1. Reflects the current holder of the claim as recorded on the LBI claims register located on the Trustee's website, www.lehmantrustee.com.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

1. Reflects the current holder of the claim as recorded on the LBI claims register located on the Trustee's website, www.lehmantrustee.com.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

1. Reflects the current holder of the claim as recorded on the LBI claims register located on the Trustee's website, www.lehmantrustee.com.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

1. Reflects the current holder of the claim as recorded on the LBI claims register located on the Trustee's website, www.lehmantrustee.com.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

1. Reflects the current holder of the claim as recorded on the LBI claims register located on the Trustee's website, www.lehmantrustee.com.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

1. Reflects the current holder of the claim as recorded on the LBI claims register located on the Trustee's website, www.lehmantrustee.com.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

1. Reflects the current holder of the claim as recorded on the LBI claims register located on the Trustee's website, www.lehmantrustee.com.

2. Where a claim number is hyphenated, the Trustee's professionals have administratively split the claim into two components. Claims are split for administrative ease when a portion of the claim has been partially transferred to a new claim holder and when certain components of the claim are entitled to different treatment than other components of the claim. The status of each component of the claim can be viewed by entering the original claim number without a hyphen on the claims register located on the Trustee's website, www.lehmantrustee.com.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

3. This column reflects whether the claim was listed on one of the revised schedules annexed to the Court's July 2, 2014 Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 2009 (I) Establishing a Final Reserve for Secured, Administrative and Priority Claims, (II) Allowing Certain Secured, Administrative and Priority Claims, (III) Authorizing the Trustee to Satisfy Allowed Secured, Administrative and Priority Claims and Related Relief (the "Secured and Priority Claims Reserve Order," ECF No. 9273), and if so, which schedule.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.

4. Claims that asserted secured or priority statuses (except for Claims asserted as secured based on set off rights) will already have been capped (with respect to priority or secured amounts) by this Court's Secured and Priority Claims Reserve Order. The claims subject to the Secured and Priority Claims Reserve Order also are subject to the Trustee's Motion for an Order Pursuant to Sections 105(a), 502(a), 502(c) and 726 of the Bankruptcy Code and Bankruptcy Rule 3009 (I) Capping the Maximum Allowable Amounts, and Establishing an Interim Distribution Fund, for Unsecured Claims, (II) Allowing Certain Unsecured Claims, (III) Authorizing the Trustee to make a First Interim Distribution to Allowed Unsecured Creditors with a Record Date of July 15, 2014, and Related Relief (the "Motion," ECF No. 9246). Secured and priority Claims that will be fully reserved for by the Secured and Priority Claims Reserve are not included herein. For these Claims, the Trustee's proposed Capped Amount is the same as the Senior Capped Amount (defined in the Motion). Secured and priority Claims that are not fully reserved for in the Secured and Priority Claims Reserve – for example, claims that had both priority and unsecured components – are included herein (as indicated in the "Senior Claims Schedule" column) and the Trustee's Capped Amount for such claims includes the Senior Capped Amount. In either case, this will not result in a double reserve and does not contemplate an additional claim; rather, it only reflects the possibility that an asserted secured or priority claim ultimately might be allowed only as a general unsecured claim.
