DECLARATION OF CHARLES M. FORMAN IN SUPPORT OF APPLICATION OF CHAPTER 7 TRUSTEE, PURSUANT TO BANKRUPTCY CODE §327(a) AND 328(a), BANKRUPTCY RULE 2014(a), AND LOCAL RULE 2014-1, FOR AUTHORITY TO EMPLOY AND RETAIN FORMAN HOLT ELIADES & YOUNGMAN LLC AS GENERAL BANKRUPTCY COUNSEL, NUNC PRO TUNC TO FEBRUARY 7, 2013

I, Charles M. Forman, Esquire, of full age, being duly sworn according to law, hereby declare as follows:

1. I am a member of Forman Holt Eliades & Youngman LLC ("FHEY"), which maintains an office for the practice of law at 80 Route 4 East, Suite 290, Paramus, New Jersey 07652. I am an attorney at law, duly admitted and in good standing to practice in the States of New Jersey, New York and the District of Columbia, the United States District Court for the District of New Jersey, the United States District Courts for the Southern District of New York, the United States Court of International Trade, the United States Court of Appeals for the Third Circuit, and the United States Supreme Court.

2. I submit this declaration (the "Declaration")² in connection with and in support of my application, pursuant to sections 327(a) and 328(a) of the Bankruptcy Code, Bankruptcy Rule

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's tax identification number or VAT number, as applicable, are Satcon Technology Corporation (7552), Satcon Power Systems, Inc. (8804), Satcon Electronics, Inc. (4678), Satcon Power Systems (California), LLC (4644), Satcon Power Systems Canada, Ltd. (4511), Satcon International, s.r.o. (7072-VAT) and Satcon Technology (Shenzhen) Co., Ltd. (1537 – WAT). The Debtors' address is 25 Drydock Avenue, Boston, Massachusetts, 02210.

2014(a), and Local Rule 2014-1, for authority to employ and retain Forman Holt Eliades & Youngman LLC as general bankruptcy counsel, *nunc pro tunc* to February 7, 2013 (the "Application").

3. To the best of my knowledge, information and belief, FHEY is a disinterested person as that term is defined in section 101(14) of the Bankruptcy Code.

4. In addition, except as set forth herein, neither I, FHEY, nor any member or associate thereof, insofar as I have been able to ascertain, has any connection with the Debtors, their creditors, or any other party in interest herein, or its respective attorneys and accountants, the United States Trustee or any person employed in the Office of the United States Trustee.

5. FHEY systematically maintains and updates its conflicts check system in the regular course of business. In addition to the Debtors, FHEY submitted the creditors listed on Exhibit 1 to its conflicts check system. No conflict was found.

6. FHEY employs approximately 19 lawyers, has a diverse legal practice that encompasses numerous commercial entities, some of which may be claimants or otherwise have an interest in these proceedings. FHEY may have in the past represented, currently represent, and may in the future represent, certain entities that are claimants or potential claimants of the Debtors, or other parties in interest, in matters wholly unrelated to these chapter 7 cases and any respective claims or potential claims against the Debtors. Furthermore, FHEY appears in cases, proceedings and transactions involving various attorneys, accountants, financial consultants and investment bankers, some of which now, or may in the future, represent or themselves be claimants or parties in interest in these chapter 7 cases. Notwithstanding the foregoing, FHEY has not and will not represent such entities with respect to these chapter 7 cases and its respective

² Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Application.

claims against the bankruptcy estates or the Debtors. FHEY has not and will not have any relationship with any such entity that would be adverse to the Debtors or the bankruptcy estates.

7. Based upon the foregoing, I do not believe that FHEY either holds or represents any disqualifying interest adverse to me, the Debtors, the bankruptcy estates, or creditors or other parties in interest.

8. Therefore, I respectfully submit that FHEY is not disqualified from employment pursuant to 11 U.S.C. §§327 (a) and 328 as a result of the relationships discussed above.

9. FHEY intends to apply to the Court for allowance of compensation for professional services rendered and reimbursement of expenses incurred by FHEY in connection with these cases in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules of this Court and any applicable Order of the Court.

10. FHEY will charge its regular hourly rates for services performed in these cases. Currently, FHEY's regularly hourly rates range from \$200.00 to \$600.00 for attorneys and \$150.00 to \$200.00 for paraprofessionals. The principal attorneys presently designated to represent me and their current standard hourly rates are as follows:

- a. Charles M. Forman \$600.00 per hour
- b. Michael E. Holt \$475.00³ per hour
- c. Kim R. Lynch \$475.00³ per hour
- d. Joseph J. Oliver \$200.00 per hour
- e. Deirdre E. Burke \$200.00 per hour

11. Other attorneys and paraprofessionals may from time to time render services in connection with the matters herein described.

³ These rates will increase to \$495.00 per hour effective April 1, 2013.

12. The hourly rates set forth above are FHEY's current regular hourly rates for work of this nature and are normally subject to periodic adjustments to reflect economic and other conditions which adjustments usually take place annually. These rates are set at a level designed to fairly compensate FHEY for the work of its attorneys and paraprofessionals and to cover fixed and routine overhead expenses. Such hourly rates do not include charges for non-legal personnel, including word processing, clerical, proofreading and secretarial staff. It is FHEY's policy to charge its clients for all other services provided and for disbursements and expenses incurred in relation thereto. These disbursements and expenses include, among other things, charges for telephone and facsimile usage, photocopying, travel, business meals, computerized research, messengers, couriers, postage, witness fees and fees related to trials and hearings. FHEY will charge for these expenses in a manner and at rates consistent with charges made generally to its other clients. FHEY believes it is more equitable to charge these expenses to the clients incurring them than to increase the hourly rates and spread the expenses among all clients.

13. No promises have been rendered by or to FHEY as to compensation in connection with this case other than in accordance with the provisions of the Bankruptcy Code. FHEY has no agreement with any other person (other than its customary arrangement among the members of FHEY) for the sharing of compensation to be received by FHEY in connection with services rendered in these cases.

14. I will work closely with any other retained professionals that may become involved in these cases to ensure that there is no unnecessary duplication of services performed or charged to the Debtors' estates.

15. FHEY reserves the right to supplement this Declaration should it discover further pertinent relationships that require disclosure in these cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury of the laws of the United States of America that the foregoing is true and correct.

Dated: March 6, 2013
