Notice of Chapter 11 Bankruptcy Case

Chapter 11 bankruptcy cases concerning the Debtors listed below (the "Debtors") were filed on July 27, 2016. You may be a creditor of one of the Debtors. You may want to consult an attorney to protect your rights. You are not being sued or forced into bankruptcy. **This notice has important information about the cases, including deadlines. Read all pages carefully.**

The filing of the cases imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the Debtors or the Debtors' property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the Debtors. Creditors cannot demand repayment from the Debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

All documents filed in the case will be available for inspection at the bankruptcy clerk's office at the address listed below or by accessing the Bankruptcy Court's website, www.nysb.uscourts.gov. In addition such documents can be viewed and/or obtained from the Debtors' proposed notice and claims agent, Epiq Bankruptcy Solutions, LLC ("Epiq"), at http://dm.epiq11.com/Atlas or by calling Epiq toll free at (888) 839-9491 or, if calling from outside the United States, at (503) 520-4482. Note that you need a PACER password and login to access documents on the Bankruptcy Court's website (a PACER password is obtained by accessing the PACER website, www.pacer.gov).

The staff of the bankruptcy clerk's office cannot give legal advice. Do not file this notice with any proof of claim or other filing in the case.

6.	**Filing a Chapter 11 Bankruptcy Case**	Bankruptcy cases under Chapter 11 of the Bankruptcy Code have been filed in this court by the Debtors listed on the first page, and orders for relief have been entered. Chapter 11 allows the Debtors to reorganize or liquidate pursuant to a plan. A plan is not effective unless confirmed by the court. You may receive a copy of a plan and a disclosure statement telling you about a plan, and you might have the opportunity to vote on a plan. You will receive notice of the date of a confirmation hearing, and you may object to confirmation of a plan and attend a confirmation hearing. Unless a trustee is serving, the Debtors will remain in possession of the Debtors' property and may continue to operate any business.
7.	**Creditors May Not Take Certain Actions**	IN MOST INSTANCES, THE FILING OF THE BANKRUPTCY CASE AUTOMATICALLY STAYS CERTAIN COLLECTION AND OTHER ACTIONS AGAINST THE DEBTORS AND THE DEBTORS' PROPERTY. UNDER CERTAIN CIRCUMSTANCES, THE STAY MAY BE LIMITED TO 30 DAYS OR NOT EXIST AT ALL, ALTHOUGH THE DEBTORS CAN REQUEST THE COURT TO EXTEND OR IMPOSE A STAY. IF YOU ATTEMPT TO COLLECT A DEBT OR TAKE OTHER ACTION IN VIOLATION OF THE BANKRUPTCY CODE, YOU MAY BE PENALIZED. COMMON EXAMPLES OF PROHIBITED ACTIONS BY CREDITORS ARE CONTACTING THE DEBTORS TO DEMAND REPAYMENT, TAKING ACTION AGAINST THE DEBTORS TO COLLECT MONEY OWED TO CREDITORS OR TO TAKE PROPERTY OF THE DEBTORS, AND STARTING OR CONTINUING COLLECTION ACTIONS, FORECLOSURE ACTIONS, OR REPOSSESSIONS. CONSULT A LAWYER TO DETERMINE YOUR RIGHTS IN THIS CASE.
8.	**Discharge of Debts**	Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See Bankruptcy Code § 1141(d). A discharge means that you may never try to collect the debt from the debtor, except as provided in the plan. If you believe that a debt owed to you is not dischargeable under Bankruptcy Code § 1141(d)(6)(A), you must start a judicial proceeding by filing a complaint and paying the filing fee in the Bankruptcy Clerk's Office by the deadline.
9.	**Deadline to File a Complaint to Determine Dischargeability of Certain Debts and Interests**	Any objections to discharge must be filed by no later than 12:00 p.m. (prevailing Eastern time) on August 19, 2016, in accordance with the procedures set forth in the section below entitled "Combined Hearing on Adequacy of the Disclosure Statement, Solicitation Procedures, and Confirmation of the Plan."

