TRUSTEE'S MOTION FOR AN ORDER TO (I) ESTABLISH A SECOND INTERIM DISTRIBUTION FUND FOR UNSECURED GENERAL CREDITOR CLAIMS, (II) RELEASE RESERVES FROM THE SECURED AND PRIORITY RESERVE AND THE FIRST INTERIM DISTRIBUTION FUND, AND (III) MAKE A SECOND INTERIM DISTRIBUTION TO HOLDERS OF ALLOWED UNSECURED GENERAL CREDITOR CLAIMS WITH A RECORD DATE OF FEBRUARY 6, 2015

James W. Giddens (the "Trustee"), as Trustee for the liquidation of the business of Lehman Brothers Inc. ("LBI") under the Securities Investor Protection Act of 1970, as amended, 15 U.S.C. sections 78aaa et seq. ("SIPA"), by and through his undersigned counsel, hereby submits this motion to authorize the Trustee to: (i) establish a second interim distribution fund for unsecured general creditor claims; (ii) release reserves from the Secured and Priority Claim Reserve and from the First Interim Distribution Fund; and (iii) make a second interim distribution to record holders of unsecured general creditor claims as of February 6, 2015 (the "Record Date") that are currently allowed or become allowable (the "Motion"). In support of the Motion, the Trustee respectfully states the following:

Preliminary Statement

1. Having distributed more than $3.7 billion to LBI's creditors since July 2014, the Trustee now seeks the Court's approval to increase distributions to unsecured general creditors by approximately $2.2 billion. If approved, this second interim distribution would achieve a cumulative twenty-seven percent interim distribution to LBI's unsecured general creditors, with the prospect of further distributions still to come.

2. The Trustee is able to proceed with this second interim distribution due to substantial progress in resolving disputed customer and general creditor claims. Since the first distributions on secured, administrative, and priority claims in July 2014 and on unsecured general creditor claims in September 2014, the Trustee has resolved nearly 900 further claims through negotiation and litigation, allowing for the release of over half a billion dollars that had previously been set aside as reserves. In addition, the Trustee's further resolution of customer claims and recovery of customer property allowed him to allocate another $1.2 billion from the customer estate to the general estate. These funds, as well as assets marshaled through securities sales, unwinds of counterparty contracts, and settlements with former Lehman affiliates around the globe, have created a sufficient pool of available cash from which the Trustee can significantly augment the distribution to unsecured general creditors.

3. This proposed second distribution is a remarkable achievement considering the historic circumstances of LBI's collapse. Indeed, when the Trustee was appointed in September 2008, the specter of customer losses loomed large, and the prospect of any distribution to unsecured general creditors appeared remote. By now, over one hundred thousand customers have received one-hundred percent distributions of $106 billion in customer property, secured and priority claims have been paid in full, and unsecured general creditors stand to receive more than a quarter of their allowed claims, with future distributions likely.

4. While further work remains to resolve disputed claims and marshal assets, including through litigation with Barclays Capital Inc., by this Motion the Trustee seeks the Court's permission to create a $2.45 billion distribution fund for the purposes of making the proposed second interim distribution to record holders of allowed claims and maintaining sufficient reserves for unresolved claims. These reserves are essential to making interim distributions as they permit the immediate distribution of available property to those known to be entitled to it while at the same time avoiding prejudice to holders of unresolved claims.

5. This second interim distribution will further the Trustee's goal of winding down and concluding this proceeding as promptly as possible, for the benefit of the estate's customers and creditors.

6. The Securities Investor Protection Corporation, which oversees all aspects of this liquidation, supports the relief requested.

Background

7. On September 19, 2008 (the "Filing Date"), the Honorable Gerard E. Lynch, United States District Court Judge for the Southern District of New York, entered the Order Commencing Liquidation of LBI (the "LBI Liquidation Order," ECF. No. 1) pursuant to the provisions of SIPA in the case captioned Securities Investor Protection Corporation v. Lehman Brothers Inc., Case No. 08-CIV-8119 (GEL). The LBI Liquidation Order, inter alia, (i) appointed the Trustee for the liquidation of the business of LBI pursuant to section 78eee(b)(3) of SIPA and (ii) removed the case to this Court pursuant to section 78eee(b)(4) of SIPA, in the case captioned In re Lehman Brothers Inc., Case No. 08-01420 (JMP) (the "SIPA Proceeding").

