver:

(1) with regard to real property, the items described in Section 10.05 within 90 days of the date of acquisition of the applicable asset (but not earlier than 150 days after the Issue Date) and,

(2) with regard to any other after-acquired property to the extent required by the Collateral Documents, any information, documentation, financing statements or other certificates and opinions of counsel as may be necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such after-acquired property and to have such after-acquired property added to the Collateral, and thereupon all provisions of the Indenture and the Collateral Documents relating to the Collateral shall be deemed to relate to such after-acquired property to the same extent and with the same force and effect.

(b) Subject to the Intercreditor Agreement and the Priority Lien Documents, with respect to as-extracted Collateral, if any, on any real property, the Issuer and Guarantors shall be required to make any financing statement required by the Collateral Documents as soon

Further, the Issuer and Guarantors shall not be obligated to make any financing statement filings at any county, real estate or other local filing office solely with respect to fixtures or as-extracted Collateral, if any, located on Leased Real Property until 30 days after the date the Issuer or Guarantors acquire rights to such Leased Real Property, or in any event if such a filing would be prohibited by, or constitute a breach or default under or result in the termination of or require any consent not obtained under, any contract, license, agreement, instrument or other document evidencing or giving rise to the Leased Real Property.

Notwithstanding anything to the contrary herein or in any other Collateral Document, during such time as any Priority Lien Debt (or commitments therefor) are outstanding, no delivery or perfection of any Collateral or Collateral Document as security for the Notes or the Note Guarantees or delivery of any other deliverable contemplated by or pursuant to this Section 10.02 shall be required or permitted under this Indenture or any other Collateral Document until the date no earlier than ten (10) Business Days after the date such Restricted Subsidiary is required under the Priority Lien Documents to perfect a valid and enforceable Lien on such Collateral in favor of the Priority Lien Agent to secure the Priority Lien Debt or otherwise make the delivery contemplated by or pursuant to this Section 10.02 (it being agreed and understood that no such delivery or perfection shall be required hereunder if the corresponding delivery or perfection is not required under the Priority Lien Documents).

Notwithstanding anything to the contrary herein or in any other Collateral Document, during such time as any Priority Lien Debt (or commitments therefor) are outstanding, no delivery or perfection of any Collateral or Collateral Document as security for the Notes or the Note Guarantees or delivery of any other deliverable contemplated by or pursuant to this Section 10.03 shall be required or permitted under this Indenture or any other Collateral Document until the date no earlier than ten (10) Business Days after the date such Restricted Subsidiary is required under the Priority Lien Documents to perfect a valid and enforceable Lien on such Collateral in favor of the Priority Lien Agent to secure the Priority Lien Debt or otherwise make the delivery contemplated by or pursuant to this Section 10.03 (it being agreed and understood that no such delivery or perfection shall be required hereunder if the corresponding delivery or perfection is not required under such Priority Lien Debt).

(b) With respect to the release of Collateral, the Issuer shall furnish to the Trustee and Collateral Agent, prior to each proposed release of Collateral pursuant to the Collateral Documents and this Indenture, an Officers' Certificate and an Opinion of Counsel to the effect that all conditions precedent provided for in this Indenture and the Collateral Documents to such release have been complied with; *provided, however*, in no event shall an Officers' Certificate be required to release a Lien on Collateral that is sold or pledged in the ordinary course of business to the extent such sale or pledge is permitted by this Indenture.

(a) Subject to the provisions of the Intercreditor Agreement and the other Collateral Documents, each of the Trustee or the Collateral Agent may, in its sole discretion and without the consent of the Holders, on behalf of the Holders, take all actions it deems necessary or appropriate in order to (i) enforce any of its rights or any of the rights of the Holders under the Collateral Documents and (ii) collect and receive any and all amounts payable in respect of the Collateral in respect of the Obligations of the Obligors and any of their Restricted Subsidiaries hereunder and thereunder. Subject to the provisions of the Intercreditor Agreement and the other Collateral Documents, the Trustee or the Collateral Agent shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the

Collateral by any acts that may be unlawful or in violation of the Collateral Documents or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interest and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or the Trustee).

(b) The Trustee or the Collateral Agent shall not be responsible for the perfection or priority of the Parity Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Trustee or the Collateral Agent, for the validity, sufficiency, existence, genuineness or value of the Collateral or the validity or enforceability of the Parity Liens in any of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Issuer or the Guarantors to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Parity Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Trustee or the Collateral Agent shall have no responsibility for recording, filing, re-recording or re-filing any financing statement, continuation statement, document, instrument or other notice in any public office at any time or times or to otherwise take any action to perfect or maintain the perfection of any security interest granted to it under the Collateral Documents or otherwise.

(c) Subject in each case to the Intercreditor Agreement and the Priority Lien Documents, where any provision of this Indenture requires that additional property or assets be added to the Collateral, the Issuer shall deliver to the Trustee or the Collateral Agent the following:

(1) the form of instrument adding such Collateral, which, based on the type and location of the property subject thereto, shall be in substantially the form of the applicable Collateral Documents entered into on or about the date of this Indenture, with such changes thereto as the Issuer shall consider appropriate, or in such other form as the Issuer shall deem proper; provided that any such changes or such form are administratively satisfactory to the Trustee or the Collateral Agent; and

(2) such financing statements, if any, as the Issuer shall deem necessary to perfect the Collateral Agent's security interest in such Collateral.

