(b) Dispute Resolution with Respect to Post-Closing Adjustments.

(i) If Sellers object to any item set forth on the Final Closing Statement prepared and delivered in accordance with **Section 2.05(a)**, NRGWG (on behalf of Sellers) must notify Purchaser in writing of its objections in reasonable detail on or before the thirtieth (30th) day after Sellers' receipt of the Final Closing Statement.

(ii) Except to the extent NRGWG so objects, the Final Closing Statement and the calculations of the Final Working Capital Adjustment as prepared and delivered in accordance with **Section 2.05(a)** shall be final and binding on Purchaser and Sellers (and all other Persons claiming through them) as of the day immediately following the thirtieth (30th) day after Sellers' receipt of the Final Closing Statement. If NRGWG does so object, and if Purchaser and NRGWG (on behalf of Sellers) have not agreed on a resolution of those objections within thirty (30) days following the date of delivery of Sellers' notice of objection pursuant to **Section 2.05(b)(i)**, Purchaser or NRGWG shall submit the items in dispute to BDO or, if BDO is unable to serve, Purchaser and NRGWG (on behalf of Sellers) shall appoint by mutual agreement an impartial nationally recognized firm of independent certified public accountants (the "**Independent Accountant**") within five (5) Business Days following the expiration of the foregoing 30-day period (or, in the absence of agreement between NRGWG (on behalf of Sellers) and Purchaser by the close of business on such fifth (5th) Business Day, as selected by the American Arbitration Association) who shall, acting as an expert and not an arbitrator, render a determination thereof, which (absent manifest error) shall be final and binding on the Parties. The result of such determination by the Independent Accountant shall be reflected in a definitive final statement of the Final Working Capital Adjustment, as determined by the Independent Accountant, together with a statement from the Independent Accountant confirming that such statement correctly reflects the items in dispute as of the Closing Date. The Independent Accountant shall make its determination as soon as practicable and in any event within thirty (30) days after the submission of the dispute to it, and shall (x) base its determination solely on information provided to it by Purchaser and Sellers and (y) consider only those items and amounts in Purchaser's and Sellers' respective calculations that are identified as being items and amounts to which Purchaser and NRGWG (on behalf of Sellers) have been unable to agree; provided, however, to the extent the determination of value of any unresolved item affects any other item used in calculating the amounts set forth in the Final Closing Statement, such effect may be taken into account by the Independent Accountant.

Further, in resolving any such objection, the Independent Accountant may not assign a value to any particular item greater than the greatest value for such item claimed by either Party or less than the lowest value for such item claimed by either Party.

(c) Settlement. If the Final Working Capital Adjustment (as finally determined pursuant to **Section 2.05(b)**) is positive, then on or before the second (2nd) Business Day after such final determination, Purchaser shall pay to Sellers, an aggregate amount equal to the Final Working Capital Adjustment to such account(s) as specified by NRGWG (on behalf of Sellers) by wire transfer of immediately available funds in U.S. Dollars. If the Final Working Capital Adjustment (as finally determined pursuant to **Section 2.05(b)**) would otherwise be negative, the Final Working Capital Adjustment shall be deemed to be \$0. If the Final Working Capital Adjustment (as finally determined pursuant to **Section 2.05(b)**) would otherwise be greater than \$35,000,000, the Final Working Capital Adjustment shall be deemed to be \$35,000,000. All Purchase Price adjustments made pursuant to this **Section 2.05(c)** shall be treated by all Parties for tax purposes as adjustments to the Purchase Price to the fullest extent permitted by applicable Law.

(d) Fees of the Independent Accountants. Purchaser shall pay a portion of the fees and expenses of the Independent Accountant equal to one hundred percent (100%) multiplied by a fraction, the numerator of which is the amount of disputed amounts submitted to the Independent Accountant that are resolved in favor of Sellers (that being the absolute value of the difference between the Independent Accountants' determination and Purchaser's determination) and the denominator of which is the total amount of disputed amounts submitted to the Independent Accountants (that being the absolute value of the difference between Sellers' determination and Purchaser's determination). Sellers shall pay that portion of the fees and expenses of the Independent Accountants that the Purchaser is not required to pay hereunder.

Section 2.06 Further Assurances; Post-Closing Cooperation

(a) Subject to the terms and conditions of this Agreement, at any time or from time to time after the Closing, each of the Parties hereto shall use its commercially reasonable efforts to execute, acknowledge and deliver such other documents and instruments, provide such materials and information, and take such other actions as may reasonably be necessary, proper or advisable, to the extent permitted by Law, to fulfill its obligations under this Agreement.

(b) Subject in each case to applicable confidentiality obligations to third parties, following the Closing, Sellers and Purchaser shall use commercially reasonable efforts to afford the other Party, its counsel and its accountants, during normal business hours, reasonable access to the books, records and other data, documents or reports relating to the business or financial or operating condition of the Project, the Purchased Assets and/or the Assumed Liabilities in their possession with respect to periods prior to the Closing Date and the right to make copies and extracts therefrom, in each case solely to the extent that such access may reasonably be required by the requesting Party in connection with (i) compliance with the requirements of any Governmental or Regulatory Authority or

(ii) in connection with any actual or threatened Action or Proceeding; provided, however, that Sellers and their Affiliates shall not be required to make available their income Tax Returns. Further, Sellers and Purchaser shall not, for a period extending seven (7) years after the Closing Date, or such longer period as such books, records and other data remain relevant to open Tax years or to any pending investigation by a Governmental or Regulatory Authority or any pending litigation if such investigation or litigation relates in any material respect to matters occurring prior to the Closing, destroy or otherwise dispose of any such books, records and other data unless such Party shall first offer by notice to the other to surrender such books, records and other data to the other Party, to be held subject to appropriate confidentiality restrictions as applicable, and such other Party shall not agree in writing to take possession thereof during the ten (10) day period after such offer is made. Notwithstanding the foregoing, neither Purchaser nor Sellers shall be required to furnish any such information where the furnishing of such information would (A) violate any Law, Order, Permit or Governmental or Regulatory Approval applicable to such Party or any of its Affiliates, assets and properties, including the Project, (B) result in the loss of attorney-client privilege with respect to such information, (C) result in a breach of a Contract to which such Party or any of its Affiliates is a party, (D) result in the disclosure of any trade secret or proprietary or confidential information of third parties (including, with respect to Sellers, any bids received from others in connection with the transactions contemplated by this Agreement and the information and analysis (including financial analysis) relating to such bids), or (E) with respect to information furnished by Purchaser, require Purchaser to disclose information that does not relate to the Project, the Purchased Assets or the Assumed Liabilities, reveals Purchaser's (or its Affiliates') valuation or negotiating strategy with respect to the transactions contemplated hereby or is otherwise confidential or proprietary information of Purchaser or any of its Affiliates.

(c) Notwithstanding any other provision in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign or transfer any interest in any asset, claim, right or benefit if such assignment or transfer (or attempt to make such an assignment or transfer) (x) is prohibited by Law or (y) without the consent of a third party (including any Governmental or Regulatory Authority), would (A) constitute a material breach or other material contravention of the rights of such third party or (B) subject Purchaser, Sellers or any of their respective Representatives to criminal liability and such consent is not obtained at or before the Closing (such assets, claims, rights or benefits being collectively referred to herein as the "**Restricted Assets**"). Any assignment or transfer of a Restricted Asset shall be made subject to applicable Law or such consent being obtained. If the assignment or transfer of any Restricted Asset is prohibited by Law or such consent is not obtained prior to the Closing, (i) each Party shall continue to use commercially reasonable efforts to obtain such consents or implement any actions required to complete the assignment or transfer of such Restricted Assets (including cooperating with each other in attempting to obtain any required consent with respect thereto) as soon as reasonably applicable to the extent the applicable Restricted Asset shall not have been assigned to Purchaser, (ii) Sellers shall, without further consideration, use commercially reasonable efforts to cooperate with Purchaser in good faith to enter into any alternative arrangements (but shall not be required to enter into any arrangement, including any license, sublease or operating agreement, with a term that extends beyond six (6) months following the Closing Date) reasonably acceptable to Purchaser and Sellers intended to provide Purchaser with

the benefit of any such Restricted Asset until such time as such consent has been obtained which results in Purchaser or its Affiliates receiving all the benefits and bearing all the costs, liabilities and burdens with respect to any such Restricted Asset and (iii) upon the obtaining of any required consents, such Restricted Asset shall promptly be transferred and assigned to Purchaser hereunder at no additional cost to Purchaser and with such effect as if transferred as of the Closing; provided, that, no Party or its Affiliates shall have any obligation to pay money to or make any concessions to obtain any such consent, except for bearing its own costs (including expenses of counsel). Notwithstanding anything in this **Section 2.06(c)** to the contrary, Sellers shall not have any obligations under this **Section 2.06(c)** to use any efforts to obtain any consent to the transfer of a Restricted Asset from or after the date that is six (6) months following the Closing Date; provided, that, if the applicable consent is obtained following the date that is six (6) months following the Closing Date, the applicable Restricted Asset shall promptly be transferred and assigned to Purchaser hereunder at no additional cost to Purchaser and with such effect as if transferred as of the Closing.

(d) Following the Closing, (i) if Purchaser or any of its Affiliates receive any payment from a third party that constitutes an Excluded Asset, Purchaser shall promptly after receipt thereof, but in no event later than five (5) Business Days after such receipt, notify Sellers of such receipt and transfer to Sellers (or a designee of Sellers) such Excluded Asset to an account designated in writing by Sellers and (ii) if Sellers or any of their Affiliates receives any Inventories or any payment that otherwise constitutes a Purchased Asset, Sellers shall promptly after receipt thereof, but in no event later than five (5) Business Days after such receipt, notify Purchaser of such receipt and send to Purchaser such Inventories to an address designated in writing by Purchaser or such payment to an account designated in writing by Purchaser, as applicable. In addition, to the extent that, from time to time after the Closing, Sellers or their Affiliates and/or Purchaser or its Affiliates identify assets that are owned by Purchaser (or as of the Closing were used or held for use by Sellers and their Affiliates exclusively for the ownership or operation of the Purchased Assets or the Project or the Assumed Liabilities) but that are in the possession of Sellers or their Affiliates (including any payments from customers of Purchaser that are improperly sent to Sellers or their Affiliates after the Closing), Sellers will use commercially reasonable efforts to locate such items and take such action as is necessary to put Purchaser or one of its Affiliates in actual possession thereof.

Section 2.07 Withholding. If any amount is required by Law to be deducted or withheld on account of any Tax with respect to payments made under or with respect to the Purchaser Transaction Documents or Seller Transaction Documents, such Tax shall be deducted by Purchaser (or its Representatives or Affiliates), as applicable, from the amounts required to be paid and such Person shall promptly remit such deduction or withholding on account of such Tax (if any) to the relevant Governmental or Regulatory Authority when due; provided, that, if Purchaser determines that an amount is required to be deducted and withheld with respect to any amounts payable to Sellers pursuant to **Section 2.03** or **Section 2.05**, Purchaser shall use commercially reasonable efforts to provide to Sellers written notice of such deduction and withholding at least five (5) days prior to the date the applicable payment is scheduled to be made (and if after using commercially reasonable efforts is unable to provide at least five (5) day notice of a deduction or withholding, Purchaser shall provide prompt notice to Sellers of such deduction and withholding), which notice

shall include a copy of the calculation of the amount to be deducted and withheld and a reference to the applicable provision of Law pursuant to which such deduction and withholding is required, and Purchaser shall reasonably cooperate with Sellers to eliminate or reduce the basis for such deduction or withholding (including by providing Sellers with a reasonable opportunity to provide forms or other evidence that would exempt such amounts from withholding); provided, further, that (i) Purchaser shall (upon a reasonable request from NRGWG (on behalf of Sellers)) promptly provide Sellers with the appropriate receipts for such payments; and (ii) notwithstanding the foregoing, in no event will Purchaser (or its Representatives or Affiliates) be prevented from making any withholding that is required by Law. All Tax amounts deducted or withheld from payments pursuant to the preceding sentence shall be treated as having been actually paid to Sellers for purposes of this Agreement.

