**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE**

In re:

SATCON TECHNOLOGY
CORPORATION, *et al.*,¹

Debtors.

Chapter 7

Case No. 12-12869 (KG)

Jointly Administered

**STIPULATION REGARDING THE CLAIM OF
J.S. INTERNATIONAL SHIPPING CORPORATION**

This stipulation (“Stipulation”) is entered into by and among Charles M. Forman (the “Trustee”), chapter 7 trustee for the estates of the above captioned debtors (collectively, the “Debtors”) and J.S. International Shipping Corporation (“JSI”), by and through their respective undersigned counsel, as of the latest date indicated below. Each of the Trustee and JSI are referred to herein as a “Party” and collectively as the “Parties.”

BACKGROUND

A. On October 17, 2012 (the “Petition Date”), the Debtors filed voluntary petitions for relief pursuant to chapter 11, title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* in the United States Bankruptcy Court for the District of Delaware (the “Court”).

B. On January 29, 2013, the Court entered the Amended Final Order (I) Authorizing the use of Cash Collateral, and (II) Granting Adequate Protection Pursuant to 11 U.S.C. §§ 361, 362, 363, 364 and 507 (the “Final Cash Collateral Order”) (Docket No. 475) which provided, *inter alia*, that “notwithstanding anything to the contrary in this

¹ The Debtors in these chapter 7 cases, along with the last four digits of each Debtor’s tax identification number or VAT number, as applicable, are Satcon Technology Corporation (7552), Satcon Power Systems, Inc. (8804), Satcon Electronics, Inc. (4678), Satcon Power Systems (California), LLC (4644), Satcon Power Systems Canada, Ltd. (4511), Satcon International, s.r.o. (7072-VAT) and Satcon Technology (Shenzhen) Co., Ltd. (1537 – WAT). The Debtors’ address is 25 Drydock Avenue, Boston, Massachusetts, 02210.

Amended Final Order, nothing herein shall be deemed to prime any statutory liens, possessory liens or other liens held by shippers, common carriers and warehouse facilities....” See Final Cash Collateral Order, page 15, paragraph 4.a.vii.

C. By order dated February 7, 2013, the Debtors’ cases were converted to cases under chapter 7 of the Bankruptcy Code. On that same date, the Office of the United States Trustee appointed the Trustee to serve as interim chapter 7 trustee for the Debtors’ estates.

D. Prior to and after the Petition Date, JSI provided services to the Debtors including transportation, warehousing, distribution and other value added logistics services.

E. JSI is currently storing the Debtors’ product in a warehouse in Boston, Massachusetts (the “Warehouse”). JSI leases the Warehouse from a third-party, which lease is set to expire on March 31, 2013. The Debtors are not party to the Warehouse lease.

F. Attached hereto as Exhibit 1 is a list of the product that JSI is currently storing at the Warehouse (the “Collateral”). The Debtors’ books and records reflect that the cost value of the Collateral is approximately \$10 million.

NOW THEREFORE in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. As of March 12, 2013, JSI holds an allowed secured claim against the estates in the amount of \$77,890.98 plus fees and expenses incurred by JSI hereafter related to storage, transportation and other value added logistics services concerning the Collateral (the “JSI Claim”).

2. JSI asserts a first priority perfected lien (the “Lien”) on the Collateral under applicable state law. See M.G.L. c. 106 § 7-209. The Trustee does not contest that

the JSI Claim is secured by the Lien and agrees that the Lien will remain on the Collateral, even after removal of the Collateral from the Warehouse, until such time as JSI's Claim is paid in full or the Collateral is sold. Upon any sale of the Collateral, JSI's Lien will attach to the sale proceeds in the same amount, extent and priority as the Lien. The Trustee shall pay JSI within ten (10) business days from the Trustee's receipt of any sale proceeds related to the Collateral, such payment coming ahead of any other creditor asserting a lien or other interest on the Collateral.

3. The Trustee shall be permitted to store the Collateral at the Warehouse through and including April 30, 2013.

4. Unless further agreement is reached between the Trustee and JSI or the Court orders otherwise, the Trustee shall remove the Collateral from the Warehouse by April 30, 2013 and all agreements regarding transportation and warehousing between JSI and the Debtors shall be deemed terminated and rejected as of April 30, 2013. To the extent requested by the Trustee, JSI will assist in the packaging and transportation of the Collateral from the Warehouse to a location designated by the Trustee, with the fees and expenses incurred by JSI to be included in its allowed Claim against the estate.

5. Should the Trustee fail to remove the Collateral from the Warehouse by April 30, 2013 or any other date so ordered by the Court, the Trustee shall not oppose any motion by JSI for relief from the automatic stay to exercise its state law rights against the Collateral, including any motion for shortened notice filed by JSI.

6. Within five (5) business days of the entry of an order authorizing the Trustee's use of cash collateral (or an agreement between the Trustee, the Debtors' secured

lender and Great Wall regarding the use of cash collateral), the Trustee shall pay \$50,000 to JSI in partial satisfaction of its Claim.

7. All payments due and owing to JSI by the Trustee shall be payable in US dollars as follows:

Wells Fargo Bank
420 Montgomery St
San Francisco, CA 04104
Acct: 4121054258
Swift: WFBIUS6S
ABA: 121000248

8. All payments received by JSI from the Trustee shall be applied to the oldest outstanding invoice first.

9. All provisions of this Stipulation are subject to the approval of the Court. The Parties hereby agree to the entry of an order by the Court approving this Stipulation.

10. The Parties irrevocably consent to the Court's jurisdiction with respect to any action to enforce this Stipulation and expressly waive any right to commence any action in any other forum or to contest the Court's jurisdiction.

11. The Court shall retain exclusive jurisdiction over the subject matter of this Stipulation, including, but not limited to, the implementation and interpretation of the terms and conditions herein.

12. This Stipulation may be executed in counterparts each of which shall be deemed an original, but all of which together shall constitute one and the same.

13. This Stipulation shall be binding upon and inure to the benefit of the Parties' respective assigns and successors.

14. This Stipulation represents the entire agreement between the Parties. This Stipulation may not be altered, modified, or changed unless in writing, signed by the Parties.

15. This Stipulation shall be construed without regard to any presumption or other rule requiring construction against the party causing the document to be drafted.

16. This Stipulation may be signed and transmitted electronically (including any signatures contained in a "pdf" file transmitted via electronic mail) or by facsimile, which shall be deemed to have the full force and effect of original ink signatures.

IN WITNESS WHEREOF, the Parties hereto, intending to be legally bound, have caused the Stipulation to be duly executed as set forth below.

AGREED TO BY:

Date: _____, 2013

Date: 3/13/13, 2013