Section 10.06 Intercreditor Agreement.

This Indenture, including without limitation this Article 10, and the provisions of each other Collateral Document are subject to the terms, conditions and benefits set forth in the Intercreditor Agreement. The Issuer and each Guarantor consents to, and agrees to be bound by, the terms of the Intercreditor Agreement, as the same may come into and be in effect from time to time, and to perform its obligations thereunder in accordance with the terms thereof. Each Holder of Notes, by its acceptance of the Notes (a) consents to the subordination of Parity Liens

and Indebtedness provided for in the Intercreditor Agreement, (b) agrees that it will be bound by, and will take no actions contrary to, the provisions of the Intercreditor Agreement upon such provisions coming into effect and (c) authorizes and instructs the Collateral Agent (and the Trustee to direct the Collateral Agent) on behalf of each Holder of Notes to enter into the Intercreditor Agreement as Collateral Agent on behalf of such Holders of Notes as Second Priority Debt Parties (as defined in the Intercreditor Agreement). In addition, the Collateral Agent and the Trustee shall have full and unconditional authority to enter into any and all amendments or joinders to the Intercreditor Agreement and this Indenture, as applicable, without the consent or direction of any Holder or the Trustee, to (x) add additional Indebtedness as Priority Lien Debt or Junior Lien Debt and add other parties (or any authorized agent or trustee therefor) holding such Indebtedness thereto (it being understood that there may be different tranches of Priority Lien Debt and Junior Lien Debt with different maturities, amortization profiles and lien priorities) and (y) to effectuate the incurrence of Refinancing Indebtedness with respect to all or any part of the Notes. The foregoing provisions are intended as an inducement to the lenders under the Priority Lien Documents and Junior Lien Documents to extend credit to the Issuer and certain of its Restricted Subsidiaries, and such lenders and investors are intended third party beneficiaries of such provisions and the provisions of the Intercreditor Agreement. Notwithstanding anything to the contrary herein, in the event any of any conflict or inconsistency between the terms hereof and the Intercreditor Agreement, the Intercreditor Agreement shall control.

Section 10.07 Collateral Account.

(a) Subject to the Intercreditor Agreement and the Priority Lien Documents, the Collateral Agent is authorized to receive any funds as proceeds of Collateral for the benefit of the Holders distributed under, and in accordance with, the Collateral Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture and the Collateral Documents.

(b) Subject to the Intercreditor Agreement, the satisfaction in full of all Priority Lien Obligations, and no outstanding commitments on account of the Priority Lien Documents, all cash and Cash Equivalents received by the Collateral Agent from Recovery Events, Net Award or Net Insurance Proceeds, foreclosures of or sales of the Collateral, and other awards or proceeds pursuant to the Collateral Documents, including earnings, revenues, rents, issues, profits and income from the Collateral received pursuant to the Collateral Documents, shall be deposited in the Collateral Account and thereafter shall be held, applied and/or disbursed by the Collateral Agent in accordance with the terms of this Indenture (including, without limitation, Section 6.13 and Section 10.08(a)). The Collateral Account shall be a trust account and shall be established and maintained by the Collateral Agent at one of its corporate trust offices (which may include the New York corporate trust office), and all Collateral shall be credited thereto.

(c) Subject to the Intercreditor Agreement, the satisfaction in full of all Priority Lien Obligations, and no outstanding commitments on account of the Priority Lien Documents, and pending the distribution of funds in the Collateral Account in accordance with the provisions hereof and provided that no Event of Default shall have occurred and be continuing, the Issuer may direct the Collateral Agent in writing to invest such funds in Cash

Equivalents specified in such direction, such investments to mature by the times such funds are needed hereunder and such direction to certify that such funds constitute Cash Equivalents and that no Event of Default shall have occurred and be continuing. So long as no Event of Default shall have occurred and be continuing, the Issuer may direct the Collateral Agent to sell, liquidate or cause the redemption of any such investments, such direction to certify that no Event of Default shall have occurred and be continuing. Any gain or income on any investment of funds in the Collateral Account shall be credited to the Collateral Account. The Collateral Agent shall have no liability for any loss, fee, tax or other charge incurred in connection with any investment or any sale, reinvestment, liquidation or redemption thereof made in accordance with the provisions of this Section 10.08(c).

ARTICLE 11

GUARANTEES

Section 11.01 Guarantee.

(a) Subject to the Intercreditor Agreement and this Article 11, each of the Guarantors party hereto jointly and severally irrevocably and unconditionally guarantees to each Holder and to the Trustee and its successors and assigns, in its capacity as Trustee and in each other capacity in which the Trustee serves as an Agent, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuer hereunder or under any other Notes Document, that: (1) the principal and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or under the Notes Documents shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise collectively, the “Guaranteed Obligations”. Failing payment by the Issuer when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their Obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture or any other Notes Document, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the Obligations contained in the Notes, this Indenture and each other Notes Document, or pursuant to Section 11.06.

(c) Each of the Guarantors jointly and severally also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee, any Agent or any Holder in enforcing any rights under this Section 11.01.