Section 2.08 Proration of Charges.

(a) Except as otherwise provided in this Agreement, all installments of special assessments or other charges on or with respect to the Purchased Assets payable by Purchaser or its Affiliates, on the one hand, or Sellers or their Affiliates, on the other hand, for any period in which the Closing Date shall occur, including base rent, common area maintenance, royalties, all municipal, utility or authority charges for water, sewer, electric or gas charges, garbage or waste removal and cost of fuel, shall be apportioned as of the Closing, and each Party shall pay its proportionate share promptly upon the receipt of any bill, statement or other charge with respect thereto. If such charge or rates are assessed either based upon time or for a specified period, such charges or rates shall be prorated as of 12:01 A.M. on the Closing Date. If such charges or rates are assessed based upon usage of utility or similar services, such charges shall be prorated based upon meter readings taken on the Closing Date.

(b) Except as otherwise provided in this Agreement, all refunds, reimbursements, installments of base rent, additional rent, license fees or other use related revenue receivable by any party to the extent attributable to the operation of the Project for any period in which the Closing shall occur shall be prorated so that Sellers shall be entitled to that portion of any such installment applicable to the period up to but not including the Closing Date and Purchaser shall be entitled to that portion of any such installment applicable to any period including and from and after the Closing Date, and if Purchaser or Sellers or their respective Affiliates, as the case may be, shall receive any such payments after the Closing Date, they shall promptly remit to such other parties their share of the payments.

(c) The prorations pursuant to this **Section 2.08** may be calculated after the Closing Date, as each item to be prorated (including any such obligation, assessment, charge, refund, reimbursement, rent installment, fee or revenue) accrues or comes due, provided that, in any event, any such proration shall be calculated not later than thirty (30) days after the party requesting proration of any item obtains the information required to calculate such proration of such item.

(d) This **Section 2.08** shall not apply to any Taxes.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in the disclosure schedule delivered by Sellers to Purchaser concurrently with the execution and delivery of this Agreement (the “**Seller Disclosure Schedule**”), (a) NRGWG represents and warrants for itself solely with respect to itself and the NRGWG Purchased Assets and (b) RRI represents and warrants for itself solely with respect to itself and the RRI Assumed Contracts, to the extent such representation is applicable to the RRI Assumed Contracts, in each case to Purchaser as follows:

Section 3.01 Legal Existence. Such Seller is duly formed, validly existing and in good standing under the Laws of Delaware. Such Seller is qualified to do business and is in good standing in the states in which the conduct of its business or locations of its assets and properties makes such qualification necessary, except where failure to be so qualified or to be in good standing would not, individually or in the aggregate, reasonably be expected to result in a Seller Material Adverse Effect. Such Seller and each of its applicable Affiliates has all requisite organizational power and authority to execute and perform its obligations under this Agreement and the other agreements and instruments executed and delivered by it in connection with this Agreement (collectively, the “**Seller Transaction Documents**”) and consummate the transactions contemplated hereby and thereby.

This Agreement and each Seller Transaction Document has been duly and validly executed and delivered by such Seller (as applicable), and, assuming the due authorization, execution and delivery thereof by the other parties hereto and thereto, constitutes a legal, valid and binding obligation of such Seller enforceable against such Seller in accordance with its terms, except as the same may be limited by Enforceability Limitations. The transactions contemplated by this Agreement and the other Seller Transaction Documents are authorized under the Plan and the Confirmation Order and no subsequent or additional order or approval from the Bankruptcy Court is necessary for the entry into, approval and consummation hereof and thereof. The Purchased Assets do not (and will not) include any Equity Securities.

Section 3.03 No Conflicts. Except as described on **Section 3.03 of the Seller Disclosure Schedule**, and assuming all filings, notices, consents, approvals, authorizations, and other actions described on **Section 3.04 of the Seller Disclosure Schedule** have been obtained, the execution and delivery by such Seller of, and the performance of its obligations under, this Agreement and the Seller Transaction Documents and the consummation of the transactions contemplated hereby and thereby do not, directly or indirectly:

(c) (i) conflict with or result in a material violation or material breach of, (ii) constitute (with or without notice, lapse of time or both) a material default (or give rise to any right of termination, cancellation or acceleration) under, or (iii) result in or give to any Person any right of penalty, termination, consent, cancellation, acceleration or modification in or with respect to, any Contract, Permit or Governmental or Regulatory Approval to which such Seller or any of its Affiliates is a party or to which any of the Purchased Assets or Assumed Liabilities is bound or subject, except, in the case of this clause (c), as would not, individually or in the aggregate, reasonably be expected to materially impair the ownership or operation of the Purchased Assets or the Project as currently owned or operated by such Seller and its Affiliates, or otherwise prevent, materially impair or delay the ability of such Seller and its applicable Affiliates to consummate the transactions contemplated by, or perform its respective obligations under, this Agreement or the Seller Transaction Documents; or

(d) result in the creation or imposition of any Lien on the Purchased Assets (other than (i) Permitted Liens, (ii) encumbrances that arise solely out of any actions taken by Purchaser or its Affiliates, or taken on Purchaser's behalf by Purchaser's Representatives or lenders or by any other Person at the request of Purchaser or its Affiliates, and (iii) such other Liens as will be discharged in full prior to or at the Closing).

Section 3.04 Governmental or Regulatory Approvals; Filings. Except (a) for such consents, approvals, actions, filings and notices as may be required pursuant to the HSR Act and (b) as set forth on **Section 3.04 of the Seller Disclosure Schedule**, no Governmental or Regulatory Approval on the part of such Seller or any of its Affiliates is required in connection with the execution and delivery by such Seller of this Agreement and the Seller Transaction Documents or the consummation of the transactions contemplated hereby and thereby, except where the failure to obtain any such Governmental or Regulatory Approval would not, individually or in the aggregate, reasonably be expected to materially impair or delay the ability of such Seller or any of its applicable Affiliates to consummate the transactions contemplated by, or perform its respective obligations under, this Agreement or the Seller Transaction Documents.

Section 3.05 Legal Proceedings. Except as set forth on **Section 3.05 of the Seller Disclosure Schedule**, (a) there are no Actions or Proceedings pending or threatened in writing or, to the Knowledge of such Seller, orally against such Seller or any of its Affiliates or relating to the Purchased Assets (with respect to such Seller), and (b) there are no Orders outstanding against such Seller, any of its Affiliates or the Purchased Assets (with respect to such Seller), in either case that, individually or in the aggregate, would reasonably be expected to (i) result in the issuance of an Order restraining, enjoining or otherwise prohibiting, delaying or making illegal the transactions contemplated by this Agreement and the Seller Transaction Documents or the performance by such Seller or each of its applicable Affiliates of its obligations under this Agreement or the Seller Transaction Documents, or (ii) otherwise materially impair the ownership or operation of the Business or result in Assumed Liabilities in excess of \$750,000 individually or \$2,000,000 in the aggregate.

Section 3.06 Brokers. Except for Credit Suisse Securities (USA) LLC, the fees and expenses of which will be paid by GenOn, no broker, finder or agent acting on behalf of such Seller or its Affiliates is entitled to any fee or commission with respect to the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby that would be payable by Purchaser or its Affiliates.

Section 3.08 No Undisclosed Liabilities. There are no Assumed Liabilities that would be required by GAAP to be reflected or reserved against on the Financial Statements, except (a) Liabilities that are reflected on, reserved against or otherwise described in the Financial Statements, (b) Liabilities set forth on **Section 3.08 of the Seller Disclosure Schedule**, (c) Liabilities incurred in the ordinary course of business consistent with past practice since September 30, 2017 or (d) other Assumed Liabilities not in excess of \$750,000 individually or \$2,000,000 in the aggregate.

Section 3.10 Compliance with Laws. Such Seller and, to the extent applicable to the Project, each of its applicable Affiliates is, and since January 1, 2015 has been, in compliance in all material respects with all material Orders and Laws applicable to it and the Project. Since January 1, 2015, neither such Seller nor any of its Affiliates has received any written (or, to the

Each Seller Employee Plan has been established, maintained, administered and funded in all material respects in compliance with its terms and with the requirements of applicable Law, including ERISA and the Code. No Actions or Proceedings (other than routine claims for benefits) are pending or, to the Knowledge of such Seller, threatened against or with respect to any Seller Employee Plan, and there has been no non-exempt “prohibited transaction” (within the meaning of Section 406 of ERISA or Section 4975 of the Code) or any breach of fiduciary duty (as determined under ERISA) with respect to any Seller Employee Plan, except as would not reasonably be expected to, individually or in the aggregate, result in material Liability to NRGWG, Purchaser or any of their respective Affiliates. All contributions, distributions, accruals, reimbursements and premium payments due with respect to each Seller Employee Plan have been timely made and all contributions, distributions, accruals, reimbursements and premium payments for any period ending on or before the Closing Date that are not yet due have been made or properly accrued. (g) Except as set forth on **Section 3.16(g) of the Seller Disclosure Schedule**, the consummation of the transactions contemplated by this Agreement will not (either alone or together with any other event) entitle any Business Employee to any benefit or

compensation or accelerate the time of payment, funding or vesting, or increase the amount of compensation or benefits due, to any such Business Employee.

Section 3.17 Insurance. Section 3.17 of the Seller Disclosure Schedule sets forth a true and complete list of all material insurance policies in effect as of the date of this Agreement that insure the Business, Purchased Assets or Project or the ownership or operation thereof (collectively, the “**Insurance Policies**”). As of the date hereof, there is no material claim related to the Business, Purchased Assets, Project or Assumed Liabilities pending under the Insurance Policies or incidents that, to the Knowledge of such Seller, could give rise to any such claims. During the past three (3) years, none of Seller or any of its Affiliates has made any claim under any Insurance Policies as to which coverage has been denied or disputed in writing by the applicable insurers. Neither such Seller nor any of its Affiliates have received written notice of cancellation or non-renewal of any Insurance Policy.

(iv) no Hazardous Substances have been disposed of or released by such Seller (with respect to the Business) on, at, from or under any location or Real Property or, to the Knowledge of such Seller, by any other Person on, at, from or under any Real Property that, in either case are reasonably likely to require investigation or remediation under any Environmental Law, except, in each case, as would not reasonably be expected to result in a Seller Material Adverse Effect; and

(v) Such Seller is not currently operating the Project under any outstanding compliance or consent Order or decree issued or entered into under any Environmental Law except for such compliance or consent Order as would not, individually or in the aggregate, reasonably be expected to result in a Seller Material Adverse Effect.

(b) **Section 3.18 of the Seller Disclosure Schedule** sets forth all of the Emission Allowances presently held by NRGWG and its Affiliates for the Project, each of which is held in an account owned by NRGWG or one of its Affiliates, is fully transferable to Purchaser (to the extent transferable pursuant to applicable Law) and is not subject to any pending agreement or obligation to be sold or transferred to any other Person. The amount of such Emission Allowances is sufficient to cover the compliance obligations with respect to the Business under CSAPR and the Acid Rain Program for emissions from the Project facility for any portion of the current compliance period prior to the Closing Date and for any prior compliance period (to the extent that Emission Allowances for such period have not yet been surrendered).

(c) This **Section 3.18** and **Section 3.19** (to the extent applicable to Environmental Permits) contain the sole and exclusive representations and warranties of Sellers with respect to environmental, health and safety matters, including all matters arising under any Environmental Laws or related to Hazardous Substances, Environmental Permits or Environmental Claims.