8. On November 15, 2012, the Court entered the Order Pursuant to Section 105(a) of the Bankruptcy Code and Bankruptcy Rules 3007 and 9019(b) for Approval of General Creditor Claim Objection Procedures (the "Objection Procedures Order," ECF No. 5441) establishing

procedures for the Trustee to object to general creditor claims. A report on the Trustee's progress on general creditor claims was filed concurrently herewith. Alongside the resolution of general creditor claims, the Trustee has made substantial distributions to LBI creditors pursuant to this Court's Orders.

General Estate Distributions

First Interim General Unsecured Claim Distribution

9. The Court entered an order granting the Trustee's First Interim Distribution Motion on July 30, 2014[1] (the "First Interim Distribution Order," ECF No. 9520). On August 15, 2014, pursuant to the First Interim Distribution Order, the Trustee filed a Distribution Notice to General Unsecured Creditors[2] establishing a First Interim Distribution Fund of $4.618 billion, of which the Trustee distributed $3.457 billion beginning in September 2014.

10. As of December 31, 2014, the remaining $1.163 billion[3] of the First Interim Distribution Fund related to reserves of: (i) $479 million subject to release (pursuant to this Motion) as no longer necessary; (ii) $445 million equal to seventeen percent of the capped amounts of all unresolved claims; and (iii) $239 million for the seventeen percent distribution on allowed claims of claimants who have not provided the Trustee with necessary distribution information.

---

1. Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing An Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to Make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "First Interim Distribution Motion," ECF No. 9246).

2. Notice to Holders of all General Unsecured Creditor Claims Regarding the First Interim Distribution to Allowed General Unsecured Creditors, Establishment of the First Interim Distribution Fund, and the Trustee's First Supplemental Distribution Schedule of General Creditor (ECF No. 9647).

3. Several claims were erroneously not included on the original capping schedules or were not included in their proper amount. The Trustee has since placed these claims on Supplemental Distribution Schedules filed with the Court, with explanations. As a result the First Interim Distribution Fund was increased by $2 million to accommodate these claims.

11. Between the creation of the First Interim Distribution Fund on August 15, 2014, and December 31, 2014, the Trustee resolved 545 general creditor claims for amounts less than their capped amounts. As a result, the amount reserved for such claims in the First Interim Distribution Fund – seventeen percent of the capped amount – no longer needs to be maintained. Instead, $479 million in reserves can be released from the First Interim Distribution Fund as follows: (i) $379 million related to claims that were allowed or settled for less than their capped amounts; (ii) $96 million related to claims that were voluntarily withdrawn or expunged by Court order; and (iii) $4 million related to claims that were subordinated or reclassified to equity. The holders of the claims for whom these reserves were initially set have either received allowed claims and commensurate distributions or have had their entitlement to allowed claims denied by the Court.

12. Other than the release of reserves that are no longer necessary (as set forth in Paragraph 11), the First Interim Distribution Fund is unaffected by the relief sought in this Motion. It will continue to hold a reserve equivalent to seventeen percent of the capped amount of all unresolved claims. Holders of unsecured claims as of the record date for the first interim general unsecured claim distribution (July 15, 2014) will remain entitled to a seventeen percent distribution on their claims if those claims are allowed and upon the return of the necessary distribution information.

Secured, Administrative, and Priority Claim Distribution

13. On July 2, 2014, the Court entered an Order granting the Trustee's Secured and Priority Claim Reserve Motion[4] (the "Secured and Priority Reserve Order," ECF No. 9273).

4. Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed

Pursuant to the Secured and Priority Reserve Order, the Trustee established a Secured and Priority Claim Reserve of $621 million,[5] of which the Trustee distributed $251 million beginning in July 2014.

14. As of December 31, 2014, the remaining $370 million Secured and Priority Claim Reserve related to reserves of: (i) $301 million representing the full, capped amount of disputed claims;[6] (ii) $68 million subject to release (pursuant to this Motion) as no longer necessary; and (iii) $1 million for distribution on allowed secured and priority claims of claimants who have not provided the Trustee with necessary distribution information.