(d) If any Holder, any Agent or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or the Guarantors, any amount paid either to the Trustee, such Agent or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Guarantor agrees that it shall not be entitled to enforce any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders, each Agent and the Trustee, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

(f) Each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Note Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Note Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Guarantor in respect of its Note Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 11.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute

a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, each Agent, the Holders and the Guarantors hereby irrevocably agree that the Obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the Obligations of such other Guarantor under this Article 11, result in the Obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Note Guarantee shall be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

Section 11.03 Execution and Delivery.

(a) To evidence its Note Guarantee set forth in Section 11.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Note Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 4.11, any applicable Obligor shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.11 and this Article 11, to the extent applicable.

Section 11.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 11.01; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

Section 11.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Note Guarantee are knowingly made in contemplation of such benefits.

Section 11.06 Release of Note Guarantees.

(a) In accordance with the Intercreditor Agreement, a Note Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Guarantor, the Issuer or the Trustee shall be required for the release of such Guarantor's Note Guarantee:

(1) (A) upon in the case of a Guarantor, any sale, assignment, transfer, conveyance, exchange or other disposition (by merger, consolidation or otherwise) of the Capital Stock of such Guarantor after which the applicable Guarantor is no longer a Restricted Subsidiary, which sale, assignment, transfer, conveyance, exchange or other disposition is made in compliance with the provisions of this Indenture and Section 5.01; or

(B) [Reserved]; or

(C) upon the discharge of the Issuer's Obligations in accordance with Article 12 of this Indenture; or

(D) upon designation of any Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture; or

(E) as provided in the Intercreditor Agreement.

(2) such Guarantor or Issuer delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction or release have been complied with.

(b) At the written request of the Issuer, the Trustee shall execute and deliver any documents reasonably required in order to evidence such release, discharge and termination in respect of the applicable Note Guarantee.

SECTION 11.07 Effective Date of ERPI Guarantee.

The Note Guarantee of ERPI shall become effective on the earlier of: (a) the date on which the senior loan documents for the senior secured funding described in Section 4.09(b)(3) hereof become effective and (b) the date that is nine months from the Effective Date.

ARTICLE 12

SATISFACTION AND DISCHARGE

Section 12.01 Satisfaction and Discharge.

(a) This Indenture shall be discharged, and shall cease to be of further effect as to all Notes, when either:

(1) all Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust) have been delivered to the Trustee for cancellation; or

(2) (A) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the giving of a notice of redemption or otherwise, shall become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor have irrevocably deposited or caused to be deposited with the Trustee, as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as shall be sufficient, as confirmed, certified or attested to by an Independent Financial Advisor in writing to the Trustee, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal and accrued interest to the date of maturity or redemption, as the case may be;

(B) no Default or Event of Default has occurred and is continuing on the date of such deposit or will occur as a result of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Parity Liens in connection therewith) and the deposit will not result in a breach or violation of, or constitute a default under, any other material agreement or material instrument (other than this Indenture) to which the Issuer or any Guarantor are a party or by which the Issuer or any Guarantor are bound;

(C) the Issuer or any Guarantor has paid or caused to be paid all sums payable by the Issuer under this Indenture; and

(D) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

(b) In addition, the Issuer shall, upon its request for acknowledgement of satisfaction and discharge, deliver to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent to satisfaction and discharge have been satisfied. Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been

deposited with the Trustee pursuant to subclause (A) of clause (2) of Section 12.01(a), the provisions of Section 12.02 shall survive.

Section 12.02 Application of Trust Money.

(a) All money deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law.

(b) If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's Obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01; *provided* that if the Issuer has made any payment of principal or interest on any Notes because of the reinstatement of its Obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent, as the case may be.

Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 13.16 Payments Due on Non-Business Days.

In any case where any Payment Date, redemption date or repurchase date or the Stated Maturity of the Notes shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Notes) payment of principal or interest on the Notes need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the applicable Payment Date, redemption date or repurchase date, or at the Stated Maturity of the Notes, *provided* that no interest will accrue for the period from and after such Payment Date, redemption date, repurchase date or Stated Maturity, as the case may be.

(a) *Global Notes.* Rule 144A Notes shall be issued initially in the form of one or more permanent global Notes in definitive, fully registered form, numbered RA-1 upward (collectively, the “Rule 144A Global Note”) and Regulation S Notes shall be issued initially in the form of one or more global Notes, numbered RS-1 upward (collectively, the “Regulation S Global Note”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Issuer and authenticated by the Trustee as provided in the Indenture. One or more global Notes in definitive, fully registered form without interest coupons and bearing the Global Notes Legend and the Restricted Notes Legend, numbered RIAI-1 upward (collectively, the “IAI Global Note”) shall also be issued at the request of the Trustee, deposited with the Custodian, and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Issuer and authenticated by the Trustee as provided in this Indenture to accommodate transfers of beneficial interests in the Notes to IAIs subsequent to the initial distribution. The Rule 144A Global Note, the IAI Global Note, the Regulation S Global Note and any Unrestricted Global Note are each referred to herein as a “Global Note” and are collectively referred to herein as “Global Notes.” Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges, redemptions or increases due to any PIK Payments. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 of this Indenture and Section 2.2(c) of this Appendix A.

