In addition, the cure payments, if any, necessary for the assumption and assignment of the Designated Contracts (the “Cure Payments”) is set forth on the Designated Contracts List.

**PLEASE TAKE FURTHER NOTICE** that the hearing to consider approval of certain of the relief sought in the Sale Motion, including the Assumption and Assignment Procedures, will be held on **November 14, 2017 at 10:00 a.m. (prevailing Eastern Time)** before the Honorable Brendan L. Shannon in the United States Bankruptcy Court for the District of Delaware, 824 North Market Street, 6th Floor, Courtroom No. 1, Wilmington, Delaware 19801.

**PLEASE TAKE FURTHER NOTICE** that, if you agree with assumption of your Designated Contract and the Cure Amount indicated on the schedule annexed hereto, you need not take any further action.

**PLEASE TAKE FURTHER NOTICE** that, any party that fails to object to the applicable Cure Amount for such Designated Contract to be assumed and assigned under the Sale Transaction shall be forever barred, estopped and enjoined from disputing the Cure Amount and/or from asserting any claim against the applicable Debtor arising under section 365(b)(1) of the Bankruptcy Code except as set forth on the Designated Contracts List.

**YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO A POTENTIAL DESIGNATED CONTRACT.** Under the terms of the proposed Assumption and Assignment Procedures, the Stalking Horse Bidder may modify the list of Designated Contracts up until five (5) business days prior to the closing under the Stalking Horse APA, and the Debtors reserve the right at any time before the closing of a Sale, to: (a) supplement the list of Designated Contracts with previously omitted executory contracts or unexpired leases; (b) remove a contract or unexpired lease from the list of contracts and unexpired leases ultimately selected as Designated Contracts that a Successful Bidder(s) proposes be assumed and assigned to it in connection with a Sale or add to such list; and/or (c) modify the previously stated Cure Payment associated with any Designated Contract. The proposed Assumption and Assignment Procedures further provide that any counterparty impacted by such a modification will receive notice thereof (the “Supplemental Assumption Notice”) and an opportunity to object to the proposed assumption and assignment of the Designated Contract, if applicable.

#### **Obtaining Additional Information**

### **Important Proposed Dates and Deadlines**

1. The Auction for the Purchased Assets, if one is necessary, will commence **on November 7, 2017 at 10:00 a.m. (prevailing Eastern Time)**, or such other date as determined by the Bankruptcy Court, at the offices of Hughes Hubbard & Reed LLP, One Battery Park Plaza, New York, NY 10004 (or at any other location as the Debtors may hereafter designate on proper notice).
2. The proposed deadline to file an objection with the Bankruptcy Court to the entry of an order approving the sale (the "**Sale Order**") to the Stalking Horse Bidder or to a Successful Bidder other than the Stalking Horse Bidder (collectively, "**Sale Objections**") is **November 10, 2017 at 12:00 p.m. (prevailing Eastern Time)** (the "**Sale Objection Deadline**").
3. A hearing (the "**Sale Hearing**") to consider the proposed Sale will be held before the Bankruptcy Court **on November 14, 2017 at 10:00 a.m. (prevailing Eastern Time)**, or such other date as determined by the Bankruptcy Court, at 824 North Market Street, Wilmington, Delaware 19801.

### **Filing Assumption and Assignment Objections**

Pursuant to the Assumption and Assignment Procedures, objections to the proposed assumption and assignment of a Designated Contract ("**Designated Contract Objections**"), including any objection relating to the Cure Payment and/or adequate assurance of future performance, must: (a) be in writing; (b) state with specificity the nature of such objection and alleged Cure Payment, including applicable and appropriate documentation in support of such alleged Cure Payment; (c) comply with the Bankruptcy Rules and the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "**Local Rules**"); and (d) be filed with the Bankruptcy Court and served so as to be **actually received** on or before (i) **fourteen days (14) after the date on which this notice was served, or** (ii) **for those counterparties that receive a Supplemental Assumption Notice, fourteen days (14) after service of such Supplemental Assumption Notice** ("**Supplemental Designated Contract Objection**").

If a counterparty to a Designated Contract files a Supplemental Designated Contract Objection in a manner that is consistent with the requirements set forth in the Assumption and Assignment Procedures, and the parties are unable to consensually resolve the dispute, the Debtors will seek an expedited hearing before the Court (a "**Supplemental Designated Contract Hearing**") to determine the Cure Costs, if any, and approve the assumption of the relevant Designated Contracts, unless the Successful Bidder elects not to assume the Designated Contract.

Failure to timely file a Designated Contract Objection shall constitute a waiver of any objections related to accepting performance by, or rendering performance to, the Stalking Horse Bidder or Successful Bidder(s), as applicable, for purposes of section 365(c)(1) of the Bankruptcy Code.

Any objections will be considered at the Sale Hearing, or as soon thereafter as counsel may be heard, and must be served on the following parties: (i) counsel for the Debtors, Hughes

**List of Designated Contracts**<sup>3</sup>

The Debtors are serving each counterparty to a Designated Contract with an individualized notice listing the proposed cure amount for such counterparty.

For each contract listed on Schedule 1.01(e) to the Stalking Horse APA except for those that are also listed on Schedule 1.08 to the Stalking Horse APA, the proposed cure amount is \$0.

For each contract listed on Schedule 1.08 to the Stalking Horse APA, a copy of which is attached, the proposed cure amount is the amount listed on Schedule 1.08 with respect to such contract.

---

<sup>3</sup> The inclusion of a Designated Contract on this Notice of Assumption and Assignment (or any Supplemental Notice of Assumption and Assignment) will not: (a) obligate the Debtors to assume any Designated Contract listed thereon or the Successful Bidder(s) to take assignment of such Designated Contract; or (b) constitute any admission or agreement of the Debtors that such Designated Contract is an executory contract. Only those Designated Contracts that are included on a schedule of assumed and acquired contracts attached to the Stalking Horse APA, or the final asset purchase agreement with the Successful Bidder(s) following the Auction, if any (including amendments or modifications to such schedules in accordance with such asset purchase agreement) will be assumed and assigned to the Stalking Horse Bidder (or other Successful Bidder following the Auction, if any).