15. Between the creation of the Secured and Priority Claim Reserve on July 16, 2014, and December 31, 2014, the Trustee resolved 358 secured and priority claims for amounts less than the reserved amount of such claims. As a result, the amounts reserved for such claims in the Secured and Priority Claim Reserve no longer needs to be maintained. Instead, $68 million can be released from the Secured and Priority Claim Reserve as follows: (i) $36 million relating to claims that were voluntarily withdrawn or expunged by Court order; (ii) $30 million related to claims that were allowed or settled for less than the reserved amounts; and (iii) $2 million relating to claims that were subordinated or reclassified to equity.

16. Other than the release of reserves that are no longer necessary (as set forth in Paragraph 15), the Secured and Priority Claim Reserve is unaffected by the relief sought in this Motion. It will continue to maintain reserves equivalent to the full value of the capped amount

---

Secured, Administrative and Priority Claims, and Related Relief (the "Secured and Priority Claim Reserve Motion," ECF No. 8885).

5. The Secured and Priority Claim Reserve was subsequently raised from $612 million to $621 million to account for claims held by Barclays Capital Inc. (ECF No. 9244) and the Internal Revenue Service.

6. An additional $13 million reserve relating to required tax contribution obligations, while not included in this figure, is reflected in the Secured and Priority General Creditor Claims Liabilities and corresponding reserves in the Lehman Brothers Inc. Liquidation Balance Sheet as of December 31, 2014 filed contemporaneously herewith (the "12.31.2014 Balance Sheet").

of all unresolved claims. Holders of unresolved or otherwise unpaid secured and priority claims as of the record date for such claims (July 16, 2014) will remain entitled to a one-hundred percent distribution on their claims if they are allowed and upon the return of the necessary distribution information.

The Proposed Second Interim General Unsecured Distribution

17. There are four categories of general unsecured claims subject to the Trustee's proposed second interim general unsecured distribution:[7]

a. Claims that have been allowed or settled, listed on Schedule A of this Motion ("Allowed Unsecured Claims");

b. Claims, the allowance of which is pending before the Court, listed on Schedule B ("Pending Claims")

c. Claims where the validity of the claim or claimed amount is in dispute or the allowable amount (if any) has not yet been determined by the Trustee, listed on Schedule C ("Unresolved Claims")[8]; and

d. Claims subordinated or reclassified to equity, listed on Schedule D ("Subordinated Claims").

18. As of December 31, 2014 the LBI General Estate contained approximately $4.307 billion in assets. (*See* "12.31.2014 Balance Sheet.) Accounting for previously established administrative and distribution reserves as described in the 12.31.2014 Balance Sheet and above, there is $1.906 billion of general estate assets available for a second interim

7. The claim information presented on the attached schedules is as of December 31, 2014, and the capped amounts in the schedules correspond to the capped amounts present on the First Interim Distribution Order. The Trustee will submit revised schedules at least two business days before the hearing on this Motion reflective of the status of claims as of the Record Date. The revised schedules will reflect changes to any claims as a result of settlement, a claim withdrawal, or a Court Order on a pending omnibus objection. And the revised schedules will be the sole basis entitling holders of unsecured claims as of the Record Date to receive a second interim distribution.

8. The maximum allowable amount of each Unresolved and Pending Claim was capped pursuant to the First Interim Distribution Order. Where a claim was administratively split, partially transferred, and/or amended subsequent to the July 15, 2014 as of date used for the First Interim Distribution Order, the Capped Amount will reflect the current status of the claim.

distribution. With the Trustee's proposed release of reserves from the Secured and Priority Claim Reserve ($68 million) and from the First Interim Distribution Fund ($479 million) made possible by claim resolution, the amount available for the Second Interim Distribution Fund increases to $2.453 billion. The Trustee seeks the Court's permission to use this amount to make a second interim distribution to unsecured creditors while maintaining sufficient reserves for unresolved claims.

Jurisdiction

19. Following removal to this Court for all purposes as required for SIPA cases by section 78eee(b)(4) of SIPA, this Court has "all of the jurisdiction, powers, and duties conferred by [SIPA] upon the court to which the application for the issuance of the protective decree was made." 15 U.S.C. § 78eee(b)(4).

