A. On September 28, 2008 (the “Petition Date”), Bill Heard Enterprises, Inc. together with certain of its affiliates (collectively, the “Debtors”)<sup>2</sup> filed voluntary petitions in this Court for relief pursuant to chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101 et seq. (as applicable to these cases, the “Bankruptcy Code”).<sup>3</sup>

B. On June 19, 2009, the Plan Proponents filed a plan (the “Initial Plan”) with this Court as an appendix to their initial disclosure statement (Docket No. 1896) (the “Initial Disclosure Statement”) and noticed the filing of those documents (Docket No. 1903) (the “Disclosure Statement Hearing Notice”). The Disclosure Statement Hearing Notice, among other things, advised that a hearing to approve the Initial Disclosure Statement would be conducted on August 4, 2009 (the “Disclosure Statement Hearing”). The Disclosure Statement Hearing Notice was served on all parties required to receive notice.

herein by reference. Notwithstanding the foregoing, the exhibits to the Plan which were annexed to the Plan are also incorporated herein by reference.

<sup>5</sup> All members in Class 2 also received a letter from counsel to the plaintiffs in the WARN Act Litigation encouraging them to vote in favor of the Plan.

K. Various creditors and parties-in-interest filed objections (collectively, the Objections) to the Plan in advance of the Confirmation Hearing.

NOW, THEREFORE, based upon the Court's review of, among other things, the Plan, the Disclosure Statement, the Disclosure Statement Order, the Solicitation Affidavit, the Tabulation Affidavit, the Confirmation Memorandum, all of the evidence proffered or adduced at, the objections filed in connection with, and the arguments of counsel made at, the Confirmation Hearing; and upon the record of the Disclosure Statement Hearing, the Confirmation Hearing and all prior proceedings in these Cases; and after due deliberation thereon; and good cause appearing therefor:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

IT IS HEREBY FOUND AND DETERMINED that<sup>6</sup>

1. Exclusive Jurisdiction; Venue; Core Proceeding (28 U.S.C. §§ 157(b)(2) and 1334(a)). This Court has jurisdiction over these chapter 11 Cases pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. Confirmation of the Plan is a core proceeding under 28 U.S.C. § 157(b)(2), and this Court has exclusive jurisdiction to determine whether the Plan complies with the applicable provisions of the Bankruptcy Code and should be confirmed.

2. Judicial Notice. This Court takes judicial notice of the docket of the Debtors' chapter 11 Cases maintained by the Clerk of the Court and/or its duly-appointed agent, including, without limitation, all pleadings and other documents filed, all orders entered, and

evidence and argument made, proffered or adduced at, the hearings held before the Court during the pendency of the chapter 11 Cases.

3. Outline Of Plan. In addition to Administrative Expense Claims, which need not be designated, the Plan designates eight Classes of Claims and Interests. Under the Plan:

- Holders of Employee Wage Claims (Class 1) and Secured Claims (Class 6) are Unimpaired, and thus are deemed to have accepted the Plan under section 1126(f) of the Bankruptcy Code;
- Holders of Priority WARN Act Claims (Class 2), Priority Benefit Claims (Class 3), Priority Deposit Claims (Class 4), Priority Tax Claims (Class 5), and General Unsecured Claims (Class 7) are Impaired and will receive distributions pursuant to the Plan, and thus had the right to vote to accept or reject the Plan.
- Holders of Interests (Class 8) will not receive any distributions or other property pursuant to the Plan, and thus are deemed to have rejected the Plan under section 1126(g) of the Bankruptcy Code.

4. Transmittal And Mailing Of Materials; Notice. The Solicitation Package was transmitted and served upon all interested parties in substantial compliance with the Disclosure Statement Order<sup>7</sup> and in compliance with the Bankruptcy Rules, and such transmittal and service were adequate and sufficient. Notice of the Confirmation Hearing and all deadlines in the Disclosure Statement Order was given in compliance with the Bankruptcy Rules and the Disclosure Statement Order and was good and sufficient in accordance with FED. R. BANKR. P. 2002(b) and 3020(b)(2), and no other or further notice is required.

---

<sup>7</sup> This Court notes that due to a technical difficulty encountered by the Voting Agent, approximately 500 packages were mailed one day late (the "Separate Service"). The time provided pursuant to the Disclosure Statement Order for all parties to vote on the Plan exceeded the 25-day minimum required pursuant to Bankruptcy Rule 2002(6) and accordingly the Separate Service is deemed to have been timely.

5. Receipt And Tabulation Of Votes. The procedures employed by EPIQ Bankruptcy Solutions, Inc., the Voting Agent, to receive and tabulate Ballots from the Holders of Claims in the voting Classes, as set forth in the Tabulation Affidavit, were proper and appropriate. As described in the Tabulation Affidavit:

- 99.73% in amount and 99.65% in number of the Claims in Class 2 that were entitled to and voted on the Plan, accepted the Plan. Class 2 accepted the Plan;
- 100% in amount and 100% in number of the Claims in Class 3 that were entitled to and voted on the Plan, accepted the Plan. Class 3 accepted the Plan;
- 94.69% in amount and 94.34% in number of the Claims in Class 4 that were entitled to and voted on the Plan, accepted the Plan. Class 4 accepted the Plan;
- 99.87% in amount and 85.71% in number of the Claims in Class 5 that were entitled to and voted on the Plan, accepted the Plan. Class 5 accepted the Plan;
- 99.95% in amount and 96.28% in number of the Claims in Class 7 that were entitled to and voted on the Plan, accepted the Plan. Class 7 accepted the Plan.

The Plan was overwhelmingly accepted by each of the Impaired Classes entitled to vote, without counting the votes of any insiders of the Debtors. The Plan Proponents therefore obtained the requisite acceptances both in number and amount for confirmation of the Plan.

6. Plan Compliance With Bankruptcy Code (11 U.S.C. § 1129(a)(1)). The Plan complies with the applicable provisions of the Bankruptcy Code and the Bankruptcy Rules, thereby satisfying 11 U.S.C. § 1129(a)(1).

