2. Potential Bidders.

The Debtors and their financial advisors have identified, and may in the future identify, parties they believe potentially may be interested in consummating (and potentially may have the financial resources necessary to consummate) a competing transaction. To participate in the bidding process or otherwise be considered for any purpose under these Bidding Procedures, a person or entity interested in consummating a Sale (each, a "Potential Bidder") must deliver or have previously delivered:

- a. an executed confidentiality agreement on terms acceptable to the Debtors (a "Confidentiality Agreement"), to the extent not already executed; and
- b. if requested by the Debtors after consultation with counsel to the Committee, the most current audited and latest unaudited financial statements (collectively, the "Financials") of the Potential Bidder (or, if the Potential Bidder is an entity formed for the purpose of acquiring the Purchased Assets, (i) Financials of the equity holder(s) of the Potential Bidder or such other form of financial disclosure as is acceptable to the Debtors and their advisors, in consultation with the DIP Agent

and the Committee, (ii) a written commitment acceptable to the Debtors and their advisors of the equity holder(s) of the Potential Bidder to be responsible for the Potential Bidder's obligations in connection with the applicable Sale, and (iii) copies of any documents evidencing any financing commitments necessary to consummate the transaction.

3. **Qualified Bidders.**

- a. A "Qualified Bidder" is a Potential Bidder: (i) whose Financials, or the Financials of its equity holder(s), as applicable, demonstrate the financial capability to consummate the Sale, as determined in the Debtors' reasonable business judgment (in consultation with the DIP Agent and the Committee); and (ii) whose Bid (as defined below) is a Qualified Bid (as defined below). On or before the date that is one (1) business day after the Bid Deadline (defined below), the Debtors' advisors will notify each Potential Bidder in writing whether such Potential Bidder is a Qualified Bidder, and shall provide a copy of each Qualified Bid to counsel to the DIP Agent, counsel to the Committee, and counsel to the Stalking Horse Bidder. The Stalking Horse Bidder shall be deemed a Qualified Bidder that has submitted a Qualified Bid at all times. Each DIP Party, solely to the extent it seeks to credit bid its allowed secured claim, shall be deemed a Qualified Bidder at all times.
- b. For the avoidance of doubt, two or more Potential Bidders may submit a Bid for any or all of the Purchased Assets, provided that such Bid(s), when taken as a whole (collectively, a "Joint Bid"), is determined by the Debtors, in accordance with Section 3(a) of these Bidding Procedures, to constitute a Qualified Bid; provided, however, that any Joint Bid must comply with section 363(n) of the Bankruptcy Code and Potential Bidders must first seek the Debtors' permission before they contact each other.
- c. If any Potential Bidder is determined by the Debtors not to be a Qualified Bidder, the Debtors will refund such Potential Bidder's Deposit (as defined below) and all accumulated interest thereon on or within three (3) business days after the Bid Deadline.
- d. Between the date that the Debtors notify a Potential Bidder that it is a Qualified Bidder and the Auction, the Debtors may discuss, negotiate, or seek clarification of any Qualified Bid from a Qualified Bidder. Except as otherwise set forth in the Stalking Horse APA, without the written consent of the Debtors (in consultation with the DIP Agent and the Committee), a Qualified Bidder may not modify, amend, or withdraw its Qualified Bid, except for proposed amendments to increase the consideration contemplated by, or otherwise improve the terms of, the Qualified Bid, during the period that such Qualified Bid remains binding as specified in these Bidding Procedures; *provided* that any Qualified Bid may be improved at the Auction as set forth herein. Any improved Qualified Bid must continue to comply with the requirements for Qualified Bids set forth in these Bidding Procedures.

- e. Any disputes related to these Bidding Procedures, including whether a Bid (including a Joint Bid) constitutes a Qualified Bid, shall be resolved by the Bankruptcy Court.

4. Due Diligence.

a. Diligence Provided to Potential Bidders.

Only Potential Bidders that have entered into a Confidentiality Agreement shall be eligible to receive due diligence information and access to the Debtors' electronic data room and to additional non-public information regarding the Debtors. **No Potential Bidder will be permitted to conduct any due diligence without entering into a Confidentiality Agreement.** The Debtors will provide to each Potential Bidder that has entered into a Confidentiality Agreement reasonable due diligence information, as requested by such Potential Bidder in writing, as soon as reasonably practicable after such request, and the Debtors shall post all written due diligence provided to any Potential Bidder to the Debtors' electronic data room. For all Potential Bidders other than the Stalking Horse Bidder, the due diligence period will end on the Bid Deadline and subsequent to the Bid Deadline the Debtors shall have no obligation to furnish any due diligence information.

The Debtors shall not furnish any confidential information relating to the Purchased Assets, the Debtors' liabilities, or the Sale ("Confidential Sale Information") to any person, except to a Potential Bidder that has entered into a Confidentiality Agreement or to such Potential Bidder's duly-authorized representatives, in each case, to the extent provided in the applicable Confidentiality Agreement. The Debtors and their advisors shall coordinate all reasonable requests from Potential Bidders for additional information and due diligence access; *provided* that the Debtors may decline to provide such information to Potential Bidders who, at such time and in the Debtors' reasonable business judgment have not established, or who have raised doubt, that such Potential Bidder intends in good faith to, or has the capacity to, consummate the Sale.

The Debtors also reserve the right to withhold from Potential Bidders any diligence materials that the Debtors determine are sensitive or otherwise not appropriate for disclosure to a Potential Bidder who the Debtors determine is a competitor of the Debtors or is affiliated with any competitor of the Debtors. Neither the Debtors nor their representatives shall be obligated to furnish information of any kind whatsoever to any person that is not approved by the Debtors as a Potential Bidder.

All due diligence requests must be directed to:

New York, New York 10019
Attn: Robert Del Genio
Phone: (212) 813-1640
Email: robert.delgenio@fticonsulting.com

b. Diligence Provided by Potential Bidders.

Each Potential Bidder shall comply with all reasonable requests for additional information and due diligence access requested by the Debtors or their advisors regarding the ability of the Potential Bidder to consummate the Sale. Failure by a Potential Bidder to comply with such reasonable requests for additional information and due diligence access may be a basis for the Debtors to determine (in consultation with the DIP Agent and the Committee) that such Potential Bidder is not a Qualified Bidder or that a bid made by such Potential Bidder is not a Qualified Bid.

The Debtors and each of their respective advisors and representatives shall be obligated to maintain in confidence any confidential information in accordance with any applicable confidentiality agreement, except as otherwise set forth in these Bidding Procedures. Each recipient of confidential information agrees to use, and to instruct their advisors and representatives to use, such confidential information only in connection with the evaluation of Bids during the bidding process or otherwise in connection with the chapter 11 cases or in accordance with the terms of any applicable confidentiality agreement.

Notwithstanding the foregoing and the provisions contained in any applicable Confidentiality Agreement, the Debtors and the Debtors' advisors may disclose confidential information: (a) with the prior written consent of such bidder and the Debtors; (b) to the counsel to the Committee, (c) to the counsel to the DIP Agent, and (d) as otherwise required or allowed by any applicable confidentiality agreement with respect to a particular bidder or other agreement, law, court or other governmental order, or regulation, including, as appropriate, to regulatory agencies. The terms of this section 4(b) shall not apply to the Stalking Horse Bidder, and the treatment of the Stalking Horse Bidder's confidential information shall be governed by the confidentiality agreements previously entered between the Debtors and the Stalking Horse Bidder, dated as of October 12, 2016 (the "Stalking Horse Confidentiality Agreement"); provided, that notwithstanding anything in the Stalking Horse Confidentiality Agreement to the contrary, the Debtors and Debtors' advisors may disclose confidential information with respect to the Stalking Horse Bidder's bid to the Committee, the DIP Agent, the DIP Parties, and their respective advisors subject to the agreement of such parties to treat such information as confidential pursuant to their respective confidentiality agreements with the Debtors.

5. Bid Requirements.

A proposal, solicitation, or offer (each, a "Bid") by a Qualified Bidder that is submitted in writing and satisfies each of the following requirements (collectively, the "Bid Requirements"), as determined by the Debtors in their reasonable business judgment (after consultation with the DIP Agent and the Committee) shall constitute a "Qualified Bid." For the avoidance of doubt, notwithstanding the following, the Stalking Horse APA will be deemed a Qualified Bid for all purposes and at all times.

- a. **Assets.** Each Bid must provide for the purchase of all or substantially all of the Purchased Assets, and must clearly state (i) which assets the Qualified Bidder is agreeing to purchase and (ii) whether the Potential Bidder intends to operate all or a portion of the Debtors' business as a going concern, or to liquidate the business.

