**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors-in-possession (each a “Debtor” and collectively, the “Debtors”), with the assistance of their counsel, have prepared their respective schedules of assets and liabilities (the “Schedules”) and statements of financial affairs (the “Statements”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). These Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.² The Schedules and Statements are unaudited. While the Debtors’

¹ The last four digits of the taxpayer identification numbers of the Debtors follow in parentheses: (i) LHI Liquidation Co. Inc. (f/k/a Loehmann’s Holdings Inc.) (9380); (ii) LI Liquidation Co. Inc. (f/k/a Loehmann’s, Inc.) (1356); and (iii) LOC Liquidation Co. Inc. (f/k/a Loehmann’s Operating Co.) (6681). The Debtors’ executive headquarters are located at 2500 Halsey Street, Bronx, New York 10461.

² These Global Notes are in addition to the specific notes contained in the Schedules and Statements. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule or Statement and not to others does not reflect, and should not be interpreted as, a decision by the Debtors to exclude the applicability of such Global Note to any or all of the

management has made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist in the Schedules and Statements. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are wholly accurate and complete. Nothing contained in the Schedules and/or Statements shall constitute a waiver of any right of the Debtors, specifically the Debtors' right to amend these Schedules and Statements and any right with respect to any issues relating to substantive consolidation, equitable subordination, defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws.

Global Notes for the Schedules and Statements

1. **Chapter 11 Cases.** On December 15, 2013 (the "Petition Date"), each of the Debtors commenced a case by filing a petition for relief under chapter 11 of the Bankruptcy Code. The Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") ordered joint administration of the Debtors' chapter 11 cases (the "Chapter 11 Cases") for procedural purposes only under Case No. 13-14050 (the "Lead Case"). The Debtors continue to operate their businesses as debtors and debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 23, 2013, the Office of the United States Trustee for Region 2 (the "U.S. Trustee") appointed an official committee of unsecured creditors (the "Committee"). No trustee or examiner has been appointed in any of the Chapter 11 Cases.

2. **Basis of Presentation.** The Schedules and Statements reflect the assets and liabilities of each Debtor based on their unaudited accounting records. Each Debtor generally maintains its accounting records in accordance with the Generally Accepted Accounting Principles ("GAAP") used in the United States. However, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to reconcile to any financial statements prepared by the Debtors. All asset and liability data contained in the Schedules and Statements are stated in United States currency as of December 15, 2013, except as otherwise stated in these Global Notes or footnotes to these Schedules and Statements. In some instances, the Debtors have used estimated amounts where actual data as of December 15, 2013 was not available.

3. **Confidentiality.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses or amounts. Typically, the Debtors have used this approach because of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual. In addition, certain of the Debtors are parties to executory contracts with confidentiality provisions and, where applicable, confidential information has not been included in the Schedules and Statements.

4. **Amendments.** The Debtors reserve their right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without

Debtors' remaining Schedules or Statements, as appropriate.

limitation, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, to liability, or to classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Any failure to designate a claim as “contingent,” “unliquidated,” or “disputed” does not constitute an admission.

5. Assumptions. The preparation of the Schedules and Statements requires the Debtors to make assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and Statements and the reported amounts of revenues and expenses during the reporting period.

6. Assets and Liabilities Not Included. The Debtors have excluded certain assets from the Schedules and Statements, including, but not limited to, goodwill, tax loss carry-forwards, favorable leases and assets with a net book value of zero. Additionally, immaterial assets and liabilities may not have been included in the Schedules and Statements.

7. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

- a. Debtors. Separate Schedules and Statements have been filed for each of the Debtors. Each Debtor’s Schedules and Statements reflect the assets and liabilities of that Debtor pursuant to the Debtor’s accounting records.
- b. Reporting Date. The Schedules and Statements are prepared as of December 15, 2013 (the “Reporting Date”), except as otherwise stated in these Global Notes or footnotes to these Schedules and Statements. In some instances, the Debtors have used estimates where actual data as of the Reporting Date was not available.
- c. Paid Claims. Pursuant to certain first-day orders issued by the Bankruptcy Court (collectively, the “First Day Orders”), the Bankruptcy Court has authorized (but not directed) the Debtors to pay certain outstanding prepetition claims, such as certain employee wages and benefit claims and claims on account of customer programs. The Schedules may reflect prepetition obligations that may have been satisfied pursuant to such First Day Orders. To the extent claims listed on the Schedules are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate. Moreover, certain of the First Day Orders preserve the rights of parties in interest to dispute any amounts paid pursuant to First Day Orders. Nothing herein shall be deemed to alter the rights of any party in interest to contest a payment made pursuant to a First Day Order that preserves such right to contest.
- d. Current Market Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors

to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values for assets as of the Reporting Date are reflected in the Schedules and Statements. For this reason, amounts ultimately realized may vary from net book value and such variance may be material.