(a) Proper Classification (11 U.S.C. §§ 1122, 1123(a)(1)). In addition to Administrative Claims which need not be designated, the Plan designates eight Classes of Claims and Interests. The Claims and/or Interests placed in each Class are substantially similar

to other Claims or Interests, as the case may be, in each such Class, and such classification is therefore consistent with section 1122 of the Bankruptcy Code. Valid business, factual, and legal reasons exist for the various Classes of Claims and Interests created under the Plan, and such Classes do not unfairly discriminate between or among Holders of Claims or Interests. Specifically, valid business, factual, and legal reasons exist for the separate classification of Claims in Classes 1, 2, 3, 4, 5, 6 and 7 and for the separate classification of Interests in Class 8. The Plan thus satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

(b) Specification Of Unimpaired Classes (11 U.S.C. § 1123(a)(2)).

The Plan specifies that Classes 1 and 6 are not impaired under the Plan, thereby satisfying section 1123(a)(2) of the Bankruptcy Code.

(c) Specified Treatment Of Impaired Classes (11 U.S.C. § 1123(a)(3)).

Section III.C. of the Plan specifies the treatment of impaired status of claims in Classes 2, 3, 4, 5 and 7 as well as the status of all Interests in Class 8 as cancelled as of the Effective Date, thereby satisfying section 1123(a)(3) of the Bankruptcy Code.

(d) No Discrimination (11 U.S.C. § 1123(a)(4)). The Plan provides

for the same treatment for each Claim or Interest in each respective Class unless the Holder of a particular Claim or Interest has agreed to a less favorable treatment of such Claim or Interest, thereby satisfying section 1123(a)(4) of the Bankruptcy Code.

(e) Implementation Of The Plan (11 U.S.C. § 1123(a)(5)).

Section VIII of the Plan provides adequate and proper means for implementation of the Plan, thereby satisfying section 1123(a)(5) of the Bankruptcy Code. Among other things, Section VIII includes provisions relating to: (i) substantive consolidation of the Debtors' Estates for purposes of making distributions under the Plan; (ii) the appointment of a Liquidating Trustee;

(iii) liquidation of the Debtors' remaining assets; (iv) preservation of certain Causes of Action; (v) dissolution of the Creditors' Committee; (vi) appointment of a Plan Committee; (vii) the compromise and settlement among the Debtors, the Creditors' Committee, and the plaintiffs in the WARN Act Litigation; and (viii) exculpation, injunction and indemnification provisions.

Other Sections of the Plan also set forth means for the implementation of the Plan. Section IX includes provisions regarding distributions under the Plan including procedures for resolving disputed, contingent, and unliquidated Claims; Section X provides for, among other things, the retention of jurisdiction by the Court over certain matters; and Section XI includes preservation of insurance and a tax injunction. The Debtors have sufficient Assets to allow them to make all payments due immediately after the Effective Date including all Allowed Administrative Expense Claims. Additionally, the Estates have adequate Assets to satisfy all Allowed Class 1 Claims and to begin to make payments to other Classes of Allowed Claims pursuant to the Plan.

(f) Nonvoting Equity Securities (11 U.S.C. § 1123(a)(6)). The Debtors are liquidating and no new capital stock shall be authorized or issued. Accordingly, this provision of the Bankruptcy Code does not apply.

(g) Selection Of Officers And Directors (11 U.S.C. S 1123(a)(7)). The provisions of the Plan regarding the manner and selection of the Liquidating Trustee is consistent with the interests of Creditors and Interest Holders and with public policy, thereby satisfying section 1123(a)(7) of the Bankruptcy Code. Specifically, Section VIII.B. of the Plan provides that the Liquidating Trustee will have all the rights and powers provided under the Plan and further provides procedures for the replacement of the Liquidating Trustee in the event he resigns, is terminated, or is unable to serve in such capacity.

(h) Impairment Of Classes (11 U.S.C. § 1123(b)(1)). In accordance with section 1123(b)(1) of the Bankruptcy Code, Section III of the Plan impairs and leaves unimpaired, as the case may be, each Class of Claims and Interests under the Plan.

(i) Executory Contracts And Unexpired Leases (11 U.S.C. § 1123(b)(2)). In accordance with section 1123(b)(2) of the Bankruptcy Code, Section VI of the Plan provides that, as of the Effective Date, the Debtors will be deemed to have rejected every executory contract and unexpired lease to which any one is a party, unless such contract or lease: (a) previously shall have been assumed, assumed and assigned, or rejected by the Debtors, (b) was rejected prior to the Confirmation Date. The Debtors' decision regarding the assumption or rejection of their executory contracts is based on, and is within, the sound business judgment of the Debtors, and is in the best interests of the Debtors, their Estates, and their Creditors and Interest Holders.

(j) Retention, Enforcement, And Settlement Of Claims Held By The Debtors (11 U.S.C. § 1123(b)(3)). Pursuant to section 1123(b)(3) of the Bankruptcy Code, Section VIII.D. of the Plan provides that, except as otherwise provided in the Plan or this Order, each Debtor will retain and hold any or all Causes of Action that any Debtor or its Estate may possess. The Liquidating Trustee is specifically vested with the power to pursue such Causes of Action. Notwithstanding any provision of the Plan or this Order which is or may be to be to the contrary, the entire amount received from the liquidation (by any means) of any of GMAC's Collateral (subject to any prior perfected Lien) shall first be paid without any deduction of any kind whatsoever to GMAC in partial satisfaction of its Secured Claim until GMAC's Secured Claim has been fully paid and satisfied. Assets that are subject to GMAC's pre-petition and/or post-petition security interests will remain subject to such security interests until (a) GMAC is

paid the proceeds from the liquidation of such assets at which time the security interest in the asset liquidated will be deemed released, or (b) GMAC's Secured Claim has been paid in full.

