**BID PROCEDURES**

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) have filed chapter 11 cases pending in the Bankruptcy Court and jointly administered under Case No. 10-11255 (PJW). By amended motion dated September 27, 2011 (the “Amended Motion”), the Debtors sought, among other things, judicial approval of the process and procedures set forth below (the “Bid Procedures”) through which the Debtors will determine the highest or otherwise best offer for certain of the Debtors’ assets (the “Assets”). On October 5, 2011, the Bankruptcy Court entered its order (the “Bid Procedures Order”), which, among other things, approved the Bid Procedures.

On **October 28, 2011, at 12:00 Noon (Eastern time)**, as further described below, in the Amended Motion and in the Bid Procedures Order, the Bankruptcy Court shall conduct the “Sale Hearing” at which the Debtors shall seek entry of the Sale Order authorizing and approving the sale of the Assets to the Stalking Horse Purchaser (defined below) or to one or more other Qualified Bidders (defined below) that the Debtors, in their discretion, determine to have made the highest or otherwise best offer for the Assets.

*Amended Agreement*

On September 27, 2011, the Point Blank Solutions Inc., Point Blank Body Armor, Inc. and Protective Apparel Corporation of America (the “Sellers”) entered into that certain *Amended and Restated Asset Purchase Agreement* (the “Amended Agreement”)<sup>2</sup> with Barrier Acquisition, LLC (the “Stalking Horse Purchaser”), pursuant to which the Stalking Horse Purchaser proposes to acquire the Assets. Pursuant to the Amended Agreement, the Stalking Horse Purchaser would purchase the Assets, and assume certain executory contracts and unexpired leases (“Assumed Contracts”), free and clear of any liens, claims, rights, encumbrances, and other interests (the “Proposed Sale”). As part of the Proposed Sale, the Stalking Horse Purchaser would provide the Debtors with consideration for the Assets and Assumed Contracts equal to the following (the “Purchase Price”): cash to Debtors’ estates in the amount of the Purchase Price under the Amended Agreement plus the assumption of certain Assumed Liabilities as provided by the Amended Agreement. The transaction contemplated by the Amended Agreement is subject to

competitive bidding as set forth herein, and approval by the Bankruptcy Court pursuant to Bankruptcy Code §§ 363 and 365.

### *Assets for Sale*

The Sellers are offering for sale in one or more transactions the Assets, which generally consist of the Sellers' operational assets related to their business of manufacturing and supplying bullet, fragmentation, and stab resistant apparel and related ballistic accessories, which are used both domestically and internationally by military, law enforcement, security and corrections personnel, as well as by governmental agencies. The Assets for sale do not include certain Excluded Assets as described in the Amended Agreement.

### *Participation Requirements*

In addition to the Bid requirements set forth below, in order to participate in the bidding process or otherwise be considered for any purpose hereunder, a person interested in purchasing the Assets (a "Potential Bidder") must deliver (unless previously delivered) to the Debtors and their counsel the following items (a)-(d) (collectively, the "Participation Requirements"), not later than the Bid Deadline:

- (a) Identification of Potential Bidder. Concurrently with its Bid, identification of the Potential Bidder, its principals, and the representatives thereof who are authorized to appear and act on their behalf for all purposes regarding the contemplated transaction;
- (b) Corporate Authority. Concurrently with its Bid, written evidence satisfactory to Debtors of the Potential Bidder's chief executive officer or other appropriate senior executive's approval of the contemplated transaction;
- (c) Disclosure. Written disclosure of any connections or agreements with the Debtors, the Stalking Horse Purchaser, any other known Potential Bidder or Qualified Bidder (as defined below), and/or any officer, director or direct or indirect equity security holder of the Debtors; and
- (d) Proof of Financial Ability to Perform. Prior to or at the time of presentation of a Bid, written evidence that the Debtors conclude, upon consultation with the Debtors' advisors and counsel to the Official Committee of Unsecured Creditors (the "Creditors' Committee"), counsel to the Official Committee of Equity Holders (together with the Creditors' Committee, the "Committees") and the Debtors' postpetition senior secured lenders (the "DIP Lenders"), demonstrates the Potential Bidder has the necessary financial ability to close the contemplated transaction and provide adequate assurance of future performance under all contracts to be assumed in such contemplated transaction. Such information should include, *inter alia*, the following:
  - (1) the Potential Bidder's current financial statements (audited if they exist);
  - (2) contact names and numbers for verification of financing sources;
  - (3) evidence of the Potential Bidder's internal resources and proof of any debt or equity funding commitments that are needed to close the contemplated transaction; and

