**INTRODUCTION**<sup>2</sup>

Fresh & Easy, LLC, the debtor and debtor in possession in the above-captioned Chapter 11 Case, and the Official Committee of Unsecured Creditors hereby propose the Combined Disclosure Statement (the “Disclosure Statement”) and Joint Chapter 11 Plan of Liquidation for Fresh & Easy, LLC (the “Plan”) pursuant to sections 1125 and 1129 of the Bankruptcy Code. The Debtor and the Committee are the proponents of the Combined Plan and Disclosure Statement within the meaning of section 1129 of the Bankruptcy Code.

The Combined Plan and Disclosure Statement provides for the Debtor’s assets to be liquidated over time and for the proceeds of any assets already liquidated, or to be liquidated, to be distributed to Holders of Allowed Claims in accordance with the terms of the Combined Plan and Disclosure Statement and the priority of claims provisions of the Bankruptcy Code. The Combined Plan and Disclosure Statement also contemplates the creation of a trust, pursuant to the terms of this Combined Plan and Disclosure Statement and the Liquidating Trust Agreement, for the benefit of all Holders of Allowed General Unsecured Claims. Except as otherwise provided by order of the Court, distributions will occur on the Distribution Date or as soon thereafter as practicable and at various intervals thereafter.

Subject to the restrictions on modifications set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Combined Plan and Disclosure Statement, the Plan Proponents expressly reserve the right to alter, amend or modify the Combined Plan and Disclosure Statement, one or more times, before its substantial consummation.

II.

The Debtor historically operated retail grocery stores in California, Nevada and Arizona that principally focused on offering high-quality, freshly prepared and ready-to-eat products.

The “Fresh & Easy” brand was founded in 2006 through affiliates of Tesco PLC (“Tesco”), a large grocery retailer based in the United Kingdom. The entities then comprising the “Fresh & Easy” branded enterprise filed voluntary petitions for chapter 11 bankruptcy relief on September 30, 2013, in the Court, which cases were jointly administered through the lead

case *In re: Fresh & Easy Neighborhood Market Inc., et al.*, Case No. 13-12569 (KJC) (the “Prior Chapter 11 Case”).<sup>4</sup>

In accordance with a court-approved sale process and related bid procedures, the Debtor’s parent company, YFE, won the right for it, or one or more of its designees, to purchase assets sufficient to allow it to operate (i) 167 operating stores and 14 “work in progress” or otherwise nonoperating stores; (ii) production facilities in Riverside, California including a separate meat facility (the “Meat Facility”), a fresh produce facility (the “Produce Facility”) and a kitchen facility (the “Kitchen Facility,” and collectively with the Meat Facility and the Produce Facility, the “Campus Facilities”), each housed in its own building, providing “Fresh & Easy” branded fresh food products; and (iii) a 680,000 square foot distribution facility (the “Distribution Facility”) located near the Campus Facilities. An order approving the sale (the “Prior Sale”) to YFE was entered on November 22, 2013.<sup>5</sup>

After the Prior Sale was approved, but prior to its closing, YFE formed two subsidiaries to serve as its designees, each a Delaware limited liability company with YFE as its sole member: (i) the Debtor; and (ii) Fresh Foods. After the closing, YFE formed a third subsidiary, FEFOS, which was also a Delaware limited liability company with YFE as its sole member.

As part of the Prior Sale, the real estate comprising the Meat Facility, the Produce Facility and the Kitchen Facility was transferred to Fresh Foods, and individual store leases were each transferred to Fresh & Easy. The Distribution Facility and fourteen (14) store locations were sold by the debtors in the Prior Chapter 11 Case to EM-50 UAV SLBCO LLC (“Fortress”), an entity formed by Fortress Investment Group LLC, and which served as YFE’s designee in its purchasing rights. Fortress then entered into lease agreements with Fresh & Easy. Certain other real estate owned in fee simple was also transferred to Fresh & Easy directly, and was later transferred by Fresh & Easy to FEFOS pursuant to a Real Estate Purchase and Sale Agreement dated April 28, 2014, and effective as of such date (the “FEFOS Agreement”).

Under the FEFOS Agreement, FEFOS received the real estate at 19 locations listed therein, but did not obtain any ownership of intellectual property, signage, furniture, fixtures, equipment or inventory at these locations, all of which remained with Fresh & Easy. Substantially contemporaneous with the FEFOS transaction, Fresh & Easy entered into a rent-free lease with FEFOS for certain of the properties for two years, terminable on thirty days’ notice, but remained liable for the real property taxes relating to the properties sold to FEFOS.

Fresh Foods sold the Meat Facility to an affiliate of JBS S.A. (“JBS”) in August, 2015. Thereafter, the Debtor continued to purchase product from the Meat Facility pursuant to that certain Meat Supply Agreement dated November 18, 2014, entered into by and between the Debtor and JBS. The Debtor also continued production operations at the Produce Facility and Kitchen Facility.

<sup>4</sup> Certain of the facts set forth in this paragraph are from the Declaration of James Dibbo in Support of Chapter 11 Petitions and First Day Motions and Applications, filed at Docket No. 3 in the Prior Chapter 11 Case.

<sup>5</sup> See Prior Chapter 11 Case, Docket No. 378.

In an effort to mitigate operational losses, the Debtor closed 56 stores in late March 2015. Approximately four months later, an additional 14 stores were closed, leaving the Debtor with 97 operating stores, 70 “dark” stores, 13 “work in process” stores, and the ongoing operation of the Distribution Facility. Thereafter, but prior to the Petition Date, the Debtor affirmatively vacated a majority of the “dark” store locations by unequivocally surrendering possession to applicable landlords and successfully terminating its lease obligations with respect to 22 “dark” stores through three (3) negotiated terminations and 19 lease assignments.

The Debtor’s revenue from its retail operations, excluding sales taxes and deducting for coupons, in the 12 months ending September 2015 was \$653.3 million.

## **B. The Debtor’s Prepetition Indebtedness**

The Debtor’s prepetition debt structure primarily consisted of (i) prepetition secured lenders, including Wells Fargo Bank, National Association (“Wells Fargo”) and capital lease lessors; (ii) a guaranty in favor of Tesco Treasury Services PLC, an affiliate of Tesco, unsecured by the Debtor but secured by certain property and cash held by Fresh Foods; (iii) unsecured debt owed to the Debtor’s affiliates on account of intercompany loans made by the Debtor’s affiliates to the Debtor; and (iv) other unsecured debt, including trade debt and claims of landlords for unpaid rent.

### **1. The Wells Fargo Facility**

On November 25, 2013, the Debtor (as lead borrower), Fresh Foods (as a borrower), and YFE (as guarantor) entered into that certain Credit Agreement with Wells Fargo as administrative agent and letter of credit issuer (the “Wells Fargo Facility”). After its formation, FEFOS later guaranteed the obligations owing under the Wells Fargo Facility pursuant to its execution of that certain Joinder Agreement dated March 19, 2015. The Wells Fargo Facility contains a stated maturity date of November 26, 2018.

The Wells Fargo Facility provided a credit line of up to \$55 million, which could be borrowed in the form of: (i) revolving loans (“Committed Loans”); (ii) swing line revolving loans, subject to a sublimit of \$10 million (“Swing Line Loans”) and (iii) letters of credit (collectively, the “Wells Fargo LCs”). As of the Petition Date, approximately \$23.4 million was outstanding for obligations owed on account of the Wells Fargo LCs. Credit extensions made under the Wells Fargo Facility were governed by a Borrowing Base consisting of advances against credit card receivables, inventory and pledged cash. As of the Petition Date, the obligations owed under the Prepetition Credit Facility were fully cash collateralized.

The Wells Fargo Facility was secured by a first priority lien on substantially all personal property of the Debtor and Fresh Foods, subject to certain excluded property, which was the property of Fresh Foods and was instead subject to the lien of Tesco Treasury Services PLC, as discussed below. On October 22, 2015, by letter dated October 21, 2015, Wells Fargo declared an event of default under the Wells Fargo Facility. As a result of this event of default, Wells Fargo also declared a “Cash Dominion Event” (as defined in the Wells Fargo Facility) and imposed certain restrictions on the ability of the Debtor to transfer funds out of its bank accounts with Wells Fargo without the permission of Wells Fargo. As discussed below, Wells Fargo is

also the administrative agent for the Debtor's debtor-in-possession financing. Since the Debtor began winding down its operations certain of the letter of credit holders have drawn their letters of credit. In certain instances, the Debtor has negotiated partial draws of the letters of credit, resulting in return of cash collateral to the Debtor. Since the Petition Date, approximately \$4.7 million of cash collateral for the letters of credit has been returned to the Debtor from the Wells Fargo Facility. As of January 1, 2017, Wells Fargo still holds approximately \$0.5 million of cash collateral related to letters of credit. In addition, Wells Fargo holds \$250,000 and there is an additional \$250,000 held by Young Conaway Stargatt & Taylor, LLP as reserves pursuant to the Wells Fargo Facility.

## 2. **Tesco Guaranty Debt**

As a prerequisite to YFE's agreement to purchase those assets it acquired in the Prior Chapter 11 Case, Tesco Treasury Services PLC was obligated to provide YFE or its designee with a \$120 million loan. On November 25, 2013, Fresh Foods (then named Campus Opco, LLC) executed a secured promissory note (as modified by later documents, the "Original Tesco Note") in favor of Tesco Treasury Services PLC representing the obligation to repay the \$120 million borrowed thereunder. As originally executed, the Original Tesco Note bore interest at five percent per annum, compounded quarterly and payable in cash on the last business day of each of March, June, September and December during the term of the Original Tesco Note; provided, however, that during the first four years of the note, Fresh Foods received the option of capitalizing interest accruing that quarter rather than immediately paying such interest when due, and any interest so capitalized would accrue at seven percent per annum. The maturity date of the Original Tesco Note was the earlier of: (i) November 26, 2020 or (ii) the occurrence of certain events giving rise to a sale or change in control of any of the Campus Facilities or of Fresh Foods.

Pursuant to that certain Amended and Restated Secured Promissory Note dated as of August 6, 2015, amending and restating the Original Tesco Note (the "Tesco Secured Note"), Tesco Treasury Services PLC agreed to reduce the principal under the Original Tesco Note to \$100 million in exchange for certain consideration, including the issuance of 180,000 shares of Series A preferred stock in YFE to Tesco Treasury Services PLC and an earlier maturity date, which earlier date is the first to occur of: (i) May 29, 2018; or (ii) the closing of a sale on the remaining Campus Facilities. The Tesco Secured Note was secured by a first-priority mortgage on each of the Produce Facility and Kitchen Facility (as modified, the "Tesco Mortgage"), including fixtures and equipment but subject to certain permitted liens, as detailed in the Tesco Secured Note, the Tesco Mortgage, and that certain Security Agreement dated November 25, 2013 (as later modified). In August 2015, the Meat Facility was sold to JBS and a portion of the proceeds were used to pay down the Tesco Secured Note, reducing its balance to \$75 million. Prior to that sale, the Tesco Secured Note was secured by a mortgage on the Meat Facility, as well as the Produce Facility and Kitchen Facility.

The Tesco Secured Note is guaranteed by the Debtor and YFE through a guaranty dated November 25, 2013 and that certain Consent of Guarantor and Reaffirmation and Amendment of Guaranty dated August 6, 2015 (the "Tesco Guaranty"), but neither the Debtor nor YFE pledged an interest in any property to secure their respective guarantees.

### 3. **Affiliated Unsecured Debt**

As of the Petition Date, the Debtor's books and records indicated that it owed its parent, YFE, approximately \$89.8 million pursuant to a promissory note (the "YFE Closing Note") in the original principal amount of \$80 million dated November 25, 2013, with an effective date of November 26, 2013 (including accrued interest at the rate of seven percent per annum, compounded annually).

On or about September 11, 2015, the Debtor executed a promissory note in favor of Fresh Foods in the initial amount of \$4.15 million payable to Fresh Foods (the "Fresh Foods Note") in order to continue to fund the Debtor's prepetition operating losses and enable the Debtor to explore all restructuring alternatives. Per the terms outlined therein, the face amount of the Fresh Foods Note would increase as Fresh Foods made additional loans to the Debtor and if the Debtor elected to make in kind interest payments due under the Fresh Foods Note. Interest accrued at seven percent per annum under the Fresh Foods Note, payable in kind in arrears, compounding on the last day of each calendar quarter. The maturity date of the Fresh Foods Note was August 20, 2016. As of the Petition Date, the amount owed under the Fresh Foods Note was approximately \$9.4 million.

On or about October 2, 2015, FEFOS advanced the Debtor approximately \$4.9 million to fund the Debtor's operations so that the Debtor could continue to explore all restructuring alternatives and attempt to structure a sale of its assets.

### 4. **Other Unsecured Debt**

As of the Petition Date, the Debtor's books and records reflected accounts payable due and owing in the amount of approximately \$47.1 million on account of trade debt. Approximately \$53.1 million in total unsecured, non-intercompany debt was due and owing as of the Petition Date, including amounts owed to the Debtor's landlords.

## C. **Events Precipitating the Chapter 11 Filing**

As evidenced by the Prior Chapter 11 Case and disclosures made in connection therewith, the debtors in the Prior Chapter 11 Cases were not profitable. Although the Debtor improved its operating performance by reducing its operating losses, and despite its best efforts to right-size its costs and implement sales and operational objectives, the Debtor was also unable to achieve profitability. In the two years prior to the Petition Date, the Debtor incurred substantial operational losses stemming from, among other things, onerous lease obligations, underperforming retail locations, and increased competition in the natural and organic fresh food industry in particular and the grocery retail industry in general. During this period and through the middle of October 2015, the Debtor, in regular consultation with its non-debtor affiliates who were funding the Debtor's losses prior to the Petition Date, explored many potential restructuring alternatives in hopes of consummating a going-concern transaction. The Debtor consulted with its legal and financial advisors, real estate professionals, and consultants to review possible strategies to help the Debtor achieve the primary goals of renegotiating burdensome leases (or altogether terminating such leases on favorable terms), preserving beneficial trade terms with vendors, and sufficiently streamlining operations to allow the Debtor to retain loyal customers,

attract new ones, and generate improved cash flows as its business model evolved. In that regard, the Debtor's parent company, YFE, hired an investment banker, Moelis & Company, to obtain prepetition financing (including equity infusions) and to explore a potential sale of all or substantial parts of the Debtor's businesses. The Debtor later hired Imperial Capital, LLC to explore a potential sale of the Debtor's business and potential debtor-in-possession financing options. In addition, the Debtor hired certain real estate professionals and experts to help the Debtor renegotiate, terminate, sell, or assign burdensome leases. Unfortunately, this process did not produce any viable sources of financing or any third-party buyers within the timeframe in which the Debtor had the ability to fund its business.

When it became apparent that the Debtor would not be able to obtain additional funding to continue operations outside of a chapter 11 process and, therefore, did not have adequate liquidity to fund its ongoing operations, the Debtor, through its Special Committee, determined that a sale process pursuant to section 363 of the Bankruptcy Code was the most likely way to preserve the Debtor's viability as a going-concern. To that end, the Special Committee, comprised of the two Independent Managers, appointed by the board of directors of the Debtor's sole equity holder, YFE, approved the pursuit of a going-concern sale, among other restructuring options, and marketing was conducted in conjunction therewith. The Debtor was unable to locate a third party willing to fund the administrative costs of a sale process through a debtor-in-possession financing facility, and therefore the Debtor was forced to abandon its going-concern sale efforts in favor of wind-down initiatives implemented through store closing sales (the "Store Closing Sales").

The Debtor believed that commencing this Chapter 11 Case to allow for the conclusion of an efficient and orderly wind down process, sanctioned by the Court, represented the best way to maximize value for its stakeholders. In furtherance of that process, the Debtor entered into an agreement with Hilco Merchant Resources, LLC ("Hilco") on or about October 20, 2015 to conduct the Store Closing Sales at all of its remaining open stores, and the Store Closing Sales commenced on October 23, 2015. The Debtor also began negotiating with its affiliates regarding a proposed settlement with general unsecured creditors that would: (i) enable the Debtor to complete the orderly wind down of its business and the liquidation of its assets; (ii) provide for the satisfaction of administrative claims; and (iii) propose a recovery for unsecured creditors. The Debtor also commenced negotiation of an agreement to sell its distribution center equipment with the intent of retaining DJM Realty Services, LLC ("DJM") and CBRE, Inc. ("CBRE"), jointly, to market its remaining leasehold interests.

#### D. The Chapter 11 Case

The Debtor commenced this Chapter 11 Case on the Petition Date. Following is a brief description of certain major events that have occurred during this Chapter 11 Case.

##### 1. First Day Orders

Subsequent to the Petition Date, the Debtor filed a number of motions and applications (collectively, the “First Day Motions”) seeking certain “first day” relief. The Interim Order Authorizing Post-Petition Financing is discussed separately below. On or about November 5, 2015, the Court entered orders providing various first-day relief, including:<sup>6</sup>

- a) establishing procedures for resolving objections by utility companies and prohibiting utility companies from altering, refusing or discontinuing service [Docket No. 52]; Final Order entered December 3, 2015 [Docket No. 281];
- b) authorizing the Debtor to pay prepetition obligations incurred in the ordinary course of business in connection with liability, property, and other insurance programs, including payment of policy premiums and broker fees, and continuing insurance premium financing programs [Docket No. 55];
- c) authorizing the Debtor to pay certain prepetition taxes and fees and related obligations [Docket No. 57];
- d) authorizing the Debtor to honor certain prepetition obligations to its customers [Docket No. 59];
- e) authorizing the Debtor to pay prepetition wages, salaries and other compensation, including certain bonus payments; reimburse prepetition employee business expenses; contribute to prepetition employee benefit programs and continue such programs in the ordinary course; pay workers compensation obligations; continue payments for which prepetition payroll deductions were made; pay all costs and expenses incident to the foregoing payment and contributions; and pay to third parties all amounts incident to the foregoing payments and contributions, and authorizing banks to honor and process check and electronic transfer requests related thereto [Docket No. 54]; and

<sup>6</sup> The descriptions of the relief sought or obtained in the first day orders and in the Chapter 11 Case set forth herein are summaries only and reference should be made to the actual pleadings and orders for their complete content.

- f) authorizing continued use of existing bank accounts, cash management systems, and checks and business forms and waiving investment and deposit requirements of 11 U.S.C. 345(b) on an interim basis [Docket No. 56].

## 2. **Interim Order Authorizing Post-Petition Financing**

On November 3, 2015, the Debtor filed a motion for entry of interim and final orders authorizing it to obtain postpetition financing and use cash collateral [Docket No. 18]. By the motion, the Debtor sought, among other things, to obtain secured, superpriority, debtor-in-possession financing with commitments in an aggregate principal amount up to \$6.75 million. On November 6, 2015, the Court entered the Interim Order Authorizing Post-Petition Financing. Following entry of the Interim Order Authorizing Post-Petition Financing, certain Holders of PACA/PASA Claims filed objections to the motion, which were later withdrawn. [Docket Nos. 248, 251, 994, and 1014]. The UST, and following its formation, the Committee, raised certain informal objections to the proposed final order approving the post-petition financing (the “DIP Financing”), including the necessity for and reasonableness of the DIP Financing, the scope of certain releases contained in the Interim Order Authorizing Post-Petition Financing, and the reasonableness of various claims asserted by YFE related to, among other things, professional fees, asserted in connection with the DIP Financing. Because the Debtor has not required post-petition financing outside the ordinary course of business and has therefore not utilized the DIP Financing, the parties have agreed to numerous continuances of the hearing to consider final approval of the Interim Order Authorizing Post-Petition Financing and associated objection deadline. The Debtor intends to seek the Court’s approval of a Final Order authorizing DIP Financing, which will, *inter alia* (a) acknowledge the fact that the Debtor has not drawn on any DIP Financing, (b) implement appropriate provisions on a final basis with respect to Wells Fargo, (c) eliminate YFE as a DIP lender retroactive to the Petition Date, and (d) provide for the release and waiver of certain YFE claims consistent with this Combined Plan and Disclosure Statement.

## 3. **Appointment of Committee**

On November 10, 2015, the UST appointed the Committee pursuant to section 1102 of the Bankruptcy Code [Docket No. 101]. The members of the Committee as of that date were: DPI Specialty Foods, Inc., United Natural Foods West, Inc., Ignited, LLC, JBS USA, and Ryder Integrated Logistics. On November 18, 2016, the UST also appointed Empress Group and MJL Capital Partners, LLC to the Committee [Docket No. 165].

## 4. **Employment of Professionals and Advisors**

### a) **Debtor’s Professionals**

On November 20, 2015, the Court entered an order authorizing the Debtor to retain Amir Agam of FTI Consulting, Inc. (“FTI”) as Chief Restructuring Officer and to utilize the services of other FTI personnel *nunc pro tunc* to the Petition Date (the “FTI Order”) [Docket No. 192]. On December 3, 2015, the Court entered an order authorizing the Debtor to retain Young Conaway Stargatt & Taylor, LLP as its special corporate and transactional counsel [Docket No.

287] and, on December 15, 2015, it entered an order authorizing the Debtor to retain Cole Schotz P.C., as its bankruptcy counsel [Docket No. 371], both *nunc pro tunc* to the Petition Date. On January 11, 2016, the Court entered an order authorizing the Debtor to retain Sheppard Mullin Richter & Hampton LLP as special counsel [Docket No. 456], which firm was subsequently replaced, and on June 29, 2016, the Court entered an order authorizing the Debtor to retain Kelley Drye & Warren LLP [Docket No. 1060] in its stead.

The Debtor has also retained ordinary course professionals in the Chapter 11 Case pursuant to the procedures set forth in the OCP Order.

**b) Retention of Claims and Noticing Agent and Administrative Agent**

By order entered November 5, 2015, the Court authorized the Debtor to retain Epiq Bankruptcy Solutions, LLC (“Epiq”) as its claims and noticing agent in the Chapter 11 Case [Docket No. 51]. Also, on November 20, 2015, the Court entered an order authorizing the Debtor to retain Epiq as its administrative advisor in the Chapter 11 Case [Docket No. 193].

**c) Committee’s Professionals**

On December 12, 2015, the Court entered an order authorizing the Committee to retain Province, Inc., as its financial advisor [Docket No. 352] and Fox Rothschild as its bankruptcy counsel [Docket No. 353]. Additionally, on May 23, 2016, the Court entered an order authorizing the Committee to retain Reid Collins & Tsai LLP, as its special contingency-fee counsel for the purpose of pursuing certain claims against YFE, FEFOS, and related parties [Docket No. 953]. On September 7, 2016, the Court entered an order authorizing the Committee to retain Ask, LLP as its special contingency-fee counsel for the purpose of pursuing certain avoidance actions [Docket No. 1191].

**5. Sale of Assets**

**a) Store Closing Sale**

As noted above, prior to the Petition Date, the Debtor retained Hilco as its exclusive agent for the liquidation sale of merchandise at the Debtor’s retail locations. On November 3, 2015, the Debtor filed an Emergency Motion for Interim and Final Orders (I) Authorizing the Continuation of Store Closing Sales in Accordance with the Disposition Agreement and Sale Guidelines, with Such Sales to be Free and Clear of All Liens, Claims, and Encumbrances; (II) Authorizing the Assumption of the Disposition Agreement; and (III) Granting Related Relief [Docket No. 19], pursuant to which the Debtor sought, among other things, authority to continue the Store Closing Sales that had commenced prior to the Petition Date at its retail locations. On November 5, 2015, the Court entered an interim order [Docket No. 53], and on November 24, 2015, the Court entered a final order [Docket No. 231] granting the Motion. Under the terms of a Letter Agreement Governing Inventory Disposition, Hilco served as the exclusive agent to the Debtor for the purpose of conducting the sale of certain merchandise at the closing stores in accordance with the terms of the agreement and the procedures outlined in the store-closing sale guidelines. In addition, Hilco conducted sales of FF&E.

The Store Closing Sales commenced on approximately October 23, 2015 and concluded on approximately November 13, 2015 and resulted in approximately \$28.8 million in proceeds.

**b) Sale of Leases**

On November 13, 2015, the Debtor filed the Motion for Entry of: (I) Order (A) Establishing Bidding Procedures in Connection with an Auction of Nonresidential Real Property Leases; (B) Authorizing and Scheduling an Auction With Respect Thereto; (C) Approving Cure Procedures; and (D) Scheduling a Hearing With Respect to the Outcome of the Auction; and (II) Order (A) Approving Assumption and Assignment of Leases; and (B) Waiving Stay Provisions Pursuant to Bankruptcy Rule 6006(d) [Docket No. 124] (the “Global Sale Process”). In conjunction therewith, the Court entered an order on November 24, 2015, establishing a timeline for the submission of bids by parties interested in taking assignment of the Debtor’s leases (such leases, the “Marketed Leases”) and purchasing related assets, and scheduling an auction and sale hearing with respect thereto [Docket N. 230]. On December 7, 2015, the Court approved various agreements entered into by and between the Debtor and third party purchasers or landlords, as applicable, which constituted the respective highest and best offers—and in some instances only offers—submitted for certain Marketed Leases.

As detailed on the record at the December 7, 2015 hearing and in pleadings related thereto, the Debtor determined, in consultation with the Committee, to withhold certain leases from both the Global Sale Process and the Court-approved rejection process, notwithstanding that such leases (collectively, the “Withheld Leases”) did not garner qualified bids by the bid deadline. The Withheld Leases were thoroughly evaluated by both the Debtor and the Committee’s advisors. As a result of that evaluation, the Withheld Leases were not rejected at that time because, in the Debtor’s business judgment, value could be generated through further marketing efforts and an extended due diligence period. Accordingly, the Debtor continued to pay rent and related charges under the Withheld Leases pending a further determination regarding rejection or assignment. The Debtor then entered into various agreements with landlords and third party purchasers regarding the Withheld Leases, and in some instances filed motions to reject Withheld Leases.

In total, during the Chapter 11 Case, as a result of the sale of certain leases, the assumption and assignment of certain leases, the termination of additional leases with landlord consent, and the rejection of other leases, the Debtor successfully disposed of more than 100 of its leased locations, resulting in over \$11 million in proceeds and returned collateral.

**c) Auction of Assets at the Distribution Center**

On November 5, 2015, the Debtor filed a motion for entry of an order: (i) approving an Auction Agreement (the “Auction Agreement”) by and between the Debtor and Industrial Assets Corp. and Maynard’s Industries (1991), Inc. (“IAC”) with respect to the sale of certain of the Debtor’s owned tractors, trailers, yard dogs, and material handling equipment located at the Debtor’s Distribution Center; (ii) authorizing the sale and liquidation of the assets free and clear of all liens, claims, and encumbrances through IAC; and (iii) waiving the information requirements of Local Rule 2016-2. Under the terms of the Auction Agreement, the sale was to commence no later than November 30, 2015 and terminate by December 31, 2015; provided,

however, that the sale term could be extended by IAC under certain circumstances until January 31, 2016. On November 20, 2015, the Court granted the Motion, approved the Auction Agreement and authorized the sale of assets [Docket No. 190].