- b. **Assumption of Liabilities.** Each Bid must expressly identify the liabilities it proposes to (i) assume or (subject to the terms hereof) (ii) satisfy with cash consideration.
- c. **Purchase Price.** Each Bid must clearly set forth the purchase price to be paid (the “Purchase Price”). The Purchase Price must propose a purchase price for all or substantially all of the Debtors’ assets, including any assumption of liabilities, that has a value that equals or exceeds the sum of (i) the Cash Purchase Price, (ii) the Assumed Allowed Claims, (iii) the Bid Protections, and (iv) \$300,000, as determined one week prior to the Bid Deadline by the Debtors in consultation with the “DIP Parties” and the Committee (*i.e.*, the sum of (i) the purchase price set forth in the Stalking Horse APA, (ii) the Break-Up Fee and Expense Reimbursement, and (iii) \$300,000) (a “Minimum Bid”). Subject to the immediately preceding sentence, a Bid may be structured in whatever form the Potential Bidder desires with respect to the Purchase Price (e.g., a Potential Bidder may propose an all cash Bid).
- d. **Deposit.** With its Bid, each Potential Bidder must submit by wire transfer of immediately available funds, a cash deposit in the amount equal to ten (10) percent of the aggregate Purchase Price set forth in the Bid, to be held in an interest-bearing escrow account to be identified and established by the Debtors (the “Deposit”).
- e. **Same or Better Terms.** Each Bid must be on terms that are not more burdensome to the Debtors than the terms of the Stalking Horse APA, as determined by the Debtors (in consultation with the DIP Agent and the Committee). Each Bid must include duly executed, non-contingent transaction documents necessary to effectuate the Sale and shall include a schedule of executory contracts and unexpired leases proposed to be assumed by the Debtors and assigned to the Qualified Bidder (“Assumed Contracts”), and a copy of the Stalking Horse APA clearly marked to show all changes requested by the Qualified Bidder, including those related to the respective Purchase Price and assets to be acquired by such Qualified Bidder, as well as all other material documents integral to such bid and a written commitment demonstrating to the satisfaction of the Debtors (in consultation with the DIP Agent and the Committee) that the Qualified Bidder will be able to close the transaction proposed in its Bid on the terms and conditions set forth therein (the “Qualified Bid Documents”).
- f. **Contingencies; No Financing or Diligence Outs.** A Bid shall not be conditioned on (i) obtaining financing, (ii) shareholder, board of directors, or other internal approval, or (iii) the outcome or completion of a due diligence review by the Potential Bidder. Notwithstanding the foregoing, a Bid may be subject to (i) the accuracy at the closing of the Sale of specified representations and warranties or (ii) the satisfaction at the closing of the Sale of specified conditions, which shall not be more burdensome to the Debtors, as determined in the Debtors’ reasonable business judgment (in consultation with the DIP Agent and the Committee) than those set forth in the Stalking Horse APA.

- g. **Identity.** Each Bid must fully disclose the identity of each entity that will be bidding or otherwise participating in connection with such Bid (including each equity holder or other financial backer of the Potential Bidder if such Potential Bidder is an entity formed for the purpose of consummating the Sale), and the complete terms of any such participation. Under no circumstances shall any undisclosed principals, equity holders, or financial backers be associated with any Bid. Each Bid must also include contact information for the specific persons and counsel whom the Debtors and their advisors should contact regarding such Bid. Each Bid must also disclose any past or present connections or agreements with the Debtors, the Stalking Horse Bidder, any other Potential Bidder or Qualified Bidder, Oaktree and its affiliates, and/or any officer or director of the foregoing (including any current officer or director of the Debtors).
- h. **Demonstrated Financial Capacity.** A Qualified Bidder must have, in the Debtors' reasonable business judgment (in consultation with the DIP Agent and the Committee), the necessary financial capacity to consummate the proposed transactions required by its Bid and provide adequate assurance of future performance under all contracts proposed to be assumed by such Bid. Each Bid must be accompanied by reasonable evidence of the Qualified Bidder's ability to operate the business related to the Purchased Assets and include a packet of information, including financial information, that will be provided to the non-Debtor counterparties to Assumed Contracts sufficient to demonstrate adequate assurance of future performance.
- i. **Committed Financing.** To the extent that a Bid is not accompanied by evidence of the Potential Bidder's capacity to consummate the sale set forth in its Bid with cash on hand, each Bid must include executed unconditional committed financing from a qualified source documented to the satisfaction of the Debtors (in consultation with the DIP Agent and the Committee), which demonstrates that the Potential Bidder has received sufficient debt and/or equity funding commitments to satisfy the Potential Bidder's Purchase Price and other obligations under its Bid. Such funding commitments or other financing must be unconditional and must not be subject to any internal approvals, syndication requirements, diligence, or credit committee approvals, and shall have covenants and conditions acceptable to the Debtors (in consultation with the DIP Agent and the Committee).
- j. **Binding and Irrevocable.** A Qualified Bid must include a signed writing stating that the Qualified Bid is irrevocable until the later of (i) two (2) business days after the closing of a Sale to another Qualified Bidder, and (ii) thirty (30) days after the conclusion of the Sale Hearing (as defined below).
- k. **Expenses; Disclaimer of Fees.** Each Bid (other than the Stalking Horse APA) must disclaim any right to receive a break-up fee, expense reimbursement, termination fee, or any other similar form of compensation. For the avoidance of doubt, no Potential Bidder (other than the Stalking Horse Bidder) will be permitted to request, nor be granted by the Debtors, at any time, whether as part of the Auction or otherwise, a break-up fee, expense reimbursement, termination fee, or any other

similar form of compensation, and by submitting its Bid is agreeing to refrain from and waive any assertion or request for reimbursement on any basis, including under section 503(b) of the Bankruptcy Code.

- l. **Authorization.** Each Bid must contain evidence that the Potential Bidder has obtained authorization or approval from its board of directors (or a comparable governing body acceptable to the Debtors in consultation with the DIP Agent and the Committee) with respect to the submission of its Bid and the consummation of the transactions contemplated in such Bid.
- m. **As-Is, Where-Is.** Each Bid must include a written acknowledgement and representation that the Potential Bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Purchased Assets prior to submitting the Bid; (ii) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Purchased Assets in making its Bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied by operation of law, or otherwise, regarding the Purchased Assets or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Bid.
- n. **Adherence to Bidding Procedures.** By submitting its Bid, each Potential Bidder is agreeing to abide by and honor the terms of these Bidding Procedures and agrees not to submit a Bid or seek to reopen the Auction after conclusion of the Auction. Each Bid must expressly state that the Potential Bidder agrees to serve as a Backup Bidder (as defined below) if such bidder's Qualified Bid is selected as the next highest or otherwise next best bid after the Successful Bid.
- o. **Regulatory Approvals and Covenants.** A Bid must set forth each regulatory and third-party approval to consummate the Sale and the time period within which the Potential Bidder expects to receive such regulatory and third-party approvals (and in the case that receipt of any such regulatory or third-party approval is expected to take more than thirty (30) days following execution and delivery of the asset purchase agreement, those actions the Qualified Bidder will take to ensure receipt of such approvals as promptly as possible). A bid must also state that all necessary filings under applicable regulatory, antitrust, and other laws will be made and that payment of the fees associated therewith shall be made by the Potential Bidder.
- p. **Consent to Jurisdiction.** Each Potential Bidder must submit to the jurisdiction of the Bankruptcy Court and waive any right to a jury trial in connection with any disputes relating to Debtors' qualification of Bids, the Auction, the construction and enforcement of these Bidding Procedures, the Sale documents, and the closing of the Sale, as applicable.
- q. **Bid Deadline.** Each Bid must be transmitted via email (in .pdf or similar format) so as to be **actually received** on or before 4:00 p.m. (prevailing Eastern Time) on November 2, 2017 (the "**Bid Deadline**") by the Bid Notice Parties.

The Debtors reserve the right to work with any Potential Bidder in advance of the Auction to cure any deficiencies in a Bid that is not initially deemed to be a Qualified Bid. The Debtors may accept a single Qualified Bid or multiple Bids for non-overlapping material portions of the Debtors' assets that, if taken together in the aggregate, would otherwise meet the standards for a single Qualified Bid. The Debtors may also permit otherwise Qualified Bidders who submitted Bids by the Bid Deadline for a material portion of the Debtors' assets but are who are not identified as a component of a single Qualified Bid consisting of multiple Bids, to participate in the Auction and to submit higher and/or otherwise better Bids that in subsequent rounds of bidding may be considered, together with other Bids for non-overlapping portions of the Debtors' assets, as part of such a single Qualified Bid.

6. Right to Credit Bid.

At the Auction, subject to section 363(k) of the Bankruptcy Code, any Qualified Bidder who has a valid and perfected lien on any assets of the Debtors' estates, including without limitation the "DIP Parties"³ (each, a "Secured Creditor"), shall have the right to credit bid all or a portion of the value of such Secured Creditor's claims within the meaning of section 363(k) of the Bankruptcy Code, unless otherwise ordered by the Bankruptcy Court for cause (each such bid, a "Credit Bid"). A Credit Bid may be applied only to reduce the cash consideration with respect to the assets in which the party submitting the Credit Bid holds a valid, properly perfected security interest with respect to which there are no other more senior security interests. Each person or entity holding a valid, properly perfected security interest in assets with respect to which there are no other more senior security interests for which it submits a bid shall be deemed a Qualified Bidder with respect to its right to acquire such assets by Credit Bid.

In the event of a competing Qualified Bid, the Stalking Horse Bidder will be entitled, but not obligated, to submit overbids and will be entitled in any and all such overbids to include the full amount of the Bid Protections in lieu of cash and for purposes of evaluating the overbid equal to cash in the same amount.