- (4) any such other form of financial disclosure or credit-quality support information or enhancement acceptable to the Debtors demonstrating that such Potential Bidder has the ability to close the contemplated transaction; *provided, however*, that the Debtors shall determine, in their reasonable discretion, and upon consultation with their advisors, the Committees and the DIP Lenders, whether the written evidence of such financial wherewithal is acceptable.<sup>3</sup>

#### *Designation as Qualified Bidder*

A “Qualified Bidder” is a Potential Bidder (or combination of Potential Bidders whose bids for the Assets do not overlap and whose bids are combined for purposes of the determination of whether such Potential Bidders together constitute a Qualified Bidder) that delivers the documents and takes the other actions set forth in the Participation Requirements above, that otherwise satisfies the requirements of the Bid Procedures Order and the procedures set forth herein, and that the Debtors, in their discretion, determine is reasonably likely to submit a *bona fide* offer for the Assets and to be able to consummate a sale if selected as a Successful Bidder (defined below).

The Debtors, as soon as is practicable, shall determine and notify the Potential Bidder with respect to whether such Potential Bidder is a Qualified Bidder.

Subject to compliance with the terms of the Amended Agreement, the Stalking Horse Purchaser (together with any assigns to the extent permitted by the Amended Agreement) is deemed to be a Qualified Bidder for all purposes and is deemed to satisfy all Bid requirements as set forth below.

#### *Access to Due Diligence Materials*

Only Potential Bidders that execute and deliver, or have previously executed and delivered, a confidentiality agreement reasonably satisfactory to the Debtors are eligible to receive due diligence access or additional non-public information. If the Debtors determine that a Potential Bidder that has satisfied the Participation Requirements does not constitute a Qualified Bidder, then such Potential Bidder’s ability to receive due diligence access or additional non-public information shall terminate. The Debtors will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from such Qualified Bidders. The Debtors shall not be obligated to furnish any due diligence information after the Bid Deadline (as hereinafter defined). The Debtors are not responsible for, and will bear no liability with respect to, any information obtained by Qualified Bidders in connection with the sale of the Assets.

#### *Due Diligence From Bidders*

Each Potential Bidder and Qualified Bidder (collectively, “Bidders”) shall comply with all reasonable requests for additional information and due diligence access by the Debtors or their advisors regarding such Bidder and its contemplated transaction. Failure by a Potential Bidder to comply with requests for additional information and due diligence access will be a basis for the Debtors to determine that the Potential Bidder is not a Qualified Bidder. Failure by a Qualified Bidder to comply with such requests for additional information and due diligence

---

<sup>3</sup> For the avoidance of doubt, the Debtors shall be under no obligation to consult with any party who submits a bid or proposal to acquire the Assets, and such party shall be treated as a Potential Bidder for purposes of these Bid Procedures.

access will be a basis for the Debtors to determine that a bid made by a Qualified Bidder is not a Qualified Bid.

### **Bidding Process**

The Debtors and their advisors shall: (i) upon consultation with the Debtors' advisors and counsel to the each of the Committees and the DIP Lenders, determine whether a Potential Bidder is a Qualified Bidder; (ii) make reasonable efforts to coordinate the efforts of Bidders in conducting their due diligence investigations, as permitted by the provisions hereof; (iii) receive offers from Qualified Bidders; and (iv) negotiate any offers made to purchase the Assets.