20. Venue is proper in this Court pursuant to SIPA section 78eee(a)(3) and 15 U.S.C. section 78aa.

Relief Requested

21. By this Motion, the Trustee requests that, pursuant to section 105(a), 502(a), 502(c), and 726 of the Bankruptcy Code and Bankruptcy Rule 3009, as made applicable to the SIPA Proceeding pursuant to SIPA sections 78fff(b), 78fff-1(a), and 78fff(e), the Court authorize the Trustee to:

a. Establish a Second Interim Distribution Fund in the amount of approximately $2.453 billion for all unsecured claims, which shall include approximately: (i) $2.174 billion eligible for distribution to the Allowed Unsecured Claims; and (ii) $279 million to establish reserves for the Unresolved Claims and the Pending Claims on a *pro rata* basis to protect the interests and due process rights of the holders of those claims and to

cover required tax contributions;[9]

b. Release reserves that are no longer necessary from the Secured and Priority Claim Reserve and from the First Interim Distribution Fund in the amounts of $68 million and $479 million, respectively (supra ¶¶ 11 and 15); and

c. Make a second interim distribution to holders of the Allowed Unsecured Claims as of the Record Date of February 6, 2014 or to holders of Unresolved Claims or Pending Claims as of the same Record Date, if and when such claims become allowed claims.[10]

22. Nothing set forth in this Motion shall be deemed or construed as an admission of the Trustee as to any liability for any Unresolved Claim or as to the status of such claims. The Trustee reserves the right to object to any of the Unresolved Claims. Nothing in this Motion is intended to affect or alter the Capped Amount for any of the Unresolved Claims or Pending Claims. Further, nothing in this Motion is intended to limit the ability of any holder of any Unresolved Claim to obtain a determination of the validity of its claim and receive from the appropriate reserve its finally determined amount through future distributions.

23. For the further avoidance of doubt, this Motion is not a request by the Trustee for an extension of the deadline for holders of pre-Filing Date customer or general creditor claims, including any 503(b)(9) Claims, to file proofs of claim relating thereto, which deadline was established as the Claims Bar Date, or for an extension of the deadline for holders of claims for

---

9. The ultimate amount to be distributed will be determined by the Trustee, in his discretion, at the time of distribution based on an assessment of general estate assets and liabilities.

10. To the extent that any Unresolved or Pending Claims becomes an Allowed Unsecured Claim pursuant to (i) an order or judgment of the Bankruptcy Court as entered on the docket or (ii) a stipulation between the Trustee and the holder of such claim that has been approved by the Court, the Trustee will make the requisite *pro rata* distribution to the holder of each such Allowed Unsecured Claim as of the Record Date without further notice or Order of the Court. With respect to any Unresolved or Pending Claims the Trustee determines should be Allowed Unsecured Claims other than pursuant to Order of this Court or Court-approved stipulation, the Trustee shall periodically file with the Court a supplemental schedule of such claim(s) (a "Supplemental Distribution Schedule") and serve the same on the holder of such claim(s) and all parties in interest that have filed a notice of appearance and requested notice in the LBI SIPA proceeding.

administrative expenses arising between the Filing Date and August 31, 2013, to file proofs of claim relating thereto, which deadline was established as the Administrative Bar Date.

Basis for Relief

I. The Second Interim Distribution Is Consistent With This Court's Prior Distribution Orders.

24. The relief the Trustee now seeks is consistent with the relief already granted by this Court on July 2, 2014 in the Secured and Priority Reserve Order and on July 31, 2014 in the First Interim Distribution Order. The Trustee has given effect to those orders by distributing over $3.7 billion in property to LBI's creditors. Now, six months later, the Trustee seeks to add to those distributions through the creation and funding of the Second Interim Distribution Fund, including by releasing reserves initially set by this Court but which are no longer necessary.

25. In *In re Lehman Bros. Holdings Inc.*—the chapter 11 proceeding for LBI's former parent company and certain of its former affiliates—the debtors' plan of reorganization provided for the plan administrator to retain available cash in an aggregate amount equal to the *pro rata* share of the distributions that would have been made to each holder of an unresolved claim if such unresolved claim were an allowed claim. *See* Order Confirming Modified Third Amended Joint Chapter 11 Plain of Lehman Bros. Holdings Inc. and Its Affiliated Debtors *In re Lehman Bros. Holdings Inc.*, No. 08-13555 (JMP) (Bankr. S.D.N.Y. Dec. 5, 2011), ECF No. 23023 (section 8.4 of debtors' plan of reorganization). By reserving for unresolved claims in this way, as the Trustee proposes to do, holders of unresolved claims are not prejudiced by the distribution of assets to holders of allowed claims. And holders of allowed claims are able to receive a return on their claims in advance of all claim disputes being resolved.

