NOTICE OF COMMENCEMENT OF PREPA'S TITLE III CASE, ENTRY OF ORDER FOR RELIEF, AND RELATED MATTERS

TO ALL CREDITORS OF PUERTO RICO ELECTRIC POWER AUTHORITY, AND TO OTHER PARTIES IN INTEREST, PLEASE TAKE NOTICE OF THE FOLLOWING:

Commencement of Title III Case and Order for Relief

On July 2, 2017 (the "<u>Petition Date</u>"), Puerto Rico Electric Power Authority ("<u>PREPA</u>") by and through the Financial Oversight and Management Board for Puerto Rico (the "<u>Oversight Board</u>"), as PREPA's representative pursuant to section 315(b) of the *Puerto Rico Oversight, Management, and Economic Stability Act* ("<u>PROMESA</u>"), filed a petition on behalf of PREPA in the United States District Court for the District of Puerto Rico (the "<u>District Court</u>") under title III of PROMESA (the "<u>Title III Case</u>"). The filing of the petition constitutes an order for relief.

The Title III Case is pending before the Honorable Laura Taylor Swain, United States District Judge.

General Case Information and Publicly Available Documents

All documents filed in the Title III Case are available, free of charge, by accessing the website maintained by Epiq Bankruptcy Solutions, LLC (the "Claims and Noticing Agent") at http://dm.epiq11.com/PREPA (the "Case Website") or by contacting the Claims and Noticing Agent directly at (888)-697-8557 (toll free for U.S. and Puerto Rico) or (503)-520-4450 (for international callers).

The last four (4) digits of PREPA's federal tax identification number are 3747.

² PROMESA is codified at 48 U.S.C. §§ 2101-2241.

The District Court has ordered that the docket for the Title III Case be maintained by the United States Bankruptcy Court for the District of Puerto Rico (the "Bankruptcy Court"). As such, you may also obtain copies of any documents by visiting the Bankruptcy Court's website at www.prb.uscourts.gov in accordance with the procedures and fees set forth therein.

Proofs of Claim Are Not Required to be Filed Now

This Title III Notice is not an admission that PREPA has a debt to the recipient, and <u>does not</u> necessarily mean that you are a creditor or that monies are owed to you.

To the extent you are a creditor, this Title III Notice <u>does not</u> establish a deadline to file proofs of claim in this Title III Case. Accordingly, to the extent you are a creditor, at this time, you are not required to file a proof of a claim.

When the Court sets a deadline to file proofs of claim (commonly referred to as the "bar date"), PREPA will send another notice of the deadline and the applicable procedures to the creditors before the bar date. Such notice will also be posted on the Case Website.

Purpose of Title III Case

Title III of PROMESA provides a means for a covered territorial instrumentality of Puerto Rico, such as PREPA, that has encountered financial difficulty to work with its creditors to adjust its debts. To that end, PROMESA incorporates by reference certain sections of title 11 of the United States Code (the "Bankruptcy Code").

During this Title III Case, PREPA will remain in possession and control of its property, and will continue to maintain its functions and provide services for the benefit of the citizens of Puerto Rico. Under PROMESA, however, the Oversight Board is the representative of PREPA (as a debtor in this Title III Case) and may take any action necessary on behalf of PREPA to prosecute this Title III Case. Under PROMESA, only the Oversight Board may file a plan of adjustment for PREPA. In that regard, the Oversight Board (as PREPA's representative) intends to propose a plan for the adjustment of PREPA's debts. Future notice concerning any such plan will be provided pursuant to the form and manner of notice ordered by the District Court.

The filing of this Title III Case should not preclude PREPA's efforts to continue voluntary debt restructuring negotiations and to seek consensual agreements with creditors.

Background information regarding PREPA and the commencement of this Title III Case is contained in the *Notice of Statement of Oversight Board Regarding PREPA's Title III Case* [D.I. 2].