Credit bids, if any, by Secured Creditors will not impair or otherwise affect the Stalking Horse Bidder's entitlement to the Bid Protections granted under the Bidding Procedures Order.

7. Auction.

If the Debtors receive a Qualified Bid, other than the Stalking Horse APA, the Debtors will conduct an Auction to determine (in consultation with the DIP Agent and the Committee) the Successful Bidder(s). The Debtors shall notify the Stalking Horse Bidder if one or more Qualified Bids are received and the identity of the bidders making any such Qualified Bids. (To the extent that the Stalking Horse Bidder has not previously received a copy of any Bid, the Debtors shall immediately provide a copy thereof, or copies thereof, as the case may be, to the Stalking Horse Bidder, and prior to a determination by the Debtors as to whether a Bid is a Qualified Bid.) If the

³ The "DIP Parties" comprise: (i) BNP Paribas, as administrative and collateral agent under that certain Senior Secured, Superpriority Debtor-in-Possession Credit Agreement, dated June 16, 2017 (the "DIP Credit Agreement"), (ii) the lenders party to the DIP Credit Agreement, and (iii) the following prepetition secured lenders: BNP Paribas; Ally Bank; Global Leveraged Capital Credit Opportunity Fund I; ING Capital LLC; Main Street Mezzanine Fund, LP; Main Street Capital II, LP; Main Street Capital Corporation; and Cooperative Rabobank U.S.A. New York Branch.

Debtors do not receive a Qualified Bid (other than the Stalking Horse APA), the Debtors will not conduct an Auction and shall designate the Stalking Horse Bidder's Bid as the Successful Bid.

On the date that is one (1) business day after the Bid Deadline or such other time as is reasonably practicable, but not later than noon Eastern Time on the day before the Auction, the Debtors will notify each Qualified Bidder of the highest or otherwise best Qualified Bid, as determined in the Debtors' sole business judgment (the "Baseline Bid"), after consultation with the DIP Agent and the Committee, and provide copies of the applicable Qualified Bid Documents supporting the Baseline Bid to each Qualified Bidder. The determination of which Qualified Bid constitutes the Baseline Bid and which Qualified Bid constitutes the Successful Bid shall take into account any factors the Debtors (in consultation with the DIP Agent and the Committee) reasonably deem relevant to the value of the Qualified Bid to the Debtors' estates, which may include, among other things: (a) the number, type, and nature of any changes to the applicable Stalking Horse APA, if any, requested by the Qualified Bidder, including the type and amount of Purchased Assets sought to be acquired and obligations sought to be assumed in the Qualified Bid; (b) the amount and nature of the total consideration; (c) the likelihood of the Qualified Bidder's ability to close the applicable Sale and the timing thereof; (d) the net economic effect of any changes to the value to be received by the Debtors' estates from the transaction contemplated by the Qualified Bid Documents; and (e) the tax consequences of such Qualified Bid (collectively, the "Bid Assessment Criteria"). Only the Stalking Horse Bidder and other Qualified Bidders will be entitled to make any subsequent bids at the Auction. At least one (1) business day prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform the Debtors whether it intends to attend the Auction and all Qualified Bidders wishing to attend the Auction must have at least one individual representative with authority to bind such Qualified Bidder in attendance at the Auction in person.

The Auction, if necessary, will be conducted at the offices of Hughes Hubbard & Reed LLP, One Battery Park Plaza, New York, New York 10004 on November 7, 2017 at 10:00 a.m. (prevailing Eastern Time), or at such other time and location as designated by the Debtors. The Auction, if necessary, shall be conducted in a timely fashion according to the following procedures:

a. The Debtors Shall Conduct the Auction.

The Debtors and their professionals shall direct and preside over the Auction. At the start of the Auction, the Debtors shall describe the terms of the Baseline Bid. All incremental Bids made thereafter shall be Overbids (defined below) and shall be made and received on an open basis, and all material terms of each Overbid shall be fully disclosed to all other Qualified Bidders who submitted Bids. The Debtors shall maintain a written transcript of all Bids made and announced at the Auction, including the Baseline Bid, all applicable Overbids, and the Successful Bid.

The Auction will be conducted openly and all creditors will be permitted to attend. The Qualified Bidders and the Stalking Horse Bidder may appear at the Auction in person or through duly authorized representatives.

b. **Terms of Overbids.**

“Overbid” means any bid made at the Auction by a Qualified Bidder⁴ subsequent to the Debtors’ announcement of the Baseline Bid. Each Overbid must comply with the following conditions:

- (i) **Minimum Overbid Increment.** The initial Overbid, if any, shall provide for total consideration to the Debtors with a value that exceeds the value of the consideration under the Baseline Bid by an incremental amount that is not less than the sum of \$300,000 (a “Minimum Overbid Increment”).

Additional consideration in excess of the amount set forth in the respective Baseline Bid must include: (1) cash, or (2) in the case of a Bid by a Secured Creditor, a credit bid of up to the full amount of such secured creditors’ allowed secured claim, subject to section 363(k) of the Bankruptcy Code and any other restrictions set forth herein.

- (ii) **Conclusion of Each Overbid Round.** Upon the solicitation of each round of applicable Overbids, the Debtors may announce a deadline (as the Debtors may, in their reasonable business judgment, after consultation with the DIP Agent and the Committee, extend from time to time, the “Overbid Round Deadline”) by which time any Overbids must be submitted to the Debtors.

- (iii) **Overbid Alterations.** An applicable Overbid may contain alterations, modifications, additions, or deletions of any terms of the Bid no less favorable to the Debtors’ estates than any prior Bid or Overbid, as determined in the Debtors’ reasonable business judgment (in consultation with the DIP Agent and the Committee), but shall otherwise comply with the terms of these Bidding Procedures. Any Overbid must comply with the conditions for a Qualified Bid.

- (iv) **Announcing Highest Bid.** Subsequent to each Overbid Round Deadline, the Debtors shall announce whether the Debtors have identified (in consultation with the DIP Agent and the Committee) in the initial applicable Overbid round, an Overbid as being higher or otherwise better than the Baseline Bid for the Purchased Assets, or in subsequent rounds, the Overbid previously designated by the Debtors (after consultation with the DIP Agent and the Committee) as the prevailing highest or otherwise best Bid for the Purchased Assets (the “Prevailing Highest Bid”). The Debtors shall describe to all Qualified Bidders the material terms of any new Overbid designated by the Debtors as the Prevailing Highest Bid as well as the value attributable by the Debtors to such Prevailing Highest Bid.

⁴

Or Qualified Bidders, in the event of a Joint Bid.

c. Consideration of Overbids.

The Debtors reserve the right, in their reasonable business judgment (in consultation with the DIP Agent and the Committee) to adjourn the Auction one or more times to, among other things: (i) facilitate discussions among the Debtors, and any Qualified Bidders; (ii) allow Qualified Bidders to consider how they wish to proceed; (iii) provide Qualified Bidders the opportunity to provide the Debtors with such additional evidence as the Debtors, in their reasonable business judgment (in consultation with the DIP Agent and the Committee), may require, including that the Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt and/or equity funding commitments to consummate the proposed transaction at the prevailing Overbid amount; and (iv) to provide the Debtors with an opportunity to consider (in consultation with the DIP Agent and the Committee) how to value each Overbid. The full amount of the Bid Protections shall be included as value of any bid made by the Stalking Horse Bidder in each round of bidding at the Auction, including for purposes of comparing the value of a Qualified Bidder's Overbid to the bid of the Stalking Horse Bidder in any round of bidding.

d. Closing the Auction.

- (i) The Auction shall continue until there is only one Bid or Joint Bid, as applicable, that subject to the DIP Agent's consent, the Debtors determine, in their reasonable business judgment (in consultation with the Committee), to be the highest or otherwise best Bid; provided, however, that the DIP Agent's consent shall not be required to the extent that the Bid or Joint Bid, as applicable, that the Debtors determine, in their reasonable business judgment (in consultation with the DIP Agent and the Committee), is the highest or otherwise best Bid expressly provides that, (i) on the closing date of the transaction contemplated by such Bid, any and all amounts outstanding (including without limitation, interest, default interest (as applicable), fees, expenses, and other amounts) under (a) the DIP Loan Documents (as defined in the *Final Order (I) Authorizing Debtors and Debtors in Possession to Obtain Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Super-Priority Claims, (IV) Granting Adequate Protection to Prepetition Secured Lenders, (V) Modifying the Automatic Stay, (VI) Scheduling a Final Hearing, and (VII) Granting Related Relief* [D.I. 247] (the "Final DIP Order")) and (b) except as otherwise agreed to by the Prepetition Agent (as defined in the Final DIP Order) in its sole discretion, the Prepetition Loan Documents (as defined in the Final DIP Order), will be paid in full in cash, and (ii) as soon as reasonably practicable following the closing date of the transaction contemplated by the bid (and in any event, no later than thirty (30) days following such closing date), any and all letters of credit issued under the Prepetition Loan Documents shall be returned to the Prepetition Agent for cancellation, each of which shall have been replaced in a manner and in an amount satisfactory to the Prepetition Agent in its sole discretion, provided, that, to the extent that any letter of credit issued under the Prepetition Loan Documents is not returned to the Prepetition Agent on or before the closing date contemplated by the bid, any such letter of credit shall be cash

collateralized on or before such closing date in a manner and amount, and pursuant to documentation that is, satisfactory to the Prepetition Agent in its sole discretion. Such Bid or Joint Bid, as applicable, shall be declared the “Successful Bid,” and such Qualified Bidder (or Qualified Bidders, in the event of a Joint Bid) the “Successful Bidder(s),” at which point the Auction will be closed. The Debtors shall notify the Qualified Bidders of the Successful Bid within one business day following such selection. The Auction shall not close unless and until all Qualified Bidders have been given a reasonable opportunity to submit an Overbid at the Auction to the then Prevailing Highest Bid. Such acceptance by the Debtors of the Successful Bid is conditioned upon approval by the Bankruptcy Court of the Successful Bid.

