PG&E FIRE VICTIM TRUST AGREEMENT

This PG&E Fire Victim Trust Agreement (this “**Trust Agreement**”), dated as of [●], 2020 and effective as of the Effective Date, is in accordance with the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization Dated January 31, 2020 (as it may be amended, modified, or supplemented, the “**Plan**”) and effectuates certain agreements made by PG&E Corporation (“**PG&E Corp**”) and Pacific Gas and Electric Company (the “**Utility**”) (collectively, the “**Debtors,**” “**PG&E,**” or the “**Settlers**”), the debtors and debtors-in-possession whose Chapter 11 cases are jointly administered under Case No. 19-30088 in the United States Bankruptcy Court for the Northern District of California (the “**Bankruptcy Court**”), with the approval of the Bankruptcy Court, the Trustee of the Fire Victim Trust (the “**Trustee**”), the Delaware Trustee pursuant to this Trust Agreement and any successor Delaware Trustee serving in such capacity (the “**Delaware Trustee**”), and the members of the Fire Victim Trust Oversight Committee (the “**TOC**”) who are identified on the signature pages hereof.

RECITALS

A. The Debtors have reorganized under the provisions of Chapter 11 of the Bankruptcy Code in cases filed in the United States Bankruptcy Court for the Northern District of California known as *In re PG&E Corporation et al*, Debtors, Jointly Administered Case No. 19-30088 (collectively, the “**Bankruptcy Cases**”).

B. Requisite approval for the entry into this Trust Agreement in accordance with the Restructuring Support Agreement, dated December 6, 2019 (as amended on December 16, 2019), among the Debtors, the TCC, the Consenting Fire Claimants Professionals (as defined therein) has been sought and received.

C. The Confirmation Order has been entered by the Bankruptcy Court and has become final and non-appealable, or such requirements have been waived in accordance with the Plan.

D. As of the December 31, 2019 deadline for submission of claims against the Debtors relating to the wildfires in 2015, 2017, and 2018 listed on **Exhibit 1** attached hereto that were caused by Debtors’ equipment and operations, tens of thousands of claims were filed by persons and entities damaged or who purport to have been damaged in various ways by those wildfires (“**Fire Victims**”).

E. The Plan provides, among other things, for the creation of the PG&E Fire Victim Trust (the “**Fire Victim Trust**” or the “**Trust**”) to evaluate, administer, process, settle, expunge, and resolve all claims of Fire Victims against the Debtors (“**Fire Victim Claims**”), and, to the extent approved and liquidated pursuant to the Fire Victim Claims Resolution Procedures (the “**CRP**”) attached hereto as **Exhibit 2** (“**Approved**”), satisfy and pay all Approved Fire Victim Claims in accordance with the Plan, the Confirmation Order, the Trust Agreement, the CRP[and the Shareholder Agreement], including all related exhibits

(collectively, the “**Trust Documents**”), and to prosecute or settle the Assigned Rights and Causes of Action.

F. The Plan provides that, on the Effective Date and continuing thereafter until fully funded by Debtors, the Aggregate Fire Victim Consideration shall be transferred to, vested in, and assumed by the Trustee.

G. Pursuant to the Trust Documents, the Trustee is to use the Trust Assets to satisfy and pay Approved Fire Victim Claims against the Debtors.

H. It is the intent of the Debtors, the Trustee and the TOC that the Trust be administered, maintained, and operated at all times through mechanisms that provide reasonable assurance that the Trust will evaluate, administer, process, settle, expunge, resolve, and, to the extent Approved, compensate Fire Victim Claims pursuant to the CRP in a fair, consistent, and equitable manner, in compliance with the terms of this Trust Agreement and the CPR, and to the extent of available Trust Assets.

I. Pursuant to the Plan, the Trust is intended to qualify as a “qualified settlement fund” within the meaning of section 1.468B-1 *et seq.* of the Treasury Regulations promulgated under section 468B of the Internal Revenue Code of 1986, as amended (the “**QSF Regulations**”), subject to the Debtors’ right to make an election to treat the Trust as a “grantor trust” for U.S. federal income tax purposes and, to the extent permitted under applicable law, for state and local income tax purposes.¹

J. The Bankruptcy Court has determined that the Trust and the Plan satisfy all the prerequisites for an injunction pursuant to section 105(a) of the Bankruptcy Code with respect to any and all Fire Victim Claims against the Debtors, with such claims being channeled to the Fire Victim Trust, and such Channeling Injunction has been entered in connection with the Confirmation Order.

NOW, THEREFORE, it is hereby agreed as follows:

SECTION I **AGREEMENT OF TRUST**

1.1 Creation and Name. The Debtors as Settlers hereby create a trust known as the “PG&E Fire Victim Trust,” which is the Trust provided for and referred to in the Plan. The Trustee may transact the business and affairs of the Trust in the name of the Trust, and references herein to the Trust shall include the Trustee acting on behalf of the Trust. It is the intention of the parties hereto that the PG&E Fire Victim Trust created hereby constitutes a statutory trust under Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the “**Act**”) and that this document, along with the other Trust Documents, constitute the governing instruments of the PG&E Fire Victim Trust. The Trustee and the Delaware Trustee

are hereby authorized and directed to execute and file a Certificate of Trust with the Delaware Secretary of State in the form attached hereto as **Exhibit 3**.

1.2 Purpose. The purposes of the Trust are to (i) assume the liability for all Class 5A-III and Class 5B-III Claims against the Debtors, (ii) evaluate, administer, process, settle, defend, expunge, resolve, liquidate Fire Victim Claims, and satisfy and pay all Approved Fire Victim Claims and all Trust Expenses (as defined in Section 1.4(b) below) of the Trust from the Trust Assets (as defined in Section 1.3(a), below) in a fair, consistent, and equitable manner, (iii) prosecute or settle all Assigned Rights and Causes of Action, (iv) preserve, hold, manage, and maximize the Trust Assets for use in paying and satisfying Approved Fire Victim Claims and for use in paying all Trust Expenses, all in accordance with the terms of the Trust Documents, and (v) otherwise comply in all respects with the Trust Documents. In order to be able to effectuate these purposes, the Trustee, Delaware Trustee, Claims Administrator, Claims Processor, Neutrals, and their agents, shall have no interest in and at all times shall be independent of the Debtors, the Fire Victim Claimants, the TOC, and their agents.²

