

The Debtors' operations, finance, and accounting systems were primarily designed and used to manage their business operations with a secondary focus on the creation of consolidated and consolidating financial statements. As such, certain assets, liabilities, or cash payments may have been reported on one legal entity in the Schedules and Statements, while the beneficiary of the transaction may have been another Debtor.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

**The Schedules, Statements and Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of any of the Debtors. Due to numerous unliquidated, contingent, and/or disputed claims, summary statistics in the Schedules, Statements, and Global Notes are likely not an accurate representation of the Debtors' liabilities. The Schedules and Statements remain subject to further review by the Debtors.**

In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

Note Title	Note
Description of the Cases	<p>On February 27, 2017 (the "<u>Petition Date</u>"), the Debtors each filed a voluntary petition for relief under the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (the "<u>Bankruptcy Court</u>"). The Chapter 11 Cases are being jointly administered under Case No. 17-31146. On March 21, 2017, the United States Trustee for the Southern District of Texas appointed an official committee of unsecured creditors under Bankruptcy Code Section 1102(a)(1).</p> <p>The Debtors continue to operate their business and manage their properties as debtors in possession under Bankruptcy Code sections 1107(a) and 1108. Each Debtor's fiscal year ends on December 31 with the exception of EMAS Saudi Arabia Ltd. which has a fiscal year end of August 31. All asset information, except where otherwise noted, is as of the Petition Date. The liability information, except where otherwise noted, is as of the close of business on the Petition Date. All bank cash balances are as of the Petition Date.</p>
Reservation of Rights	While the Debtors' management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and

	<p>Statements, and inadvertent errors or omissions may have occurred. In addition, while the Debtors have generated financial data that the Debtors believe to be reasonable, actual assets and liabilities may deviate from the Schedules and Statements due to certain events that occur throughout the duration of these Chapter 11 Cases. As the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete. The Debtors reserve all rights to amend the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this or the preceding paragraph.</p> <p>Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Chapter 11 Cases, including, but not limited to, issues involving substantive consolidation, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.</p>
Recharacterization	<p>The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors’ business, the Debtors may have improperly characterized, classified, categorized, or designated certain items. In addition, certain items reflected in the Schedules and Statements could be included in more than one category. The Debtors thus reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available, including whether contracts listed in the Schedules were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.</p>
Amendment	<p>Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is</p>

	necessary and appropriate.
Specific Notes	The fact that the Debtors have prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any or all of the Debtors' remaining Schedules or Statements, as appropriate. These Global Notes are in addition to the specific notes set forth in the individual Schedules and Statements. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.
Summary of Significant Reporting Policies	<p>(a) <u>Currency</u>. Unless otherwise indicated, all amounts are reflected in U.S. dollars. In the ordinary course of business, the Debtors are billed for certain liabilities in non-U.S. currencies.</p> <p>(b) <u>Undetermined Amounts</u>. The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.</p> <p>(c) <u>Current Market Value and Net Book Value</u>. In many instances, current market valuations are neither maintained by, nor readily ascertainable by the Debtors. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors' property interests that are not maintained or readily ascertainable. Accordingly, except as otherwise stated, each asset of the Debtors is shown on the basis of the net book value of the asset in the Debtors' non-audited accounting books and records, as of close of business on the Petition Date, rather than current market values, and may not reflect the net realizable value. Exceptions to this include operating cash and certain other assets. Operating cash is presented at book balances as of the Petition Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. For this reason, amounts ultimately realized will vary, potentially materially, from net book value. Additionally, the amount of certain assets and liabilities may be "undetermined," and, thus, ultimate assets and liabilities may differ materially from those stated in the Schedules and Statements. The Debtors reserve their right to amend or adjust the value of each asset or liability set forth herein.</p> <p>(d) <u>Totals</u>. All totals that are included in the Schedules and Statements</p>