#### *Bid Deadline*

**The deadline for submitting bids by a Qualified Bidder shall be October 26, 2011, at 12:00 Noon (Eastern time) (the "Bid Deadline").**

Prior to the Bid Deadline, a Qualified Bidder that desires to make an offer, solicitation or proposal (a "Bid") shall deliver written copies of its Bid to the Debtors, Point Blank Solutions, Inc., 2102 S.W. 2<sup>nd</sup> Street, Pompano Beach, Florida 33069, Attn: Scott Avila, Chief Restructuring Officer, and Jim Henderson, with a copy to counsel for the Debtors, Pachulski Stang Ziehl & Jones LLP, 919 N. Market St., 17th Floor, Wilmington, Delaware 19801, Attn: Laura Davis Jones. The Debtors will disseminate each Bid as promptly as possible upon receipt to the Stalking Horse Purchaser, the Committees and the DIP Lenders.

Any Bid or offer received after the Bid Deadline shall not constitute a Qualified Bid.

#### *Bid Requirements*

To be eligible to participate in the Auction, each Bid and each Qualified Bidder submitting such a Bid must be determined by the Debtors to satisfy each of the following conditions:

1. Good Faith Deposit. Each Bid must be accompanied by a deposit (the "Good Faith Deposit") in the form of a certified check, cash or other immediately good funds payable to the order of the Debtors in the amount of \$1,500,000; provided, however, that the Debtors reserve the right to modify the amount of the Good Faith Deposit in their discretion if necessary to accept a reduced deposit on account of bids for less than all the Assets.
2. Minimum Overbid. The consideration proposed by the Bid may include only (1) cash or other consideration acceptable to the Debtors in their discretion in an amount of no less than the sum of (a) the Purchase Price under the Amended Agreement (after giving effect to potential purchase price adjustments contained in the Amended Agreement) plus (b) \$750,000 plus (c) \$250,000 (subject to the Debtors' ability to aggregate Bids to determine the highest or otherwise best Bid) and (2) assumption of all Assumed Liabilities that would be assumed by the Stalking Horse Purchaser under the Amended Agreement or additional cash or other consideration of an equivalent value as determined by the Debtors in their business judgment (the "Minimum Bid").

For the avoidance of doubt, the Debtors may in their reasonable discretion and after consultation with the Debtors' advisors and counsel to each of the Committees and the DIP Lenders take into account proposed changes to the working capital adjustment

provisions in the Amended Agreement that effectively would result in an increase of the total purchase price when considering the fulfillment of the Minimum Overbid requirement set forth herein.

3. Irrevocable. All Bids must be, and the Amended Agreement is, irrevocable until two (2) business days after the Assets have been sold pursuant to the closing of the sale or sales approved by the Bankruptcy Court (the “Termination Date”).
4. Same or Better Terms. All Bids must be on terms that, in the Debtors’ business judgment, and upon consultation with the Debtors’ advisors and counsel to each of the Committees and the DIP Lenders, are substantially the same or better than the terms of the Amended Agreement. A Bid must include an executed form of agreement whereby the Qualified Bidder proposes to effectuate the contemplated transaction (the “Contemplated Transaction Documents”). A Bid shall include a copy of the Amended Agreement marked to show all changes requested by the Bidder (including those related to the Purchase Price). The Contemplated Transaction Documents must include a commitment to close by no later than the Outside Date (as defined in the Amended Agreement). A Bid should propose a contemplated transaction involving all or substantially all of the Assets; *provided, however*, that the Debtors may consider proposals for less than substantially all of the Assets; and *provided, further*, that the Debtors may evaluate all Bids, in their reasonable discretion to determine whether such Bid or Bids maximizes the value of the Debtors’ estates as a whole.
5. Contingencies. A Bid may not be conditioned on obtaining financing or any internal approval or on the outcome or review of due diligence, but may be subject to the accuracy in all material respects at the closing of specified representations and warranties at or before closing or the satisfaction in all material respects at the closing of specified conditions set forth in the Amended Agreement, none of which shall, determined by the Debtors in their reasonable discretion, be more burdensome than those set forth in the Amended Agreement.
6. Financing Sources. A Bid must contain written evidence of a commitment for financing or other evidence that the Debtors determine, in their business judgment, demonstrates that the Bidder is no less able than the Stalking Horse Purchaser to consummate the sale. A Bid must further contain appropriate contact information for any financing sources. For the avoidance of doubt, the source and manner of financing of a Bid need not be the same as, or more certain than, the source and manner of financing of the Stalking Horse Purchaser.
7. No Fees Payable to Qualified Bidder. Except with respect to the Break-Up Fee and the Expense Reimbursement that may be provided to the Stalking Horse Purchaser pursuant to the Amended Agreement, a Bid may not request or entitle the Qualified Bidder to any break-up fee, termination fee, expense reimbursement or similar type of payment. Moreover, by submitting a Bid, a Bidder shall be deemed to waive the right to pursue a substantial contribution claim under Bankruptcy Code § 503 related in any way to the submission of its Bid or the Bid Procedures.
8. Immediate Payment of the Break-Up Fee and the Expense Reimbursement. A Bid may not prohibit the immediate payment of the Break-Up Fee and the Expense Reimbursement, if any, to the Stalking Horse Purchaser, if any.