1.3 Transfer of Assets.

(a) Pursuant to, and in accordance with Section 6.7 of the Plan, beginning upon the Effective Date and continuing thereafter until fully funded by Debtors, the Trustee will receive the Aggregate Fire Victim Consideration to fund the Trust and use the Aggregate Fire Victim Consideration, any other assets transferred to the Fire Victim Trust pursuant to the Plan, and any income earned from all such assets (collectively, the “**Trust Assets**”) to resolve all Fire Victim Claims against the Debtors and pay all Trust Expenses. The Trust Assets will be transferred free and clear of any liens, encumbrances, charges, claims, interests or other liabilities of any kind by the Debtors, any creditor, or other entity except as provided in the Plan and this Trust Agreement. To the extent certain assets comprising the Trust Assets, because of their nature or because such assets will accrue or become transferable subsequent to the Effective Date, and cannot be transferred to, vested in, and assumed by the Trust on such date, such assets shall be automatically, and without further act or deed, transferred to, vested in, or assumed by the Trust as soon as reasonably practicable after such date. The Debtors shall execute and deliver such documents as the Trustee reasonably requests to transfer and assign any assets to fund the Trust and the Trustee on behalf of the Trust, is authorized, to the extent necessary, such documents. No monies, choses in action, and/or assets comprising the Trust Assets that have been transferred, granted, assigned, or otherwise delivered to the Trustee shall be used for any other purpose other than for the payment, defense, or administration of the Fire Victim Claims and the payment of Trust Expenses.

(b) [In furtherance of, and without limiting, the foregoing:

²Pre-Effective Date appointments, retentions and/or applications of the Trustee, Claims Administrator or any Professional in the Bankruptcy Cases shall not prevent the Trustee, Claims Administrator or any Professional from being deemed independent.

(i) On the Effective Date, the [Debtors] shall irrevocably, grant, and assign to the Trust, and the Trust shall receive and accept, any and all of the [Insurance Rights/Policies], including the right to enforce such [Insurance Company's] obligation to pay any Fire Victim Claims or to reimburse the Debtors for such Fire Victim Claims (the "Insurance Rights Transfer").

(ii) The Insurance Rights Transfer is made free and clear of all Claims, Liens, encumbrances, or Causes of Action of any nature whatsoever[. . . .]

(iii) The Trust shall become liable for and shall satisfy, to the extent required under applicable law, any premiums, deductibles, self-insured retentions, and any other amounts arising in any way out of the receipt of any payment from an Insurance Company.

(iv) The Insurance Rights Transfer is made to the maximum extent possible under applicable law.

(v) The Insurance Rights Transfer is absolute and does not require any further action by the Debtors, [the Reorganized Debtors,] the Trust, the Bankruptcy Court, or any other Entity.

(vi) The Parties hereto intend that the Insurance Rights Transfer shall be governed by, and construed in accordance with, the Bankruptcy Code and other applicable laws governing the Insurance Policies.]³

(c) The income of the Trust (after payment of all taxes thereon) shall be added to the Trust Assets and used in accordance with the purposes of the Trust as set forth in Section 1.2 hereof.

1.4 Acceptance of Assets and Assumption of Liabilities.

(a) In furtherance of the purposes of the Trust, the Trustee hereby expressly accepts the transfer to the Trust of the Trust Assets and any other transfers in the time and manner and subject to the terms contemplated in the Trust Documents. For the avoidance of doubt, the Trust Assets shall include all claims and Causes of Action of the Debtors that were not waived, exculpated, or released in accordance with the provisions of the Plan, the Confirmation Order, or a Final Order of the Bankruptcy Court, and all of the Debtors' rights with respect to the Trust Assets, including attorney-client privilege and work product. The Trustee shall succeed to all of the Debtors' respective right, title, and interest in the Trust Assets, including but not limited to standing to commence, pursue, abandon, or settle Causes of Action, and the Debtors will have no further equitable or legal interest in, or with respect to, the Trust Assets or the Trust.

(b) In furtherance of the purposes of the Trust, and subject to the terms of the Trust Documents, the Trustee expressly assumes (i) all liabilities and responsibility for all

Fire Victim Claims against the Debtors, and (ii) all reasonable fees and expenses incurred in pursuing the Trust Assets, administering the Trust, managing the Trust Assets, and making distributions in accordance with the Trust Documents, (the “**Trust Expenses**”), which shall be paid from the Trust Assets, such that the Reorganized Debtors shall not have any further financial or other responsibility or liability therefor, except as otherwise expressly set forth in the Trust Documents. Except as otherwise provided in the Trust Documents, the Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of insurance, indemnification, contribution, subrogation, and similar rights, regarding such claims that the Debtors or Reorganized Debtors have or would have had under applicable law.

(c) The parties hereto intend that the Trust be classified as a “qualified settlement fund” under the QSF Regulations (and corresponding or similar provisions of state, local, or foreign law, as applicable). No provision herein or in the CRP shall be construed or implemented in a manner that would cause the Trust to fail to qualify as a “qualified settlement fund” under the QSF Regulations, provided, however, that the Debtors may elect to treat the Trust as a “grantor trust” for U.S. federal income tax purposes, in which case the parties hereto shall be bound by such election, notwithstanding anything in this Trust Agreement to the contrary, and, to the extent permitted under applicable law, the Trust shall be treated consistently for state and local tax purposes.⁴

(d) Nothing in this Trust Agreement shall be construed in any way to (i) limit the scope, enforceability, or effectiveness of the Channeling Injunction or any other injunction or release issued or granted in connection with the Plan or (ii) subject to the provisions of Section 1.4(b) above, limit the Trust’s assumption of all liability for Fire Victim Claims against the Debtors.

(e) **Claimant Release.** As further described in the CRP, the Trust shall require all holders of Approved Fire Victim Claims to execute a release in substantially the same form and content as the Settlement Agreement, General Release, and Assignment attached hereto as **Exhibit 4** (the “**Claimant Release**”) as a precondition to receiving any payment on account of their Fire Victim Claims from the Trust.

(f) **Made Whole Release.** Pursuant to and subject to Section 4.234.25(f)(ii) of the Plan and the Confirmation Order, and as further described in the CRP, the Trust shall require all ~~holders of Claimants who hold~~ Approved Fire Victim Claims to execute a release in substantially the same form and content as and the Mutual Made Whole Release attached hereto as **Exhibit 5** (the “**Mutual Made Whole Release**”) ~~as a precondition to receiving a final payment on account~~upon the Claimant’s acceptance of the Claimant’s Total Allocation Award. That Claimant’s acceptance of the Total Allocation Award does not establish that the Claimant has been fully compensated under California law for their compensable damages as a result of the fire to the extent those damages are covered by insurance, and the Claimant is not

agreeing as a factual matter that the Claimant has been fully compensated for each and every category of their ~~Fire Victim Claims from the Trust~~ damages under California law.