	<p>represent totals of all the known, liquidated amounts included in the Schedules and Statements.</p> <p>(e) <u>Paid Claims</u>. The Debtors were authorized (but not directed) to pay certain outstanding prepetition claims pursuant to various orders entered by the Bankruptcy Court (collectively, the “<u>First Day Orders</u>”). To the extent the Schedules and Statements fail to reflect any such payments or the Debtors in the future, pay claims listed in the Schedules and Statements pursuant to orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities.</p> <p>(f) <u>Liens</u>. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.</p> <p>(g) <u>Unliquidated Claim Amounts</u>. Claim amounts that could not be fairly quantified by the Debtors are scheduled as “unliquidated.”</p>
Basis of Presentation	<p>The Schedules and Statements are unaudited and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“<u>GAAP</u>”), or financial statements prepared in accordance with International Financial Reporting Standards (“<u>IFRS</u>”) and they are not intended to be fully reconciled to the Debtors’ financial statements.</p> <p>Unlike consolidated financial statements, the Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors’ books and records and historical financial statements.</p>
Estimates	<p>To close the books and records of the Debtors, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of their assets, liabilities, revenue, and expenses. Accordingly, in some instances, as noted in the Schedules and Statements, the Debtors have used estimated amounts where actual data as of the Petition Date was not available.</p>
Confidential or Sensitive Information	<p>There may be instances in the Schedules and Statements where the Debtors have deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Typically, the Debtors have used this approach because of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of, or otherwise preserving the confidentiality</p>

	of personally identifiable information with respect to, an individual.
Causes of Action	Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.
Description of Claims	Schedules D, E, and F permit each Debtor to designate a claim as “disputed,” “contingent,” and/or “unliquidated.” The Debtors have made reasonable efforts to properly classify claims as “disputed,” “contingent,” or “unliquidated,” where applicable. Any failure to designate a claim in the Schedules and Statements as “contingent,” “unliquidated,” or “disputed” does not constitute an admission by the Debtors that such claim or amount is not “contingent,” “unliquidated,” or “disputed.” The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on the Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as “contingent,” “unliquidated,” or “disputed.” Listing a claim does not constitute an admission of liability by the Debtors. Moreover, the Debtors reserve all of their rights to amend the Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
Liabilities	<p>The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.</p> <p>The liabilities listed on the Schedules do not reflect any analysis of</p>

	claims under Bankruptcy Code section 503(b)(9). Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under Bankruptcy Code section 503(b)(9) or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.
Excluded Assets and Liabilities	The Debtors have excluded certain categories of assets from the Schedules and Statements which might be included for GAAP and/or IFRS reporting purposes, such as tax accruals, and liabilities, including employee benefit accruals, accrued accounts payable, and deferred gains. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims may exist. In addition, certain immaterial assets and liabilities may have been excluded.
Intellectual Property Rights	Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.
Property and Equipment	<p>Unless otherwise indicated, owned property and equipment are stated at net book value as of the Petition Date. The Debtors account for their assets using the historical cost method of accounting.</p> <p>The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in Schedule G. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.</p>
Interest in Subsidiaries and Affiliates	The Schedules have included the Debtors estimated net book value of such interests. Interests in subsidiaries arise from stock ownership. Schedule A/B, Question 15 includes each Debtor's ownership interests in its related affiliates. A corporate organization chart depicting the ownership structure of the Debtors and their non-Debtor affiliates is attached to Schedule A/B Part 4, Question 15 as Exhibit 1.

Umbrella Or Master Service Agreements	Contracts listed in the Schedules and Statements may be umbrella or master service agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement. These master service agreements have been listed in Schedule G, but do not reflect any decision by the Debtors as to whether or not such agreements are executory in nature.
Leases	The Debtors have not included in the Schedules and Statements the future obligations under any capital or operating leases.
Insiders	<p>The Debtors have attempted to include all payments made over the 12 months preceding the Petition Date to any party deemed an “insider.” For these purposes, “insider” is defined as (a) directors, (b) senior level officers, (c) equity holders holding in excess of 5% of the voting securities of the Debtors, (d) Debtor affiliates, and (e) relatives of any of the foregoing (to the extent known by the Debtors).</p> <p>Persons listed as “insiders” have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person’s influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including the federal securities laws and Bankruptcy Code section 101(31), or with respect to any theories of liability or for any other purpose. The listing of a party as an “insider” does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. As such, the Debtors reserve all rights with respect to the foregoing issues.</p>
Payments by One Debtor on Behalf of Another Debtor	The financial affairs and business of the Debtors are complex. Prior to the Petition Date, the Debtors participated in a consolidated cash management system through which certain payments were made by one entity on behalf of another. Certain payments in the Schedules and Statements may have been made prepetition by one entity on behalf of another entity. The Debtors’ intercompany accounts reflect the net position of both the receipts and disbursements received or made on behalf of other Debtors.