(b) *Book-Entry Provisions.* This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Issuer shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.02 of this Appendix A and pursuant to an Authentication Order, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depositary ("Agent Members") shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depositary or by the Trustee as Custodian or under such Global Note, and the Depositary may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(c) *Definitive Notes.* Except as provided in Section 2.2 or Section 2.3 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

Section 2.2 Transfer and Exchange.

(a) *Transfer and Exchange of Definitive Notes for Definitive Notes.* When Definitive Notes are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Notes; or
- (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for registration of transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.2(b) of this Appendix A or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form provided on the reverse side of the Form of Note in Exhibit A for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, together with:

(i) a certification from the transferor in the form provided on the reverse side of the Form of Note in Exhibit A for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depositary account to be credited with such increase,

the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If the applicable Global Note is not then outstanding, the Issuer shall issue and the Trustee shall authenticate, upon an Authentication Order, a new applicable Global Note in the appropriate principal amount.

(c) *Transfer and Exchange of Global Notes.*

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depositary, in accordance with the Indenture (including applicable restrictions on transfer set forth in Section 2.2(d) of this Appendix A, if any) and the procedures of the Depositary therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial interest in such Global Note, or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Issuer shall issue and the Trustee shall authenticate, upon an Authentication Order, a new Unrestricted Global Note in the appropriate principal amount.

(a) Subject to the terms hereof, the parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred, (i) none of the Grantors shall grant or permit any additional Liens on any asset or property of any Grantor to secure any Second Priority Debt Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations; and (ii) if any Second Priority Representative or any Second Priority Debt Party shall hold any Lien on any assets or property of any Grantor securing any Second Priority Obligations that are not also subject to the first-priority Liens securing all Senior Obligations under the Senior Collateral Documents, such Second Priority Representative or Second Priority Debt Party (x) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to each Senior Representative as security for the Senior Obligations, shall assign such Lien to the Designated Senior Representative as security for all Senior Obligations for the benefit of the Senior Secured Parties (but may retain a junior lien on such assets or property subject to the terms hereof) and (y) until such assignment or such grant of a similar Lien to each Senior Representative, shall be deemed to hold and have held such Lien for the benefit of each Senior Representative and the other Senior Secured Parties as security for the Senior Obligations. (a) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that, if the Designated Senior Representative, for itself and on behalf of the other Senior Secured Parties releases any of the Senior Liens on the Shared Collateral (a "Release"), then the Liens on such Shared Collateral securing any Second Priority Debt Obligations shall be automatically, unconditionally

and simultaneously released, and each Second Priority Representative shall, for itself and on behalf of the other applicable Second Priority Class Debt Parties, promptly execute and deliver to the Designated Senior Representative and the applicable Grantors such termination statements, releases and other documents as the Designated Senior Representative or any applicable Grantor may reasonably request to effectively confirm such Release. Similarly, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that, if the Designated Senior Representative, for itself and on behalf of the other Senior Secured Parties releases any Person from its guarantee of Senior Obligations, then such Person's guarantee of Second Priority Debt Obligations shall be automatically released to the same extent and each Second Priority Representative shall, for itself and on behalf of the other applicable Second Priority Class Debt Parties, promptly execute and deliver to the Designated Senior Representative and the applicable Grantors such releases and other documents as the Designated Senior Representative or any applicable Grantor may reasonably request to effectively confirm such release. Nothing in this Section 5.01(a) will be deemed to limit any agreement of a Second Priority Representative, for itself and on behalf of the Second Priority Debt Parties under its Second Priority Debt Facility, to release the Liens on the Second Priority Collateral as set forth in the relevant Second Priority Debt Documents.

(b) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby irrevocably constitutes and appoints the Designated Senior Representative and any officer or agent of the Designated Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Priority Representative or such Second Priority Debt Party or in the Designated Senior Representative's own name, from time to time in the Designated Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby consents to the application, whether prior to or after an Event of Default (as defined in any Senior Debt Document) of Proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Debt Documents, provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Second Priority Representatives or the Second Priority Debt Parties to receive Proceeds in connection with the Second Priority Debt Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Second Priority Collateral Document, in the event the terms of a Senior Collateral Document and a Second Priority Collateral Document each require any Grantor (i) to make payment in respect of any item of Shared Collateral, (ii) to deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) to register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared

Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both the Designated Senior Representative and any Second Priority Representative or Second Priority Debt Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Second Priority Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents, (a) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (b) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral, in each case in accordance with the Senior Debt Documents. Unless and until the Discharge of Senior Obligations has occurred, all Proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents (or, if not required to be applied to the Senior Obligations or if waived under the applicable Senior Debt Documents, to the Company), (ii) second, after the occurrence of the Discharge of Senior Obligations, to the Designated Second Priority Representative for the benefit of the Second Priority Debt Parties pursuant to the terms of the applicable Second Priority Debt Documents, and (iii) third, if no Second Priority Debt Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Representative, Second Priority Debt Party, or the Company shall, at any time, receive any Proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such Proceeds over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Second Priority Collateral Documents.

(a) The Senior Debt Documents may be amended, restated, amended and restated, extended, supplemented or otherwise modified in accordance with their terms, and the Senior Debt Obligations may be Refinanced or replaced, in whole or in part, in each case, without the consent of any Second Priority Representative or any Second Priority Debt Party, all without affecting the Lien priorities provided for herein or the other provisions hereof; provided, however, that without the consent of the Second Priority Majority Representatives, no such amendment, restatement, supplement, modification or Refinancing (or successive amendments, restatements, supplements or Refinancings) shall contravene any provision of this Agreement.

