GLOBAL NOTES REGARDING DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

The Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs (the "SOFA" and, collectively with the Schedules, the "Schedules and Statements") filed herewith by the debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors") were prepared pursuant to section 521 of title 11 of the United States Code (as amended, the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors and have not been subject to audit, review or any similar financial analysis. While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete based upon information that was available to them at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtors have used their best efforts to present the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their businesses. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes Regarding Debtors' Schedules of Assets and Liabilities and Statement of Financial Affairs (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Description of the Cases and "as of" Information Date. On September 9, 2014 (the "Petition Date"), the Debtors each filed a voluntary petition with the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") under chapter 11 of the Bankruptcy Code. The Debtors' cases have been procedurally consolidated for the purpose of joint administration under case number 14-12092 (KJC). The Debtors are currently operating their businesses as debtors-in-possession pursuant to the Bankruptcy Code. Unless otherwise

[1] The Debtors and the last four digits of their respective taxpayer identification numbers are as follows: AWI Delaware, Inc. (3683); Associated Wholesalers, Inc. (7857); Nell's, Inc. (1195); Co-Op Agency Inc. (4081); Associated Logistics, Inc. (1506); White Rose Inc. (1833); Rose Trucking Corp. (2630); W.R. Service Corp. (5698); W.R. Service II Corp. (9444); W.R. Service V Corporation (4224); and White Rose Puerto Rico, LLC (4914). The Debtors' address is Associated Wholesalers, Inc. c/o Douglas A. Booth, Route 422, P.O. Box 67, Robesonia, PA 19551.

indicated in the Schedules or Statements or herein, the asset and liability information provided is as of the Petition Date.

2. Basis of Presentation. The preparation of the Schedules and Statements required the Debtors to make certain estimates and assumptions that affect the reported amounts of liabilities, the disclosures of contingent liabilities, and the reported amounts of expenses during the reporting period. The amount of the Debtors' actual assets and liabilities could differ from the amounts set forth in the Schedules and Statements. Some of the Debtors' scheduled assets and liabilities are unknown and/or unliquidated at this time. In such cases, the amounts are listed as "Unknown" or "Undetermined." Given the differences between the information requested in the Schedules and Statements and the presentation of the financial information under generally accepted accounting principles in the United States ("GAAP"), the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

3. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(a) Book Value. Unless otherwise noted, to the extent any asset value is listed herein, the net book value, rather than fair market value, of the Debtors' interests in property are reflected on the applicable Schedules and Statements. As applicable, assets that have been fully depreciated or that were expensed for accounting purposes have no net book value.

(b) Accounts Receivable and Accounts Payable. Accounts Receivable generally are presented net of allowance for doubtful accounts and without offsetting for any mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights or collateral held by the Debtors. Likewise, any Accounts Payable are shown without consideration of offsetting accounts receivable, open or terminated contracts, liquidated damages, setoff rights or collateral that has been posted on behalf of the counterparty.

(c) Adjustment to Employee Claims and Scheduled Claim Amounts. The Bankruptcy Court has authorized the Debtors to pay and honor certain pre-petition claims for, among other items, wages, salaries, commissions and other compensation, expense reimbursement, withholding taxes and other amounts and health and other benefits. Accordingly, to the extent such prepetition amounts have been paid in accordance with a Bankruptcy Court order and reflected on the books and records of the Debtors prior to the filing of the Schedules and Statements, such claim amounts have not been listed. Only employee claims for prepetition amounts that have not been paid as of the time the Schedules and Statements were filed have been included on the appropriate Schedule. Notwithstanding the foregoing, paid time off and severance amounts are listed, in the aggregate, as of the Petition Date. Separately, intercompany claims generally are scheduled as "unliquidated." The actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth due to additional invoices received,

prepetition payments made pursuant to a Bankruptcy Court order where such payment was not reconciled on the books and records of the Debtors prior to the filing of the Schedules and Statements, or prepetition payments made following the filing of the Schedules and Statements.

(d) Executory Contracts. The Debtors have not listed their executory contracts as assets in their Schedules and Statements; rather, the Debtors' executory contracts have been set forth in Schedule G. See Global Note 3(m), below, for additional notes regarding the Debtors' executory contracts.

(e) Interests in Subsidiaries. Each Debtor's Schedule B sets forth its ownership interests, if any, in affiliates. The fair market value of such ownership interests is dependent upon numerous variables and factors and, accordingly, is neither known nor provided.

(f) Payments Made within 90 Days prior to the Petition Date and Payments to Insiders Within One Year of Petition Date. Payments made in the ordinary course of the Debtors' business to employees for salaries, wages, bonuses, commissions, and employee benefits, payroll taxes and sales taxes were omitted from the SOFA question 3(b). Payments to insiders within one year of the Petition Date, including transfers within 90 days of the Petition Date, are listed in response to SOFA question 3(c) and, with certain exceptions, are not separately set forth in response to SOFA question 3(b). In preparing their response to SOFA question 3(c), and in the interest of full disclosure, the Debtors used an expansive interpretation of the term "insider". Inclusion or omission of a creditor as an "insider" on the Debtors' response to SOFA question 3(c) is not determinative as to whether creditor is actually an "insider," as such term is defined in the Bankruptcy Code and the Debtors reserve all of their rights with respect to such characterization. Similarly, use of the term "affiliate" is not determinative as to whether the applicable person is an "affiliate" as such term is defined in the Bankruptcy Code, and the Debtors reserve all of their rights with respect to such characterization. Moreover, payments are listed in response to SOFA question 3(b) and 3(c) without regard as to whether such payments were made on account of antecedent debt, and the Debtors reserve all of their rights with respect to such issue. Payments made to certain professionals of the Debtors, plus payments made to Carl Marx Advisory Group LLC, are listed in response to SOFA question 9 rather than SOFA question 3(b) or, to the extent applicable, SOFA question 3(c).[2] Certain of the payments listed by Associated Wholesalers, Inc. in response to SOFA question 3(b) may have been made, in whole or in part, on account of obligations of both Associated Wholesalers, Inc. and White Rose Inc.

