Bankruptcy Case No. 16-24818

(Chapter 11)

Judge William T. Thurman

Adversary Proceeding No. 16-2095

**NOTICE OF
PROPOSED WARN CLASS ACTION SETTLEMENT AND FAIRNESS HEARING**

There is currently pending before the United States Bankruptcy Court for the District of Utah (the “Court”) a lawsuit titled *Matthew Chenault, on behalf of himself and all others similarly situated v. CS Mining, LLC*, under case number: 16-2095 (WTT) (the “Action”).

The parties to this Action have reached a proposed settlement (the “Settlement”) under which, among other things, benefits would be provided to the Class Members, Class Representative, and Class Counsel (each defined below).

The Court has authorized the sending of this *Notice of Proposed Class Settlement and Fairness Hearing* (the “Notice of Settlement”). You should review this Notice of Settlement carefully as your rights may be affected by the proposed Settlement.

SUMMARY OF THE CLASS

The class members (referred to collectively as “Class Members,” the “Class,” and individually as “Class Member”) in this Action are: all similarly-situated employees of the Debtor, together with the Class Representative, (i) who worked at or reported to Debtor’s Facilities and were terminated without

cause on or about May 17, 2016, within 30 days of that date, (ii) or were terminated without cause as the reasonably foreseeable consequence of the mass layoffs and/or plant closings ordered by Debtor on that date, (iii) who are “affected employees” within the meaning of 29 U.S.C. § 2101(a)(5), and (iv) who have not filed a timely request to opt-out of the Class.

Matthew Chenault (the “Class Representative”), is a former employee of the Debtor and brought this Action on behalf of the Class Members.

DESCRIPTION OF THE ACTION

On or about May 17, 2016, the Debtor terminated certain employees who worked at, or reported to, the Debtor’s facility in Milford, Utah, including the Class Representative and Class Members.

On June 2, 2016, an involuntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) was filed against the Debtor in this Court under Bankruptcy Case No. 16-24818 (WTT).

On June 7, 2016, the Class Representative commenced this lawsuit by filing a complaint against the Debtor on behalf of himself and the Class Members, seeking to recover 60 days’ wages and benefits for employees who worked at the Milford facility and who were allegedly terminated by the Debtor without being provided proper notice as required by the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101, et seq.

On August 29, 2016, the Debtor answered the complaint and asserted affirmative defenses.

On May 1, 2017, the Court entered an order certifying the Class.

On May 24, 2017, Notice of the Action was mailed by Class Counsel to the 143 putative class members as identified by Debtor. Nine employees elected to opt out of the Class by timely completing and returning an opt out form.

On November 6, 2017, following discovery, the Class Representative filed a Motion to Strike Affirmative Defenses or for Partial Summary Judgment, which the Debtor opposed.

On December 20, 2017, the Class Representative’s Motion was granted, and the Bankruptcy Court struck two of the Debtor’s affirmative defenses to the WARN Action.

Thereafter, the Court scheduled the Action for trial to commence on April 6, 2018 on the Debtor’s remaining good faith defense and damages.

To avoid the time and cost associated with trial and likely appeal, the Parties entered into good faith, arms-length negotiations regarding a resolution of the WARN Action.

Following settlement negotiations over several days with the assistance of Chief Judge Mosier, the Parties reached a Settlement, subject to final approval by the Court.

At a hearing held on March 2, 2018, the Court (i) preliminarily approved the Settlement, (ii) approved this Notice of Settlement, and (iii) scheduled a hearing on March 28, 2018 at 3:00 p.m. in Courtroom 341 of the United States Bankruptcy Court for the District of Utah, Central Division, Frank E. Moss U.S. Courthouse, 350 Main Street, Salt Lake City Utah 84101, for the final approval of the Settlement (the “Fairness Hearing”).