(k) Other Provisions Not Inconsistent With Title 11 (11 U.S.C. § 1123(b)(6)). In accordance with section 1123(b)(6) of the Bankruptcy Code, the Plan includes additional appropriate provisions such as those related to the implementation of the Plan and provisions for making distributions pursuant to the Plan that are not inconsistent with the applicable provisions of the Bankruptcy Code.

7. Identification Of Plan Proponent (FED. R. BANKR. P. 3016(a)). As required by FED. R. BANKR. P. 3016(a), the Plan is dated and identifies the Plan Proponent as the Debtors and the Creditors' Committee.

8. Compliance With Bankruptcy Code (11 U.S.C. § 1129(a)(2)). The Plan Proponents complied with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(2) of the Bankruptcy Code. Specifically:

(a) On September 28, 2008, the Debtors, with the exception of ACI, each filed chapter 11 petitions pursuant to section 301 of the Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Alabama. ACI filed its petition on October 3, 2008. The Debtors are proper debtors pursuant to section 109 of the Bankruptcy Code.

(b) The Debtors and the Creditors' Committee are the proper proponents of the Plan pursuant to section 1121(a) of the Bankruptcy Code.

(c) The Plan Proponents complied with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Disclosure Statement Order in

transmitting the Solicitation Packages and related documents and notices, and in soliciting and tabulating votes on the Plan.

(d) The Plan Proponents, as well as their directors, officers, employees, agents, members and professionals, as applicable, have acted in compliance with all applicable provisions of the Bankruptcy Code and in “good faith,” within the meaning of section 1125(e) of the Bankruptcy Code.

(e) The Plan Proponents have acted in accordance with all orders of the Court entered during these chapter 11 Cases.

9. Plan Proposed In Good Faith (11 U.S.C. 1129(a)(3)). The Plan Proponents have proposed the Plan in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. The Court has examined the totality of the circumstances surrounding the formulation of the Plan. Based on the evidence proffered or adduced at or prior to, or in affidavits filed in connection with the Confirmation Hearing, the Court finds and concludes that the Plan has been proposed with the legitimate and honest purpose of resolving various disputes to which the Debtors are a party and for maximizing the distribution of the Debtors’ Assets to the Holders of Allowed Claims. Further, the Plan itself and the arms’ length negotiations among the Debtors, the Creditor’s Committee, and the representatives of the Plaintiffs in the WARN Act Litigation and the Debtors’ other constituencies, and their respective legal and financial advisors, leading to the agreements underlying the Plan - including the WARN Act Settlement Agreement - as well as other documents leading to the Plan’s formulation, as well as the overwhelming support of Creditors entitled to vote for the Plan, provide independent evidence of the Plan Proponents’ good faith in proposing the Plan. In light of the totality of the circumstances surrounding the Plan, and the

entire record of these Cases relating to the process leading to the Plan's formation, the Plan Proponents have proposed the Plan in good faith.

10. Payments For Services Or Costs And Expenses (11 U.S.C. § 1129(a)(4)).

Any payment made or to be made by the Debtors, or by a person acquiring property under the Plan, for services or for costs and expenses in or in connection with the chapter 11 Cases, or in connection with the Plan and incident to the chapter 11 Cases, has been approved by, or is subject to the approval of, the Court as reasonable, thereby satisfying section 1129(a)(4) of the Bankruptcy Code. For example, all fees and expenses incurred by Professionals appointed in the chapter 11 Cases will be subject to the Court's approval following the filing of final fee applications under section 330 of the Bankruptcy Code.

11. Directors, Officers, And Insiders (11 U.S.C. § 1129(a)(5)). The Plan

Proponents have complied with section 1129(a)(5) of the Bankruptcy Code. Specifically:

(a) The Committee has disclosed the identity and affiliations of the individual proposed to serve, after confirmation of the Plan, as the Liquidating Trustee to be William Perkins. His appointment is consistent with the interests of Holders of Claims and Interests and public policy.

(b) The Plan Proponents have disclosed the identity of any Insiders who will be employed or retained, and the nature of such persons' compensation.

12. No Rate Changes (11 U.S.C. § 1129(a)(6)). The Debtors currently have

no operations and furthermore when operating, the Debtors were not involved in the establishment of rates over which any United States regulatory commission has jurisdiction or will have jurisdiction after the Confirmation Date. Section 1129(a)(6) of the Bankruptcy Code thus is not applicable to these chapter 11 Cases.

13. Best Interests Of Creditors Test (11 U.S.C. § 1129(a)(7)). The Plan satisfies section 1129(a)(7) of the Bankruptcy Code. Specifically:

(a) The Liquidation Analysis annexed to the Disclosure Statement as Appendix D and the other evidence related thereto that was proffered or adduced at or prior to, or in affidavits filed in connection with, the Confirmation Hearing has not been controverted by other evidence. The methodology used and assumptions made in the Liquidation Analysis, as supplemented by the evidence proffered or adduced at or prior to, or in affidavits filed in connection with, the Confirmation Hearing are reasonable.

(b) Each Holder of a Claim or Interest in each Impaired Class either has accepted the Plan or will receive or retain under the Plan on account of such Claim or Interest property of a value, as of the Effective Date, that is not less than the amount that such Holder would receive or retain if the Debtor was liquidated under chapter 7 of the Bankruptcy Code on such date. No Class has made an election under section 1111(b)(2) of the Bankruptcy Code.

14. Acceptance By Certain Classes (11 U.S.C. § 1129(a)(8)). Classes 1 and 6 are unimpaired and is conclusively presumed to have accepted the Plan under section 1126(f) of the Bankruptcy Code. Each of Classes 2, 3, 4, 5 and 7 are Classes of Claims and that have been deemed to or have voted to accept the Plan in accordance with the Plan and sections 1126(c) and (d) of the Bankruptcy Code excluding the votes of any insiders. Class 8 receives no distribution pursuant to the Plan and, accordingly, is deemed to have rejected the Plan under Bankruptcy Code section 1126(g). The Plan Proponents have thus requested that the Court confirm the Plan even though the requirements of section 1129(a)(8) have not been satisfied as to Class 8 in light of the Class' deemed rejection of the Plan (the "Rejecting Class").