True and complete copies of all Material Permits have been made available to Purchaser prior to the date of this Agreement. Except as set forth on **Section 3.19 of the Seller Disclosure Schedule** or as would not, individually or in the aggregate, reasonably be expected to result in a Seller Material Adverse Effect:

(a) each Material Permit is in full force and effect and no Action or Proceeding to revoke, terminate, cancel, suspend, limit or modify or that would reasonably be expected to result in the revocation, termination, cancellation, suspension, limitation, rescission or modification of any such Permit has been served upon such Seller or its Affiliates or is otherwise pending, in effect, threatened in writing or, to the Knowledge of such Seller, threatened orally; and

(b) Such Seller and each of its applicable subsidiaries is in compliance with all Material Permits held by it.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF PURCHASER

Except as set forth in the disclosure schedule delivered by Purchaser to Sellers concurrently with the execution and delivery of this Agreement (the “**Purchaser Disclosure Schedule**”), Purchaser hereby represents and warrants to Sellers as follows:

Section 4.01 Legal Existence. Purchaser is a limited liability company duly formed, validly existing and in good standing under the Laws of the State of Delaware. Purchaser is qualified to do business and is in good standing in the states that the conduct of its business or locations of its assets and properties makes such qualification necessary, except where failure to be so qualified or to be in good standing would not, individually or in the aggregate, reasonably be expected to be material to Purchaser’s ability to perform its obligations hereunder or under other agreements and instruments to be executed and delivered by Purchaser in connection with this Agreement (the “**Purchaser Transaction Documents**”). Purchaser has all requisite power and authority to execute, deliver and perform its obligations under this Agreement and the Purchaser Transaction Documents, including to purchase the Purchased Assets and assume the Assumed Liabilities pursuant hereto.

Section 4.02 Authority. The execution and delivery by Purchaser of, and the performance by Purchaser of its obligations under, this Agreement and the Purchaser Transaction

Documents and the consummation by Purchaser of the transactions contemplated hereby and thereby have been duly and validly authorized by all required action on the part of Purchaser. This Agreement and each of the Purchaser Transaction Documents has been duly and validly executed and delivered by Purchaser and, assuming the due authorization, execution and delivery thereof by the other parties hereto and thereto, constitutes a legal, valid and binding obligation of Purchaser enforceable against Purchaser in accordance with its terms, except as the same may be limited by the Enforceability Limitations.

Section 4.03 No Conflicts. Except as described on **Section 4.03 of the Purchaser Disclosure Schedule**, and assuming all filings, notices, consents, approvals, authorizations, and other actions described in **Section 4.04 of the Purchaser Disclosure Schedule** have been obtained, the execution and delivery by Purchaser of, and the performance of its obligations under, this Agreement, the Purchaser Transaction Documents and the consummation of the transactions contemplated hereby and thereby will not:

- (a) conflict with or result in a violation or breach of any of the terms, conditions or provisions of any Governance Document of Purchaser;
- (b) conflict with or result in a violation or breach of any term or provision of any Law or Order applicable to Purchaser or any of its assets and properties; or
- (c) (i) conflict with or result in a material violation or material breach of, (ii) constitute (with or without notice, lapse of time or both) a material default (or give rise to any right of termination, cancellation or acceleration) under, or (iii) require Purchaser to obtain any consent, approval or action of, make any filing with or give any notice to any Person as a result or under the terms of, any material Contract, Permit or Governmental or Regulatory Approval to which Purchaser is a party or by which any of its assets and properties is bound.

Section 4.04 Governmental or Regulatory Approvals. Except as set forth in **Section 4.04 of the Purchaser Disclosure Schedule**, no Governmental or Regulatory Approval on the part of Purchaser is required in connection with the execution and delivery by Purchaser of this Agreement, the Purchaser Transaction Documents or the consummation of the transactions contemplated hereby and thereby.

Section 4.05 Legal Proceedings. There are no Actions or Proceedings pending or, to the Knowledge of Purchaser, threatened in writing against Purchaser or any of its assets or properties that would reasonably be expected to result in the issuance of an Order restraining, enjoining or otherwise prohibiting, delaying or making illegal the purchase of the Purchased Assets or the assumption of the Assumed Liabilities by Purchaser under this Agreement or the performance by Purchaser of its obligations under this Agreement or the Purchaser Transaction Documents.

Section 4.06 [Reserved]

Section 4.07 Brokers. No broker, finder or agent acting on behalf of Purchaser or its Affiliates is entitled to any fee or commission with respect to the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby that would be payable by Sellers or their Affiliates.

Section 4.08 Financing.

(a) Purchaser has received and accepted an executed commitment letter dated as of the date of this Agreement (the “**Equity Commitment Letter**”) from the Purchaser Guarantor, pursuant to which the Purchaser Guarantor has committed, subject to the terms and conditions thereof, to invest on or prior to Closing immediately available funds in the amounts set forth therein, which is the full amount required to consummate the transactions contemplated by this Agreement (the “**Equity Financing**”). Purchaser has delivered to Sellers a true, complete and correct copy of the executed Equity Commitment Letter. As of the date of this Agreement, (a) the Equity Commitment Letter has not been amended or modified and no such amendment or modification that could reasonably be expected to impact the funding of the Equity Financing is contemplated and the commitments contained in the Equity Commitment Letter have not been withdrawn, modified, amended, terminated or rescinded in any respect and (b) no such withdrawal, termination, rescission, amendment or modification is contemplated. Except as set forth in the Equity Commitment Letter, there are no conditions precedent to the obligations of the Purchaser Guarantor to provide the Equity Financing. There are no agreements or side letters or other arrangements relating to the Equity Financing to which Purchaser or any of its Affiliates is a party that could reasonably be expected to impose conditions to the funding of the Equity Financing, other than those set forth in the Equity Commitment Letter. As of the date of this Agreement, the Equity Commitment Letter is in full force and effect and constitutes the legal, valid and binding obligations of Purchaser and, to the Knowledge of Purchaser, the other parties thereto, subject to the Enforceability Limitations. Assuming the satisfaction or waiver by Purchaser of the conditions contained in **Article VIII**, (i) Purchaser is able to, and does not have any reason to believe that it will be unable to, satisfy on a timely basis any term or condition to the funding of the Equity Financing on the Closing Date contained in the Equity Commitment Letter required to be satisfied by it, and (ii) subject to its terms and conditions, the aggregate proceeds from the Equity Financing, when funded in accordance with the Equity Commitment Letter, will provide Purchaser with cash on the Closing Date, together with available cash, sufficient to consummate the transactions contemplated by this Agreement (including making all necessary payments of fees and expenses in connection with the transactions contemplated hereby) (collectively, the “**Financing Purposes**”).

(b) The Limited Guarantee is valid and in full force and effect and constitutes the valid and binding obligation of the Purchaser Guarantor, enforceable in accordance with its terms, subject to the Enforceability Limitations.

From the date of this Agreement until the earlier of the Closing and the date that this Agreement is terminated in accordance with its terms, Sellers shall, and shall cause its Affiliates to, provide Purchaser and its Representatives with reasonable access, upon reasonable prior notice and during normal business hours, to all officers, employees, consultants, contractors, agents and accountants of Sellers and their Affiliates and their respective assets, properties, books and records, in each case, to the extent related to the Purchased Assets, Assumed Liabilities or Project, but only to the extent that such access does not unreasonably interfere with the business and operations of Sellers and their Affiliates. Notwithstanding the foregoing, Sellers shall not be required to, and shall not be required to cause its Affiliates to, furnish any such information where the furnishing of such information would (a) violate any Law, Order, Permit or Governmental or Regulatory Approval applicable to Sellers or any of their Affiliates, assets and properties, including the Project, (b) result in the loss of attorney-client privilege with respect to such information, (c) result in a breach of a Contract to which Sellers or any of their Affiliates is a party, or (d) result in the disclosure of any trade secret, proprietary or confidential information of third parties (including any bids received from others in connection with the transactions contemplated by this Agreement and the information and analysis (including financial analysis) relating to such bids); provided that if any material is withheld by Sellers pursuant to this sentence, Sellers shall inform Purchaser as to the general nature of what is being withheld, and Sellers shall cooperate with Purchaser to find a way to allow disclosure of such information to the extent doing so would not reasonably be likely to violate any such applicable Law, Order, Permit or Governmental or Regulatory Approval or result in the loss of a privilege, a breach or a disclosure, as applicable, under clauses (a) through (d) of this sentence. Sellers shall have the right to have a representative present at all times during any such inspection, interview or examination by Purchaser and/or its Representatives conducted at or on the offices or other facilities or properties of Sellers and to impose reasonable restrictions and requirements for liability and safety purposes. Nothing in this **Section 5.01** shall entitle Purchaser to conduct any sampling, monitoring or other surface, subsurface or invasive investigation, assessment or analysis of soil, groundwater, building materials, ambient air, or other environmental media or emissions on any Real Property owned or leased by Sellers or their Affiliates without Sellers' prior written consent, which consent may be withheld in Sellers' reasonable discretion.

(vii) canceling, compromising, settling, assigning or transferring any dispute or claim that would reasonably be expected to result in a non-current liability exceeding \$50,000 becoming due from Purchaser after the Closing or restrictions or limitations that materially and adversely affect Purchaser's ability to conduct the Business after the Closing;

(viii) except as may be required to meet the requirements of applicable Law or GAAP, changing any accounting method or practice in a manner that is inconsistent with past practices in a way that would materially and adversely affect the Business;

(xii) entering into any Hedging Arrangement or any power or gas transaction, or any financial transaction (in each case except to the extent constituting an Excluded Asset or Excluded Liability);

(xvii) deferring any scheduled major maintenance on any Purchased Assets;

(xviii) purchasing any Equity Securities of any Person that would become Purchased Assets;

(xix) changing or modifying any material credit, collection or payment policies, procedures or practices, including acceleration of collections or receivables (whether or not past due) or any material failure to pay or delay payment of payables or other liabilities;

(xx) making or changing any material election with respect to Taxes, filing any material Tax Return that is inconsistent with the past practices of such Seller with respect to the Project and the Purchased Assets, entering into any closing or similar agreement with respect to Taxes, surrendering any right to a refund of Taxes, consenting to any extension or waiver of the limitation period applicable to any material Tax claim or assessment, or failing to pay any material Taxes as such Taxes become due and payable, in each case, to the extent such action would reasonably be expected to have any adverse effect on any Purchased Asset or Assumed Liability of Purchaser or its Affiliates; or

Section 6.03 Insurance. Purchaser shall be solely responsible from and after the Closing for providing insurance for the Purchased Assets and the Project for events or occurrences occurring after the Closing. Purchaser acknowledges that all insurance arrangements maintained by Sellers and their Affiliates for the benefit of the Purchased Assets and the Project shall be terminated as of the Closing and no further business interruption, property or liability shall be covered under any such insurance arrangements.

Section 6.04 Investigation by Purchaser; No Other Representations; Non-Reliance of Purchaser. Purchaser has substantial familiarity with the Business, the Purchased Assets and the Assumed Liabilities and understands the risks inherent therewith. Furthermore, Purchaser (for itself and on behalf of its Affiliates, Representatives and financing sources) has conducted an independent investigation, verification, review and analysis of the Business, the Purchased Assets and the Assumed Liabilities and the operations, liabilities, results of operations, financial condition, technology and prospects of the Business and Purchaser, its Affiliates and their advisors and Representatives have had access to the personnel, properties, premises and records of Sellers for such purpose. In entering into this Agreement, except for the specific representations and warranties expressly made by Sellers in **Article III** (as modified by the Seller Disclosure Schedules) or in any Sellers Transaction Document, Purchaser (for itself and on behalf of its Affiliates, Representatives and financing sources) acknowledges that: (a) neither Sellers nor any other Person is making and has not made any representation or warranty, expressed or implied, at law or in equity, in respect of Sellers, the Business, the Project, Purchased Assets or Assumed Liabilities or the liabilities, operations, prospects or condition (financial or otherwise) thereof, including with respect to merchantability or fitness for any particular purpose of the Purchased Assets, the nature or extent of any liabilities, the prospects of the Business, the effectiveness or the success of any operations, or the veracity, accuracy or completeness of any confidential information memoranda, documents, projections, material or other information (financial or otherwise) regarding Sellers, the Business, the Purchased Assets or the Assumed Liabilities furnished to Purchaser or its Affiliates or their advisors or Representatives or made available to Purchaser, its Affiliates or their advisors or Representatives in any data rooms, management presentations or in any other form in expectation of, or in connection with, the transactions contemplated hereby; (b) it is specifically disclaiming any such other representations or warranties that may have been made by any Person, and acknowledges that Sellers and their Affiliates hereby specifically disclaim any such other representation or warranty made by any Person; and (c) it is specifically disclaiming any obligation or duty by Sellers or any of their Affiliates or any other Person to make any disclosures of fact not required to be disclosed pursuant to the specific representations and warranties set forth in **Article III**, except to the extent disclosure is required pursuant to this Agreement. Purchaser shall indemnify and hold harmless Sellers and their Affiliates and Representatives from and against any and all Losses suffered or incurred by them in connection with the access, investigation, verification, review and analysis of the Business, the Purchased Assets and/or the Assumed Liabilities by Purchaser, its Affiliates, Representatives and advisors, except to the extent of the gross negligence or willful misconduct of Sellers or their Affiliates. Notwithstanding anything herein to the contrary in this **Section 6.04** or elsewhere in this Agreement or the Confidentiality Agreement, nothing in this Agreement, or any other document incorporated into or referenced in this Agreement, will operate to limit in any way any claim by Purchaser or any of its Affiliates for fraud.