(b) No Second Priority Debt Document may be amended, restated, amended and restated, extended, supplemented, otherwise modified or entered into and no Indebtedness under the Second Priority Debt Documents may be Refinanced or the principal amount thereof increased, without prior written notice to the Senior Representatives that describes in detail the terms of any proposed amendment, restatement, amendment and restatement, extension, supplement, other modification of a Second Priority Debt Document, the terms of the new Second Priority Debt Document or the terms of any proposed Refinancing. Without the prior written consent of the Senior Representatives to the same, no Second Priority Debt Document may be amended, restated, amended and restated, extended, supplemented or otherwise modified, or entered into, and no Indebtedness under the Second Priority Debt Documents may be Refinanced, to the extent such amendment, restatement, supplement or modification or Refinancing, or the terms of such new Second Priority Debt Document, would:

- (i) contravene the provisions of this Agreement;
- (ii) change any covenant, representation, warranty, default or event of default or add any covenants, representations, warranties, defaults or events of default in a manner that would have the effect of making such covenant, representation, warranty, default or event of default more restrictive on the Grantors than those under the Second Priority Debt Documents as in effect on the date hereof;
- (iii) shorten the maturity of any principal amount of the Second Priority Debt Obligations, or change to an earlier date, any date upon which a scheduled payment of principal or interest is due, as compared to the payment dates under the Second Priority Debt Documents as in effect on the date hereof;
- (iv) modify or add (or undertake any action having the effect of a modification or addition of) the voluntary or mandatory prepayment provisions of the Second Priority Debt Documents as in effect on the date hereof;
- (v) modify or add a covenant or event of default that directly restricts one or more Grantors from making payments under the Senior Debt Documents, granting liens in favor of the Senior Debt Obligations or amending, amending and restating, extending, supplementing or otherwise modifying the Senior Debt Documents that would otherwise be permitted under the Second Priority Debt Documents as in effect on the date hereof; or
- (vi) increase the interest rate or yield, including by increasing the “applicable margin” or similar component of the interest rate, by imposing fees or premiums, setting an interest rate or yield floor, or by modifying the method of computing interest, or modify or implement any letter of credit, commitment, facility, utilization, make-whole or similar fee so that the yield on such Indebtedness is increased by more than 2.00% per annum (the “Increased Yield”) in excess of the total yield on Indebtedness under the Second Priority Debt Documents as in effect on the date hereof (excluding increases (A) in the underlying reference rate not caused by any amendment, supplement, modification, or replacement of the Second Priority Debt Facility or (B) resulting from the accrual of interest at the default rate as provided under the Second Priority Debt Documents as in effect on the date hereof) and which such Increased Yield may only be “paid-in-kind”.

(c) The Borrower agrees to deliver to the Designated Senior Representative copies of (i) any amendments, supplements or other modifications to the Second Priority Collateral Documents and (ii) any new Second Priority Collateral Documents promptly after effectiveness thereof. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that each material Second Priority Collateral Document under its Second Priority Debt Facility shall include the following language (or language to similar effect reasonably approved by the Designated Senior Representative):

["Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Second Priority Representative pursuant to this [Agreement] are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Secured Parties (as defined in the Intercreditor Agreement referred to below), including liens and security interests granted to [____], as [collateral agent], pursuant to or in connection with the Credit Agreement, dated as of [____] (as the same may be amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time), among [____], a [____] ("Guarantor"), [____], a [____] (the "Company"), the lenders from time to time party thereto and [____], as the [administrative agent and the collateral agent], and the other parties party thereto, and (ii) the exercise of any right or remedy by the Second Priority Representative hereunder is subject to the limitations and provisions of the Intercreditor Agreement, dated as of [____] (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among Guarantor, the Company, [____], as [Administrative Agent], [____], as Representative for the Second Priority Debt Parties, and each additional Second Priority Representative and Senior Representative from time to time party thereto. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern."]

(d) In the event that each applicable Senior Representative and/or the Senior Secured Parties enter into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Senior Representatives, the Senior Secured Parties, the Borrower or any other Grantor thereunder (including the release of any Liens in Senior Collateral) in a manner that is applicable to all Senior Facilities, then such amendment, waiver or consent shall apply automatically to any comparable provision of each comparable Second Priority Collateral Document without the consent of any Second Priority Representative or any Second Priority Debt Party and without any action by any Second Priority Representative, the Company or any other Grantor; provided, however, that (i) no such amendment, waiver or consent shall (A) remove assets subject to the Second Priority Liens or release any such Liens, except to the extent that such release is permitted or required by Section 5.01(a) and provided that there is a substantially concurrent release of the corresponding Senior Liens or (B) impose duties that are adverse on any Second Priority Representative without its prior written consent and (ii) written

notice of such amendment, waiver or consent shall have been given to each Second Priority Representative within thirty (30) days after the effectiveness of such amendment, waiver or consent; provided that the failure to give such notice shall not affect the effectiveness and validity thereof.

(e) The Borrower agrees to deliver to each of the Designated Senior Representative and the Designated Second Priority Representative copies of (i) any material amendments, supplements or other modifications to the material Senior Debt Documents or the material Second Priority Debt Documents and (ii) any new material Senior Debt Documents or material Second Priority Debt Documents promptly after effectiveness thereof.