- (ii) The Debtors shall not consider any Bids or Overbids submitted after the conclusion of the Auction, and any such Bids or Overbids shall be deemed untimely and shall under no circumstances constitute a Qualified Bid; *provided, however*, that the Debtors, subject to approval by the Bankruptcy Court, may determine (in consultation with the DIP Agent and the Committee) to accept such Bid if such Bid may otherwise be deemed the Successful Bid.
- (iii) As soon as reasonably practicable after closing the Auction, the Debtors shall file on the docket, but not serve, the Post-Auction Notice, substantially in the form attached to the Motion as **Exhibit G**, which shall identify the Successful Bidder(s).

e. No Collusion; Good-Faith Offer.

Each Qualified Bidder participating at the Auction will be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the bidding; and (ii) its Bid is a good-faith offer and it intends to consummate the Sale if selected as the Successful Bidder(s). All Potential Bidders and all Qualified Bidders will immediately disclose to the Debtors, the United States Trustee, the DIP Agent, and the Committee any discussions regarding employment of or offers to retain or employ any officer or insider of the Debtors.

8. Backup Bidder.

- a. Notwithstanding anything in these Bidding Procedures to the contrary, if an Auction is conducted, the Qualified Bidder with the next-highest or otherwise second-best Bid at the Auction, as determined by the Debtors in the exercise of their reasonable business judgment and in consultation with the DIP Agent and the Committee (the “Backup Bid”), shall be required to serve as a backup bidder (the “Backup Bidder”), and each Qualified Bidder shall agree and be deemed to agree to be the Backup Bidder if so designated by the Debtors.
- b. The identity of the Backup Bidder and the amount and material terms of the Backup Bid shall be announced by the Debtors at the conclusion of the Auction at the same

time the Debtors announce the identity of the Successful Bidder(s). The Backup Bidder shall be required to keep its Bid (or if the Backup Bidder submits one or more Overbids at the Auction, its final Overbid) open and irrevocable, until the closing of the Sale with the Successful Bidder(s). The Backup Bidder's Deposit shall be held in escrow until the closing of the transaction with the Successful Bidder(s) and shall thereafter be returned within five (5) business days.

- c. If a Successful Bidder(s) fails to consummate the approved transactions contemplated by its Successful Bid, the Debtors may select (in consultation with the DIP Agent and the Committee) the applicable Backup Bidder as the Successful Bidder(s), and such Backup Bidder shall be deemed a Successful Bidder(s) for all purposes. The Debtors will be authorized, but not required, to consummate all transactions contemplated by the Backup Bid without further order of the Bankruptcy Court or notice to any party. In such case, the defaulting Successful Bidder(s)'s Deposit shall be forfeited to the Debtors. The Debtors specifically reserve the right to seek all available remedies against the defaulting Successful Bidder(s), including with respect to specific performance.
- d. Notwithstanding anything to the contrary in this section 8 or the Bidding Procedures Order, if the Stalking Horse Bidder is required to serve as Backup Bidder, the terms and conditions of such service shall be governed by the Stalking Horse APA.

9. Reservation of Rights.

Without prejudice to the rights of the Stalking Horse Bidder under the terms the Stalking Horse APA, or the rights of the DIP Agent in respect of any sale-related milestones set forth in the Debtors' debtor-in-possession credit agreement [D.I. 247 at Exhibit A] (as amended, modified, and/or supplemented), the Debtors reserve their rights to modify these Bidding Procedures in their reasonable business judgment (in consultation with the DIP Agent and the Committee) in any manner that will best promote the goals of the bidding process, or impose, at or prior to the Auction, additional customary terms and conditions on the sale of the Purchased Assets, including, without limitation: (a) extending the deadlines set forth in these Bidding Procedures; (b) adjourning the Auction at the Auction and/or adjourning the Sale Hearing in open court without further notice; (c) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction; (d) canceling the Auction; and (e) rejecting any and all bids or Bids.

10. Sale Hearing.

A hearing to consider approval of the Sale of the Purchased Assets to the Successful Bidder(s) (or to approve the Stalking Horse Agreement if no Auction is held) (the "Sale Hearing") is currently scheduled to take place at 10:00 a.m. (prevailing Eastern Time) on November 14, 2017, before the Honorable Brendan L. Shannon, at the Bankruptcy Court, 824 Market Street, 6th Floor, Courtroom No. 1, Wilmington, Delaware 19801.

The Sale Hearing may be continued to a later date by the Debtors by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party (including the Stalking Horse Bidder).

At the Sale Hearing, the Debtors shall present the Successful Bid to the Bankruptcy Court for approval.

11. Bid Protections.

To provide an incentive and to compensate the Stalking Horse Bidder for performing the substantial due diligence and incurring the expenses necessary and entering into a Stalking Horse APA with the knowledge and risk that arises from participating in the sale and subsequent bidding process, the Debtors have agreed to pay the Stalking Horse Bidder, under the conditions and in the amount set forth in the Bidding Procedures Order and the Stalking Horse APA:

- a. a break-up fee in the amount totaling \$2,787,000 (3.0% of the Purchase Price) (the “Breakup Fee”);
- b. reasonably documented reasonable costs and expenses incurred by the Stalking Horse Bidder related to its due diligence, and pursuing, negotiating, and documenting the transaction(s) contemplated by the Stalking Horse APA, which shall not exceed \$400,000 (the “Expense Reimbursement Fee”), payable pursuant to the terms of the Stalking Horse APA in the event that the Stalking Horse APA is terminated due to the Debtors’ consummation of an Alternative Transaction and/or under such other conditions specified in the Stalking Horse APA; and
- c. an amount consisting of any filing fee paid by the Stalking Horse Bidder relating to the filing of a Notification and Report Form pursuant to the HSR Act and the amount of all reasonable and documented third-party fees (including attorneys’ fees) and other expenses and costs incurred by the Stalking Horse Bidder or any of its Affiliates in connection therewith, which shall not exceed \$95,000 in the aggregate (the “HSR Reimbursement Fee” and, together with the Breakup Fee and the Expense Reimbursement Fee, the “Bid Protections”), payable pursuant to the terms of the Stalking Horse APA in the event that the Stalking Horse APA is terminated due to the Debtors’ consummation of an Alternative Transaction and/or under such other conditions specified in the Stalking Horse APA. The HSR Reimbursement Fee shall only be payable to the extent the Stalking Horse Bidder files all required documentation for approval under the HSR Act prior to the commencement of the Auction.

The Debtors have agreed that their obligations to pay the Bid Protections shall survive termination of the Stalking Horse Agreement, and to the extent owed by the Debtors, be allowed superpriority administrative expense claims under sections 503(b) and 507 of the Bankruptcy Code and shall be payable under the terms of the Stalking Horse APA and the Bidding Procedures Order.

The Stalking Horse Bidder shall have standing to appear and be heard on all issues related to the Auction, including the right to object to the conduct of the Auction and interpretation of these Bidding Procedures.

12. Return of Deposit.

The Deposit of the Successful Bidder(s) shall be applied to the Purchase Price of the transaction at closing. The Deposits for each Qualified Bidder shall be held in one or more interest-bearing escrow accounts on terms acceptable to the Debtors in their reasonable business judgment and shall be returned (other than with respect to the Successful Bidder(s) and the Backup Bidder) on or within five (5) business days after the Auction.

If the Successful Bidder(s) fails to consummate the Sale because of a breach by the Successful Bidder(s), the Debtors will not have any obligation to return the Deposit deposited by the Successful Bidder(s), which may be retained by the Debtors as liquidated damages, in addition to any and all rights, remedies, or causes of action that may be available to the Debtors (and subject to the Stalking Horse APA, as to the Stalking Horse Bidder), and the Debtors shall be free to consummate the Sale with the Backup Bidder without the need for an additional hearing or order of the Bankruptcy Court.

13. Fiduciary Out.

Nothing in these Bidding Procedures shall require the Debtors' board of directors to take any action, or to refrain from taking any action, with respect to these Bidding Procedures, to the extent the Debtors' board of directors determines, or based on the advice of counsel, that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or its fiduciary obligations under applicable law; *provided* that in the event of any such action, all rights and remedies of the Stalking Horse Bidder in these Bidding Procedures, the Stalking Horse APA, and/or applicable law shall be reserved and preserved.