Intercompany Claims and Transfers	<p>Receivables and payables among the Debtors in these cases (each an “<u>Intercompany Receivable</u>” or “<u>Intercompany Payable</u>”) are reported in the Schedules. To the extent that a Debtor owes an Intercompany Payable, it is reported on Schedule F as a liability of such Debtor. To the extent a Debtor has an Intercompany Receivable, it is reported on Schedule B, Question 11 as an asset of such Debtor. While the Debtors have used reasonable efforts to ensure that the proper intercompany balances are attributed to each legal entity, all rights to amend these items on the Schedules and Statements are reserved.</p> <p>The Debtors reserve all of their rights with respect to the intercompany balances listed in the analysis, including, but not limited to, the appropriate characterization of such intercompany balances and the amounts of such balances. The Debtors have not made any attempt to analyze the nature, or composition, of these intercompany balances.</p> <p>The Debtors have listed all Intercompany Payables as unsecured nonpriority claims on Schedule F for each applicable Debtor, but reserve their rights, except as otherwise may be agreed to pursuant to a stipulation filed with the Bankruptcy Court, to later change the characterization, classification, categorization, or designation of such claims, including by designating all or any portion of the amounts listed as secured.</p>
Real Property	<p>The Debtors own a tract or parcel of land being approximately 119 acres in San Patricio County, State of Texas together with all Improvements (the “<u>Ingleside Spoolbase</u>”). The Ingleside Spoolbase is a deepwater support facility as well as a pipeline fabrication base designed to serve the onshore and offshore pipelay and subsea construction needs of the Gulf of Mexico and Mexico’s Bay of Campeche.</p> <p>The Debtors are continuing their review of all relevant documents and reserve the right to amend all Schedules at a later time as necessary, or otherwise recharacterize their interests in such real property at a later date. Further, the Debtors may have listed certain assets as real property when such holdings are, in fact, in the nature of personal property holdings or executory contracts, or the Debtors may have listed certain assets as personal property assets when such holdings are, in fact, real property holdings. The Debtors reserve all of their rights, but shall not be required, to recategorize and/or recharacterize such asset holdings at a later time to the extent that the Debtors determine that such holdings were improperly listed.</p> <p>The Debtors’ failure to list any rights in real property on Schedule A</p>

	<p>should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.</p>
Personal Property	<p>Personal property owned by any of the Debtors is listed in Schedule B for the applicable individual Debtor.</p> <p>To the extent that the Debtors have not been able to identify the actual physical location of certain personal property, the Debtors have reported the address of that individual Debtor's principal place of business.</p> <p>The Debtors are continuing their review of all relevant documents and reserve the right to amend all Schedules at a later time as necessary, or otherwise recharacterize their interests in such personal property at a later date. Further, due to the volume of the Debtors' real and personal property holdings, the Debtors may have listed certain assets as real property when such assets are in fact personal property, or the Debtors may have listed certain assets as personal property when such assets are in fact real property. The Debtors reserve all of their rights to recategorize and/or recharacterize such asset holdings to the extent the Debtors determine that such holdings were improperly listed.</p> <p>The Debtors' failure to list any rights in personal property on Schedule B should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.</p>
Creditors Holding Secured Claims	<p>While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule secured claims of each of the Debtors, and although reasonable efforts have been made to ensure the accuracy of Schedule D, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule D.</p> <p>The Debtors' investigation into their various potential lien liabilities is ongoing, and certain claims for which the Debtors may ultimately determine they have no liability have been scheduled as "contingent" claims. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the extent, validity, priority, perfection, enforceability, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have listed claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any</p>