The Auction occurred on December 12, 2015 and resulted in over \$5 million in proceeds.

**d) Sale of Miscellaneous Assets**

To facilitate the sale and abandonment of miscellaneous assets and to minimize unnecessary administrative expenses, the Debtor sought, and obtained a Court Order [Docket No. 288] (the “Miscellaneous Asset Sale Procedures Order”), authorizing and approving procedures for the sale or abandonment of miscellaneous assets free and clear of liens, claims, interests, and encumbrances. The Miscellaneous Asset Sale Procedures Order permits the sale of the miscellaneous assets in any individual transaction or series of related transactions to a single buyer or group of related buyers within certain dollar thresholds. Absent written objection in accordance with the notice requirements of the Miscellaneous Asset Sale Procedures Order, the Debtor was authorized to immediately consummate a proposed sale in accordance with the terms of the underlying contract or other document without further Court order.

During the Chapter 11 Case, the Debtor has sold various miscellaneous assets and abandoned certain miscellaneous assets in accordance with the Miscellaneous Asset Sale Procedures Order. [See e.g. Docket Nos. 764, 1022 and 1215]. As of January 1, 2017, the Debtor had sold approximately \$375,000 in miscellaneous assets pursuant to the Miscellaneous Asset Sale Procedures Order.<sup>7</sup>

**e) Sale of Intellectual Property**

On February 25, 2016, the Debtor filed a motion for an order authorizing the Debtor to employ and retain Hilco IP Services, LLC d/b/a Hilco Streambank (“Hilco Streambank”) to provide intellectual property disposition services *nunc pro tunc* to February 24, 2016 [Docket No. 628] and on March 15, 2016, the Court approved the motion [Docket No. 697].

As a result of a fairly extensive process and bid deadline extension, Hilco Streambank received an offer to purchase one of the Debtor’s wine brands, which sale has been consummated. In addition, on December 22, 2016, the Debtor filed a motion for entry of an order approving a purchase and sale agreement with Wild Oats Marketing LLC for the sale of certain intellectual property for \$100,000 [Docket No. 1735]. Oracle America, Inc. filed a reservation of rights requesting the Court deny the motion solely to the extent it sought authorization for the Debtor to assume and assign any Oracle agreement [Docket No. 1766]. The motion is scheduled for hearing on February 16, 2017.

---

<sup>7</sup> With respect to the sale of certain liquor licenses, the purchase price is held in escrow until the approval of the transfer of the liquor license by the Liquor License Department, and, as a result, many of such reported sale amounts have not been realized by the Debtor.

f) **Sale of Corporate FF&E**

On February 25, 2016, Debtor's Motion for Entry of an Order: (I) Approving the Auction Agreement by and between the Debtor and Great American Global Partners, LLC with respect to the Sale of Certain of the Debtor's Property Located at the Debtor's Corporate Headquarters and Data Center; (II) Authorizing the Sale and Liquidation of Such Assets through Public Auction; and (III) Waiving One or More of the Information Requirements of Local Rule 2016-2 [Docket No. 629] (the "Corporate FF&E Sale Motion"), was filed with the Court. On March 15, 2016, the Court entered an order granting the Corporate FF&E Sale Motion and authorizing the Debtor to execute and deliver, and consummate and implement, the sale of the assets pursuant to the terms set forth in the auction agreement [Docket No. 698] (the "Corporate FF&E Sale Order"). On May 26, 2016, a Final Auction Report containing the results of the auction conducted pursuant to the Corporate FF&E Sale Order was filed with the Court reflecting net proceeds to the Debtor in the amount of \$51,113.00 [Docket No. 974]. On August 23, 2016, a Second Final Auction Report containing the results of the auction conducted pursuant to the Corporate FF&E Sale Order for property located at the Debtor's data center was filed with the Court reflecting net proceeds to the Debtor in the amount of \$42,535.00 [Docket No. 1151].

g) **Sale of Equipment**

On February 25, 2016, the Debtor filed a motion for entry of an order, *inter alia*, (i) authorizing the disposition of the Debtor's retired, used, end-of-life, and surplus IT and communications equipment (collectively, the "Equipment") located at Itek Services, Inc., 25501 Arctic Ocean Drive, Lake Forest, California, pursuant to the terms of an Asset Disposition Services Agreement by and between the Debtor and HiTech Assets, Inc.; (ii) approving the terms of that agreement; (iii) waiving the information requirements of Local Rule 2016-2, to the extent such requirements are applicable; and (iv) granting related relief [Docket No. 630]. On March 15, 2016, the Court entered an order granting the motion [Docket No. 701]. Pursuant to the agreement, the Debtor receives 50% of gross sales generated by assets resold by HiTech. As of December 2016, the Debtor had received \$ 28,615.06 in sale proceeds. HiTech's sale of the Equipment on consignment is ongoing.

6. **Rejection of Contracts and Unexpired Leases**

The Debtor has rejected numerous executory contracts and unexpired leases, both of personal property and real property, including nonresidential real property.

On November 13, 2015, the Debtor filed a motion [Docket No. 124] seeking, among other things, entry of an order approving procedures for rejecting unexpired leases and subleases of nonresidential real property and to abandon any personal property remaining on the premises to the leases or subleases. On November 24, 2015, after notice and a hearing, the Court entered the requested order [Docket No. 230]. Before those procedures expired, the Debtor used such procedures to reject many unexpired leases [Docket Nos. 241, 243, 244, 360, 361, and 362].

In addition, the Debtor has filed standalone motions for approval of the rejection of executory contracts [Docket Nos. 135, 424, 633, 883, and 975], and the Court has entered orders granting those motions [Docket Nos. 321, 502, 699, 960, and 1061].

7. **Claims Process and Bar Date**

a) **Section 341(a) Meeting of Creditors**

On December 3, 2015, the UST commenced the meeting of creditors in the Chapter 11 Case conducted pursuant to section 341(a) of the Bankruptcy Code. The meeting was adjourned to, and concluded on, January 14, 2016.

b) **Schedules and Statements**

On December 29, 2015, the Debtor filed its Schedules [Docket Nos. 410 and 411], which were amended on February 3, 2016 [Docket Nos. 557 and 558]. Among other things, the Schedules set forth the claims of known creditors against the Debtor as of the Petition Date, based upon the Debtor's books and records. The Debtor retains the right to amend the Schedules during the pendency of the Chapter 11 Case.

c) **Bar Dates**

On January 11, 2016, the Court entered the Bar Date Order [Docket No. 457] establishing the following Bar Dates for filing Claims against the Debtor:

**General Bar Date.** All persons and entities, except any governmental unit, holding or asserting a Claim against the Debtor that arose (or is deemed to have arisen) on or before the Petition Date, excluding any 503(b)(9) Claims, were required to file a Proof of Claim form so that it was actually received by the Claims Agent on or before February 19, 2016 at 5:00 p.m. (Pacific Time).

**Governmental Bar Date.** All Governmental Units holding or asserting a Claim against the Debtor that arose (or is deemed to have arisen) on or before the Petition Date were required to file a Proof of Claim form so that it was actually received by the Claims Agent on or before April 27, 2016 at 5:00 p.m. (Pacific Time).

**Administrative Claims Bar Date.** All persons or entities holding or asserting a Claim arising under sections 503(b)(1) through (8) and 507(a)(2) of the Bankruptcy Code against the Debtor that arose, accrued or otherwise become due and payable at any time subsequent to the Petition Date but on or before December 31, 2015 (the "Initial Administrative Claims Period") were required to file a Proof of Claim form so that it was actually received by the Claims Agent on or before February 19, 2016 at 5:00 p.m. (Pacific Time).

**Amended Schedules Bar Date.** If the Debtor amends its Schedules to change the amount, nature, classification or characterization of a Claim, or to schedule a new Claim, the affected claimant may dispute the amount, nature, classification or characterization of the Scheduled Claim by filing a Proof of Claim form with respect to the Scheduled Claim, so that the Proof of Claim form is actually received by the Claims Agent on or before the later of (i) the General Bar Date or (ii) twenty-one (21) days from the date of the notice that is served alerting the

affected creditor of the amendment to the Schedules. If the Debtor amends the Schedules with respect to the claim of a governmental unit, the affected governmental unit shall be permitted to dispute the amount, nature, classification or characterization of the Scheduled Claim by filing a Proof of Claim form with respect to the Scheduled Claim, so that the Proof of Claim form is actually received by the Claims Agent on or before the later of (i) the Governmental Bar Date or (ii) twenty-one (21) days from the date of the notice that is served alerting the affected governmental unit of the applicable amendment to the Schedules.

**Rejection Bar Date.** If the Debtor rejects any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code, all persons or entities holding or asserting a Claim arising from such rejection (a “Rejection Damage Claim”) must file a Proof of Claim form so that it is actually received by the Claims Agent on or before the later of: (i) the General Bar Date or (ii) thirty (30) days after entry of any order authorizing the rejection of such executory contract or unexpired lease; provided, however, that persons or entities asserting claims with respect to contracts or leases that are not Rejection Damage Claims were required to file Proof of Claim forms on account of such claims by the General Bar Date.

#### d) **Claim Objections**

The Claims Agent received approximately 1,091 Proofs of Claim in response to the General Bar Date and 203 Proofs of Claim in response to the Administrative Claims Bar Date, including late filed claims. The Debtor and the Committee have commenced a review and analysis of Claims filed in the Chapter 11 Case, and have filed objections to certain claims and resolved others. The Debtor anticipates that it, the Committee, and the Liquidating Trustee will file additional objections to claims.

#### e) **PACA/PASA Claims**

##### 1. The PACA/PASA Order and Claims Process

On January 13, 2016, the Court entered the PACA/PASA/503(b)(9) Bar Date Order. Pursuant to the PACA/PASA/503(b)(9) Order, any supplier or seller asserting a PACA/PASA Claim was required to file a notice of assertion of a PACA/PASA Claim (the “PACA/PASA Claim Notice”) so that it was actually received by the Claims Agent on or before the PACA/PASA Bar Date.

The Claims Agent received 79 PACA/PASA Claim Notices. On March 9, 2016, the Debtor filed a Notice of Filing of PACA/PASA Valid Claim Report and Amended PACA/PASA Disputed Claim Report [Docket No. 671] (the “PACA Report”) allowing 31 PACA/PASA Claims in the amount of \$2,070,757.31, and objecting to 44 PACA/PASA Claims in the amount of \$1,509,048. All Disputed PACA/PASA Claims have been resolved and all allowed PACA/PASA Claims have been satisfied.

## 2. The USDA PACA Investigation

In March 2016, the PACA Division of the USDA conducted a disciplinary investigation against the Debtor for alleged violations of section 2(4) of PACA for failure to make full payment promptly to certain sellers. The Debtor cooperated with the USDA investigation, including providing requested information. Following completion of the investigation in May 2016, the USDA informally notified the Debtor that it intended to file a complaint against the Debtor for failure to make full payment promptly to approximately 23 sellers in violation of section 2(4) of PACA, plus penalties. On December 14, 2016, the USDA filed a complaint with the Secretary of Agriculture against the Debtor for failure to make full payment promptly to 23 sellers for 380 lots of perishable agricultural commodities in violation of PACA, in the total amount of \$201,468.29 (the “PACA Amount”). Although the Debtor maintains that it resolved and satisfied all timely submitted PACA/PASA claims in accordance with the terms of the PACA/PASA Order, in order to avoid the expense, protracted litigation, and distraction associated with the complaint, the Debtor, with the authorization of the Bankruptcy Court [Docket No. 1755], agreed to enter into a consent order (the “Consent Order”) with the USDA. Pursuant to the terms of the Consent Order, which has been executed by the parties and approved by the USDA Administrative Judge, the Debtor will pay the PACA Amounts plus a \$30,000 penalty. Funds for payment are currently held in PACA/PASA Escrow.

### f) **503(b)(9) Claims**

Also pursuant to the PACA/PASA/503(b)(9) Bar Date Order, any person or entity asserting a 503(b)(9) Claim was required to file a Proof of Claim so as to be actually received by the Claims Agent on or before the 503(b)(9) Bar Date.

The Claims Agent received approximately 191 Proofs of Claim asserting 503(b)(9) Claims.

On April 20, 2016, the Debtor, in consultation with the Committee, filed its Notice of Filing of (1) a Report of Allowed 503(b)(9) Claims and (2) Objections to Disputed 503(b)(9) Claims (the “Section 503(b)(9) Report”) [Docket No. 847]. By the Section 503(b)(9) Report, the Debtor allowed 95 503(b)(9) Claims in the total amount of \$3,063.186 and objected to approximately 96 503(b)(9) Claims in the total amount of approximately \$3,345,463.

### g) **The Purported WARN Class Claims**

The Debtor filed an objection [Docket No. 1216] to three proofs of claim, filed as class proofs of claim (the “Class Claims”), alleging liability for violations of the WARN Act and its California counterpart, California Labor Code §§ 1400-1409. The Class Claims collectively assert approximately \$21.6 million as Administrative or Priority Claims against the Debtor [Docket No. 1216]. The objection to the Class Claims is currently pending before the Court. As noted in Article III.D.9 below, the Debtor disputes any liability related to the WARN Litigation and the Class Claims. The purported Class Claims will be resolved in conjunction with the settlement of the WARN Litigation as discussed in Article III.D.9.

## 8. **The Committee Litigation**

### a) **The Committee Investigation**

Following its appointment, the Committee commenced an informal investigation and inquiry into potential estate claims relating to the transfer of the Debtor's fee-owned real estate to FEFOS for no consideration and other potential insider claims. As a result of the preliminary responses they received, on February 5, 2016 the Committee filed The Official Committee of Unsecured Creditor's Motion for Entry of an Order Requiring Certain Entities to Provide Information Pursuant to Bankruptcy Rule 2004 [Docket No. 568] seeking expedited discovery from the Debtor and YFE related to its investigation of, among other things, the Debtor's financial condition, the actions of its various insiders and affiliates, matters of corporate governance, duties of care and loyalty, and the transfer of at least \$40 million in real estate assets from the Debtor to FEFOS and various other intercompany claims among the Debtor and YFE. The Court entered two orders granting the Committee's motion and requiring certain entities to provide information pursuant to Bankruptcy Rule 2004 [Docket Nos. 659 and 787]. The Committee also obtained Court orders requiring Ernst & Young and Grant Thornton to provide information in support of its investigation. [See Docket Nos. 808 and 809] On March 3, 2016, and April 6, 2016, respectively, the Court entered the Order Approving Stipulation Regarding Production of Information Pursuant to Bankruptcy Rule 2004 by YFE Holding [Docket Nos. 659 and 787].

### b) **Mediation**

Following the completion of discovery, the Committee, on behalf of the Debtor, and former officers, directors and other insiders or affiliates of the Debtor, including, but not limited to, Ronald W. Burkle, Robert P. Bermingham, James Keyes, Steven Mortensen, Peter McPhee, Ira Tochner, FAEMF, LLC, FEFOS, YFE, and Yucaipa (collectively, the "Mediation Parties") agreed to a mediation with Kenneth M. Klee (the "Mediator") with respect to all matters pending between the Mediation Parties, including, without limitation, the disputes set forth in the Stipulation By and Among the Official Committee of Unsecured Creditors, the Debtor, and YFE Regarding Selection of Mediator [Docket No. 887, Ex. A]. On May 2, 2015, the Court entered an Order approving Kenneth M. Klee as mediator [Docket No. 891]. On May 19, 2016, a mediation session occurred. The mediation was unsuccessful.

### c) **The Committee Motion for Derivative Standing**

On May 31, 2016, the Committee filed a motion seeking standing, on behalf of the Debtor, to assert the claims and objections alleged in the Committee Complaint (as discussed below) arguing: (i) the Committee had alleged colorable claims and objections that would benefit the estate; and (ii) the Debtor was prohibited by the Interim Order Authorizing Post-Petition Financing from pursuing such claims and objections and, therefore, had not pursued such claims [Docket No. 987]. On June 20, 2016, the Debtor filed a limited objection to the motion [Docket No. 1038]. On July 7, 2016, the Court entered an Order granting the motion for derivative standing to pursue claims on behalf of the Debtor [Docket No. 1068].

**d) The Committee Complaint**

On May 31, 2016, the Committee, asserting claims derivatively on behalf of the Debtor, filed an action (the “Committee Complaint”) against YFE, Fresh Foods, FEFOS, Ronald W. Burkle, Ira L. Tochner, Robert P. Bermingham, and James W. Keyes (collectively, the “Defendants”), titled Official Committee of Unsecured Creditors v. YFE Holdings, et al. [Adv. Proc. 16-50993-BLS, Adv. Proc. Docket No. 1]. The Committee Complaint alleges, among other things: (i) breach of fiduciary duty and corporate waste against YFE, Ronald Burkle, Ira Tochner, Robert Bermingham, and James Keyes (the “YFE Directors,” and collectively, with YFE, the “D&O Targets”); (ii) aiding and abetting and breach of fiduciary duty against Mr. Burkle and Mr. Tochner; (iii) actual fraudulent transfer against FEFOS and YFE; (iv) constructive fraudulent transfer against FEFOS and YFE; and (v) equitable subordination against FEFOS, YFE, and Fresh Foods. The Complaint also seeks the recharacterization of YFE’s claim from debt to equity and asserts objections to claims filed or scheduled on behalf of YFE, FEFOS, and Fresh Foods.<sup>8</sup>

**e) The Committee’s Motion for Temporary Restraining Order**

Following the initial mediation, the Committee requested that all parties enter into a mutual stand-still agreement while they continued negotiations and sought to schedule a second mediation session with the insurance carriers’ participation. The Defendants, however—having previously transferred some of the proceeds from the sale of fee-owned properties from FEFOS to YFE—declined to agree to refrain from further transfers of the fee-owned real estate or its proceeds. Concerned that the Defendants intended to divert additional funds from FEFOS (a real estate holding company) to be used for other purposes, contemporaneously with the filing of the Committee Complaint, the Committee filed an Ex Parte Motion for Temporary Restraining Order (“TRO”) and Motion for Preliminary Injunction requesting that the Court enter a TRO, on an ex parte basis, enjoining FEFOS and YFE from: (i) transferring any of the Fee-Owned Stores (as defined in the Committee Complaint), except as approved in advance by the Committee; (ii) transferring any proceeds from the sale of the Fee-Owned Stores, except as necessary to pay any reasonable expenses in the ordinary course of business or as approved in advance by the Committee; and (iii) commingling any proceeds from the sale of the Fee-Owned Stores with any other funds, except as approved in advance by the Committee. [Adv. Proc. No. 16-50993-BLS, Adv. Proc. Docket No. 2].

On the same date, the Court granted an ex parte TRO and: (i) immediately enjoined FEFOS from: (a) transferring any of the Fee-Owned Stores, except as approved in advance by the Court; (b) transferring any proceeds from the sale of the Fee-Owned Stores, except as necessary to pay any reasonable expenses in the ordinary course of business or as approved in advance by the Court; and (c) commingling any proceeds from the sale of the Fee-Owned Stores with any other funds, except as approved in advance by the Court; (ii) immediately enjoined YFE from: (a) transferring any funds received from FEFOS since January 2016, except as approved in advance by the Court; and (b) commingling any such funds with any other funds,

except as approved in advance by the Court; (iii) scheduled a preliminary injunction hearing for June 13, 2016 at 10:00 a.m. [Adv. Proc. No. 16-50993-BLS, Adv. Proc. Docket No. 3].

On June 17, 2016, the Court entered an Order approving a stipulation by and among the Committee, the Debtor, YFE and FEFOS that, *inter alia*, maintained the TRO and adjourned the hearing on the motion for the preliminary injunction to September 15, 2016. [Adv. Proc. No. 16-50993; Adv. Proc. Docket Nos. 17 and 23]. On December 29, 2016, the Court entered an Order approving a stipulation by and among the Committee, the Debtor and the YFE Parties regarding modification and maintenance of the TRO [Adv. Proc. No. 16-50993; Adv. Proc. Docket No. 29]. The hearing on the substance of the preliminary injunction has been adjourned to a date to be determined.

**f) The Second Mediation**

On August 11, 2016, the original Mediation Parties, together with the Debtor's Director and Officer insurance carriers, participated in a second mediation session, with Jed Melnick, Esquire serving as mediator. Although after a full day of mediation, no agreement was reached among the parties, the mediator continued to facilitate discussions among the Mediation Parties and the D&O insurance carriers, and as a result of these efforts, the parties reached an agreement in principal. The parties will seek approval of a settlement, the terms of which are discussed in Article IV, the Global Settlement, below.

**g) The Committee's Standing to Pursue Preference Actions**

On August 16, 2016, the Committee filed a Certification of Counsel and Proposed Order Seeking Approval of a Stipulation By and Among The Official Committee of Unsecured Creditors and the Debtor for Leave, Standing, and Authority to Pursue, Prosecute, and Resolve Certain Preference Actions on Behalf of the Estate and Granting Related Relief [Docket No. 1138] with respect to roughly 400 avoidance actions unrelated to the YFE litigation. A list of those avoidance actions was filed with the Court under seal [Docket No. 1141]. On September 9, 2016, the Committee filed a proposed amended order for the Court's consideration [Docket No. 1201], and on September 12, 2016, the Court entered the amended order approving the Stipulation [Docket No. 1204]. The Committee, through special contingency-fee counsel, has issued demand letters with respect to a majority of the preference actions. To the extent the Committee was unable to resolve consensually such demands with the defendants, the Committee initiated adversary actions. More specifically, in December 2016, the Committee filed 307 preference complaints, with a gross amount demanded of \$30,968,042.44. There can be no guarantee or projection of the actual amount to be recovered with respect to preference complaints.

**9. Other Adversary Proceedings**

**a) WARN Adversary Proceedings**

Currently pending before the Court are two WARN Adversary Proceedings seeking damages on account of alleged violations of the WARN Act and its California counterpart, California Labor Code §§ 1400-1409. A summary of the WARN Adversary Proceedings is set

forth below. In addition, there is also state court litigation pending against the Debtor alleging violations of the WARN Act, and certain former employees have filed proofs of claim asserting claims under the WARN Act (the “Employee Proofs of Claim”). The Debtor disputes any liability related to the WARN Litigation and the WARN Proofs of Claims (as defined below).

*Guadalupe Cote, on Behalf of Herself and All Others Similarly  
Situating v. Fresh & Easy, et al., Adv. Proc. No.15-51906 (BLS)*

On November 22, 2015, Guadalupe Cote (“Cote”) filed a complaint on behalf of herself and a purported class of similarly situated former employees of the Debtor against YFE, Yucaipa and the Debtor (the “Cote Adversary”). The complaint seeks to recover damages on account of alleged violations of the WARN Act, and its California counterpart, California Labor Code §§ 1400-1409. Cote also filed a proof of claim in the amount \$6,679,942 on behalf of herself and similarly situated former employees of the Debtor (the “Cote Class Claim”) and a proof of claim in her individual capacity for \$7,808.22 (the “Cote Individual Claim”) and together with the Cote Class Claim, the “Cote Claims,” and together with the Class Claims and the Employee Proofs of Claim, the “WARN Proofs of Claim”). No discovery has taken place in the action.

On February 3, 2016, the Debtor filed a motion to compel arbitration of the Cote Claims on an individual basis, expunge the Cote Class Claim, and stay the Cote Adversary until completion of arbitration (the “Cote Motion to Compel”) [Adv. Proc. Docket No. 25].

On February 17, 2016, Cote opposed the Cote Motion to Compel [Adv. Proc. Docket No. 35] and, on February 29, 2016, Cote filed a motion for appointment of interim class counsel and dismissal of the Chan Action (the “Cote Appointment Motion”) [Adv. Docket No. 43]. Cote also requested oral argument on Chan’s Motion to Adjourn Briefing on Plaintiffs’ Motion for Appointment of Interim Class Counsel (“Oral Argument Request”) [Adv. Proc. Docket No. 53].

On June 2, 2016, the Court entered a Memorandum Order (the “Cote Decision”) [Adv. Proc. Docket No. 63] (i) granting the Cote Motion to Compel; (ii) denying the Cote Appointment Motion; and (iii) denying the Oral Argument Request. The effect of the Cote Decision was that the Cote Adversary would not be able to proceed on a class basis, but instead would be arbitrated individually with the Employee Proofs of Claim.

On September 20, 2016, the Debtor objected to, and sought to strike, the Cote Class Claim on the grounds that Cote did not seek Bankruptcy Court permission to file a class proof of claim as required by the Bar Date Order. On October 20, 2016, the Court heard argument on the objection, and took the matter under submission. The matter is pending before the Court.

On October 17, 2016, Cote filed a Motion for Reconsideration of the Court’s June 2, 2016 Order granting the Cote Motion to Compel, and on November 1, 2016, the Debtor filed an opposition to the motion. The motion is pending before the Court.

*Diana Chan, Individually and on Behalf of All Others Similarly  
Situated v. Fresh & Easy, LLC, et al., Adv. Proc. No.15-51897  
(BLS)*

On November 12, 2015, Diana Chan (“Chan”) filed a putative class action complaint against the Debtor and non-debtor defendants Yucaipa and YFE (the “Chan Adversary”), alleging violations of the WARN Act, and its California counterpart, California Labor Code §§ 1400-1409. The Chan Adversary asserts claims and a putative class essentially identical to the Cote action.

On January 25, 2016, the Debtor filed a motion to compel arbitration of the claims asserted by Chan and to stay the Chan Adversary until completion of arbitration (this motion was duplicative of the motion to compel arbitration filed in the Cote Adversary, which was granted by the Court). On February 18, 2016, Chan opposed the motion [Adv. Docket No. 34] and the Debtor replied on February 16, 2016 [Adv. Proc. Docket No. 36]. On October 11, 2016, the Court denied the Chan Motion to Compel [Adv. Proc. Docket No. 70].

On October 24, 2016, the Debtor appealed the order denying the Chan Motion to Compel to the U.S. District Court for the District of Delaware [Adv. Proc. Docket No. 72] (the “Chan Appeal”). The Chan Appeal, Case No.16-cv-00990 (GMS), is currently pending before the Honorable Gregory M. Sleet and was referred to mediation, as discussed below.