- e. Contingent Assets. The Debtors believe that they may possess certain contingent claims, causes of action or avoidance actions against various third parties. The Debtors may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions or causes of action or in any way prejudice or impair the assertion of such claims.

8. Guarantees and Other Secondary Liability Claims. The Debtors have used their best efforts to locate and identify guaranties and other secondary liability claims (collectively, “Guaranties”) in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where such Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors reserve their rights to amend the Schedules to the extent that additional Guaranties are identified. In addition, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

9. Classifications. Listing a claim (a) on Schedule D as “secured,” (b) on Schedule E as “priority” or (c) on Schedule F as “unsecured nonpriority,” or listing a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor’s right to recharacterize or reclassify such claim or contract. In particular, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

10. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit each of the Debtors to designate a claim as “disputed,” “contingent” and/or “unliquidated.” Any failure to designate a claim on the Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” or “unliquidated” or that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Listing a claim does not constitute an admission of liability by the Debtors.

11. Schedule A - Real Property. The Debtors do not own any real property.

12. Schedule B - Personal Property. Personal property owned by any of the Debtors, is listed in Schedule B for that individual Debtor. The Debtors have scheduled the current value of bank account balances for each entity as of December 15, 2013. Except as otherwise noted,

personal property is scheduled at the value that the Debtors carried on their books as of the Reporting Date. For the avoidance of doubt, the Debtors' unexpired leases are not included as assets in Schedule B, but rather are listed in Schedule G.

13. Schedule D - Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument related to such creditor's claim (unless otherwise provided by an order of the Bankruptcy Court). In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable credit agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

14. Schedule E - Creditors Holding Unsecured Priority Claims. Pursuant to certain First Day Orders, the Debtors believe that any employee claims for prepetition amounts either have been satisfied or are in the process of being satisfied. Accordingly, employee claims for amounts owing as of the Petition Date that have been paid or that are intended to be paid have been designated as contingent claims in the Schedules and Statements. Certain of the Debtors' customers with deposits entitled to priority are also listed on Schedule E to the extent they may hold priority claims.

15. Schedule F - Creditors Holding Unsecured Nonpriority Claims. The Debtors have attempted, to the best of their ability, to allocate their accounts payable as of December 15, 2013, and to schedule such payables with the Debtor that received the benefit of the goods or services. All third party balances listed on Schedule F are shown net of any payments made as of the Petition Date.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which claims listed in Schedule F was incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtors have not listed a date for each claim listed on Schedule F.

Certain vendor liabilities referenced in Schedule F were serviced by factors and secured by factor letters of credit. Amounts pertaining to such vendor liabilities will be subject to change upon reconciliation of factor data and are marked as contingent. The Debtors will amend or supplement these Schedules and Statements as necessary or appropriate in this regard.

Workers' compensation claims and general liability claims are processed and paid by a third party (Liberty Mutual Group Inc. and its affiliated entities). As a result, there is no direct claimant liability to the Debtors as the Debtors pay premiums, not claims.

16. Schedule G - Unexpired Leases and Executory Contracts. While every effort has been made to ensure the accuracy of the executory contracts and unexpired leases listed on Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, letters and other documents, instruments and agreements which may not be listed therein. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, supplemental agreements, amendments/letter agreements, title documents, consents and other miscellaneous agreements. Such documents are not set forth in Schedule G. Finally, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules.

17. Schedule H - Co-Debtors. All co-Debtor and guarantor relationships related to obligations under the Debtors' prepetition credit facilities are reflected on Schedule H for each Debtor, as applicable. While every effort has been made to ensure the accuracy of the information listed on Schedule H, inadvertent errors or omissions may have occurred.

18. Statements Question 1 - Income From Operation of Business. Income from operation of business stated under LHI Liquidation Co. Inc. (f/k/a Loehmann's Holdings Inc.) represents the consolidated income of LHI Liquidation Co. Inc. and its subsidiaries.

19. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

20. Filing in the Lead Case. The Schedules and Statements for all Debtors have been filed on the docket in the Lead Case.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code and the last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - "Codebtors". If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing and "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name and mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. §112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed.R.Bankr.P 1007(m). Do not include claims listed in Schedule D and E. If all creditors will not fit on this page use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", include the entity on the appropriate schedule of creditors, and complete Schedule H Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint or Community".

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Check this box if debtor has no creditors holding unsecured claims to report on Schedule F.
