WHO MUST FILE A PROOF OF CLAIM AND THE APPLICABLE BAR DATES

The Bar Dates

The Bar Date Order establishes the following bar dates for filing proofs of claim in these cases (collectively, the “Bar Dates”):

The Claims Bar Date. Pursuant to the Bar Date Order, all Entities, other than Governmental Units, holding Claims against the Debtors (whether secured, administrative expense, unsecured priority, or unsecured nonpriority) that arose prior to or on June 9, 2011, are required to file proofs of claim by the Claims Bar Date. Moreover, all Entities, other than Governmental Units, holding Claims against the Debtors that arose subsequent to June 9, 2011 but prior to the Closing Date are required to file proofs of claim pursuant to section 503(b) of the Bankruptcy Code by the Claims Bar Date.

The Governmental Claims Bar Date. Pursuant to the Bar Date Order, Governmental Units holding Claims against the Debtors that arose prior to or on June 9, 2011, are required to file proofs of claim by the Governmental Claims Bar Date.

The Rejection Bar Date. Any Entity whose Claims arise out of the Court-approved rejection of an executory contract or unexpired lease, in accordance with section 365 of the Bankruptcy Code and pursuant to an order entered prior to the confirmation of a chapter 11 plan in the Debtors’ chapter 11 cases, must file a proof of claim on or before the later of: (i) the Claims Bar Date, (ii) 4:00 p.m. (Prevailing Eastern Time) on the date that is thirty (30) days after entry of an order approving the rejection of an executory contract or unexpired lease pursuant to which the entity asserting the Rejection Damages Claim is a party or (iii) such other date as the Court may fix. The later of these dates is referred to in this Notice as the “Rejection Bar Date.”

Entities That Must File Proofs of Claims by the Claims Bar Date

Subject to terms described above for holders of Claims subject to the Rejection Bar Date, the following Entities must file proofs of claim on or before the Claims Bar Date:

- (a) any entity, other than governmental units, whose pre-petition claim against the Debtors is not listed in the Debtors’ schedules of assets and liabilities (the “Schedules”) or whose pre-petition claim is listed

in the Schedules but is listed as disputed, contingent or unliquidated and that desires to participate in these chapter 11 cases or share in any distribution in these chapter 11 cases;

- (b) any entity, other than governmental units, that believes that its pre-petition claim is improperly classified in the Schedules or is listed in an incorrect amount and that desires to have its claim allowed in a classification or amount other than that identified in the Schedules;
- (c) any entity, other than governmental units, that asserts an administrative expense claim against the Debtors pursuant to section 503(b) of the Bankruptcy Code for goods or services provided after the Petition Date but prior to the Closing Date; and
- (d) any entity, other than governmental units, that asserts an administrative expense claim pursuant to section 503(b)(9) of the Bankruptcy Code for goods or services provided prior to the Petition Date.

Entities Not Required to File Proofs of Claim by the Claims Bar Date

The Bar Date Order further provides that the following Entities need not file proofs of claim by the Claims Bar Date:

- (a) any entity that has already properly filed a Proof of Claim against one or more of the Debtors with either Epiq or the Clerk of the Court for the United States Bankruptcy Court for the District of Delaware;
- (b) any entity (i) whose claim is listed in the Schedules or any amendments thereto, and (ii) whose claim is not described therein as “disputed,” “contingent,” or “unliquidated,” and (iii) who does not dispute the amount or classification of its claim as set forth in the Schedules;
- (c) professionals retained by the Debtors or the Committee pursuant to orders of this Court, including Epiq, who assert administrative claims for payment of fees and expenses subject to the Court’s approval pursuant to sections 330, 331(a) and 503(b) of the Bankruptcy Code;
- (d) current officers and directors of the Debtors who assert claims for indemnification and/or contribution arising as a result of such officers’ or directors’ pre-petition or post-petition services to the Debtors;
- (e) any Debtor asserting a claim against another Debtor;
- (f) any person or entity whose claim against the Debtors has been allowed by an order of the Court entered on or before the Bar Date;
- (g) the Office of the United States Trustee; and
- (h) any person or entity whose claim has been paid by the Debtors.

No Requirement to File Proofs of Interest

Any Entity holding an interest in the Debtors (an “Interest Holder”), which interest is based exclusively upon the ownership of the Debtors or an affiliate of the Debtors (any such interest being referred to in this Notice as an “Interest”), need not file a proof of interest on or before the Claims Bar Date; provided, however, that Interest Holders who wish to assert Claims against any of the Debtors that arise out of or relate to the ownership or purchase of an Interest, including Claims arising out of or relating to the sale, issuance or distribution of such Interest, must file proofs of claim on or before the Claims Bar Date, unless another exception identified in this Notice applies.