**b) Mediation and Settlement of the WARN Adversary Proceedings**

On January 10, 2017, the Debtor, the Committee, Yucaipa, YFE, Chan and Cote mediated the WARN Adversary Proceedings before Chief Magistrate Judge Mary Pat Thyng and reached a settlement of the WARN Litigation (memorialized in a signed Memorandum of Understanding), subject to the execution of a comprehensive settlement agreement and Bankruptcy Court approval and other material terms and conditions. Under the terms of the proposed settlement, the Debtor, Yucaipa and YFE (the “WARN Defendants”) will pay the total gross sum of \$2.2 million with allocation payment among the three entities to be determined by the three entities (and which includes all payments related to the settlement, including but not limited to attorneys’ fees and costs, payroll taxes, and enhancement payments) (the “WARN Settlement Fund”), as full and complete payment for resolution of the WARN Adversary Proceedings and two state court cases. The cost of administering the settlement is to be paid by the WARN Defendants. Among other things, the settlement requires dismissal of the WARN Adversary Proceedings, two state court actions, the WARN Proofs of Claim, and an unfair labor practice charge filed by Cote with the National Labor Relations Board. In addition, the finalization of the settlement is expressly contingent on the resolution of two additional cases (one filed in California state court against the WARN Defendants, and one filed in federal district court in California against Yucaipa and YFE only) asserting WARN Act Liability, at the WARN Defendants’ sole discretion and to their satisfaction or the WARN Defendants have the option of voiding the settlement in its entirety. Upon resolution of these matters, the parties expect to file a motion to approve the proposed settlement.

c) **Other Actions**

*Darlene Lewis, on Behalf of Herself and All Others Similarly Situated v. Fresh & Easy, LLC and DOES 1 through 25, Adv. Proc. No.16-50030 (BLS)*

On January 13, 2016, Darlene Lewis (“Lewis”) filed a motion for class certification (“Motion for Class Certification”) [Docket No. 466] and a motion for order applying Fed. R. Bankr. P. 7023, pursuant to Fed. R. Bankr. P. 9014(c), to Motion for Class Certification (the “Rule 23 Motion” and together with the Motion for Class Certification, the “Lewis Motions”) [Docket No. 467]. On February 11, 2016, the Debtor filed an opposition to the Lewis Motions [Docket No. 575].

On February 17, 2016, Lewis, on behalf of herself and all others similarly situated, filed a Class Action Complaint for Determination of Amount and Priority of Claims and Violations of Nevada and Arizona Compensation, Wages, and Hours Statutes, Adv. Proc. No. 16-50030 (BLS) (the “Lewis Adversary”), seeking unspecified damages and other relief based on the Debtor’s alleged failure to pay accrued and unused paid time off (“PTO”) to former employees in Arizona and Nevada.

At a March 3, 2016 hearing, the Court orally denied the Rule 23 Motion and also found that because Rule 23 did not apply, the Court need not rule on the Motion for Class Certification.

Following several months of arm’s length negotiations, the Debtor and Lewis’ counsel reached an agreement to settle all PTO claims filed by former employees of the Debtor in Arizona and Nevada as a class, and to seek certification of this class for settlement purposes. Under the settlement, all proofs of claim for unpaid PTO are resolved in exchange for priority claims in the amount of 33.3% of the value of each claim per the Debtor’s records, in addition to an unsecured claim of \$10,000 for Lewis as the Class Representative, attorneys’ fees in an amount equal to 50% of the amount paid to class members, and costs not to exceed \$3,500. The amount of priority claims is not to exceed \$50,000. On November 8, 2016, the Debtor and Lewis filed the Joint Motion for an Order to (I) Approve Settlement Agreement, (II) Grant Class Certification for Settlement Purposes Only, (III) Appoint Class Counsel and Class Representative, (IV) Approve the Form and Manner of Notice Procedures, (V) Schedule a Fairness Hearing, (VI) Finally Approve the Settlement After the Fairness Hearing, and (VII) Grant Related Relief [Docket No. 1336], seeking approval of class certification and a proposed class action settlement that (i) resolves all proofs of claim seeking accrued and unused PTO filed by former employees of the Debtor in Arizona and Nevada, and (ii) the Lewis Adversary Proceeding. On November 29, 2016, the Court entered an order granting the joint motion and scheduling the “Fairness Hearing” for March 29, 2017.

10. **The FEFOS Master Lease Termination**

Prior to the Petition Date, the Debtor and FEFOS entered into that certain Lease Agreement, dated April 28, 2014 (the “FEFOS Master Lease”), pursuant to which FEFOS leased to the Debtor 19 retail stores in Arizona, California and Nevada. As of the Petition Date, the Debtor operated 8 of the stores and the remaining 11 stores were closed and not operating. The

FEFOS Master Lease provides that “[e]ither party shall have the right to terminate this Agreement upon thirty (30) days prior written notice to the other party” (the “Termination Provision”). On December 4, 2015, the Debtor and FEFOS entered into a Stipulation and Agreed Order with Respect to Termination of the FEFOS Master Lease and Relief from the Automatic Stay, as Needed, to Implement Such Termination [Docket No. 315] (the “Stipulation and Agreed Order”), which was approved by the Court on December 7, 2015 [Docket No. 322]. The Stipulation and Agreed Order provided, *inter alia*, that the FEFOS Master Lease shall be terminated and of no further force and effect, upon or by either party, effective as of November 30, 2015, provided that FEFOS waived claims for CAM and rent that came due following execution of the agreement, and that the Debtor had until December 30, 2015 to complete the sale of its FF&E located at the Stores and the Debtor and/or their agents would be provided with access to the Stores to review, inspect and sell its FF&E.

#### 11. **The Produce and Kitchen Facilities**

Pre-petition, the Debtor conducted certain food production operations at facilities owned by Fresh Foods including a produce facility, a kitchen, and prior to its sale to JBS, a meat facility (the “Food Production Facilities”). Similar to the Debtor’s arrangement with FEFOS regarding the FEFOS owned stores, the Debtor paid no rent to Fresh Foods, but was responsible for all operating expenses at these facilities. However, unlike the FEFOS owned stores: (i) certain equipment at these facilities was owned by Fresh Foods; and (ii) the arrangement with Fresh Foods for use of the Food Production Facilities and related equipment was never documented through a lease (or any other formal documentation). As the Debtor commenced winding down its operations, it completed food production at these facilities and shut down its operations in a responsible manner. As of January 15, 2016, the Debtor returned these facilities to Fresh Foods (except for the meat facility which is now owned by JBS) and from that date forward it was no longer responsible for expenses incurred at these facilities.

#### 12. **The Post-Petition Services Agreement**

Prior to the Petition Date, on November 23, 2013, Tesco Stores Limited (“TSL”) and YFE entered into a Transitional Services Agreement and related amendments (the “TSA”) that provided for, among other things, the provision of certain transition services by TSL to affiliates of YFE in exchange for the payment of certain service charges by YFE. The Debtor was a recipient of the services provided by and through the TSA.

The pre-petition cost of the TSA was approximately \$500,000 per month. After significant negotiation and operating temporarily under a post-petition extension agreement, on or about February 19, 2016, the Debtor and TSL entered into the Second Post-Petition Services Agreement (the “Second Services Agreement”), which was approved by the Court on March 2, 2016 [Docket No. 654], that provided, among other things, that: (i) TSL would provide the Debtor certain services through March 31, 2016 at significantly reduced cost; (ii) the Debtor and its estate, successors and assigns released and discharged TSL and its affiliates from claims and causes of actions, and (iii) except as expressly provided in the Second Services Agreement, TSL and its affiliates would not seek recovery from the Debtor, its estate or its employees, officers and directors on account of any claims that it may have had against the Debtor; provided, however, that nothing contained in the Second Services Agreement prevented TSL or its

affiliates from filing proofs of claim in the Chapter 11 case with the understanding that such claims should not be considered allowed for purposes of voting on any chapter 11 plan or for distributions under such plan. TSL and its affiliates did not waive any claims against, or agree not to seek recoveries from, the Debtor's affiliates. Consequently, the Plan does not provide for any Distribution to TSL or its affiliates, and any vote cast on the Plan by TSL or its affiliates shall not be counted.

#### IV. **THE GLOBAL SETTLEMENT**

The Combined Plan and Disclosure Statement reflects and incorporates the negotiated settlement (the "Global Settlement"), as noted above, between the Debtor, the Committee, the YFE Parties and Yucaipa (each a "Party" and collectively, the "Settlement Parties"), which was reached following extensive and arm's length negotiations, including two separate mediation proceedings, between the Settlement Parties. The Global Settlement is memorialized in a Settlement and Release Agreement (the "Settlement Agreement"), attached hereto as **Exhibit A** in a redacted form, which is incorporated by reference and constitutes a material part of the Plan. In addition, this Combined Plan and Disclosure Statement constitutes a motion, pursuant to Bankruptcy Rule 9019, and sections 105 and 1123 of the Bankruptcy Code, to approve the Global Settlement and the Settlement Agreement.

The complete terms of the Global Settlement are included in the Settlement Agreement. To the extent there are any inconsistencies between the summary of the Settlement provided herein and the Settlement Agreement, the terms of the Settlement Agreement shall control. The salient terms of the Settlement Agreement are as follows:<sup>9</sup>

- The Settlement Agreement and releases contained therein are not effective unless and until the Court enters a Final Order (as defined in the Settlement Agreement).
- No later than fifteen (15) business days after the Committee provides YFE with written notice of the Settlement Effective Date (as defined in the Settlement Agreement), the YFE Parties (and/or their insurers) shall make payment in the total amount of \$21,500,000 in consideration of the Settlement Agreement and the Chapter 11 Individual Releases (the "Settlement Payment") by wire transfer to the Debtor.<sup>10</sup>
- The Plan shall provide that \$2,500,000 (the "Release Consideration") of the Settlement Payment shall be expressly earmarked solely for those general unsecured creditors who do not opt-out (the "Releasing Creditors") of the Chapter

<sup>9</sup> Capitalized terms used in Article IV but not otherwise defined shall have the meanings set forth in the Settlement Agreement or the Combined Plan and Disclosure Statement, as applicable.

<sup>10</sup> The proposed Settlement Payment, along with the value of claim releases to be provided by the YFE Parties, is subject to the following tiered contingency fee: (a) 10% of the amount of "Gross Recoveries" up to \$15 million; (b) 25% of the amount of "Gross Recoveries" from \$15 million to \$30 million; and (c) 33.3% of the amount of "Gross Recoveries" over \$30 million. See Docket Nos. 907 and 953.

11 Individual Releases provided in the Settlement Agreement and to be incorporated into the Plan, which Release Consideration shall be distributed on a Pro Rata basis to such Releasing Creditors.

- Upon the Debtor's receipt of the Settlement Payment, the Debtor, the Committee, and the Debtor's bankruptcy estate on behalf of themselves, and each of their predecessors, successors, affiliates, each and every member of the Committee, current and former members, partners, shareholders, officers, directors, managers, agents, employees, consultants, attorneys, and representatives, fully release and forever discharge the YFE Released Parties (as defined in the Settlement Agreement), from any and all claims, causes of action, damages, debts, liabilities, obligations, promises, and agreements, of any nature whatsoever, known or unknown, suspected or unsuspected, asserted or unasserted, fixed or contingent, matured or unmatured, liquidated or unliquidated, direct or derivative, that are related to the Debtor, the Committee, or the Bankruptcy Case, including, but not limited to, all claims asserted in or that could have been asserted in, and those that are related to, or contingent upon, the Adversary Proceeding (as defined in the Settlement Agreement) and any claims in any way related to the operation of the Debtor's business and related entities, including Fresh Foods and FEFOS, and any claims or assertions made by the Committee in correspondence to the YFE Released Parties or its insurers, including, but not limited to, that correspondence sent by Eric Madden of Reid Collins & Tsai LLP dated March 24, 2016, and April 8, 2016. For the absence of doubt, each and every member of the Committee agrees it shall not "opt-out" of the Agreement, and shall be bound by the release provision set forth in Section 7 of the Settlement Agreement.
- Upon the Debtor's receipt of the Settlement Payment and the Committee's dismissal with prejudice of the Adversary Proceeding, the YFE Releasing Parties, fully release and forever discharge the Debtor, the Committee, and the Debtor's bankruptcy estate, together with each of their predecessors, successors, affiliates, and current and former members, partners, shareholders, officers, directors, managers, agents, employees, attorneys, and representatives, from any and all claims, causes of action, damages, debts, liabilities, obligations, promises, and agreements, of any nature whatsoever, known or unknown, suspected or unsuspected, asserted or unasserted, fixed or contingent, matured or unmatured, liquidated or unliquidated, direct or derivative, related to the Debtor, the Committee, or the Bankruptcy Case, including, but not limited to, all claims asserted in or that could have been asserted in, and those that are related to, or contingent upon, the Adversary Proceeding and any claims in any way related to the operation of the Debtor's business and related entities, including Fresh Foods and FEFOS. The releases in this paragraph include, but are not limited to, the following:
  - a. Any claims in the Bankruptcy Case filed by or scheduled on behalf of any of the YFE Parties, including: (i) the nonpriority unsecured claim in the amount of \$89,462,027.00 (plus any accrued interest

or fees) scheduled on behalf of YFE; (ii) the nonpriority unsecured claim in the amount of \$9,415,096.00 (plus any accrued interest or fees) scheduled on behalf of Fresh Foods; (iii) the nonpriority unsecured claim in the amount of \$4,902,183.00 (plus any accrued interest or fees) scheduled on behalf of FEFOS; (iv) the priority unsecured claim in an unknown amount (plus any accrued interest or fees) scheduled on behalf of James W. Keyes; (v) the nonpriority unsecured claim in the amount of \$438,065.39 (plus any accrued interest or fees) scheduled on behalf of Fresh & Easy Campus Produce Cut Fruit, to the extent that such entity is owned or controlled by any of the YFE Parties; and (vi) the nonpriority unsecured claim in the amount of \$596,057.02 (plus any accrued interest or fees) scheduled on behalf of Fresh & Easy Kitchen-Kitchen SC, to the extent that such entity is owned or controlled by any of the YFE Parties;

- b. Any claims in the Bankruptcy Case filed by or scheduled on behalf of Yucaipa;
- c. Any claims arising from or relating to any fees or expenses incurred by the YFE Parties in connection with the Bankruptcy Case, including in connection with any debtor-in-possession financing for the Debtor (the "DIP Financing"), and including any legal fees incurred by Gibson, Dunn & Crutcher, LLP, and other counsel; provided that upon entry of the Approval Order, any obligations of the YFE Parties in connection with the DIP Financing shall be terminated;
- d. Any claims by any of the YFE Parties relating to their employment by the Debtor, including any claims for unpaid wages, severance, indemnity or expense reimbursement;
- e. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any of the following agreements: (i) the Secured Promissory Note dated November 25, 2013, and as subsequently amended and restated, made by Fresh Foods in favor of Tesco Treasury Services, PLC; (ii) the Guaranty dated November 25, 2013, and as subsequently reaffirmed, made by the Debtor to guarantee the obligations under the foregoing promissory note; and (iii) the Transitional Services Agreement dated November 13, 2013, and as subsequently amended and modified, entered into between YFE and Tesco Stores Limited;
- f. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any of the

following: (i) the Consulting Services Agreement dated November 25, 2013, entered into between YFE and FAEMF, LLC; (ii) any services provided by FAEMF, LLC to YFE or the Debtor; and (iii) any services provided by Yucaipa to YFE or the Debtor;

- g. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any of the following: (i) any guaranties of store leases entered into by YFE or the Debtor; and (ii) the Debtor's use of any property owned or leased by YFE, FEFOS or Fresh Foods;
  - h. Any claims arising from or relating to any of the accounts receivable listed in the schedule attached to the Settlement Agreement as Exhibit A;
  - i. Any claims arising from or relating to any of the deposits, tax payments, insurance refunds, letters of credit or retainers listed on the schedule attached to the Settlement Agreement as Exhibit B;
  - j. Any claims or liability, including based on contribution or indemnity, arising from or relating to the Trademark License Agreement dated April 3, 2014, entered into between Yucaipa and the Debtor; and
  - k. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any actual or alleged violations involving the Debtor of the Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101 *et seq.* and/or California Labor Code § 1400 *et seq.*, subject to the Debtor's obligations under Paragraph 5 of the Settlement Agreement.
- Pursuant to the Settlement Agreement, the Committee is required to request that the Approval Order contain a provision (the "Bar Provision") barring any person or entity (a "Barred Person") from commencing, prosecuting, asserting, or maintaining certain claims as set forth in Section 1(d) of the Settlement Agreement.
  - The Settlement Agreement contains certain other confidential provisions that are to be filed under seal.

***The Settlement is in the Best Interests of the Estate***

The Settlement Agreement is subject to approval by the Court under Bankruptcy Rule 9019(a). Pursuant to Bankruptcy Rule 9019(a), the Bankruptcy Court may, after appropriate notice and a hearing, approve a compromise or settlement so long as the proposed settlement is fair, reasonable, and in the best interests of the estate. *See In re Marvel Entm't Grp., Inc.*, 222

B.R. 243, 249 (D. Del 1998) (“[T]he ultimate inquiry [is] whether ‘the compromise is fair, reasonable, and in the interest of the estate.’”) (citation omitted); *Key3Media Grp., Inc. v. Pulver.com, Inc. (In re Key3Media Grp., Inc.)*, 336 B.R. 87, 92 (Bankr D. Del. 2005) (“the bankruptcy court has a duty to make an informed, independent judgment that the compromise is fair and equitable”).

Courts traditionally favor compromises to minimize the effects and costs of litigation and expedite administration of the debtor’s estate. *See Myers v. Martin (In re Martin)*, 91 F.3d 389, 393 (3d Cir. 1996) (“To minimize litigation and expedite the administration of a bankruptcy estate, ‘[c]ompromises are favored in bankruptcy.’”) (quoting 9 Collier on Bankruptcy ¶ 9019.03[1] (15th ed. 1993)); *In re Penn Central Transp. Co.*, 596 F.2d 1102, 1113 (3d Cir. 1979) (“The Court has recognized that ‘(i)n administering reorganization proceedings in an economical and practical manner it will often be wise to arrange the settlement of claims as to which there are substantial and reasonable doubts.’”) (quoting *Protective Comm. for Indep. Stockholders of TMT Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968)).

Approval of a proposed settlement is within the “sound discretion” of the bankruptcy court. *See In re Neshaminy Office Bldg. Assocs.*, 62 B.R. 798, 803 (E.D. Pa. 1986). Bankruptcy courts maintain wide discretion to approve settlements under Bankruptcy Rule 9019. *See In re World Health Alternatives, Inc.*, 344 B.R. 291, 296 (Bankr. D. Del. 2006) (approving a settlement pursuant to Bankruptcy Rule 9019 between the creditors’ committee and the debtor’s DIP lender, finding the DIP lender’s carve-out of \$1.6 million from its lien for the exclusive benefit of the debtor’s unsecured creditors did not violate the Bankruptcy Code).

In considering the approval of a proposed settlement under Bankruptcy Rule 9019, the bankruptcy court should not substitute its judgment for that of the debtor. *See In re Neshaminy*, 62 B.R. at 803. Nor is the court required to conduct a mini-trial or rule on multiple questions of law or fact; instead, the court should analyze whether the proposed settlement falls below the lowest point in the range of reasonableness. *See In re World Health Alternatives, Inc.*, 344 B.R. at 296 (“[T]he court does not have to be convinced that the settlement is the best possible compromise. Rather, the court must conclude that the settlement is within the reasonable range of litigation possibilities.”) (internal citations and quotations omitted); *In re Key3Media Grp., Inc.*, 336 B.R. 93 (stating that the settlement need only be above “the lowest point in the range of reasonableness”) (citation omitted). *See also In re Sea Containers Ltd.*, 2008 WL 4296562, at \*5 (Bankr. D. Del. Sept. 19, 2008); *Official Comm. of Unsecured Creditors v. CIT Grp./Bus. Credit Inc. (In re Jevic Holding Corp.)*, 787 F.3d 173, 180 (3d Cir. 2015); *Mangano v. Warriner (In re ID Liquidation One, LLC)*, 555 Fed. App’x 202, 205–07 (3d Cir. 2014); *In re W.T. Grant Co.*, 699 F.2d 599, 608 (2d Cir. 1983), *cert. denied*, 464 U.S. 822 (1983).

The Third Circuit has enumerated the following four-factor test to determine whether a settlement should be approved: “(1) the probability of success in litigation; (2) the likely difficulties in collection; (3) the complexity of the litigation involved and the expense, inconvenience and delay necessarily attending it; and (4) the paramount interest of creditors.” *In re Martin*, 91 F.3d at 393; *see also Will v. Northwestern Univ. (In re Nutraquest, Inc.)*, 434 F.3d 639, 644 (3d Cir. 2006). Each of these four factors weighs in favor of approving the Settlement Agreement.

Absent the settlement, litigation of the Committee's claims will be a complex, lengthy and expensive process requiring costly expert analysis and testimony, extensive motion practice and a potentially long and expensive trial and possible appeals. The likelihood of success of such litigation, and the collection of any judgment, is uncertain. Consequently, distributions to creditors will be uncertain and delayed absent approval of the settlement.

The paramount interest of Debtor's creditors will be best served by the Settlement Agreement. The proposed settlement provides an immediate and substantial monetary recovery on the disputed claims. More specifically, the proposed settlement eliminates more than \$104 million in claims against the Debtor's estate by the YFE Parties, thereby reducing the aggregate amount of unsecured claims by approximately one-half and effectively doubling the projected distributions to other unsecured creditors, while simultaneously increasing cash for distribution by over \$21 million. The proposed settlement also allows the Plan Proponents to collaboratively bring the bankruptcy case to an orderly and efficient conclusion.

In summary, the Plan Proponents believe that approval of the Global Settlement is the best way to ensure a prompt resolution of the Chapter 11 Case, provides sufficient funds to consummate the Plan, allows for the wind down of the Debtor's estate, ensures that funds will be provided to the Liquidating Trust for the benefit of holders of Allowed Claims, and is in the best interests of creditors. Accordingly, the Plan Proponents believe that, under applicable standards, the Bankruptcy Court can and should approve the Global Settlement embodied in the Plan.

### ***The Court Should Approve the Bar Provision***

This Court has the authority to approve the Bar Provision pursuant to section 105(a) of the Bankruptcy Code. *See In re Tribune Co.*, 464 B.R. 126, 176 (Bankr. D. Del. 2011) ("Bankruptcy courts have authority to enter settlement bar orders."). A contribution and indemnity bar order is a material component of the Settlement Agreement. In fact, the Settlement Agreement expressly requires the Committee to seek approval of the Bar Provision. Contribution and indemnity bar orders facilitate settlement because "[d]efendants buy little peace through settlement unless they are assured that they will be protected against codefendants' efforts to shift their losses through cross-claims for indemnity, contribution, and other causes related to the underlying litigation." *Munford v. Munford, Inc. (In re Munford, Inc.)*, 97 F.3d 449, 455 (11th Cir. 1996) (alterations in original) (quotations omitted). In addition, the Bar Provision also serves the strong public policies in favor of settlement and the equitable apportionment of damages among tortfeasors. *See Johnson v. United Airlines*, 784 N.E.2d 812, 821 (Ill. 2003). Finally, the Bar Provision assists in preserving assets for the benefit of the Debtor's creditors because, without it, for example, (a) the YFE Parties may not have settled, or (b) the creditors' recoveries may be diluted by claims for indemnification and contribution asserted by the YFE Parties.

In consideration of all these factors, the Plan Proponents respectfully request that the Court approve the Settlement Agreement, including the Bar Provision, pursuant to Bankruptcy Rule 9019.

V.

**TAX CONSEQUENCES OF THE PLAN**

The confirmation and execution of the Plan may have tax consequences to Holders of Claims and Equity Interests. The Plan Proponents do not offer an opinion as to the federal, state, local or other tax consequences to Holders of Claims and Equity Interests as a result of the confirmation of the Combined Plan and Disclosure Statement.

**EACH HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT WITH SUCH HOLDER'S TAX ADVISORS CONCERNING THE FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX CONSEQUENCES OF THE PLAN. THIS COMBINED PLAN AND DISCLOSURE STATEMENT IS NOT INTENDED, AND SHOULD NOT BE CONSTRUED, AS LEGAL ADVICE TO ANY CREDITOR, INTEREST HOLDER OR OTHER PARTY IN INTEREST.**

VI.

**CERTAIN RISK FACTORS TO BE CONSIDERED**

A. **Risk Factors to Be Considered**

**The Plan and its implementation are subject to certain risks, including, but not limited to, the risk factors set forth below. Prior to voting on the Plan, each Holder of a Claim entitled to vote should carefully consider the risk factors described below, as well as all of the information contained in this Combined Plan and Disclosure Statement, including the Exhibits hereto, before deciding whether to vote to accept or reject the Plan.**

These risk factors should not, however, be regarded as constituting the only risks involved in connection with the Plan and its implementation. No representations concerning or related to the Debtor, the Chapter 11 Case, or the Combined Plan and Disclosure Statement are authorized by the Court or the Bankruptcy Code, other than as set forth in this Combined Plan and Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Combined Plan and Disclosure Statement that are other than as contained herein, should not be relied upon by you in arriving at your decision.

1. **The Plan May Not Be Accepted**

There can be no assurance that the requisite acceptances to confirm the Plan will be obtained. Thus, while the Plan Proponents believe the Plan is confirmable under the standards set forth in section 1129 of the Bankruptcy Code, there is no guarantee that the Plan will be accepted by the requisite number of Classes entitled to vote on the Plan.

2. **The Plan May Not Be Confirmed**

Even if the Holders of Claims who are entitled to vote accept the Plan, the Court, which may exercise substantial discretion as a court of equity, may choose not to confirm the Combined Plan and Disclosure Statement. Section 1129 of the Bankruptcy Code requires, among other things, that the value of Distributions to dissenting Holders of Claims or Equity Interests may not be less than the value such Holders would receive if the Debtor were liquidated under chapter 7

of the Bankruptcy Code. Although the Plan Proponents believe the Plan meets such requirements, there can be no assurance the Court will reach the same conclusion.

3. **Distributions to Holders of Allowed Claims Under the Plan**

On the Effective Date, each Holder of an Allowed General Unsecured Claim will, by operation of the Combined Plan and Disclosure Statement, receive its Pro Rata share of the Liquidating Trust Interests. Liquidating Trust Interests will be reserved for Holders of Disputed General Unsecured Claims and issued by the Liquidating Trust to, and held by the Liquidating Trustee in, the Disputed Claims Reserve pending allowance or disallowance of such Claims. A substantial amount of time may elapse between the Effective Date and the receipt of Distributions because of the time required to achieve final resolution of Disputed Claims.

4. **Global Settlement May Not Be Approved**

There can be no assurance that the Global Settlement which is incorporated into the Plan, and provides for sufficient funds to consummate the Plan, will be approved by the Court. Any denial or modification of the terms of the proposed Global Settlement could endanger or materially delay the ultimate consummation of the Plan.

