**MOTION TO APPROVE RECONCILIATION  
OF CLASS 5 AND 6 CLAIMS**

Robert H. Barnett as the Liquidation Trustee (the “Liquidation Trustee”) under the Sea Island Company Liquidation Trust (the “Liquidation Trust”) files the Motion to Approve Reconciliation of Class 5 and 6 Claims (the “Motion”). In support of the Motion, the Liquidation Trustee shows the Court the following:

**JURISDICTION**

1. The Court has *in rem* jurisdiction and jurisdiction pursuant to 28 U.S.C. §§ 157 and 1334(b) and (e)(1) with respect to the Motion. Venue is proper in this district pursuant to 28 U.S.C. § 1408. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

**BACKGROUND**

2. The above-referenced debtors (the “Debtors”) filed with the Court their voluntary petitions for relief under chapter 11 of the Bankruptcy Code on August 10, 2010 (the “Petition Date”).

3. On September 24, 2010, the Debtors filed their Amended and Restated Joint Chapter 11 Plan as of August 10, 2010 [Bankr. Docket No. 217] (the “Plan”), which was confirmed pursuant to an order entered on or about November 8, 2010 [Bankr. Docket No. 372] (the “Confirmation Order”).

4. The Trust Agreement of Sea Island Company Creditors Liquidation Trust dated December 15, 2010 (the “Trust Agreement”), incorporated by reference in the Confirmation Order, approved Robert H. Barnett as the Liquidation Trustee. *See* Bankr. Docket No. 449-1.

5. At the outset of the cases, as the Court has observed, there were approximately 5,500 claims for the Liquidation Trustee to review. *See* Bankr. Docket No. 883 at p. 2 of 4. And according to the Debtors’ disclosure statement, they had over a billion dollars of debt. *See* Bankr. Docket No. 216 at pp. 17-19 of 85 (disclosure statement reflects that classes 2, 4, and 5 alone collectively amount to more than \$1.1 billion). Indeed, as United States District Court Judge B. Avant Edenfield observed, these cases collectively are “one of the largest filings in this District’s history.” *See McCrary v. Barnett (In re Sea Island Co.)*, 486 B.R. 559, 561 (S.D. Ga. 2013).

6. In addition to recovering gross proceeds of over \$19,000,000.00, *see* Bankr. Docket No. 1439 at ¶ 17, the Liquidation Trustee has obtained the disallowance of over 5,200 claims with an aggregate asserted face amount of over \$350,000,000.00. Through twenty-four omnibus claims objections, the Liquidation Trustee has obtained the disallowance of over 5,200 claims in the aggregate asserted amount of over \$220,000,000.00. *See* Bankr. Docket No. 1439 at ¶ 19 & Ex. B (detailing omnibus claims objections and resulting orders). In addition, through settlements, the Liquidation Trustee has obtained the disallowance of claims with an aggregate asserted face amount of over \$130,000,000.00. *See id.* at ¶ 21 & Ex. C (detailing claim disallowance settlements).

7. The Court has already entered an order reconciling class 4 claims.<sup>1</sup> But there has not been an order reconciling class 5 and class 6 claims.

---

<sup>1</sup> On December 9, 2015, the Court entered a class 4 claims reconciliation order on negative notice. *See* Bankr. Docket No. 1445. The order, among other things, limits the potential class 4 claims to those set forth on Exhibit “A” to the Motion to Approve the Reconciliation of Class 4

### **RELIEF REQUESTED**

8. The Liquidation Trustee requests that the Court enter an order in substantially the same form as Exhibit “B” reconciling class 5 and 6 claims by granting the requested relief on a negative notice basis.

### **BASES FOR RELIEF REQUESTED**

9. The Liquidation Trustee asserts that the requested relief is appropriate. While he believes that the claims set forth on Exhibit “A”<sup>2</sup> are the only potential class 5 and 6 claims, to resolve those classes of claims, he needs a *definitive* list of potential class 5 and 6 claims. The Potential Class 4 Claims (as that term is defined in Bankr. Docket No. 1445)<sup>3</sup> shall be deemed to be included on Exhibit “A” even though they are not referenced.

10. Under these circumstances, to promote both fairness and efficiency, the Liquidation Trustee believes that the requested relief is a practical way to resolve class 5 and 6 claims, but also gives parties in interest an opportunity to speak up if they believe that they have one or more claims that are entitled to be in class 5 or 6 but are not reflected on Exhibit “A.” And it gives parties in interest the opportunity to object if they contest the relief sought for any other reason. Given the sheer number of claims in the cases, the Liquidation Trustee believes that a more involved process would be too expensive and time consuming.