15. Treatment Of Administrative And Priority Claims (11 U.S.C. § 1129(a)(9)). The treatment of Administrative Claims under Section II.B. of the Plan satisfies the requirements of section 1129(a)(9)(A) of the Bankruptcy Code; the treatment of Priority WARN Act Claims, Priority Benefit Claims, and Priority Deposit Claims in Section III.C. 2-4 of the Plan satisfies the requirements of section 1129(a)(9)(B) of the Bankruptcy Code; and the treatment of Priority Tax Claims under Section III.B.5 of the Plan satisfies the requirements of section 1129(a)(9)(C) of the Bankruptcy Code.

16. Acceptance By Impaired Classes (11 U.S.C. § 1129(a)(10)). As set forth in the Tabulation Affidavit and as reflected in the record of the Confirmation Hearing, at least one Class of Claims and/or Interests that is impaired under the Plan has accepted the Plan, determined without including any acceptance of the Plan by any Insider of any Debtor holding a Claim and/or Interest in such Class, thereby satisfying section 1129(a)(10) of the Bankruptcy Code.

17. Feasibility (11 U.S.C. § 1129(a)(11)). Based upon the evidence proffered or adduced at or prior to the Confirmation Hearing, confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Debtors except as provided in the Plan. The Debtors have sufficient Cash available to make distributions to various Classes on the Effective Date and preservation of Causes of Action will permit the Debtors to meet their obligations under the Plan, thereby satisfying section 1129(a)(11) of the Bankruptcy Code.

18. Payment Of Fees (11 U.S.C. § 1129(a)(12)). All fees payable under 28 U.S.C. § 1930 have been paid or will be paid as Administrative Claims on or prior to the

Effective Date pursuant to Section XI.J. of the Plan, thereby satisfying section 1129(a)(12) of the Bankruptcy Code.

19. Continuation Of Retiree Benefits (11 U.S.C. § 1129(a)(13)). The Debtors have no continuing retiree benefit plans. Accordingly, the Plan satisfies section 1129(a)(13) of the Bankruptcy Code.

20. Confirmation of the Plan Over Nonacceptance of Impaired Class (Section 1129(b)). Notwithstanding the fact that the Rejecting Class is deemed to reject the Plan, the Plan may be confirmed pursuant to section 1129(b)(1) of the Bankruptcy Code because: (a) each of Classes 2, 3, 4, 5 and 7, the voting Classes, have voted to accept the Plan; and (b) the Plan does not discriminate unfairly and is fair and equitable with respect to the Rejecting Class. Thus, the Plan may be confirmed notwithstanding the Plan Proponents' failure to satisfy section 1129(a)(8) of the Bankruptcy Code. After entry of the Confirmation Order and upon the Effective Date, the Plan shall be binding upon the members of the Rejecting Class.

21. The Plan does not unfairly discriminate because members within each Class are treated similarly. Accordingly, the Plan does not discriminate unfairly in respect to the Rejecting Classes or any other Class of Claims or Interests.

22. To determine whether a plan is "fair and equitable" with respect to a Class of Interests, section 1129(b)(2)(C)(ii) of the Bankruptcy Code provides that "the holder of any interest that is junior to the interests of such class will not receive or retain under the plan on account of such junior interest any property." No junior holder of a Claim or Interest will receive any distribution unless the holders of higher priority Claims receive the full value of their claims or have consented to such treatment. The Plan provides that holders of Allowed Priority Employee Claims will be paid in full. Holders of Interests receive nothing under the Plan. No

claims or interests junior to the Interests receive any distributions under the Plan. Therefore the Plan is fair and equitable and satisfies the requirements of section 1129(b).

23. Under the consolidated liquidation analysis, Holders of Interests would receive nothing in a liquidation, and estimated recoveries for members of each impaired class under the Plan are equal to or in excess of their estimated recoveries in a hypothetical chapter 7 liquidation. Under the Plan, Holders of Allowed Claims in each of Classes 3, 4, 5 and 7 will receive no more than 100% recovery.

24. Principal Purpose Of Plan (11 U.S.C. § 1129(d)). The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of Section 5 of the Securities Act of 1933 (15 U.S.C. § 77e), and no Governmental Unit has filed any objection asserting such avoidance.

25. Good Faith Solicitation (11 U.S.C. 1125(e)). The Plan Proponents and each of their respective present or former members, officers, directors, employees, advisors, attorneys, representatives, financial advisors or agents, as well as their successors and assigns, through their participation in the negotiation and preparation of the Plan and the Disclosure Statement and their efforts to confirm the Plan, have solicited acceptances and rejections of the Plan in good faith and participated in these chapter 11 Cases in compliance with the applicable provisions of the Bankruptcy Code and are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Section VIII.E. of the Plan.

26. Executory Contracts and Unexpired Leases. The Debtors' rejection of any executory contracts and unexpired leases that have not been assumed, or assumed and assigned is in the best interests of the Debtors' estates and is hereby approved.

27. Transfers Of Property. The revesting, on the Effective Date, of the property of the Debtors' Estates with the Debtors (a) is a legal, valid, and effective transfer of property, (b) with good title to such property free and clear of all Claims and Interests, except as expressly provided in the Plan or this Order, (c) does not constitute an avoidable transfer under the Bankruptcy Code or under applicable nonbankruptcy law, and (d) does not and shall not subject the Debtors to any liability by reason of such transfer under the Bankruptcy Code or under applicable nonbankruptcy law. The transfers of property to Holders of Claims and Interests under the Plan are for good consideration and value.