Section 1.06 Purchase Price.

(a) No later than five Business Days prior to the Closing Date, Sellers and Buyer shall jointly prepare a draft flow of funds memorandum, which shall be provided to, and approved (solely with respect to that portion pertaining to the DIP Repayment Amount and the Prepetition Repayment Amount) by, the DIP Agent and the Prepetition Agent no less than one Business Day prior to the Closing Date (the “**Funds Flow Memo**”) that sets forth the applicable payees, amounts payable, wire or mailing instructions for all amounts payable under **Section 1.06(b)**.

(b) The purchase price for the Purchased Assets (the “**Purchase Price**”) is comprised of the following: (i) cash in the amount of \$65,400,000 (the “**Cash Purchase Price**”); and (ii) Buyer’s assumption of the Assumed Allowed Claims at the Closing, without recourse to Sellers. At the Closing, or as otherwise set forth in **Section 1.06(c)** and **Section 1.08** below (and subject to the claims allowance process), Buyer shall:

- (i) pay the Cash Purchase Price as follows:
 - (A) by paying and delivering, by wire transfer of immediately available funds, the DIP Repayment Amount in accordance with the wire transfer instructions set forth in the Funds Flow Memo to the DIP Agent, for further distribution by the DIP Agent to and for the benefit of the DIP Lenders, as set forth in the Funds Flow Memo;
 - (B) by paying and delivering, by wire transfer of immediately available funds, the Prepetition Repayment Amount (except as otherwise agreed to in writing by the Prepetition Agent in its sole discretion) in accordance with the wire transfer instructions set forth in the Funds Flow Memo to the Prepetition Agent, for further distribution by the Prepetition Agent to and for the benefit of the Prepetition Lenders (as defined in the DIP Order), as set forth in the Funds Flow Memo; *provided, however* that if the Bankruptcy Court issues an order or other directive (a “**Mandate**”) as to the payment and/or delivery of any disputed portion of the Prepetition Repayment Amount, Buyer shall comply with such Mandate and such compliance shall not constitute a violation or breach of this **Section 1.06(b)(i)(B)**; *provided further, however*, that other than with respect to pursuing or complying with a Mandate, neither Buyer nor Sellers shall cause any act or omission that contravenes the Funds Flow Memo (except as otherwise agreed to in writing by the Prepetition Agent in its sole discretion);
 - (C) by paying and delivering, by certified check or wire transfer of immediately available funds, the Cure Amounts to the appropriate payees pursuant to **Section 1.08**; and
 - (D) by paying and delivering to Sellers, by certified check or wire transfer of immediately available funds into the account designated by Sellers in the Funds Flow Memo, the balance of the Cash Purchase Price, if greater than zero, which is computed as follows: (i) \$65,400,000, minus (ii) the aggregate sum of the amounts determined (whether at or subsequent to the Closing) pursuant to clauses (A), (B) and (C) of this **Section 1.06(b)(i)**.

Buyer agrees to direct the Escrow Agent to release, on behalf of Buyer, the Deposit and all accrued investment income thereon, which amounts shall be credited towards the Cash Purchase

(ii) pay the balance of the Purchase Price by assuming those obligations set forth below, which are referred to herein as the “**Assumed Allowed Claims**”, as follows:

- (C) pre- and post-petition trade vendor accounts payable incurred by Sellers in the Ordinary Course (and not otherwise paid or satisfied by Sellers prior to the Closing Date), to the extent such claims are allowed claims; and
- (D) all amounts, if any, payable pursuant to a Key Employee Incentive Plan or a Key Employee Retention Plan approved by the Bankruptcy Court.

The aggregate amount of the Assumed Allowed Claims shall not exceed \$27,500,000.

(c) As soon as reasonably practicable following the Closing Date and subject to the limitation on Assumed Allowed Claims set forth in **Section 1.06(b)(ii)**, Buyer shall (i) return to the Prepetition Agent or the DIP Agent, as applicable, all letters of credit issued under the Prepetition Loan Documents (as defined in the DIP Order) and all letters of credit issued after the Petition Date by the DIP Agent on behalf of CST (if any), in each case, for cancellation and (ii) replace each such letter of credit in a manner and amount satisfactory to the Prepetition Agent or the DIP Agent, as applicable, in its reasonable discretion; *provided that*, in no event, will the return and replacement of such letters of credit occur later than the greater of (A) 30 calendar days following the Closing or (B) the earlier of (y) the current expiry date (without giving effect to any extensions thereof) applicable to such letter of credit or (z) five calendar days prior to the latest date on which the issuer of such letter of credit may deliver a notice of non-renewal (or equivalent notice) pursuant to the terms of such letter of credit. To the extent that any letter of credit issued under the Prepetition Loan Documents or by the DIP Agent after the Petition Date, as the case may be, is not returned to the Prepetition Agent or the DIP Agent, as applicable, on or before the Closing Date, Buyer shall, on the Closing Date secure the reimbursement obligations under any such letter of credit by causing an acceptable letter of credit to be issued to the applicable issuer in a face amount equal to the aggregate face amount of such letter of credit issued under the Prepetition Loan Documents or by the DIP Agent after the Petition Date, as the case may be, naming such issuer as beneficiary and pursuant to documentation having terms similar to such letter of credit, to backstop the reimbursement obligations under any such letter of credit. The current expiry date applicable to any letter of credit issued under the Prepetition Loan Documents or by the DIP Agent after the Petition Date shall under no circumstances be extended or renewed without the written consent of the Prepetition Agent or the DIP Agent, as applicable, and each issuer is hereby authorized to deliver a notice of non-renewal (or equivalent notice) under each such letter of credit in accordance with the terms of such letter of credit.

(d) From time to time after the Closing Date, Buyer shall be entitled to consult in good faith on the process of determining whether any additional claim(s) related to the Purchased Assets or the Business not already paid in the Ordinary Course has become an Assumed Allowed Claim. For the avoidance of doubt, it is understood that Buyer (and not Sellers) shall assume liability for all trade claims, including utilities, arising in the Ordinary Course from and after the Petition Date, whether or not such claims are listed in the Funds Flow Memo, subject to the limitation on Assumed Allowed Claims set forth in **Section 1.06(b)(ii)**.

(e) Buyer shall have no liability or obligation to Sellers or the DIP Agent, as applicable: (i) in the event that an error in the Funds Flow Memo results in an incorrect payment hereunder to Sellers or the DIP Agent, as applicable, (ii) in the event of any error by Sellers or the DIP Agent, as applicable, in the calculation of amounts due to Sellers or the DIP Agent, as applicable, or otherwise in respect of any decision, allocation or determination by Sellers or the DIP Agent, as applicable, or (iii) with respect to Buyer's delivery of any consideration hereunder to Sellers or the DIP Agent, as applicable, in accordance with the instructions by Sellers or the DIP Agent, as applicable, or the allocation of payments in accordance with the Funds Flow Memo. Payments made to Sellers or the DIP Agent, as applicable, in accordance with account wiring instructions delivered by Sellers or the DIP Agent or their respective counsel, as applicable, shall be deemed to satisfy all obligations of Buyer in respect thereof and Buyer shall have no other or further liability or obligation in connection therewith.

(f) From time to time after the Closing Date, but not later than the 90th calendar day after the Closing Date, Sellers may submit to Buyer written evidence reasonably satisfactory to Buyer that Sellers have validly incurred unpaid 503(b)(9) Claim Liabilities. Buyer will pay such 503(b)(9) Claim Liabilities and shall, not later than the 120th calendar day after the Closing Date, provide written evidence reasonably satisfactory to Sellers that all timely submitted 503(b)(9) Claim Liabilities have been paid, subject to the limitation on Assumed Allowed Claims set forth in **Section 1.06(b)(ii)**.

(g) **Disposition of Deposit.** In the event that this Agreement is terminated by (i) Buyer or Sellers (or jointly by both Buyer and Sellers) pursuant to **Section 9.01(a)**, **Section 9.01(b)**, **Section 9.01(c)** clauses (i) or (ii) of **Section 9.01(f)**, **Section 9.01(g)**, **Section 9.01(h)**, **Section 9.01(i)**, **Section 9.01(j)**, or **Section 9.01(k)** or (ii) by Buyer pursuant to **Section 9.01(d)**, then, in each case, Buyer and Sellers shall promptly, and in any event no later than three Business Days following the termination of this Agreement, direct and cause the Escrow Agent to return the entire Deposit (together with all accrued investment income thereon) to Buyer. In the event this Agreement is terminated by Sellers pursuant to **Section 9.01(e)**, Buyer and Sellers shall promptly, and in any event no later than three Business Days following the termination of this Agreement, direct and cause the Escrow Agent to pay the Deposit (together with all accrued investment income thereon) to Sellers. Notwithstanding anything to the contrary herein, in the case of termination by Buyer pursuant to clause (iii) of **Section 9.01(f)**, the Escrow Agent shall not be required to return the Deposit if Buyer remains obligated as Back-up Bidder until the earlier of (i) such time as Sellers consummate an Alternative Transaction, and (ii) thirty 30 days after the Sale Order is entered by the Bankruptcy Court. Notwithstanding any provision of this Agreement to the contrary, Sellers acknowledge and agree that Sellers' sole and exclusive remedy against Buyer and Guarantor for any claim or cause of action that they may assert against Buyer in connection with this Agreement shall be limited to the Deposit (together with all accrued investment income thereon), except in the case of fraud (as determined by a court of competent jurisdiction pursuant to a final, non-appealable order).