1.5 Beneficial Owners.

(a) To the extent required by the Act, the beneficial owners (within the meaning of the Act) of the PG&E Fire Victim Trust (the “**Beneficial Owners**”) shall be the holders of the Class 5A-III and Class 5B-III Claims against the Debtors, provided that, (i) the holders of such Class 5A-III and Class 5B-III Claims, as Beneficial Owners, shall have only such rights with respect to the Fire Victim Trust and its assets as are set forth in the Trust Documents, and (ii) no greater or other rights, including upon dissolution, liquidation or winding up of the Fire Victim Trust, shall be deemed to apply to the holders of such Class 5A-III and Class 5B-III Claims in their capacity as Beneficial Owners.

(b) No Beneficial Owner shall be entitled to (i) hold any title in or to the Trust Assets (which title shall be vested in the Trust) or (ii) any right to call for a partition or division of the Trust Assets or to require an accounting. For the avoidance of doubt, Beneficial Owners shall not have rights comparable to shareholders of a corporation (other than limited liability, as provided in Section 3803(a) of the Act).

(c) Subject to giving reasonable notice, a Beneficial Owner may request information and documents relating to their claim from the Claims Administrator, but shall have no right to request information relating to claims of other Beneficial Owners.

1.6 Jurisdiction. The Bankruptcy Court shall have exclusive jurisdiction with respect to any action relating to or arising out of the Trust. Only in the event that the Bankruptcy Court does not have subject matter jurisdiction, then the Superior Court of California for the County of San Francisco shall have exclusive jurisdiction of all matters relating to or arising out of the Trust. The court having exclusive jurisdiction pursuant to this Section 1.6 shall be referred to hereinafter as the “**Court of Exclusive Jurisdiction.**” For the avoidance of doubt, nothing in this Section 1.6 shall affect, impair, alter, modify or supersede the procedures contained in the CRP or the authority granted to the Trustee under the Trust Documents to, *inter alia*, evaluate, administer, process, settle, expunge, and resolve all Fire Victim Claims under the CRP in the manner and to the effect set forth therein.

SECTION II POWERS AND TRUST ADMINISTRATION

2.1 Powers.

(a) The Trustee is and shall act as the fiduciary to the Trust in accordance with the provisions of this Trust Agreement. The Trustee shall administer the Trust, the Trust Assets, and any other amounts to be received under the terms of the Trust Documents in accordance with the purposes set forth in Section 1.2 above and in the manner prescribed by

the Trust Documents. Subject to the limitations set forth in the Trust Documents, the Trustee shall have the power to take any and all actions that in the judgment of the Trustee are necessary or proper to fulfill the purposes of the Trust, including, without limitation, each power expressly granted in this Section 2.1, any power reasonably incidental thereto and any trust power now or hereafter permitted under the laws of the State of Delaware. Nothing in this Trust Agreement, the Plan, any Trust Document or any related document shall require the Trustee to take any action if the Trustee reasonably believes that such action is contrary to law. In addition to all powers enumerated in the Trust Documents, from and after the Effective Date, the Trust shall succeed to all of the rights and standing of the Debtors with respect to the Assigned Rights and Causes of Action in its capacity as a trust administering assets for the benefit of the Fire Victims. In the event of any ambiguity or conflict between the terms of this Trust Agreement and the Plan, any other Trust Document, or any related document required or provided for under the Trust Documents, the Trustee shall be permitted to act in accordance with his reasonable belief, with or without advice of counsel, as he determines in his sole discretion, as to what action (or inaction) is required or permitted pursuant to this Trust Agreement, provided that, for the avoidance of doubt, the Trustee shall be required to consult on, or obtain consent with respect to, only those certain matters as expressly provided for in this Trust Agreement, the CRP and any other Trust Documents.

(b) The Trustee will be appointed as the representative of each of the Debtors' estates pursuant to sections 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code and as such will be vested with the authority and power (subject to this Trust Agreement) to, among other things, prosecute and settle all Assigned Rights and Causes of Action in his capacity as a trustee for the benefit of the Fire Victims. As the representative of the Debtors' estates, and in his or her capacity as a trustee for the benefit of the Fire Victims, the Trustee will succeed to the standing and all of the rights and powers of the Debtors and their estates with respect to all Assigned Rights and Causes of Action assigned and transferred to the Trust whether or not such claims are pending in filed litigation. The Trustee will be substituted for and will replace the Debtors, their estates, and/or any official committee appointed in any related action, and is authorized to appear before any court or tribunal in any proceeding that related to or affects to the Trust or Trust Assets.

(c) Unless otherwise expressly provided for under the Plan or the Confirmation Order, on the Effective Date all Assigned Rights and Causes of Action will vest in the Trustee free and clear of all claims, liens, encumbrances, charges, and other interests, subject to the provisions of the Trust Documents. On and after the Effective Date, the transfer of the Assigned Rights and Causes of Action to the Trust will be deemed final and irrevocable and distributions may be made from the Trust.

(d) Except as required by applicable law or the Trust Documents, the Trustee need not obtain the order or approval of any court in the exercise of any power or discretion conferred hereunder.

(e) Without limiting the generality of Section 2.1(a) above, and except as limited in this Trust Agreement and by applicable law, the Trustee shall have the power to:

(i) receive and hold the Trust Assets and exercise all rights with respect thereto, including the right to sell any securities that are included in the Trust Assets and purchase securities and other assets that are to be included in the Trust Assets, all of which shall be subject to the limitations set forth in Sections 3.2 and 3.3 below;

(ii) exercise the right to vote given to owners of New HoldCo common stock that are included in the Trust Assets, except that in exercising the right to vote for the election of members of the Board of Directors of New HoldCo, the Trustee shall do so only after obtaining the consent of the TOC;

(iii) invest the monies and other assets held from time to time by the Trust, subject to the limitations set forth in Sections 3.2 and 3.3 below;

(iv) sell, transfer, or exchange any or all of the Trust Assets at such prices and upon such terms as the Trustee may determine proper in consultation with the Investment Advisor and consistent with the other terms of the Trust Documents;

(v) enter into leasing and financing agreements with third parties to the extent such agreements are reasonably necessary to permit the Trust to operate;

(vii) establish such funds, reserves, and accounts within the Trust estate, as deemed by the Trustee to be useful in carrying out the purposes of the Trust;

