RESTRUCTURING, LLC FOR COMPENSATION FOR SERVICES
RENDERED AND REIMBURSEMENT OF EXPENSES INCURRED
FROM DECEMBER 22, 2017 THROUGH AND INCLUDING MAY 13, 2019**

This is the first and final application (the “Final Fee Application”) of Epiq Corporate Restructuring, LLC (“Epiq”), administrative agent to the above-captioned debtor and debtor in possession (collectively, the “Debtor”). Pursuant to the Final Fee Application, Epiq requests allowance and approval of compensation in the aggregate amount of \$11,650.20 for administrative professional services rendered by Epiq to the Debtor and reimbursement of actual and necessary expenses incurred by Epiq during the period from December 22, 2019 through and including May 13, 2019 (the “Final Fee Period”).

In support of the Application, Epiq respectfully states as follows:

Jurisdiction

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue in the Court is proper pursuant to 28 U.S.C. § 1408.

2. The bases for the relief requested herein are sections 328, 330, 331 and 503(b) of the Bankruptcy Code, Bankruptcy Rule 2016 and Local Bankruptcy Rule 2016-1.

Disclosure of Compensation and Requested Final Award

3. Epiq files this Application requesting allowance and approval of compensation in the amount of \$11,650.20 for professional services rendered by Epiq to the Debtor and reimbursement of actual and necessary expenses incurred by Epiq during the Final Fee Period.

4. The fees sought in this Application reflect an aggregate of 68.00 hours expended by Epiq professionals during the Final Fee Period rendering necessary and beneficial administrative services to the Debtor at a blended average hourly rate of \$171.32 for professionals. Epiq maintains computerized records of the time expended in the performance of the professional services required by the Debtor and their estates. These records are maintained in the ordinary course of Epiq's practice.

5. The hourly rates and corresponding rate structure utilized by Epiq in these cases are generally equivalent to the hourly rates and corresponding rate structure predominantly used by Epiq for comparable matters, whether in Chapter 11 or otherwise, regardless of whether a fee application is required.

6. Epiq's hourly rates are set at a level designed to compensate Epiq fairly for the work of its professionals. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

7. Epiq regularly reviews its bills to ensure that the Debtor is only billed for services that were actual and necessary. Moreover, in accordance with the Local Bankruptcy Rules, Epiq regularly reduces its expenses, particularly expenses related to overtime travel and overtime meals.

8. No understanding exists between Epiq and any other person for the sharing of compensation sought by Epiq, except among the parent, affiliates, members, employees and associates of Epiq.

Background

9. On June 22, 2016 (the “Petition Date”), the Debtor filed a voluntary petition for these Chapter 11 Cases. The Debtor is operating their businesses and managing their properties as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The circumstances leading to the Debtor’s filing for Chapter 11 are set forth in detail in the Declaration of William Tacon in Support of Chapter 11 Petitions and First Day Motions, which was filed as part of the Chapter 11 petitions [Docket No. 2].

10. On October 11, 2018, the Debtor filed their Application to Employ Epiq Bankruptcy Solutions, LLC as Administrative Agent [Docket No. 336] *nunc pro tunc* to December 22, 2017, which was granted by Order dated November 8, 2018 [Docket No. 356]. Pursuant to the Retention Order, Epiq is authorized to be compensated on an hourly basis for professional services rendered to the Debtor and reimbursed for actual and necessary expenses incurred by Epiq in connection therewith.

11. On August 8, 2016, the Court entered the Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Docket No. 58], (the “Interim Compensation Order”).

Summary of Professional Services

12. Pursuant to, and consistent with, the relevant requirements of the Interim Compensation Order, the Fee Committee Order, and the Local Bankruptcy Rules (collectively, the “Guidelines”), as applicable, the following exhibits are attached hereto:

- a. **Exhibit A** contains a certification by the undersigned regarding compliance with the Guidelines (the “**Certification**”);
- b. **Exhibit B** contains a list of the relevant Epiq project categories and the total billed to each category during the Final Fee Period;
- c. **Exhibit C** contains a billing summary for the Final Fee Period that includes the name of each professional for whose work compensation is sought; the aggregate time expended by each professional; the corresponding hourly billing rate at Epiq’s current billing rates and an indication of the individual amounts requested as part of this Final Fee Application; and
- d. **Exhibit D** contains the time detail for the Final Fee Period.

