News You Can Use

**PREVENT DISCONNECT**  
All charges must be paid each month to keep your account current. However, "basic service" and its applicable taxes and surcharges **MUST** be paid to avoid disconnection. Currently, for this account that amount is \$516.00. Failure to pay non-basic charges may result in other collection activities, including restriction of toll calls.

**CARRIER INFORMATION**  
Our records show that you have not selected a primary local toll or a long distance carrier. Please contact us if this does not agree with your records.

**THIRD-PARTY BLOCKING**  
AT&T sometimes bills charges on behalf of other companies. We offer third-party bill blocking to prevent billing of certain "enhanced" service charges, at no charge. Third-party bill blocking does not affect billing for long-distance or operator services. It also does not affect billing by AT&T affiliates or members of our marketing alliances. To order third-party bill blocking, please call us at the toll free number on your bill. For additional information regarding third-party charges, please visit us online at att.net/smartcontrols-Cramming.

**MARINE SERVICE**  
AT&T no longer provides Marine or Maritime service from radio telephones on vessels. If you are planning to be at sea or on waterways, you may want to check with your wireless carrier to determine an applicable wireless plan. If emergency assistance is needed when on U.S waterways or at sea, please contact the U.S. Coast Guard. For more information, please call the toll free number on your bill.

Local Services provided by AT&T California or AT&T Nevada based upon the service address location.

News You Can Use

**PREVENT DISCONNECT**  
All charges must be paid each month to keep your account current. However, "basic service" and its applicable taxes and surcharges **MUST** be paid to avoid disconnection. Currently, for this account that amount is \$774.00. Failure to pay non-basic charges may result in other collection activities, including restriction of toll calls.

**CARRIER INFORMATION**  
Our records show that you have not selected a primary local toll or a long distance carrier. Please contact us if this does not agree with your records.

**THIRD-PARTY BLOCKING**  
AT&T sometimes bills charges on behalf of other companies. We offer third-party bill blocking to prevent billing of certain "enhanced" service charges, at no charge. Third-party bill blocking does not affect billing for long-distance or operator services. It also does not affect billing by AT&T affiliates or members of our marketing alliances. To order third-party bill blocking, please call us at the toll free number on your bill. For additional information regarding third-party charges, please visit us online at att.net/smartcontrols-Cramming.

**MARINE SERVICE**  
AT&T no longer provides Marine or Maritime service from radio telephones on vessels. If you are planning to be at sea or on waterways, you may want to check with your wireless carrier to determine an applicable wireless plan. If emergency assistance is needed when on U.S. waterways or at sea, please contact the U.S. Coast Guard. For more information, please call the toll free number on your bill.

All charges must be paid each month to keep your account current. However, "basic service" and its applicable taxes and surcharges MUST be paid to avoid disconnection. Currently, for this account that amount is \$405.76. Failure to pay non-basic charges may result in other collection activities, including restriction of toll calls.

##### CARRIER INFORMATION

Our records show that you have selected AT&T Corp. or a company that resells their services as your primary local toll carrier and that you have chosen not to select a long distance carrier. Please contact us if this does not agree with your records.

##### THIRD-PARTY BLOCKING

AT&T sometimes bills charges on behalf of other companies. We offer third-party bill blocking to prevent billing of certain "enhanced" service charges, at no charge. Third-party bill blocking does not affect billing for long-distance or operator services. It also does not affect billing by AT&T affiliates or members of our marketing alliances. To order third-party bill blocking, please call us at the toll free number on your bill. For additional information regarding third-party charges, please visit us online at att.net/smartcontrols-Cramming.
