Jointly Administered

ORDER ALLOWING FOURTH APPLICATION FOR COMPENSATION AND REIMBURSEMENT OF EXPENSES BY HAMMOND HANLON CAMP, LLC, INVESTMENT BANKERS AND FINANCIAL ADVISORS FOR THE DEBTORS
(April 1, 2014 – May 31, 2014)

The matter before the Court is the Fourth Application for Compensation and Reimbursement of Expenses by Hammond Hanlon Camp, LLC, Investment Bankers and Financial Advisors for the Debtors (the “Application”), for allowance of interim compensation and reimbursement of expenses pursuant to Bankruptcy Rule 2016 and 11 U.S.C. §§ 330 and 331 for the period of April 1, 2014 through May 31, 2014. Hammond Hanlon Camp, LLC initially requested compensation and reimbursement of expenses in the total amount of \$138,104.30, consisting of \$112,500.00 in fees and \$25,604.30 in expenses. Objections to the Application were filed by Thomas R. Scheid (Doc 831) and by the United States Trustee (Doc 863) as to

the expenses and requested that they be itemized and shown to be actual and necessary. Hammond Hanlon Camp, LLC subsequently filed their supplemental Exhibit B (Doc 891) itemizing the expenses and reducing the requested expense reimbursement from \$25,604.30 to \$23,104.30. Mr. Scheid and the United States Trustee subsequently withdrew their objections.

It appears to the Court and the Court finds that the Debtors retained Hammond Hanlon Camp, LLC (the “Applicant”), investment bankers and financial advisors, to represent them in matters related to this bankruptcy case; that no agreement or understanding exists between the Applicant or any other person for the sharing of compensation received or to be received for services rendered in this case; that the value and extent of Applicant’s services are fully disclosed in the Application; that the compensation and expenses requested are the actual, necessary costs and expenses of preserving the estate; that timely and proper notice of this Application was given; and that all objections to the Application have been withdrawn; and

It appearing proper to do so and for good cause shown, and upon withdrawal of the objections to the Application having been filed, IT IS ORDERED that the Applicant be allowed interim compensation and reimbursement of expenses for the period of April 2, 2014 through May 31, 2014 in the total amount of \$135,604.30, consisting of \$112,500.00 in fees and \$23,104.30 in expenses, which amounts are deemed proper and reasonable; and

Subject to prior orders of the Court, including the March 28, 2014 order allowing all Professionals retained by the Debtors to submit applications for compensation and reimbursement of expenses for services rendered by each Professional during the immediately preceding sixty (60) days (Document No. 570), or any applicable budget limitations on the Debtors, IT IS FURTHER ORDERED that the Debtors shall pay the amounts allowed herein immediately upon the entry of this Order, at which point 90% of the approved fees may be drawn

upon by the Applicant (subjecting fees to a 10% holdback, to be retained by the Debtors pending approval of the Applicant's final fee application), and 100% of the approved expenses may be utilized.