[2] Prior to the Debtors' bankruptcy filing, Douglas A. Booth of Carl Marx Advisory Group LLC served as the Chief Restructuring Officer of Associated Wholesalers, Inc. (the debtor in case no. 14-12093) and accordingly could be considered an insider of Associated Wholesalers, Inc. during such period. To the extent Douglas A.Booth was an officer of Associated Wholesalers, Inc., he should be deemed included in such Debtor's response to SOFA Question 21(b).

(g) Property and Equipment – Leased. In the ordinary course of their businesses, the Debtors lease real property and various articles of personal property, including equipment, from certain lessors. Subject to Global Note 3(d) above and Global Note 3(m) below, such leases are set forth in Schedule G. The property subject to these leases is not reflected in Schedule B as owned property of the Debtors or in the Debtors' response to question 14 of the SOFAs as assets of third parties within the control of the Debtors. Leases have been listed in the list of executory contracts contained in Schedule G; the property that is the subject of such leases therefore has been excluded from Schedule A (real property). Unpaid lease payments are listed in Schedule F (unsecured claims). Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease, including whether it is a true lease or a financing arrangement, and the Debtors reserve all rights with respect to all such issues.

(h) Property and Equipment – Owned. Unless otherwise noted, owned property and equipment, including assets under capital leases, are stated at net book value.

(i) Schedule D – Secured Claims. The Debtors have not included on Schedule D claims that may be secured through setoff rights, deposits posted by or on behalf of the Debtors, or inchoate statutory lien rights. Such counterparties, if any, have been listed on Schedule F. Except as otherwise agreed pursuant to a stipulation or agreed order or order entered by the Bankruptcy Court, the Debtors reserve the right to dispute or challenge the extent, validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Furthermore, secured claim amounts have been listed on Schedule D without regard to the value of assets securing such claims. No attempt was made by the Debtors to estimate the fair market value as of the Petition Date of assets pledged pursuant to a secured obligation. Accordingly, such omission is not an admission by the Debtors as to the sufficiency of collateral related to any secured claim listed on Schedule D. No claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

(j) Schedule E – Priority Claims. Priority claims related to various tax and wage obligations have been listed on Schedule E. Although the Debtors may have scheduled claims of various creditors as priority claims, the Debtors reserve all rights to dispute or challenge the priority treatment of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

(k) Schedule F – Unsecured Claims. The descriptions provided in Schedule F are intended only to be a summary. Nothing in the Global Notes or the Schedules and Statements shall be deemed to be a modification or interpretation of the terms of such agreements. The claims of individual creditors for, among other things, goods, services, or taxes are listed at the amounts listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights respecting such credits and allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts. All parties to executory contracts, including those listed on Schedule G, are holders of contingent and unliquidated unsecured claims arising from (i) obligations under those executory contracts and/or (ii) rejection damages in the event that such executory contract is rejected. Not all such claims are duplicated on Schedule F.

(l) Schedule G – Executory Contracts/Unexpired Leases. While every reasonable effort has been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Without limitation of the foregoing, the contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements which may not be listed therein. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the Debtors' executory agreements may not have been memorialized in writing and could be subject to dispute. Schedule G does not include stand alone purchase orders for goods or equipment or nondisclosure agreements. Additionally, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such agreements, if any, may not be set forth in Schedule G. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Similarly, the absence of a contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which a Debtor is a party is not executory. Parties to executory contracts and unexpired leases were not listed on Schedule F, except where past due amounts were recorded in the Debtors' accounts payable. The Debtors have not listed on Schedule F landlords and executory contract counterparties which may have claims related to contract/lease rejection or other damages. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

(m) Statement of Financial Affairs. Both questions 3(c) and 23 in the SOFAs request information regarding payments to insiders, and all such information is provided in response to question 3(c). In compiling a list of directors and officers, the Debtors have limited these to the directors and officers listed in each legal entity's corporate minute books**.** The Debtors reserve all rights with respect to the characterization of payments listed in response to question 3(c) and 23. See Global Note 3(f) for additional statements regarding the parties designated in the Statements and Schedules as "insiders" or "affiliates."

(n) Statement of Financial Affairs – Suits and Administration Proceedings. Although the Debtors have attempted to list in question 4 all known claimants with pending suits or administrative proceedings, certain actions may have been inadvertently omitted. The Debtors reserve all of their rights with respect to any such claims or causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

4. Reservation of Rights and Exculpation. The Debtors reserve all their rights to amend the Schedules and Statements in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules as to amount, liability, or classification or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Any failure to designate a claim as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." Furthermore, nothing contained in the Schedules shall constitute a waiver of the Debtors' rights with respect to the chapter 11 cases and, specifically, with respect to any issues involving equitable subordination and/or causes of action, whether arising under the provisions of Chapter 5 of the Bankruptcy Code or otherwise including without limitation nonbankruptcy law. Moreover, although the Debtors may have scheduled claims of various creditors as priority claims, the Debtors reserve all rights to dispute or challenge the priority treatment of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The Debtors and their agents, attorneys, and advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While every reasonable effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and advisors are advised of the possibility of such damages.

5. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
