**SUMMARY OF JOINT PLAN OF LIQUIDATION AND NOTICE OF COMBINED  
HEARING ON (A) DISCLOSURE STATEMENT AND (B) CONFIRMATION OF JOINT  
PLAN OF LIQUIDATION AND RELATED MATTERS**

---

**NOTICE IS HEREBY GIVEN** as follows:

On December 5, 2011 (the “Petition Date”), TMP Directional Marketing, LLC (“TMP”) and certain of its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “Debtors”) filed with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) a proposed joint plan of liquidation (the “Plan”) and a proposed disclosure statement (the “Disclosure Statement”) pursuant to sections 1125 and 1126(b) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”). Copies of the Plan and the Disclosure Statement may be obtained upon request of the Debtors’ counsel at the address specified below and are on file with the Clerk of the Bankruptcy Court, 824 North Market Street, 3rd Floor, Wilmington, Delaware 19801, where they are available for review between the hours of 8:00 a.m. to 4:00 p.m. (prevailing Eastern Time). The Plan and Disclosure Statement also are available for inspection on the Bankruptcy Court’s Internet site at [www.deb.uscourts.gov](http://www.deb.uscourts.gov) or free of charge on the Debtors’ Internet site at <http://dm.epiq11.com/TMPDM>.<sup>2</sup>

The Plan is a “prepackaged” plan of liquidation. The primary purpose of the Plan is to form a liquidating trust to manage the wind-down the Debtors’ operations, administer and liquidate the Debtors’ remaining assets, and make distributions to creditors. The Debtors, given their financial condition and liquidity constraints and after consulting with their advisors, decided that ceasing operations and effectuating an orderly wind-down of the Debtors’ business presented the best way to maximize recovery for all stakeholders. The Debtors believe that any valid alternative to confirmation of the Plan would result in significant delays, litigation, and additional costs, and, ultimately, would jeopardize recoveries for holders of Allowed Claims.