10. Claims and Proof of Claim Deadline	You should refer to the Debtors' Prepackaged Plan and Disclosure Statement (Docket Nos. 16 and 17) for information regarding the treatment of and distributions on account of claims against the Debtors in their chapter 11 cases. YOU ARE NOT REQUIRED TO FILE A CLAIM AT THIS TIME. A PROOF OF CLAIM IS A SIGNED STATEMENT DESCRIBING A CREDITORS' CLAIM. IF THE COURT SETS A DEADLINE TO FILE A PROOF OF CLAIM IN THESE CHAPTER 11 CASES, YOU WILL BE SENT ANOTHER NOTICE. **Filing Deadline for a Creditor with a Foreign Address:** If a deadline for filing claims is set in these chapter 11 cases, it will be set forth in a later court order and will apply to all creditors unless the order provides otherwise. If notice of the order setting the deadline is sent to a creditor at a foreign address, the creditor may file a motion requesting the court to extend the deadline.
11. Hearing of Adequacy of the Disclosure Statement, Solicitation Procedure and Confirmation of the Plan	A combined hearing to consider, among other things, the adequacy of the Disclosure Statement and confirmation of the Prepackaged Plan will be held before the Honorable Sean H. Lane, United States Bankruptcy Judge, in court room 701 of the United States Bankruptcy Court, One Bowling Green, New York, NY 10004, on August 26, 2016 at 9:00 a.m. (prevailing Eastern time), which date may be adjourned by notice on the docket. Any objections to the approval of the Disclosure Statement, the solicitation procedures, or confirmation of the Prepackaged Plan must: (a) be in writing; (b) state the name and address of the objecting party and the amount and nature of the claim or interest of such party; (c) state with particularity the basis and nature of any objection; (d) conform to the Bankruptcy Rules and the Local Rules; (e) be filed with the Bankruptcy Court (i) by registered users of the Bankruptcy Court's case filing system, electronically in accordance with General Order M-399 (which can be found at http://nysb.uscourts.gov) and (ii) by all other parties in interest, on a 3.5 inch disk, in text-searchable portable document format (PDF) (with a hard copy delivered directly to Chambers), in accordance with the customary practices of the Bankruptcy Court and General Order M-399, to the extent applicable; and (f) be served in accordance with General Order M-399 no later than 12:00 p.m. (prevailing Eastern time) on August 19, 2016 (the "Objection Deadline"), on the following parties: (i) Atlas Resource Partners, L.P., 1845 Walnut Street, 10th Floor, Philadelphia, Pennsylvania 19118 (Attn: Lisa Washington, General Counsel); Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, New York 10036 (Attn: David M. 12. Meeting of Creditors
A meeting of creditors pursuant to section 341(a) of the Bankruptcy Code (the "Section 341(a) Meeting") will be deferred until confirmation of the Plan. The Section 341(a) Meeting will not be convened if the Plan is confirmed within sixty (60) days after the Petition Date. If the Section 341(a) Meeting will be convened, the Debtors will file, serve on the parties on whom it served this notice, and post on the Debtors' restructuring website at http://dm.epiq11.com/Atlas, not less than seven days before the date scheduled for such meeting, a notice of the date, time, and place of the Section 341(a) Meeting.

SUMMARY OF PREPACKAGED PLAN[1]

On July 27, 2016 (the "Petition Date"), the Debtors each commenced a case by filing a petition for relief under chapter 11 of the Bankruptcy Code (collectively, the "Chapter 11 Cases"). Substantially contemporaneous with the commencement of the Chapter 11 Cases, the Debtors

[1] Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Prepackaged Plan.

filed their joint prepackaged plan of reorganization (the "Prepackaged Plan" or "Plan") and related disclosure statement (the "Disclosure Statement"). The Debtors have also filed motions requesting joint administration of these Chapter 11 Cases and a combined hearing for approval of the Prepackaged Plan and Disclosure Statement to be held within 30 days of the Petition Date.

The Plan and Disclosure Statement may be obtained (a) at the Office of the Clerk of the Bankruptcy Court, One Bowling Green, New York, New York 10004, where they may be reviewed from 9:00 am — 4:30 pm (prevailing Eastern time); (b) by accessing the Bankruptcy Court's website, www.nysb.uscourts.gov; (c) by request to the Debtors' notice and claims agent, Epiq Bankruptcy Solutions, LLC at (646) 282-2500 or via email at tabulation@epiqsystems.com and include "ARP" in the subject line; or (d) by accessing the case website at http://dm.epiq11.com/Atlas.