A Bid received from a Qualified Bidder before the Bid Deadline that meets the above requirements and that satisfies the Bid Deadline requirement above shall constitute a “Qualified Bid,” if the Debtors believe, in their reasonable discretion, that such Bid would be consummated if selected as the Successful Bid. The Debtors shall have the right to reject any and all bids that they believe, in their reasonable discretion and in consultation with the Committees and the DIP Lenders, do not comply with the Bid Procedures.

In the event that any Potential Bidder is determined by the Debtors not to be a Qualified Bidder, the Potential Bidder shall be refunded its Good Faith Deposit with interest thereon, if any has accrued, by the Termination Date.

### *Credit Bid Rights*

Subject to the following paragraph, each of the DIP Lenders (individually and collectively) shall be Qualified Bidders and shall have all rights available under Bankruptcy Code § 363(k) to submit a credit bid (a “Credit Bid”) on the Assets securing the loans advanced under the Debtor-in-Possession Financing Agreement, dated December 10, 2010 (as amended or modified thereafter, the “DIP Credit Agreement” and, together with all other agreements executed in connection therewith, the “DIP Financing Documents”). The DIP Lenders’ right to submit a Credit Bid shall be subject to their rights and obligations under the DIP Credit Agreement and the other DIP Financing Documents.

If any of the DIP Lenders are the prevailing Bidder(s) at the Auction on account of a Credit Bid or otherwise, then the Stalking Horse Purchaser shall be entitled to receive the Break-Up Fee and the Expense Reimbursement to the extent payable pursuant to the Amended Agreement. As such, any Bid submitted by any of the DIP Lenders, including one involving a Credit Bid, will be a Qualified Bid only if such Bid includes a cash component of at least \$750,000 (the “Cash Component”). In the event any of the DIP Lenders are selected as the Successful Bidder (or Back-Up Bidder that becomes a Successful Bidder), the Cash Component of such Bid shall first be utilized at the closing of the transaction to provide for the full payment of the Break-Up Fee and the Expense Reimbursement to the Stalking Horse Purchaser to the extent payable pursuant to the Amended Agreement.

### *Break-Up Fee/Expense Reimbursement*

Recognizing the Stalking Horse Purchaser’s expenditure of time, energy and resources, and that the Stalking Horse Purchaser provides a floor bid with respect to the Assets that it has offered to purchase, the Debtors are providing the following bidding protections to the Stalking Horse Purchase.

1. The Debtors have agreed to pay the Stalking Horse Purchaser, upon the terms set forth in the Amended Agreement, (a) if any Break-Up Fee Event (as defined in the Amended Agreement) occurs, cash in an amount equal to \$500,000 as a break-up fee (the “Break-Up Fee”), and (b) if any Reimbursement Event (as defined in the Amended Agreement) occurs, cash in an amount equal to the lesser of (i) an amount equal to all transaction expenses actually incurred in connection with the Stalking Horse Purchaser’s diligence review and investigation of the Debtors’ business and/or the negotiation and documentation of the transaction contemplated by the Amended Agreement, and (ii) \$250,000 (the lesser of the amounts described in clauses (i) and (ii), the “Expense Reimbursement”).
2. Any Bid submitted on the Bid Deadline by a party or parties other than the Stalking Horse Purchaser must be in an amount that is sufficient to pay the Break-Up Fee and the

Expense Reimbursement and result in additional consideration to the Debtors' estates in the amount of at least \$250,000.00 (as compared to the Purchase Price offered by such Stalking Horse Purchaser), after payment of the Break-Up Fee and the Expense Reimbursement.

