The Confirmation Hearing may be continued from time to time by announcing such continuance in open court or otherwise, all without further notice to parties in interest. The Court, in its discretion and prior to the Confirmation Hearing, may implement additional procedures governing the Confirmation Hearing.

2. The Debtors are soliciting acceptance of the Plan from holders of Claims that are actually entitled to vote on the Plan. The Bankruptcy Court can confirm the Plan and bind all holders of Claims and Equity Interests if (i) the Plan is accepted by holders of at least two-thirds in amount and more than one-half in number of the Claims in each Impaired class entitled to vote who actually vote on the Plan and (ii) the Plan otherwise satisfies the applicable requirements of section 1129 of the Bankruptcy Code.

CRITICAL INFORMATION REGARDING VOTING ON THE PLAN

3. In accordance with sections 1122 and 1123 of the Bankruptcy Code, the Plan contemplates classifying holders of Claims and Equity Interests into various classes for all purposes, including with respect to voting on the Plan, as follows:

<u>CLASS</u>	<u>CLAIMS AND INTERESTS</u>	<u>STATUS</u>	<u>STATUS</u>

4. Voting Record Date and Voting Deadline. November 27, 2012 is the record date (the “Voting Record Date”) for purposes of determining which creditors are entitled to vote on the Plan. Holders of Claims in Class 2 and Class 4 must return the Ballots to Epiq Bankruptcy Solutions, LLC (the “Solicitation Agent”) by no later than January 10, 2013, at 4:00 p.m., (prevailing Eastern Time) (the “Voting Deadline”). **For a vote to be counted, a creditor must (a) complete all the required information on the Ballot and (b) sign, date and return the completed Ballot by mail, overnight courier or hand delivery, so that it is actually received by the Solicitation Agent by no later than the Voting Deadline.** The Ballot should be returned to:

If by First Class Mail:

New York, NY 10150-5014

If by Overnight or Hand Delivery:

Velo Holdings Inc. Ballot Processing
c/o Epiq Bankruptcy Solutions LLC
757 Third Avenue, 3rd Floor
New York, NY 10017

5. Disallowed Claims for Voting Purposes; Temporary Allowance of Claims for Voting Purposes. Any holder of a Voting Claim against the Debtors (i) for which the Debtors have filed an objection on or before the Voting Deadline to the extent and in the manner as may be set forth in such objection unless such claim is subsequently allowed on or before the Voting Deadline, (ii) who is a defendant in an adversary proceeding where such Claim would be subject to disallowance under section 502(d) of the Bankruptcy Code, or (iii) who has filed a proof of claim in unknown, undetermined, unliquidated, or contingent amounts, including all Claims based on pending litigations not subject to a judgment against any of the Debtors (such Claims in clauses (i), (ii) and (iii) being referred to herein as “Disputed Voting Claims”), shall not be entitled to vote on the Plan and shall not be counted in determining whether the requirements of section 1126 of the Bankruptcy Code have been met, except that ballots cast by creditors who

timely file proofs of claim for unknown, undetermined, unliquidated, or contingent amounts will count for satisfying the numerosity requirement of section 1126(c) of the Bankruptcy Code and will count as Ballots for claims in the amount of \$1.00 solely for the purpose of satisfying the dollar amount provisions of section 1126(c) of the Bankruptcy Code. If any holder of a Disputed Voting Claim disagrees with such voting status, then it must file with the Bankruptcy Court and serve upon counsel to the Debtors, counsel to the Committee, and counsel to the First Lien Agent, by ten (10) business days prior to the Voting Deadline (the “Resolution Deadline”), a motion (a “Temporary Allowance Motion”) requesting temporary allowance of its Claim for voting purposes only in accordance with Bankruptcy Rule 3018(a). No later than two (2) business days after the filing and service of such Temporary Allowance Motion, the Solicitation Agent will send the movant a Solicitation Package, and the movant shall be required to return its ballot to the Solicitation Agent by the Voting Deadline. If the Debtors and the holder of the Disputed Voting Claim cannot resolve consensually the temporary allowance of the Disputed Voting Claim, the Court may consider the Temporary Allowance Motion at the Confirmation Hearing. The Debtors and the Solicitation Agent’s rights with respect to the Temporary Allowance Motion and the Disputed Voting Claim are reserved. The allowance of any Voting Claim for voting purposes on the Plan shall not constitute a waiver of any rights of the Debtors to object to such Claim for purposes of allowance or distribution under the Plan or otherwise.

