Chapter 11

Case No. 12-12869 (KG)

(Jointly Administered)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND
DISCLAIMER REGARDING DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS²**

The Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**”) of the above-captioned debtors and debtors-in-possession (collectively, the “**Debtors**”), filed with the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”) on January 24, 2013, are unaudited and have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtors’ management with the assistance of their advisors. While the Debtors’ management has made reasonable efforts to ensure that the Statements and Schedules are accurate and complete, based on information that was available at the time of preparation, the Schedules and Statements remain subject to further revision and verification by the Debtors. Subsequent receipt or discovery of information may result in material changes in financial and other data contained in the Schedules and Statements. Moreover, inadvertent errors or omissions may exist. Accordingly, the Debtors reserve the right to amend or supplement the Schedules and Statements from time to time as may be necessary or appropriate. The Notes Regarding Schedules of Assets and Liabilities and Statements of Financial Affairs (the “**Global Notes**”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. On October 17, 2012 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “**Bankruptcy Code**”). Except as otherwise noted, all asset and liability information is as available as of the Petition Date.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s tax identification number or VAT number, as applicable, are: Satcon Technology Corporation (7552), Satcon Power Systems, Inc. (8804), Satcon Electronics, Inc. (4678), Satcon Power Systems (California), LLC (4644), Satcon Power Systems Canada, Ltd. (4511), Satcon International, s.r.o. (7072 - VAT) and Satcon Technology (Shenzhen) Co., Ltd. (1537 - VAT). The Debtors’ address is 25 Drydock Avenue, Boston, Massachusetts, 02210.

² A Statement of Financial Affairs or a Schedule of Assets and Liabilities for a particular Debtor begins immediately after these Global Notes (as defined below).

2. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors.

3. Nothing contained in the Global Notes or the Schedules and Statements shall constitute a waiver of the Debtors’ rights with respect to these chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets, avoid transfers, or collect money owed.

4. Any failure to designate a claim listed on the Debtors’ Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” or “unliquidated” or is not subject to objection. The Debtors reserve the right to dispute, or to assert setoff rights, counterclaims or defenses to, any claim reflected on its Schedules as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.”

5. All amounts shown in the Schedules and Statements are in U.S. Dollars.

6. Certain of the Schedules and Statements may list creditors and set forth the Debtors’ estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court authorized the Debtors to pay various prepetition claims, including claims of employees, customers, taxing and regulatory authorities, lienholders and certain essential vendors. Consequently, certain prepetition fixed liquidated and undisputed unsecured claims have been paid as of the date of the filing of the Schedules and Statements. Accordingly, the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements. To the extent that these liabilities have been or will be satisfied, they are not listed in the Schedules.

7. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to change the allocation of any liability between the prepetition and postpetition periods to the extent additional information becomes available.

8. Despite reasonable efforts, the Debtors might not have identified and/or set forth all of their causes of action against third parties as assets in their Schedules. The Debtors reserve any and all rights with respect to any causes of action they may have, and neither these General Notes nor the Schedules shall be deemed a waiver of any such right or cause of action. Further, despite reasonable efforts, the Debtors might not have identified and/or set forth all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

9. All totals that are included in the Schedules represent totals of all the known amounts included in the tables.

10. It would be unduly burdensome and an inefficient use of estate assets and other resources for the Debtors to obtain current market valuations of all of its assets. Accordingly, unless otherwise indicated, net book values as of October 17, 2012 (unless otherwise stated) are reflected on the Debtors' Schedules and Statements. These amounts may materially vary from current fair market value.

11. There may be instances in the Schedules where the Debtors have deemed it necessary and appropriate to redact from the public record information such as names, addresses or amounts. Typically, the Debtors have used this approach because of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of, or otherwise preserving the confidentiality of personally identifiable information with respect to, an individual.

12. These Global Notes are in addition to the specific notes set forth in the individual Schedules and Statements. Disclosure of information in one Schedule, Statement, exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit or continuation sheet.

13. The Debtors specifically reserve the right to amend, modify, supply, correct, change or alter any part of the Schedules and Statements as and to the extent necessary or as they deem appropriate.

14. In the event that the specific notations on the Schedules and Statements differ from these Global Notes, these Global Notes shall control.

Specific Notes

15. Schedule B: It would be unduly burdensome and an inefficient use of estate assets and other resources for the Debtors to obtain current market valuations of all of its assets listed in Schedule B. Accordingly, unless otherwise indicated, net book values are reflected on the Debtors' Schedules and Statements as of the Petition Date. These amounts may materially vary from current fair market value. The values set forth in Schedule B are as of October 17, 2012.

16. Schedule D: Although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature or amount of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided on Schedule D are intended only to be a summary. Without limiting the foregoing, the inclusion on Schedule D of creditors that have asserted mechanic's and other similar liens is not intended to be an acknowledgement of the validity, extent, or priority of any such liens, and the Debtors reserve their right to challenge such liens and the underlying claims on any ground whatsoever. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Except as specifically stated herein, real property lessors, utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors have not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtors, or inchoate statutory lien rights.

17. Schedule F: The claims listed on Schedule F arose or were incurred on various dates and a determination of each date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive, and thus, the Debtors do not list a date for each claim listed on Schedule F.

18. Schedule G: While reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtors' listing of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are reserved, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim. In addition, the Debtors might have entered into various other types of agreements in the ordinary course of its business, such as supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents may not be set forth in Schedule G. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. The Debtors' omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Schedule G may be amended at any time to add any omitted contract or agreement.

19. Schedule H: Schedule H reflects guarantees or other obligations by various Debtor affiliates of obligations primarily vested in other related affiliates. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. The Debtors reserve their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or to be unenforceable.

20. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit each of the Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these schedules as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to any claim reflected on these Schedules as to

nature, amount, liability, or status or to otherwise designate any claim as disputed, contingent or unliquidated.

21. Effect of Payments Made Pursuant to “First Day” Orders on Scheduled Claim Amount. The Bankruptcy Court authorized the Debtors to pay various outstanding prepetition claims, including payments to certain employees, customers, essential vendors, lienholders and taxing and regulatory authorities. Where the Schedules list creditors and set forth the Debtors’ scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date, adjusted for any postpetition payments made on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court. Thus, Schedules E and F generally do not include prepetition liabilities that have been or will be paid under these first day orders. However, the estimate of claims set forth in the Schedules may not reflect assertions by the Debtors’ creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.

22. Statements. Question 9. Payments related to debt counseling and bankruptcy. Payments include retainers to professionals. Retainers may have been reduced or adjusted by prepetition obligations applied, but not reflected in the exhibit.

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
