Chapter 11

Case No. 16-11844 (KG)

(Jointly Administered)

**SUPPLEMENTAL DECLARATION OF BRIAN KARPUK IN SUPPORT OF THE  
APPLICATION OF THE DEBTORS FOR ENTRY OF AN ORDER AUTHORIZING  
THE DEBTORS TO EMPLOY AND RETAIN EPIQ SYSTEMS, INC. TO PROVIDE  
THE ADDITIONAL SERVICES *NUNC PRO TUNC* TO THE PETITION DATE  
PURSUANT TO SECTION 327 OF THE BANKRUPTCY  
CODE AND BANKRUPTCY RULE 2014**

I, Brian Karpuk, make this Supplemental Declaration pursuant to 28 U.S.C. § 1746, and state:

1. I am a Director of Consulting Services with Epiq Systems, Inc. (“**Epiq**”), a company specializing in the administration of large bankruptcy cases with offices located at 777 Third Avenue, Third Floor, New York, New York 10017.

2. I submit this Supplemental Declaration in accordance with the Order Authorizing the Debtors to Employ and Retain Epiq Systems, Inc. to Provide the Additional Services Nunc Pro Tunc to the Petition Date Pursuant to Section 327 of the Bankruptcy Code and Bankruptcy Rule 2014 [Docket 310].

---

<sup>1</sup> The Debtors in these Chapter 11 Cases, along with the last four (4) digits of each Debtor’s federal tax identification number, if applicable, are: Last Call Guarantor, LLC, Last Call Holding Co. I, Inc. (3962), Last Call Holding Co. II, Inc. (8727), Last Call Operating Co I, Inc. (3541), Last Call Operating Co II, Inc. (8272), F&H Restaurants IP, Inc. (0107), Champps Restaurants IP, Inc. (3776), KS Last Call Inc. (1480), and MD Last Call Inc. (9190). The Debtors’ business address is 19111 Dallas Pkwy, Unit 370, Dallas, TX 75287.

3. Except as otherwise noted, I have personal knowledge of the matters set forth herein.<sup>2</sup>

4. In connection with the preparation of this Supplemental Declaration, I caused to be submitted for review by Epiq's conflicts system the names of additional known potential parties in interest (the "**Potential Parties in Interest**") in these chapter 11 cases which are set forth on **Schedule 1** attached hereto. The list of Potential Parties in Interest was provided by the Debtors and includes all known creditors and parties-in-interest. The results of the conflict check were compiled and reviewed by employees of Epiq, under my supervision. At this time, Epiq is not aware of any relationship that would present a disqualifying conflict of interest. Epiq currently serves, or in the past may have served, in a neutral capacity as claims, noticing, balloting and/or solicitation agent for these parties or related parties. However, given Epiq's neutral position as claims and noticing agent or administrative advisor in its cases, the Debtors' cases, or any other cases, Epiq does not view such relationship as a real or potential conflict.

5. To the best of my knowledge, Epiq is a "disinterested person," as that term is defined in Bankruptcy Code section 101(14), in that Epiq and its professional personnel:

- a. are not creditors, equity security holders, or insiders of the Debtors;
- b. are not and were not, within two (2) years before the date of the filing of these cases, directors, officers, or employees of the Debtors; and
- c. do not have an interest materially adverse to the interests of the Debtors' estates or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors.

---

<sup>2</sup> Certain of the disclosures herein relate to matters within the knowledge of other professionals at Epiq and are based on information provided by them.

6. Epiq reserves the right to supplement this Declaration in the event that Epiq discovers any additional facts bearing on matters described in this Declaration regarding Epiq's employment by the Debtors.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Dated: October 21, 2016