### **Auction**

If the Debtors receive at least one (1) Qualified Bid from a Qualified Bidder other than the Stalking Horse Purchaser prior to the Bid Deadline, then the Debtors shall notify the Stalking Horse Purchaser and each other Qualified Bidder that the Debtors intend to conduct an auction (the "Auction") to consider all Qualified Bids and to determine the highest or otherwise best bid with respect to the Assets. The Debtors shall provide the Stalking Horse Purchaser, all Qualified Bidders, the Committees and the DIP Lenders with copies of all Qualified Bids in advance of the Auction, but may exclude any confidential financial information, as reasonably designated by the applicable Qualified Bidder. Unless otherwise designated by the Debtors, the Auction shall commence at **10:00 a.m. (Eastern time) on October 27, 2011**, at the offices of Pachulski Stang Ziehl & Jones LLP, 919 N. Market St., 17th Floor, Wilmington, DE 19899.

In advance of the Auction, the Debtors will notify all Qualified Bidders in writing of (i) the highest or otherwise best Qualified Bid, as determined by the Debtors in their discretion (the "Baseline Bid") and (ii) the time and place of the Auction.

If the Debtors do not receive at least one (1) Qualified Bid from a Qualified Bidder other than the Stalking Horse Purchaser, then no Auction shall be scheduled or conducted, and the Court at the Sale Hearing shall proceed to solely consider the approval of the proposed sale to the Stalking Horse Purchaser as set forth in the Amended Agreement and shall not consider any competing or alternative offers or proposals to purchase the Assets.

If the Auction is necessary, such Auction shall be conducted according to the following procedures:

#### **1. Participation at the Auction**

Only the Stalking Horse Purchaser and other Qualified Bidders may bid at the Auction. Only the authorized representatives of each of the Stalking Horse Purchaser, any other Qualified Bidders, the Debtors, the DIP Lenders, and the Committees shall be permitted to attend the Auction, except as otherwise expressly ordered by the Court.

Except as otherwise expressly set forth herein, the Debtors may conduct the Auction in the manner they reasonably determine will result in the highest or otherwise best offer for the Assets.

In the Debtors' discretion, after the conclusion of the Auction, the Debtors may resume an auction for the sale on discrete assets and/or discrete groups of assets, if any, which are not included in the Successful Bid, on such bidding procedures as may be implemented by the Debtors in their discretion.

#### **2. The Debtors Shall Conduct the Auction**

The Debtors and their professionals shall direct and preside over the Auction. At the start of the Auction, the Debtors shall describe the terms of the Baseline Bid. The determination of which Qualified Bid constitutes the Baseline Bid shall be made by the Debtors in their discretion, and may take into account, among other things, (a) the number, type and nature of any changes

to the Amended Agreement requested by each Bidder; (b) the extent to which such modifications are likely to delay closing of the sale of the Assets and the cost to the Debtors of such modifications or delay; (c) the total consideration to be received by the Debtors, including consideration of any liabilities proposed to be assumed pursuant to the Bid; (d) the likelihood of the Bidder's ability to close a transaction and the timing thereof; (e) the net benefit to the Debtors' estates, taking into account any need for payment of the Break-Up Fee and the Expense Reimbursement to the Stalking Horse Purchaser; and (f) any other matter that the Debtors reasonably believe are relevant to the value of the Bid; *provided, however*, that the Debtors shall consult with the Committees and the DIP Lenders in making any such determination (the "Bid Assessment Criteria"). All Bids made thereafter shall be Overbids (as defined below) and shall be made and received on an open basis, and all material terms of each Bid shall be fully disclosed to all other Qualified Bidders. The Debtors shall maintain a transcript of all Bids made and announced at the Auction, including the Baseline Bid, all Overbids and the Successful Bid.