28. WARN Act Settlement Agreement. Based on the evidence proffered or adduced at or prior to, or in affidavits filed in connection with, the Confirmation Hearing, and upon the record of the Disclosure Statement Hearing, the Confirmation Hearing, and all prior proceedings in these chapter 11 Cases, the Court finds the benefits to be received by the Debtors and their Creditors as a result of the compromise and settlement embodied in the WARN Act Settlement to be fair, reasonable, and appropriate in light of the relevant facts and circumstances underlying such compromise and settlement. The settlement and compromise is in the best interests of the Debtors, their Estates, the Creditors, and other parties in interest. The Plan Proponents have demonstrated good, sufficient and sound business purposes and justifications for the approval of the WARN Act Settlement and the transactions contemplated thereby. Each of the following factors has been taken into account by the parties in reaching the compromises embodied in the WARN Act Settlement, and each factor supports approval of the WARN Act Settlement and the entry of this Order pursuant to Bankruptcy Rule 9019: (a) the probability of success in litigation by the Debtors in the WARN Act Litigation, (b) the difficulties, if any, to be encountered in collection of any judgment by the Debtors, (c) the complexity of the litigation

between the Debtors, the Creditors' Committee, and the plaintiffs in the WARN Act Litigation and the expense, inconvenience and delay necessarily associated therewith, (d) the paramount interest of creditors and proper deference to their reasonable views; and (e) whether the conclusion of the litigation promotes the integrity of the judicial system.

29. Modifications. Prior to or at the Confirmation Hearing, in accordance with section 1127 of the Bankruptcy Code and FED. R. BANKR. P. 3019, the Plan Proponents proposed certain modifications to the Plan, as described in paragraph 47 below (collectively, the "Plan Modifications"). The Plan Proponents' form and manner of notice of the Plan Modifications was good and sufficient under the particular circumstances and no other or further notice of the Plan Modifications is or shall be required. The Plan Modifications: (a) do not adversely affect the classification or treatment of Holders of Claims and/or Interests, (b) do not constitute material modifications of the Plan under section 1127 of the Bankruptcy Code, (c) do not cause the Plan to fail to satisfy the requirements of sections 1122, 1123, and 1129 of the Bankruptcy Code, or (d) do not require the resolicitation of acceptances or rejections of the Plan from any party or require that any party be afforded an opportunity to change its previously cast acceptance or rejection of the Plan.

30. Satisfaction of Confirmation Requirements. Based upon the foregoing, the Plan satisfies the requirements for confirmation set forth in section 1129 of the Bankruptcy Code.

31. Conditions To Confirmation. Each of the conditions to Confirmation of the Plan set forth in Section VII.A. of the Plan has been satisfied, or will be satisfied, on or before the Confirmation Date.

32. Retention Of Jurisdiction. The Court will retain jurisdiction over the matters set forth in Section X of the Plan.

33. Waiver Of FED. R. BANKR. P. 3020(e). The stay contemplated by FED. R. BANKR. P. 3020(e) shall not apply to this Order.

DECREES

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND  
DECREED THAT,

34. Confirmation. The Plan, a copy of which is annexed hereto as Exhibit A, as modified pursuant to paragraph 47 of this Order, is hereby confirmed under section 1129 of the Bankruptcy Code and all parties-in-interest are authorized and empowered, or enjoined, as the case may be, to act in accordance with its terms. All acceptances previously cast for the Plan are hereby deemed to constitute acceptances of the Plan as modified hereby. The terms of the Plan and the exhibits thereto are incorporated by reference into and are an integral part of the Plan and this Order.

35. Objections. All formal or informal Objections to Confirmation of the Plan that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are overruled on the merits. To the extent, if any, that pleadings or letters filed by individuals or entities constitute objections to Confirmation of the Plan and have not been withdrawn, waived, or settled, they are overruled on the merits.

36. Columbus Bank & Trust Company Objection. The Objection by Columbus Bank & Trust Company ("CB&T") to Confirmation of the Debtors' First Amended Joint Consolidated Chapter 11 Plan of Liquidation (Docket No. 2311) was resolved by agreement of all parties in interest, as announced on the record during the Confirmation Hearing,

which agreement is made the order of Court as follows: On the Effective Date, or as soon as is reasonably practicable thereafter, the Liquidating Trustee shall pay to CB&T from the TCLC Estate or other funds on hand in the Estates the sum of One Hundred Thousand (\$100,000.00) Dollars. In addition, the Liquidating Trustee shall pay to CB&T twenty-five (25%) percent of the cash proceeds from the liquidation of any and all assets of the pre-confirmation, pre-substantive consolidation TCLC Estate (other than the Sugarland Real Estate (cash escrow) identified on Exhibit D to the Disclosure Statement and any recoveries from claims asserted by TCLC or by the Liquidating Trustee on behalf of TCLC in Adversary Proceeding Case No. 09-80048, styled Columbus Bank & Trust v. Twentieth Century Land Corp.), which cash proceeds shall include, but are not limited to, any net sale proceeds from the sale of the "Landmark" property located at 9111 North Freeway, Houston, Texas (the "Landmark Property"). As used in this paragraph, the term "net sale proceeds" shall mean gross proceeds from sale of the Landmark Property less (i) brokerage fees owed as a result of such sale, (ii) any expenses, including but not limited to attorney fees, related directly to the sale and (iii) holding costs incurred by the Liquidating Trustee on or after the Effective Date directly related to the Landmark Property. The Liquidating Trustee shall allow CB&T to review all written purchase offers submitted to him with respect to the Landmark Property, but shall not be compelled to otherwise consult with or obtain permission from CB&T in accepting an offer on the Landmark Property. CB&T shall retain its status as a Class 7 claimant. The rights and claims of the Debtors and CB&T, whether asserted in pending litigation or not, are otherwise reserved and unaffected by this resolution.

37. Provisions Of Plan And Confirmation Order Nonseverable And Mutually Dependent. The provisions of the Plan and this Order, including the findings of fact and conclusions of law set forth herein, are nonseverable and mutually dependent.

38. Good Faith Solicitation. The Plan Proponents and each of their respective present or former members, officers, directors, employees, advisors, attorneys, representatives, financial advisors or agents, as well as their successors and assigns, through their participation in the negotiation and preparation of the Plan and the Disclosure Statement and their efforts to confirm the Plan, have solicited acceptances and rejections of the Plan in good faith and participated in these chapter 11 Cases in compliance with the applicable provisions of the Bankruptcy Code and are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Section VIII.E. of the Plan.