(viii) sue, be sued, and participate as a party or otherwise in any judicial, administrative, arbitral, or other proceeding;

(ix) supervise and administer the Trust in accordance with this Trust Agreement and the CRP;

(x) appoint such officers and retain such employees, consultants, advisors, independent contractors, experts, and agents and engage in such legal, financial, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the business of the Trust requires, and delegate to such persons such powers and authorities as the fiduciary duties of the Trustee permit and as the Trustee, in his or her discretion, deems advisable or necessary in order to carry out the terms of this Trust Agreement;

(xi) subject to the Budget (as defined in Section 2.2(d)(i), below) and Sections 5.6(b) and 5.8 below, reimburse the Trustee and pay reasonable compensation to any employees, consultants, advisors, independent contractors, experts, and agents for legal, financial, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities;

(xiii) execute and deliver such instruments as the Trustee considers proper in administering the Trust;

(xiv) enter into such other arrangements with third parties as are deemed by the Trustee to be useful in carrying out the purposes of the Trust, provided such arrangements do not conflict with any other provision of this Trust Agreement;

(xv) in accordance with Section 5.7 below, defend, indemnify, and hold harmless (and purchase insurance indemnifying) the Trust Indemnified Parties (as defined below) to the fullest extent permitted by law, however, notwithstanding anything to the contrary herein, no party shall be indemnified or defended in any way for any liability, expense, claim, damage, or loss for which he or she is ultimately liable under Section 5.4 below;

(xvi) delegate any or all of the authority herein conferred with respect to the investment of all or any portion of the Trust Assets to any one or more reputable institutional investment advisors or investment managers without liability for any action taken or omission made because of any such delegation, except as provided in Section 5.4 below;

(xvii) consult with the TOC at such times and with respect to such issues relating to the conduct of the Trust as set forth herein;

(xviii) make, pursue (by litigation or otherwise), abandon, collect, compromise, or settle for the benefit of the Trust any claim, right, action, or cause of action included in the Trust Assets, including, but not limited to, insurance recoveries and claims against third parties before any court of competent jurisdiction, which power shall, for the avoidance of doubt, be exercised in the Trustee's sole and absolute discretion;

(xix) purchase such insurance and performance bonds as the Trustee deems appropriate or as required under the Trust Documents, including with respect to any indemnification obligations of the Trust;

(xx) take any and all actions required by the Trust Documents;

(xxi) require, in respect of any distribution of Trust Assets, the Trustee's timely receipt of properly executed documentation (including, without limitation, Form W-8BEN, Form W-8BEN-E, or Form W-9, as applicable) as the Trustee determines in his or her sole discretion is necessary or appropriate to comply with United States federal, state, local or foreign tax laws then in effect;

(xxiii) [petition the Superior Court of California for the County of San Francisco to appoint a special master (the “**Special Master**”) to approve any and all minors’ compromises in conjunction with the evaluation, disallowance, resolution, settlement, and approval of any and all Fire Victim Claims in accordance with the CRP;]

(xxiv) establish a website (the “**Trust Website**”) as soon as reasonably practicable after the Effective Date to aid in communicating information to Fire Victims and in making the activities of the Trust as transparent as possible; and

(xxv) engage in any transactions necessary or appropriate to the foregoing or to facilitate implementation of the Plan, including but not limited to, entering into, performing, and exercising rights under contracts and leases on behalf of the Trust.

(f) The Trustee shall not have the power to guarantee any debt of other persons

(g) The Trustee agrees to take the actions of the Trust required hereunder.

(h) The Trustee shall give the TOC prompt notice of any act proposed to be performed or that requires consultation with, or the consent of, the TOC, including but not limited to Sections 2.1(e)(ii), 2.2(a) 2.2(f), 2.3(d), 3.2(c), 6.5, and 6.6.

(i) Except as otherwise set forth in the Trust Documents, and subject to any retention of jurisdiction by the Bankruptcy Court as provided in the Plan, but without prior or further authorization, the Trustee may control and exercise authority over the Trust Assets and over the protection, conservation, and disposition thereof. No person dealing with the Trust shall be obligated to inquire into the authority of the Trustee in connection with the protection, conservation, or disposition of the Trust Assets. It is intended that a signed copy of this Agreement shall serve as adequate proof of the Trustee’s authority to act if such proof is required for any reason by any third party.

2.2 General Administration. The Trustee shall act in accordance with this Trust Agreement.

(a) The timeframes and deadlines related to the administration of the Trust as set forth in this Trust Agreement and the CRP are subject to adjustment and extension by: (i) the Trustee, in his or her reasonable discretion; and (ii) upon request of the TOC, for good cause and in consultation with the Trustee. The Trustee, in consultation with the TOC, may promulgate and adopt trust bylaws that are consistent with the terms of the Trust Agreement (“**Trust Bylaws**”). In the event Trust Bylaws are adopted, then the Trust Bylaws, if any, shall govern the affairs of the Trust. In the event of any inconsistency between the Trust Bylaws (if any) and this Trust Agreement, this Trust Agreement shall govern.

The Trustee shall provide a copy of such Annual Report to the Claims Administrator and the TOC, and shall publish it on the Trust Website when such report is filed with the Bankruptcy Court.

(ii) In connection with the filing of the Annual Report, the Trustee shall cause to be prepared and filed with the Bankruptcy Court a report containing a summary regarding the number and type of claims disposed of during the period covered by the financial statements (the “**Claims Report**”). determines, in consultation with the Investment Advisor (as defined below), that it is in the best interests of the beneficiaries of the Trust to liquidate some or all of the stock, consistent with the terms of the Shareholder Agreement. This provision is intended to modify the “prudent person” rule, “prudent investor” rule, or any other rule of law that would require the Trustee to diversify this stock portfolio.

(a) Without the need for further court approval, the Trust hereby indemnifies, holds harmless, and defends the Trust Indemnified Parties in the performance of their duties hereunder to the fullest extent that a trust is entitled to indemnify, hold harmless, and defend such persons against any and all liabilities, expenses, claims, damages, or losses (including attorney's fees and costs) incurred by them in the performance of their duties hereunder or in connection with activities undertaken by them prior to or after the Effective Date in connection with the formation, establishment, funding, or operations of the Trust.

(b) Reasonable expenses, costs and fees (including attorneys' fees and costs) incurred by or on behalf of the Trust Indemnified Parties in connection with any action, suit, or proceeding, whether civil, administrative, or arbitral, from which they are indemnified by the Trust shall be paid by the Trustee in advance of the final disposition thereof upon receipt of an undertaking, by or on behalf of the Trust Indemnified Party, to repay such amount in the event that it shall be determined ultimately by final order of the Bankruptcy Court that the Trust Indemnified Party or any other potential indemnitee is not entitled to be indemnified by the Trust.