The Debtors have filed the Chapter 11 Cases for purposes of effectuating a restructuring in accordance with the Prepackaged Plan. On July 25, 2016, the Debtors executed a restructuring support agreement (the "Restructuring Support Agreement") with their First Lien Lenders, Second Lien Lenders, and certain Noteholders (collectively, the "Restructuring Support Parties"), pursuant to which such Restructuring Support Parties agreed to support confirmation and, as applicable, vote in favor of the-Plan. Specifically, Restructuring Support Parties holding 100% of the amount of existing First Lien Claims, 100% of the amount of existing Second Lien Claims, and approximately 80% of the amount of existing Notes Claims have agreed to vote in favor of the Prepackaged Plan.

The Prepackaged Plan contemplates a balance-sheet restructuring. In particular, the Plan provides for the full and final satisfaction of the Debtors' obligations under the First Lien Credit Agreement, the Second Lien Credit Agreement, and the Notes Indentures. To furnish the reorganized Debtors with liquidity upon emergence, the reorganized Debtors will enter into the Exit Facility Credit Agreement and the New Second Lien Credit Agreement in accordance with the Plan. The Plan also provides for the distributions of new equity of the reorganized Debtors to the holders of Notes Claims and Second Lien Claims. The remaining classes of claims, including General Unsecured Claims, are unimpaired under the Plan.

As described more fully in the Plan and Disclosure Statement, the Plan provides for a substantial reduction of ARP's existing funded debt by $668 million and a reduction of ARP's annual debt service obligations by $77 million.[2] In particular, the Plan's restructuring transaction provides for the the full and final satisfaction of the Debtors' obligations under the First Lien Credit Agreement, the Second Lien Credit Agreement, and the Notes Indentures. In addition, the Plan provides for an Exit Facility Credit Agreement and the New Second Lien Credit Agreement to provide the Reorganized Debtors with liquidity upon emergence. The Plan also provides for the distributions of new equity of the Reorganized Debtors to the holders of Notes Claims and Second Lien Claims.

[2] Including the hedge monetization, ARP will reduce debt by approximately $901 million and interest expense by $80 million.

The Debtors have solicited votes of the holders of First Lien, Second Lien, and Notes Claims, the only classes of voting creditors pursuant to the Plan. The solicitation period for the Prepackaged Plan will remain open for another 25 days until, August 23, 2016.

B. Treatment of Executory Contracts and Unexpired Leases

Please be advised that the Plan contains the following executory contract and unexpired lease provision:

Article VI of the Plan: Treatment of Executory Contracts and Unexpired Leases

Section A. Assumption of Executory Contracts and Unexpired Leases

Each Executory Contract and Unexpired Lease, including, without limitation, the Drilling Partnership Secured Hedging Facility Agreement, shall be deemed assumed, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date under section 365 of the Bankruptcy Code. The Confirmation Order will constitute an order of the Bankruptcy Court approving the above-described assumptions, as of the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code. Moreover, the Confirmation Order will also constitute an order of the Bankruptcy Court approving the assignment of Executory Contracts or Unexpired Leases to which ARP is a party, from ARP to New OpCo LLC, pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date.

Without amending or altering any prior order of the Bankruptcy Court approving the assumption or rejection of any Executory Contract or Unexpired Lease, entry of the Confirmation Order by the Bankruptcy Court will constitute approval of such assumptions and rejections pursuant to sections 365(a) and 1123 of the Bankruptcy Code. All Assumed Agreements shall remain in full force and effect for the benefit of the Reorganized Debtors, and be enforceable by the Reorganized Debtors in accordance with their terms notwithstanding any provision in such Assumed Agreement that prohibits, restricts or conditions such assumption, assignment or transfer. Any provision in the Assumed Agreements that purports to declare a breach or default based in whole or in part on commencement or continuance of these Chapter 11 Cases is hereby deemed unenforceable. Any provision of any agreement or other document that permits a person to terminate or modify an agreement or to otherwise modify the rights of the Debtors based on the filing of the Chapter 11 Cases or the financial condition of the Debtors shall be unenforceable. To the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan (including any "change of control" provision) restricts or

prevents, or purports to restrict or prevent, or is breached or deemed breached by, the Reorganized Debtors' assumption of such Executory Contract or Unexpired Lease, then such provision will be deemed modified such that the transactions contemplated by the Plan will not entitle the non-debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Each Executory Contract and Unexpired Lease assumed pursuant to this Article of the Plan will revest in and be fully enforceable by the Reorganized Debtors in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable law.