39. Plan Classification Controlling. The classification of Claims and Interests for purposes of the distributions to be made pursuant to the Plan is governed solely by the terms of the Plan. The classifications set forth on the Ballots tendered to or returned by Holders of Claims or Interests of the Debtors in connection with voting on the Plan (a) were set forth thereon solely for purposes of voting on the acceptance or rejection of the Plan and tabulation of such votes, (b) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classification of such Claims and Interests under the terms of the Plan for distribution purposes, and (c) may not be relied upon by any Holder of a Claim or Interest as actually representing the actual classification of such Claims and Interests under the terms of the Plan for distribution purposes.

40. Executory Contracts. As of the Effective Date, all executory contracts or unexpired leases assumed and assigned by the Debtors during these chapter 11 Cases or under the Plan shall be assigned and transferred to, and remain in full force and effect for the benefit of the assignee notwithstanding any provision in such contract or lease (including those described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits such assignment or transfer

or that enables or requires termination of such contract or lease. Any counterparty to an executory contract or unexpired lease deemed rejected by the Plan shall file a Proof of Claim for rejection damages by the Rejection Damages Bar Date or shall be forever barred from seeking a Claim for such damages against the Debtors, their Estates, or their successors or properties.

41. Substantive Consolidation The Plan is predicated on the substantive consolidation of the Estates for all purposes associated with Confirmation, pursuant to Section VIII.C. of the Plan.

Based upon the evidence proffered or adduced at or prior to, or in affidavits in connection with, the Confirmation Hearing, the Plan Proponents and their Professionals spent significant time and attention analyzing intercompany relationships and dealings in order to determine the propriety of substantive consolidation. The due diligence conducted, methodology used, assumptions made, and conclusions employed were reasonable. Substantive consolidation of the Debtors is in the best interests of all Holders of Claims and Interests, necessary for the implementation of the Plan, and is appropriate in these chapter 11 Cases. Therefore, the Bankruptcy Court concludes that the substantive consolidation proposed in the Plan is necessary and appropriate and satisfies the tests set forth in Eastgroup Prop. v. Southern Motel Assoc., Ltd. (In re Eastgroup Prop.), 935 F.2d 245 (11th Cir. 1991). Substantive consolidation of the Estates is approved.

Substantive Consolidation shall not affect the legal and organization structure of the Debtors or their separate corporate existences or any prepetition Liens or security interests that are required to be maintained under the Bankruptcy Code, under the Plan, or, in connection with contracts or leases that were assumed during these chapter 11 Cases. Any alleged defaults

under any applicable agreement with the Debtors arising from substantive consolidation under the Plan shall be deemed cured as of the Effective Date.

42. Binding Effect Discharge. (a) To the fullest extent possible pursuant to sections 524 and 1141 of the Bankruptcy Code, effective as of the Confirmation Date, but subject to the occurrence of the Effective Date, and except as expressly provided in the Plan, the provisions of the Plan (including the exhibits to, and all documents and agreements executed pursuant to, the Plan) and the Confirmation Order shall be binding on (i) the Debtors, (ii) all Holders of Claims against and Interests in the Debtors, whether or not impaired under the Plan and whether or not, if impaired, such Holders accepted, rejected, or are deemed to have accepted or rejected the Plan, (iii) each Person acquiring property under the Plan, (iv) all non-Debtor parties to executory contracts and unexpired leases with the Debtors, (v) all entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan or herein (or prior orders of this Court) and (vi) each of the foregoing's respective heirs, successors, assigns, trustees, executors, administrators, affiliates, officers, directors, agents, representatives, attorneys, beneficiaries, or guardians, if any (the Persons and entities described in clauses (i) through (vi), collectively, the "Bound Parties").

Notwithstanding any language to the contrary in this Order or otherwise, the Allowed Class 5 Claims of the Georgia Department of Revenue will not be discharged.

(b) Except as otherwise provided herein or as this Court otherwise orders, this Confirmation Order shall constitute an order: (a) disallowing all Claims and Interests to the extent such Claims and Interests are not allowable under any provision of section 502 of the Bankruptcy Code, including, but not limited to, time-barred Claims and Interests and Claims for unmatured interest or post-petition, post-confirmation or post-Effective Date interest, and (b)

disallowing or subordinating, as the case may be, any Claims, or portions of Claims, for penalties or non-compensatory damages. Any order allowing or disallowing a Claim or Interest that is not a Final Order as of the Effective Date solely because of the Holder's right to move for reconsideration pursuant to section 502 of the Bankruptcy Code or Bankruptcy Rule 3008 shall nevertheless become and be deemed to be a Final Order on the Effective Date.

43. Injunctions; Stays. (a) The commencement or continuation of any action or the employment of process with respect to any Claim, Interest, or debt discharged under the Plan, or any act to collect, recover, or offset any Claim or Interest discharged under the Plan as a personal liability of the Debtors, or from properties of the Debtors, shall be, and hereby are, forever enjoined. Except as otherwise expressly provided in the Plan or this Order, all entities who have held, hold, or may hold Claims against or Interests in the Debtors shall be permanently enjoined, on and after the date of this Order, subject to the occurrence of the Effective Date, from (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) the enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree or order; (iii) creating, perfecting, or enforcing any lien or encumbrance; (iv) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability or obligation due to the Debtors; and (v) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of the Plan.

(b) In accordance with Section VIII.E. of the Plan, unless otherwise provided in the Plan or in this Order, all injunctions or stays in effect in the Debtors' chapter 11 Cases under sections 105 or 362 of the Bankruptcy Code or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date. From and after

the Effective Date, all injunctions or stays contained in the Plan or this Order shall remain in full force and effect in accordance with their terms.

