Chapter 11

Case No. 14-31848 (KRH)

(Jointly Administered)

ASSUMPTION AND ASSIGNMENT NOTICE

PLEASE TAKE NOTICE that:

1. On May 23, 2014, James River Coal Company and its subsidiaries, as debtors and debtors in possession in these proceedings (collectively, the “**Debtors**”), filed the *Debtors’ Motion for Entry of an Order (I) Approving the Sales and Transfers of Certain Assets and Liabilities Related to the McCoy Elkhorn Mining Complex Free and Clear of Encumbrances, (II) Authorizing the Assumption and Assignment of Certain Executory Contracts in Connection Therewith, and (III) Granting Related Relief* (the “**Motion**”)² with the United States Bankruptcy Court for the Eastern District of Virginia (the “**Court**”). On June 5, 2014, the Court entered an *Order (I) Approving the Sales and Transfers of Certain Assets and Liabilities Related to the McCoy Elkhorn Mining Complex Free and Clear of Encumbrances, (II) Authorizing the Assumption and*

¹ The Debtors, along with the last four digits of each Debtor’s federal tax identification number, are listed on Schedule 1 attached to the Motion.

² Unless otherwise defined herein, each capitalized term shall have the meaning ascribed to such term in the Motion.

Assignment of Certain Executory Contracts in Connection Therewith, and (III) Granting Related Relief.

2. You are receiving this notice (the “Assumption and Assignment Notice”) because you are listed on Exhibit A hereto as a counterparty to one or more contracts or leases that the corresponding Debtors intend to assume and assign to a Purchaser in connection with the Sale. The applicable Purchaser to which such contract or lease will be assigned is also listed on Exhibit A hereto.³ You should locate your name and your contract in the attached Exhibit A.

3. In connection with the assumption and assignment, the Debtors will pay the amount that the Debtors’ records reflect is owing for prepetition arrearages as set forth on Exhibit A (the “Cure Amounts”). The Debtors believe that any and all defaults (other than the filing of these chapter 11 cases) under the Assumed Contracts can be cured by the payments of the Cure Amounts.

4. Objections to the assumption and assignment of any Assumed Contract, including to any Cure Amount, must (a) be in writing; (b) conform to the applicable provisions of the Bankruptcy Rules, the Local Bankruptcy Rules and the *Notice, Case Management and Administrative Procedures* approved by the Court on April 10, 2014 [ECF No. 77]; (c) state with particularity the legal and factual basis for the objection and the specific grounds therefor, including the cure amount that the objecting party believes should be paid in connection with the assumption of the Assumed Contract (the “Claimed Cure Amount”) and, if the objection to the proposed assumption and assignment is based on issues related to adequate assurance of future performance, what information with respect to the applicable Purchaser such Contract Counterparty requires to satisfy its adequate assurance concerns; and (d) be filed with the Court and served, so as to be actually received no later than 4:00 p.m. (prevailing Eastern Time) on June 16, 2014, on: (i) the Debtors, 901 East Byrd Street, Suite 1600, Richmond, Virginia 23219, Attn: Andrew B. Hampton, email: andrew.hampton@jamesrivercoal.com; (ii) counsel to the Debtors, Davis Polk & Wardwell LLP, 450 Lexington Avenue, New York, New York 10017, Attn: Marshall S. Huebner and Brian M. Resnick, email: jrcs.service@davispolk.com; and (iii) local counsel to the Debtors, Hunton & Williams LLP, Riverfront Plaza, East Tower, 951 East Byrd Street, Richmond, Virginia 23219, Attn: Tyler P. Brown, email: tpbrown@hunton.com.

5. If no Cure Amount is due under the Assumed Contract, and you do not otherwise object to the Debtors’ assumption and assignment of the Assumed Contract, no further action need be taken on your part.

6. If any objection is timely filed with respect to the assumption and assignment of any Assumed Contract, including with respect to a Cure Amount, a hearing with respect to such objection will be held before the United States Bankruptcy Court for

³ This Assumption and Assignment Notice is not an admission by the Debtors that any Assumed Contract is executory or unexpired.

the Eastern District of Virginia, Honorable Kevin R. Huennekens, United States Bankruptcy Court for the Eastern District of Virginia, 701 East Broad Street, Courtroom 5000, Richmond, Virginia 23219, on a date to be fixed by the Court.

7. Objections that object solely to the Cure Amount may not prevent or delay the Debtors' assumption and assignment of any Assumed Contract. If a party objects solely to a Cure Amount, the Debtors may, in their sole discretion, hold the Claimed Cure Amount in reserve pending further order of the Court or mutual agreement of the parties. So long as the Debtors hold the Claimed Cure Amount in reserve, and there are no other unresolved objections to assumption and assignment of such Assumed Contract, the Debtors can, without further delay, assume and assign the Assumed Contract that is the subject of the objection. Under such circumstances, the objecting party's recourse is limited to the Claimed Cure Amount held in reserve.

8. Each Debtor's decision to assume and assign to a Purchaser an Assumed Contract is subject to Court approval and the closing of the applicable Sale. Accordingly, absent such closing, any of the Assumed Contracts shall not be deemed assumed or assigned, and shall in all respects be subject to further administration under the Bankruptcy Code. Notwithstanding anything herein, this Assumption and Assignment Notice does not require or guarantee that the Assumed Contracts listed herein will be assumed by the Debtors at any time or assumed and assigned, and all rights of the Debtors with respect to such Assumed Contracts are reserved.

9. Nothing herein (i) alters in any way the prepetition nature of the Assumed Contracts or the validity, priority or amount of any claims of a Contract Counterparty against the Debtors that may arise under such Assumed Contract, (ii) creates a postpetition contract or agreement or (iii) elevates to administrative expense priority any claims of a Contract Counterparty against the Debtors that may arise under such Assumed Contract.

Consequences of Failing To Timely File and Serve an Objection

If no objection is timely filed and served, the Assumed Contract shall be deemed assumed and assigned to Purchaser upon the closing of the Sale and payment of the Cure Amount (if any), and the Cure Amount set forth on Exhibit A shall be final and binding upon all Contract Counterparties. Additionally, any Contract Counterparty to an Assumed Contract who fails to timely file and serve an objection to the proposed assumption and assignment of an Assumed Contract, including in respect of the Cure Amount, shall be forever barred from asserting any objection thereto, including (i) making any demands for additional cure amounts or monetary compensation on account of any alleged defaults against the Debtors or their estates, (ii) asserting that the assignee of such contract or lease has not provided adequate assurance of future performance and (iii) asserting that the assignment is subject to any anti-alienation provision or other restriction on assignment.