Section 6.05 Equity Financing.

(a) Purchaser shall use, and shall cause its Affiliates to use, its reasonable best efforts to obtain the proceeds of the Equity Financing on the terms and conditions described in the Commitment Letters, including using reasonable best efforts to (i) satisfy (or, if deemed advisable by Purchaser, obtain the waiver of) on a timely basis, all conditions applicable to Purchaser and its Affiliates in the Equity Commitment Letter (including payment of all fees and expenses) and comply with its obligations thereunder, (ii) maintain in effect the Equity Commitment Letter in

(b) Purchaser shall not, without the prior written consent of Sellers, permit any amendment or modification to, or any waiver of any material provision or remedy under, the Equity Commitment Letter if such amendment, modification, waiver or remedy (x) would materially delay the occurrence of the Closing, (y) reduces the aggregate amount of the Equity Financing (except as contemplated by the Equity Commitment Letter) below the amount required to consummate the transactions contemplated by this Agreement or (z) adds new conditions or amends the existing conditions to the drawdown of the Equity Financing, unless Purchaser has available cash sufficient to consummate the Closing.

(c) Notwithstanding the foregoing or anything contained in this Agreement, Purchaser acknowledges and agrees that the consummation of the transactions contemplated by this Agreement is not conditional upon the receipt by Purchaser of the proceeds of the Equity Financing.

ARTICLE VII ADDITIONAL COVENANTS

Section 7.01 Casualty.

(a) If any of the Purchased Assets are damaged or destroyed by casualty loss after the date of this Agreement and prior to the Closing (each such event, a “**Casualty Loss**”), and the cost of restoring, repairing or replacing such damaged or destroyed Assets to a condition reasonably comparable to their prior condition, to the extent such costs are reasonably expected to accrue after the Closing as a result of such Casualty Loss (net of and after giving effect to any insurance proceeds actually received by Sellers and used for such restoration) plus the amount of any lost profits reasonably expected to accrue after Closing as a result of such Casualty Loss (such aggregate cost and amount of lost profits with respect to any Purchased Assets as determined by an independent qualified firm reasonably acceptable to Purchaser and Sellers, the “**Restoration Cost**”) is greater than \$4,980,000 but does not exceed \$49,800,000, Sellers shall, prior to the Closing, elect to (i) reduce the amount of the Closing Purchase Price by the estimated Restoration Cost (as estimated by an independent qualified firm reasonably acceptable to Purchaser and Sellers) or (ii) restore, repair or replace the assets or properties relating to such Casualty Loss to a condition reasonably comparable to their prior condition, in each case by notice to Purchaser. If Sellers elect to reduce the Closing Purchase Price pursuant to clause (i) above, such Casualty Loss shall not affect the Closing. If Sellers elect to restore, repair or replace the assets or properties pursuant to clause (ii) above, the Sellers will complete or cause to be completed, using commercially reasonable efforts, the repair, replacement or restoration of the damaged assets or property in accordance with Good Industry Practice prior to the Closing and the Closing Date shall be postponed for the amount of time

reasonably necessary to complete the restoration, repair or replacement of such property or assets as reasonably agreed among Purchaser and Sellers (provided that such postponement shall not extend beyond the date that is five (5) Business Days prior to the Termination Date, upon which date the Closing shall occur). If Sellers do not make any such election by the end of the period ending on the earlier of the date that is (x) forty five (45) days after the date of such Casualty Loss and (y) sixteen (16) Business Days prior to the Termination Date, Purchaser may elect to either (x) terminate this Agreement pursuant to **Section 10.01(b)(iii)** within ten (10) Business Days after the end of such period by written notice to Sellers or (y) reduce the Closing Purchase Price by the aggregate Restoration Cost related to such Casualty Loss. If the Restoration Cost is in excess of \$49,800,000, then either Sellers or Purchaser may, by notice to the other Party, terminate the Agreement pursuant to **Section 10.01(b)(iii)**. If the Restoration Cost is \$4,980,000 or less, (1) neither Purchaser nor Sellers shall have the right or option to terminate this Agreement pursuant to **Section 10.01(b)(iii)** and (2) there shall be no reduction in the amount of the Closing Purchase Price pursuant to this **Section 7.01**. In the event of a Casualty Loss, Sellers shall, and shall cause its Affiliates to, use commercially reasonable efforts to collect amounts due (if any) under available insurance arrangements in respect of any such Casualty Loss and shall cause any such insurance proceeds to be contributed or assigned to Purchaser (provided that to the extent the Closing Purchase Price is reduced due to such Casualty Loss, and such Closing Purchase Price reduction does not take into account such insurance proceeds, or Sellers elect to restore, repair or replace the assets or properties pursuant to clause (ii) above, then any such insurance proceeds that are received by Purchaser following the Closing shall be promptly remitted to Sellers).

(b) To assist Purchaser in its evaluation of any and all Casualty Losses (including Restoration Costs), Sellers shall provide Purchaser such access to the properties and assets and such information as Purchaser may reasonably request in connection therewith.

Section 7.02 Condemnation.

(a) If any of the Purchased Assets are taken by condemnation or the power of eminent domain (each, a “**Condemnation**”) after the date of this Agreement and prior to the Closing and the condemnation value (net of and after giving effect to any condemnation award actually received by Sellers and used to replace such Purchased Assets) plus the amount of any lost profits reasonably expected to accrue after Closing as a result of such Condemnation (such aggregate condemnation value and amount of lost profits with respect to any Purchased Assets as determined by an independent qualified firm reasonably acceptable to Purchaser and Sellers, the “**Condemnation Value**”) is greater than \$4,980,000 but does not exceed \$49,800,000, Sellers shall, prior to the Closing, elect to (i) reduce the Closing Purchase Price by such Condemnation Value or (ii) restore or replace the assets or properties relating to such Condemnation to a condition reasonably comparable to their prior condition, in each case by notice to Purchaser. If Sellers elect to reduce the Closing Purchase Price pursuant to clause (i) above, such Condemnation shall not affect the Closing. If Sellers elect to restore or replace the assets or properties pursuant to clause (ii) above, the Sellers will complete or cause to be completed, using commercially reasonable efforts, the replacement or restoration of the assets or property relating to such

Condemnation in accordance with Good Industry Practice prior to the Closing and the Closing Date shall be postponed for the amount of time reasonably necessary to complete the restoration, repair or replacement of such property or assets as reasonably agreed among Purchaser and Sellers (provided that such postponement shall not extend beyond the date that is five (5) Business Days prior to the Termination Date, upon which date the Closing shall occur). If Sellers do not make any such election by the end of the period ending on the earlier of the date that is (x) forty five (45) days after the date of such Condemnation and (y) sixteen (16) Business Days prior to the Termination Date, Purchaser may elect to either (x) terminate this Agreement pursuant to **Section 10.01(b)(iii)** within ten (10) Business Days after such period by written notice to Sellers or (y) reduce the Closing Purchase Price by the aggregate Condemnation Value related to such Condemnation. If the Condemnation Value is in excess of \$49,800,000, then either Sellers or Purchaser may, by notice to the other Party, terminate this Agreement pursuant to **Section 10.01(b)(iii)**. If the Condemnation Value is \$4,980,000 or less, (1) neither Purchaser nor Sellers shall have the right or option to terminate this Agreement pursuant to **Section 10.01(b)(iii)** and (2) there shall be no reduction in the amount of the Closing Purchase Price pursuant to this **Section 7.02**. In the event of any Condemnation, Sellers shall, and shall cause their respective Affiliates to, use commercially reasonable efforts to collect amounts due (if any) under any applicable condemnation award in respect of any such Condemnation and shall cause any such condemnation award to be contributed or assigned to Purchaser (provided that to the extent the Closing Purchase Price is reduced due to such Condemnation, and such Closing Purchase Price reduction does not take into account such condemnation award, or Sellers elect to restore or replace the assets or properties pursuant to clause (ii) above, then any condemnation award that is received by Purchaser following the Closing shall promptly be remitted to Sellers).

(b) To assist Purchaser in its evaluation of any and all Condemnation (including Condemnation Value), Sellers shall provide Purchaser such access to the properties and assets and such information as Purchaser may reasonably request in connection therewith.

Section 7.03 Certain Tax Matters.

(a) In consideration for the Purchase Price and the Assumed Liabilities, within sixty (60) days after the Purchase Price is finally determined pursuant to **Section 2.05**, Purchaser shall prepare and deliver to Sellers an allocation statement (the “**Allocation**”) allocating the Purchase Price (and the Assumed Liabilities to the extent properly taken into account under the Code) among the Purchased Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provision of state, local or foreign Law, as appropriate). Sellers shall provide the Allocation to NRG for review and comment and shall send Purchaser a written notice of any objections to the Allocation within a commercially reasonable period of time following Purchaser’s delivery of the Allocation. Sellers, NRG and Purchaser shall work in good faith to resolve any disputes relating to the Allocation. If Sellers, NRG and Purchaser are unable to resolve any such dispute within twenty (20) days after Purchaser’s receipt of objections by Sellers and/or NRG, any remaining disputes shall be submitted to a nationally recognized independent public accounting firm as mutually agreed to by Sellers, NRG and Purchaser. The Allocation, as finally determined hereunder, shall be adjusted to reflect any adjustment

to the Purchase Price provided under this Agreement as mutually agreed by Purchaser and Sellers (and agreed to by NRG). Purchaser and Sellers shall file all Tax Returns (including, but not limited to, Internal Revenue Service Form 8594) consistent with the Allocation, as finally determined hereunder (as adjusted in accordance with this **Section 7.03(a)**). Neither Purchaser nor Sellers shall take any Tax position inconsistent with such Allocation (as adjusted in accordance with this **Section 7.03(a)**) except as required, after using good faith efforts to support the Allocation in any applicable challenge by a Governmental or Regulatory Authority, to settle a dispute with a Governmental or Regulatory Authority with respect to the Allocation.

(b) All transfer, documentary, sales, use, stamp, recording, registration, controlling interest transfer and other similar Taxes and fees (including any penalties and interest, but excluding for the avoidance of doubt any gains or Income Taxes) (the “**Transfer Taxes**”) (if any such Transfer Taxes are incurred after accounting for applicable bankruptcy law) incurred in connection with this transfer of the Purchased Assets from Sellers to Purchaser (and excluding, for the avoidance of doubt, any Transfer Taxes associated with any pre-closing restructuring or other transfer of or with respect to the Purchased Assets occurring prior to the Closing, which Transfer Taxes shall constitute Transaction Fees and Expenses), if any, (collectively, the “**Transaction Transfer Taxes**”), shall be borne by Purchaser. Purchaser shall file all Tax Returns and other documentation required to be filed by Purchaser with respect to any such Transaction Transfer Taxes, and, if required by applicable Law, Sellers shall, and shall cause their Affiliates to, join in the execution of any such Tax Returns and other documentation. The parties shall cooperate in good faith to take such commercially reasonable actions as will minimize or reduce the amount of such Transaction Transfer Taxes. Moreover, the Parties will (and will cause their Affiliates to) cooperate to the extent reasonably requested by the other with respect to the preparation of applicable Tax Returns and the conduct of Tax-related proceedings. No Transaction Transfer Taxes or Transaction Fees and Expenses shall be treated as Working Capital Liabilities.