---

Claims [Bankr. Docket No. 1430]. The order allows the Liquidation Trustee, among other things, to add additional claims to Exhibit “A” by so doing “specifically and unambiguously in writing.” *See* Bankr. Docket No. 1445 at pp. 2-3. On January 22, 2016, the Court entered an order overruling the only objection to the negative notice order. *See* Bankr. Docket No. 1476.

<sup>2</sup> Given that there has been substantive consolidation, *see* Plan § 7.02 & Confirmation Order ¶ 21, Exhibit “A” does not include intercompany claims of the Debtors.

<sup>3</sup> Class 4 “deficiency” claims are class 5 claims. *See* Plan § 3.09.

11. Accordingly, pursuant to section 105(a) of the Bankruptcy Code, the Liquidation Trustee submits that the requested injunctive relief is appropriate under the circumstances because it is necessary and appropriate to carry out the provisions of the Bankruptcy Code. Specifically, the requested injunctive relief carries out section 1141(a) of the Bankruptcy Code, which provides the binding effect for the Plan’s claim classification provisions as well as the express authority granted to the Liquidation Trustee under the Liquidation Trust Agreement to reconcile claims. *Compare* Plan §§ 3.09-3.11 (claims classification) & Liquidation Trust Agreement § 4.4(ii) (expressly authorizing the Liquidation Trustee to reconcile claims) *with* 11 U.S.C. § 105(a); *Alderwoods Group, Inc. v. Garcia (In Alderwoods Group, Inc.)*, 682 F.3d 958, 967 n.19 (11th Cir. 2012) (section 105(a) authorizes “any type of order, whether injunctive, compensative or punitive, as long as it is necessary or appropriate to carry out the provisions of the Bankruptcy Code”); *Apps v. Morrison (In re Superior Homes & Invs., LLC)*, 521 Fed. App’x. 895, 898 (11th Cir. 2013) (entering a bar order and citing *Alderwoods Group* with approval); *In re Fundamental Long Term Care, Inc.*, 492 B.R. 571, 576 (Bankr. M.D. Fla. 2013) (standard for approval for entry of a bar order includes whether it is “necessary to carry out the provisions of the Bankruptcy Code”).

12. The Court has previously granted similar relief on two occasions. *See* Bankr. Docket Nos. 1324 and 1445. The last time it did so, the order approved the reconciliation of class 4 claims. *See* Motion n.1. And just as it was appropriate to enter the class 4 reconciliation order, it is appropriate for the Court to enter an order reconciling class 5 and 6 claims.

13. The Liquidation Trustee requests that the Court enter the proposed order on negative notice with service of the Motion and the order granting the Motion on all entities for which Epiq has a complete address which have asserted a claim by filing a proof of claim or

have a claim or claims that appear in the schedules filed under section 521(a)(1) of the Bankruptcy Code—which are not scheduled as disputed, contingent, or unliquidated<sup>4</sup>—even if the purported claim has—or purported claims have—been disallowed (collectively, the “Service Parties”). The Liquidation Trustee submits such broad service is prudent because, among other things, even if a claim has been disallowed, for claims disallowance orders entered within the last year, a claimant may request the Court to reconsider such disallowance under section 502(j) of the Bankruptcy Code.<sup>5</sup> See *Georgia Dept. of Revenue v. Mouzon Enters. (In re Mouzon Enters.)*, 610 F.3d 1329, 1332–35 (11th Cir. 2010) (Rule 9024 applies to reconsideration of claims under section 502(j)). Although inconsistent with existing Eleventh Circuit precedent, a creditor can argue in good faith for the Court to reconsider an order disallowing a claim that was entered at any point in the case. Compare *Amtech Lighting Servs. Co. v. Payless Cashways (In re Payless Cashways, Inc.)*, 230 B.R. 120, 137 (8th Cir. B.A.P. 1999) (“Reconsideration of a claim may be requested at any time.”) with Fed. R. Bankr. P. 9011(b)(2) (legal positions are “warranted . . . by a nonfrivolous argument for the extension, modification, or reversal of

---

<sup>4</sup> See 11 U.S.C. § 1111(a).