Section 1.07 Allocation of Purchase Price.

(a) Buyer shall prepare and deliver to Sellers within 60 calendar days after the Closing Date a schedule setting forth the allocation of the Purchase Price and any other relevant items among the Purchased Assets for all Tax purposes (the "**Allocation Schedule**"). The allocation shall be considered final and binding on the parties, unless, within 30 calendar days after the delivery of the Allocation Schedule by Buyer, Sellers notify Buyer that they have a good faith objection to the allocation set forth in the Allocation Schedule. If Sellers' timely make such an objection, Buyer and Sellers shall work in good faith to resolve such dispute within 20 calendar days from the date Sellers deliver the objection to Buyer. In the event that Buyer and Sellers are unable to resolve such dispute within the 20 calendar day period, the issue(s) in dispute will be submitted to an independent accounting firm for resolution. The determination of the independent accounting firm shall be final, binding, and conclusive on the Parties. Buyer, on the one hand, and Sellers, on the other hand, shall each bear fifty (50%) of the fees and

expenses of the independent accounting firm. In the event of any adjustments to the Purchase Price, the parties hereto shall cooperate to adjust the allocation.

(b) Buyer and Sellers each shall report all Taxes and file all Tax Returns (including amended Tax Returns and claims for refund) consistent with the Allocation Schedule, and shall take no position contrary thereto or inconsistent therewith (including, in any audits or examinations by any taxing authority or any other proceedings), unless, and then only to the extent, required by a final determination. Buyer and Sellers shall exchange completed and executed forms with respect to the allocation (including Internal Revenue Service Form 8594 and any comparable forms required to be filed for state or local Tax purposes) at least 30 calendar days prior to the due date for filing such forms and shall cooperate in the filing of any forms (including Form 8594) with respect to such allocation, including any amendments to such forms required with respect to any adjustment to the Purchase Price, pursuant to this Agreement. Notwithstanding any other provisions of this Agreement, the foregoing agreement shall survive the Closing Date without limitation.

Section 1.08 Assumption and Assignment of Contracts; Cure Amounts. The Sale Order shall provide for the assumption by Sellers, and the Sale Order shall provide for the assignment to the extent legally capable of being assigned, by Sellers to Buyer, of the Assigned Contracts on the terms and conditions set forth in the remainder of this **Section 1.08**. At the Closing, and pursuant to section 365 of the Bankruptcy Code and the Sale Order, Sellers shall assume and assign to Buyer, and Buyer shall assume from Sellers, the Assigned Contracts, including the Leases that are Assigned Contracts (it being understood that the only Liabilities under the Assigned Contracts assumed by Buyer shall be Assumed Liabilities). The cure amounts, as determined by the Bankruptcy Court, if any, necessary to cure all defaults, if any, and to pay all actual or pecuniary losses that have resulted from such defaults under the Assigned Contracts, including the Leases that are Assigned Contracts (collectively, the “**Cure Amounts**”), shall, to the extent set forth in **Section 1.08** of the Disclosure Schedules, be paid by Buyer, on the Closing Date, and not by Sellers, and Sellers shall have no Liability therefor. If a Cure Amount has not been resolved by the Closing, then Buyer shall not be obligated to pay the disputed Cure Amount unless and until there is a settlement between Sellers and the counterparty to the contract at issue or a court determination as to the merits of the objection. Sellers (and not Buyer) shall pay, and be liable for, any cure amounts that are not set forth in **Section 1.08** of the Disclosure Schedules, and any such amounts shall be paid promptly on or as soon as reasonably practicable after Closing by Sellers. Sellers shall give notice to Buyer, prior to the submission by any Seller of any motion in the Bankruptcy Case, to assume or reject any contract or lease related to the Business, together with a copy of the proposed order from the Bankruptcy Court authorizing the assumption or rejection of such contract or lease; *provided* that, in no event shall any Seller seek to reject, or reject, any contract or lease related to or used in connection with the Business or the Purchased Assets prior to the Closing Date unless prior written approval has been obtained from Buyer. If any such consent to assignment is not obtained or notice is not given prior to the Closing, the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such consent is obtained or notice is given and 12 months following the Closing (or, if the Purchased Asset is a contract as to which Buyer seeks to take an assignment of), the remaining term of such contract, if shorter, Buyer shall use its commercially reasonable efforts to secure such consent or give such notice as promptly as practicable after the Closing and Sellers shall provide or cause to be provided all reasonable assistance to Buyer (not including the giving of any consideration) reasonably requested by Buyer to secure such consent or give such notice, or cooperate in good faith with Buyer (at Buyer’s expense), and without (i) requiring the payment of any amounts by Sellers to any party in order to obtain such party’s consent and (ii) any further consideration paid by Buyer to any Seller, and it being understood that following the Closing, Buyer will own any other Purchased Assets used with respect to such Purchased Asset in any lawful and commercially reasonable arrangement reasonably proposed by Buyer under which (i) Buyer shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs imposed on Sellers) under the Purchased Asset with respect to which the

consent has not been obtained and (ii) Buyer shall assume any related economic burden (including the amount of any related Tax benefit obtained by Sellers) and obligation with respect to such Purchased Asset, including subcontracting, licensing, sublicensing, leasing or subleasing to Buyer any or all of such Seller's rights and obligations with respect to any such Purchased Asset. Upon satisfying any requisite consent or notice requirement applicable to such Purchased Asset after the Closing, such Purchased Asset shall promptly be transferred and assigned to Buyer in accordance with the terms of this Agreement. In connection with and without limiting the foregoing, for so long as a contract as to which Buyer seeks to take an assignment of is not transferred to Buyer, each party hereto will use commercially reasonable efforts and cooperate in good faith with the other party to allow Buyer to perform the services thereunder on Sellers' behalf, in all cases, without infringing upon the legal rights of any third party or violating any Law and subject to the other terms of this **Section 1.08**, such that Sellers may provide delivery with respect to customer commitments thereunder and Buyer shall obtain the economic rights and benefits thereunder.

Section 1.09 Excluding or Adding Assigned Contracts Prior to Closing. Buyer shall have the right, during the period commencing on the date of this Agreement and ending on the day that is five Business Days prior to the Closing Date, to notify Sellers in writing of any Assigned Contract (excluding all Leases) that it does not wish to assume, without any adjustment to the Purchase Price. Subject to the immediately preceding sentence, any such Assigned Contract removed from among the Purchased Assets pursuant to this **Section 1.09** shall be deemed an Excluded Contract and Buyer shall not be responsible for payment of any Cure Amounts associated with Excluded Contracts.

Section 1.10 Withholding. Buyer will be entitled to deduct and withhold from any amount payable pursuant to this Agreement (including payments of the Purchase Price) such amounts as Buyer (or any Affiliate thereof) shall reasonably determine it is required to deduct and withhold with respect to the making of such payment under the Code or any other provision of applicable Law. If Buyer reasonably determines that it is required to withhold or deduct any amount it shall notify Sellers as promptly as practicable prior to the Closing Date and shall reasonably cooperate with Sellers to mitigate such withholding or deduction. To the extent that amounts are so withheld by Buyer, such withheld amounts will be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding were made.

Section 1.11 Assignment to Affiliates of Buyer. Prior to or at the Closing, Buyer shall have the right to assign its rights to receive all or any part of the Purchased Assets and its obligations to assume all or any part of the Assumed Liabilities, in each case to one or more Affiliates of Buyer (each, a "**Designated Buyer**"), by providing as much advance written notice to Sellers as is practicable under the circumstances that identifies such Designated Buyer, its owners and financing sources (which information shall be treated as confidential by Sellers and their Representatives, except as required by Law), and each such Designated Buyer shall be deemed to be a "Buyer" for all purposes hereunder and under any of the other Transaction Documents, except that no such assignment shall release or otherwise relieve Buyer of any of its covenants or obligations hereunder or under any other Transaction Document.

Copies of each Sellers' articles of incorporation and bylaws (or similar organizational documents with different names), each as presently in effect, have been delivered to Buyer.

(b) Except for the Subsidiaries set forth in **Section 3.01(b)** of the Disclosure Schedules, no Seller has any other Subsidiaries and does not own any securities of any other Person or any other interest in any other Person. Each Subsidiary set forth in **Section 3.01(b)** of the Disclosure Schedules is duly incorporated, validly existing and in good standing under the Laws of the jurisdiction of its incorporation. There is no pending or, to Sellers' Knowledge, threatened in writing Action against any Subsidiary set forth in **Section 3.01(b)** of the Disclosure Schedules that relates to or may affect such Subsidiary. Except for the Subsidiaries set forth in **Section 3.01(b)** of the Disclosure Schedules, no other Affiliate of Sellers owns, leases or licenses any assets (other than the Purchased Assets or the Excluded Assets) used in the operation of the Business. Each Subsidiary set forth in **Section 3.01(b)** of the Disclosure Schedules: (i) owns and has good, valid and marketable title to its assets, free and clear of any Encumbrance (except for Permitted Encumbrances); (ii) does not owe any unsecured Indebtedness; and (iii) does not have any unsecured trade debt.