(c) For purposes of determining Closing Date Working Capital, the amount included in Working Capital Assets or Working Capital Liabilities with respect to Taxes for a Straddle Period shall equal (A) the amount of Taxes (determined without regard to any payments or credits prior to the Closing Date) that is allocable to the Pre-Closing Tax Period under this **Section 7.03**, reduced (including below zero) (B) by the amount paid to (or credited by) the applicable Governmental or Regulatory Authority prior to the Closing Date with respect to such Taxes (with a positive amount being included as a Working Capital Liability and the absolute value of a negative amount being included as a Working Capital Asset; provided, that in no event will the absolute value of a negative amount described in the preceding clause be included as a Working Capital Asset, except to the extent payable to Purchaser as a refund from the applicable Governmental or Regulatory Authority or creditable against Taxes for which Purchaser would otherwise be liable with respect to the Business or the Purchased Assets within twelve (12) months after the Closing). For the avoidance of doubt, in no event will Excluded Tax Liabilities for which Sellers (and not Purchaser or its Affiliates) will be liable as a matter of Law be included as a liability in the determination of Closing Date Working Capital. For property or similar Taxes, the amount allocable to the Pre-Closing Tax Period shall equal the amount of Taxes

for the entire Straddle Period multiplied by a fraction, the numerator of which is the number of calendar days of such Pre-Closing Tax Period up to (but excluding) the Closing Date and the denominator of which is the number of calendar days in the entire Straddle Period, and for other Taxes shall equal the amount of Taxes for the part of the Straddle Period ending on the day before the Closing Date (computed based on a “closing of the books,” assuming the year ended as of the end of such day).

Section 7.04 Employee Matters.

(a) **Section 7.04 of the Seller Disclosure Schedule** lists each Business Employee as of the date hereof. Sellers will promptly provide written notice and an updated **Section 7.04 of the Seller Disclosure Schedule** to Purchaser in the event of any changes thereto prior to the Closing Date, provided that any such changes shall be limited to the matters permitted under this **Section 7.04(a)** or **Section 5.03(xiv)**, voluntary terminations of employment of Business Employees and changes otherwise agreed to in writing by Purchaser. Prior to Closing, Purchaser shall advise Sellers of the Business Employees to whom Purchaser or its Affiliate intends to make offers of employment (which group shall include all Business Employees who are in the bargaining unit covered by the CBA, as that term is defined below, other than those Business Employees (which shall be three (3) in number) who Seller (in consultation with Purchaser), in coordination with the Union, to the extent necessary, identifies as being allocated to the Hunterstown CT Facility, and who will be removed from **Section 7.04 of the Seller Disclosure Schedule** prior to the Closing) (the “**Target Employees**”), with such offers of employment to be effective as of the Closing Date, unless such Business Employee is on a leave of absence on the Closing Date, in which case Sellers shall, or shall cause their Affiliates to, retain the employment of such Business Employees until, and such employment offer will be effective as of when, the Business Employee is available to return to active employment if such availability to return occurs within six months following the Closing Date (or any later date to the extent such Target Employee has instatement, reinstatement, re-hire or similar rights under applicable Law on such later date). Each such Target Employee who accepts such offer of employment from and commences employment with Purchaser or its Affiliate is referred to herein as a “**Transferred Employee**”. Except as otherwise specifically provided in this **Section 7.04** or as required by applicable Law, effective as of the Closing Date, the employment of the Transferred Employees with Sellers shall terminate and the Transferred Employees shall cease all active participation in and accrual of benefits under any applicable Seller Employee Plan. Sellers and their Affiliates shall bear any costs related to any claims made by any Business Employee for any severance payments and benefits arising out of or in connection with Purchaser’s decision not to make offers of employment to any Business Employee in accordance with this Agreement.

(b) Effective as of the Closing, unless otherwise determined by Purchaser and except as expressly otherwise provided in **Section 2.01(d)(iv)**, Purchaser will not assume, and will not be bound by, the terms and obligations of the collective bargaining agreement between GenOn Energy Services, LLC and the Local Union 777 of the International Brotherhood of Electrical Workers (the “**CBA**”) with respect to the Transferred Employees who were covered by such CBA while employed by Seller or any of its Affiliates (the “**Transferred Union Employees**”). Purchaser agrees to recognize the International

Brotherhood of Electrical Workers Local 777 (the “**Union**”) as the representative of the Transferred Union Employees as of the Closing, and (unless the Union and Purchaser or its Affiliate otherwise agree) to recognize and honor the seniority of each Transferred Union Employee to the extent recognized by Seller or its Affiliate as of the Closing under the CBA or any of its predecessor agreements. Sellers will, or will cause their Affiliates to, bargain in good faith with the Union prior to Closing to negotiate a new collective bargaining agreement with the Union covering only the Transferred Union Employees and effective as of the Closing with the same terms, conditions and obligations (with only such modifications to terms and conditions of employment as are reasonably necessary to reflect the Transferred Union Employees’ employment with Purchaser following the Closing) as the CBA (the “**New CBA**”), provided that the New CBA will expressly provide (x) Purchaser and its Affiliates have no obligation to provide the accrued benefit as of the Closing of each Transferred Union Employee under the defined benefit plan(s) provided to such employee by NRG or its Affiliates and (y) that pension benefits currently described in the CBA and accruing for services after the Closing be provided after the Closing under a new defined benefit pension plan established by Purchaser or its Affiliates. Purchaser and its Affiliates and Sellers will (and Sellers will cause their Affiliates and use reasonable best efforts to cause NRG and its Affiliates to) cooperate with each other in good faith to effect the provisions of this **Section 7.04(b)**, including with respect to the negotiation of the New CBA and by providing such information as is reasonably requested by Purchaser to enable it to meet its obligations to establish benefit plans for Transferred Union Employees or otherwise meet its obligations under this **Section 7.04(b)** and by providing such information as is reasonably requested by Seller, NRG or their respective Affiliates to meet its obligations under this **Section 7.04(b)**. Further, Sellers will, and will cause their Affiliates to, (i) keep Purchaser fully informed of the status of such negotiations and provide Purchaser with a true and complete copy of the New CBA promptly upon its execution, (ii) provide Purchaser with reasonable opportunity to review and comment on the New CBA, and accept all of Purchaser’s reasonable comments thereon to the extent such comments are not inconsistent with the provisions of this **Section 7.04(b)** (provided, that, for the avoidance of doubt, nothing in this clause (ii) shall be interpreted as obligating Sellers or their Affiliates to cause the Union to accept such comments), and (iii) permit Purchaser to participate in the New CBA negotiation process to the extent reasonably requested by Purchaser and acceptable to the Union. GenOn will, and will cause its Affiliates to, use reasonable best efforts to exercise any rights under and enforce to the fullest extent possible the provisions of the NRG Pension Agreements and, before and after the Closing, not agree to amend the NRG Pension Agreements in any manner that could reasonably be expected to result in increased liabilities for Purchaser or any of its Affiliates. In the event the New CBA is finalized and executed prior to the Closing on terms consistent with the provisions of this **Section 7.04(b)**, effective as of the Closing, Purchaser shall, or shall cause its Affiliate to, adopt and assume the obligations of Sellers and their Affiliates under the New CBA arising after the Closing with respect to Transferred Union Employees. In the event the New CBA is not finalized and executed prior to the Closing, effective as of the Closing, Purchaser will, or will cause its Affiliates to, bargain in good faith with the Union to negotiate a new collective bargaining agreement with the Union covering only the Transferred Union Employees with the same terms, conditions and obligations as the CBA (with only such modifications to terms and conditions of

employment as are reasonably necessary to reflect the Transferred Union Employees' employment with Purchaser following the Closing or are otherwise agreed to by the Union and Purchaser or its Affiliate), and will apply to the Transferred Union Employees the terms, conditions and obligations set forth in the CBA (with only such modifications to terms and conditions of employment as are reasonably necessary to reflect the Transferred Union Employees' employment with Purchaser following the Closing or are otherwise agreed to by the Union and Purchaser or its Affiliate) until such new collective bargaining agreement is negotiated.

(c) Prior to or as of Closing, Sellers shall cause each Transferred Employee to be paid all target annual bonuses accrued as of Closing, less Tax withholdings required by applicable Law.

(d) Notwithstanding any contrary provision of this Agreement, Sellers shall be responsible and liable for providing, or continuing to provide, health care continuation coverage as required under COBRA with respect to any individual who experienced a COBRA "qualifying event" on or prior to the Closing Date under any Seller Employee Plan subject to COBRA.

(e) For purposes of payroll taxes with respect to Transferred Employees, Sellers and Purchaser, and their respective Affiliates, shall use commercially reasonable efforts to treat the transaction contemplated by this Agreement as a transaction described in Treasury Regulation Sections 31.3121(a)(1)-1(b)(2) and 31.3306(b)(1)-1(b)(2), and the parties further agree to implement this treatment by utilizing Section 4 of Revenue Procedure 2004-53, STANDARD PROCEDURE FOR PREDECESSORS AND SUCCESSORS.

(f) This **Section 7.04** shall be binding upon and inure solely to the benefit of each of the parties to this Agreement, and nothing in this **Section 7.04**, express or implied, shall confer upon any Business Employee, or any legal representative or beneficiary thereof, any rights or remedies, including any right to employment or continued employment for any specified period, or compensation or benefits of any nature or kind whatsoever under this Agreement. Nothing in this **Section 7.04**, express or implied, shall be deemed to establish or amend any plan providing benefits to any Business Employee or as altering the at-will nature of any Transferred Employee's employment.

Section 7.05 Title V Permit Sharing Agreement. If a Title V permit for the Hunterstown CT Facility has not been issued prior to the Closing, the Parties shall enter into a permit sharing agreement reasonably acceptable to the Parties to allow the Hunterstown CT Facility to continue to operate under the Title V permit for the Project until a new Title V permit is issued to the Hunterstown CT Facility.

ARTICLE VIII CONDITIONS TO OBLIGATIONS OF PURCHASER

The obligation of Purchaser to consummate the transactions described in **Section 2.01**, **Section 2.03** and **Section 2.04** are subject to the fulfillment, at or before the Closing, of each

of the following conditions (all or any of which may be waived in whole or in part by Purchaser in its sole discretion):

Section 8.01 Representations and Warranties. (a) The Seller Fundamental Representations shall be true and correct in all respects as of the date hereof and as of the Closing Date as though such representations and warranties were made on and as of the Closing Date (or, to the extent such representations and warranties expressly relate to an earlier date, on and as of such earlier date), except for *de minimis* inaccuracies; and (b) the representations and warranties of each Seller contained in this Agreement (other than the Seller Fundamental Representations) shall be true and correct as of the date hereof and as of the Closing Date as though such representations and warranties were made on and as of the Closing Date (or, to the extent such representations and warranties expressly relate to an earlier date, on and as of such earlier date), except in the case of this clause (b) where the failure of such representations and warranties to be true and correct (in each case, disregarding all qualifications and exceptions contained therein relating to materiality or Seller Material Adverse Effect) would not, individually or in the aggregate, reasonably be expected to result in a Seller Material Adverse Effect.

Section 8.02 Performance. Sellers shall have performed and complied in all material respects with the agreements, covenants and obligations required by this Agreement to be so performed or complied with by Sellers at or before the Closing.

Section 8.03 Officer's Certificates. Sellers shall have delivered to Purchaser an officer's certificate, dated the Closing Date and executed on behalf of Sellers, certifying that all of the conditions set forth in **Sections 8.01, 8.02 and 8.09** have been satisfied.

Section 8.04 Orders and Laws. There shall not be in effect on the Closing Date any Order or Law restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by this Agreement.