Section B. Assignment of Executory Contracts or Unexpired Leases

In the event of an assignment of an Executory Contract or Unexpired Lease (other than from ARP to New OpCo LLC pursuant to Article VI.A above) with the consent of the Required Consenting Creditors (not to be unreasonably withheld), at least twenty (20) days prior to the Confirmation Hearing, the Debtors will serve upon counterparties to such Executory Contracts and Unexpired Leases, a notice of the proposed assumption and assignment, which will: (a) list the applicable Cure amount, if any; (b) identify the party to which the Executory Contract or Unexpired Lease will be assigned; (c) describe the procedures for filing objections thereto; and (d) explain the process by which related disputes will be resolved by the Bankruptcy Court; additionally, the Debtors will file with the Bankruptcy Court a list of such Executory Contracts and Unexpired Leases to be assigned and the proposed Cure amounts. Any applicable Cure amounts will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure amount in Cash on the Effective Date or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree with the consent of the Required Consenting Creditors (not to be unreasonably withheld).

Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assignment or any related Cure amount must be filed, served and actually received by the Debtors at least five (5) days prior to the Confirmation Hearing. Any counterparty to an Executory Contract and Unexpired Lease that fails to object timely to the proposed assignment or Cure amount will be deemed to have consented to such assignment of its Executory Contract or Unexpired Lease. The Confirmation Order will constitute an order of the Bankruptcy Court approving any proposed assignments of Executory Contracts or Unexpired Leases pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date.

In the event of a dispute regarding (a) the amount of any Cure payment, (b) the ability of any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assigned or (c) any other matter pertaining to assignment, the applicable Cure payments required by section 365(b)(1) of the Bankruptcy Code will be made following the entry of a Final Order or orders resolving the dispute and approving the assignment. If an objection to assignment or Cure amount is sustained by the Bankruptcy Court, the Reorganized Debtors in their sole option, may elect, with the consent of the Required Consenting Creditors (not to be unreasonably withheld), to reject such Executory Contract or Unexpired Lease in lieu of assuming and assigning it.

Section C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash as and when due in the ordinary course or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree with the consent of the Required Consenting Creditors (not to be unreasonably withheld).

Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption must be filed, served and actually received by the Debtors at least ten (10) days prior to the Confirmation Hearing. Any counterparty to an Executory Contract and Unexpired Lease that fails to object timely to the proposed assumption will be deemed to have assented and will be deemed to have forever released and waived any objection to the proposed assumption other than with respect to any alleged Cure amount, which may be asserted at any time. In the event of a dispute regarding (1) the amount of any payments to Cure a default, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (3) any other matter pertaining to assumption, the Cure payments required by section 365(b)(1) of the Bankruptcy Code will be made following the entry of a Final Order or orders resolving the dispute and approving the assumption. If an objection to Cure is sustained by the Bankruptcy Court, the Debtors or Reorganized Debtors, as applicable, in their sole option, may elect, with the consent of the Required Consenting Creditors (not to be unreasonably withheld), to reject such Executory Contract or Unexpired Lease in lieu of assuming it.

Section D. Reservation of Rights

Nothing contained in the Plan shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or the Reorganized Debtors, as applicable, shall have 45 days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, with the consent of the Required Consenting Creditors (not to be unreasonably withheld) in which case the deemed assumptions and rejections provided for in the Plan shall not apply to such contract or lease.

Section E. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor will be performed by the applicable Debtor or Reorganized Debtor in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed executory contracts and unexpired leases) will survive and remain unaffected by entry of the Confirmation Order.

C. Settlement, Injunction, Releases, and Exculpation

Please be advised that the Plan contains the following discharge and injunction provisions, releases, and exculpation of certain parties identified in the Plan.

Article VIII of the Plan: Settlement, Release, Injunction and Related Provisions

Section A. Compromise and Settlement of Claims, Interests and Controversies

As set forth herein, the Plan embodies an overall negotiated settlement of numerous Claims and issues pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan. Except with respect to the Causes of Action retained pursuant to Article V.R of the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Interests and controversies relating to the contractual, legal and subordination rights that a holder of a Claim or Interest may have with respect to any Impaired Allowed Claim or Interest, or any distribution to be made on account of such Impaired Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates and holders of Claims and Interests and is fair, equitable and reasonable. In accordance with the provisions of the Plan, without any further notice to or action, order or approval of the Bankruptcy Court, after the Effective Date, with the consent of the Required Consenting Creditors (not to be unreasonably withheld), the Reorganized Debtors may compromise and settle Claims against them and Causes of Action against other Persons.