There exist no other Contracts relating to the issuance, sale or transfer of any equity securities of any Seller. There are no outstanding subscription, option, call, warrant (whether or not currently exercisable) or other rights to acquire any equity securities of any Seller. There are no outstanding securities, instruments or obligations that are or may become convertible into or exchangeable for any equity or debt securities of any Seller. Section 3.02 Authority of Sellers; No Conflicts. Each Seller has the requisite power and authority to enter into and to perform its obligations under the Transaction Documents, and the execution, delivery and performance of the Transaction Documents and the consummation of the transactions contemplated thereby, by each Seller have been duly authorized by all necessary actions by its directors, officers and equityholders, as applicable. Neither Sellers nor any of their ERISA Affiliates have ever contributed to, or been obligated to contribute to or had any liability with respect to, (i) a “multiemployer plan” (within the meaning of Sections 3(37) or 4001(a)(3) of ERISA) under Subtitle E of ERISA, (ii) a “multiple employer plan (within the meaning of Section 413(c) of the Code or Section 210(a) of ERISA), or (iii) a “multiple employer welfare arrangement” (within the meaning of Section 3(40) of ERISA). Each Company Employee Benefit Plan has satisfied the minimum funding standards (as defined in Section 302 of ERISA or Section 412 of the Code), whether or not waived. None of the Sellers nor any ERISA Affiliate of Sellers has provided, or is required to provide, security to any Company Employee Benefit Plan. The current value of all “benefit liabilities” within the meaning of Section 4001(a)(16) of ERISA under each Company Employee Benefit Plan that is subject to Title IV of ERISA, does not exceed the current fair market value of the assets of such Company Employee Benefit Plan allocable to such benefit liabilities. No notice of a “reportable event” within the meaning of Section 4043 of ERISA has been or is required to be filed with the Pension Benefit Guaranty Corporation with respect to any Company Employee Benefit Plan. The consummation of the transactions contemplated by this Agreement will not result in the imposition of any Liability on or the posting of any bond by Sellers, Buyer or any ERISA Affiliate of Sellers or Buyer under Section 4063 of ERISA.

(e) There has been no material amendment to, nor announcement by Sellers relating to, or change in employee participation or coverage under, any Company Employee Benefit Plan or collective bargaining agreement that would increase the annual expense of maintaining such plan above the level of the expense incurred for the most recently completed fiscal year with respect to any director, officer, employee, independent contractor or consultant, as applicable. Sellers have not made any commitment or obligation or made any representations to any director, officer, employee, independent contractor or consultant, whether or not legally binding, to adopt a new Employee Benefit Plan or collective bargaining agreement or to amend or modify any Company Employee Benefit Plan.

(f) No Seller is a party to any contract or agreement, plan, or arrangement, including this Agreement, that, individually or collectively with other agreements, and taking into account any transactions or payments contemplated by this Agreement, could reasonably be expected to give rise to the payment to any Person of any amount that would not be fully deductible by Sellers by reason of Section 280G of the Code. No Seller has any obligation to make any reimbursement or other payment to any Person with respect to any Tax imposed under Section 4999 of the Code.

(g) No Company Employee Benefit Plan is a “nonqualified deferred compensation plan” within the meaning of Section 409A(d)(1) of the Code. Each Company Employee Benefit Plan that is subject to Section 409A of the Code has been administered in compliance with its terms and the operational and documentary requirements of Section 409A of the Code and all applicable regulatory guidance (including notices, rulings and proposed and final regulations) thereunder. No Seller has any obligation to gross up, indemnify or otherwise reimburse any individual for any Taxes, interest or penalties incurred pursuant to Section 409A of the Code.

(h) No act or omission has occurred and no condition exists with respect to any Company Employee Benefit Plan that would subject Sellers or any of their ERISA Affiliates, Buyer or any of its Affiliates to any fine, penalty, Tax or other liability or obligation imposed under ERISA, the Code or other legal requirement including, but not limited to, Code Section 4980H. Without limiting the foregoing, each Company Employee Benefit Plan is in material compliance with the Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act, as amended (collectively, the “**Healthcare Reform Law**”), to the extent applicable. The operation of any Company Employee Benefit Plan, which is subject to the Healthcare Reform Law, will not result in the incurrence of any penalty to Sellers pursuant to the Healthcare Reform Law for periods ending prior to the date of this Agreement.

(i) Any terminated Company Employee Benefit Plan has been terminated in compliance with the Code, ERISA and all applicable legal requirements.

(j) No Company Employee Benefit Plan is subject to the provisions of foreign laws or regulations or provides benefits or compensation to any person who resides or provides services primarily outside of the United States.

There has been no “mass layoff” or “plant closing” (as defined by the WARN Act) with respect to any Seller or the Business within the six months prior to execution of this Agreement. No Seller or any Affiliate of any Seller has incurred any Liability under the WARN Act that remains unpaid or unsatisfied. Notwithstanding the foregoing, Buyer shall not have access to (A) any information to the extent relating to any Excluded Asset or Excluded Liability, (B) information relating to the sale process or any alternative transaction with respect to all or portion of the Business, bids received from others in connection with such sale process or alternative transactions and information and analysis (including financial analysis) relating to such bids or alternative transactions, and (C) as and to the extent necessary to avoid contravention or waiver, Sellers may withhold any document or information the disclosure of which could reasonably be expect to violate any Contract or any Law or would result in the waiver of any legal privilege or work-product privilege; *provided* that to the extent practicable, Sellers shall make reasonable and appropriate substitute disclosure

(c) **Notice of Certain Events.** From the date of this Agreement until the Closing, Sellers shall promptly notify Buyer in writing of: (i) any fact, circumstance, event or action the existence, occurrence or taking of which (A) that, individually or in the aggregate, has had or would have a Material Adverse Effect or (B) has resulted in, or could reasonably be expected to result in, the failure of any of the conditions set forth in **Section 8.01** to be satisfied; and (ii) any written notice from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement.

(d) **Name.** Each Seller shall, following the Closing, but in no event later than 15 calendar days after the Closing, cause to be filed a proper certificate of amendment of its certificate of organization and shall execute such documents and all other papers and perform such further acts as may be reasonably required or desirable to effect the change of each Seller's name in each jurisdiction in which it does business to a name that does not include the words "CST Industries", "CST" or any names confusingly similar thereto (the "**Sellers' Marks**"). Offers of employment made to non-Union Business Employee will provide for compensation (including salary, wages, incentive compensation and bonus opportunities) that is no less favorable than that provided immediately prior to the Closing Date and employee benefits (including retirement, welfare and fringe benefits) that are equivalent to those provided to such non-Union Business Employee immediately prior to the Closing Date (subject to any eligibility requirements, but taking into account prior service with Sellers or Sellers' Affiliates). Offers of employment made to Union Business Employee will provide for compensation and employee benefits in accordance with the terms of the applicable collective bargaining agreement (taking into account prior service with Sellers or Sellers' Affiliates). Sellers shall refrain from taking any action which might induce any of Sellers' employees from refusing to accept an offer of employment from Buyer; *provided*, that Sellers shall not make any representations to any of their employees regarding the availability or terms of any offer of employment from Buyer.

(ii) No provision of this Agreement (including this **Section 5.02(a)**) shall (A) create any third party beneficiary rights in any Transferred Employee, or any beneficiary or dependents thereof

(iii) Prior to the Closing Date, Sellers shall have provided any and all notices required under the WARN Act with respect to any “plant closing,” “mass layoff,” group termination, or similar event occurring on or prior to the Closing Date, including as a result of the employment processes contemplated by this **Section 5.02(a)**.

(c) **Severance Plan and Award Letters.** No later than 10 Business Days after the Closing Date, Buyer shall (i) establish a severance plan for certain key executives among the Transferred Employees, and (ii) provide each applicable key executive an award letter evidencing his or her participation in such plan.

Sellers and Buyer shall cooperate in the timely preparation of all Tax Returns as may be required in connection therewith, and Buyer, at its own expense, shall file, or cause to be filed, all such Tax Returns. Sellers, at their sole expense, shall be responsible for preparing and filing within the times and in the manner prescribed by Law (subject, however, to filing under any extension) all Tax Returns of Sellers for all Tax periods.

Buyer and Sellers each agree that it will promptly take such actions as are reasonably necessary to obtain entry of the Sale Order approving this Agreement and authorizing the transactions contemplated hereby, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of (in the case of Buyer) providing necessary assurances of performance by Buyer under this Agreement and demonstrating that Buyer is a “good faith” purchaser under section 363(m) of the Bankruptcy Code. Buyer shall consult with Sellers prior to filing, joining in or otherwise supporting in any manner whatsoever any motion or other pleading relating to the sale of the Purchased Assets hereunder. In the event the entry of the Sale Order is appealed, Sellers and Buyer shall use their respective commercially reasonable efforts to pursue or defend such appeal, as the case may be.