	<p>such transaction or any document or instrument (including, without limitation, any intercreditor or intercompany agreement) related to such creditor's claim. The inclusion of a claim on Schedule D does not constitute an admission that value exists to support all or any part of such claim. Claims listed on Schedule D are not included on Schedule E/F notwithstanding that some portion or all of such claim may ultimately be determined to be unsecured.</p> <p>In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. If a Debtor is a guarantor with respect to a scheduled claim of another Debtor, the claim will be labeled "Contingent."</p> <p>The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.</p> <p>Except as specifically stated herein, real property lessors, utility companies, and other parties which may hold security deposits have not been listed on Schedule D. The Debtors have not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtors, or inchoate statutory lien rights.</p> <p>Certain of the Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D. However, the Debtors reserve all of their rights to amend Schedule D in the future to the extent the Debtors determine that any claims associated with such agreements should be properly reported on Schedule D. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed in Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including to argue that an agreement listed in Schedule G may be treated as a secured financing agreement, rather than an executory contract or unexpired lease. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract.</p>
--	---

Creditors Holding Unsecured Priority Claims	<p>The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under Bankruptcy Code section 507. Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtors that such claim is a prepetition tax claim. The Debtors' investigation into their various tax liabilities is ongoing, and, as a result, certain claims for which the Debtors may ultimately determine they have no liability have been scheduled as "contingent" claims. The inclusion on Schedule E of such tax claims is not intended to be an acknowledgement of the validity, amount and/or priority of any such claim. The Debtors reserve all of their rights to dispute the validity, amount, and/or the priority status of any claim on any basis at any time.</p> <p>The Bankruptcy Court entered a First Day Order granting authority to the Debtors to pay certain prepetition employee wage and other obligations in the ordinary course (the "<u>Employee Wage Order</u>"). Pursuant to the Employee Wage Order, the Debtors believe that any priority claims of current employees and related tax obligations for prepetition amounts have been or will be satisfied, and such satisfied amounts are therefore not listed on Schedule E/F.</p>
Creditors Holding Unsecured Nonpriority Claims	<p>While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule unsecured claims at each of the Debtors, and although reasonable efforts have been made to ensure the accuracy of Schedule E/F, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule E/F.</p> <p>Schedule E/F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the Debtors' books and records as may be required in accordance with applicable accounting policies.</p> <p>The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact, including when goods were delivered and/or services were rendered. Although reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive at this time, therefore, the Debtors do not list a date for certain claims listed on Schedule E/F. Accordingly, the actual amount of claims against the Debtors may vary from the</p>

	<p>represented liabilities. Parties in interest should consult their own professionals and/or advisors with respect to pursuing a claim.</p> <p>Schedule E/F contains information regarding potential and pending litigation involving the Debtors. Schedule F does not include certain contingent claims against the Debtors on account of obligations that may be performed by the Debtors in the future. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor. In certain instances, the amount that is the subject of the litigation is uncertain or undetermined. The dollar amount of potential claims associated with any such pending litigation is listed as “undetermined” and marked as contingent, unliquidated, and disputed in the Schedules and Statements.</p> <p>Schedule F includes the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.</p> <p>The claims of individual creditors for, among other things, goods, services, or taxes listed on the Debtors’ books and records may not reflect credits or allowances due from such creditors. The Debtors reserve all of their rights in respect of such credits or allowances. The dollar amounts listed may be exclusive of contingent or unliquidated amounts.</p> <p>Unless the Debtor was required to pay ancillary costs, such as freight, miscellaneous fees, and taxes, such costs are not included in the liabilities scheduled, as such amounts do not represent actual liabilities of the Debtors.</p>
--	--