Automatic Stay

Pursuant to sections 362 and 922 of the Bankruptcy Code, which are made applicable in the Title III Case, the filing of PREPA's petition operates as an automatic stay of actions against PREPA (and its officers), including, among other things: the commencement or continuation of a judicial, administrative, or other action or proceeding against PREPA, or against an officer of PREPA, that was or could have been commenced before the commencement of this Title III Case,

or to recover a claim against PREPA, or against an officer of PREPA, that arose before the commencement of this Title III Case.

Case Management Procedures

The District Court entered the *Order Establishing Case Management Procedures* [D.I. 11] limiting notice of filings in the Title III Case to certain creditors and interested parties. If you wish to receive notices in this Title III Case, you are encouraged to file with the Clerk of Court a written request for service of papers in accordance with Bankruptcy Rules 2002 and 9010(b), which are applicable in this Title III Case. The request should include the following: (a) the requesting party's name, address, and telephone number; (b) the name and address of the requesting party's counsel, if any; (c) an e-mail address at which the requesting party may be served; (d) an address by which the requesting party may be served by U.S. mail, hand delivery, and/or overnight delivery; (e) a facsimile number for the requesting party, if applicable; and (f) the requesting party's relationship to the Title III Case (e.g., trade creditor, interested party, etc.).

Inquiries about the matters described herein may be directed to: (a) the Claims and Noticing Agent, at the contact information listed above, (b) the Oversight Board's counsel, Proskauer Rose LLP, Eleven Times Square, New York, NY 10036, (212) 969-3000 (Attn: Martin J. Inicio del caso en virtud del Título III y declaración de concurso

El 2 de julio de 2017 (la "<u>Fecha de petición</u>"), la Autoridad de Energía Eléctrica de Puerto Rico ("<u>PREPA</u>"), a través de la Junta de Supervisión Fiscal y Administración para Puerto Rico (en adelante, la "Junta de Supervisión"), como representante de PREPA en conformidad con el artículo 315(b) de la *Ley para la Supervisión, Administración y Estabilidad Económica de Puerto Rico* ("<u>PROMESA</u>"),² presentó una petición en nombre de PREPA ante el Tribunal de Distrito de Estados Unidos para el Distrito de Puerto Rico (el "<u>Tribunal de Distrito</u>") en virtud del Título III de PROMESA (el "Caso del Título III"). La presentación de la petición constituye una declaración de concurso.

El Caso del Título III se está tramitando ante la Honorable Laura Taylor Swain, jueza de distrito de Estados Unidos.

¹ Los últimos cuatro (4) dígitos del número de identificación fiscal federal de PREPA son 3747.

² La ley PROMESA se encuentra codificada bajo el Título 48 del Código de Estados Unidos 48 (U.S.C.), artículos 2101 a 2241.

Información general del caso y documentos públicamente disponibles

Todos los documentos presentados en el Caso del Título III están disponibles, sin cargo, accediendo al sitio web de Epiq Bankruptcy Solutions, LLC (el "<u>Agente de reclamos y notificaciones</u>") en http://dm.epiq11.com/PREPA (el "<u>Sitio web del Caso</u>") o contactándose directamente con el Agente de reclamos y notificaciones llamando al (888)-697-8557 (sin cargo para Estados Unidos y Puerto Rico) o (503)-520-4450 (para llamadas internacionales).

El Tribunal de Distrito ha ordenado que el expediente del Caso del Título III sea llevado por el Tribunal de Distrito de Estados Unidos para el Distrito de Puerto Rico (el "<u>Tribunal de Quiebras</u>"). Por consiguiente, también puede obtener copias de cualquier documento visitando el sitio web del Tribunal de Quiebras, www.prb.uscourts.gov, con los procedimientos y costos establecidos.

No se requiere la presentación de pruebas de reclamo en este momento

Esta Notificación del Título III no implica admisión de que PREPA tiene una deuda con el destinatario y no necesariamente significa que usted es acreedor de la empresa ni que la empresa le debe dinero.

En la medida en que usted es acreedor, esta Notificación del Título III no establece un plazo para presentación de pruebas de reclamo en este Caso del Título III. Consiguientemente, en la medida en que usted es acreedor, en este momento, no se requiere que presente una prueba de reclamo.