<sup>5</sup> The Court’s *in rem* ruling on this motion will be “good against the world,” so it does not matter if a party is served. See *Tennessee Student Assistance Corp. v. Hood*, 541 U.S. 440, 447 (2004); *Alderwoods*, 682 F.3d at 969 (the bankruptcy court has the power to enter orders affecting the distribution of the estate and to “adjudicate rights in it that are binding against the world”); *Odyssey Marine Exploration, Inc. v. Unidentified Shipwrecked Vessel*, 657 F.3d 1159, 1171 (11th Cir. 2011) (analyzing maritime law and stating, “[o]nly if the court has exclusive custody and control over the property does it have jurisdiction over the property so as to be able to adjudicate rights in it that are binding against the world.”) (citation omitted); *Nowlin v. Allstate Ins. Co.*, No. 1:13-cv-2042-WSD, 2014 WL 3749222 \*6 (N.D. Ga. July 29, 2014) (the court administering the bankruptcy estate has the “power to enter orders effecting its distribution and to adjudicate rights in it that are binding against the world” (citing *Alderwoods*, 682 F.3d at 969)). Indeed, “[a] bankruptcy court’s *in rem* jurisdiction permits it to determine all claims that anyone, whether named in the action or not, has to the property or thing in question. The proceeding is ‘one against the world.’” *Hood*, 541 U.S. at 448 (citing 16 J. MOORE, ET AL., *MOORE’S FEDERAL PRACTICE* § 108.70[1] (3d ed. 2004)). Regardless, it is prudent to reduce the need to litigate such issues by ensuring that parties are served.

existing law or establishment of new law”). Given the foregoing, the Liquidation Trustee believes that serving the additional parties and decreasing the potential for after-the-fact litigation is prudent.

14. The Liquidation Trustee also submits that entering the order on negative notice is prudent. Given the avoidance of expense and the decreased approval time associated with not having a hearing if an objection is not filed, *see* Fed. R. Bankr. P. 1001 (“These rules shall be construed to secure the just, *speedy*, and *inexpensive* determination of every case and proceeding.”) (emphasis added), the Liquidation Trustee submits that approval on such basis is appropriate, *see* 11 U.S.C. § 102(1)(B)(i); *Roberts v. Pierce (In re Pierce)*, 435 F.3d 891, 892 (8th Cir. 2006) (discussing 11 U.S.C. § 102(1)(B)(i) and concluding: “[n]egative notices are therefore authorized by the Code.”) (citation omitted); *Morlan v. Universal Guar. Life Ins. Co.*, 298 F.3d 609, 618 (7th Cir. 2002) (“A requirement of ‘notice and a hearing’ really means notice and *the opportunity for a hearing*.”) (emphasis in the original).

15. For the foregoing reasons, the Liquidation Trustee submits that the requested relief is appropriate.

[remainder of page intentionally left blank

WHEREFORE, Robert H. Barnett as the Liquidation Trustee respectfully requests that the Court (i) enter an order in substantially the same form as Exhibit “B” granting the requested relief on a negative notice basis and (ii) grant such other and further relief as the Court may deem just and proper.

Dated: February 19, 2016.

/s/ Robert M.D. Mercer

**ORDER GRANTING, SUBJECT TO OBJECTION ON THE TERMS SET FORTH BELOW, THE MOTION TO APPROVE RECONCILIATION OF CLASS 5 AND 6 CLAIMS**

This matter came before the Court upon the Motion to Approve Reconciliation of Classes 5 and 6 Claims [Bankr. Docket No. \_\_\_\_] (the “Motion”)<sup>1</sup> filed by Robert H. Barnett as the Liquidation Trustee under the Sea Island Company Liquidation Trust, and finding that cause exists to grant the relief set forth below and that the Court has *in rem* jurisdiction and jurisdiction pursuant to 28 U.S.C. § 1334(b), it is hereby

ORDERED, ADJUDGED AND DECREED that the Motion is hereby GRANTED as set forth below; and it is

FURTHER ORDERED that the relief set forth below is hereby granted subject to a party in interest filing a written objection with the Court on or before thirty (30) days after the entry of this Order (the “Objection Deadline”); and it is

FURTHER ORDERED that, if a timely written objection is filed with the Court, the Court shall hold a hearing at \_\_:\_\_ .m. on \_\_\_\_\_, 2016 at U.S. Courthouse \_\_\_\_\_, (the “Hearing”), and the Court shall consider at the Hearing

---

<sup>1</sup> Capitalized but undefined terms used in this Order have the meaning ascribed to them in the Motion.

whether to grant the relief set forth in this Order. The Hearing may be re-scheduled at the Hearing by oral notice without any further notice; and it is

FURTHER ORDERED that if a written objection is not filed on or before the Objection Deadline or if all such objections are mooted as provided in the following paragraph, the relief set forth in this Order shall become final; and it is

FURTHER ORDERED that if a written objection seeks the inclusion of a claim or claims in class 5 or class 6 and the Liquidation Trustee amends Exhibit “A” to include such claim or claims on or before two (2) business days of the Hearing, it shall moot such objection, and the Court shall not hold a hearing on account of such objection; and it is