Executory Contracts	<p>While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents.</p> <p>Unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument or other document is listed thereon.</p> <p>In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.</p> <p>In the ordinary course of business, the Debtors may have issued numerous purchase or work orders for supplies, product, and related items which, to the extent that such purchase orders constitute executory contracts, are not listed individually on Schedule G. The Debtors take no position as to whether the purchase or work orders are separate or indivisible from the master service agreements, nor make any claim as to whether the purchase or work orders are executory or non-executory. To the extent that goods were delivered under purchase orders prior to the Petition Date, vendors' claims with respect to such delivered goods are included on Schedule E/F.</p> <p>As a general matter, certain of the Debtors' executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.</p>
---------------------	--

	<p>Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance, and atonement agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth in Schedule G.</p> <p>In the ordinary course of business, the Debtors have entered into employment agreements (the “<u>Employment Agreements</u>”) with a large number of non-insider employees located both inside and outside of the U.S. The Debtors estimate that over 350 Employment Agreements exist. As inclusion of the Employee Agreements would be unduly burdensome, and potentially expose sensitive personnel information, the Employment Agreements have not been included in Schedule G.</p> <p>Listing a contract, agreement, or lease on Schedule G does not constitute an admission that such contract, agreement, or lease is an executory contract or unexpired lease under section 365 of the Bankruptcy Code or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights, claims, defenses, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor’s claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, to dispute whether any agreement is executory or non-executory, and to amend the schedule as necessary.</p>
Co-Debtors	<p>In the ordinary course of business, the Debtors have guaranteed certain obligations and liabilities. In some instances, the transactions and guaranties are reflected elsewhere in the Schedules and Statements. The Debtors may not have identified certain guaranties that are embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments, and other agreements. Further, certain of the guaranties reflected on Schedule H may be expired or may no longer be enforceable. The Debtors reserve their right to amend Schedule H to the extent that additional guaranties are identified or such guaranties are discovered to have expired or become unenforceable.</p>

Statements Part 2.3	<p>The response to Statements Part 2, Question 3 includes any disbursement or transfer made by the Debtors except those made to insiders and debt consultation or restructuring professionals (which payments appear in Statements Part 6, Question 11).</p> <p>In the ordinary course of business, the Debtors may be obligated to withhold amounts from the paychecks of various regular employees in connection with garnishment orders or other state law withholding orders. The Debtors believe that these amounts do not constitute property of the estates and, accordingly, are not responsive to these questions. Moreover, out of concern for the confidentiality of the Debtors' employees, the Debtors have not listed any such garnishments in response to 3b and 4b.</p>
Statements Part 2.4	Any and all known payments or transfers to insiders of the Debtors have been in listed in response to Statements Part 13, Question 30.
Statements Part 4	In the ordinary course, the Debtors may make <u>de minimis</u> gifts or gifts in kind, which are not recorded in the books and records.
Statements Part 5	The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtors' business or are not reported for insurance purposes.
Statements Question 9	The Debtors have listed all payments made within one year prior to the Petition Date to certain persons that have provided consultation to the Debtors concerning debt consolidation, relief under the bankruptcy law, or preparation of a petition in bankruptcy. For certain of these persons, the Debtors have not excluded all payments that do not relate to debt consolidation, relief under bankruptcy law, or preparation of a petition in bankruptcy.
Statements Question 20 and 21	In some instances, equipment, parts, and other assets owned by a Debtor may be held by a different Debtor. For example, equipment, parts, and other assets owned by EMAS CHIYODA Subsea Inc. for use with the Lewek Constellation or other vessels may be located at the Ingleside Spoolbase owned by EMAS CHIYODA Subsea Marine Base LLC. The assets owned by each Debtor have been included in Schedule B for that Debtor. To the extent that a Debtor holds assets owned by another Debtor, those assets have not been listed in Statement #21.
Statements Question 25	Certain of the dates listed refer to the date on which the Debtors acquired the business rather than the date when the business first came

	into existence.
Statements Questions 26 and 27	<p>Financial statements were provided to various parties including banks, lenders, creditors, and other parties that requested financial information. The Debtors do not maintain information regarding specific party requests.</p> <p>Inventories were performed by the outside financial audit firm at various dates. The Debtors do not maintain or have records in their possession of these matters.</p> <p>In addition, inventories are performed periodically on the vessels by crew members.</p>

## Official Form 206A/B

## Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