(c) The Trustee shall purchase and maintain appropriate amounts and types of insurance on behalf of the Trust Indemnified Parties, as determined by the Trustee, which may include liability asserted against or incurred by such individual in that capacity or arising from his or her status as a Trust Indemnified Party, and/or as an employee, agent, lawyer, advisor, or consultant of any such person.

(d) The indemnification provisions of this Trust Agreement with respect to any Trust Indemnified Party shall survive the termination of such Trust Indemnified Party from

the capacity for which such Trust Indemnified Party is indemnified. Termination or modification of the Trust Agreement shall not affect any indemnification rights or obligations in existence at such time. In making a determination with respect to entitlement to indemnification of any Trust Indemnified Party hereunder, the person, persons, or entity making such determination shall presume that such Trust Indemnified Party is entitled to indemnification under the Trust Agreement, and any person seeking to overcome such presumption shall have the burden of proof to overcome the presumption.

(e) The rights to indemnification hereunder are not exclusive of other rights which any Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution.

5.8 Trustee's Employment of Professionals and Experts.

(a) The Trustee may, but shall not be required to, retain and/or consult with legal counsel, accountants, appraisers, auditors, forecasters, experts, financial and investment advisors, and such other parties deemed by the Trustee to be qualified as experts on relevant matters (the "**Trust Professionals**"), the cost of which shall be paid as a Trust Expense, and in the absence of willful misconduct, bad faith or fraud, the written opinion of or information provided by any such party deemed by the Trustee to be an expert on the particular matter submitted to such party shall be full and complete authorization and protection in respect of any action taken or not taken by the Trustee hereunder in good faith and in accordance with the written opinion of or information provided by any such party.

(b) The Trustee may retain and reasonably compensate the Trust Professionals, the cost of which shall be paid as a Trust Expense, subject to the terms of this Trust Agreement, including the Budget. To the extent that any Trust Professionals provided services to the Trustee prior to the Effective Date and have not been compensated for such services, the Trustee is authorized to pay such fees and expenses. All fees and expenses of the Trust Professionals incurred in connection with the foregoing shall be payable from the Trust Assets.

5.9 Trustee's Independence. Except as otherwise contemplated and disclosed in the Trust Documents or to the TOC after Effective Date of this Trust, the Trustee shall not, during the term of his or her service, hold a financial interest in, act as attorney or agent for, or serve as any other professional for any entity with a financial interest in the Trust, *provided that* any passive investment held by the Trustee shall not constitute a conflict of interest under this Section 5.9. Any violation of this Section 5.9 shall be cause for removal of the Trustee. For the avoidance of doubt, this Section shall not be applicable to the Delaware Trustee.

5.10 Bond. The Trustee and the Delaware Trustee shall not be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

5.11 Delaware Trustee.

(a) There shall at all times be a Delaware Trustee. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of

Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law to be eligible to serve as the Delaware Trustee, and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible in accordance with the provisions of this Section 5.11, it shall resign immediately in the manner and with the effect hereinafter specified in Section 5.11(c) below. For the avoidance of doubt, the Delaware Trustee will only have such rights, duties and obligations as expressly provided by reference to the Delaware Trustee hereunder. The Trustee shall have no liability for the acts or omissions of any Delaware Trustee.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Trustee set forth herein. The Delaware Trustee shall be a trustee of the PG&E Fire Victim Trust for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of the Act and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities, and obligations of the Delaware Trustee shall be limited to (i) accepting legal process served on the PG&E Fire Victim Trust in the State of Delaware and (ii) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act. There shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee or the Beneficial Owners, such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of any Trustee.

(c) The Delaware Trustee shall serve until such time as the Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Trustee in accordance with the terms of Section 5.11(d) below. The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance written notice to the Trustee, provided that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Trustee in accordance with Section 5.11(d) below, provided, further that if any amounts due and owing to the Delaware Trustee hereunder remain unpaid for more than ninety (90) days, the Delaware Trustee shall be entitled to resign immediately by giving written notice to the Trustee. If the Trustee does not act within such 60-day period, the Delaware Trustee, at the expense of the PG&E Fire Victim Trust, may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(d) Upon the resignation or removal of the Delaware Trustee, the Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Trustee, and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall

become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of his or her duties and obligations under this Trust Agreement. The successor Delaware Trustee shall make any related filings required under the Act, including filing a Certificate of Amendment to the Certificate of Trust of the PG&E Fire Victim Trust in accordance with Section 3810 of the Act.

(e) Notwithstanding anything herein to the contrary, any business entity into which the Delaware Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which the Delaware Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Delaware Trustee, shall be the successor of the Delaware Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

6.2 Duties of the Members of the TOC. The members of the TOC shall serve in a fiduciary capacity representing current holders of Fire Victim Claims in the administration of the Trust. The TOC shall not have any fiduciary duties or responsibilities to any party other than holders of Fire Victim Claims, provided that the TOC shall be entitled to the protections and limitations of duties provided for herein even with respect to the holders of Fire Victim Claims. The Trustee must obtain the consent of the TOC on matters identified in Section 2.2(f) above and consult with the TOC in accordance with other provisions herein. Where provided elsewhere in the Trust Agreement or in the CRP, certain other actions by the Trustee may also be subject to the consent of the TOC.

6.3 Term of Office of the TOC Members.

(a) Members of the TOC shall serve until the earlier of (i) his or her death, (ii) his or her resignation pursuant to Section 6.3(b) below, (iii) his or her removal pursuant to Section 6.3(c) below, or (iv) the termination of the Trust pursuant to Section 8.2 below.

(b) A member of the TOC may resign at any time by written notice to the other members of the TOC and the Trustee. Such notice shall specify a date when such resignation shall take effect, which shall not be less than thirty (30) days after the date such notice is given, where practicable.

(c) A member of the TOC may be removed in the event that he or she becomes unable to discharge his or her duties hereunder due to accident, physical deterioration, mental incompetence, or a consistent pattern of neglect and failure to perform or to participate in performing the duties of such member hereunder, such as repeated non-attendance at scheduled meetings, or for other good cause. Such removal shall be made at the recommendation of the majority of the remaining members of the TOC and with the approval of the Trustee.