ESTABLISHMENT OF OBJECTION DEADLINE AND PROCEDURES

6. The Court established **January 10, 2013, at 4:00 p.m.** (prevailing Eastern Time) as the last date and time for filing and serving objections to the approval of the Plan (the “Plan Objection Deadline”). Objections not filed and served by the Plan Objection Deadline in the manner set forth in paragraph 7 below will not be considered by the Court.

7. In order to be considered by the Court, objections, if any, to the Plan, must (a) be in writing, (b) state the name and address of the objecting party and the amount and nature of the Claim or Equity Interest of such party, (c) state with particularity the legal and factual basis and nature of any objection or proposed modification to the Plan, and (d) be filed with the Clerk of the Court, with a copy delivered to chambers, and served so that they are received on or before the Plan Objection Deadline by:

INJUNCTIONS, RELEASES AND EXCULPATION

11. Following confirmation, subject to Section 10 of the Plan, the Plan will be substantially consummated on the Effective Date. Among other things, effective as of the Confirmation Date but subject to the occurrence of the Effective Date, certain release, injunction, exculpation and discharge provisions set forth in Section 10 will become effective. If you are the holder of a General Unsecured Claim and have been served with a solicitation package, including a Class 4 Ballot, and do not vote on the Plan and the Plan is confirmed, you will be deemed a “Releasing Party” for purposes of Section 10.5 of the Plan, which will become effective upon the occurrence of the Effective Date. It is important to read the provisions contained in Section 10 of the Plan very carefully so that you understand how confirmation and substantial consummation of the Plan – which effectuates such provisions – will affect you and any Claim you may hold against the Debtors.

Exhibit 2

November 30, 2012

The General Unsecured Creditors
of Velo Holdings Inc., et al.

**RE: Recommendation of Creditors' Committee in Favor of Chapter 11 Plan of
Reorganization**

Dear Creditor:

The undersigned are counsel and advisors to the official committee of unsecured creditors (the "Committee") of Velo Holdings Inc. and its affiliated debtors and debtors-in-possession (the "Debtors"). The Committee supports the Debtors' chapter 11 plan of reorganization (the "Plan") and urges you to vote to accept the Plan. Copies of the Plan and related disclosure statement (the "Disclosure Statement") are being distributed to each holder of a claim against the Debtors who is entitled to vote to accept or reject the Plan, along with a ballot with which to cast its vote.

Since its appointment on April 11, 2012, the Committee has participated in all aspects of these bankruptcy cases, including the sale and marketing processes related to the Debtors' Neverblue and Coverdell business segments. In addition, the Committee has carefully monitored the orderly "harvest," of the Debtors' ACU Business. The Debtors' Plan accomplishes several significant goals for the Committee's constituency, which consists of vendors of goods, service providers, litigation claimants and landlords, including the following:

- (i) the Debtors' senior secured lenders, whose claims will not be repaid in full under the Debtors' Plan, agree to contribute \$375,000 to fund a Liquidating Trust for the benefit of general unsecured creditors;
- (ii) the Debtors' senior secured lenders agree to waive any deficiency claim to which they may be entitled such that they will not receive any portion of the funds contributed to the Liquidating Trust for the benefit of general unsecured creditors;
- (iii) The Debtors' junior secured lenders are receiving no distribution under the Plan;
- (iii) the Debtors, their senior secured lenders and the successor to the ACU Business agree not to pursue avoidance actions, including preference actions, against any current or former trade creditors unless otherwise noted in the Plan;
- (iv) many vendors and service providers will continue to have a customer for their products and services going forward in connection with the ongoing business of the Debtors' Coverdell and Neverblue segments as well as the ACU Business as the "harvest" is projected to continue for several years;
- (v) as many creditors are aware, prior to the Petition Date, the Debtors' marketing practices faced substantial criticism from various consumer protection advocates and individual consumers; as a result of the Plan, the Debtors, their senior secured lenders and the successor to the ACU Business will not resume these

November 30, 2012

objectionable marketing practices and they will not accept any new customers who attempt to subscribe to services provided by the ACU Business after April 2, 2014.

The beneficial aspects of the Plan described above are fully contingent on acceptance of the Plan by the Debtors' general unsecured creditors. If the class of general unsecured creditors does not vote to accept the Plan, the Debtors and the successor to the ACU Business will preserve the ability to pursue avoidance actions against current and former vendors, and no amounts will be contributed to fund a liquidation trust for the benefit of general unsecured creditors.