Section 8.05 Governmental or Regulatory Approvals. All Governmental or Regulatory Approvals set forth on **Section 8.05 of the Seller Disclosure Schedule** shall have been obtained, made or given, and shall be in full force and effect or shall have occurred, in each case the terms and conditions of which shall not, individually or in the aggregate, impose terms, conditions, liabilities, obligations, commitments or Sanctions affecting the Business or the Purchased Assets, taken as a whole, that would have, or be reasonably likely to have, a material and adverse effect on the condition (financial or otherwise) of the Business or the Purchased Assets, taken as a whole, or Purchaser, and each such Governmental or Regulatory Approval shall be a Final Order.

Section 8.06 Closing Deliveries. Sellers shall have executed and delivered, or have caused to be executed and delivered, all of the certificates, instruments and other documents specified to be delivered by each of them hereunder.

Section 8.07 Creditor Consent. Since the date of this Agreement, the Creditor Consent shall not have been amended, modified, terminated, rescinded, limited, suspended or withdrawn in any respect without Purchaser's prior written consent.

Section 8.08 Final Order of Bankruptcy Court. The Bankruptcy Court shall have entered a Final Order (the “**Final Sale Order**”) in form and substance acceptable to each of Sellers and Purchaser (i) approving modification of the Plan under Section 1127 of the Bankruptcy Code to authorize Sellers to file, execute and consummate the Agreement and (ii) confirming that the Agreement constitutes a Third-Party Sale Transaction for purposes of, and entitled to the benefits and protections of, the Plan and Confirmation Order.

Section 8.09 Cure Claims. Sellers shall have successfully cured any defaults under the Assumed Contracts that are being assumed and assigned at Closing by payment of any Cure Claims as required by the Plan and the Confirmation Order or as otherwise ordered by the Bankruptcy Court, and Sellers shall have provided Purchaser evidence thereof.

Section 8.10 Termination of Certain Agreements. At or prior to the Closing, Sellers shall have delivered to Purchaser evidence of termination of the agreements set forth on **Section 8.10 of the Purchaser Disclosure Schedule** without any further liability on the part of any party thereto.

ARTICLE IX CONDITIONS TO OBLIGATIONS OF SELLERS

The obligation of Sellers to consummate the transactions described in **Sections 2.01, 2.03 and 2.04** are subject to the fulfillment, at or before the Closing, of each of the following conditions (all or any of which may be waived in whole or in part by unanimous consent of Sellers in their sole discretion):

Section 9.01 Representations and Warranties. (a) The Purchaser Fundamental Representations shall be true and correct in all respects as of the Closing Date as though such representations and warranties were made on and as of the Closing Date (or, to the extent such representations and warranties expressly relate to an earlier date, on and as of such earlier date), except for *de minimis* inaccuracies; and (b) the representations and warranties of Purchaser contained in this Agreement (other than the Purchaser Fundamental Representations) shall be true and correct as of the Closing Date as though such representations and warranties were made on and as of the Closing Date (or, to the extent such representations and warranties expressly relate to an earlier date, on and as of such earlier date), except in the case of this clause (b) where the failure of such representations and warranties to be true and correct (in each case disregarding all qualifications and exceptions contained therein relating to materiality, material adverse effect or words of similar import) would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of Purchaser to perform its obligations hereunder.

Section 9.02 Performance. Purchaser shall have performed and complied in all material respects with the agreements, covenants and obligations required by this Agreement to be performed or complied with by Purchaser at or before the Closing.

Section 9.03 Officer’s Certificates. Purchaser shall have delivered to Sellers an officer’s certificate, dated the Closing Date and executed in the name and on behalf of Purchaser, certifying that all of the conditions set forth in **Sections 9.01 and 9.02** have been satisfied.

Section 9.04 Orders and Laws. There shall not be in effect on the Closing Date any Order or Law restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by this Agreement.

Section 9.05 Governmental or Regulatory Approvals. All Governmental or Regulatory Approvals set forth on **Section 9.05 of the Seller Disclosure Schedule** shall have been obtained, made or given, shall be in full force and effect or shall have occurred, in each case the terms and conditions of which shall not, individually or in the aggregate, impose terms, conditions, liabilities, obligations, commitments or Sanctions upon Sellers, taken as a whole, that would have, or be reasonably likely to have a material and adverse effect on the condition (financial or otherwise), assets, liabilities, businesses or result of operations of Sellers, taken as a whole, and each such Governmental or Regulatory Approval shall be a Final Order.

Section 9.06 Closing Deliveries. Purchaser shall have executed and delivered all of the certificates, instruments and other documents specified to be delivered by it hereunder.

ARTICLE X TERMINATION

Section 10.01 Termination. This Agreement may be terminated, and the transactions contemplated hereby may be abandoned, at any time before the Closing by written notice from Sellers (acting unanimously) or Purchaser to the other (except for paragraph (a) below):

- (a) by mutual written consent of Purchaser and Sellers;
- (b) by either Purchaser or Sellers:
 - (i) if the Closing has not occurred on or before July 30, 2018; provided that such may be extended by Purchaser in its sole discretion, by notice to Sellers, to September 30, 2018, and, if so extended by Purchaser, such date shall be subject to further extension to a date no later than December 31, 2018 at the election of either Purchaser or Sellers, by notice to the other Parties, if (A) one or more applicable Governmental or Regulatory Approvals have not been obtained by September 30, 2018, and (B) the lack of any such Governmental or Regulatory Approvals is the sole reason that the unwaived conditions set forth in Article VIII and Article IX to consummate the Closing are unfulfilled as of September 30, 2018 (such date, as extended in accordance with the foregoing proviso, the “Termination Date”); provided, further that the right to terminate this Agreement pursuant to this **Section 10.01(b)(i)** shall not be available to a Party at any time that (x) such Party has violated, or is in breach of, any covenant, representation or warranty hereunder, and (y) such violation or breach has prevented satisfaction of any of the non-breaching Party’s conditions to Closing hereunder (and such condition(s) has not been waived by the non-breaching Party and, if capable of being cured, has not been cured by the breaching Party);
 - (ii) if any court of competent jurisdiction in the United States or other Governmental or Regulatory Authority shall have issued a Final Order or enacted any Law or taken any other final action restraining, enjoining or otherwise

prohibiting the consummation of the transactions contemplated by this Agreement and such Order or Law or other action is or shall have become final and nonappealable; or

(iii) under the circumstances set forth in, and in accordance with, **Section 7.01** or **Section 7.02**;

(c) by Purchaser if there has been a breach by any Seller of any covenant, agreement or obligation contained in this Agreement or if any representation or warranty of any Seller is or shall have become untrue, in either case such that the conditions set forth in **Section 8.01** or **Section 8.02** would not be satisfied, and such breach or inaccuracy is not curable, or, if curable, is not cured within the earlier of (A) thirty (30) days after written notice of such breach is given to Sellers by Purchaser and (B) the Termination Date; provided that the right to terminate this Agreement pursuant to this **Section 10.01(c)** shall not be available to Purchaser at any time that (x) Purchaser has violated, or is in breach of, any covenant, representation or warranty hereunder, and (y) such violation or breach has prevented satisfaction of any of Sellers' conditions to Closing hereunder (and such condition(s) has not been waived by Sellers and, if capable of being cured, has not been cured by Purchaser);

(d) by Sellers if there has been a breach by Purchaser of any covenant, agreement or obligation contained in this Agreement or if any representation or warranty of Purchaser is or shall have become untrue, in either case such that the conditions set forth in **Section 9.01** or **Section 9.02** would not be satisfied, and such breach or inaccuracy is not curable, or, if curable, is not cured within the earlier of (A) thirty (30) days after written notice of such breach is given to Purchaser by Sellers and (B) the Termination Date; provided, however, that breach of the Purchaser's obligation to pay the Closing Purchase Price shall be subject to **Section 10.01(e)**. The right to terminate this Agreement pursuant to this **Section 10.01(d)** shall not be available to Sellers at any time that (x) Sellers have violated, or are in breach of, any covenant, representation or warranty hereunder, and (y) such violation or breach has prevented satisfaction of any of Purchaser's conditions to Closing hereunder (and such condition(s) has not been waived by Purchaser and, if capable of being cured, has not been cured by Sellers); or

(e) by Sellers if at the time of such termination (i) Purchaser has failed to consummate the transactions contemplated hereby on, or within two (2) Business Days of, the date that the Closing would have occurred, pursuant to and subject to the provisions of **Section 2.04**, if Purchaser had not failed to consummate the transactions contemplated hereby when required hereby, (ii) all of the conditions set forth in **Article VIII** have been satisfied or irrevocably waived (other than those conditions that require deliveries or are tested at the time of Closing, which conditions would have been satisfied if the Closing were to have occurred on such date), and (iii) Sellers irrevocably confirmed by written notice to Purchaser on or prior to the date on which the Closing was required to occur pursuant to **Section 2.04** that (A) the circumstances contemplated by clause (ii) of this sentence exist and (B) Sellers are ready, willing and able to, and will, consummate the transactions contemplated hereby.

Section 10.02 Effect of Termination.

(a) Except as provided in this **Section 10.02**, if this Agreement is validly terminated pursuant to **Section 10.01**, then this Agreement will forthwith become null and void and there will be no liability or obligation on the part of any Party or any other Person in respect of this Agreement other than, subject to **Section 10.03**, for any willful material breach of this Agreement occurring prior to such termination and for willful misconduct or actual fraud; provided, that the agreements of the Parties in **Article I, Section 5.06(b), Section 6.04**, this **Section 10.02**, **Section 10.03** and **Article XI** will continue to apply following any termination hereof.

(b) Notwithstanding this **Section 10.02** or anything else in this Agreement to the contrary, Purchaser affirms that it is not a condition to the Closing or to any of its obligations under this Agreement that Purchaser obtain financing for or related to any of the transactions contemplated by this Agreement.

Section 10.03 Termination Fee.

(a) If Sellers terminate this Agreement pursuant to and in accordance with **Section 10.01(d)** or **Section 10.01(e)**, then Purchaser shall pay or cause to be paid to Sellers to an account and in such proportion designated by NRGWG (on behalf of Sellers) at least two (2) Business Days prior to the date of payment, by wire transfer of immediately available funds within five (5) Business Days following the date of termination, an aggregate amount equal to \$24,900,000 (the “**Termination Fee**”). Upon termination of this Agreement by Sellers pursuant to and in accordance with **Section 10.01(d)** or **Section 10.01(e)**, Sellers’ right to receive the Termination Fee shall be the sole and exclusive remedy of Sellers and their Affiliates against Purchaser and its Affiliates, Financing Sources and Representatives, and its and their respective Related Persons (including Purchaser Guarantor) (collectively, the “**Purchaser Parties**”) for any Losses suffered as a result of any breach of or failure to perform under this Agreement (including any inaccuracy or breach of any representation, warranty, covenant, condition, agreement or obligation of Purchaser under this Agreement) or of the failure of the Closing to be consummated, or otherwise in connection with the transactions contemplated by this Agreement, and other than payment of such amount (as long as the Closing is not consummated), none of the Purchaser Parties shall have any Liability or obligations arising out of or relating to this Agreement or the transactions contemplated hereby, except for any obligation of Platinum Equity Advisors, LLC under the Confidentiality Agreement. Notwithstanding the foregoing, Sellers shall be permitted to seek both specific performance under **Section 11.09** and payment of the Termination Fee; provided, however, in no event shall Sellers be entitled both to receive the Termination Fee and to a grant of specific performance under **Section 11.09**. Notwithstanding anything in this Agreement to the contrary, under no circumstances (as long as the Closing does not occur) will Sellers and their respective Related Persons, in the aggregate, be entitled to (i) monetary damages or other Losses in excess of (or, where the Termination Fee is payable, other than) the amount of the Termination Fee, or (ii) monetary damages, Losses or other recourse of any kind (including the Termination Fee) from any Purchaser Party other than Purchaser and, solely to the extent set forth in the Limited Guarantee, Purchaser Guarantor.