THE PROPOSED SETTLEMENT

The proposed Settlement is set forth in the settlement agreement (the “Settlement Agreement”). The following description of the proposed Settlement is only a summary and any inconsistency with the terms of the proposed Settlement shall be governed by the terms of the Settlement Agreement. You may request the complete text of the Settlement Agreement from Class Counsel, Attn: René S. Roupinian, Esq., at Outten & Golden LLP, 685 Third Avenue, 25th Floor, New York, New York 10017, by telephone at (212) 245-1000, by fax to her attention at (212) 977-4005, or by email to rsr@outtengolden.com

The principal terms of the proposed Settlement Agreement can be summarized as follows:

- a. Settlement Amount: The Debtor will pay a total of \$1,100,000, inclusive of Class Counsel’s attorneys’ fees and expenses, and the Service Payment to the Class Representative (the “Settlement Amount”) within 15 calendar days of the Final Approval Date. The Settlement Fund amount is the equivalent of approximately 85% of the Class’ priority claim.
- b. Responsibilities of Debtor: The Debtor will be responsible for the administration of the settlement, including distributing the Settlement Amount to the Class Members as set forth in the Settlement Agreement and to manage all applicable tax withholdings and reporting.
- c. Class Counsel Fees: Class Counsel, subject to Bankruptcy Court approval, will receive reasonable attorneys’ fees in the amount of one third (1/3) of the Settlement Amount (net of the Service Payment to the Class Representative), and reimbursement of actual expenses incurred as payment in full for their professional fees and expenses in connection with this matter.
- d. Allocation of Settlement Amount: Class Counsel will be responsible for calculating the payment amounts for the 134 individual Class Members. The Debtor will distribute the amounts due to each Class Member net of payroll taxes.
- e. Treatment of Residual Funds: If there are any Settlement Funds remaining for any reason, including Settlement checks which are not deposited, endorsed or negotiated, within 60 days of their date of issuance, these Residual Funds will be donated to the National Employment Lawyers Association, a non-profit organization dedicated to advancing employee rights in the workplace. No portion of the Residual Funds will

revert to the Debtor's estate or be retained by Class Counsel, except any overpayments related to employer tax contributions, which will revert to the Debtor's estate.

- f. Service Payment to Class Representative: The Debtor will pay Class Counsel the additional amount of \$10,000, which shall be distributed to the Class Representative as a one-time Service Payment for his services on behalf of the Class.
- g. Taxes: Payments from the Settlement Amount to Class Members shall be made net of all applicable employment taxes to be withheld from such payments as determined to be due by the Debtor, including, without limitation, FICA tax and federal, state and local income tax withholding. All applicable amounts (i) withheld from the Class Members, including, without limitation, the employee portion of FICA tax and federal, state and local income tax withholding, and (ii) any and all applicable employer tax contributions, including but not limited to the Debtor's shares of the FICA tax and any federal and state unemployment tax due, shall be reported to the Internal Revenue Service ("IRS") or other applicable taxing authorities when payment becomes due and owing and reported under the payee's name and social security number on a W-2 Form and any applicable state or local tax form. All applicable employer tax contributions, including but not limited to the Debtor's share of the FICA tax and any federal and state unemployment tax due, shall be paid by the Debtor, and shall not be paid out of the Settlement Amount.
- h. Release By Settlement Class: As of the Final Approval Date, all Class Members will fully and forever release and discharge the Debtor, the Debtor's estate, and their current and former investors, subsidiary and affiliated entities, any potential "single employer" under the WARN Act, and their respective officers, directors, agents, employees, partners, members, accountants, attorneys, representatives and other agents, and all of their respective predecessors, successors and assigns (collectively, the "Released Parties"), from any and all Claims, demands, debts, liabilities, obligations, liens, actions and causes of action, costs, expenses, attorneys' fees and damages of whatever kind or nature, at law, in equity or otherwise, whether known or unknown, anticipated, suspected or disclosed, which the Class Members may now have or hereafter may have against the Released Parties, arising out of the termination of the Class Members' employment by the Debtor which relate to or are based on: (i) any Claims asserted or that could have been asserted in the WARN Action; and (ii) any alleged violation of the WARN Act, or any other federal, state, or municipal law or legal Claim based on similar factual allegations. The Claims released hereunder are referred to herein as the "Released Claims." The Released Parties expressly reserve the right to object to, offset or oppose any and all Claims, obligations, or causes of action of any type, except those Claims expressly allowed in this Settlement Agreement. Upon the distribution of the Settlement Amount in accordance with this Settlement Agreement, the Class Members agree that any Claims that have been scheduled on behalf of, or filed by, the Class Representative or the Class Members in the Debtor's bankruptcy case, on account of any alleged violation of the WARN Act or any other federal, state, or municipal law or legal claim based on similar factual allegations, including, without limitation, the individual WARN Act Claims are disallowed in their entirety and shall be deemed expunged from the Debtor's schedules or claims register, as applicable.