5. **Conditions Precedent to Consummation of the Plan**

The Combined Plan and Disclosure Statement provides for certain conditions that must be satisfied (or waived) prior to its confirmation and for certain other conditions that must be satisfied (or waived) prior to the Effective Date. There can be no assurance that any or all of the conditions in the Combined Plan and Disclosure Statement will be satisfied (or waived). Any delay in effectiveness of the Plan could result in, among other things, increased Administrative Claims that could endanger the ultimate consummation of the Plan.

6. **Certain Tax Considerations**

As noted above, there are tax considerations, risks and uncertainties associated with consummation of the Plan. Each Holder of a Claim or Equity Interest is urged to consult with such Holder's tax advisors concerning the federal, state, local, foreign and other tax consequences of the Plan.

## B. **Alternative Plan**

If the Plan is not confirmed, the Debtor, the Committee or any other party in interest could attempt to formulate a different plan. However, the additional costs, all of which would constitute Administrative Claims, may be so significant that one or more parties in interest could request that the Chapter 11 Case be converted to chapter 7. Accordingly, the Plan Proponents believe that the Plan enables creditors to realize the best return under the circumstances.

## VII.

### **BEST INTERESTS AND FEASIBILITY**

#### A. **Best Interests Test and Liquidation Analysis**

As described above, section 1129(a)(7) of the Bankruptcy Code requires that each Holder of an Impaired Claim or Equity Interest either: (i) accept the Plan; or (ii) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such Holder would receive if the Debtor were liquidated under chapter 7 of the Bankruptcy Code. Under the Plan, Classes 4, 5 and 6 are Impaired. Classes 5 and 6 will not receive or retain any property under either the Plan or in a chapter 7 liquidation.

To determine if the Plan is in the best interests of the Impaired Classes in the Plan, the present value of the distributions from the proceeds of the liquidation of the Debtor's assets and properties, after subtracting the amounts attributable to the foregoing claims, is then compared with the value of the property offered to each such class under the Plan. The Plan provides for the orderly liquidation of the Debtor's remaining assets in a manner similar to what would occur in a chapter 7 liquidation.

Because the majority of the Debtor's assets, apart from Causes of Action, have already been liquidated to Cash, the value of any Distributions if the Debtor's Chapter 11 Case was converted to a case under Chapter 7 of the Bankruptcy Code would be less than the value of Distributions under the Plan. This is because conversion of the Chapter 11 Case to a chapter 7 case would require the appointment of a chapter 7 trustee, and in turn, the chapter 7 trustee would likely retain new professionals. The "learning curve" that the trustee and new professionals would be faced with comes with potential additional costs to the Estate and with a delay compared to the timing of Distributions under the Plan (and prosecution of Causes of Action). This learning curve would apply to the Debtor's remaining wind down efforts, the Claims filed against the Debtor, and Causes of Action that remain to be pursued, which are both complex and represent substantial potential recoveries. In addition, a chapter 7 trustee would be entitled to statutory fees based on the Distributions to creditors of assets that were actually liquidated during the pendency of the Chapter 11 Case. Accordingly, a portion of the cash currently available for Distribution to Holders of Claims, including unsecured creditors, would instead be paid to the chapter 7 trustee. Finally, the distributions of Cash from the estate to creditors could be delayed for several years until the chapter 7 case was fully administered, whereas it is anticipated that the Liquidating Trustee will make initial Distributions to Holders of Allowed Claims as soon as practicable after the Effective Date followed by periodic interim distributions pending final disposition of the Liquidating Trust. The Debtor and the Committee believe that in a chapter 7 liquidation, it is likely the total net after tax liquidation proceeds

would be less than the proceeds under the Plan and the present value of that distribution would be further reduced by the delay in the distribution.

As a result, the Plan Proponents believe that the Estate would have fewer funds to be distributed, and that such distributions may be delayed, in a hypothetical chapter 7 liquidation than if the Plan is confirmed, and therefore Holders of Claims in all Impaired Classes (other than potentially Class 5 and 6) will recover less in the hypothetical chapter 7 case. The determination of the hypothetical proceeds from the sale of assets in a chapter 7 liquidation is an uncertain process involving numerous assumptions and therefore there can be no assurance of the proceeds likely to be distributed in such a process or the timing of distributions.

#### **B. Feasibility**

Section 1129(a)(11) of the Bankruptcy Code requires that Confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successors to the Debtor under the Plan, unless such liquidation or reorganization is proposed in the Plan. As set forth herein, the Debtor commenced this Chapter 11 Case to allow for an efficient and orderly wind down process and the Combined Plan and Disclosure Statement provides for the liquidation of the Debtor for the benefit of Creditors and the transfer of the Debtor's remaining assets, after Distributions to or reserves for Holders of Allowed Secured, Administrative, and Priority Claims, to the Liquidating Trust for the benefit of Holders of Allowed General Unsecured Claims. The Debtor will not be conducting any business operations after the Effective Date.

As such, provided that the Plan is confirmed and consummated, the Estate will not be subject to future reorganization or liquidation. Accordingly, the Plan Proponents believe that the Plan is feasible and meets the requirements of section 1129(a)(11) of the Bankruptcy Code.

## VIII.

**SUMMARY OF DEBTOR'S ASSETS; SUMMARY OF TREATMENT OF CLAIMS AND ESTIMATED RECOVERIES**

The following chart provides a summary of treatment of each Class of Claims (other than Administrative, PACA/PASA, WARN Act Liability, Priority Tax and DIP Facility Claims) and an estimate of the recoveries of each class. The treatment provided in this chart is for information purposes only and is qualified in its entirety by Articles XI and XII of the Plan.

Class	Estimated Allowed Claims <sup>11</sup>	Treatment	Estimated Recovery to Holders of Allowed Claims <sup>12</sup>
Class 1: Wells Fargo Secured Claim	\$0	Unimpaired Not Entitled to Vote Deemed to Accept	100%
Class 2: Other Miscellaneous Secured Claims	\$0 - \$300,000 <sup>13</sup>	Unimpaired Not Entitled to Vote Deemed to Accept	100%
Class 3: Priority Non-Tax Claims	\$50,000 - \$150,000	Unimpaired Not Entitled to Vote Deemed to Accept	100%
Class 4: <sup>14</sup> General Unsecured Claims	\$103 - 115 million <sup>15</sup>	Impaired Entitled to Vote	14 - 26%
Class 4A: General Unsecured Claims			
Class 4B: General Unsecured Claims of Releasing Creditors			
Class 5: Subordinated Claims	\$0	Impaired Deemed to Reject Not Entitled to Vote	No Distribution

<sup>11</sup> These amounts represent estimated Allowed Claims, and do not represent amounts actually asserted by the creditors in proofs of claim or otherwise. The Debtor has not completed its analysis of Claims in the Chapter 11 Case and objections to such Claims have not been fully litigated. Therefore, there can be no assurances of the exact amount of the Allowed Claims at this time. Rather, the actual amount of the Allowed Claims may be greater or lower than estimated.

<sup>12</sup> The estimated percentage recovery is based upon, among other things, an estimate of the Allowed Claims in the Chapter 11 Case. As set forth in footnote 11 above, the actual amount of Allowed Claims may be greater or lesser than estimated. Thus, the actual recoveries may be higher or lower than projected depending upon, among other things, the amounts and priorities of Claims that are actually Allowed in the Chapter 11 Case, the outcome of any litigation, including any causes of action that are being pursued, and the cash received from monetizing remaining assets.

<sup>13</sup> This estimate does not include Claims that the Debtor anticipates will be satisfied by collateral held by Creditors.

<sup>14</sup> The aggregate estimated Allowed Claims in Classes 4A and 4B is \$103-115 million; the aggregate estimated recovery of Classes 4A and 4B is 14-26%, and Classes 4A Class 4B are impaired and entitled to vote on the Plan. No breakdown between Classes 4A and 4B can be estimated until such Creditors submit Ballots indicating their opt-out elections. The aggregate estimated recovery percentage includes the Release Consideration. Holders of Claims in Class 4A who make an opt-out election will forego any Distribution from the \$2.5 million Release Consideration and, consequently, may receive less than the estimated recovery as a result of the allocation of the Release Consideration to Holders of Allowed Claims in Class 4B.

<sup>15</sup> This estimate of General Unsecured Claims does not include any Claims asserted by Tesco, TSL or related entities. As noted in Article III, TSL has agreed not to seek recovery on its claims from the Debtor. No claims from the YFE Parties are included in this estimate.

Class 6: Equity Interests	\$0	Impaired Deemed to Reject Not Entitled to Vote	Cancelled – No Distribution

**CONFIRMATION AND VOTING PROCEDURES****A. Confirmation Procedures****1. Confirmation Hearing**

A hearing before the Honorable Brendan Linehan Shannon, Chief Judge, has been scheduled for **April 27, 2017 at 11:00 a.m. (prevailing Eastern Time)** at the United States Bankruptcy Court for the District of Delaware, 824 North Market Street, 6th Floor, Courtroom No. 1, Wilmington, Delaware 19801 to consider: (i) final approval of the Disclosure Statement as providing adequate information pursuant to section 1125 of the Bankruptcy Code; and (ii) confirmation of the Plan pursuant to section 1129 of the Bankruptcy Code (the “Confirmation Hearing”). ### 3. **Requirements for Confirmation**

The Court will confirm the Plan only if it meets all the applicable requirements of section 1129 of the Bankruptcy Code. Among the requirements for confirmation in this Chapter 11 Case is that the Plan be: (i) accepted by all Impaired Classes of Claims and Equity Interests or, if rejected by an Impaired Class, that the Plan “does not discriminate unfairly” against and is “fair and equitable” with respect to such Class; and (ii) feasible. The Court must also find that:

- a. the Plan has classified Claims and Equity Interests in a permissible manner;
- b. the Plan complies with the technical requirements of Chapter 11 of the Bankruptcy Code; and
- c. the Plan has been proposed in good faith.

### 4. **Classification of Claims and Equity Interests**

Section 1122 of the Bankruptcy Code requires the Plan place a Claim or Equity Interest in a particular Class only if such Claim or Equity Interest is substantially similar to the other Claims or Equity Interests in such Class. The Plan creates separate Classes to deal respectively with secured claims, unsecured claims, and equity interests. The Debtor believes that the Plan’s classifications place substantially similar Claims or Equity Interests in the same Class, and thus, meets the requirements of section 1122 of the Bankruptcy Code.

### 5. **Impaired Claims or Equity Interests**

Pursuant to section 1126 of the Bankruptcy Code, only the Holders of Claims in Classes “Impaired” by the Plan and receiving a payment or Distribution under the Plan may vote on the Plan. Pursuant to section 1124 of the Bankruptcy Code, a Class of Claims may be “Impaired” if the Plan alters the legal, equitable or contractual rights of the Holders of such Claims or Equity Interests treated in such Class. The Holders of Claims not Impaired by the Plan are deemed to accept the Plan and do not have the right to vote on the Plan. The Holders of Claims or Equity Interests in any Class which will not receive any payment or Distribution or retain any property pursuant to the Plan are deemed to reject the Plan and do not have the right to vote.

### 6. **Eligibility to Vote on the Plan**

Unless otherwise ordered by the Court, only Holders of Claims in Class 4 may vote on the Plan. In order to vote on the Plan, you must hold a Claim in Class 4 and have timely filed a proof of Claim or have a Claim that is identified on the Schedules that is not listed as disputed, unliquidated, contingent or as zero or unknown in amount, or be the Holder of a Claim that is Allowed or has been temporarily Allowed for voting purposes only under Bankruptcy Rule 3018(a).

## 7. Solicitation Notice

All Holders of Claims in Class 4 will receive, among other documents: (i) Notice of (A) Interim Approval of the Disclosure Statement and (B) Combined Hearing to Consider Final Approval of the Disclosure Statement and Confirmation of the Joint Chapter 11 Plan of Liquidation for Fresh & Easy, LLC, and the Objection Deadline Related Thereto (the “Confirmation Hearing Notice”); (ii) a form of Ballot with an opt-out election provision in order to exercise the right to opt-out of the releases set forth in Article XVI of the Plan; and (iii) a copy of the Combined Plan and Disclosure Statement.

All other creditors and parties in interest are not entitled to vote on the Plan and will only receive: (i) the Confirmation Hearing Notice, and (ii) a non-voting notice containing (a) the website address, <http://dm.epiq11.com/fre>, where parties in interest may download electronic copies of the Combined Plan and Disclosure Statement and other pleadings related to the Chapter 11 Case, (b) the email address, [tabulation@epiqsystems.com](mailto:tabulation@epiqsystems.com), at which parties in interest may request copies of the Combined Plan and Disclosure Statement, Ballot, and related documents; and (c) a telephone number, 646-282-2500, through which parties in interest can request paper copies of the Combined Plan and Disclosure Statement, Ballot, and other pleadings.

## 8. Procedure/Voting Deadline and Opt-Out Election Deadline

In order for your Ballot (including your opt-out election) to count, you must: (i) complete, date and properly execute the Ballot, and (ii) properly deliver the Ballot to the Voting Agent by either mail, messenger or overnight courier at the following address: if by first class mail, Fresh & Easy, LLC – Ballot Processing, c/o Epiq Bankruptcy Solutions, LLC, P.O. Box 4422, Beaverton, OR 97076-4422; and if by hand delivery or overnight courier, Fresh & Easy, LLC – Ballot Processing, c/o Epiq Bankruptcy Solutions, LLC, 10300 SW Allen Blvd, Beaverton, OR 97005.

**Holders of Claims in Class 4 who do not want to provide the releases set forth in Article XVI herein must affirmatively indicate so by checking the “opt-out” box on the Ballot. Holders of Claims in Class 4 who make an “opt-out” election will forego any Distribution from the \$2.5 million Release Consideration.**

The Voting Agent must ACTUALLY RECEIVE Ballots on or before **April 17, 2017 at 4:00 p.m. (Pacific Time)** (the “Voting Deadline” and “Opt-Out Election Deadline,” respectively). Except as otherwise ordered by the Court, you may not change your vote or election once a Ballot is submitted to the Voting Agent.

Any Ballot that is timely received from a party entitled to vote, that contains sufficient information to permit the identification of the party casting the Ballot, and that is cast as an acceptance or rejection of the Plan will be counted and will be deemed to be cast as an acceptance or rejection, as the case may be, of the Plan; provided, however, that the following Ballots will not be counted or considered for any purpose in determining whether the Plan has been accepted or rejected: (a) any Ballot received after the Voting Deadline (unless extended by the Plan Proponents); (b) any Ballot that is illegible or contains insufficient information to permit the identification of the claimant; (c) any Ballot cast by a person or entity that does not hold a

claim in a class that is entitled to vote to accept or reject the Plan; (d) any Ballot cast for a claim scheduled as contingent, unliquidated or disputed or as zero or unknown in amount and for which no timely Rule 3018(a) Motion has been filed; (e) any Ballot that indicates neither an acceptance nor a rejection, or indicates both an acceptance and rejection, of the Plan; (f) any Ballot that casts part of its vote in the same class to accept the Plan and part to reject the Plan; (g) any form of Ballot other than the official form sent by the Voting Agent, or a copy thereof; (h) any Ballot received that the Voting Agent cannot match to an existing database record; (i) any Ballot that does not contain an original signature; (j) any Ballot that is submitted by facsimile, email or by other electronic means; or (k) any Ballot sent only to the Chief Restructuring Officer or the Plan Proponents or their respective professionals and not the Voting Agent.

9. **Acceptance of the Plan**

As a Creditor, your acceptance of the Plan is important. In order for the Plan to be accepted by an Impaired Class of Claims, a majority in number (i.e., more than half) and two-thirds in dollar amount of the Claims voting (of each Impaired Class of Claims) must vote to accept the Plan. At least one impaired Class of Creditors, excluding the votes of insiders, must actually vote to accept the Plan. The Plan Proponents urge that you vote to accept the Plan.

**YOU ARE URGED TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN YOUR BALLOT. PLEASE BE SURE TO COMPLETE THE BALLOT PROPERLY AND TO LEGIBLY IDENTIFY THE EXACT AMOUNT OF YOUR CLAIM AND THE NAME OF THE CREDITOR.**

10. **Elimination of Vacant Class**

Any Class or sub-Class of Claims or Equity Interests that does not contain, as of the date of commencement of the Confirmation Hearing, at least one Holder of an Allowed Claim or Equity Interest, or at least one Holder of a Claim temporarily allowed under Bankruptcy Rule 3018, shall be deemed deleted from the Combined Plan and Disclosure Statement for all purposes, including for purposes of: (i) voting on the acceptance or rejection of the Plan; and (ii) determining acceptance or rejection of the Plan by such Class under section 1129(a)(8) of the Bankruptcy Code.

The establishment of the WARN Reserve shall not be construed in any manner to determine, or have any affect whatsoever on, the validity, priority or amount of the asserted WARN Act Liability or claims asserted in the WARN Litigation and all of the parties' rights with respect thereto are expressly reserved. The establishment of the WARN Reserve shall be without prejudice to any and all defenses, counterclaims, rights, claims and interests that the Debtor may have with respect to any asserted WARN Act Liability under applicable bankruptcy and non-bankruptcy law.

All letters of credit issued on behalf of the Debtor by Wells Fargo will be deemed terminated as of the Effective Date and will be of no further force or effect. If a DIP Termination Order is entered prior to the Confirmation Hearing Date, Class 1 shall be eliminated.

**G. Payment of Statutory Fees**

All fees payable pursuant to section 1930 of title 28 of the United States Code, to the extent unpaid through the Effective Date, shall be paid in Cash within seven (7) Business Days after the Effective Date. XIII.  
**PROVISIONS REGARDING THE LIQUIDATING TRUST**

In furtherance of this objective, the Liquidating Trustee shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the Liquidating Trust. All Liquidating Trust Assets held by the Liquidating Trust on the Effective Date shall be deemed for federal income tax purposes to have been distributed by the Debtor on a Pro Rata basis to Holders of Allowed General Unsecured Claims and then contributed by such Holders to the Liquidating Trust in exchange for the Liquidating Trust Interests. All Holders of Allowed General Unsecured Claims have agreed to use the valuation of the Liquidating Trust Assets transferred to the Liquidating Trust as established by the Liquidating Trustee for all federal income tax purposes. The beneficiaries under the Liquidating Trust shall be treated as the deemed owners of the Liquidating Trust. The Liquidating Trust shall be responsible for filing information on behalf of the Liquidating Trust as grantor trust pursuant to Treasury Regulation Section 1.671-4(a).

**B. Assets of the Liquidating Trust**

Thereupon, the Debtor shall not have any interest in or with respect to the Liquidating Trust Assets.

**C. Other Funds to be Transferred to the Liquidating Trust**

Pursuant to Article XIII of the Combined Plan and Disclosure Statement, on or before the Effective Date, the Debtor shall transfer to the Liquidating Trust Cash in the amount of the Administrative, Priority and Secured Claims Estimate, which Cash shall be used by the Liquidating Trustee to fund the Administrative Claims Reserve.

In addition, the Liquidating Trustee is authorized and empowered, and shall be responsible for (i) terminating the Fresh & Easy 401(k), including, but not limited to, filing all applicable forms required by the IRS, ERISA, the 401(k) and/or applicable nonbankruptcy law, and providing all applicable notices to plan participants; (ii) filing all federal, state and local tax returns on behalf of the Debtor; (iii) cooperating with the purchasers of liquor licenses (and the designated escrow holder) to whom the Debtor sold, assigned, transferred or conveyed its rights, title and interests in and to certain liquor licenses, for the transfer of said liquor license; and (iv) taking all other actions required under the Plan to complete the liquidation, dissolution and wind-up of the Debtor.

2. Liquidating Trust Interests shall be reserved for Holders of Disputed General Unsecured Claims and issued by the Liquidating Trust to, and held by the Liquidating Trustee in, the Disputed Claims Reserve pending allowance or disallowance of such Claims. No other entity shall have any interest, legal, beneficial or otherwise, in the Liquidating Trust Assets upon the assignment and transfer of such assets to the Liquidating Trust.

2. As set forth in the Liquidating Trust Agreement, Distributions from the Liquidating Trust on account of Liquidating Trust Interests shall be made from the Liquidating Trust Assets and Liquidating Trust Proceeds after paying, reserving against or satisfying, among other things, the operating and administrative expenses of the Liquidating Trust, including but not limited to all costs, expenses and obligations incurred by the Liquidating Trustee (or professionals who may be employed by the Liquidating Trustee in administering the Liquidating Trust) in carrying out their responsibilities under the Liquidating Trust Agreement, or in any manner connected, incidental or related thereto.

3. The Liquidating Trust Interests shall be uncertificated and shall be nontransferable except upon death of the Holder or by operation of law. Holders of Liquidating Trust Interests, in such capacity, shall have no voting rights with respect to such interests. The Liquidating Trust shall have a term of five (5) years from the Effective Date, without prejudice to the rights of the Liquidating Trust Committee to authorize the Liquidating Trustee to extend such term conditioned upon the Liquidating Trust not becoming subject to the Securities Exchange Act of 1934 (as now in effect or hereafter amended) (the "Liquidating Trust's Termination Deadline").

**F. Appointment of a Liquidating Trustee**

1. The initial Liquidating Trustee shall be Peter Kravitz of Province, Inc. or such other person as mutually acceptable to the Committee and Debtor. The appointment of the Liquidating Trustee shall be approved in the Confirmation Order, and such appointment shall be as of the Effective Date. The Liquidating Trustee shall have and perform all of the duties, responsibilities, rights and obligations set forth in the Plan and Liquidating Trust Agreement.

2. The Liquidating Trustee shall not be obligated to obtain a bond but may do so, in his sole discretion, in which case the expense incurred by such bonding shall be paid by the Liquidating Trust.

3. The Liquidating Trustee and the members of the Liquidating Trust Committee and their professionals shall be exculpated and indemnified pursuant to and in accordance with the terms of the Combined Plan and Disclosure Statement and the Liquidating Trust Agreement.

**G. Liquidating Trust Committee**

**1. Creation of Liquidating Trust Committee and Procedures Related Thereto**

The Liquidating Trust Committee shall consist of not less than two (2) members, which shall be appointed by the Committee. The Debtor or the Committee shall File a notice on a date that is not less than ten (10) days prior to the Confirmation Hearing designating the Persons or Entities that have been selected to serve on the Liquidating Trust Committee. Each member of the Liquidating Trust Committee shall be entitled to vote on all matters in accordance with the terms of the Liquidating Trust Agreement. Members of the Liquidating Trust Committee shall receive a flat fee of \$[●] as compensation, and shall be entitled to reimbursement of reasonable expenses.

**2. Standing of the Liquidating Trust Committee**

The Liquidating Trust Committee shall have independent standing to appear and be heard in the Court as to any matter relating to the Plan, the Liquidating Trust Agreement or the Estate, including any matter as to which the Court has retained jurisdiction pursuant to Article XI of the Plan.

**3. Function and Duration of the Liquidating Trust Committee**

The Liquidating Trust Committee shall have the rights and responsibilities set forth in the Plan and the Liquidating Trust Agreement, including instructing and supervising the Liquidating Trustee with respect to its responsibilities under the Plan and the Liquidating Trust Agreement. The Liquidating Trust Committee shall remain in existence until such time as the final Distributions under the Liquidating Trust Agreement have been made, as set forth more fully in the Liquidating Trust Agreement.

**4. Indemnification of Liquidating Trustee and Liquidating Trust Committee**

The Indemnified Persons shall be held harmless and shall not be liable for actions taken or omitted in their capacity as, or on behalf of, the Liquidating Trust, Liquidating Trust Committee or Liquidating Trustee (as applicable), except those acts that are determined by Final Order of the Court to have arisen out of their own intentional fraud, willful misconduct or gross negligence. Each Indemnified Person shall be entitled to be indemnified, held harmless and reimbursed for fees and expenses including, without limitation, reasonable attorney's fees, which such Persons and Entities may incur or may become subject to or in connection with any action, suit, proceeding or investigation that is brought or threatened against such Persons or Entities in respect of that Person's or Entity's actions or inactions regarding the implementation or administration of the Plan, or the discharge of their duties under the Plan or Liquidating Trust Agreement, except for any actions or inactions that are determined by Final Order of the Court to have arisen from intentional fraud, willful misconduct or gross negligence. Any Claim of the Indemnified Persons to be indemnified, held harmless or reimbursed shall be satisfied solely from the Liquidating Trust Assets, Liquidating Trust Proceeds and any applicable insurance coverage.

## **5. Recusal of Liquidating Trust Committee Members**

A Liquidating Trust Committee member shall recuse itself from any decisions or deliberations regarding actions taken or proposed to be taken by the Liquidating Trustee with respect to the Claims, Causes of Action or rights of such Liquidating Trust Committee member, the entity appointing such Liquidating Trust Committee member, or any affiliate of the foregoing.

### **H. Distributions to Holders of Allowed General Unsecured Claims**

1. Initial Distributions. On the Distribution Date, the Liquidating Trustee shall make, or shall make adequate reserves in the Disputed Claims Reserve for, the Cash Distributions required to be made under the Combined Plan and Disclosure Statement to Holders of Allowed General Unsecured Claims. The Liquidating Trustee shall not make any Distributions of Liquidating Trust Assets to the beneficiaries under the Liquidating Trust unless the Liquidating Trustee retains and reserves in the Disputed Claims Reserve such amounts as are required under Article XIII of the Combined Plan and Disclosure Statement.

2. Interim Distributions. The Liquidating Trust Committee shall make interim Distributions of Cash in accordance with the Combined Plan and Disclosure Statement and the Liquidating Trust Agreement to Holders of Liquidating Trust Interests if the Liquidating Trust Committee deems it appropriate in its sole discretion; provided, however, that the Liquidating Trust will not be required to make a distribution if doing so would leave the Trust without sufficient Available Trust Cash to maintain the value of the Assets or to meet Trust liabilities, or if the Trustee decides such distribution would be administratively burdensome.

3. Final Distributions. The Liquidating Trust shall be dissolved and its affairs wound up and the Liquidating Trustee shall make the final Distributions, upon the earlier of: (i) the expiration of the Liquidating Trust's Termination Deadline as it may be extended from time to time, and (ii) that date when, (A) in the reasonable judgment of the Liquidating Trustee, substantially all of the assets of the Liquidating Trust have been liquidated and there are no substantial potential sources of additional Cash for Distribution; and (B) there remain no substantial Disputed Claims. The date on which the Liquidating Trustee determines that all obligations under the Plan and Liquidating Trust Agreement have been satisfied is referred to as the "Liquidating Trust Termination Date." On the Liquidating Trust Termination Date, the Liquidating Trustee shall, to the extent not already done, request that the Court enter an order closing the Chapter 11 Case.