6.4 Appointment of Successor Members of the TOC.

(a) If member of the TOC dies, resigns pursuant to Section 6.3(b) above, or is removed pursuant to Section 6.3(c) above, the vacancy shall be filled with an individual selected by and agreed to by a majority of the remaining members of the TOC; provided

⁶⁵ To be discussed. Consider replacing with [reserved].

however, that if such members cannot agree on the successor, the Bankruptcy Court shall make the appointment.

(b) Each successor or replacement member of the TOC shall serve under the same terms and conditions as the original members of the TOC.

6.5 Compensation and Expenses of the TOC. The members of the TOC shall not be entitled to compensation for their services but shall be reimbursed promptly for all reasonable out-of-pocket costs and expenses incurred in connection with the performance of their duties hereunder. The TOC shall, in its discretion, be permitted to procure and maintain appropriate insurance coverage (as determined by the TOC with the consent of the Trustee) as a Trust Expense. The Trustee shall include a description of the amounts paid under this Section 6.6 in the Annual Report to be filed with the Bankruptcy Court and provided to the TOC pursuant to Section 2.2(c)(i).

6.6 Procedures for Consultation with and Obtaining the Consent of the TOC.

(a) **Quorum; Simple Majority for Consent.** A quorum will be declared if at least [●] of the [●] members of the TOC Members are present. Except as provided elsewhere in this Trust Agreement, all votes or determinations will require [●] affirmative votes.

(b) **Consultation Process.**

(i) In the event the Trustee is required to consult with the TOC pursuant to Section 2.2(e) above or on other matters as provided herein, the Trustee shall provide the TOC with written advance notice, which notice shall be deemed given if delivered by electronic mail, of the matter under consideration, and with all relevant information concerning the matter as is reasonably practicable under the circumstances. The Trustee shall also provide the TOC with such reasonable access to the Trust Professionals and other experts retained by the Trustee and the Claims Administrator as the TOC may reasonably request during the time that the Trustee is considering such matter, and shall also provide the TOC the opportunity, at reasonable times and for reasonable periods of time, to discuss and comment on such matter with the Trustee.

(ii) In determining when to take definitive action on any matter subject to the consultation procedures set forth in Section 6.6, the Trustee shall take into consideration the time required for the TOC, if its members so wish, to engage and consult with its own independent advisors as to such matter. Except for the Emergency Consultation Matters and Emergency Consultation Procedures, the Trustee shall not take definitive action on any such matter until at least three (3) business days after providing the TOC with the initial written notice that such matter is under consideration by the Trustee, unless (a) such time period is waived in writing by the TOC or at a meeting where the TOC and Trustee are present, or (b) the Trustee believes that the matter must be considered on less than three (3) business days' notice. If the Trustee believes that the matter must be considered on less than three (3) business days' notice (an "**Emergency Consultation Matter**"), the Trustee shall so advise the TOC and provide a consultation deadline and information that is reasonable under

the circumstances, after which the Trustee shall be deemed to have consulted with the TOC (the “**Emergency Consultation Procedures**”).

(c) **Consent Process.**

(i) In the event the Trustee is required to obtain the consent of the TOC pursuant to any provision in the Trust Documents, the Trustee shall provide the TOC with a written notice stating that its consent is being sought, describing in detail the nature and scope of the action the Trustee proposes to take. The Trustee shall provide the TOC as much relevant additional information concerning the proposed action as is reasonably practicable under the circumstances. The Trustee shall also provide the TOC with such reasonable access to the Trust Professionals and other experts retained by the Trustee and the Claims Administrator as the TOC may reasonably request during the time that the Trustee is considering such action, and shall also provide the TOC the opportunity, at reasonable times and for reasonable periods of time, to discuss and comment on such action with the Trustee.

(ii) The TOC must consider in good faith and in a timely fashion any request for its consent by the Trustee, and must in any event advise the Trustee, in writing, of its consent or its objection to the proposed action within three (3) business days of receiving the original request for consent from the Trustee. The TOC may not withhold its consent unreasonably. If the TOC decides to withhold its consent, it must explain in detail its objections to the proposed action. If the TOC does not advise the Trustee, in writing, of its consent or its objections to the action within three (3) business days of receiving notice regarding such request, the TOC’s consent to the proposed actions shall be deemed to have been affirmatively granted. If the TOC does not consent to the Trustee’s proposed action, the Trustee and the TOC shall resolve their dispute pursuant to Section 8.18 below, however, in that event the TOC shall have the burden of proof to show the validity of the TOC’s objection.

(iii) If the Trustee believes that the matter must be considered on less than three (3) business days’ notice (the “**Emergency Consent Matter**”), the Trustee shall so advise the TOC of the Trustee’s proposed action and provide a response deadline and information that is reasonable under the circumstances. The TOC shall be deemed to have consented if the TOC does not respond within the shortened response deadline. If the TOC does not consent to the Emergency Consent Matter, the Trustee may immediately seek the Bankruptcy Court’s intervention.

SECTION VII
NEUTRALS

7.1 Panel of Neutrals. The Trustee, Claims Administrator, Claims Processor, and TOC shall work with a panel of neutrals experienced in resolution of wildfire claims and related matters in resolving issues relating to the liquidation and settlement of claims against the Trust (the “**Panel of Neutrals**”). No Neutral shall perform any of these duties if he or she has a conflict of interest with any of the parties unless the existence of the conflict is disclosed in writing and waived by the affected parties in writing.

7.3 Random Assignment of Neutrals. Neutrals shall be randomly assigned to resolve specific Fire Victim Claims or specific issues relating to specific Fire Victim Claims and general issues relating to all Fire Victim Claims or groups of Fire Victim Claims, and conduct mediations and/or arbitrations of specific Fire Victim Claims. Neither the Trustee nor the Claims Administrator shall have any power to assign any Fire Victim Claim to any Neutral.

7.4 Meetings with Neutrals. The Trustee shall hold meetings with the Neutrals, Claims Administrator, Claims Processor and TOC on such schedule as the Trustee deems appropriate in his sole discretion (either in person or via conference call) to discuss, refine, or devise methods of liquidating Fire Victim Claims in a fair, consistent, and equitable manner. The Trustee shall meet with some or all of the Neutrals at various times. At all such meetings the Trustee and the Claims Administrator shall serve as co-chairs of the meeting.

7.5 Indemnification. Without the need for further court approval, the Trust hereby indemnifies, holds harmless, and defends the Neutrals in the performance of their duties hereunder to the fullest extent that a trust is entitled to indemnify, hold harmless, and defend such persons against any and all liabilities, expenses, claims, damages, or losses (including attorney's fees and costs) incurred by them in the performance of their duties hereunder.