13. To provide a meaningful summary of services rendered on behalf of the Debtor and their estates for the Final Fee Period, Epiq has established, in accordance with its internal billing procedures, the following matter numbers in connection with these cases:

Matter No.	Matter Description
495	Balloting/Solicitation Consultation
700	Travel Time

14. The following is a summary, by matter, of the most significant professional services rendered by Epiq as administrative agent during the Final Fee Period. This summary is organized in accordance with Epiq’s internal system of matter numbers.¹

A. Balloting/Solicitation Consultation (Matter #495)

Total Fees: \$11,598.60

Total Hours: 67.4

15. This category includes all matters related to the solicitation of Plan votes, including but not limited to: (i) reviewing draft solicitation documents, including the Disclosure Statement

¹ This summary of services rendered during the Final Fee Period is not intended to be a detailed or exhaustive description of the work performed by Epiq, but, rather, is intended to highlight certain key areas where Epiq provided services to the Debtor during the Final Fee Period. A summary description of the work performed in the Final Fee Period, categorized by project code, and those day-to-day services and the time expended in performing such services, are set forth in the Monthly Fee Statement.

Order, Plan, Disclosure Statement, Ballots, and related notices; (ii) planning for production of solicitation materials, including estimating timing and deadlines for various production stages; (iii) reviewing Plan class descriptions and comparing to claim and schedule records for correct grouping of records for service of voting and non-voting Solicitation Packages; (iv) coordinating production and service of all voting and non-voting Solicitation Packages; (v) receiving, reviewing, and tabulating voted Ballots submitted in connection with the Plan and responding to inquiries from creditors regarding same; and (vi) drafting, preparation, and execution of the voting declaration.

B. Travel Time (Matter #700)

Total Fees: \$51.60

Total Hours: 0.60

16. Time in this category includes non-working travel time spent by Epiq personnel during the Fee Period in connection with their work for the Debtors. The amounts requested in the Fee Application reflect a reduction of one-half of the charges for travel time not spent working on matters related to these chapter 11 cases.

Reasonable and Necessary Services Rendered by Epiq

17. The foregoing professional services rendered by Epiq on behalf of the Debtor during the Final Fee Period were reasonable, necessary and appropriate to the administration of the Debtors' bankruptcy cases and related matters.

18. Epiq is one of the country's leading Chapter 11 administrators, with experience in noticing, claims administration, solicitation, balloting and facilitating other administrative aspects of bankruptcy cases. As a specialist in claims management, consulting and legal administration services, Epiq provides comprehensive solutions to a wide variety of administrative issues for bankruptcy cases, and has substantial experience in matters of this size

and complexity. Overall, Epiq brings to these Chapter 11 cases a particularly high level of skill and knowledge, which inured to the benefit of the Debtor and all stakeholders.

19. During the Final Fee Period, among other things, Epiq consulted and assisted the Debtor with its solicitation of ballots from claimants entitled to vote on the Plan, the tabulation of ballots in connection therewith, and the certification of voting results to this court. To this end, as set forth in detail in **Exhibit C** of the Application, a number of Epiq professionals expended time rendering services on behalf of the Debtor and their estates.

20. During the Final Fee Period, Epiq's hourly billing rates for the professionals responsible for managing these cases ranged from \$135.00 to \$185.00. Allowance of compensation in the amount requested would result in a blended hourly billing rate for professionals of approximately \$171.32 (based on 68.00 recorded hours at Epiq's regular billing rates in effect at the time of the performance of services). As noted above, the hourly rates and corresponding rate structure utilized by Epiq in these cases are generally equivalent to the hourly rates and corresponding rate structure predominantly used by Epiq for comparable matters, whether in Chapter 11 or otherwise, regardless of whether a fee application is required.

Epiq's Requested Compensation and Reimbursement Should be Allowed

21. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered and reimbursement for actual, necessary expenses." Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

22. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

1. the time spent on such services;
2. the rates charged for such services;
3. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
4. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
5. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

23. In the instant case, Epiq respectfully submits that the services for which it seeks compensation in the Application were necessary for and beneficial to the Debtor and their estates and were rendered to protect and preserve the Debtors' estates. Epiq respectfully submits that the services rendered were performed economically, effectively and efficiently and that the results obtained to date have benefited all stakeholders in the cases. Epiq further submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the Debtor, their estates and all parties in interest.

24. Epiq's professionals spent a total of 68.00 hours during the Final Fee Period, which services have a fair market value of \$11,650.20. As demonstrated by the Final Fee Application and all of the exhibits submitted in support hereof, Epiq spent its time economically and without unnecessary duplication. In addition, the work conducted was carefully assigned to appropriate professionals according to the experience and level of expertise required for each particular task. In summary, the services rendered by Epiq were necessary and beneficial to the

Debtor and their estates, and were consistently performed in a timely manner commensurate with the complexity, importance, novelty and nature of the issues involved.

25. Accordingly, Epiq respectfully submits that approval of the compensation and expense reimbursement sought herein is warranted.

No Prior Request

26. No prior application for the relief requested herein has been made to this or any other court.

Notice

Epiq has provided notice of the Application to: (i) the Debtor, c/o FTI Consulting (BVI) Limited, Attn: John Ayres, 2nd Floor Forbes Hare Building, Pasea Estate, Road Town, Tortola, British Virgin Islands; (ii) counsel to the Debtor, Reed Smith LLP, Attn James C.