44. Revesting Of Property. Except as otherwise expressly provided in the Plan, the property of the Debtors' Estates that is not specifically disposed of pursuant to the Plan shall revert in the Debtors on the Effective Date until duly liquidated and distributed in accordance with the terms of the Plan to effectuate the terms of the Plan and any related documents. As of the Effective Date, all property of the Debtors shall be free and clear of all Claims, encumbrances, Interests, charges, and Liens except as specifically provided in the Plan or this Order. Without limiting the generality of the foregoing, the Debtors and the Liquidating Trustee may, without application to or approval by the Court, each pay professional fees and expenses incurred after the Effective Date.

45. Approval Of Initial Officers, Directors. Pursuant to section 1129(a)(5)(A)(ii) of the Bankruptcy Code, the Court approves as consistent with the interests of Creditors and Interest Holders and with public policy the appointment of William Perkins as the initial Liquidating Trustee as hereby authorized and approved and the Debtors' bylaws, articles or certificates of incorporation, and related corporate documents are deemed amended to permit and authorize such sole appointment.

46. Distribution Record Date. The Distribution Record Date for purposes of making distributions under the Plan on account of Allowed Claims, shall be the date of this Order.

47. Plan Modifications. At the request of the Plan Proponents, the Plan is hereby modified pursuant to 11 U.S.C. § 1127(a) as follows:

The changes to the Plan are:

(a) Modification of the title of Class 2 to include the word “Allowed.”

(b) Modification of the language in Section VI of the Plan to reference assumed executory contracts adjusting the section to provide, in part, "Pursuant to section 1123(b)(2) of the Bankruptcy Code, all executory contracts and unexpired leases to which any Debtor is or was a party and not previously rejected, assumed, or assumed and assigned . . . .

(c) Modification of Section VIII.B.2 to remove the words “of the Bankruptcy Court” after the words “Final Order.”

(d) Modification of section IX.B.8. to provide that the system for Disputed Claims Reserves applies to Claims in each of Class 1, 2, 3, 4, 5 and 7 rather than to only Class 7.

48. Additional Modifications. Following entry of this Order, the Plan Proponents shall be authorized, upon further order of the Bankruptcy Court, to alter, amend, or modify the Plan in accordance with section 1127(b) of the Bankruptcy Code, or to remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan.

49. General Authorizations. Pursuant to section 1142(b) of the Bankruptcy Code and the terms of the Plan, the Debtors are authorized - without the need for further shareholder or Court approval - to execute and deliver, and take such action as is necessary to effectuate the terms of, implement, or further evidence the contracts, and other agreements and documents contemplated by the Plan and the terms and conditions of the Plan, including, without limitation, to issuing, executing, delivering, filing, and recording any documents, Court papers, or pleadings, and to take any and all actions as may be necessary or desirable to implement, effect, or consummate the transactions contemplated by the Plan, whether or not specifically

referred to in the Plan or related documents and without further application to or order of the Court.

50. WARN Act Settlement. The terms of the WARN Act Settlement are hereby approved in their entirety and the WARN Act Settlement Agreement is hereby valid, binding and enforceable against the Debtors, the Creditors' Committee, and all Holders of WARN Act Claims in accordance with its terms. The Debtors are hereby authorized and directed to perform their obligations in accordance with the WARN Act Settlement Agreement. In accordance with Bankruptcy Rule 9019, the Plan is dependent upon and incorporates the terms of the WARN Act Settlement Agreement entered into by the Debtors, the Creditors' Committee, and the plaintiffs in the WARN Act Litigation which agreement incorporates compromises and settlement of significant and complex issues in dispute in these Cases. The compromises and settlements embodied in the WARN Act Settlement Agreement constitute good faith compromises and settlements of the matters covered thereby. Such compromises and settlements are made in exchange for consideration and are in the best interests of the Debtors, their Estates, and their Holders of Claims and Interests, are well within the reasonable range of possible litigation outcomes, are fair, equitable and reasonable and are essential elements of the resolution of the chapter 11 Cases in accordance with the Plan. The WARN Act Settlement Agreement:

- (a) falls within the jurisdiction of this Court pursuant to 28 U.S.C. §§ 1334(a), (b), and (d);
- (b) is an essential means of implementing the Plan pursuant to section 1123(a)(5) of the Bankruptcy Code;

(c) is an integral element of the transactions incorporated into the Plan;

(d) confers material benefit on, and is in the best interest of the Debtors, their Estates, and the Holders of their Claims and Interests;

(e) is important to the overall objectives of the Plan to finally resolve all claims among or against the parties in interest in these chapter 11 Cases; and

(f) is consistent with sections 105, 510(a), 1123, 1129 and other applicable provisions of the Bankruptcy Code.

The WARN Act Settlement Agreement has been negotiated at arms' length and has been entered into in good faith. The settlements and compromises embodied therein avoid costly and time consuming litigation and have permitted the Plan Proponents to confirm a Plan sooner than would have otherwise been possible absent such settlement.

51. Documents. All documents necessary to implement the Plan including, but not limited to, any tax sharing, separation, or transition services agreements shall, upon execution, be valid, binding and enforceable agreements and are not be in conflict with any federal or state law.

52. Cancellation Of Existing Securities and Agreements. Except: (i) as otherwise expressly provided in the Plan, (ii) with respect to executory contracts or unexpired leases that have been assumed and assigned by the Debtors, (iii) share certificates and any other promissory notes, share certificates, other instruments evidencing Interests, and all options, warrants, calls, rights, puts, awards, commitments or any other agreements to acquire such Interests, and other instruments evidencing any Claims or Interests shall be deemed automatically cancelled without further act or action under any applicable agreement, law,

regulation, order, or rule and the obligations of the Debtors under the agreements, indentures, and certificates governing such Claims and Interests, as the case may be, shall be discharged.

53. Exemption From Stamp Taxes. (a) Pursuant to section 1146(a) of the Bankruptcy Code, the issuance, transfer, or exchange of any security, or the making, delivery, filing, or recording of any instrument of transfer under the Plan, shall not be taxed under any law imposing a recording tax, stamp tax, transfer tax, or similar tax.