Upon dissolution of the Liquidating Trust, if the Liquidating Trustee reasonably determines that any remaining Liquidating Trust Assets are insufficient to render a further distribution practicable, or exceed the amounts required to be paid under the Plan, the Liquidating Trustee shall transfer such remaining funds to a charitable institution selected by the Liquidating Trustee, which charitable institution shall be qualified as a not-for-profit corporation under applicable federal and state laws.

**I. Distributions to Holders of Administrative, Priority and Secured Claims**

On or as soon as reasonably practicable after the later of (i) the Distribution Date or (ii) the date an Administrative Claim, Priority Tax Claim, Priority Non-Tax Claim or Secured Claim becomes an Allowed Claim, the Liquidating Trustee shall make the Distributions required to be made under the Plan to Holders of Allowed Administrative Claims, Priority Tax Claims, Priority Non-Tax Claims, and Secured Claims subject to the limitations set forth in Section [●] of the Liquidating Trust Agreement.

**J. Requirement of Liquidating Trust**

The Liquidating Trust's formation documents shall require that financial statements or similar reports of the Liquidating Trust be sent to all Holders of Liquidating Trust Interests on an annual basis.

**K. Accounts and Reserves**

**1. Professional Fee Reserve**

On or before the Effective Date, the Debtor shall transfer to Young Conaway Stargatt & Taylor LLP ("YCS&T") Cash in the Amount of the Professional Fee Estimate, which Cash shall be used to fund the Professional Fee Reserve. The Cash so transferred shall not be used for any purpose other than to pay Allowed Professional Fee Claims. YCS&T (i) shall segregate and shall not commingle the Cash held in the Professional Fee Reserve and (ii) subject to the terms and conditions of the Combined Plan and Disclosure Statement shall pay each Professional Fee Claim of a Professional employed by the Debtor or the Committee, on or as soon as reasonably practicable after the date such Claim becomes an Allowed Claim. After all Professional Fee Claims are Allowed or Disallowed and the Allowed amounts of such Claims are paid by YCS&T, any remaining Cash in the Professional Fee Reserve shall become a Liquidating Trust Asset and YCS&T shall remit the remaining Cash to the Liquidating Trust as soon as practical. Notwithstanding any other provision in the Plan, in the event the Cash held in the Professional Fee Reserve is insufficient to satisfy the Allowed Professional Fee Claims, the Liquidating Trust shall fund the Cash necessary to satisfy any shortfall. Only Professionals employed in the Chapter 11 Case by the Debtor or the Committee shall be entitled to payment from the Professional Fee Reserve.

The Professionals employed by the Debtor and the Committee, as applicable, shall be entitled to reasonable compensation and reimbursement of actual, necessary expenses for post-Effective Date activities, including the preparation, filing and prosecution of Final Fee Applications, from the Professional Fee Reserve. Any time or expenses incurred in the preparation, filing and prosecution of Final Fee Applications shall be disclosed by each Professional in its final fee application and shall be subject to approval of the Court.

**2. Administrative Claims Reserve**

On or before the Effective Date, the Debtor shall transfer to the Liquidating Trust Cash in the Amount of the Administrative, Priority and Secured Claims Estimate (reducing such reserve for any amounts held by creditors or other parties to satisfy those claims), which Cash shall be

used by the Liquidating Trustee to fund the Administrative Claims Reserve. The Cash so transferred shall not be used for any purpose other than to pay Allowed Administrative Claims (except Professional Fee Claims, which shall be paid from the Professional Fee Reserve) Allowed Priority Claims, and Secured Claims. The Liquidating Trustee (i) shall segregate and shall not commingle the Cash held in the Administrative Claims Reserve and (ii) subject to the terms and conditions of the Plan and the Liquidating Trust Agreement, shall pay each Administrative Claim (except Professional Fee Claims, which shall be paid from the Professional Fee Reserve) and Priority Claim on or as soon as reasonably practicable after the date such Claim becomes an Allowed Claim. After all Administrative Claims (except Professional Fee Claims), Priority Claims and Secured Claims are Allowed or Disallowed and the Allowed amounts of such Claims are paid by the Liquidating Trust, any remaining Cash in the Administrative Claims Reserve shall become a Liquidating Trust Asset.

### 3. **WARN Reserve**

If, as of the Effective Date, funds remain in the WARN Reserve, the Debtor shall transfer to the Liquidating Trust the WARN Reserve for the purposes of satisfying any and all remaining WARN Act Liability. The Liquidating Trustee (i) shall segregate and shall not commingle the WARN Reserve; and (ii) the WARN Reserve shall be subject to the terms and conditions of the Plan and Settlement Agreement. Any remaining Cash in the WARN Reserve after all Allowed WARN Claims are satisfied shall become a Liquidating Trust Asset.

### 4. **Other Reserves**

The Liquidating Trust shall establish and administer any other necessary reserves that may be required under the Combined Plan and Disclosure Statement or Liquidating Trust Agreement, including the Disputed Claims Reserve.

### 5. **Exemption from Certain Transfer Taxes**

Pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property pursuant to the Combined Plan and Disclosure Statement shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax or other similar tax or governmental assessment, and the Confirmation Order shall direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents without the payment of any such tax or governmental assessment.

### 6. **Applicability of Section 1145 of the Bankruptcy Code**

Under section 1145 of the Bankruptcy Code, the issuance of the Liquidating Trust Interests under the Plan shall be exempt from registration under the Securities Act of 1933, as amended, and all applicable state and local laws requiring registration of securities. If the Liquidating Trustee determines, with the advice of counsel, that the Liquidating Trust is required to comply with the registration and reporting requirements of the Securities and Exchange Act of 1934, as amended, or the Investment Company Act of 1940, as amended, then the Liquidating

Trustee shall take any and all actions to comply with such reporting requirements and file necessary periodic reports with the Securities and Exchange Commission.

7. **Effectuating Documents; Further Transactions**

The Liquidating Trustee, subject to the terms and conditions of the Combined Plan and Disclosure Statement and the Liquidating Trust Agreement, shall be authorized to execute, deliver, file or record such contracts, instruments, releases, indentures and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

8. **Books and Records; Privilege Matters**

a) **Transfer of Debtor's Books and Records**

On or before the Effective Date, the Debtor shall transfer its Books and Records to the Liquidating Trust.

b) **Destruction of Records**

Effective the first (1<sup>st</sup>) year anniversary of the Effective Date, the CRO and FTI Consulting Inc. shall not be required to maintain any records related to Fresh & Easy LLC in physical and/or electronic form, including but not limited to (a) physical copies of documents; (b) data from the computers and/or laptops, (c) data from servers used to store information, and (d) data from computers, laptops, and servers that are duplicative of records otherwise available in either physical or electronic form or are already publicly available and may dispose of any such records related to Fresh & Easy, LLC at their discretion.

c) **Transfer of Evidentiary Privileges; Document Requests**

Notwithstanding anything to the contrary herein, on the Effective Date, the Liquidating Trustee shall succeed to the evidentiary privileges, including attorney-client privilege, formerly held by the Debtor. Privileged communications may be shared among the Liquidating Trustee and the Liquidating Trust Committee without compromising the privileged nature of such communications, in accordance with the "joint interest" doctrine.

Accordingly, to the extent that documents are requested from current counsel to the Debtor by any Person or Entity, after the Effective Date, only the Liquidating Trustee shall have the ability to waive such attorney-client or other privileges. In addition, current counsel to the Debtor shall have no obligation to produce any documents currently in its possession as a result of or arising in any way out of its representation of the Debtor unless: (i) the Person or Entity requesting such documents serves its request on the Liquidating Trustee; (ii) the Liquidating Trustee consents in writing to such production and any waiver of the attorney-client or other privilege such production might cause; and (iii) the Liquidating Trustee or the Person or Entity requesting such production agrees to pay the reasonable costs and expenses incurred by current counsel for the Debtor in connection with such production.

XIV.

**PROVISIONS GOVERNING DISTRIBUTIONS UNDER THE PLAN**

**A. Method of Payment**

Unless otherwise expressly agreed, in writing, all Cash payments to be made pursuant to the Plan shall be made by check drawn on a domestic bank or an electronic wire.

**B. Distributions on Allowed Claims**

Distributions to be made on account of Claims that are Allowed Claims as of the Effective Date or become Allowed Claims thereafter shall be made by the Disbursing Agent pursuant to the terms and conditions of the Plan and the Liquidating Trust Agreement. Notwithstanding any other provision of the Combined Plan and Disclosure Statement to the contrary, no Distribution shall be made on account of any Allowed Claim or portion thereof that: (i) has been satisfied after the Petition Date; (ii) is listed in the Schedules as Contingent, unliquidated, Disputed or in a zero amount, and for which a Proof of Claim has not been timely Filed; or (iii) is evidenced by a Proof of Claim that has been amended by a subsequently Filed Proof of Claim.

**C. Disbursing Agent**

The Disbursing Agent shall make all Distributions required under the Plan, subject to the terms and provisions of the Combined Plan and Disclosure Statement and the Liquidating Trust Agreement. If the Disbursing Agent is an independent third party designated to serve in such capacity, such Disbursing Agent shall receive, without further Court approval, reasonable compensation from the Liquidating Trust for distribution services rendered pursuant to the Combined Plan and Disclosure Statement and reimbursement of reasonable out-of-pocket expenses. No Disbursing Agent shall be required to give any bond or surety or other security for the performance of its duties. The Disbursing Agent shall be authorized and directed to rely upon the Debtor's books and records and the Liquidating Trust's representatives and professionals in determining Allowed Claims entitled to Distributions under the Combined Plan and Disclosure Statement in accordance with the terms and conditions of the Combined Plan and Disclosure Statement.

**D. Objections to and Resolution of Claims**

Subject to the terms and conditions of the Liquidating Trust Agreement, and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, on and after the Effective Date, the Liquidating Trust shall have the authority to: (1) File, withdraw or litigate to judgment objections to and requests for estimation of Claims; (2) settle or compromise any Disputed Claim without any further notice to or action, order or approval by the Court; and (3) administer and adjust the Claims register to reflect any such settlements or compromises without any further notice to or action, order or approval by the Court; provided, however, that the objection to and settlement of Professional Fee Claims shall not be subject to this Article, but rather shall be governed by Article XIII.J. In the event that any objection Filed by the Debtor or the Committee remains pending as of the Effective Date, the Liquidating

Trustee shall be deemed substituted for the Debtor or the Committee, as applicable, as the objecting party.

The Liquidating Trust shall be entitled to assert all of the Debtor's rights, claims, defenses, offsets, rights of recoupment, setoffs, rights of disallowance, subrogation, recharacterization and/or equitable subordination and counter-claims with respect to Claims.

**E. Claim Objection Deadline**

Except with respect to Professional Fee Claims and Administrative Claims, all objections to Claims must be Filed and served on the Holders of such Claims by the Claims Objection Deadline; provided, however, the Claims Objection Deadline may be extended by the Court upon motion and notice. Notice of any motion for an order extending the Claims Objection Deadline shall be required to be given only to those Persons or Entities that have requested notice in the Chapter 11 Case in accordance with Bankruptcy Rule 2002.

**F. No Distribution Pending Allowance**

Notwithstanding any other provision of the Combined Plan and Disclosure Statement or the Liquidating Trust Agreement, no payment or Distribution of Cash or other property shall be made with respect to any portion of a Disputed Claim unless and until all objections to such Claim are resolved by Final Order or as otherwise permitted by this Plan.

**G. Escrow of Cash Distributions**

On any date that Distributions are to be made under the terms of the Combined Plan and Disclosure Statement, the Liquidating Trustee shall deposit in one or more segregated accounts, Cash or property equal to 100% of the Cash or property that would be distributed on such date on account of Disputed Claims as if each such Disputed Claim were an Allowed Claim but for the pendency of a dispute with respect thereto. The Liquidating Trustee shall also segregate any interest, dividends or proceeds of such Cash. Such Cash together with any interest, dividends or proceeds thereof, shall be held in trust for the benefit of the Holders of all such Disputed Claims pending determination of their entitlement thereto.

**H. Distributions After Allowance**

Payments and Distributions to Holders of Disputed Claims that ultimately become Allowed Claims shall be made in accordance with provisions of the Liquidating Trust Agreement that govern Distributions to Holders of Allowed General Unsecured Claims (Section [●] of the Liquidating Trust Agreement).

**I. Investment of Segregated Cash and Property**

To the extent practicable, the Liquidating Trustee may invest any Cash or other property segregated on account of a Disputed Claim, undeliverable Distribution, or any proceeds thereof: (i) in a manner that will yield a reasonable net return taking into account the safety of the investment; or (ii) in any manner permitted by section 345 of the Bankruptcy Code; provided, however, that the Liquidating Trustee shall be under no obligation to so invest such Cash or

proceeds and shall have no liability to any party for any investment made or any omission to invest such Cash, other property or proceeds.

#### **J. Delivery of Distributions in General**

Except as provided herein, distributions to Holders of Allowed Claims shall be made by the Disbursing Agent: (i) at the addresses set forth on the respective Proofs of Claim Filed by such Holders (or at the last known addresses of such Holders if no Proof of Claim is Filed or if the Debtor has been notified of a change of address); (ii) at the addresses set forth in any written notices of address changes delivered to the Disbursing Agent after the date of any related Proof of Claim; or (iii) at the addresses reflected in the Schedules if no Proof of Claim has been Filed and the Disbursing Agent has not received a written notice of a change of address.

In making Distributions under the Combined Plan and Disclosure Statement, the Disbursing Agent may rely upon the accuracy of the Claims register maintained by the Claims Agent in the Chapter 11 Case, as modified by any Final Order of the Court disallowing Claims in whole or in part.

#### **K. Undeliverable and Unclaimed Distributions**

If the Distribution to any Holder of an Allowed Claim is returned to the Disbursing Agent as undeliverable or is otherwise unclaimed, no further Distributions shall be made to such Holder unless and until the Disbursing Agent is notified in writing of such Holder's then-current address and such Holder provides sufficient evidence of such address as may be requested by the Disbursing Agent, at which time all missed Distributions shall be made to such Holder without interest, subject to the time limitations set forth below. Amounts in respect of undeliverable Distributions made by the Disbursing Agent shall remain in the possession of the Disbursing Agent until the earlier of: (i) such time as a distribution becomes deliverable; or (ii) such undeliverable distribution becomes an unclaimed distribution pursuant to Article XIV of the Combined Plan and Disclosure Statement. The Disbursing Agent shall segregate and, with respect to Cash, deposit in a segregated account designated as an unclaimed Distribution reserve, undeliverable and unclaimed Distributions for the benefit of all such similarly-situated Persons or Entities until such time as a Distribution becomes deliverable or is claimed, subject to the time limitations set forth below.

Any Holder of an Allowed Claim that does not assert a claim pursuant to the Combined Plan and Disclosure Statement for an undeliverable or unclaimed Distribution within three (3) months after the date such Distribution was returned undeliverable shall be deemed to have forfeited its Claim for such undeliverable or unclaimed Distribution and shall be forever barred and enjoined from asserting any such claim for an undeliverable or unclaimed Distribution against the Debtor and its Estate, the Liquidating Trustee, the Liquidating Trust, and their respective agents, attorneys, representatives, employees or independent contractors, and/or any of its or their property. In the case of undeliverable or unclaimed Distributions on account of Administrative Claims, Priority Tax Claims or Priority Non-Tax Claims, any Cash otherwise reserved for undeliverable or unclaimed Distributions shall revert to the Administrative Claims Reserve. In the case of undeliverable or unclaimed Distributions on account of Liquidating Trust Interests, any Cash otherwise reserved for undeliverable or unclaimed Distributions shall revert

to the Liquidating Trust, and all title to and all beneficial interests in the Liquidating Trust Assets represented by any such undeliverable Distributions shall revert to and/or remain in the Liquidating Trust and shall be distributed in accordance with Article XIV of the Liquidating Trust Agreement and the Plan. The reversion of such Cash to the Administrative Claims Reserve or the Liquidating Trust, as applicable, shall be free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary and shall be treated in accordance with the terms of the Plan and the Liquidating Trust Agreement. Nothing contained in the Plan or the Liquidating Trust Agreement shall require the Debtor, the Liquidating Trust, the Liquidating Trustee or any Disbursing Agent to attempt to locate any Holder of an Allowed Claim.

**L. Escheatment**

Notwithstanding any State escheatment law, any State that was entitled to file a Claim in its own right in connection with claims for property that had been deemed abandoned and had escheated to the State prepetition, but failed to comply with the Bar Date and file a Proof of Claim, will be forever barred from assertion of such Claim against the Debtor and its Estate.

**M. Minimum Distributions**

The Liquidating Trust, as Disbursing Agent, shall not be required to make any distribution to a Holder of an Allowed Claim of less than fifty dollars (\$50.00) on account of such Allowed Claim. If a Holder of an Allowed Claim would be entitled to receive less than \$50 as of the time of a particular distribution, but would be entitled to receive more than \$50 in combination with later distributions, the Liquidating Trust, as Disbursing Agent, shall combine such distribution with later distributions so that the Holder may eventually be entitled to a distribution of at least \$50 in value.

**N. Fractional Dollars**

Any other provision of the Combined Plan and Disclosure Statement notwithstanding, the Disbursing Agent shall not be required to make Distributions or payments of fractions of dollars. Whenever any payment of a fraction of a dollar under the Plan would otherwise be called for, the actual payment shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded down.

**O. Withholding and Reporting Requirements**

In accordance with section 346 of the Bankruptcy Code and in connection with the Combined Plan and Disclosure Statement and all Distributions hereunder, the Disbursing Agent shall, to the extent applicable, comply with all withholding and reporting requirements imposed by any federal, state, provincial, local or foreign taxing authority. The Disbursing Agent shall be authorized to take any and all actions necessary and appropriate to comply with such requirements.

All Distributions hereunder shall be subject to withholding and reporting requirements. As a condition of making any Distribution under the Plan, each Entity holding an Allowed Claim is required to provide any information necessary in writing, including returning W-9 (or W-8, if

applicable) statements, to effect the necessary information reporting and withholding of applicable taxes with respect to Distributions to be made under the Plan as the Disbursing Agent may request. The Disbursing Agent shall be entitled in its sole discretion to withhold any Distributions to a Holder of an Allowed Claim who fails to provide tax identification or social security information within the timeframe requested in writing by the Disbursing Agent to such Holder of an Allowed Claim, which timeframe shall not be less than thirty (30) days. The Distribution to any Holder of an Allowed Claim that fails to timely respond to the Disbursing Agent shall be treated as an undeliverable or unclaimed Distribution pursuant to Article XIV of the Combined Plan and Disclosure Statement.

Notwithstanding any other provision of the Combined Plan and Disclosure Statement, each Entity receiving a Distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of tax obligations on account of any such Distribution.

**P. Setoffs**

Subject to the terms and conditions of the Liquidating Trust Agreement, the Debtor and/or the Liquidating Trust may, but shall not be required to, set off against any Claim and the payments or other Distributions to be made under the Plan on account of the Claim, claims of any nature whatsoever that the Debtor may have against the Holder thereof, provided that any such right of setoff that is exercised shall be allocated, first, to the principal amount of the related Claim, and thereafter to any interest portion thereof, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor and/or the Liquidating Trust of any such claim that the Debtor may have against such Holder.

**Q. Interest on Claims**

Unless otherwise specifically provided for in the Plan or the Confirmation Order, or required by applicable bankruptcy law, postpetition interest shall not accrue or be paid on any Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim. Interest shall not accrue or be paid upon any Disputed Claim in respect of the period from the Petition Date to the date a final Distribution is made thereon if and after such Disputed Claim becomes an Allowed Claim.

**R. Disputed Claims Reserve**

On the Distribution Date and on each subsequent Periodic Distribution Date, the Liquidating Trust shall withhold on a Pro Rata basis from property that would otherwise be distributed to Holders of General Unsecured Claims entitled to Distributions under the Combined Plan and Disclosure Statement on such date, in a separate Disputed Claims Reserve, such amounts or property as may be necessary to equal one hundred percent (100%) of Distributions to which Holders of such Disputed General Unsecured Claims would be entitled under the Plan if such Disputed Claims were allowed in their Disputed Claim Amount. The Liquidating Trust may request, if necessary, estimation for any Disputed General Unsecured Claim that is contingent or unliquidated, or for which the Liquidating Trust determines to reserve less than the Face Amount. If the Liquidating Trust elects not to request such an estimation from the Court

with respect to a Disputed General Unsecured Claim that is contingent or unliquidated, the Liquidating Trust shall withhold the applicable Disputed Claims Reserve based upon the good faith estimate of the amount of such General Unsecured Claim by the Liquidating Trust. If practicable, the Liquidating Trust shall invest any Cash that is withheld as the Disputed Claims Reserve in an appropriate manner to ensure the safety of the investment, in accordance with Section [●] of the Liquidating Trust Agreement. Nothing in the Plan, the Disclosure Statement or the Liquidating Trust Agreement shall be deemed to entitle the Holder of a Disputed General Unsecured Claim to postpetition interest on such Claim, however.

**S. Allocation of Distributions Between Principal and Interest**

To the extent that any Allowed Claim entitled to a Distribution under the Plan is composed of indebtedness and accrued but unpaid interest thereon, such Distribution shall, for all income tax purposes, be allocated to the principal amount of the Claim first and then, to the extent the consideration exceeds the principal amount of the Claim, to the portion of such Claim representing accrued but unpaid interest.

**T. Distribution Record Date**

The Disbursing Agent shall have no obligation to recognize the transfer of or sale of any participation in any Allowed Claim that occurs after the close of business on the Distribution Record Date. Instead, the Disbursing Agent shall be entitled to recognize and deal for all purposes under the Combined Plan and Disclosure Statement with only those record Holders stated on the official Claims register or the Debtor's Books and Records, as applicable, as of the close of business on the Distribution Record Date.

**U. Claim Estimation**

In order to effectuate distributions pursuant to this Plan and avoid undue delay in the administration of the Chapter 11 Case, the Debtor (if on or prior to the Effective Date) and the Liquidating Trustee (if after the Effective Date), after notice and a hearing (which notice may be limited to the holder of a such Disputed Claim), shall have the right to seek an Order of the Bankruptcy Court, pursuant to section 502(c) of the Bankruptcy Code, estimating or limiting the amount of (i) property that must be withheld from or reserved for distribution purposes on account of such Disputed Claim(s), (ii) such Claim for claim allowance or disallowance purposes, or (iii) such Claim for any other purpose permitted under the Bankruptcy Code; provided, however, the Bankruptcy Court shall determine (i) whether such Claims are subject to estimation pursuant to section 502(c) of the Bankruptcy Code and (ii) the timing and procedures for such estimation proceedings, if any.

**XV.**

**IMPLEMENTATION AND EFFECT OF CONFIRMATION OF THE PLAN**

**A. Means for Implementation of the Plan**

In addition to the provisions set forth elsewhere in the Combined Plan and Disclosure Statement, the following shall constitute the means for implementation of the Plan:

1. **Funding of Liabilities and Distributions**

On the Effective Date, or as soon as reasonably practicable thereafter, the Debtor shall transfer and assign to the Liquidating Trust all of its right, title and interest in and to all of the Liquidating Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, all such assets shall automatically vest in the Liquidating Trust free and clear of all Claims and Liens, subject only to the Allowed Claims of the Holders of Liquidating Trust Interests as set forth in the Plan and the expenses of the Liquidating Trust as set forth herein and in the Liquidating Trust Agreement. Thereupon, the Debtor shall not have any interest in or with respect to the Liquidating Trust Assets.

2. **Other Funds to be Transferred to the Liquidating Trust**

Pursuant to Article XIII of the Plan, after all Allowed Professional Fee Claims are paid by Young Conaway Stargatt & Taylor LLC from the Professional Fee Reserve, any remaining Cash in the Professional Fee Reserve shall be transferred to the Liquidating Trust as soon as practical and become a Liquidating Trust Asset.

Pursuant to Article XIII of the Plan, on or before the Effective Date, the Debtor shall transfer to the Liquidating Trust Cash in the amount of the Administrative, Priority Claims, and Secured Claims Estimate, which Cash shall be used by the Liquidating Trustee to fund the Administrative Claims Reserve.

3. **Corporate Action; Effectuating Documents; Further Transactions**

a) **Corporate Action**

On the Effective Date, the directors, officers, members and managers of Fresh & Easy LLC shall be deemed to have resigned, except for Michael J. Brewer of Alcohol Beverage Consulting Service, who shall continue to serve as the Chief Licensing Officer for the sole and limited purpose of maintaining, selling, and/or otherwise disposing of the Company's liquor licenses. Upon such resignations, the Liquidating Trust shall become the sole member of and the managing member of Fresh & Easy, LLC, the Liquidating Trustee shall serve as an officer and director of Fresh & Easy, LLC and the Amended and Restated Limited Liability Company Agreement shall be, and is deemed to be, amended and restated to reflect the foregoing.

b) **Continued Corporate Existence**

Fresh & Easy, LLC shall continue to exist after the Effective Date in accordance with the laws of the State of Delaware and pursuant to the Amended and Restated Limited Liability Company Agreement of Fresh & Easy, LLC, as last amended effective as of July 8, 2015, and in effect prior to the Effective Date, as amended, and in accordance with any and all such other documents as may be necessary to satisfy the provisions of this Combined Plan and Disclosure Statement and the Bankruptcy Code. The Debtor's continued existence is limited to facilitating the sale, assignment, transfer, conveyance and delivery of liquor licenses held by the Debtor. The Liquidating Trustee, acting pursuant to the terms and conditions of the Liquidating Trust Agreement, shall be authorized to execute, deliver, file or record such documents, instruments, releases and other agreements and to take such actions as may be necessary or appropriate to

effectuate and further evidence the terms and conditions of this Combined Plan and Disclosure Statement.

c) **Deemed Authorization**

On the Effective Date, all matters and actions provided for under the Combined Plan and Disclosure Statement that would otherwise require approval of the directors and officers, or members or managers of the Debtor shall be deemed to have been authorized and to be effective in all respects as provided herein and shall be taken without any requirement for further action by the directors and officers, or members and managers of the Debtor. The Debtor is authorized to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents and to take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Combined Plan and Disclosure Statement.

d) **Dissolution of the Debtor**

After the Effective Date, at the discretion of the Liquidating Trustee in consultation with the Liquidating Trust Committee, the Liquidating Trust shall be authorized to take all actions necessary to effect the dissolution of the Debtor, without the need for any further Bankruptcy Court action or approval.