Section B. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code and to the fullest extent allowed by applicable law, and except as otherwise specifically provided in the Plan or the Confirmation Order, for good and valuable consideration, the adequacy of which is hereby confirmed and includes the service of the Released Parties to facilitate the expeditious reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the Released Parties are deemed expressly, conclusively, absolutely, unconditionally, irrevocably and forever, released and discharged by the Debtors, the Reorganized Debtors, and the Estates, each on behalf of itself and its predecessors, successors, and assigns, subsidiaries, affiliates, current and former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors and other professionals, from any and all claims, obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any derivative claims or Causes of Action, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, the Estates, the holder of any Claim, or any other Person or Entity, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, that the Debtors, the Reorganized Debtors, or the Estates ever had, now has, or hereafter can, shall, or may have, or would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring efforts and the negotiation, formulation or preparation of any transactions or documents in connection therewith, the Debtors' intercompany

transactions, any preference, fraudulent transfer, or other avoidance claim arising pursuant to chapter 5 of the Bankruptcy Code or other applicable law, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by the Plan, the business or contractual arrangements and any other transaction or other arrangement between any Debtor, Reorganized Debtor, or Estate and any Releasing Party, the Chapter 11 Cases, the pursuit of confirmation of the Plan, the Restructuring Transactions, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan, the Disclosure Statement, the Definitive Documentation, the Restructuring Support Agreements, First Lien Documents, the Drilling Partnership Secured Hedging Facility Agreement, the Secured Swap Agreements, the Second Lien Credit Agreement, the Notes Indentures, the Swap Contracts, the Exit Facility, the New Second Lien Credit Agreement, the Plan Supplement or related agreements, instruments or other documents created or entered into before or during the Chapter 11 Cases, the distribution of Securities pursuant to the Plan, or upon any other act or omission, transaction, agreement, event or other occurrence taking place or arising on or before the Effective Date related or relating to any of the foregoing; provided, however, that nothing in this Article VIII.B shall be construed to release any party or entity from gross negligence, intentional fraud, willful misconduct, or criminal conduct, as determined by a Final Order; provided further, that notwithstanding any language to the contrary contained in the Disclosure Statement, the Plan and/or the Confirmation Order, no provision shall preclude the U.S. Securities and Exchange Commission from enforcing its police and regulatory powers; and provided further, that notwithstanding any language to the contrary contained in the Disclosure Statement, the Plan and/or the Confirmation Order, no provision shall release any non-Debtor from liability in connection with any legal action or claim brought by the U.S. Securities and Exchange Commission. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any of the Restructuring Transactions, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

Section C. Releases by Holders of Claims

On and after the Effective Date, to the fullest extent allowed by applicable law, and except as otherwise specifically provided in the Plan or the Confirmation Order, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed and includes the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement that Plan, each Releasing Party shall be deemed to have conclusively, absolutely, unconditionally, irrevocably and forever, released and discharged the Debtors, the Reorganized Debtors, their Estates, and the Released Parties from any and all claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any derivative Claims, asserted or assertable on behalf of a Debtor, the Estates, the holder of any Claim, or any other Person or Entity, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, that such Person or Entity ever had, now has, or hereafter can, shall, or may have, or would have been legally

entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person or Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring efforts and the negotiation, formulation or preparation of any transactions or documents in connection therewith, the Debtors' intercompany transactions, any preference, fraudulent transfer, or other avoidance claim arising pursuant to chapter 5 of the Bankruptcy Code or other applicable law, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, including any tender rights provided under any applicable law, rule, or regulation, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by the Plan, the business or contractual arrangements and any other transaction or other arrangement between any Debtor or Estate and any Releasing Party, the Chapter 11 Cases, the pursuit of confirmation of the Plan, the Restructuring Transactions, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan, the Disclosure Statement, the Definitive Documentation, the Restructuring Support Agreements, the First Lien Documents, the Drilling Partnership Secured Hedging Facility Agreement, the Secured Swap Agreements, the Second Lien Credit Agreement, the Notes Indentures, the Swap Contracts, the Exit Facility, the New Second Lien Credit Agreement, the Plan Supplement or related agreements, instruments or other documents created or entered into before or during the Chapter 11 Cases, the distribution of Securities pursuant to the Plan, or upon any other act or omission, transaction, agreement, event or other occurrence taking place or arising on or before the Effective Date related or relating to any of the foregoing; provided, however, that nothing in this Article VIII.C shall be construed to release any party or entity from gross negligence, intentional fraud, willful misconduct or criminal conduct, as determined by a Final Order; provided further, however that this Article VIII.C shall not release the Debtors, the Reorganized Debtors, their Estates, and the Released Parties from any Cause of Action held by a governmental entity existing as of the Effective Date based on (i) the Internal Revenue Code or other domestic state, city, or municipal tax code, (ii) the environmental laws of the United States or any domestic state, city, or municipality, (iii) any criminal laws of the United States or any domestic state, city, or municipality, (iv) the Securities and Exchange Act of 1934 (as now in effect or hereafter amended), the Securities Act of 1933 (as now in effect or hereafter amended), or other securities laws of the United States or any domestic state, city or municipality, (v) the Employee Retirement Income Security Act of 1974, as amended, or (vi) the laws and regulations of the Bureau of Customs and Border Protection of the United States Department of Homeland Security. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any of the Restructuring Transactions, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

Section D. Exculpation

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any Exculpated Claim, obligation, claims, cause of action or liability for any Exculpated Claim, except for gross negligence, intentional fraud or willful misconduct (to the extent such duty

is imposed by applicable non-bankruptcy law) as determined by a Final Order, but in all respects such Persons or Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Debtors and the Reorganized Debtors and, to the extent applicable, the other Exculpated Parties (and each of their respective Affiliates, agents, directors, officers, employees, advisors and attorneys) have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the Plan securities pursuant to the Plan, and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

Section E. Discharge of Claims and Termination of Interests

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a First Lien Claims, Second Lien Claims, Notes Claims, or ARP Equity Interest, and any affiliate of such holder, shall be deemed to have forever waived, released, and discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interest, rights, and liabilities that arose prior to the Effective Date. Upon the Effective Date, all such Entities shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or terminated Interest in the Debtors.

Section F. Injunction

Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan.

Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court or as agreed to by the Debtors and a holder of a Claim against or Interest in the Debtors, all Entities who have held, hold or may hold Claims against or Interests in any or all of the Debtors (whether proof of such Claims or Interests has been filed or not) and other parties in interest, along with such Entities respective present or former employees, agents, officers, directors, principals, and affiliates are permanently enjoined, on and after the Effective Date, solely with respect to any Claims, Interests, and Causes of Action that will be or are extinguished or released pursuant to the Plan from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind

against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except as contemplated or allowed by the Plan; and (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan.

By accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Interest will be deemed to have affirmatively and specifically consented to be bound by the Plan, including the injunctions set forth in Article VIII.F of the Plan.

The injunctions in Article VIII.F of the Plan shall extend to any successors of the Debtors and the Reorganized Debtors and their respective property and interests in property.

Section G. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

Section H. Release of Liens

Except as otherwise provided in the Plan, the Exit Facility Documents or the Swap Contracts or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, upon the payment in full in Cash of an Other Secured Claim, any Lien securing an Other Secured Claim that is paid in full, in Cash, shall be deemed released, and the holder of such Other Secured Claim shall be authorized and directed to release any collateral or other property of the Debtors (including any Cash collateral) held by such holder and to take such actions as may be requested by the Reorganized Debtors to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases as may be requested by the Reorganized Debtors at the sole cost of the Reorganized Debtors.

Section I. Termination of Subordination Rights

The classification and manner of satisfying all Claims and Equity Interests under the Plan takes into consideration all subordination rights, whether arising by contract or under general principles of equitable subordination, section 510 of the Bankruptcy Code, or otherwise. Except as provided in the Existing Intercreditor Agreement or the Exit Intercreditor Agreement, as applicable, all subordination rights that a holder of a Claim or Equity Interest may have with respect to any distribution to be made under the Plan, shall be discharged and terminated, and all actions related to the enforcement of such subordination rights shall be enjoined permanently. Accordingly, distributions under the Plan to holders of Allowed Claims shall not be subject to payment of a beneficiary of such terminated subordination rights, or to levy, garnishment, attachment, or other legal process by a beneficiary of such terminated subordination rights.