FURTHER ORDERED that if you contend that you have a claim or claims that are (i) entitled to be in class 5 or 6 and they are not set forth—or deemed to be set forth—in Exhibit “A” to the Motion or (ii) set forth—or deemed to be set forth—in an incorrect amount, you must file a written objection on or before the Objection Deadline. If you do not do so, you will be barred in the future from doing so; and it is

FURTHER ORDERED that if you oppose the Motion for any reason or if you contend that you are entitled to additional procedures associated with the Court’s consideration of the Motion, you must file a written objection on or before the Objection Deadline. If you do not do so, you will be barred in the future from doing so; and it is

FURTHER ORDERED that if you oppose or object to the relief granted in this Order on any basis, you must attach your proof(s) of claim to your written objection or reference in such objection the applicable page of the Debtors’ schedules for your claim(s), and your written objection must set forth the factual and legal bases for your opposition or objection; and it is

FURTHER ORDERED that if you file a written objection, you must appear at the Hearing to oppose the Motion. Otherwise, the Court may overrule your objection based on your failure to appear; and it is

FURTHER ORDERED that, unless the Liquidation Trustee specifically and unambiguously consents in writing, the following shall hereby apply: (i) the exclusive list of potential classes 5 and 6 claims are those claims (and in the amounts) set forth on Exhibit “A” to the Motion (such claims shall be collectively referred to as the “Potential Class 5 and 6 Claims;” the Potential Class 4 Claims (as defined below) shall be deemed to be included on Exhibit “A” to the Motion even though such claims are not referenced) and (ii) no other claim—other than the Potential Class 5 and 6 Claims—shall be entitled to a distribution from the General Unsecured Creditors Fund; provided, however, for the avoidance of doubt, by agreeing to their inclusion specifically and unambiguously in writing, without any further order of the Court, the Liquidation Trustee may add class 5 and 6 claims to Exhibit “A” just as the Liquidation Trustee may add claims to the list of Potential Class 4 Claims (as that term is defined in Bankr. Docket No. 1445) pursuant to the Amended Order Granting, Subject to Objection on the Terms Set Forth Below, the Motion to Approve Reconciliation of Class 4 Claims [Bankr. Docket No. 1445] without any further order of the Court by agreeing to their inclusion specifically and unambiguously in writing; and it is

FURTHER ORDERED that all other provisions of the Order notwithstanding, the following shall apply: (i) the fact that a claim appears on Exhibit “A” to the Motion or is otherwise a Potential Class 5 or 6 Claim shall not prejudice the rights of the Liquidation Trust in any way whatsoever and (ii) without in any way limiting the foregoing, the Liquidation Trustee shall have the right to object to one or more of (a) the claims set forth on Exhibit “A” to the

Motion or (b) the Potential Class 5 and 6 Claims on any basis whatsoever by either filing an objection, adversary proceeding, or other pleading and—without limiting the foregoing—such objections may include, but shall not be limited to, one or more of the following: (i) objecting to the claims; (ii) seeking the disallowance of the claims; (iii) objecting to the claims being in classes 5 and 6; and (iv) seeking to re-characterize or subordinate such claims; and it is

FURTHER ORDERED that, all other provisions of this Order notwithstanding, nothing in this Order shall revive, reinstate, or the like a claim that has been disallowed, waived, released, relinquished, or the like by court order, agreement, operation of law, or the like; and it is

FURTHER ORDERED that all entities (as that term is defined in section 101(15) of the Bankruptcy Code) are hereby barred from directly or indirectly (i) taking any action, (ii) asserting any argument, or (iii) asserting any claim or cause of action whatsoever which is inconsistent in any way with any provision of this Order; and it is

FURTHER ORDERED that notwithstanding any Federal Rule of Bankruptcy Procedure to the contrary, the Order shall be immediately enforceable upon its entry; and it is

FURTHER ORDERED that the Court hereby retains jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and/or enforcement of this Order; and it is

FURTHER ORDERED that within seven (7) days of the entry of this Order, the Liquidation Trustee shall serve this Order and the Motion (collectively, the “Class 5 and 6 Reconciliation Pleadings”) on the Service Parties. The Liquidation Trustee is authorized—but not directed—to serve double sided copies—*i.e.*, front and back—of the Class 5 and 6 Reconciliation Pleadings; and it is

FURTHER ORDERED that for the avoidance of doubt, pursuant to ECF Local Rule 9, the Electronic Case File notice automatically sent to attorneys who have filed a pleading in these cases shall constitute service on such attorneys and their clients. Other than as set forth in this paragraph, no other or further notice or service shall be required.

SO ORDERED this \_\_\_\_ day of \_\_\_\_\_, 2016.  
Brunswick, Georgia