4. **Exemption from Securities Laws**

Under section 1145 of the Bankruptcy Code, the issuance of beneficial interests in the Liquidating Trust under the Combined Plan and Disclosure Statement shall be exempt from registration under the Securities Act of 1933, as amended, and all applicable state and local laws requiring registration of securities.

5. **Exemption Under Certain Taxes and Fees**

Pursuant to the Plan, as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, the Debtor, and any Person or Entity seeking to exercise the rights of the Debtor's Estate, including, without limitation, any successor to the Debtor, any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code or the Liquidating Trust, whether pursuing an action derivatively or otherwise, shall be deemed to forever release, waive and discharge all liabilities, claims, actions, proceedings, causes of action, Avoidance Actions, suits, accounts, controversies, agreements, promises, rights to legal remedies, right to equitable remedies, rights to payment, or Claims whatsoever (other than for fraud, willful misconduct or gross negligence) in connection with or related to the Debtor, the Chapter 11 Case, the Store Closing Sales or the Combined Plan and Disclosure Statement (other than the rights of the Debtor and the Liquidating Trustee to enforce the Plan and the contracts, instruments, releases and other agreements or documents delivered thereunder), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise, that are based in whole or part on any act, omission, transaction, event or other occurrence taking place on or prior to the Confirmation Date, against (a) the CRO, the Debtor's and Committee's Professionals and the Debtor's and Committee's Court-retained agents, including, but not limited to FTI Consulting, Inc., (b) the Special Committee, (c) any of the successors or assigns of any of the parties identified in the foregoing clauses (a) and (b); provided, however, that the release described in this paragraph shall not be a waiver of any defense, offset or objection to any Claim Filed against the Debtor and its Estate by any Person or Entity.

**2. Consensual Third Party Releases by Certain Holders of Claims and Interests**

As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, (a) all Holders of Claims (except Holders of Claims in Class 4A who timely exercised their opt-out election to such releases set forth herein) and (b) all Holders of Interests shall be deemed to forever release, waive and discharge the Released Parties of all claims, obligations, suits, judgments, damages, demands, debts, rights, remedies, causes of action and liabilities of any nature whatsoever in connection with or related to the Debtor, the Chapter 11 Case, and/or the Combined Plan and Disclosure Statement, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or hereafter arising, in law, equity, or otherwise that are or may be based in whole or in part upon any act, omission, transaction, event, or other occurrence taking place or existing on or prior to the Effective Date (other than the rights of a Creditor holding an Allowed Claim to enforce the obligations under the Confirmation Order and the Plan); provided, however, that nothing in this section shall

operate as a release, waiver or discharge of any causes of action or liabilities unknown to such person as of the Petition Date arising out of gross negligence, willful misconduct, fraud or criminal acts of any such released party as determined by a Final Order.

### **3. Exculpation and Limitation of Liability**

Except as otherwise specifically provided in the Combined Plan and Disclosure Statement, none of (a) Debtor, (b) the current and former directors, officers and managers of the Debtor, (c) employees or agents of the Debtor, (d) attorneys, financial advisors, accountants, investment bankers, investment advisors, consultants, agents, representatives and other Professionals of the Debtor, (e) the CRO, (f) the Special Committee, (g) the Committee and its Professionals and, solely in their respective capacities as members or representatives of the Committee, each member of the Committee, or (h) any of the successors or assigns of any of the parties identified in the foregoing clauses (a) through (g) shall have or incur, and each is hereby released and exculpated from, any liability, whether known, unknown, reduced to judgment, not reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured and whether asserted or assertable directly or derivatively in law or equity to any Holder of a Claim or an Interest, or any other party in interest, or any of their respective members, directors, officers, employees, advisors, attorneys, professionals, agents, partners, stockholders or affiliates, or any of their respective successors or assigns, for any act or omission in connection with, relating to or arising out of, the Chapter 11 Case, the Store Closing Sales, assets sales, the negotiation and implementation of the Settlement Agreement, the formulation, negotiation or implementation of the Combined Plan and Disclosure Statement, the solicitation of acceptances of the Plan, the pursuit of Confirmation of the Plan, the Confirmation of the Plan, the consummation of the Plan, or the administration of the Plan or the property to be distributed under the Plan, except for acts or omissions which are the result of fraud, gross negligence or willful misconduct, and such parties in all respects will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities under the Combined Plan and Disclosure Statement. Moreover, for the avoidance of doubt, this exculpation only applies to any acts or omissions of the exculpated parties that occurred on and after the Petition Date.

Notwithstanding any other provision of the Combined Plan and Disclosure Statement, no Holder of a Claim or an Interest, no other party in interest, none of their respective members, directors, officers, employees, advisors, attorneys, professionals, agents, partners, stockholders or affiliates, and none of their respective successors or assigns, shall have any right of action against: (a) Debtor, (b) the current and former directors, officers and managers of the Debtor, (c) employees or agents of the Debtor, (d) attorneys, financial advisors, accountants, investment bankers, investment advisors, consultants, agents, representatives and other Professionals of the Debtor, (e) the CRO, (f) the Special Committee, (g) the Committee and its Professionals and, solely in their respective capacities as members or representatives of the Committee, each member of the Committee, or (h) any of the successors or assigns of any of the parties identified in the foregoing clauses (a) through (g), for any act or omission in connection with, relating to or arising out of, the Chapter 11 Case, the Store Closing Sales, asset sales, the negotiation and implementation of the Settlement Agreement, the formulation, negotiation or

implementation of the Combined Plan and Disclosure Statement, solicitation of acceptances of the Plan, the pursuit of Confirmation of the Plan, the Confirmation of the Plan, the consummation of the Plan, or the administration of the Plan or the property to be distributed under the Plan, except for acts or omissions which are the result of fraud, gross negligence or willful misconduct. Moreover, for the avoidance of doubt, this paragraph only applies to any acts or omissions of such protected parties that occurred on and after the Petition Date.

#### **B. Injunction**

Confirmation of the Plan will have the effect of, among other things, permanently enjoining (a) all Entities or Persons that have held, hold or may hold or have asserted, assert or may assert Claims against or Equity Interests in the Estate with respect to any such Claim or Equity Interest, and (b) respecting (vi)(A) and (vi)(B) of this paragraph, the Estate and the Liquidating Trust, from and after the Effective Date, from taking any of the following actions (other than actions to enforce any rights or obligations under the Combined Plan and Disclosure Statement): (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Estate or the Liquidating Trust or any of its or their property on account of such Claims or Interests; (ii) enforcing, levying, attaching (including, without limitation, any pre-judgment attachment), collecting or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree or order against the Estate or the Liquidating Trust or any of its or their property on account of such Claims or Interests; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Estate or the Liquidating Trust or any of its or their property on account of such Claims or Interests; (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Estate or the Liquidating Trust or any of its or their property, except with respect to any right of setoff asserted prior to the entry of the Confirmation Order, whether asserted in a Proof of Claim or otherwise, or as otherwise contemplated or allowed by the Plan; (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; and (vi) prosecuting or otherwise asserting (A) any Claim or Interest, including any right, claim or Cause of Action, released pursuant to the Plan, or (B) any form of objection to any Claim that is Allowed by the Plan; provided, however, that this injunction will not apply to the commencement or continuation of an action or proceeding by a governmental unit to which section 362(b)(4) of the Bankruptcy Code would be applicable. Additionally, unless otherwise explicitly stated in the Plan, the injunction contemplated by this paragraph will prohibit the assertion against the Liquidating Trust, the Liquidating Trustee, the Liquidating Trust Committee, and the YFE Released Parties of all Claims or Interests, if any, related to the Debtor (and in addition, with respect to the YFE Released Parties, the assertion by any Entity of any Claims and Interests described as being released in the Settlement Agreement).

Confirmation of the Plan will further have the effect of permanently enjoining all Persons and Entities from obtaining any documents or other materials from current counsel for the Debtor and the Committee that are in the possession of such counsel as a

result of or arising in any way out of their representations of the Debtor and/or the Committee, except in accordance with Article XIII of the Combined Plan and Disclosure Statement.

**C. Bar Provision**

In accordance with the terms of the Settlement Agreement, the confirmation of the Plan shall have the effect of barring any Barred Person from commencing, prosecuting, asserting, or maintaining: (i) claims against any of the YFE Released Parties where the claims are the property of the Debtor's bankruptcy estate, were or could have been asserted by the Debtor, the Committee, or the bankruptcy estate, or are derivative claims of the Debtor, the Committee, or the bankruptcy estate, including those claims that arise from or relate to the claims asserted or that could have been asserted in the Adversary Proceeding (as defined in the Settlement Agreement); and (ii) any claims for indemnity or contribution brought against any of the YFE Released Parties and relating to the claims and allegations set forth in the Committee's complaint filed in the Adversary Proceeding. With respect to claims for indemnity or contribution, it shall not matter whether such claims are explicitly characterized as claims for indemnity or contribution, but rather the Barred Person must look to the underlying nature of the claim, including where the injury to the Barred Person is the liability of the Barred Person to another person or entity arising out of or relating to the claims or allegations released pursuant to the Settlement Agreement, whether arising under state, federal, or foreign laws as claims, cross-claims, counterclaims, or third-party claims. Any joint tortfeasor barred pursuant to this Bar Provision shall be entitled to a judgment reduction (i.e., setoff) to the extent provided for by applicable law. See, e.g., Cal. Code Civ. Proc. § 877.

**XVII.**

**EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

**A. Rejected Executory Contracts and Unexpired Leases**

Except as otherwise provided in the Plan, an order of this Court, or in any contract, instrument, release or other agreement or document entered into in connection with the Plan, each of the Executory Contracts and Unexpired Leases to which the Debtor is a party shall be deemed automatically rejected by the Debtor as of the Effective Date, unless such contract or lease (i) previously has been assumed or rejected by the Debtor, (ii) expired or terminated pursuant to its own terms, (iii) is the subject of a motion to assume or reject pending before the Court as of the Confirmation Date or (iv) is identified on **Exhibit D** hereto as a Contract to be assumed; provided, however, that nothing contained in the Plan shall constitute an admission by the Debtor that any such contract is an Executory Contract or that the Debtor or its successors and assigns has any liability thereunder. The Confirmation Order shall constitute an order of the Court approving the rejections described in this Article XVII.A, pursuant to section 365 of the Bankruptcy Code, as of the Effective Date.

**B. Deadline for Filing Proofs of Claim Relating to Executory Contracts Rejected Pursuant to the Combined Plan and Disclosure Statement**

If the rejection by the Debtor, pursuant to the Plan or otherwise, of an Executory Contract or Unexpired Leases gives rise to a Claim, a proof of Claim must be filed with the Claims Agent, at the following address: (i) if by mail, Fresh & Easy, LLC Claims Processing Center c/o Epiq Bankruptcy Solutions, LLC, P.O. Box 4421, Beaverton, OR 97076-4421; and (ii) if by messenger or overnight courier, Fresh & Easy, LLC Claims Processing Center, c/o Epiq Bankruptcy Solutions, LLC, 10300 SW Allen Blvd, Beaverton, OR 97005, by no later than thirty (30) days after the later of (i) notice of entry of the Confirmation Order, or (ii) other notice that the Executory Contract or Unexpired Lease has been rejected. Any proofs of Claim not filed and served within such time periods will be forever barred from assertion against the Debtor and its Estate. Unless otherwise ordered by the Court, all Claims arising from the rejection of Executory Contracts and Unexpired Leases shall be treated as General Unsecured Claims under the Combined Plan and Disclosure Statement.

**XVIII.  
CAUSES OF ACTION**

**A. Retention of Causes of Action**

**In accordance with section 1123(b) of the Bankruptcy Code, the Liquidating Trust shall retain and may enforce all rights to commence and pursue, as appropriate, the Liquidating Trust Claims, and the Liquidating Trust's rights to commence, prosecute or settle such Liquidating Trust Claims shall be preserved notwithstanding the occurrence of the Effective Date or the dissolution of the Debtor. The Liquidating Trust may pursue such Liquidating Trust Claims, as appropriate, in accordance with the best interests of the Liquidating Trust beneficiaries. No Entity may rely on the absence of a specific reference in the Combined Plan and Disclosure Statement to any Liquidating Trust Claims against them as any indication that the Liquidating Trust shall not pursue any and all available Liquidating Trust Claims against them.**

The Liquidating Trust expressly reserves all rights to prosecute any and all Liquidating Trust Claims against any Entity, except as otherwise expressly provided in the Combined Plan and Disclosure Statement. Unless any Liquidating Trust Claims against an Entity are expressly waived, relinquished, exculpated, released, compromised or settled in the Combined Plan and Disclosure Statement or a Court order, the Liquidating Trust expressly reserves all Liquidating Trust Claims for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppels (judicial, equitable or otherwise) or laches, shall apply to such Liquidating Trust Claims upon, after or as a consequence of the Confirmation or Consummation of the Combined Plan and Disclosure Statement.

**B. Reservation of Rights**

Except as specifically provided in the Combined Plan and Disclosure Statement or in the Confirmation Order, nothing contained in the Combined Plan and Disclosure Statement or in the Confirmation Order shall be deemed to be a waiver or relinquishment of any claim, cause of action, right of setoff, or other legal or equitable defense that the Debtor had immediately prior to the Petition Date, against or with respect to any claim left unimpaired by the Combined Plan and Disclosure Statement. The Debtor or the Liquidating Trust, as the case may be, shall have, retain, reserve and be entitled to assert all such claims, causes of action, rights of setoff or other legal or equitable defenses which they or any of them had immediately prior to the Petition Date fully as if the Chapter 11 Case had not been commenced, and all legal and equitable rights of the Debtor respecting any claim left unimpaired by the Combined Plan and Disclosure Statement may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Case had not been commenced. The Liquidating Trustee's right to commence and prosecute Causes of Action shall not be abridged or materially altered in any manner by reason of confirmation of the Combined Plan and Disclosure Statement. No defendant party to any Causes of Action brought by the Debtor or the Liquidating Trustee shall be entitled to assert any defense based, in whole or in part, upon confirmation of the Combined Plan and Disclosure Statement, and confirmation of the Combined Plan and Disclosure Statement shall not have any res judicata or collateral estoppel effect upon the commencement and prosecution of the Causes of Action.

**XIX.****CONDITIONS PRECEDENT TO CONFIRMATION AND CONSUMMATION OF THE PLAN****A. Conditions Precedent to Confirmation**

The following are conditions precedent to Confirmation, each of which must be satisfied:

- 1) the Confirmation Order will be in form and substance reasonably acceptable to the Plan Proponents;
- 2) the Confirmation Order will have been entered by the Court; and
- 3) any section of the Confirmation Order relating in any way to the YFE Parties or YFE Released Parties must be reasonably acceptable to the YFE Parties.

**B. Conditions Precedent to Effective Date**

The following are conditions precedent to the occurrence of the Effective Date, each of which must be satisfied or waived:

- 1) at least fourteen (14) days shall have passed since the Confirmation Date;

- 2) the Confirmation Order shall not be stayed, vacated or reversed and shall not have been amended without the agreement of the Plan Proponents;
- 3) the Confirmation Order shall have become a Final Order in full force and effect with no stay thereof then in effect, and which is not subject to a pending appeal, and with respect to which the time to appeal or seek review or rehearing or leave to appeal has expired and as to which no appeal or petition for review or rehearing was filed or, if filed, remains pending;
- 4) all actions, documents and agreements necessary to implement the provisions of the Combined Plan and Disclosure Statement to be effectuated on or prior to the Effective Date will be reasonably satisfactory to the Plan Proponents, and such actions, documents and agreements will have been effected or executed and delivered;

- 6) the Liquidating Trust will have been established and the Liquidating Trust Assets will have been transferred to and vested in the Liquidating Trust free and clear of all Claims and Liens, except as specifically provided in the Combined Plan and Disclosure Statement and the Liquidating Trust Agreement;
- 7) the Professional Fee Reserve, the WARN Reserve and the Administrative Claims Reserve will have been funded in Cash in full;
- 8) the Liquidating Trustee will have been appointed and assumed his rights and responsibilities under the Combined Plan and Disclosure Statement and the Liquidating Trust Agreement, as applicable;

- 11) the Settlement Payment shall be received by the Debtor.

**C. Establishing the Effective Date**

The calendar date to serve as the Effective Date shall be a Business Day of, on or following the satisfaction or waiver of all conditions precedent to the Effective Date, which date will be selected by the Debtor, after reasonable consultation with the Committee.

**D. Waiver of Conditions**

Each of the conditions precedent to the Effective Date set forth above may be waived in whole or in part by the Debtor without any other notice to parties in interest or the Court, provided that the Debtor has received the prior written consent of: (i) the Committee, and (ii) the YFE Parties (solely with respect to the conditions precedent to the Effective Date identified in B.(1)-(4) above), which consent will not unreasonably be withheld. The failure to satisfy or waive any condition to the Effective Date may be asserted by the Plan Proponents regardless of the circumstances giving rise to the failure of such condition to be satisfied. The failure of any party to exercise any of its foregoing rights will not be deemed a waiver of any of its other rights, and each such right will be deemed an ongoing right that may be asserted thereby at any time.

**XX.**

**RETENTION OF JURISDICTION**

**A. Retention of Jurisdiction**

Under sections 105(a) and 1142 of the Bankruptcy Code, and notwithstanding entry of the Confirmation Order, substantial consummation of the Plan and occurrence of the Effective Date, the Court will retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Case, the Combined Plan and Disclosure Statement, the Liquidating Trust Agreement and the Liquidating Trust to the fullest extent permitted by law, including, among other things, jurisdiction:

Except with respect to actions to approve the Settlement Agreement and implement the Plan, the Bankruptcy Court shall not have exclusive jurisdiction with respect to any matter relating to the YFE Released Parties.

**B. Retention of Non-Exclusive Jurisdiction by the Court**

Notwithstanding anything else in the Combined Plan and Disclosure Statement: (i) the Court will retain non-exclusive jurisdiction over all Liquidating Trust Claims prosecuted by the Liquidating Trust; and (b) except with respect to actions to approve the Settlement Agreement and implement the Plan, the YFE Released Parties do not consent, and are not deemed to have consented, to the jurisdiction of the Bankruptcy Court for any matter.

**XXI.**

**MISCELLANEOUS PROVISIONS**

**A. Amendments or Modifications of the Combined Plan and Disclosure Statement**

The Plan Proponents may alter, amend or modify the Combined Plan and Disclosure Statement and any Exhibits thereto under section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Date provided that the Debtor has received the prior written consent of the Committee, which consent will not unreasonably be withheld. After the Confirmation Date and prior to substantial consummation of the Combined Plan and Disclosure Statement as defined in section 1101(2) of the Bankruptcy Code, the Debtor may, under section 1127(b) of the Bankruptcy Code, institute proceedings in the Court to remedy any defect or omission or reconcile any inconsistencies in the Combined Plan and Disclosure Statement or the Confirmation Order, and to address such matters as may be necessary to carry out the purpose and effect of the Combined Plan and Disclosure Statement so long as such proceedings do not adversely affect the treatment of Holders of Claims under the Plan; provided, however, that prior notice of such proceedings shall be served in accordance with the Bankruptcy Rules or order of the Court.

Any amendment or modification of the Plan affecting any of the YFE Released Parties must be approved in writing by the YFE Parties.

**B. Severability of Plan Provisions**

Subject to the subsequent paragraph dealing with the YFE Released Parties, if, prior to Confirmation, any term or provision of the Combined Plan and Disclosure Statement is held by the Court to be invalid, void or unenforceable, then the Court, at the request of the Plan Proponents, will have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision will then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Combined Plan and Disclosure Statement will remain in full force and effect and will in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order will constitute a judicial determination and will provide that each term and provision of the Combined Plan and Disclosure Statement, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

If, prior to Confirmation, any term or provision of the Combined Plan and Disclosure Statement that affects the YFE Released Parties is held by the Court to be invalid, void or unenforceable, then the Court, at the request of the Plan Proponents and the YFE Released Parties, will have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and, subject to the consent of the YFE Released Parties, such term or provision will then be applicable as altered or interpreted.

**C. Successors and Assigns**

The rights, benefits and obligations of any Person or Entity named or referred to in the Combined Plan and Disclosure Statement will be binding on, and will inure to the benefit of, any heir, executor, administrator, successor or assign of that Person or Entity.

**D. Revocation, Withdrawal or Non-Consummation**

The Plan Proponents reserve the right to revoke or withdraw the Combined Plan and Disclosure Statement prior to the Confirmation Date and to file subsequent plans. If the Plan Proponents revoke or withdraw the Combined Plan and Disclosure Statement, or if Confirmation or consummation of the Combined Plan and Disclosure Statement does not occur, then (a) the Combined Plan and Disclosure Statement will be null and void in all respects, (b) any settlement or compromise embodied in the Combined Plan and Disclosure Statement (including the fixing or limiting to an amount certain of any Claim or Class of Claims), assumption or rejection of executory contracts or leases effected by the Combined Plan and Disclosure Statement, and any document or agreement executed pursuant to the Combined Plan and Disclosure Statement, except the Global Settlement and the Settlement Agreement as discussed in Article IV, will be deemed null and void, and (c) nothing contained in the Combined Plan and Disclosure Statement, and no acts taken in preparation for consummation of the Combined Plan and Disclosure Statement, will (i) constitute or be deemed to constitute a waiver or release of any Claims by or against, or any Interests in, the Debtor or any other Person or Entity, (ii) prejudice in any manner the rights of such Debtor or any other Person or Entity or (iii) constitute an

admission of any sort by the Debtor or any other Person or Entity. For the avoidance of doubt, the Global Settlement and the Settlement Agreement as discussed in Article IV of the Combined Plan and Disclosure Statement, if approved by the Bankruptcy Court, shall not be null and void. Moreover, to the extent the Plan Proponents withdraw the Plan, the Plan Proponents shall seek separate approval of the Global Settlement and the Settlement Agreement as set forth in the Settlement Agreement.

Neither the filing of the Combined Plan and Disclosure Statement, any statement or provision contained herein, or the taking of any action by the Debtor with respect to the Combined Plan and Disclosure Statement shall be or shall be deemed to be an admission or waiver of any rights of the Debtor, Holders of Claims or Equity Interest before the Effective Date.

### SETTLEMENT AND RELEASE AGREEMENT

This SETTLEMENT AND RELEASE AGREEMENT (the "Agreement") is made and entered into as of December 23, 2016, by and between the following parties (collectively, the "Parties," and each separately, a "Party"): (a) Fresh & Easy, LLC (the "Debtor"); (b) the Official Committee of Unsecured Creditors of Fresh & Easy, LLC (the "Committee"); (c) YFE Holdings, Inc. ("YFE"); Fresh Foods, LLC ("Fresh Foods"); FEFOS, LLC ("FEFOS"); Ronald W. Burkle, Ira L. Tochner, Robert P. Bermingham, and James W. Keyes (collectively with YFE, Fresh Foods, and FEFOS, the "YFE Parties"); and (d) The Yucaipa Companies, LLC ("Yucaipa").

WHEREAS, on October 30, 2015, the Debtor filed a voluntary petition for relief under Chapter 11 of the U.S. Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), which case is captioned as *In re Fresh & Easy, LLC*, Case No. 15-12220 (BLS) (Bankr. D. Del.) (the "Bankruptcy Case");

WHEREAS, the Debtor is authorized to operate its business and manage its assets as a debtor in possession pursuant to 11 U.S.C. §§ 1107(a) and 1108;

WHEREAS, on November 10, 2015, the Office of the United States Trustee appointed the Committee in the Bankruptcy Case pursuant to 11 U.S.C. § 1102;

WHEREAS, on May 31, 2016, the Committee filed an adversary proceeding against the YFE Parties in the Bankruptcy Court, which adversary proceeding is captioned as *The Official Committee of Unsecured Creditors of Fresh & Easy, LLC v. YFE Holdings, Inc., et al.*, Adv. No. 16-50993 (BLS) (the "Adversary Proceeding");

WHEREAS, on May 31, 2016, the Committee filed a motion in the Bankruptcy Case seeking derivative standing to pursue the Debtor's claims asserted in the Adversary Proceeding, which motion was subsequently granted by the Bankruptcy Court;

WHEREAS, the YFE Parties have denied and continue to deny all allegations of wrongdoing asserted by the Debtor, Committee and related entities associated with the Bankruptcy Case and Adversary Proceeding in all forms;

WHEREAS, the Parties participated in a voluntary and in-person mediation with mediator Jed Melnick on August 11, 2016. Following that mediation, numerous communications governed by the mediation privilege were exchanged in the ensuing weeks that eventually resulted in the Agreement, all under the auspices of mediator Jed Melnick;

WHEREAS, the Parties are entering into this Agreement solely for the purpose of resolving this matter and avoiding the time, expense, inconvenience, uncertainty and delay incident to protracted litigation, and thus the Agreement is not to be construed or interpreted as an admission of liability by any Party, person, or entity in any court or other adjudicative tribunal; and

WHEREAS, the Debtor and the Committee each represents that, in the exercise of its respective business judgment and given the uncertainty of the results of litigation, each believes

that the settlement provided herein is in the best interest of the Debtor's estates and its creditors and falls well within the range of reasonableness in the circumstances.

NOW, THEREFORE, in consideration of the foregoing recitals, the mutual covenants and promises contained in this Agreement, and other good and valuable consideration, the receipt and adequacy of which are hereby expressly acknowledged, the Parties agree as follows:

1. Court Approval. Subject to Paragraph 1(f) hereof, this Agreement shall be subject to approval by the Bankruptcy Court pursuant to Federal Rule of Bankruptcy Procedure 9019 in connection and concurrently with confirmation of a plan of liquidation in the Bankruptcy Case (the "Approval Order").