SECTION 5.04. Rights as Unsecured Creditors. The Second Priority Representatives and the Second Priority Debt Parties may exercise rights and remedies as unsecured creditors against the Borrower and any other Grantor in accordance with the terms of the Second Priority Debt Documents and applicable law so long as such rights and remedies do not violate any express provision of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Representative or any Second Priority Debt Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Priority Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Priority Representative or any Second Priority Debt Party of rights or remedies as a secured creditor in respect of Shared Collateral in contravention of this Agreement. In the event any Second Priority Representative or any Second Priority Debt Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Debt Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession, control, or notation, of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of, or notation, in the name of, such Senior Representative, or of agents or bailees of such Person (such Shared Collateral being referred to herein as the “Pledged or Controlled Collateral”), or if it shall at any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the applicable Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee (such bailment being intended, among other things, to satisfy the requirements of Section 8-301(a)(2) and 9-313(c) of the Uniform Commercial Code, to the extent applicable) for the relevant Second Priority Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.05.

(b) In the event that any Senior Representative (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Representative agrees to hold such Liens as sub-agent and gratuitous bailee (such bailment being intended, among other things, to satisfy the requirements of Section 8-301(a)(2) and 9-313(c) of the Uniform Commercial Code, to the extent applicable) for the relevant Second Priority Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Second Priority Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, the Senior Representatives and the Senior Secured Parties shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Representatives and the Second Priority Debt Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) The Senior Representatives and the Senior Secured Parties shall have no obligation whatsoever to the Second Priority Representatives or any Second Priority Debt Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of the Senior Representatives under this Section 5.05 shall be limited solely to holding, controlling, or being notated on, the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee (such bailment being intended, among other things, to satisfy the requirements of Section 8-301(a)(2) and 9-313(c) of the Uniform Commercial Code, to the extent applicable) for the relevant Second Priority Representative for purposes of perfecting the Lien held by such Second Priority Representative.

(e) The Senior Representatives shall not have by reason of the Second Priority Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Representative or any Second Priority Debt Party, and each, Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives and releases the Senior Representatives from all claims and liabilities arising pursuant to the Senior Representatives' roles under this Section 5.05 as sub-agents and gratuitous bailees with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each applicable Senior Representative shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Designated Second Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all Proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court

of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier, and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Priority Representative is entitled to approve any awards granted in such proceeding. The Borrower and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by any such Person as a result of its own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The Senior Representatives have no obligations to follow instructions from any Second Priority Representative or any other Second Priority Debt Party in contravention of this Agreement. No Senior Representative shall have any liability to any Second Priority Debt Party.

(g) None of the Senior Representatives nor any of the other Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Borrower or any Subsidiary to any Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof or to any Second Priority Debt Party, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed To Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Borrower or any Subsidiary consummates any Refinancing or incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the agent, representative or trustee for the holders of such Senior Obligations shall be the Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Senior Representative), each Second Priority Representative (including the Designated Second Priority Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrower), including amendments or supplements to this Agreement, as the Borrower or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to such Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all Proceeds thereof, held or controlled by such Second Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it

rights or access to Shared Collateral and (c) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Senior Representative is entitled to approve any awards granted in such proceeding.

SECTION 5.07. Purchase Right. Without prejudice to the enforcement of the Senior Secured Parties' remedies, the Senior Secured Parties agree that following (a) the acceleration of the Senior Obligations in accordance with the terms of the Credit Agreement Loan Documents or (b) the commencement of an Insolvency or Liquidation Proceeding (each, a "Purchase Event"), within thirty (30) days of the Purchase Event, one or more of the Second Priority Debt Parties may request, and the Senior Secured Parties hereby offer the Second Priority Debt Parties the option, to purchase all, but not less than all, of the aggregate amount of outstanding Senior Obligations outstanding at the time of purchase at par, plus any premium that would be applicable upon prepayment of the Senior Obligations and accrued and unpaid interest, fees, and expenses without warranty or representation or recourse (except for representations and warranties required to be made by assigning lenders pursuant to the [Assignment and Acceptance] (as such term is defined in the Credit Agreement)). If such right is exercised, the parties shall endeavor to close promptly thereafter but in any event within ten (10) Business Days of the request. If one or more of the Second Priority Debt Parties exercise such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the Senior Representative and the Second Priority Representative, subject to any consent rights of the Borrower under the Credit Agreement or any applicable Senior Debt Document. If none of the Second Priority Debt Parties exercise such right, the Senior Secured Parties shall have no further obligations pursuant to this Section 5.07 for such Purchase Event and may take any further actions in their sole discretion in accordance with the Senior Debt Documents and this Agreement.

ARTICLE VI

Insolvency or Liquidation Proceedings.