### **3. Terms of Overbids**

An "Overbid" is any bid made at the Auction subsequent to the Debtors' announcement of the Baseline Bid. To submit an Overbid for purposes of this Auction, a Qualified Bidder must comply with the following conditions:

#### **(a) Remaining Terms are the Same as for Qualified Bids**

During the Auction, bidding shall begin initially with the Baseline Bid. Any Overbid after the Baseline Bid shall be made in increments of at least \$100,000.00 in cash or other consideration acceptable to the Debtors; *provided, however*, that any overbids by the Stalking Horse Purchaser thereafter shall only be required to be equal to the sum of (1) the then existing lead Bid plus (2) \$100,000.00 less (3) \$750,000.00.

To the extent not previously provided (which shall be determined by the Debtors), a Qualified Bidder submitting an Overbid must submit at the Debtors' request, as part of its Overbid, written evidence (in the form of financial disclosure or credit-quality support information or enhancement acceptable to the Debtors) demonstrating such Qualified Bidder's ability to close the transaction proposed by such Overbid.

#### **(b) Announcing Overbids**

The Debtors shall announce at the Auction the material terms of each Overbid and the basis for calculating the total consideration offered in each such Overbid. After each Overbid, the Debtors shall indicate which Bid is, in the Debtors' reasonable business judgment, upon consultation with counsel for each of the Committee and the DIP Lenders, the highest or otherwise best Bid and shall thereafter provide the Stalking Horse Purchaser and each Qualified Bidder an opportunity to make subsequent Overbids.

#### **(c) Consideration of Overbids**

The Debtors reserve the right, in their reasonable business judgment, to make one or more adjournments in the Auction to, among other things: facilitate discussions between the Debtors and individual Qualified Bidders; allow individual Qualified Bidders to consider how they wish to proceed; and give Qualified Bidders the opportunity to provide the Debtors with such additional evidence as the Debtors, in their reasonable business judgment, may require, that the Qualified Bidder has sufficient internal resources, or has received sufficient non-contingent debt and/or equity funding commitments, to consummate the proposed transaction at the prevailing Overbid amount.

#### **4. Additional Procedures**

The Debtors may adopt rules for the Auction at or prior to the Auction that, in their reasonable discretion, will better promote the goals of the Auction and that are not inconsistent with any of the provisions of the Bid Procedures Order. All such rules will provide that all Bids shall be made and received in one room, on an open basis, and all other Qualified Bidders shall be entitled to be present for all bidding with the understanding that the true identity of each Qualified Bidder (*i.e.*, the principals submitting the Bid) shall be fully disclosed to all other Qualified Bidders and that all material terms of each Qualified Bid will be fully disclosed to all other Qualified Bidders throughout the entire Auction.

#### **5. Consent to Jurisdiction as Condition to Bidding**

All Qualified Bidders at the Auction shall be deemed to have consented to the core jurisdiction of the Bankruptcy Court and waived any right to a jury trial in connection with any disputes relating to the Auction, and the construction and enforcement of each Qualified Bidder's Contemplated Transaction Documents, as applicable.

#### **6. Closing the Auction**

Upon conclusion of the bidding, the Auction shall be closed, and the Debtors shall immediately (1) identify the highest or best offer for the Assets (the "Successful Bid") and the entity submitting such Successful Bid (the "Successful Bidder") and (2) advise the Qualified Bidders of such determination. The Qualified Bidder that makes the next-highest and/or best bid to that of the Successful Bidder shall become the back-up bidder (the "Back-Up Bidder") and such Back-Up Bidder's final and highest and/or best bid (the "Back-Up Bid") shall remain open pending the closing of the Successful Bid.

As stated above, all Bids, including the Amended Agreement, must be irrevocable until the Termination Date, which is two (2) business days after the Assets have been sold pursuant to the closing of the sale or sales approved by the Bankruptcy Court.

#### **Acceptance of Successful Bid**

The Debtors' sale of the Assets to the Successful Bidder shall be subject to the approval of the Successful Bid by the Bankruptcy Court after the Sale Hearing. The Debtors' presentation of a particular Qualified Bid to the Bankruptcy Court for approval does not constitute the Debtors' acceptance of such Qualified Bid. The Debtors will be deemed to have accepted a Qualified Bid only when the Qualified Bid has been approved by the Bankruptcy Court at the Sale Hearing.