SECTION VIII **GENERAL PROVISIONS**

8.1 Irrevocability. To the fullest extent permitted by applicable law, the Trust is irrevocable.

8.2 Term; Termination.

(a) The term for which the Trust is to exist shall commence on the date of the filing of the Certificate of Trust and shall terminate pursuant to the following provisions.

(b) The Trust shall automatically dissolve on the date (the "**Trust Termination Date**") ninety (90) days after the first to occur of the following events:

(i) the date on which the Bankruptcy Court approves dissolution of the Trust because (1) all Claims duly filed with the Trust have been liquidated, approved or disallowed, accepted, and paid to the extent possible based upon funds available through the Plan and as provided in this Trust Agreement and the CRP or have been disallowed by a final

non-appealable order, (2) all known claims against third parties have been pursued and all reasonably expected recoveries from those claims have been collected, and (3) a final accounting has been filed with and approved by the Bankruptcy Court; or

Kennedy, Sr., father of the late President John F. Kennedy, living on the date hereof.

(c) On the Trust Termination Date or as soon as reasonably practicable thereafter, after the wind-up of the Trust's affairs by the Trustee and payment of all of the Trust's liabilities have been provided for as required by applicable law, all monies remaining in the Trust estate shall be distributed to the Fire Victims on a *pro rata* basis according to the percentage value of each Approved Claim relative to the total amount of Approved Claims, provided, however, that, notwithstanding any provision in the Trust Documents to the contrary, no payment in the aggregate of less than twenty-five dollars (\$25.00) in Cash shall be made to any Beneficial Owner on account of any Approved Claim.

(d) Following the dissolution and distribution of the assets of the Trust, the Trust shall terminate, and the Trustee (acting alone) shall perform all acts and duties necessary to complete the termination and winding up of the affairs of the Trust and shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the PG&E Fire Victim Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the PG&E Fire Victim Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation. The Trustee shall provide to the Delaware Trustee a certified copy of the Certificate of Cancellation within a reasonable time after the filing of such Certificate of Cancellation. The Certificate of Cancellation need not be signed by the Delaware Trustee.

8.3 Amendments. Any modification or amendment made pursuant to this Section 8.3 must be done in writing. Notwithstanding anything contained in this Trust Agreement or the CRP to the contrary, neither this Trust Agreement, the CRP, nor any document annexed to the foregoing shall be modified or amended in any way that could jeopardize, impair, or modify (i) the applicability of section 105 of the Bankruptcy Code to the Plan and the Confirmation Order, (ii) the efficacy or enforceability of the Channeling Injunction or any other injunction or release issued or granted in connection with the Plan, (iii) the Trust's qualified settlement fund status under the QSF Regulations, or (iv) the rights, duties, liabilities and obligations of the Delaware Trustee without the written consent of the Delaware Trustee. Further, without the written consent of the TOC there shall be no modification of (i) Section 5.7 hereof or any rights, benefits or protections provided to the Trust Indemnified Parties, or (ii) the terms of the Claimant Release or the obligation of the Trust to obtain a properly executed Claimant Release as a pre-condition to a claimant receiving a distribution from the Trust.

8.4 Meetings.

(a) The Trustee and the Claims Administrator will hold regularly scheduled, periodic meetings with the TOC, either in person or via telephone or videoconference, which

shall occur at least quarterly. The Delaware Trustee shall not be required nor permitted to attend such meetings.

(b) The TOC shall meet as needed, either in person or via telephone or videoconference. The Trustee may participate in such meeting as requested by the TOC. Minutes will be maintained at meetings of the TOC and the TOC shall provide such minutes to the Trustee within ten (10) days following such meeting.

8.5 Severability. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

8.6 Notices.

(a) Notices to persons asserting claims shall be given by e-mail as provided on such person's claim form submitted to the Trust with respect to his or her Fire Victim Claim.

(b) Any notices or other communications required or permitted hereunder to the following parties shall be in writing and delivered at the addresses designated below, or sent by email or facsimile pursuant to the instructions listed below, or mailed by first class mail, postage prepaid, addressed as follows, or to such other address or addresses as may hereafter be furnished in writing to each of the other parties listed below in compliance with the terms hereof.

8.7 Successors and Assigns. The provisions of this Trust Agreement shall be binding upon and inure to the benefit of the Trust, the Trustee, the TOC, and their respective successors and assigns, except that none of such persons may assign or otherwise transfer any of its rights or obligations, if any, under this Trust Agreement except, in the case of the Trust and the Trustee, as contemplated by Section 2.1 above, and in the case of the Delaware Trustee, as contemplated by section 5.11.

8.8 Limitation on Claim Interests for Securities Laws Purposes. Fire Victim Claims, and any interests therein (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will or under the laws of descent and distribution; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest.

8.9 Evidence of Beneficial Interests. Ownership of a beneficial interest in the Trust Assets by the Trust Beneficiaries shall not be evidenced by any certificate, security or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Trust by the Trustee.

8.10 Exemption from Registration. The Parties hereto intend that the rights of the Trust Beneficiaries arising under this Trust Agreement shall not be “securities” under applicable laws, but none of the Parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If it should be determined that any such interests constitute “securities,” the Parties hereto intend that the exemption provisions of section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the Trust Interests will be exempt from registration under the Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

8.11 Transfer and Exchange. The beneficial interests held by Trust Beneficiaries are not negotiable and shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law, and shall be subject to certain other restrictions. Moreover, any and all Trust Interests shall not be listed for trading on any national securities exchange and the Trustee shall not take any action the purpose of which is, or which would be in support of, the establishment of an active trading market in the Trust Interests. No voluntary transfer of a beneficial interest in the Trust shall be effective or binding upon the Trust or the Trustee for any purpose. In the case of a deceased individual Beneficial Owner, his or her executor or administrator shall provide written notice to the Trustee and deliver to the Trustee such documentation necessary to evidence the transfer by operation of law and identify the proper Person to succeed to such decedent’s interests. The Trustee may fully rely on any such evidence provided by a purported executor or administrator and shall have no duty to investigate.

8.12 Change of Address. A Beneficial Owner may, after the Effective Date, select an alternative distribution address or provide wire transfer instructions for any distribution by providing notice to the Trustee (or to another Person as directed by the Trustee) including such address or instructions. Such notification will be effective only upon receipt by the Trustee or other Person in accordance with this Section 8.12. Absent receipt of such notice, the Trustee shall not recognize any such change of distribution address.