Section 6.02 Approval of Break-Up Fee and Expense Reimbursement. In consideration for Buyer having expended considerable time and expense in connection with this Agreement and the negotiation thereof and the identification and quantification of assets of Sellers, Sellers shall pay Buyer, in accordance with the terms hereof and the Bidding Procedures Order, a break-up fee in an amount equal to \$2,787,000 (the “**Break-Up Fee**”) as well as (i) the amount (not to exceed \$400,000 in the aggregate) of all reasonable and documented third-party fees (including attorneys’ fees), expenses and other costs incurred by Buyer or any of its Affiliates in connection with this Agreement and the transactions contemplated hereby, including all fees and expenses incurred prior to the Petition Date, all fees and expenses relating to the diligence, negotiation, preparation, financing and implementation with respect to the transactions contemplated by this Agreement, and (ii) an amount consisting of any filing fee paid by Buyer relating to the filing of a Notification and Report Form pursuant to the HSR Act and the amount of all reasonable and documented third-party fees (including attorneys’ fees) and other expenses and costs incurred by Buyer or any of its Affiliates in connection therewith (all of which items pursuant to this clause (ii) shall not exceed \$95,000 in the aggregate) ((i) and (ii) of this **Section 6.02** are collectively referred to herein as the “**Expense Reimbursement**”). Buyer may waive its right to receive the Break-Up Fee at any time after Bankruptcy Court approval thereof, including at any auction, if Buyer

The parties hereto acknowledge that under the Bankruptcy Code the sale of Purchased Assets is subject to approval of the Bankruptcy Court. Without limiting the generality of the foregoing, and except as otherwise provided in this Agreement, the parties hereto intend that Buyer shall not be liable for any Encumbrances against any Seller or any of its Affiliates, and that Buyer shall have no successor or vicarious liability of any kind or character whether known or unknown as of the Closing Date or whether fixed or contingent, existing or hereafter arising, with respect to the Business, the Purchased Assets or any Liabilities of any Seller arising on or prior to the Closing Date. The parties hereto agree that a provision substantially in the form of, and with comparable effect (to the extent permitted by law) to, this **Section 6.06** shall be reflected in the Sale Order.

Section 6.07 Back-up Bidder. Notwithstanding anything to the contrary in the Bidding Procedures Order, or the bidding procedures themselves, Sellers and Buyer agree that, in the event that Buyer is not the winning bidder at the auction undertaken pursuant to the Bidding Procedures Order, Buyer shall act as the Back-up Bidder if so designated by Sellers at the auction; *provided, however*, that Buyer shall not be obligated to serve as Back-up Bidder for more than 30 calendar days after the entry of an Order approving any such sale unless Buyer agrees to do so, in its sole and absolute discretion.

(a) by mutual written agreement of Sellers and Buyer;

(b) by Sellers or Buyer, if any Law that makes the consummation of the transactions contemplated hereby illegal or otherwise prohibited is enacted, adopted or promulgated, or if there shall be in effect a final and non-appealable Governmental Order restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated hereby; *provided, however*, that the right to terminate this Agreement under this **Section 9.01(b)** shall not be available to a party if such Law or Governmental Order can be demonstrated was primarily due to the failure of such party to perform any of its obligations under this Agreement;

(c) by Sellers or Buyer, if the Bankruptcy Court enters an order that otherwise precludes the consummation of the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement;

(d) by Buyer, if Sellers shall have materially breached or failed to perform any of their respective representations, warranties, covenants or agreements set forth in this Agreement, such that the conditions set forth in **Section 8.01** would not be satisfied and such breach or failure to perform is incapable of being cured or, if capable of being cured, shall not have been cured within 20 Business Days following receipt by Sellers of written notice of such breach from Buyer, or if Sellers shall have failed to list in the Disclosure Schedules any item whose existence or occurrence has or will have a Material Adverse Effect on Sellers, regardless whether such item is subsequently disclosed in any new schedules or supplement or amendment to the Disclosure Schedules delivered to Buyer in accordance with **Section 11.13**; *provided, however*, that a termination by Buyer pursuant to this **Section 9.01(d)** shall not relieve Sellers of Liability for such breach(es) or otherwise;

(e) by Sellers, if Buyer shall have materially breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement, such that the conditions set forth in **Section 8.02** would not be satisfied and such breach or failure to perform is incapable of being cured or, if capable of being cured, shall not have been cured within 20 Business Days following receipt by Buyer of written notice of such breach from Sellers;

(f) by either Buyer or Sellers, if Sellers (i) consummate an Alternative Transaction (other than with Buyer), (ii) file a motion seeking approval of chapter 11 plan (other than involving Buyer) that contemplates the sale or retention of the Purchased Assets in a manner substantially inconsistent with the terms of this Agreement or (iii) Sellers execute and deliver an agreement or understanding of any kind with respect to an Alternative Transaction with any party other than Buyer (other than an agreement pertaining to a Back-up Bid) and Buyer is no longer obligated to be a Back-up Bidder;

(h) by Buyer, if the Sale Order is not entered within 60 calendar days after the Bidding Procedures Order is entered by the Bankruptcy Court;

In the event of termination and abandonment by Sellers or Buyer or both pursuant to **Section 9.01** hereof, written notice thereof shall forthwith be given to the other party, and this Agreement shall terminate, and transactions contemplated hereby shall be abandoned, without further action by any party.

Section 9.03 Effect of Termination.

(a) Each party's right of termination under **Section 9.01** is in addition to any other rights it may have under this Agreement, and the exercise of a right of termination will not be an election of remedies. If this Agreement is terminated pursuant to **Section 9.01**, then all further obligations of the parties under this Agreement will terminate, except that the obligations in **Article IX**, **Article X** and **Article XI** will survive for five years; *provided, however*, that if this Agreement is terminated by Sellers because of the willful or intentional breach of this Agreement by Buyer or because one or more of the conditions to the Sellers' obligations under this Agreement are not satisfied as a result of Buyer's failure to comply with its obligations under this Agreement, Sellers' sole and exclusive remedy against Buyer and Guarantor, except in the case of fraud (as determined by a court of competent jurisdiction pursuant to a final, non-appealable order), shall be to receive the Deposit as liquidated damages.

Accordingly, if Sellers fail to pay the amount payable under **Section 9.03(b)**, then Sellers shall also pay to Buyer all costs and expenses (including reasonable documented attorneys' fees and expenses) incurred by Buyer and its Affiliates in connection with the collection of such overdue amounts and the enforcement by Buyer of its rights under **Section 9.03(b)**. Such costs and expenses shall be treated as an administrative expense of Sellers' bankruptcy estate under sections 503(b) or 507(b) of the Bankruptcy Code with priority over all other administrative expenses in the Bankruptcy Case, including any administrative expense claims that may have priority over certain other administrative expenses.

Section 11.03 Interpretation. For purposes of this Agreement, (a) the words “include,” “includes” and “including” shall be deemed to be followed by the words “without limitation”; (b) the word “or” is not exclusive; (c) the words “herein,” “hereof,” “hereby,” “hereto” and “hereunder” refer to this Agreement as a whole; (d) the words “complete list” used in **Article III** shall not give rise to any

right to claim that such list contains an untrue statement of any material fact or omits any material fact necessary to make the statements contained therein, in light of the circumstances in which they were made, not misleading; *provided, however*, that if any such list set forth on a Disclosure Schedule to **Article III** does not include a list of all of the items referred to in such applicable representation or warranty, then the failure of such list to include such items may constitute a breach of such applicable representation or warranty; and (e) the word “Seller” shall mean to include each Seller and all of the Sellers, unless the operative language expressly indicates a particular Seller. Unless the context otherwise requires, references herein: (x) to Articles, Sections and Disclosure Schedules mean the Articles and Sections of, and Disclosure Schedules attached to, this Agreement; (y) to an agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The parties hereto have participated jointly in the negotiation and drafting of this Agreement and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement. The Disclosure Schedules referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 11.04 Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 11.05 Entire Agreement. This Agreement and the other Transaction Documents constitute the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter (including any letter of intent, indication of interest and confidentiality agreement between Buyer and Sellers). In the event of any inconsistency between the statements in the body of this Agreement and those in the other Transaction Documents or Disclosure Schedules (other than an exception expressly set forth as such in the Disclosure Schedules), the statements in the body of this Agreement will control.

Section 11.06 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. Upon any such permitted assignment, the references in this Agreement to Buyer shall also apply to any such assignee(s) and/or designee(s) unless the context otherwise requires. No assignment of any obligations hereunder shall relieve such party of any such obligations.

Section 11.07 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 11.08 Amendment and Modification; Waiver. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. No notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to herein.

Section 11.09 Governing Law; Submission to Jurisdiction.

(a) Governing Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD OTHERWISE DIRECT THE APPLICATION OF THE LAWS OF A DIFFERENT JURISDICTION.

The parties agree therefore that, in the event that any party violates or fails or refuses to perform any covenant or agreement made by such party in this Agreement, the non-breaching party may, subject to the terms of this Agreement, institute and prosecute an Action in any court of competent jurisdiction to enforce specific performance of such covenant or agreement or seek any other equitable relief; *provided, however*, that the foregoing shall not contravene or otherwise conflict with the provisions of **Section 1.06(g)** of this Agreement.