- a. The Parties agree that this Agreement and the releases contained herein are not effective unless and until the Bankruptcy Court enters a final and non-appealable order approving the Agreement as defined below ("Final Order").
- b. For purposes of this Agreement, a Final Order as referenced in (a) above shall mean a final order of the Bankruptcy Court (x) (i) as to which the time to appeal shall have expired and as to which no appeal shall then be pending, or (ii) if a timely appeal has been filed or sought, any appellate court having jurisdiction to hear such appeal or motion (or any subsequent appeal or motion to seek review, rehearing, or certiorari) shall have affirmed the district court's (or lower appellate court's) order affirming the order of the Bankruptcy Court or the appeal otherwise shall have been dismissed, and the time allowed to appeal from such affirmance or to seek review, rehearing, or certiorari thereof shall have expired, and the taking or granting of any further hearing, appeal or petition for certiorari shall not be permissible and (y) as to which the time to file a motion for stay or modification of such order shall have expired and as to which no stay or modification of such order shall then be pending or otherwise in effect.
- c. Each of the Parties shall use reasonable, good-faith efforts to prepare, finalize, and support the settlement reflected herein and implement it as part of consummation of the Plan, provided that the Plan is consistent with the terms of this Agreement. In addition to the obligations of law that good faith imposes on the Parties, it also means that the Parties shall not support any proposed plan or disclosure statement that is inconsistent with the terms of this Agreement. The Approval Order shall be in a form reasonably acceptable to the YFE Parties; provided, however, that if the terms of the Approval Order are part of the order confirming the Chapter 11 Plan (the "Confirmation Order"), the Confirmation Order must be reasonably acceptable to the YFE Parties to the extent it impacts, implements or describes the terms of this Agreement.
- d. The Committee shall request that the Approval Order contain a provision (the "Bar Provision") barring any person or entity (a "Barred Person") from commencing, prosecuting, asserting, or maintaining: (i) claims against any of

the YFE Released Parties as that term is defined in Paragraph 7 of this Agreement where the claims are the property of the Debtor's bankruptcy estate, were or could have been asserted by the Debtor, the Committee, or the bankruptcy estate, or are derivative claims of the Debtor, the Committee, or the bankruptcy estate, including those claims that arise from or relate to the claims asserted or that could have been asserted in the Adversary Proceeding; and (ii) any claims for indemnity or contribution brought against any of the YFE Released Parties and relating to the claims and allegations set forth in the Committee's complaint filed in the Adversary Proceeding. With respect to claims for indemnity or contribution, it shall not matter whether such claims are explicitly characterized as claims for indemnity or contribution, but rather the Barred Person must look to the underlying nature of the claim, including where the injury to the Barred Person is the liability of the Barred Person to another person or entity arising out of or relating to the claims or allegations released pursuant to this Agreement, whether arising under state, federal, or foreign laws as claims, cross-claims, counterclaims, or third-party claims ("Barred Third Party Claim"). Any joint tortfeasor barred pursuant to this Bar Provision shall be entitled to a judgment reduction (*i.e.*, setoff) to the extent provided for by applicable law. *See, e.g.*, Cal. Code Civ. Proc. § 877. The proposed Bar Provision shall be in a form reasonably acceptable to the Parties.

- e. On or before February 1, 2017, the Committee and the Debtor shall (i) prepare and file a proposed Chapter 11 plan and disclosure statement (collectively, the "Chapter 11 Plan") in Bankruptcy Court, which will seek as part of the Chapter 11 Plan confirmation process approval of the terms of this Agreement; and (ii) request that the Bankruptcy Court set a confirmation hearing date for the Chapter 11 Plan on the same date as the hearing on the Settlement Motion. The Parties shall not propose and shall not support any proposed plan or disclosure statement that is inconsistent with the terms of this Agreement, and this Agreement shall be attached to the Chapter 11 Plan and shall be incorporated by reference and constitute a material part of the Chapter 11 Plan. The terms and conditions of the proposed Chapter 11 Plan and confirmation order with respect to the YFE Parties shall be consistent with the terms of this Agreement and otherwise acceptable to the YFE Parties. The Parties shall use reasonable, good-faith efforts to prepare, finalize and support the Chapter 11 Plan. In addition to the obligations of law that good faith imposes on the Parties, the Parties shall not support any aspect of the Chapter 11 Plan that is inconsistent with the terms of this Agreement. Moreover, the Chapter 11 Plan shall provide that the YFE Released Parties will be released from any claims held by any holder of a claim against or interest in the Debtor in such holder's individual capacity (an "Individual Claim"), to the same extent as the YFE Released Parties would be released under Section 7 of this Agreement, unless such holder affirmatively opts out from granting the YFE Released Parties a release of an Individual Claim (collectively, the "Chapter 11 Individual Releases").

- f. For the avoidance of doubt, this Agreement and the settlement reflected herein are not contingent on the approval or effectiveness of a Chapter 11 Plan. The Debtor, the Committee and the YFE Parties shall (i) provide in the Chapter 11 Plan and related motions/pleadings that such motions/pleadings constitute notice of approval of the Agreement in the event the Chapter 11 Plan is not confirmed or does not become effective by May 30, 2017; and (ii) promptly seek approval of the Agreement in the event the Chapter 11 Plan is not confirmed or does not become effective by May 30, 2017. Notwithstanding the foregoing, the Parties shall use their commercially reasonable efforts to obtain entry of the Confirmation Order and cause the Chapter 11 Plan to become effective by May 30, 2017. Notwithstanding the foregoing, if the Debtor and Committee determine in their reasonable discretion, after consulting with the YFE Parties, or if YFE determines in its reasonable discretion, after consulting with the Debtor and Committee, that the Chapter 11 Plan will not be confirmed and become effective by May 30, 2017, the Parties may seek approval of the Agreement outside of the confirmation process.

2. Settlement Effective Date. This Agreement shall be effective (the "Settlement Effective Date") upon the date that the Approval Order becomes a Final Order. In the event the Chapter 11 Plan is confirmed on the terms and conditions described herein and includes the provisions of this Agreement, the Confirmation Order shall be the Approval Order and the Settlement Effective Date shall be the date the Confirmation Order becomes a Final Order. In the event the Bankruptcy Court enters an order approving the Agreement outside of the Chapter 11 Plan pursuant to Paragraph 1(f) herein, that order shall be the Approval Order for purposes of this Agreement. Within twenty-four (24) hours of the Effective Date, the YFE Parties shall notify their Insurers of such Effective Date.

3. No Admission of Liability. By entering into this Agreement, none of the Parties admits the allegations or contentions of any other Party, and each Party is entering into this Agreement for the sole purpose of resolving this matter and avoiding the time, expense, inconvenience and delay incident to protracted litigation. All Parties agree that there is no assurance of any favorable outcome to any pending or threatened litigation or defenses. By entering into this Agreement, none of the Parties is agreeing that the YFE Released Parties acted wrongfully in any way.

4. Settlement Payment. No later than fifteen (15) business days after the Committee provides YFE with written notice of the Settlement Effective Date, the YFE Parties (and/or their insurers) shall make payment in the total amount of \$21,500,000 in consideration of this Agreement and the Chapter 11 Individual Releases (the "Settlement Payment") by wire transfer to the Debtor, using the following wire instructions:

Beneficiary Bank Name:	Wells Fargo Bank, N.A.
Beneficiary Account Name:	Fresh & Easy, LLC
Beneficiary Account Number:	4941768954
Beneficiary Routing Number:	121000248
Beneficiary Bank Contact Person:	Charlene Cortez

Beneficiary Bank Contact No.: 415-243-7592  
Beneficiary Bank Address: 420 Montgomery Street  
San Francisco, CA 94104

Alternatively, the Settlement Payment may be made by check payable to the Debtor and sent to:

Fresh & Easy LLC  
Howard Hughes Center  
6080 Center Drive, 6th Floor  
Los Angeles, 90045, USA

Upon execution of this Agreement, the Debtor shall provide the YFE Parties with a completed Form W-9. Upon receipt of the Settlement Payment, the Debtor shall promptly provide written notice to the Committee and the YFE Parties. However, the YFE Parties' obligation to make the Settlement Payment shall be expressly subject to and conditional upon the Insurers' Payment of the amounts due under their "Respective Contributions" as set forth in the separate settlement agreement (the "YFE/Insurers Agreement") with the YFE Parties' Insurers. YFE has provided a copy of the YFE/Insurers Agreement to Jed Melnick, subject to the mediation privilege. Mr. Melnick will retain a copy of the YFE/Insurers Agreement until the Settlement Payment has been made to the Debtor.

To the extent that any portion of the Settlement Payment is funded with proceeds of insurance policies under which the Debtor is also an Insured, such payments shall reduce the Limits of Liability under such policies in like amount and the Approval Order shall contain a provision to this effect.

The Chapter 11 Plan shall provide that \$2,500,000 (the "Release Consideration") of the Settlement Payment shall be expressly earmarked solely for those general unsecured creditors who do not opt-out (the "Releasing Creditors") of the Chapter 11 Individual Releases provided herein and to be incorporated into the Chapter 11 Plan, which Release Consideration shall be distributed on a pro-rata basis to such Releasing Creditors.

6. PACA/PASA Liability. YFE and the Debtor shall equally divide and be responsible for any claims, damages, or other liability arising from or relating to any actual or alleged violations involving the Debtor of the Perishable Agricultural Commodities Act, 7 U.S.C. § 499a *et seq.* and/or the Packers and Stockyards Act, 7 U.S.C. § 181 *et seq.* (“PACA/PASA Liability”) as long as the total sum of the PACA/PASA does not exceed \$200,000. That sum shall be exclusive of attorneys’ fees and costs. If the PACA/PASA Liability exceeds \$200,000, the Parties shall agree to meet and conduct a good faith negotiation to discuss the appropriate allocation between the Parties of that liability in excess of \$200,000. If the Parties cannot agree on such allocation after a good faith negotiation, the Parties agree to equally divide any PACA/PASA Liability in excess of \$200,000 in equal shares between the Debtor and YFE. The

Parties recognize that the total sum of the PACA/PASA Liability may not be determined until the conclusion of litigation or dispute resolution regarding those claims. Further, regardless of whether the PACA/PASA Liability exceeds \$200,000 or not, the Parties agree to exercise best efforts to cooperate with each other in the defense of all claims, issues and matters that relate to the PACA/PASA Liability, including settlement and the filing motions and pleadings that are reasonably acceptable to the Parties. With respect to such cooperation, the Parties agree to exercise a common interest and/or joint defense agreement to protect all applicable privileges to the greatest extent that the law permits. With respect to cooperation in any settlement of the PACA/PASA Liability claims, if the Parties cannot agree on a reasonable settlement amount after reasonable negotiations, then the Parties shall select the settlement amount that is the midpoint between YFE's proposed settlement amount and the Debtor's proposed settlement amount. In the defense of PACA/PASA Liability claims, the Parties will each bear their own respective attorneys' fees, costs and related expenses.

7. Releases by the Debtor and the Committee. Upon the Debtor's receipt of the Settlement Payment, the Debtor, the Committee, and the Debtor's bankruptcy estate on behalf of themselves, and each of their predecessors, successors, affiliates, each and every member of the Committee, current and former members, partners, shareholders, officers, directors, managers, agents, employees, consultants, attorneys, and representatives, fully release and forever discharge the YFE Parties and Yucaipa, together with each of their predecessors, successors, and current and former affiliates, members, partners, shareholders, officers, directors, managers, agents, employees, attorneys (including Gibson, Dunn & Crutcher, LLP), insurers, reinsurers, and representatives, including, but not limited to, Peter McPhee, Stephanie Bond, Steve Mortensen, Derex Walker, Henry Orren, Mary Kasper, Mark Orr, Tom Dahlen, Terrence Wallock, and Catherine Schneider (collectively, the "YFE Released Parties"), from any and all claims, causes of action, damages, debts, liabilities, obligations, promises, and agreements, of any nature whatsoever, known or unknown, suspected or unsuspected, asserted or unasserted, fixed or contingent, matured or unmatured, liquidated or unliquidated, direct or derivative, that are related to the Debtor, the Committee, or the Bankruptcy Case, including, but not limited to, all claims asserted in or that could have been asserted in, and those that are related to, or contingent upon, the Adversary Proceeding and any claims in any way related to the operation of the Debtor's business and related entities, including Fresh Foods and FEFOS, and any claims or assertions made by the Committee in correspondence to the YFE Released Parties or its insurers, including, but not limited to, that correspondence sent by Eric Madden of Reid Collins & Tsai LLP dated March 24, 2016, and April 8, 2016. For the absence of doubt, each and every member of the Committee agrees it shall not "opt-out" of the Agreement, and shall be bound by the release provision set forth in Section 7, herein. As a material provision and covenant of this Agreement, the Committee warrants and represents that it has the authority, consent and ability to bind each and every member of the Committee to the Agreement, and in particular, the release provisions contained in Section 7, herein. Moreover, nothing in this Agreement releases: (a) any Party from its obligations under this Agreement or its liability for breach of any term, warranty, or representation in this Agreement; or (b) any claims that the Committee or its members may have against the Debtor or its estate, so long as such claim does not give rise to any claim against the YFE Released Parties or their insurers. No later than three (3) business days after the Debtor's receipt of the Settlement Payment, the Committee shall dismiss with prejudice the Adversary Proceeding.

8. Releases by the YFE Parties and Yucaipa. Upon the Debtor's receipt of the Settlement Payment and the Committee's dismissal with prejudice of the Adversary Proceeding, the YFE Parties and Yucaipa on behalf of themselves, and each of their predecessors, successors, and current and former affiliates, members, partners, shareholders, officers, directors, managers, agents, employees, consultants, attorneys (including Gibson, Dunn & Crutcher, LLP), and representatives, including, but not limited to, the YFE Released Parties, with the exception of their insurers and reinsurers (collectively, the "YFE Releasing Parties"), fully release and forever discharge the Debtor, the Committee, and the Debtor's bankruptcy estate, together with each of their predecessors, successors, affiliates, and current and former members, partners, shareholders, officers, directors, managers, agents, employees, attorneys, and representatives, from any and all claims, causes of action, damages, debts, liabilities, obligations, promises, and agreements, of any nature whatsoever, known or unknown, suspected or unsuspected, asserted or unasserted, fixed or contingent, matured or unmatured, liquidated or unliquidated, direct or derivative, related to the Debtor, the Committee, or the Bankruptcy Case, including, but not limited to, all claims asserted in or that could have been asserted in, and those that are related to, or contingent upon, the Adversary Proceeding and any claims in any way related to the operation of the Debtor's business and related entities, including Fresh Foods and FEFOS (the "Estate Released Parties"). The releases in this paragraph include, but are not limited to, the following:

- a. Any claims in the Bankruptcy Case filed by or scheduled on behalf of any of the YFE Parties, including: (i) the nonpriority unsecured claim in the amount of \$89,462,027.00 (plus any accrued interest or fees) scheduled on behalf of YFE; (ii) the nonpriority unsecured claim in the amount of \$9,415,096.00 (plus any accrued interest or fees) scheduled on behalf of Fresh Foods; (iii) the nonpriority unsecured claim in the amount of \$4,902,183.00 (plus any accrued interest or fees) scheduled on behalf of FEFOS; (iv) the priority unsecured claim in an unknown amount (plus any accrued interest or fees) scheduled on behalf of James W. Keyes; (v) the nonpriority unsecured claim in the amount of \$438,065.39 (plus any accrued interest or fees) scheduled on behalf of Fresh & Easy Campus Produce Cut Fruit, to the extent that such entity is owned or controlled by any of the YFE Parties; and (vi) the nonpriority unsecured claim in the amount of \$596,057.02 (plus any accrued interest or fees) scheduled on behalf of Fresh & Easy Kitchen-Kitchen SC, to the extent that such entity is owned or controlled by any of the YFE Parties;
- b. Any claims in the Bankruptcy Case filed by or scheduled on behalf of Yucaipa;
- c. Any claims arising from or relating to any fees or expenses incurred by the YFE Parties in connection with the Bankruptcy Case, including in connection with any debtor-in-possession financing for the Debtor (the "DIP Financing"), and including any legal fees incurred by Gibson, Dunn & Crutcher, LLP, and other counsel; provided that upon entry of the Approval Order, any obligations of the YFE Parties in connection with the DIP Financing shall be terminated;
- d. Any claims by any of the YFE Parties relating to their employment by the Debtor, including any claims for unpaid wages, severance, indemnity, or expense reimbursement;

- e. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any of the following agreements: (i) the Secured Promissory Note dated November 25, 2013, and as subsequently amended and restated, made by Fresh Foods in favor of Tesco Treasury Services, PLC; (ii) the Guaranty dated November 25, 2013, and as subsequently reaffirmed, made by the Debtor to guarantee the obligations under the foregoing promissory note; and (iii) the Transitional Services Agreement dated November 13, 2013, and as subsequently amended and modified, entered into between YFE and Tesco Stores Limited;
- f. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any of the following: (i) the Consulting Services Agreement dated November 25, 2013, entered into between YFE and FAEMF, LLC; (ii) any services provided by FAEMF, LLC to YFE or the Debtor; and (iii) any services provided by Yucaipa to YFE or the Debtor;
- g. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any of the following: (i) any guaranties of store leases entered into by YFE or the Debtor; and (ii) the Debtor's use of any property owned or leased by YFE, FEFOs, or Fresh Foods;
- h. Any claims arising from or relating to any of the accounts receivable listed in the schedule attached to this Agreement as Exhibit A;
- i. Any claims arising from or relating to any of the deposits, tax payments, insurance refunds, letters of credit, or retainers listed on the schedule attached to this Agreement as Exhibit B;
- j. Any claims or liability, including based on contribution or indemnity, arising from or relating to the Trademark License Agreement dated April 3, 2014, entered into between Yucaipa and the Debtor; and
- k. Any claims or liability by the YFE Parties, including based on contribution or indemnity, arising from or relating to any actual or alleged violations involving the Debtor of the Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101 *et seq.* and/or California Labor Code § 1400 *et seq.*, subject to the Debtor's obligations under Paragraph 5 of this Agreement.

Nothing in this Agreement, however, releases any Party from its obligations under this Agreement or its liability for breach of any term, warranty, or representation in this Agreement. To the extent that any YFE Releasing Party, other than any of the YFE Parties or Yucaipa, asserts a claim against the Debtor in derogation of this Agreement and does not withdraw such claim within ten days of receipt of written request by the Debtor or the Committee, such YFE Releasing Party shall thereafter be excluded from the definition of YFE Released Parties set forth herein. For avoidance

of doubt, nothing about the foregoing provision allows any of the YFE Parties or Yucaipa to assert any claims against the Estate Released Parties that have been released pursuant to this Agreement.

9. Waiver of Unknown Claims and California Civil Code § 1542. The Parties acknowledge and agree that the foregoing releases are intended to and do operate as a full and final release of all such claims that: (a) the Debtor, the Committee, or the Debtor's bankruptcy estate may have against the YFE Parties, Yucaipa, or the YFE Released Parties; and (b) the YFE Parties, Yucaipa, or the YFE Released Parties may have against the Debtor, the Committee, or the Debtor's bankruptcy estate. Each of the Parties waives its rights under Section 1542 of the California Civil Code, which provides as follows:

**A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.**

Each of the Parties hereby agrees, represents and warrants that it realizes and acknowledges that factual matters now unknown to it may have given or may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses that are presently unknown, unanticipated and unsuspected, and each of the Parties further agrees, represents and warrants that this Agreement has been negotiated and agreed upon in light of that realization and that, except as expressly limited above, each of the Parties nevertheless hereby intends to release and discharge the other Parties from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses arising from or relating to any and all claims, disputes and other issues related to the subject matter of this Agreement.

10. Antitrust Claims. YFE, Fresh Foods, and FEFOS represent and warrant that they have no reason to believe that any claims or causes of action against third parties based on state or federal antitrust law (the "Antitrust Claims") related to the Debtor, its stores, or its operations, including related to the time period prior to the Debtor's acquisition of such stores and operations, have been assigned or otherwise transferred by the Debtor to any other person or entity since November 26, 2013.

11. Additional Representations and Warranties. Each of the Parties represents and warrants that: (a) it negotiated this Agreement at arm's length; (b) it participated in jointly drafting this Agreement and that any rule which construes ambiguities against the drafter is of no force or effect here; (c) it is represented by competent counsel who have had the opportunity to review this Agreement; (d) it enters into this Agreement knowingly and voluntarily; (e) the person executing this Agreement on its behalf is legally competent and able to execute this Agreement; (f) the person executing this Agreement on its behalf has the power and authority to enter into this Agreement, subject to the approval of this Agreement by the Bankruptcy Court; and (g) this Agreement is binding on their successors and assigns, including any trustee.

12. Governing Law and Venue. The Parties agree that this Agreement shall be governed by, interpreted under, and enforced in accordance with the laws of the State of Delaware, without regard to the principles of conflicts of laws. Any disputes related to or arising out of this

Agreement, including any action to enforce this Agreement, shall be brought only in the Bankruptcy Court. The Parties hereby consent to jurisdiction and venue in the Bankruptcy Court for any such action.

13. Attorney's Fees and Expenses. Each of the Parties shall bear its own attorney's fees and expenses arising prior to the execution of this Agreement, provided that the Committee shall be entitled to seek payment of its attorney's fees and expenses from the Debtor's estate pursuant to 11 U.S.C. §§ 327 and 328. In the event that a Party takes action to enforce any provision of this Agreement, the prevailing Party in such an action shall be entitled to recover its reasonable attorney's fees and expenses from the opposing Party in the action.

5. Objections to confirmation of the Combined Plan and Disclosure Statement not timely filed and served in accordance with the provisions of the prior paragraph may not be considered by the Court and may be overruled.

6. Deadline for Objections to Claims for Voting Purposes Only. The deadline for filing and serving objections to claims that may affect the tabulation of votes on the Plan shall be **March 16, 2017 at 4:00 p.m. (prevailing Eastern Time)** (the “Claims Objection Deadline”). Claim objections filed after the Claims Objection Deadline shall not affect a claim holder’s right to vote on the Plan. Such Claims Objection Deadline shall not apply to claim objections which may be asserted for purposes other than voting on the Plan.

7. In order to be considered, Claims Objections must: (a) be made in writing; (b) comply with the Bankruptcy Code, the Bankruptcy Rules and the Local Rules; (c) state the name and address of the party asserting the Claims Objection; (d) state with particularity the legal and factual bases for the Claims Objection; and (e) be filed with the Court, and served on the Notice Parties, so as to be received no later than the Claims Objection Deadline. Claims Objections not timely filed and served in accordance with the foregoing provision may not be considered by the Court and may be overruled.

8. Deadline and Procedures for Temporary Allowance of Claims for Voting Purposes. The deadline for filing and serving motions pursuant to Bankruptcy Rule 3018(a) seeking temporary allowance of claims for the purpose of accepting or rejecting the Plan (“Rule 3018(a) Motions”) shall be **March 30, 2017 at 4:00 p.m. (prevailing Eastern Time)** (the “Rule 3018(a) Motion Deadline”).

9. In order to be considered, Rule 3018(a) Motions must: (a) be made in writing; (b) comply with the Bankruptcy Code, the Bankruptcy Rules and the Local Rules; (c) state the name and address of the party asserting the Rule 3018(a) Motion; (d) state with particularity the legal and factual bases for the Rule 3018(a) Motion; and (e) be filed with the Court, and served on the Notice Parties, so as to be received no later than the Rule 3018(a)

Motion Deadline. Rule 3018(a) Motions not timely filed and served in accordance with the foregoing provision may not be considered by the Court and may be overruled.

10. Any party timely filing and serving a Rule 3018(a) Motion shall be provided a Ballot (as defined below) and shall be permitted to cast a provisional vote to accept or reject the Plan, pending a final determination by the Court. If, and to the extent that, the Debtor and such party are unable to resolve the issues raised by the Rule 3018(a) Motion prior to the Confirmation Hearing, such Rule 3018(a) Motion shall be considered by the Court at the Confirmation Hearing, and the Court shall determine whether the provisional ballot should be counted as a vote on the Plan, and, if so, the amount, if any, in which the party filing the Rule 3018(a) Motion will be entitled to vote.

11. Treatment of Certain Unliquidated, Contingent or Disputed Claims for Notice, Voting and Distribution Purposes. Pursuant to section 105(a) of the Bankruptcy Code, Bankruptcy Rules 2002(a)(7) and 3003(c)(2) and this Court's order [Docket No. 69] (the "Bar Date Order") establishing certain deadlines (the "Bar Dates") for filing proofs of claim against the Debtor, including a General Bar Date, Governmental Bar Date, Administrative Claims Bar Date, and Rejection Bar Date (as such terms are defined in the Bar Date Order), any creditors whose claims (a) are scheduled in the Debtor's schedules of assets and liabilities (as the same may be amended, the "Schedules") as disputed, contingent or unliquidated and which are not the subject of a timely-filed proof of claim, or a proof of claim deemed timely filed with the Bankruptcy Court pursuant to either the Bankruptcy Code or any order of the Court, or otherwise deemed timely filed under applicable law; or (b) are not scheduled and are not the subject of a timely-filed proof of claim, or a proof of claim deemed timely filed with the Bankruptcy Court pursuant to either the Bankruptcy Code or any order of the Court, or otherwise deemed timely

filed under applicable law (collectively, the “Non-Voting Claims”), shall be denied treatment as creditors with respect to such claims for purposes of (a) voting on the Plan, (b) receiving distributions under the Plan and (c) receiving notices, other than by publication, regarding the Plan.

12. Voting Procedures. For purposes of voting, the amount of a claim used to calculate acceptance or rejection of the Plan under section 1126 of the Bankruptcy Code shall be determined in accordance with the following hierarchy:

- a. if an order has been entered by the Court determining the amount of such claim, whether pursuant to Bankruptcy Rule 3018 or otherwise, then in the amount prescribed by the order;
- b. if no such order has been entered, then in the liquidated amount contained in a timely-filed proof of claim that is not the subject of an objection as of the Claims Objection Deadline; and
- c. if no such proof of claim has been timely filed, then in the liquidated, noncontingent and undisputed amount contained in the Debtor’s Schedules.

13. For purposes of voting, the following conditions shall apply to determine the amount and/or classification of a claim:

- a. if a claim is partially liquidated and partially unliquidated, such claim shall be allowed for voting purposes only in the liquidated amount;
- b. if a scheduled or filed claim has been paid, in full or in part, only the undisputed unpaid amount of such claim, if any, is permitted to vote to accept or reject the Plan;
- c. if a timely-filed proof of claim is filed as wholly unliquidated, contingent, disputed, and/or for an unknown amount (as determined on the face of the claim or after a reasonable review of the supporting documentation by the Voting Agent) and is not the subject of an objection as of the Claims Objection Deadline, such claim shall be temporarily allowed for voting purposes only, and not for purposes of allowance or distribution, at \$1.00;

- d. if the Debtor has served an objection or request for estimation by the Claims Objection Deadline, such Claim is temporarily disallowed for voting purposes only and not for purposes of allowance or distribution, except to the extent and in the manner as may be set forth in such objection, or as ordered by the Court before the Voting Deadline;
- e. proofs of claim filed for \$0.00 are not entitled to vote;
- f. notwithstanding anything to the contrary contained herein, any creditor who has filed or purchased duplicate Claims within the same Voting Class shall be provided with only one Solicitation Package and one ballot for voting a single claim in such Class, regardless of whether the Debtor has objected to such duplicate claims;
- g. if a proof of claim has been amended by a later filed proof of claim, only the later filed amending claim will be entitled to vote, regardless of whether the Debtor has objected to such earlier filed claim; and
- h. for purposes of the numerosity requirement of section 1126(c) of the Bankruptcy Code separate claims held by a single creditor in a particular Class shall be aggregated as if such creditor held one claim against the Debtor in such Class, and the votes related to such claims shall be treated as a single vote to accept or reject the Plan.