SECTION 6.01. Financing Issues. Until the Discharge of Senior Obligations has occurred, if the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Representative or any Senior Secured Party shall desire to consent to the sale, use or lease of cash or other collateral or to consent to the Borrower's or any other Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law ("DIP Financing"), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, as a secured creditor or unsecured creditor, agrees that it will raise no (a) objection to and will not otherwise contest such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Obligations are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Debt Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens granted to the Senior Secured Parties, and (z) to any "carve-out"

for professional and United States Trustee fees agreed to by the Senior Representatives, (b) objection to (and will not otherwise contest) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations made by any Senior Representative or any other Senior Secured Party, (c) objection to (and will not otherwise contest) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale in foreclosure of Senior Collateral or under Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, (d) objection to (and will not otherwise contest) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral, or (e) objection to (and will not otherwise contest or oppose) any order relating to a sale or other disposition of assets of any Grantor for which any Senior Representative has consented or not objected that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Second Priority Debt Obligations will attach to the Proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Second Priority Debt Obligations pursuant to this Agreement; provided that the Second Priority Debt Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition under Section 363(k) of the Bankruptcy Code (or any similar provision under the Bankruptcy Code or any other applicable law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations. Furthermore, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees to not propose any DIP financing at any time. Finally, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that notice received two (2) Business Days prior to the entry of an order approving such usage of cash or other collateral or approving such financing shall be adequate notice.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall (A) object, contest or support any other Person objecting to or contesting (a) any request by any Senior Representative or any Senior Secured Parties for adequate protection, (b) any objection by any Senior Representative or any Senior Secured Parties to any motion, relief, action or proceeding based on any Senior Representative's or Senior Secured Party's claiming a lack of adequate protection, or (c) the payment of interest, fees, expenses or other amounts of any Senior Representative or any other Senior Secured Party under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or (B) assert or support any claim for costs or expenses of preserving or disposing of any Collateral under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset

thereof) are granted adequate protection in the form of additional or replacement collateral or superpriority claims in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law (other than in a role of DIP Financing provider), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a replacement Lien or superpriority claim on such additional or replacement collateral, which Lien or superpriority claim is subordinated to the Liens securing or claims with respect to all Senior Obligations and such DIP Financing (and all obligations relating thereto and any “carve-out”) on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to the Liens securing Senior Obligations under this Agreement, and each Second Priority Representative, on behalf of itself and the Second Priority Debt Parties, shall have irrevocably agreed, pursuant to Section 1129(a)(9) of the Bankruptcy Code, in any stipulation and/or order granting such adequate protection, that such junior superpriority claims may be paid under any plan of reorganization in any combination of cash, debt, equity or other property having a value on the effective date of such plan equal to the allowed amount of such claims, and (ii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Debt Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of additional or replacement collateral, then such Second Priority Representatives, for themselves and on behalf of each Second Priority Debt Party under their Second Priority Debt Facilities, agree that each Senior Representative shall also be granted a senior Lien on such additional or replacement collateral as security for the Senior Obligations and any such DIP Financing and that any Lien on such additional or replacement collateral securing the Second Priority Debt Obligations shall be subordinated to the Liens on such collateral securing the Senior Obligations and any such DIP Financing (and all obligations relating thereto and any “carve-out”) and any other Liens granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (a “Recovery”), whether received as Proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall be entitled to the benefits of this Agreement until a Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be

allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications.

Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Debt Obligations are fundamentally different from the Senior Obligations and must be separately classified in any plan of reorganization proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Secured Parties and the Second Priority Debt Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral, with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Debt Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution from the Shared Collateral is made in respect of the Second Priority Debt Obligations, with each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Debt Parties.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties.

Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Debt Party, including the seeking by any Second Priority Debt Party of adequate protection or the asserting by any Second Priority Debt Party of any of its rights and remedies under the Second Priority Debt Documents or otherwise.

SECTION 6.07. Application.

This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and Proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any

Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Second Priority Representative or any Second Priority Debt Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees not to assert any such rights without the prior written consent of each Senior Representative, provided that if requested by any Senior Representative, such Second Priority Representative shall timely exercise such rights in the manner requested by the Designated Senior Representative, including any rights to payments in respect of such rights.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. Reorganization Securities; Voting.

(a) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Obligations and the Second Priority Debt Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Second Priority Debt Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) No Second Priority Debt Party (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization (and each shall be deemed to have voted to reject any such plan of reorganization) unless such plan (1) pays off, in full in cash, all Senior Obligations or (2) to the extent any such plan is proposed or supported by the number of Senior Secured Debt Parties required under Section 1126(d) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

SECTION 6.11. Section 1111(b) of the Bankruptcy Code. The Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, shall not object to, oppose, support any objection, or take any other action to impede, the right of any Senior Secured Party to make an election under Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. The Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, waives any claim it may hereafter have against any senior

claimholder arising out of the election by any Senior Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

SECTION 6.12. Post-Petition Interest.

(a) Neither the Second Priority Representative nor any other Second Priority Debt Party shall oppose or seek to challenge any claim by the Senior Priority Representative or any other Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of Senior Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or otherwise.

(b) Neither the Senior Priority Representative nor any other Senior Secured Party shall oppose or seek to challenge any claim by the Second Priority Representative or any other Second Priority Debt Party for allowance in any Insolvency or Liquidation Proceeding of Second Priority Debt Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or otherwise, to the extent of the value of the Lien of the Second Priority Representative on behalf of the Second Priority Debt Parties on the Shared Collateral (after taking into account the Senior Obligations).