#### **"As Is, Where Is"**

The sale of the Assets shall be on an "as is, where is" basis and without representations or warranties of any kind, nature, or description by the Debtors, their agents or their estates except to the extent set forth in the purchase agreement of the Successful Bidder. Unless otherwise provided in its Contemplated Transaction Documents, including the Amended Agreement, each Qualified Bidder shall be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Assets prior to making its offer, that it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Assets in making its bid, and that it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Assets, or the completeness of any information

provided in connection therewith or the Auction, except as expressly stated in these Bid Procedures.

### **Free and Clear of Any and All Interests**

Except as otherwise provided in the Successful Bidder's purchase agreement and subject to the approval of the Bankruptcy Court, all of Debtors' right, title and interest in and to the Assets subject thereto shall be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options and interests thereon and there against (collectively, the "Liens") in accordance with Bankruptcy Code § 363(f), with such Liens to attach to the net proceeds of the sale of the Assets.

### **Sale Hearing**

The Sale Hearing shall be conducted by the Bankruptcy Court on **October 28, 2011, at 12:00 Noon<sup>4</sup> (Eastern time)**, or on such other date as may be established by the Bankruptcy Court. At the Sale Hearing, the Debtors will seek entry of an order (the "Sale Order") that, among other things, authorizes and approves (a) the sale of the Assets, free and clear of all liens, claims, rights, encumbrances, and other interests of any kind (except as otherwise provided in the Successful Bidder's purchase agreement or in the Sale Order), to the Successful Bidder or Back-Up Bidder, as determined by the Debtors in accordance with the Bid Procedures, and (b) the assignment by the Debtors to the Successful Bidder or Back-Up Bidder of some or all of the Assumed Contracts. The Sale Hearing may be adjourned or rescheduled, from time to time, without notice to creditors or parties in interest other than by an announcement of the adjourned date at the Sale Hearing or on the Court's calendar on the date scheduled for the Sale Hearing.

If the Successful Bidder fails to consummate an approved sale in accordance with the applicable purchase and sale agreement or such agreement is terminated, the Debtors shall be authorized, but not required, to deem the Back-Up Bid, as disclosed at the Sale Hearing, the Successful Bid, and the Debtors shall be authorized, but not required, to consummate the sale with the Back-Up Bidder without further order of the Bankruptcy Court.

### **Return of Good Faith Deposit**

Any Good Faith Deposit of the Successful Bidder (or Back-Up Bidder that becomes a Successful Bidder) shall be applied to the purchase price of such transaction at closing. Good Faith Deposits of all other Qualified Bidders shall be held in a segregated account until the Termination Date, and thereafter returned to the respective bidders with accumulated interest thereon, if any. If a Successful Bidder (including any Back-Up Bidder that has become the Successful Bidder) fails to consummate an approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Debtors shall be entitled to retain the Successful Bidder's Good Faith Deposit as the Debtors' damages resulting from such Successful Bidder's breach or failure to perform; provided, however, that the Debtors' right to assert damages claims in excess of the Good Faith Deposit shall be subject to the agreement of the Successful Bidder.

### **Modifications**

The Bid Procedures may not be modified except with the express written consent of the Debtors and the Stalking Horse Purchaser, or upon Court order.

---

<sup>4</sup> The Sale Hearing time reflected in Exhibit 1 to the proposed order filed with the Amended Motion has been changed from 10:00 a.m. to 12:00 Noon.

Other than with respect to the Bid made by the Stalking Horse Purchaser via the Amended Agreement to the extent provided herein, the Debtors may (a) determine which Qualified Bid, if any, is the highest or otherwise best offer and (b) reject at any time before entry of an order of the Bankruptcy Court approving a Qualified Bid, any Bid that is (i) inadequate or insufficient; (ii) not in conformity with the requirements of the Bankruptcy Code, the Bid Procedures, or the terms and conditions of sale; or (iii) contrary to the best interests of the Debtors, their estates and creditors.