(b) The Parties acknowledge and agree that the agreements contained in this **Section 10.03** are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the Parties would not enter into this Agreement. Each of the Parties further acknowledges on behalf of itself and its Affiliates that the payment of the Termination Fee is not a penalty but is liquidated damages in a reasonable amount that will compensate Sellers and their Affiliates in the circumstances in which such fee is payable, for the efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision.

ARTICLE XI MISCELLANEOUS

Section 11.01 Entire Agreement. This Agreement and the agreements and documents referred to herein contain the entire agreement and understanding between the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, whether written or oral, relating to such subject matter in any way. The Parties have voluntarily agreed to define their rights, liabilities and obligations with respect to the transactions contemplated hereby exclusively in contract pursuant to the express terms and provisions of this Agreement, and the Parties expressly disclaim that they are owed any duties or are entitled to any remedies not expressly set forth in this Agreement. Furthermore, this Agreement embodies the justifiable expectations of sophisticated parties derived from arm's-length negotiations and shall not be deemed to create a partnership between any Seller or any of its Affiliates, on the one hand, and Purchaser or any of its Affiliates, on the other hand, and no Person has any other special relationship with another Person that would justify any expectation beyond that of an ordinary purchaser and an ordinary seller in an arm's-length transaction.

Section 11.02 Survival. Except as otherwise provided in this Agreement, none of the representations, warranties, agreements and covenants contained in this Agreement will survive the Closing or the termination of this Agreement if this Agreement is terminated prior to the Closing; provided, however, that if the Closing occurs, the agreements of the Parties in **Article I, Article II, Section 5.06(b), Section 5.08, Section 6.03, Section 6.04, Section 7.03** and this **Article XI** will survive the Closing, and if this Agreement is terminated prior to the Closing, the agreements of the Parties in **Article I, Section 5.06(b), Section 6.04, Section 10.02, Section 10.03** and this **Article XI** will survive such termination. The Confidentiality Agreement shall survive termination of this Agreement in accordance with its terms.

Section 11.03 Expenses; Payments.

(a) Except as otherwise specified in this Agreement, whether or not the transactions contemplated hereby are consummated, each Party shall pay its own costs and expenses, other than as provided in **Section 11.03(b)**, incurred in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated hereby.

(b) Purchaser shall pay all costs and expenses (other than the costs and expenses for Sellers' Representatives) directly related to (i) filings under the HSR Act and (ii) obtaining all Governmental or Regulatory Approvals required under this Agreement.

(c) Each Party agrees that, where not otherwise specified, all amounts required to be paid hereunder shall be paid in United States currency and, except as otherwise expressly set forth in this Agreement, without discount, rebate or reduction and subject to no counterclaim or offset, on the dates specified herein (with time being of the essence). Subject to the provisions of **Section 2.05** (which shall govern any dispute arising thereunder), in the event any Action or Proceeding is commenced or threatened by any Person to enforce its rights under this Agreement against any other Person, if the defendant in such Action or Proceeding is the prevailing party in such Action or Proceeding, all fees, costs and expenses, including reasonable attorneys' fees and court costs, incurred by such prevailing party in connection with such Action or Proceeding shall be reimbursed by the non-prevailing party in such Action or Proceeding; provided that if the defendant in such Action or Proceeding prevails in part, and loses in part, the court, arbitrator or other adjudicator presiding over such Action or Proceeding shall award a reimbursement of the fees, costs and expenses incurred by such defendant on an equitable basis. For purposes hereof, and without limitation, the defendant shall be deemed to have prevailed in any Action or Proceeding if the Person attempting to enforce its rights hereunder commences or threatens any such Action or Proceeding and (i) such underlying claim(s) are subsequently dropped, voluntarily dismissed or voluntarily reduced and/or (ii) such defendant defeats any such claim(s).

Section 11.04 Confidentiality.

(a) Each Party will, and will cause its Affiliates and Representatives to, hold, in strict confidence, all documents and information concerning another Party or any of its Affiliates furnished to it by another Party or such other Party's Affiliates or Representatives in connection with this Agreement or the transactions contemplated hereby (the "**Confidential Information**"), and treat all such Confidential Information as proprietary, secret and confidential; provided, however, from and after the Closing, (x) such confidentiality obligations of Purchaser and its Affiliates and Representatives shall terminate with respect to all Confidential Information other than with respect to any Confidential Information that relates exclusively to any Sellers or its Affiliates (other than with respect to the Business, Purchased Assets, Assumed Liabilities and Project) and (y) all Confidential Information relating to the Business, Purchased Assets, Assumed Liabilities and Project shall be deemed to be the Confidential Information of Purchaser. Except with respect to Purchaser to the extent Purchaser's confidentiality obligations are terminated from and after the Closing pursuant to the previous sentence, in no event shall either Party distribute to third parties any Confidential Information; provided, however, that nothing in this **Section 11.04** shall limit the disclosure by any Party of any Confidential Information:

(i) to the extent required by Law or Order (provided that the disclosing Party agrees to give the non-disclosing Party prompt and reasonably sufficient written notice thereof so as to enable the non-disclosing Party to seek a protective order, oppose any action by the disclosing Party, or pursue any other appropriate

remedy, if so desired by the non-disclosing Party). If such a protective order or other remedy is not obtained, or if the non-disclosing Party, in its sole discretion, waives in writing compliance with this Agreement, the disclosing Party (or such other Person required to disclose the Confidential Information) may disclose only that portion of the Confidential Information that it is legally required to disclose to avoid contempt or other penalty in the reasonable opinion of counsel to the disclosing Party (or such other Person required to disclose the Confidential Information), and shall exercise reasonable best efforts to obtain reliable assurance that confidential treatment will be accorded such Confidential Information so disclosed;

(ii) in an Action or Proceeding brought by a Party in pursuit of its rights or in the exercise of its remedies under this Agreement or the transactions contemplated hereby;

(iii) to the extent that such Confidential Information can be shown to have come within the public domain through no action or omission of the disclosing Party or its Affiliates or Representatives in breach of this Agreement or the Confidentiality Agreements; or

(iv) later acquired by the receiving Party from another source if the receiving Party is not aware that such source is under an obligation to another Party hereto to keep such Confidential Information confidential.

(b) To the extent that any Confidential Information may include materials subject to the attorney-client privilege, no Party is waiving, and no Party will be deemed to have waived or diminished, its attorney work-product protections, attorney-client privileges or similar protections and privileges as a result of disclosing any Confidential Information (including Confidential Information related to pending or threatened litigation) to any other Party, its Affiliates or their respective Representatives, regardless of whether the disclosing Party has asserted or is or may be entitled to assert such privileges and protections. In furtherance of the foregoing, no Party nor its Affiliates shall claim or contend, in proceedings involving either Party, that any other Party waived its attorney work-product protections, attorney-client privileges or similar protections and privileges with respect to any information, documents or other material (whether or not disclosed to any other Party or its Affiliates) due to any Party's disclosure of Confidential Information (including Confidential Information related to pending or threatened litigation) to any other Party, its Affiliates or their respective Representatives.

(c) In the event this Agreement is terminated in accordance with **Section 10.01**, upon the request of either Party, the other Party will, and will cause its Affiliates and Representatives to, promptly (and in no event later than five (5) Business Days after such request) redeliver or destroy and certify in writing as destroyed, or cause to be redelivered or destroyed and certified in writing as destroyed (as requested by such Party), all copies of Confidential Information furnished by such other Party in connection with this Agreement or the transactions contemplated hereby and all notes, memoranda, summaries, analyses, compilations and other writings related to or based on such information or

documents prepared by the Party furnished with such Confidential Information or its Affiliates or Representatives.

Section 11.05 Announcements. From the date of this Agreement until, or in connection with, the Closing, Sellers and Purchaser shall not issue or make any reports, statements or releases to the public or generally to the employees, customers, suppliers or other Persons to whom any Seller sells goods or provides services or with whom any Seller otherwise has significant business relationships with respect to this Agreement or the transactions contemplated hereby without the consent of the other Parties, which consent shall not be unreasonably withheld, conditioned or delayed; provided that for purposes of clarity, the foregoing shall not restrict such disclosures (a) that are necessary for the procurement of any required consents, approvals, payoff letters and similar documentation, (b) made by a Party to its Representatives as necessary in connection with the ordinary conduct of its business or the negotiation and consummation of the transactions contemplated hereunder or (c) that a Party determines in good faith, after consultation with legal counsel, is required by Law in order to discharge such Party's or its Affiliates' disclosure obligations; provided, further, that in the case of a disclosure pursuant to clause (c), the disclosing Party shall use commercially reasonable efforts to allow the other Parties reasonable time to comment on such disclosure in advance of making such disclosure and shall promptly furnish the other Parties with a copy thereof. Sellers and Purchaser shall also obtain the other's prior approval of any press release to be issued immediately following the Closing announcing the consummation of the transactions contemplated by this Agreement. Notwithstanding anything to the contrary herein, Purchaser and its Affiliates shall be permitted to disclose information concerning this Agreement and the transactions contemplated hereby after the Closing, in connection with the customary fundraising, marketing, informational or reporting activities of Purchaser or its Affiliates, and Purchaser's financing sources and other professional advisors may publish "tombstones" or other customary announcements which do not contain pricing details that are not otherwise publicly available, in each case, without Sellers' consent.

Section 11.06 No Waiver. Any term or condition of this Agreement may be waived at any time by the Party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the Party waiving such term or condition. No waiver by any Party of any term or condition of this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of the same or any other term or condition of this Agreement on any prior or future occasion. Notwithstanding the foregoing, no waiver of **Section 5.06, Section 10.03(a), this Section 11.06, Section 11.07, Section 11.11, Section 11.12, Section 11.13, Section 11.16, Section 11.17, Section 11.18 or Section 11.20** shall adversely affect the Financing Sources without the prior written consent of the Financing Sources.

Section 11.07 Amendments. Any provision of this Agreement may be modified, supplemented or waived only by an instrument in writing duly executed by Purchaser and Sellers; provided, however, that if Purchaser elects to obtain Debt Financing, any amendment to this **Section 11.07**, or any of **Section 3.09, Section 5.06, Section 10.03(a), Section 11.06, Section 11.11, Section 11.12, Section 11.13, Section 11.16, Section 11.17(b), Section 11.18 or Section 11.20** shall not adversely affect the Financing Sources without the prior written consent of the Financing Sources. Any such modification, supplement or waiver shall be for such period and subject to such conditions as shall be specified in the instrument effecting the same and shall be binding upon each of Purchaser and Sellers, and any such waiver shall be effective only in the

specific instance and for the purposes for which given. No course of dealing between or among any Persons having any interest in this Agreement shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Person under or by reason of this Agreement.

Section 11.08 Addresses for Notices. All notices and other communications required or permitted to be given or made under this Agreement shall be given or made in writing, by physical (including by mail or courier) or facsimile or electronic mail delivery to the address specified below or such other address as shall be designated in a notice in writing. Notices will be effective and deemed to have been given (a) when personally delivered, sent by fax or email (with hard copy to follow) or sent by reputable overnight express courier (charges prepaid), or (b) three (3) calendar days following mailing by certified or registered mail, postage prepaid and return receipt requested.

Section 11.09 Specific Performance. Each Party acknowledges that the rights of each Party to consummate the transactions contemplated hereby are unique and recognize and affirm that in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached, money damages would be inadequate (and therefore the non-breaching Party would have no adequate remedy at law) and the non-breaching Party would be irreparably damaged. Accordingly, each Party agrees that, subject to **Section 10.03**, (a) each other Party shall be entitled to specific performance, an injunction or other equitable relief (without posting of bond or other security or needing to prove irreparable harm or damages) to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof, including, with respect to Sellers, by requiring Purchaser to enforce its rights under the Equity Commitment Letter, in any action instituted in any state or federal court sitting in the Borough of Manhattan, the City of New York, New York, in addition to any other remedy to which such Person may be entitled, at law or in equity, and (b) the right of specific performance and other equitable relief is an integral part of the transactions contemplated by this Agreement and without that right as provided in this **Section 11.09**, none of the Parties would have entered into this Agreement. The Parties hereto agree not to assert that a remedy of specific performance or other equitable relief is unenforceable, invalid, contrary to law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law. If, on or prior to the Termination Date, any Party brings any action, in each case in accordance with the terms hereof, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Termination Date shall automatically be extended (x) for the period during which such action is pending, plus ten (10) Business Days, or (y) by such other time period established by the court presiding over such action, as the case may be. Notwithstanding anything herein to the contrary, in no event shall this **Section 11.09**, be used, alone or together with any other provision of this Agreement, to require Sellers to remedy any inaccuracy of any representation or warranty made by Sellers herein.