ARTICLE VII

Reliance; Etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Second Priority Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges that it and such Second Priority Debt Parties have, independently and without reliance on any Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Priority Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decisions in taking or not taking any action under the Second Priority Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that neither any Senior Representative nor any other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with

law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Priority Representatives and the Second Priority Debt Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Senior Representative nor any other Senior Secured Party shall have any duty to any Second Priority Representative or Second Priority Debt Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Borrower or any Subsidiary (including the Second Priority Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Senior Obligations, the Second Priority Debt Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Debt Document or any Second Priority Debt Document;
- (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Second Priority Debt Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Credit Agreement or any other Senior Debt Document or of the terms of any Second Priority Debt Document;
- (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Second Priority Debt Obligations or any guarantee thereof;
- (d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrower or any other Grantor; or
- (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Borrower or any other Grantor in respect of the Senior Obligations (other than as set forth in Section 5.06 hereof or other payments or performance) or (ii) any Second Priority Representative or Second Priority Debt Party in respect of this Agreement.

ARTICLE VIII

Miscellaneous

SECTION 8.01. Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Senior Debt Document or any Second Priority Debt Document, the provisions of this Agreement shall govern.

SECTION 8.02. Continuing Nature of this Agreement; Severability. Subject to Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Second Priority Representatives or any Second Priority Debt Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrower or any Subsidiary constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right, remedy, privilege or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, privilege or power, or any abandonment or discontinuance of steps to enforce such a right, remedy, privilege or power, preclude any other or further exercise thereof or the exercise of any other right, remedy, privilege or power. The rights, powers, privileges and remedies of the parties hereto are cumulative and are not exclusive of any rights, powers, privileges or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) This Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the documents governing the applicable Debt Facility) and the Grantors. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the Senior Secured Parties and the Second Priority Debt Parties and their respective successors and assigns.

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Second Priority Debt Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 8.04. Information Concerning Financial Condition of the Company and the Subsidiaries. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and its Subsidiaries and all endorsers or guarantors of the Senior Obligations or the Second Priority Debt Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Second Priority Debt Obligations. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Senior Representative, any Senior Secured Party, any Second Priority Representative or any Second Priority Debt Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 8.05. Subrogation. Each Second Priority Representative, for and on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 8.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, in accordance with the terms of the Senior Debt Documents. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 8.07. Additional Grantors. The Grantors agree that, if any Subsidiary shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument substantially in the form of Annex I. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Designated Second Priority Representative and the Designated Senior Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.08. Reserved.

SECTION 8.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the Senior Debt Documents and the Second Priority Debt Documents, the Borrower may incur or issue and sell one or more series of Second Priority Debt and one or more series of Additional Senior Debt. Any such additional series of Second Priority Debt (the “Second Priority Class Debt”) may be secured by a second priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the relevant Second Priority Collateral Documents for such Second Priority Class Debt, if and subject to the condition that the Representative of any such Second Priority Class Debt (each, a “Second Priority Class Debt Representative”), acting on behalf of the holders of such Second Priority Class Debt (such Representative and holders in respect of any Second Priority Class Debt being referred to as the “Second Priority Class Debt Parties”), becomes a party to this Agreement by satisfying conditions (i) through (iii), as applicable of this Section 8.09. Any such additional series of Senior Facilities (the “Senior Class Debt”; and the Senior Class Debt and Second Priority Class Debt, collectively, the “Class Debt”) may be secured by a senior Lien on Shared Collateral, in each case under and pursuant to the relevant Senior Collateral Documents, if and subject to the condition that the Representative of any such Senior Class Debt (each, a “Senior Class Debt Representative”; and the Senior Class Debt Representatives and Second Priority Class Debt Representatives, collectively, the “Class Debt Representatives”), acting on behalf of the holders of such Senior Class Debt (such Representative and holders in respect of any such Senior Class Debt being referred to as the “Senior Class Debt Parties”; and the Senior Class Debt Parties and Second Priority Class Debt Parties, collectively, the “Class Debt Parties”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iii), as applicable, of this Section 8.09. In order for a Class Debt Representative to become a party to this Agreement:

(i) such Class Debt Representative shall have executed and delivered a Joinder Agreement substantially in the form of Annex II (if such Representative is a Second Priority Class Debt Representative) or Annex III (if such Representative is a Senior Class Debt Representative) (with such changes as may be reasonably approved by the Designated Senior Representative and such Class Debt Representative) pursuant to which it becomes a Representative hereunder, and the Class Debt in respect of which such Class Debt Representative is the Representative and the related Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Designated Senior Representative an Officer’s Certificate stating that the conditions set forth in this Section 8.09 are satisfied (or waived) with respect to such Class Debt and, if requested, true and complete copies of each of the material Second Priority Debt Documents or material Senior Debt Documents, as applicable, relating to such Class Debt, certified as being true and correct in all material respects by an Authorized Officer of the Borrower; and identifying the obligations to be designated as Additional Senior Debt or Second Priority Debt, as applicable, and certifying that such obligations are permitted to be incurred and secured (I) in the case of Additional Senior Debt, on a senior basis under each of the Senior Debt Documents and (II) in the case of Second Priority Debt, on a junior basis under each of the Second Priority Debt Documents; and

(iii) the Second Priority Debt Documents or Senior Debt Documents, as applicable, relating to such Class Debt shall provide that each Class Debt Party with respect to such Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Class Debt.

(b) consents that any such action or proceeding shall be brought in such courts and waives (to the extent permitted by applicable law) any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;

(c) agrees that service of process in any such action or proceeding shall be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth in Section 8.11;
