This is to advise you that our Meter Rental Agreement with the above-named customer has been terminated by Pitney Bowes for failure to abide by the provisions of the agreement and/or the requirements of the Domestic Mail Manual.

Accordingly, it is requested that this meter be surrendered immediately and not be included as part of the Chapter 11, Bankruptcy Case #09 10443. mfw

United States Federal Postal Regulations Section P030.1.3, DMM, specifies that no one other than the manufacturer is authorized to have possession of a meter without both a valid postage meter license and a rental agreement with the meter manufacturer, and that postage meters are not for sale.

It should be noted that only the unused postage, not the meter itself, is an asset of the company. The meter itself remains the property of Pitney Bowes.