Section 11.10 Captions. The captions and section headings appearing in this Agreement are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

Section 11.11 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held to be prohibited by or invalid, illegal or unenforceable under applicable law in any respect by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, illegality or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible. Notwithstanding the foregoing, the Parties intend that the remedies and limitations set forth in this Agreement, including **Section 5.06, Section 10.03(a), Section 11.06, Section 11.07, Section 11.09, this Section 11.11, Section 11.12, Section 11.13, Section 11.16, Section 11.17, Section 11.18 or Section 11.20** shall be construed as integral provisions of this Agreement and that such remedies and limitations shall not be severable in any manner that increases (a) the liability of any Purchaser Party or (b) the obligations under the Limited Guarantee.

Section 11.12 Assignment. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns; provided that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by any Party (including by operation of law) without the prior written consent of the other Party; provided, however, that Purchaser may assign its rights, interests and obligations hereunder to any Affiliate or Affiliates of Purchaser or to the Financing Sources for collateral security purposes, but, in each case, such assignment shall not release Purchaser from its obligations hereunder.

Section 11.13 No Third-Party Beneficiary. The terms and provisions of this Agreement are intended solely for the benefit of each Party hereto and their respective successors or permitted assigns, and it is not the intention of the Parties to confer third-party beneficiary rights upon any other Person other than with respect to the Non-Party Affiliates identified in **Section 11.14(b)** and, in the event that Purchaser elects to obtain Debt Financing, the Financing Sources (and other Purchaser Parties) under **Section 5.06, Section 10.03(a), Section 11.06, Section 11.11, Section 11.12, this Section 11.13, Section 11.16, Section 11.17(b), Section 11.18, Section 11.20** and the proviso of **Section 11.07**, each of which provisions is intended to be for the benefit of the Persons covered thereby or to be paid thereunder and may be enforced by such Person.

Section 11.14 Disclaimer; Non-Recourse.

(A) EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, THE ASSETS ARE BEING TRANSFERRED “AS IS, WHERE IS, WITH ALL FAULTS,” AND, WITHOUT LIMITING THE GENERALITY OF **SECTION 6.04**, SELLERS EXPRESSLY DISCLAIM ANY REPRESENTATIONS OR WARRANTIES OF ANY

KIND OR NATURE, EXPRESS OR IMPLIED, AS TO THE CONDITION, VALUE OR QUALITY OF THE ASSETS OR THE PROSPECTS (FINANCIAL OR OTHERWISE), RISKS AND OTHER INCIDENTS OF THE BUSINESS AND/OR THE PROJECT. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN OR IN THE SELLER TRANSACTION DOCUMENTS, PURCHASER WAIVES, RELEASES AND FOREVER DISCHARGES ALL CLAIMS AND RIGHTS OF ACTION, WHETHER AT LAW OR EQUITY, AGAINST SELLERS OR THEIR AFFILIATES TO THE EXTENT ARISING WITH RESPECT TO THE PROJECT OR RELATING TO THE TRANSACTIONS UNDER THIS AGREEMENT, INCLUDING ANY CLAIMS OR RIGHTS OF ACTION UNDER THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION AND LIABILITY ACT OR ANY OTHER ENVIRONMENTAL LAWS. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, BUT WITHOUT LIMITING THE OBLIGATIONS AND LIABILITIES OF PURCHASER SET FORTH IN **SECTION 10.03(a)**, NO PARTY SHALL BE LIABLE TO ANY OTHER PARTY FOR ANY (I) CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE, SPECULATIVE, EXEMPLARY, TREBLE DAMAGES OR DAMAGES FOR ANY LOST PROFITS OR BUSINESS, LOST BUSINESS OPPORTUNITY, DIMINUTION IN VALUE OR LOSS OF USE, (II) DAMAGES OR LOSSES BASED ON OR USING CALCULATION OF LOSS OF FUTURE REVENUE, INCOME OR PROFITS OR DIMINUTION OF VALUE OR (III) DAMAGES BASED ON A MULTIPLE OF EARNINGS OR OTHER METRIC OR LOSS OF BUSINESS REPUTATION OR OPPORTUNITY FOR ANY REASON WITH RESPECT TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER BASED ON STATUTE, CONTRACT, TORT, OR OTHERWISE AND WHETHER OR NOT ARISING FROM THE OTHER PARTY'S SOLE, JOINT, OR CONCURRENT NEGLIGENCE, STRICT LIABILITY, OR OTHER FAULT; PROVIDED, THAT, THE FOREGOING CLAUSES (I), (II) AND (III) SHALL NOT BE APPLICABLE TO THE EXTENT THAT ANY SUCH DAMAGES (INCLUDING, FOR THE AVOIDANCE OF DOUBT, LOST PROFITS) ARE (A) THE REASONABLY FORESEEABLE RESULT OF A BREACH OF THIS AGREEMENT OR (B) PAID OR PAYABLE PURSUANT TO **SECTION 7.01** OR **SECTION 7.02**.

(b) All claims or causes of action (whether in contract or in tort or otherwise) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), may be made only against the Persons that are expressly identified as Parties. No Person who is not a named party to this Agreement, including any past, present or future direct or indirect director, officer, employee, incorporator, member, manager, partner, equityholder, Affiliate, agent, attorney or other Representative of any named party to this Agreement (such Persons, collectively, "**Non-Party Affiliates**"), shall have any liability (whether in contract or in tort or otherwise, or based upon any theory that seeks to impose liability of an entity party against its owners or Affiliates) for any obligations or liabilities arising under, in connection with or related to this Agreement or for any claim based on, in respect of, or by reason of this Agreement or its negotiation or execution, and each Party waives and releases all such liabilities, claims and obligations against any such Non-Party

Affiliates. Non-Party Affiliates are expressly intended as third-party beneficiaries of this **Section 11.14(b)**.

(c) Notwithstanding anything to the contrary contained herein or provided for under any applicable Law or Order, except with respect to any such damages sought by third parties against Purchaser or Sellers, no party hereto will, in any event, be liable to any other party hereto, either in contract or in tort, for any punitive damages or any damages or Losses resulting from the transactions contemplated hereby in excess of the Purchase Price.

Section 11.15 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the Parties to this Agreement may execute this Agreement by signing any such counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the Party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof. This Agreement shall become effective when each Party shall have received a counterpart hereof signed by all of the other Parties.

Section 11.16 Governing Law. This Agreement shall be interpreted and construed in accordance with the laws of the State of New York and any and all claims, controversies and causes of action arising out of or relating to this Agreement, whether sounding in contract, tort or statute, shall be governed by the laws of the State of New York, including its statutes of limitations, without giving effect to any conflict of law or other rule that would result in the application of the laws of a different jurisdiction.

Section 11.17 Consent to Jurisdiction.

(a) For all purposes of this Agreement (other than **Section 2.05(b)**, which shall govern all disputes thereunder), and for all purposes of any Action or Proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, each Party hereto submits to the personal jurisdiction of the state and federal courts within the Borough of Manhattan, the City of New York, New York, and hereby irrevocably and unconditionally agrees that any such Action or Proceeding shall be heard and determined in such New York court or, to the extent permitted by law, in such federal court; provided that each Party hereto agrees that a final judgment in any such Action or Proceeding may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by law or at equity. Each Party hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so: (i) any objection that it may now or hereafter have to the laying of venue of any Action or Proceeding arising out of or relating to this Agreement or any related matter in any state and federal courts within the Borough of Manhattan, the City of New York, New York; and (ii) the defense of an inconvenient forum to the maintenance of such Action or Proceeding in any such court.

(b) Notwithstanding anything in this Agreement to the contrary and without limitation of the rights of the Financing Sources set forth in **Section 11.20**, the Parties hereby agree that they will not bring or support, or permit any of their Affiliates or Representatives to bring or support, any action, cause of action, claim, cross-claim or third

party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Financing Source in any way relating to this Agreement or any of the transactions contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Financing or the performance thereof, in any forum other than state and federal courts within the Borough of Manhattan, the City of New York, New York, and hereby irrevocably waive, to the fullest extent permitted by law, any objection that they may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such action in any such court.

Section 11.18 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HEREBY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY LEGAL ACTION, SUIT, OR PROCEEDING (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) TO ENFORCE OR INTERPRET THE PROVISIONS OF THIS AGREEMENT OR THAT OTHERWISE RELATES TO THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREBY AND/OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES HEREUNDER, INCLUDING, IN THE EVENT THAT PURCHASER ELECTS TO OBTAIN DEBT FINANCING HEREUNDER ANY LEGAL ACTION, SUIT, OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF UNDER OR IN CONNECTION WITH THE FINANCING OR ANY CLAIM OR PROCEEDING INVOLVING THE FINANCING SOURCES.

Section 11.19 Disclosure. Any fact or item disclosed in any section of the Seller Disclosure Schedule shall be deemed disclosed in each other section of the Seller Disclosure Schedule to which such fact or item may apply so long as (a) such other section is referenced by applicable cross-reference or (b) it is reasonably apparent on the face of such disclosure that such disclosure is applicable such other section. The headings contained in the Seller Disclosure Schedule are for convenience of reference only and shall not be deemed to modify or influence the interpretation of the information contained in the Seller Disclosure Schedule or this Agreement. The Seller Disclosure Schedule is not intended to constitute, and shall not be construed as, an admission or indication that any such fact or item is required to be disclosed. Any fact or item disclosed in the Seller Disclosure Schedule shall not by reason only of such inclusion be deemed to be material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement and matters reflected in the Seller Disclosure Schedule are not necessarily limited to matters required by this Agreement to be reflected herein and may be included solely for information purposes. No disclosure in the Seller Disclosure Schedule relating to any possible breach or violation of any Contract, Law or order shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. The information contained in the Seller Disclosure Schedule shall be kept strictly confidential by the Parties and no third party may rely on any information disclosed or set forth therein.

Section 11.20 Financing Sources. In the event that Purchaser elects to obtain Debt Financing, notwithstanding anything in this Agreement to the contrary, none of Sellers or any of their Affiliates or Representatives, or each of their successors or permitted assigns, shall have, and Sellers hereby waive, any rights or claims against each of the Financing Sources in connection with this Agreement, any Debt Commitment Letter, the Debt Financing or in respect of any other document or any of the transactions contemplated hereby or thereby in connection with the Debt Financing, whether at law or equity, in contract, in tort or otherwise, or in respect of any oral or

written representations made or alleged to be made in connection herewith or therewith and each Seller (on behalf of itself, its Affiliates and any of its or their respective Related Persons) agrees not to commence any Action or Proceeding against any Financing Source in connection with this Agreement, any Debt Commitment Letter, the Debt Financing or in respect of any other document or any of the transactions contemplated hereby or thereby or theory of law or equity. In furtherance and not in limitation of the foregoing waiver, it is acknowledged and agreed that no Financing Source shall have any liability to the Sellers (or any of their respective Related Persons) in connection with this Agreement, any Debt Commitment Letter, or the Debt Financing or in respect of any other document or any of the transactions contemplated hereby or thereby in connection with the Debt Financing. Without limiting the foregoing, the Financing Sources, their respective Affiliates and their respective successors and permitted assigns shall be beneficiaries of all limitations on remedies and damages in this Agreement that apply to Purchaser hereto and are express third party beneficiaries of this **Section 11.20**. Nothing in this Section 11.20, will limit the rights of Purchaser in respect of the Debt Financing under any commitment letter, related fee letters or any definitive documentation in respect of the foregoing.