II. Interim Distributions To General Creditors In SIPA Liquidations Are Permitted Under Section 726 of the Bankruptcy Code.

26. SIPA section 78fff(e) provides that distributions from the general estate shall be made in accordance with section 726 of the Bankruptcy Code. See SIPA § 78fff(e). Section 726(a) of the Bankruptcy Code, in turn, provides that property of the estate shall be distributed first to claims entitled to priority under section 507 of the Bankruptcy Code and second to "any allowed unsecured claim." 11 U.S.C. § 726(a)(1) & (2). Bankruptcy Rule 3009 provides that in a chapter 7 case, "dividends to creditors shall be paid as promptly as practicable."

27. The relief the Trustee seeks is similar to relief granted by other courts in similar circumstances. In *In re Asia Global Crossing Ltd*., the chapter 7 trustee, relying on sections 105(a) and 726 of the Bankruptcy Code, sought and received court approval to make multiple interim distributions to creditors of the debtor's estates in light of the significant amount of cash available for each distribution, while also maintaining sufficient reserves for disputed claims and the continuing administrative expenses of the estate. See *In re Asia Global Crossing Ltd.*, Case Nos. 02-15749 (SMB), 02-15750 (SMB), ECF Nos. 517, 692, 838, 932, 996 (chapter 7 trustee's motions for orders authorizing and approving interim distribution and claim reserves); see also *In re Refco, LLC*, No. 05-60134 (RDD), at *2 (Bankr. S.D.N.Y. June 14, 2007), ECF Nos. 779, 847, 1226 (authorizing chapter 7 trustee to make several interim distributions to holders of allowed claims).

28. By this Motion, the Trustee seeks to make a second interim distribution to the holders of the Allowed Unsecured Claims and to the holders of Unresolved Claims and Pending Claims that become allowed claims. The Trustee has conducted an extensive analysis of the financial condition of the LBI estate, which is filed concurrently herewith, and, based on that analysis, determined that the time is appropriate to distribute a further dividend to LBI's

creditors. There are assets of approximately $2.45 billion (inclusive of reserves the Trustee proposes to release by this Motion) that are available to fund a second distribution to LBI's creditors and create a reserve for unresolved claims.

Objections to Claims and Reservation of Rights

29. The Trustee reserves all rights and defenses with respect to any unresolved Claim, including the right to assert set off or recoupment.

30. Based on the foregoing, the Trustee submits that the relief requested herein is necessary and appropriate, is in the best interests of the LBI estate and its creditors, and should be granted in all respects.

Notice

31. Notice of this Motion will be provided in accordance with the Court's Amended Case Management Order (ECF No. 3466), will be immediately available for inspection upon filing with the Court at the Trustee's website, www.lehmantrustee.com, and will be mailed by overnight mail to the current holders of all pending general creditor claims. The Trustee submits that no other or further notice need be provided.

No Prior Request

Upon the motion, dated January 28, 2015 (the "Motion"),[1] of James W. Giddens (the "Trustee"), as Trustee for the liquidation of the business of Lehman Brothers Inc. ("LBI") under the Securities Investor Protection Act of 1970, as amended, 15 U.S.C. sections 78aaa *et seq.* ("SIPA"),[2] for entry of an order to: (i) establish a second interim distribution fund for unsecured general creditor claims; (ii) release reserves from the Secured and Priority Reserve and the First Interim Distribution Fund; and (iii) make a second interim distribution to record holders of unsecured general creditor claims as of February 6, 2015 that are currently allowed or become allowable, as more fully described in the Motion; and due and proper notice of the Motion having been provided, and it appearing that no other or further notice need be provided; and the Court having found and determined that the relief sought in the Motion is in the best interests of the LBI estate, its creditors, and all parties in interest and that the legal and factual

bases set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, it is

ORDERED that the Motion is granted in all respects as provided herein and all objections thereto are overruled; and it is further