As a result of the Plan (and the sale of the Neverblue business which has been implemented as part of the restructuring process culminating with the Plan), two of the Debtors' three business segments will continue as going concerns, and the Debtors' ACU Business will be "harvested" over the next few years in an orderly manner that will maximize value to the Debtors' stakeholders while also discontinuing marketing practices that were objectionable to some consumers. In addition, if the Plan is approved, preference and other avoidance actions will not be pursued against the Debtors' current and former trade creditors, except as otherwise noted in the Plan. Finally, the Debtors' lenders have agreed to contribute \$375,000 to fund a liquidating trust to administer a small distribution to general unsecured creditors. The Debtors believe that approximately \$1.6 billion in general unsecured claims have been filed against their estates, excluding potential duplicative claims. However, the Debtors estimate that approximately \$36 million in general unsecured claims will ultimately be allowed. Unfortunately, due to the size of the claims pool, little to no distribution is projected at this time.

The Committee voted to support the Plan because it believes that acceptance of the Plan is in the best interests of the holders of general unsecured claims. The Committee concluded that the relief provided for in the Plan, including the continuation of two of the Debtors' three business units and the agreement not to pursue avoidance actions against vendors voting to support the Plan, represents a substantial improvement over the recovery that unsecured creditors might expect under chapter 7 of the Bankruptcy Code. **Accordingly, the Committee recommends that creditors vote in favor of the Plan by so indicating on the enclosed ballot.** However, you should make your own determination on whether to accept or reject the Plan after reading and giving careful consideration to both the Plan and Disclosure Statement, and in consultation with your own advisors and professionals.

Item 2. Vote on Plan (Please check one.)

CHECK ONE BOX ONLY

- ☐ **ACCEPTS (votes FOR) the Plan.**
- ☐ **REJECTS (votes AGAINST) the Plan.**

IMPORTANT INFORMATION REGARDING THE RELEASE

Following confirmation, subject to Section 10 of the Plan, the Plan will be substantially consummated on the Effective Date. Among other things, effective as of the Confirmation Date but subject to the occurrence of the Effective Date, certain release, injunction, exculpation and discharge provisions set forth in Section 10 will become effective. It is important to read the provisions contained in Section 10 of the Plan very carefully so that you understand how confirmation and substantial consummation of the Plan – which effectuates such provisions – will affect you and any Claim you may hold against the Debtors so that you cast your vote accordingly.

Specifically, the “Releases” in section 10.5 of the Plan provide, among other things, the following:

Except as otherwise provided in the Plan or the Confirmation Order, on the Effective Date, to the fullest extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, each Releasing Party, in consideration for the obligations of the Debtors and the other Released Parties under the Plan, the Distributions provided for under the Plan, and the contracts, instruments, releases, agreements or documents executed and delivered in connection with the Plan, shall be deemed to unconditionally and forever release, waive, and discharge the Debtors and each Released Party from any and all claims (as such term “claim” is defined in section 101(5) of the Bankruptcy Code), obligations, suits, judgments, damages, demands, debts, rights, causes of action, and liabilities whatsoever in connection with or related in any way to the Debtors, the operation of the Debtors’ businesses, the incurrence by the Debtors of any indebtedness or the use of proceeds thereof, the Chapter 11 Cases, and the Plan, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity, or otherwise, that are based in whole or part on any act, omission, transaction, event, or other occurrence

taking place on or prior to the Effective Date; *provided, however*, that that nothing in Section 10.5(b) of the Plan shall be deemed to be construed as a waiver or release of any (i) Causes of Action against the Excluded Parties, (ii) Intercompany Claims, (iii) rights under the Plan or (iv) causes of action based on gross negligence, fraud or willful misconduct, in each case as determined by a Final Order entered by a court of competent jurisdiction.

Entry of the Confirmation Order will constitute the Bankruptcy Court's approval, pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019, of the releases in Sections 10.5(a) and (b) of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further, will constitute the Bankruptcy Court's finding that such releases are (i) in exchange for the good and valuable consideration provided by the Debtors and the other Released Parties, representing a good faith settlement and compromise of the Claims released herein, (ii) in the best interests of the Debtors and all holders of Claims, (iii) fair, equitable, and reasonable, (iv) approved after due notice and opportunity for hearing, and (v) a bar to any of the Releasing Parties asserting any Claim released by the Releasing Parties against any of the Debtors or the other Released Parties or their respective property.