Filing Proofs of Claim Against Multiple Debtors; Requirement to Identify Debtor and Entitlement to Administrative Expense Status

Any Entity asserting Claims against more than one Debtor must file a separate proof of claim with respect to each such Debtor. In addition, any Entity filing a proof of claim must identify on its proof of claim form the

particular Debtor against which its Claim is asserted, and whether all or a portion of such claim is entitled to administrative expense status pursuant to section 503(b) of the Bankruptcy Code.

CONSEQUENCES OF FAILURE TO FILE PROOF OF CLAIM

Any Entity that is required to file a proof of claim, but fails to do so by the applicable Bar Date described in this Notice, shall not be treated as a creditor with respect to such Claim for the purposes of voting on and distribution under any chapter 11 plan proposed and/or confirmed in these cases.

If it is unclear from the Schedules whether your Claim is disputed, contingent or unliquidated as to amount or is otherwise properly listed and classified, you must file a proof of claim on or before the applicable Bar Date. Any Entity that relies on the information in the Schedules bears responsibility for determining that its Claim is accurately listed therein.

RESERVATION OF RIGHTS

The Debtors reserve the right to (a) dispute, or to assert offsets or defenses against, any filed Claim or any Claim listed or reflected in the Schedules as to nature, amount, liability, classification or otherwise; and (b) subsequently designate any Claim as disputed, contingent or unliquidated. Nothing contained in this Notice shall preclude the Debtors from objecting to any Claim, whether scheduled or filed, on any grounds.

Debtor

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

Creditor

A creditor is the person, corporation, or other entity owed a debt by the debtor on the date of the bankruptcy filing.

Claim

A claim is the creditor's right to receive payment on a debt that was owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Proof of Claim

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the Claims Agent at the following address:

Allen Family Foods, Inc. Claims Processing Center

New York, NY 10150-5013

Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly

unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. §507(a)

Priority claims are certain categories of unsecured Claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Administrative Claim

An administrative claim is a claim of the type described in sections 503 and 507 of title 11 of the United States Code. Among other things, these sections provide that certain types of claims are entitled to administrative expense priority, including, without limitation: (i) the actual, necessary costs and expenses of preserving the estate, including wages, salaries, or commissions for services rendered after the commencement of the bankruptcy case; (ii) certain taxes and penalties related thereto; (iii) compensation and reimbursement of certain officers; (iv) the actual, necessary expenses incurred by (a) certain creditors, (b) a creditor, an indenture trustee, an equity security holder, or a committee representing any such entities, in making a substantial contribution to a debtor's chapter 11 case, (c) a custodian, (d) members of certain committees if incurred in the performance of the duties of such committees; and (v) compensation for services rendered by an indenture trustee. Claims alleged to be entitled to an administrative expense pursuant to 11 U.S.C. sect. 503(b)(9) should be listed in number 6 of the form, but not in number 1a.

Administrative Claim Under 11 U.S.C. §503(b)

Claims that are based upon facts or circumstances arising or occurring after the date of the Bankruptcy filing and that qualify as an administrative expense under section 503(b) (excluding 503(b)(9)) of the Bankruptcy Code.

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

DEFINITIONS

Debtor

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

Creditor

A creditor is the person, corporation, or other entity owed a debt by the debtor on the date of the bankruptcy filing.

Claim

A claim is the creditor's right to receive payment on a debt that was owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Proof of Claim

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the Claims Agent at the following address:

**Allen Family Foods, Inc. Claims Processing Center
c/o Epiq Bankruptcy Solutions, LLC
FDR Station, P.O. Box 5013
New York, NY 10150-5013**

Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly

unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. §507(a)

Priority claims are certain categories of unsecured Claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Administrative Claim

An administrative claim is a claim of the type described in sections 503 and 507 of title 11 of the United States Code. Among other things, these sections provide that certain types of claims are entitled to administrative expense priority, including, without limitation: (i) the actual, necessary costs and expenses of preserving the estate, including wages, salaries, or commissions for services rendered after the commencement of the bankruptcy case; (ii) certain taxes and penalties related thereto; (iii) compensation and reimbursement of certain officers; (iv) the actual, necessary expenses incurred by (a) certain creditors, (b) a creditor, an indenture trustee, an equity security holder, or a committee representing any such entities, in making a substantial contribution to a debtor's chapter 11 case, (c) a custodian, (d) members of certain committees if incurred in the performance of the duties of such committees; and (v) compensation for services rendered by an indenture trustee. Claims alleged to be entitled to an administrative expense pursuant to 11 U.S.C. sect. 503(b)(9) should be listed in number 6 of the form, but not in number 1a.

Administrative Claim Under 11 U.S.C. §503(b)

Claims that are based upon facts or circumstances arising or occurring after the date of the Bankruptcy filing and that qualify as an administrative expense under section 503(b) (excluding 503(b)(9)) of the Bankruptcy Code.

Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.