- i. Effectiveness of the Settlement: The effectiveness of this Settlement shall be subject to, and contingent upon, the entry of an order of the Bankruptcy Court at the Final Fairness Hearing, approving this Settlement and upon such order having become final and non-appealable.

ATTORNEYS' FEES

As set forth above, Class Counsel is seeking the Court's approval of its Class Counsel's Fees, which include attorneys' fees in the amount of one-third percent of the Settlement Amount and the reimbursement of its actual expenses.

CLASS COUNSEL'S RECOMMENDATION

Class Counsel recommends the Settlement as fair, reasonable and adequate to the Class.

FINAL FAIRNESS HEARING

The proposed Settlement will be presented to the Court for final approval at the Fairness Hearing to be held before the Honorable William T. Thurman on March 28, 2018 at 3:00 p.m., in Courtroom _____ of the United States Bankruptcy Court for the District of Utah, Central Division, Frank E. Moss, U.S. Courthouse, 350 Main Street, Salt Lake City Utah 84101.

The Court will, at that time, decide whether the Settlement is fair, reasonable and adequate to the Class Members and whether the request of Class Counsel for Class Counsel's Fees should be approved.

As explained below, you have the right to object to the proposed Settlement, including the Class Counsel's request for attorneys' fees and expenses, and to appear in person at the Fairness Hearing to be heard, or to retain counsel to do so on your behalf.

HOW TO OBJECT

If you are satisfied with the proposed Settlement, including Class Counsel's requested fees and expenses, you need to do nothing and you will receive a payment on account of your WARN claim, net of attorneys' fees and expenses, in accordance with the Settlement Agreement.

If, on the other hand, you believe that the proposed Settlement is unfair or inadequate, or that Class Counsel's Fees should not be approved, you may object to the Settlement and/or the request for Class Counsel's Fees. Objections or other responses must be: (I) **FILED** with the Clerk of the Bankruptcy Court for the District of Utah, Central Division, Frank E. Moss U.S. Courthouse, 350 Main Street, Salt Lake City Utah 84101 by **March 26, 2018**; (II) **MAILED** so as to be actually received on or before **March 26, 2018** which is more than 21 days after the date of this Notice Of Settlement (the "Objection Deadline") by counsel to the Parties as follows: (a) Class Counsel, Outten & Golden LLP, 685 Third Avenue, 25th Floor, New York, New York 10017, Attn: René S. Roupinian, Esq.; (b) Counsel for the Debtor, Pepper Hamilton LLP, Hercules Plaza, Suite 5100,

1313 N. Market Street, Wilmington, DE 19899-1709, Attn: Donald J. Detweiler, Esq. and Francis J. Lawall Esq.; and (III) include the case name and number, your name, address and telephone number, together with the basis for your objection. Any objection must be in writing and timely submitted or else it is waived.

You may also retain your own attorney should you so desire. You or your counsel must also appear at the Fairness Hearing when the Court considers your objection and final approval of the Settlement.

If you or your attorney do not timely object, the Court may decide that you do not oppose the relief sought and it may enter an order approving the Settlement on a final basis.

OTHER INFORMATION

If you have any questions, please do not write to or call the Court or counsel for the Debtor. Any questions you may have concerning the proposed Settlement should be directed to Class Counsel, Attn: René S. Roupinian, Esq., 685 Third Avenue, 25th Floor, New York, New York 10017, by telephone at (212) 245-1000, by fax to her attention at (646) 509-2070, or by email to rsr@outtengolden.com.

This Notice of Settlement does not reflect any opinion of the Court regarding the claims or defenses of the Parties.

Requests for more information should be made by phone, email or first-class mail to Class Counsel as identified above.