Cuando el Tribunal establezca un plazo para presentar pruebas de reclamo (que comúnmente se denomina "fecha límite"), PREPA les enviará una notificación sobre dicho plazo y los procedimientos aplicables a los acreedores antes de la fecha límite. Dicha notificación se publicará también en el Sitio web del Caso.

Objetivo del Caso del Título III

El Título III de PROMESA proporciona un medio para que un organismo gubernamental cubierto, como PREPA, que ha tenido dificultades financieras para negociar con sus acreedores, pueda ajustar sus deudas. Para ese fin, PROMESA incorpora por referencia ciertos artículos del título 11 del Código de Estados Unidos (el "Código de Quiebras").

Durante este Caso del Título III, PREPA permanecerá en control y posesión de sus bienes, y continuará desempeñando sus funciones y proporcionando servicios para el beneficio de los ciudadanos de Puerto Rico. No obstante, según la ley PROMESA, la Junta de Supervisión es el representante de PREPA (en su carácter de deudor en este Caso del Título III) y puede tomar cualquier acción necesaria en nombre de PREPA para llevar adelante este Caso del Título III. Según PROMESA, solo la Junta de Supervisión puede presentar un plan de ajuste para PREPA. En ese sentido, la Junta de Supervisión (como representante de PREPA) pretende proponer un plan para el ajuste de las deudas de PREPA. Las futuras notificaciones sobre dicho plan se proporcionarán en la forma y manera ordenada por el Tribunal de Distrito.

La presentación de este Caso del Título III no debe impedir los esfuerzos de PREPA para continuar las negociaciones de reestructuración voluntaria de deudas y la búsqueda de consenso con los acreedores.

La información de fondo sobre PREPA y el inicio de este Caso del Título III figura en la *Notificación de declaración de la Junta de Supervisión sobre el Caso del Título III de PREPA* [D.I. 2].

Suspensión automática

En virtud de los artículos 362 y 922 del Código de Quiebras, que resultan aplicables al Caso del Título III, la presentación de la petición de PREPA opera como una suspensión automática de las acciones contra PREPA (y sus funcionarios), que incluye, entre otras cosas: el inicio o la continuación de un caso o proceso judicial, administrativo o de otro tipo contra PREPA, o contra un funcionario de PREPA, que fue iniciado o podría haber sido iniciado antes del inicio de este proceso en virtud del Título III o cuyo objetivo es cobrar una deuda contraída por PREPA, o por un funcionario de PREPA, antes del inicio de este Caso del Título III.

Procedimientos de gestión de caso

El Tribunal de Distrito emitió la *Orden de creación de procedimientos de gestión de caso* [D.I. 11] que limita la notificación de las presentaciones realizadas en el Caso del Título III a ciertos acreedores e interesados. Si usted desea recibir notificaciones sobre este Caso del Título III, lo alentamos a presentar una solicitud escrita de notificación ante el Secretario del Tribunal en conformidad con las Reglas de Quiebra 2002 y 9010(b), aplicables a este Caso del Título III. La solicitud debe incluir lo siguiente: (a) nombre, domicilio y número de teléfono del solicitante; (b) nombre y domicilio del abogado del solicitante, si corresponde; (c) una dirección de correo electrónico para enviarle notificaciones al solicitante; (d) un domicilio postal para enviarle notificaciones al solicitante por correo de Estados Unidos, entrega en mano y/o servicio de entrega en un día; (e) un número de fax para enviarle notificaciones al solicitante, si resulta aplicable; y (f) la relación del solicitante con el Caso del Título III (por ej., acreedor comercial, parte interesada, etc.).

Las consultas sobre los asuntos que se describen en el presente se pueden dirigir a: (a) el Agente de reclamos y notificaciones, usando la información de contacto que figura más arriba, (b) el estudio de abogados que representa a la Junta de Supervisión, Proskauer Rose LLP, Eleven Times Square, New York, NY 10036, (212) 969-3000 (Attn.: Martin J.