ORDERED that the establishment of the Second Interim Distribution Fund in an amount of $2.45 billion or more is approved and that the Second Interim Distribution Fund shall be used to make a second interim distribution to the holders of the Allowed Unsecured Claims listed on Schedule A and to establish *pro rata* reserves for the Unresolved and Pending Claims listed on Schedules B and C in the amount listed on each Schedule; and it is further

ORDERED that the Trustee is authorized to release unnecessary reserves of $68 million from the Secured and Priority Claim Reserve and $479 million from the First Interim Distribution Fund, and transfer those released reserves to the Second Interim Distribution Fund; and it is further

ORDERED that the Trustee is authorized to make a second interim distribution to the holders of the Allowed Unsecured Claims listed on Schedule A and to release the amounts corresponding to the Allowed Unsecured Claims from the Second Interim Distribution Fund; and it is further

ORDERED that the record date for the purpose of making the second interim distribution authorized herein for all holders of claims is February 6, 2015 (the "Record Date"), and that the Trustee's publication of notice of the establishment of the Record Date on the Trustee's website (www.lehmantrustee.com) constituted good and sufficient notice of the Record Date, and it is further

ORDERED that the ultimate amount of the second interim distribution will be determined by the Trustee based on an analysis of general estate assets and liabilities at the time of distribution; and it is further

ORDERED that if and to extent that any the Unresolved or Pending Claim becomes an Allowed Unsecured Claim pursuant to a final Order entered by this Court (or another court of competent jurisdiction) or stipulation between the Trustee and the holder of such claim that has been approved by the Court, the Trustee is authorized to make the requisite *pro rata* distribution to the holder of each such allowed unsecured claim as of the Record Date and to release the amount corresponding with such claim from the Second Interim Distribution Fund without further notice or Order of the Court; and it is further

ORDERED that with respect to Unresolved and Pending Claims the Trustee determines should be Allowed Unsecured Claims other than pursuant to Order of this Court, the Trustee shall periodically file with the Court a supplemental schedule of such claim(s) (a "Supplemental Distribution Schedule") and serve the same on the holder of such claim(s) and all parties in interest that have filed a notice of appearance and requested notice in the LBI SIPA proceeding; and it is further

ORDERED that unless a written objection to that Supplemental Distribution Schedule is filed and served on the Trustee's counsel and the holder(s) of such claim(s) within ten (10) days of the date of service of the Supplemental Distribution Schedule, the Trustee shall be authorized to make the requisite *pro rata* distributions to the holder(s) of the Allowed Unsecured Claims identified in the Supplemental Distribution Schedule as of the Record Date and to release the amount(s) corresponding with respect to such claim(s) from the Second Interim Distribution Fund; and it is further

ORDERED that with respect to Unresolved or Pending Claims that, either in whole or in part, become disallowed, expunged or reclassified as subordinated claims or equity interests by final Order entered by this Court, or that are settled or withdrawn with similar effect, the Trustee is authorized to release the amount corresponding with respect to the disallowed, expunged or reclassified portion of such claim(s) from the Second Interim Distribution Fund without further Order of the Court; and it is further

ORDERED that nothing in this Order shall affect the administrative expense claims of any person or entity who is a professional advisor (*e.g.*, counsel, financial advisors, accountants, claims agents) retained by the Trustee, including all counsel retained pursuant to orders of the Bankruptcy Court and the District Court, and all other professionals retained, with permission from SIPC, pursuant to SIPA section 78fff-1(a)(1), and SIPC itself, nor shall it affect any claims for administrative expenses arising after August 31, 2013 as there is no bar date for such claims at this time; and it is further

ORDERED that the Trustee is authorized and empowered to take such steps and perform such acts as may be necessary to implement this Order and the effectuation of all distributions authorized by this Order, including without limitation requiring holders of Allowed Unsecured Claims to complete all tax forms and other documentation necessary to be received by the Trustee prior to effectuation of such distributions; and it is further

ORDERED that entry of this Order is without prejudice to the right of the Trustee to seek a further order of this Court disallowing, expunging, objecting to or otherwise resolving any of the unresolved claims; and it is further

ORDERED that this Court shall retain jurisdiction to hear and determine all matters arising from or related to this Order.