14. Record Date. The record date for purposes of determining (a) creditors and equity holders entitled to receive Solicitation Packages and related materials, if any, and (b) creditors entitled to vote to accept or reject the Plan and the creditors' corresponding claims, shall be **February 15, 2017** (the "Record Date").

15. Notice and Transmittal of Solicitation Packages Including Ballots and Non-Voting Packages and Approval of Forms of Notice and Ballot. The Confirmation Hearing Notice, substantially in the form attached hereto as Exhibit A, complies with the requirements of Bankruptcy Rules 2002(b), 2002(d) and 3017(d) and Local Rule 3017-2 and is approved in all respects. Within five (5) business days after the entry of this Order by the Court, the Debtor

shall mail or cause to be mailed by first-class mail to all of its known creditors and equity security holders, as reflected in the Debtor's books and records, and all other entities required to be served under Bankruptcy Rules 2002 and 3107, the Confirmation Hearing Notice.

16. Non-Voting Packages. The Debtor shall mail or cause to be mailed by first-class mail to (a) holders of claims in Class 1 (Wells Fargo Secured Claim), Class 2 (Other Miscellaneous Secured Claims), and Class 3 (Priority Non-Tax Claims) under the Plan, which classes are unimpaired, are deemed to have accepted the Plan and are not entitled to vote, a copy of the Notice of Non-Voting Status With Respect to Unimpaired Classes, substantially in the form attached hereto as Exhibit B-1; and (b) holders of claims or interests in Class 5 (Subordinated Claims) and Class 6 (Equity Interest) under the Plan, which classes are impaired, are deemed to have rejected the Plan and are not entitled to vote, a copy of the Notice of Non-Voting Status With Respect to Impaired Classes, substantially in the form attached hereto as Exhibit B-2 (each a "Non-Voting Notice" and, each Non-Voting Notice together with the Confirmation Hearing Notice, a "Non-Voting Package"). The Notice of Non-Voting Status With Respect to Unimpaired Classes, substantially in the form of Exhibit B-1, and the Notice of Non-Voting Status With Respect to Impaired Classes, substantially in the form of Exhibit B-2, are hereby approved. Further, the Non-Voting Packages are hereby deemed to constitute adequate alternative disclosure statements to impaired non-voting classes under section 1125(c) of the Bankruptcy Code and summary plans under Bankruptcy Rule 3017(d).

17. Solicitation Packages. The Debtor shall mail or cause to be mailed by first-class mail to holders of claims in Class 4 (General Unsecured Claims) under the Plan, who are entitled to vote on the Plan, an information and solicitation package (the "Solicitation Package"). The Solicitation Package shall contain copies or conformed printed versions of:

(i) the Combined Plan and Disclosure Statement; (ii) a copy of the Interim Approval and Procedures Order; (iii) the Confirmation Hearing Notice; (iv) a copy of IRS Form W-9; and (v) a letter from the Committee setting forth its recommendations with respect to the Plan. In addition, each Solicitation Package also shall contain a Ballot (and a pre-addressed return envelope) appropriate for the specific creditor, in substantially the form of the proposed ballot attached hereto as Exhibits C (as such ballot may be modified and with instructions attached thereto, the “Ballot”), which form of Ballot is hereby approved.

18. The Debtor, at its discretion, may provide the Combined Plan and Disclosure Statement and the Interim Approval and Procedures Order in the form of a CD-ROM in an Adobe Acrobat (PDF) standard format, rather than in paper copies. Parties may submit a written request to the Voting Agent if they prefer paper copies of the Disclosure Statement and Plan and all such requests shall be fulfilled.

19. Creditors who have filed duplicate claims in Class 4 (i) shall receive only one Solicitation Package and one Ballot for voting their claims with respect to Class 4; and (ii) shall be entitled to vote their claim only once with respect to Class 4.

20. When No Notice or Transmittal Necessary. Notwithstanding any provision of this Order to the contrary, no notice or service of any kind shall be required to be made upon any person to whom the Debtor mailed a notice of the meeting of creditors under section 341 of the Bankruptcy Code or notice of the bar date for filing proofs of claim and received either of such notices returned by the United States Postal Service marked “undeliverable as addressed,” “moved—left no forwarding address,” “forwarding order expired” or similar marking or reason, unless the Debtor has been informed in writing by such person of that person’s new address.

21. The Debtor shall not re-mail undelivered Solicitation Packages or other undeliverable solicitation-related notices that were returned marked “undeliverable as addressed,” “moved—left no forwarding address,” “forwarding order expired” or similar marking or reason, unless the Debtor has been informed in writing by such person of that person’s new address. If a Solicitation Package is returned by the post office as undeliverable and contains a forwarding address, the Solicitation Package shall be forwarded to the new address.

22. Publication Notice. The Debtor shall publish notice of the Confirmation Hearing, substantially in the form attached hereto as Exhibit D, once within ten (10) business days after the entry of the Interim Approval and Procedures Order in (a) the national edition of *The Wall Street Journal*, *The New York Times* or *USA Today*; and (b) the *Los Angeles Times*.

23. Voting Deadline. To be counted, Ballots for accepting or rejecting the Plan must be received by the Voting Agent by **4:00 p.m. (Pacific Time) on April 17, 2017** (the “Voting Deadline”). The Plan Proponents are hereby authorized to extend, in their sole discretion, by oral or written notice to the Voting Agent, the period of time during which Ballots will be accepted for any reason from any creditor or class of creditors.

24. Procedures for Vote Tabulation; Votes Counted. Any Ballot that is properly executed and timely received, and that is cast as either an acceptance or rejection of the Plan, shall be counted and shall be deemed to be cast as an acceptance or rejection, as the case may be, of the Plan. The failure of a holder of a claim in Class 4 to timely deliver an executed Ballot shall be deemed to constitute an abstention by such holder with respect to voting on the Plan, and such abstention will not be counted as a vote for or against the Plan.

25. For purposes of voting, classification and treatment under the Plan, at the election of the Debtor, (i) each holder of a claim that holds or has filed more than one claim

against the Debtor in an impaired class shall be treated as if such holder has only one claim against the Debtor in each applicable class; and (ii) the claims filed by such holder against the Debtor shall be aggregated in each applicable class.

26. For purposes of the Record Date, no transfer of claims pursuant to Bankruptcy Rule 3001 shall be recognized unless either (i) (a) documentation evidencing such transfer was filed with the Court on or before twenty-one (21) days prior to the Record Date and (b) no timely objection with respect to such transfer was filed by the transferor; or (ii) the parties to such transfer waived the twenty-one (21) day period in the evidence of transfer and the evidence of transfer was docketed prior to the Record Date.

27. Procedures for Vote Tabulation; Votes Not Counted. Unless otherwise ordered by the Court after notice and a hearing, the following Ballots shall not be counted or considered for any purpose in determining whether the Plan has been accepted or rejected and/or the opt-out election selected:

- a. any Ballot received after the Voting Deadline (unless extended by the Plan Proponents as provided herein);
- b. any Ballot that is illegible or contains insufficient information to permit the identification of the claimant;
- c. any Ballot cast by a person or entity that does not hold a claim in a class that is entitled to vote to accept or reject the Plan;
- d. any Ballot cast for a claim scheduled as contingent, unliquidated or disputed or as zero or unknown in amount and for which no Rule 3018(a) Motion has been filed by the Rule 3018(a) Motion Deadline;
- e. any Ballot that indicates neither an acceptance nor a rejection, or indicates both an acceptance and rejection, of the Plan;
- f. any Ballot that casts part of its vote in the same class to accept the Plan and part to reject the Plan;

- g. any form of Ballot other than the official form sent by the Voting Agent, or a copy thereof;
- h. any Ballot received that the Voting Agent cannot match to an existing database record;
- i. any Ballot that does not contain an original signature;
- j. any Ballot that is submitted by facsimile, email or by other electronic means; or
- k. any Ballot sent to the Chief Restructuring Officer or the Plan Proponents or their respective professionals.

28. Neither the Plan Proponents, the Voting Agent, nor any other person or entity shall be under any duty to provide notification of defects or irregularities with respect to delivered Ballots. Rather, the Voting Agent may either disregard, with no further notice, defective Ballots, or it may attempt to have defective Ballots cured.

29. The Plan Proponents, subject to any contrary order of the Court and except as otherwise set forth herein, may waive any defects or irregularities as to any particular Ballot at any time, either before or after the Voting Deadline, and any such waivers shall be documented in the Voting Certification prepared by the Voting Agent.

30. Withdrawal of Vote. Any party who has delivered a valid Ballot for the acceptance or rejection of the Plan may withdraw, subject to the Debtor's right to contest the validity of such withdrawal, such acceptance or rejection by delivering a written notice of withdrawal to the Voting Agent at any time prior to the Voting Deadline. A notice of withdrawal, to be valid, shall (a) contain the description of the claim(s) to which it relates and the aggregate principal amount represented by such claim(s), (b) be signed by the withdrawing party in the same manner as the Ballot being withdrawn, (c) contain a certification that the withdrawing party owns the claim(s) and possesses the right to withdraw the Ballot sought to be withdrawn, and (d) be timely received by the Voting Agent prior to the Voting Deadline.

31. Changing Votes. Notwithstanding Bankruptcy Rule 3018(a), whenever two or more Ballots are cast voting the same claim(s) prior to the Voting Deadline, the last valid Ballot received prior to the Voting Deadline shall be deemed to reflect the voter's intent and thus supersede any prior Ballots, without prejudice to the Debtor's right to object to the validity of the later Ballot on any basis permitted by law, including under Bankruptcy Rule 3018(a), and, if the objection is sustained, to count the first dated Ballot for all purposes.

32. No Division of Claims or Votes. A creditor who votes must vote the full amount of each claim voted either to accept or reject the Plan; and each creditor who votes and holds multiple claims within Class 4 must vote all such claims to either accept or reject the Plan. The Ballots of creditors failing to vote in the manner specified in this paragraph shall not be counted for any purpose.

33. Classes Deemed to Reject. The holders of claims in Classes 5 and 6 shall be deemed to have rejected the Plan, and the Debtor is not required to solicit votes on the Plan from such holders.

34. Certification of Vote. The Voting Agent shall file its voting certification (the "Voting Certification") on or before **April 20, 2017 at 5:00 p.m. (prevailing Eastern Time)**. The Debtor shall serve such Voting Certification on all parties having requested notice in the Chapter 11 Case pursuant to Bankruptcy Rule 2002, and post such Voting Certification on the Debtor's case website (<http://dm.epiq11.com/FRE>) as soon as practicable after the Voting Certification is filed.

35. Filing of Plan Supplement(s). The Debtor shall file any Plan Supplement(s) on or before **April 7, 2017**, and shall post any such Plan Supplement(s) on the Debtor's case website.

36. Service and Notice Adequate and Sufficient. Service of all notices and documents described herein in the time and manner set forth herein shall constitute due, adequate and sufficient notice, and no other or further notice shall be necessary.

37. The Debtor is authorized to make nonsubstantive changes to the Combined Plan and Disclosure Statement, the Ballot, the Notices of Non-Voting Status and related documents without further order of the Court, including, without limitation, changes to correct typographical and grammatical errors and to make conforming changes among the Combined Plan and Disclosure Statement and any other related materials prior to their mailing to parties in interest.

38. The Court shall retain jurisdiction to implement, interpret and effectuate the provisions of this Order.

The Committee's decision to support the Plan was made in consultation with its professionals after considering numerous factors, as discussed below.

### ***Background Information***

As set forth in the Combined Plan and Disclosure Statement, on October 30, 2015, Fresh & Easy filed for protection under Chapter 11 of the Bankruptcy Code. On November 10, 2015, the United States Trustee for the District of Delaware appointed the Committee to represent the interests of unsecured creditors. The Committee consists of DPI Specialty Foods, Inc., United Natural Foods West, Inc., Ignited, LLC, JBS USA, Ryder Integrated Logistics, Empress Group, and MJL Capital Partners, LLC. The Committee retained Fox Rothschild, LLP as its bankruptcy counsel; Reid, Collins, Tsai, LLP as its special litigation counsel; and Province, Inc. as its financial advisor.

Over the past 15 months, the Committee has actively pursued the interests of unsecured creditors in order to maximize your distributions in the case and obtain a fair recovery. As set forth in Article III.D.8 of the Disclosure Statement, the Committee conducted an extensive investigation and inquiry into potential estate claims relating to the transfer of the Debtor's fee-owned real estate to an affiliate of the Debtor's equity holder and other potential insider claims. The Committee obtained standing to pursue claims on behalf of the Debtor and, on May 31, 2016, it filed an action against Ronald W. Burkle, Yucaipa, YFE, Fresh Foods, FEFOS, and certain other parties (the "YFE Parties"). Following extensive mediation, the Committee and the YFE Parties reached a Global Settlement, the terms of which are detailed in Article IV

---

<sup>1</sup> All defined terms used herein have the meanings set forth in the *Combined Disclosure Statement and Joint Chapter 11 Plan of Liquidation for Fresh & Easy, LLC* [Dkt. #1831], Case #15-12220-BLS, United States Bankruptcy Court for the District of Delaware.

of the Disclosure Statement. Under that settlement, the YFE Parties will make a payment to the Debtor's estate in the total amount of \$21.5 million, of which \$2.5 million will be expressly earmarked for those general unsecured creditors who do *not* opt-out of certain Chapter 11 Individual Releases provided in the Settlement Agreement and incorporated into the Plan. This \$21.5 million recovery will allow the Estate to make distributions to unsecured creditors as described below. In addition, under the Global Settlement, the YFE parties have agreed to waive over \$100 million of claims against Fresh & Easy which would have diluted unsecured creditor recoveries, and they have agreed to pay for portions of certain priority and administrative claims asserted by third parties and that would otherwise have reduced distributions to unsecured creditors.

Absent the settlement, litigation of the Committee's claims will be a complex, lengthy and expensive process requiring costly expert analysis and testimony, extensive motion practice and a potentially long and expensive trial and possible appeals. The likelihood of success of such litigation, and the collection of any judgment, is uncertain. Consequently, distributions to creditors will be uncertain and delayed absent approval of the settlement.

### ***Distributions Under the Plan***

The Committee and Fresh & Easy have jointly proposed the Plan to implement the Global Settlement. In addition, the Plan provides for the Debtor's assets to be liquidated over time and for the proceeds of any assets already liquidated, or to be liquidated, to be distributed to Holders of Allowed Claims in accordance with the terms of the Plan and the priority of claims provisions of the Bankruptcy Code. The Plan also contemplates the creation of a trust for the benefit of all Holders of Allowed General Unsecured Claims. Except as provided by order of the Court, distributions will occur on the Distribution Date or as soon thereafter as practicable and at various intervals thereafter.

Article VIII of the Disclosure Statement summarizes the treatment of claims and estimated recoveries in this case. As set forth therein, the Plan proponents have estimated that, over time, recoveries to Holders of Allowed Class 4 Claims (General Unsecured Claims) will be approximately 14%-26% of their allowed claims.

As noted above, Holders of Allowed Class 4 Claims may choose to opt-out of certain Chapter 11 Individual Releases under the Plan. No breakdown of distributions between creditors who opt-out and those who do not can be estimated until creditors submit Ballots indicating their opt-out elections. The aggregate estimated recovery percentage includes the Release Consideration. Holders of Claims in Class 4A (*e.g.*, Class 4 Creditors who make an opt-out election) will forego any Distribution from the \$2.5 million in Release Consideration and, consequently, may receive less than the estimated recovery as a result of the allocation of the Release Consideration to Holders of Allowed Claims in Class 4B (*e.g.*, Class 4 Creditors who do not make an opt-out election).

The figures set for above are only estimates. Actual recoveries may be higher or lower than projected depending upon, among other things, the amounts and priorities of Claims that are actually Allowed in the Chapter 11 Case, the outcome of any litigation, including any causes of action that are being pursued, and the cash received from monetizing remaining assets.

### ***Voting Instructions and Solicitation Materials***

We have provided you with a Solicitation Package including a ballot that you can use to vote to accept or reject the Plan and instructions for completing and retuning the ballot. Additional information regarding the Plan will also be filed with the Court in the form of Plan Supplements to be submitted no later than 10

days before the Voting Deadline. The materials contained in the Solicitation Package, the Combined Plan and Disclosure Statement, the Plan Supplements, and additional information are also available at: <http://dm.epiq11.com/#/case/FRE/info>.

***Disclaimers***

The Committee has taken into account the interests of the unsecured creditor body as a whole. It does not represent the interests of any particular unsecured creditor. And notwithstanding our recommendation, you must make your own, independent determination as to whether the Plan is acceptable to you. You must also make your own decisions regarding your individual opt-out rights under the Plan. To that end, before voting, you are strongly encouraged to carefully read and review the entire Combined Plan and Disclosure Statement, including the risk factors set forth at Article VI, the provisions governing the treatment of Class 4 set forth at Article X.A.4, the summary information regarding creditor recoveries set forth at Article VIII, the provisions regarding the opt-out election at Articles IV and XII.A.4.c, and all other documents and information provided to you. You should also consult with your own legal and/or financial advisors in making your decision regarding the Plan.

Sincerely,

**Article XVI.A.1. - Releases by the Debtor**

Pursuant to the Plan, as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, the Debtor, and any Person or Entity seeking to exercise the rights of the Debtor’s Estate, including, without limitation, any successor to the Debtor, any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code or the Liquidating Trust, whether pursuing an action derivatively or otherwise, shall be deemed to forever release, waive and discharge all liabilities, claims, actions, proceedings, causes of action, Avoidance Actions, suits, accounts, controversies, agreements, promises, rights to legal remedies, right to equitable remedies, rights to payment, or Claims whatsoever (other than for fraud, willful misconduct or gross negligence) in connection with or related to the Debtor, the Chapter 11 Case, the Store Closing Sales or the Combined Plan and Disclosure Statement (other than the rights of the Debtor and the Liquidating Trustee to enforce the Plan and the contracts, instruments, releases and other agreements or documents delivered thereunder), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise,

that are based in whole or part on any act, omission, transaction, event or other occurrence taking place on or prior to the Confirmation Date, against (a) the CRO, the Debtor's and Committee's Professionals and the Debtor's and Committee's Court-retained agents, including, but not limited to FTI Consulting, Inc., (b) the Special Committee, (c) any of the successors or assigns of any of the parties identified in the foregoing clauses (a) and (b); provided, however, that the release described in this paragraph shall not be a waiver of any defense, offset or objection to any Claim Filed against the Debtor and its Estate by any Person or Entity.

**Article XVI.A.2 - Consensual Third Party Releases by Certain Holders of Claims and Interests**

As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, (a) all Holders of Claims (except Holders of Claims in Class 4A who timely exercised their opt-out election to such releases set forth herein) and (b) all Holders of Interests shall be deemed to forever release, waive and discharge the Released Parties of all claims, obligations, suits, judgments, damages, demands, debts, rights, remedies, causes of action and liabilities of any nature whatsoever in connection with or related to the Debtor, the Chapter 11 Case, and/or the Combined Plan and Disclosure Statement, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or hereafter arising, in law, equity, or otherwise that are or may be based in whole or in part upon any act, omission, transaction, event, or other occurrence taking place or existing on or prior to the Effective Date (other than the rights of a Creditor holding an Allowed Claim to enforce the obligations under the Confirmation Order and the Plan); provided, however, that nothing in this section shall operate as a release, waiver or discharge of any causes of action or liabilities unknown to such person as of the Petition Date arising out of gross negligence, willful misconduct, fraud or criminal acts of any such released party as determined by a Final Order.

**Article XVI.A.3 - Exculpation and Limitation of Liability**

Except as otherwise specifically provided in the Combined Plan and Disclosure Statement, none of (a) Debtor, (b) the current and former directors, officers and managers of the Debtor, (c) employees or agents of the Debtor, (d) attorneys, financial advisors, accountants, investment bankers, investment advisors, consultants, agents, representatives and other Professionals of the Debtor, (e) the CRO, (f) the Special Committee, (g) the Committee and its Professionals and, solely in their respective capacities as members or representatives of the Committee, each member of the Committee, or (h) any of the successors or assigns of any of the parties identified in the foregoing clauses (a) through (g) shall have or incur, and each is hereby released and exculpated from, any liability, whether known, unknown, reduced to judgment, not reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured and whether asserted or assertable directly or derivatively in law or equity to any Holder of a Claim or an Interest, or any other party in interest, or any of their respective members, directors,

officers, employees, advisors, attorneys, professionals, agents, partners, stockholders or affiliates, or any of their respective successors or assigns, for any act or omission in connection with, relating to or arising out of, the Chapter 11 Case, the Store Closing Sales, assets sales, the negotiation and implementation of the Settlement Agreement, the formulation, negotiation or implementation of the Combined Plan and Disclosure Statement, the solicitation of acceptances of the Plan, the pursuit of Confirmation of the Plan, the Confirmation of the Plan, the consummation of the Plan, or the administration of the Plan or the property to be distributed under the Plan, except for acts or omissions which are the result of fraud, gross negligence or willful misconduct, and such parties in all respects will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities under the Combined Plan and Disclosure Statement. Moreover, for the avoidance of doubt, this exculpation only applies to any acts or omissions of the exculpated parties that occurred on and after the Petition Date.

Notwithstanding any other provision of the Combined Plan and Disclosure Statement, no Holder of a Claim or an Interest, no other party in interest, none of their respective members, directors, officers, employees, advisors, attorneys, professionals, agents, partners, stockholders or affiliates, and none of their respective successors or assigns, shall have any right of action against: (a) Debtor, (b) the current and former directors, officers and managers of the Debtor, (c) employees or agents of the Debtor, (d) attorneys, financial advisors, accountants, investment bankers, investment advisors, consultants, agents, representatives and other Professionals of the Debtor, (e) the CRO, (f) the Special Committee, (g) the Committee and its Professionals and, solely in their respective capacities as members or representatives of the Committee, each member of the Committee, or (h) any of the successors or assigns of any of the parties identified in the foregoing clauses (a) through (g), for any act or omission in connection with, relating to or arising out of, the Chapter 11 Case, the Store Closing Sales, asset sales, the negotiation and implementation of the Settlement Agreement, the formulation, negotiation or implementation of the Combined Plan and Disclosure Statement, solicitation of acceptances of the Plan, the pursuit of Confirmation of the Plan, the Confirmation of the Plan, the consummation of the Plan, or the administration of the Plan or the property to be distributed under the Plan, except for acts or omissions which are the result of fraud, gross negligence or willful misconduct. Moreover, for the avoidance of doubt, this paragraph only applies to any acts or omissions of such protected parties that occurred on and after the Petition Date.

#### **Article XVI.B - Injunction**

Confirmation of the Plan will have the effect of, among other things, permanently enjoining (a) all Entities or Persons that have held, hold or may hold or have asserted, assert or may assert Claims against or Equity Interests in the Estate with respect to any such Claim or Equity Interest, and (b) respecting (vi)(A) and (vi)(B) of this paragraph, the Estate and the Liquidating Trust, from and after the Effective Date, from taking any of the following actions (other than actions to enforce any rights or obligations

under the Combined Plan and Disclosure Statement): (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Estate or the Liquidating Trust or any of its or their property on account of such Claims or Interests; (ii) enforcing, levying, attaching (including, without limitation, any pre-judgment attachment), collecting or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree or order against the Estate or the Liquidating Trust or any of its or their property on account of such Claims or Interests; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Estate or the Liquidating Trust or any of its or their property on account of such Claims or Interests; (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Estate or the Liquidating Trust or any of its or their property, except with respect to any right of setoff asserted prior to the entry of the Confirmation Order, whether asserted in a Proof of Claim or otherwise, or as otherwise contemplated or allowed by the Plan; (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; and (vi) prosecuting or otherwise asserting (A) any Claim or Interest, including any right, claim or Cause of Action, released pursuant to the Plan, or (B) any form of objection to any Claim that is Allowed by the Plan; provided, however, that this injunction will not apply to the commencement or continuation of an action or proceeding by a governmental unit to which section 362(b)(4) of the Bankruptcy Code would be applicable. Additionally, unless otherwise explicitly stated in the Plan, the injunction contemplated by this paragraph will prohibit the assertion against the Liquidating Trust, the Liquidating Trustee, the Liquidating Trust Committee, and the YFE Released Parties of all Claims or Interests, if any, related to the Debtor (and in addition, with respect to the YFE Released Parties, the assertion by any Entity of any Claims and Interests described as being released in the Settlement Agreement).

Confirmation of the Plan will further have the effect of permanently enjoining all Persons and Entities from obtaining any documents or other materials from current counsel for the Debtor and the Committee that are in the possession of such counsel as a result of or arising in any way out of their representations of the Debtor and/or the Committee, except in accordance with Article XIII of the Combined Plan and Disclosure Statement.

#### Article XVI.C - Bar Provision

In accordance with the terms of the Settlement Agreement, the confirmation of the Plan shall have the effect of barring any Barred Person from commencing, prosecuting, asserting, or maintaining: (i) claims against any of the YFE Released Parties where the claims are the property of the Debtor's bankruptcy estate, were or could have been asserted by the Debtor, the Committee, or the bankruptcy estate, or are derivative claims of the Debtor, the Committee, or the bankruptcy estate, including those claims that arise from or relate to the claims asserted or that could have been asserted in the Adversary Proceeding (as defined in the Settlement Agreement); and

(ii) any claims for indemnity or contribution brought against any of the YFE Released Parties and relating to the claims and allegations set forth in the Committee's complaint filed in the Adversary Proceeding. With respect to claims for indemnity or contribution, it shall not matter whether such claims are explicitly characterized as claims for indemnity or contribution, but rather the Barred Person must look to the underlying nature of the claim, including where the injury to the Barred Person is the liability of the Barred Person to another person or entity arising out of or relating to the claims or allegations released pursuant to the Settlement Agreement, whether arising under state, federal, or foreign laws as claims, cross-claims, counterclaims, or third-party claims. Any joint tortfeasor barred pursuant to this Bar Provision shall be entitled to a judgment reduction (i.e., setoff) to the extent provided for by applicable law. See, e.g., Cal. Code Civ. Proc. § 877.

#### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

*Example.* Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

## What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose name you entered in Part I of Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation. Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

**Line 2**

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

**Line 3**

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

**Line 4, Exemptions**

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

**Line 5**

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

**Line 6**

Enter your city, state, and ZIP code.

**Part I. Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [IRS.gov](http://IRS.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

**Part II. Certification**

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.
2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.
4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records from Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 1-877-IDTHEFT (1-877-438-4338).

Visit [IRS.gov](http://IRS.gov) to learn more about identity theft and how to reduce your risk.

**Privacy Act Notice**

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