Each Person to which Sections 10.5(a) and (b) of the Plan apply shall be deemed to have granted the releases set forth in those Sections notwithstanding that such Person may hereafter discover facts in addition to, or different from, those which it now knows or believes to be true, and without regard to the subsequent discovery or existence of such different or additional facts, and such Person expressly waives any and all rights that it may have under any statute or common law principle which would limit the effect of such releases to those claims or causes of action actually known or suspected to exist at the time of execution of the release.

IMPORTANT INFORMATION REGARDING THE RELEASE

Following confirmation, subject to Section 10 of the Plan, the Plan will be substantially consummated on the Effective Date. Among other things, effective as of the Confirmation Date but subject to the occurrence of the Effective Date, certain release, injunction, exculpation and discharge provisions set forth in Section 10 will become effective. It is important to read the provisions contained in Section 10 of the Plan very carefully so that you understand how confirmation and substantial consummation of the Plan – which effectuates such provisions – will affect you and any Claim you may hold against the Debtors so that you cast your vote accordingly.

Specifically, the “Releases” in section 10.5 of the Plan bind those holders of General Unsecured Claims which have been served with a solicitation package, including a Class 4 Ballot, pursuant to the Disclosure Statement Order, that either (i) have not voted to reject the Plan or (ii) have voted to reject the Plan but have not checked the box indicating that they opt not to grant the releases provided for under the Plan. If you are a holder of a General Unsecured Claim that has been served with a solicitation package, including a

Class 4 Ballot pursuant to the Disclosure Statement Order, and abstain from voting, you are deemed to grant the “Releases” provided for under the Plan. The “Releases” provide for, among other things, the following:

Except as otherwise provided in the Plan or the Confirmation Order, on the Effective Date, to the fullest extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, each Releasing Party, in consideration for the obligations of the Debtors and the other Released Parties under the Plan, the Distributions provided for under the Plan, and the contracts, instruments, releases, agreements or documents executed and delivered in connection with the Plan, shall be deemed to unconditionally and forever release, waive, and discharge the Debtors and each Released Party from any and all claims (as such term “claim” is defined in section 101(5) of the Bankruptcy Code), obligations, suits, judgments, damages, demands, debts, rights, causes of action, and liabilities whatsoever in connection with or related in any way to the Debtors, the operation of the Debtors’ businesses, the incurrence by the Debtors of any indebtedness or the use of proceeds thereof, the Chapter 11 Cases, and the Plan, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity, or otherwise, that are based in whole or part on any act, omission, transaction, event, or other occurrence taking place on or prior to the Effective Date; *provided, however*, that that nothing in Section 10.5(b) of the Plan shall be deemed to be construed as a waiver or release of any (i) Causes of Action against the Excluded Parties, (ii) Intercompany Claims, (iii) rights under the Plan or (iv) causes of action based on gross negligence, fraud or willful misconduct, in each case as determined by a Final Order entered by a court of competent jurisdiction.

Entry of the Confirmation Order will constitute the Bankruptcy Court’s approval, pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019, of the releases in Sections 10.5(a) and (b) of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further, will constitute the Bankruptcy Court’s finding that such releases are (i) in exchange for the good and valuable consideration provided by the Debtors and the other Released Parties, representing a good faith settlement and compromise of the Claims released herein, (ii) in the best interests of the Debtors and all holders of Claims, (iii) fair, equitable, and reasonable, (iv) approved after due notice and opportunity for hearing, and (v) a bar to any of the Releasing Parties asserting any Claim released by the Releasing Parties against any of the Debtors or the other Released Parties or their respective property.

Each Person to which Sections 10.5(a) and (b) of the Plan apply shall be deemed to have granted the releases set forth in those Sections notwithstanding that such Person may hereafter discover facts in addition to, or different from, those which it now knows or believes to be true, and without regard to the subsequent discovery or existence of such different or additional facts, and such Person expressly waives any and all rights that it may have under any statute or common law principle which would limit the effect of such releases to those claims or causes of action actually known or suspected to exist at the time of execution of the release.

Item 4. Certification. By signing this Ballot, the undersigned hereby certifies that: (a) on November 27, 2012, it was the holder of the Class 4 General Unsecured Claims to which this Ballot pertains (or an authorized signatory for such holder), (b) it has full power and authority to vote to accept or reject the Plan, and (c) it had received a copy of the Disclosure Statement (including the exhibits) and other materials (collectively, the solicitation of votes to accept or reject the Plan is subject to the terms and conditions set forth in the Disclosure Statement and Plan.
