**SIXTH SUPPLEMENTAL DECLARATION OF TODD FILSINGER
IN SUPPORT OF THE APPLICATION OF ENERGY FUTURE
HOLDINGS CORP., *ET AL.*, FOR ENTRY OF AN ORDER AUTHORIZING
THE DEBTORS TO RETAIN AND EMPLOY FILSINGER ENERGY PARTNERS AS
ENERGY CONSULTANT EFFECTIVE *NUNC PRO TUNC* TO THE PETITION DATE**

I, Todd Filsinger, being duly sworn, state the following under penalty of perjury:

1. I am a Senior Managing Director at Filsinger Energy Partners (“FEP”), which has a place of business at 290 Fillmore Street, Suite 4, Denver, Colorado 80206.

2. I submit this sixth declaration on behalf of FEP in support of the application (the “Application”) of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) pursuant to sections 327(a), 328, and 330 of the Bankruptcy Code² for authorization to employ and retain FEP as energy consultant effective *nunc pro tunc* to the Petition Date.

Except as otherwise noted, I have personal knowledge of the matters set forth herein.

¹ The last four digits of Energy Future Holdings Corp.’s tax identification number are 8810. The location of the debtors’ service address is 1601 Bryan Street, Dallas, Texas 75201. Due to the large number of debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the debtors’ claims and noticing agent at <http://www.efhcaseinfo.com>.

² Capitalized terms not otherwise defined in this Declaration shall have the meanings ascribed to them in the Application and the Supplemental Filsinger Declaration (defined herein).

Background

3. On May 29, 2014, the Debtors filed the Application. In support of the Application, the Debtors filed the *Declaration of Todd Filsinger in Support of the Application of Energy Future Holdings Corp., et al., for Entry of an Order Authorizing the Debtors to Retain and Employ Filsinger Energy Partners as Energy Consultant Effective Nunc Pro Tunc to the Petition Date* [D.I. 650], which was filed as Exhibit B to the Application.

4. On September 16, 2014, the Debtors filed the *Supplemental Declaration of Todd Filsinger in Support of the Application of Energy Future Holdings Corp., et al., for Entry of an Order Authorizing the Debtors to Retain and Employ Filsinger Energy Partners as Energy Consultant Effective Nunc Pro Tunc to the Petition Date* [D.I. 2034] (the “Supplemental Filsinger Declaration”) contemporaneously with a proposed *Order Authorizing the Debtors to Retain and Employ Filsinger Energy Partners as Energy Consultant Effective Nunc Pro Tunc to the Petition Date* [D.I. 2035] (the “Order”). The Order was entered that same day by the Court [D.I. 2057].

5. On November 10, 2014, the Debtors filed the *Second Supplemental Declaration of Todd Filsinger in Support of the Application of Energy Future Holdings Corp., et al., for Entry of an Order Authorizing the Debtors to Retain and Employ Filsinger Energy Partners as Energy Consultant Effective Nunc Pro Tunc to the Petition Date* [D.I. 2725].

6. On April 27, 2015, the Debtors filed the *Third Supplemental Declaration of Todd Filsinger in Support of the Application of Energy Future Holdings Corp., et al., for Entry of an Order Authorizing the Debtors to Retain and Employ Filsinger Energy Partners as Energy Consultant Effective Nunc Pro Tunc to the Petition Date* [D.I. 4328].

7. On August 26, 2015, the Debtors filed the *Fourth Supplemental Declaration of Todd Filsinger in Support of the Application of Energy Future Holdings Corp., et al., for Entry of an Order Authorizing the Debtors to Retain and Employ Filsinger Energy Partners as Energy Consultant Effective Nunc Pro Tunc to the Petition Date* [D.I. 5748].

8. On December 7, 2015, the Debtors filed the *Fifth Supplemental Declaration of Todd Filsinger in Support of the Application of Energy Future Holdings Corp., et al., for Entry of an Order Authorizing the Debtors to Retain and Employ Filsinger Energy Partners as Energy Consultant Effective Nunc Pro Tunc to the Petition Date* [D.I. 7249].

FEP's Disinterestedness

9. FEP has maintained an ongoing effort to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors. In this regard, FEP researched its electronic client files and records to determine its connections, if any, with the Debtors and any additional parties-in-interest (the "Conflict Check").

10. I have reviewed the results of the Conflict Check to date, and to the best of my knowledge, insofar as I have been able to ascertain, there is no factual basis to assert that FEP is not disinterested, or that FEP holds an interest adverse to the Debtors, or that FEP has any connection with the Debtors, their creditors, other Parties-in-Interest, their respective attorneys, the U.S. Trustee, or anyone employed by the U.S. Trustee other than which is described herein or any prior disclosure declaration that I have submitted to the Court.

11. A list of the additional parties-in-interest reviewed by FEP for the Conflict Check is attached hereto as **Schedule 1**. To the extent that FEP currently represents, or has represented within the last three years, any of the additional parties-in-interest, the identities of such entities

are set forth in the list attached hereto as **Schedule 2**. FEP's previous and current representations of them are unrelated to the chapter 11 cases. FEP will not represent the parties-in-interest on **Schedule 2** in any related proceedings against the Debtors, nor will FEP represent the Debtors in any related proceedings against the parties-in-interest on **Schedule 2**.

12. To the best of my knowledge, FEP still does not hold or represent any interest adverse to the Debtors or to their estates.

[Remainder of page intentionally left blank.]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed on July 7, 2016