(b) All filing or recording officers, wherever located and by whomever appointed, are hereby directed to accept for filing or recording, and to file or record immediately upon presentation thereof, all instruments of absolute or collateral transfer without payment of any recording tax, stamp tax, transfer tax, or similar tax or governmental assessment (other than standard filing fees) imposed by federal, state, or local law. Notice of entry of this Order in the form approved by the Court (i) shall have the effect of an order of the Court, (ii) shall constitute sufficient notice of the entry of this Order to such filing and recording officers, and (iii) shall be a recordable instrument notwithstanding any contrary provision of applicable nonbankruptcy law. The Court specifically retains jurisdiction to enforce the foregoing direction, by contempt or otherwise.

54. Payment Of Administrative Claims. Pursuant to Section II.B. of the Plan, each Holder of an Allowed Administrative Claim shall receive Cash equal to the unpaid portion of such Allowed Administrative Claim; *provided, however*, that obligations incurred in the ordinary course of business during the chapter 11 Cases may be paid in the ordinary course of business during the chapter 11 Cases in accordance with the terms and conditions of any agreement relating thereto by the Debtors; *provided further, however*, that Allowed Administrative Claims incurred by the Debtors or the Creditors' Committee after the date of this

Order shall not be subject to application and may be paid by the Debtors in the ordinary course of business and without further Court approval.

55. Administrative Claims Bar Date. The Administrative Claims Bar Date for the filing of all Administrative Claims not subject to a prior bar date in these Cases (such as the April 1, 2009 Bar Date) shall be 30 days after the Effective Date. Holders, if any, of asserted Administrative Claims (other than Professional Fee Claims and Bankruptcy Administrator fees) shall submit requests for payment of administrative expenses on or before the Administrative Claims Bar Date or forever be barred from doing so. The notice of entry of the Confirmation Order to be delivered pursuant to FED. R. BANKR. P. 3020(c) and 2002(f) shall set forth the final Administrative Claims Bar Date and constitute notice of the final Administrative Claims Bar Date. The Debtors, the Liquidating Trustee, or any party-in-interest shall have the later of (i) 20 days after the Effective Date or (ii) 20 days after the filing of such Administrative Claim (or such longer period as may be allowed by further order of this Court) to review and object to such Administrative Claims.

56. On the Effective Date, the Liquidating Trustee appointed by the Committee will be vested with all of the rights, powers and duties to carry out the Debtors' responsibilities under the Plan including but not limited to the right to pursue any Causes of Action as well as to the other powers set forth in section VIII of the Plan. Furthermore, the Liquidating Trustee shall be vested with the rights, powers and duties of the Committee including, but not limited to, any derivative standing previously granted to the Committee.

57. Creditors' Committee. On the Effective Date, the Creditors' Committee shall cease to exist and its members or agents (including, without limitation, attorneys, financial advisors, accountants and other professionals) shall be released and discharged from further

duties, responsibilities, and obligations arising from, relating to, and in connection with these chapter 11 Cases, except with respect to: (i) all Professional Fee claims incurred through the Effective Date, and (ii) any appeals of the Confirmation Order. Nothing contained in this paragraph, however, shall, or shall be deemed to, limit, abridge, or otherwise affect the exculpations and limitations on liability to which the foregoing parties are entitled under Section VIII of the Plan.

58. Deadline For Requests For Payment Of Professional Fees. All final requests for compensation or reimbursement of Professional Fees for services rendered to the Debtors or the Creditors' Committee pursuant to sections 330 and 503(b) of the Bankruptcy Code prior to the Effective Date (including requests under section 503(b)(4) of the Bankruptcy Code by any Professional or other entity for making a substantial contribution in the chapter 11 Case) shall be Filed and served, within the 30 days of the Effective Date as specified in Sections II.B. and XI.F. of the Plan unless otherwise extended by the Court, upon:

62. References To Plan. Any document related to the Plan that refers to a plan other than the Plan confirmed by this Order shall be, and it hereby is, deemed to be modified such that the reference to a plan in such document shall mean the Plan confirmed by this Order, if appropriate.

63. References To Plan Provisions. The failure specifically to include or reference any particular provision of the Plan in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Plan be confirmed in its entirety.

64. Objections of Taxing Authorities to Plan Provisions Not Providing for Payment of Interest and/or Preservation of Liens. To the extent any of Harris County, Fort Bend County or the Fort Bend County Independent School District have a secured claim against any of the Assets of the Debtors, that lien shall not be extinguished by the confirmation of this Plan. The Liquidating Trustee shall pay, from Available Funds, the full amount of the Allowed Class 5 Claims of each of Texas Comptroller of Public Accounts, the Georgia Department of Revenue, Harris County, Fort Bend County and the Fort Bend County Independent School District in accordance with the distribution scheme set forth in the Plan as soon as practical after such funds become available to the Liquidating Trustee. 65. Setoff. Nothing in this Order or in the Plan shall affect or impair any setoff rights of the Texas Comptroller of Public Accounts or Autonation, Inc. which are expressly preserved.

66. Inconsistency. In the event of an inconsistency between the Plan, on the one hand, and any other agreement, instrument, or document intended to implement the provisions of the Plan, on the other, the provisions of the Plan shall govern (unless otherwise expressly provided for in such agreement, instrument, or document). In the event of any inconsistency between the Plan or any agreement, instrument, or document intended to implement the Plan, on the one hand, and this Order, on the other, the provisions of this Order shall govern.

Notwithstanding the fact that GMAC was identified on Exhibit F of the Disclosure Statement, nothing in this Plan is intended nor shall be construed to amend, modify or supersede the release of GMAC contained in the Order Authorizing Emergency Joint Motion for Order Authorizing Debtor to Obtain Post-Petition Financing on a Secured Basis Pursuant to 11 U.S.C. §§ 105, 361, and 364 [Docket No. 28] (the "Final GMAC DIP Order"), and neither the Debtors, the

Committee, the Liquidating Trustee nor their respective successors or assigns may pursue GMAC for any matter released pursuant to the Final GMAC DIP Order.