8.13 Entire Agreement; No Waiver. The entire agreement of the parties relating to the subject matter of this Trust Agreement is contained herein and in the documents referred to herein, and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

8.14 Headings. The headings used in this Trust Agreement are inserted for convenience only and do not in any manner affect the construction of the provisions of this Trust Agreement.

8.15 Compliance with Laws. Any and all distributions of Trust Assets shall be in compliance with applicable laws, including applicable federal and state tax and securities laws.

8.16 Governing Law. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof which would purport to apply the law of any other jurisdiction; provided, however, that the laws of the State of California shall govern: (x) any issue of privilege between any holder of a Fire Victim Claim and his or her counsel; and (y) any issue of privilege between the Trust, the Trustee, and their professionals; provided, further, and for the avoidance of doubt, that all Fire Victim Claims administered under the CRP and this Trust Agreement shall be evaluated under the laws of the State of California; provided, further, that the parties hereto intend that the provisions hereof shall control and there shall not be applicable to the Trust, the Trustee, the Delaware Trustee, the Claims Administrator, the TOC, or this Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of trustee accounts or schedules of trustee fees and charges, (b) affirmative requirements to post bonds for trustees, officers, agents, or employees of a trust, (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property, (d) fees or other sums payable to trustees, officers, agents, or employees of a trust, (e) the allocation of receipts and expenditures to income or principal, (f) restrictions or limitations on the permissible nature, amount or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets, (g) the existence of rights or interests (beneficial or otherwise) in trust assets, (h) the ability of beneficial owners or other persons to terminate or dissolve a trust, or (i) the establishment of

fiduciary or other standards or responsibilities or limitations on the acts or powers of trustees or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee, the Delaware Trustee, the Claims Administrator, or the TOC, as set forth or referenced in this Trust Agreement. Section 3540 of Title 12 of the Delaware Code shall not apply to the Trust.

8.17 Settlers' Representative and Cooperation. The Debtors are hereby irrevocably designated as the Settlers and are hereby authorized to take any action required of the Settlers by the Trustee in connection with this Trust Agreement. The Reorganized Debtors agree to cooperate in implementing the goals and objectives of this Trust Agreement.

8.18 Dispute Resolution. Any disputes that arise under this Trust Agreement or under the CRP among the parties hereto shall be resolved by an alternative dispute resolution (the "ADR") process mutually agreeable to the parties involved. The parties involved agree to meet and confer in good faith in an effort to agree upon a mutually acceptable ADR process. Any party to the ADR process that is dissatisfied with the final outcome of the ADR process may apply to the Bankruptcy Court, and after the close of the Debtors' chapter 11 cases, the District Court, for a judicial determination of the matter, which shall be final. Any review conducted by the Bankruptcy Court (or District Court, as applicable) shall be de novo. In any case, if the dispute arose pursuant to the consent provision set forth in Section 6.7, the burden of proof shall be on the party or parties who withheld consent to show by a preponderance of the evidence that consent was not unreasonably withheld. If after thirty (30) days following notification to all involved parties that there is a matter in dispute, an ADR process has not been agreed upon by the parties or the dispute has not been resolved by an ADR process, the parties are relieved of the requirement to pursue ADR prior to application to the Bankruptcy Court (or District Court, as applicable). If the Trustee determines that the matter in dispute is exigent and cannot await the completion of the ADR process, the Trustee shall have the discretion to elect out of the ADR process at any stage of the process and seek resolution of the dispute in the Court of Exclusive Jurisdiction.

8.19 Enforcement and Administration. The provisions of this Trust Agreement, the CRP, and the other Trust Documents shall be enforced by the Court of Exclusive Jurisdiction. The parties also acknowledge and agree that the Court of Exclusive Jurisdiction (1) shall have exclusive continuing jurisdiction over the settlement of accounts of the Trustee, those matters set forth in Section 1.6 above, and the determination that the Trust is terminated pursuant to Section 8.2 above, and (2) shall have exclusive continuing jurisdiction over all other matters relating to the Trust and its administration.

8.20 Joinder. The Trustee, the Delaware Trustee, the Claims Administrator, [the Special Master] and each member of the TOC shall execute this Trust Agreement (or a Joinder hereto, as applicable) thereby acknowledging their respective obligations and rights created by the Trust, and agreeing to perform the duties set forth in the Trust Agreement.

8.21 Capitalized Terms. All capitalized terms not otherwise defined herein shall have their respective meanings as set forth in the Plan, and such definitions are incorporated herein by reference. All capitalized terms not defined herein or defined in the Plan, but defined

in the Bankruptcy Code or Rules, shall have the meanings ascribed to them by the Bankruptcy Code and Rules, and such definitions are incorporated herein by reference.

8.22 Effectiveness. This Trust Agreement shall not become effective until it has been executed and delivered by all the parties hereto.

8.23 Counterpart Signatures. This Trust Agreement may be executed in any number of counterparts, each of which shall constitute an original, but such counterparts shall together constitute but one and the same instrument. Delivery of a counterpart hereof by facsimile or email transmission of a PDF file shall be effective as delivery of a manually executed counterpart hereof.

IN WITNESS WHEREOF, the parties have executed this Trust Agreement as of the date first set forth above to be effective as of the Effective Date.

MUTUAL MADE WHOLE RELEASE

The terms “Claimant” and “Insurer,” are defined in Paragraph G. below.

_____, Trustee of the Fire Victim Trust, the undersigned party or personal representative (referred to herein as “Claimant”), individually and on behalf of the estate of the Claimant, and the Insurer (collectively, the “Parties” or “Releasees”) agree as follows:

A. Whereas, the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization dated _____ (the “Plan”), was confirmed by an order of the United States Bankruptcy Court for the Northern District of California entered on _____, 2020, and the Plan became effective on _____, 2020.

B. Whereas the Plan provides for the treatment of all allowed Fire Victim Claims (as defined in the Plan) against the Debtors through the Fire Victim Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Fire Victim Claims.

C. Whereas the Plan provides for the treatment of all allowed Subrogation Wildfire Claims (as defined in the Plan) against the Debtors through the Subrogation Wildfire Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Subrogation Wildfire Claims.

D. Whereas, the Plan provides that the Fire Victim Claims are administered by a Fire Victim Trust and a Fire Victim Trustee who operates independent from the Debtors, holders of the Fire Subrogation Claims, and the Insurer. Neither the Debtors, holders of the Fire Subrogation Claims, nor the Insurer shall have any right to participate in the administration of the Fire Victim Trust, review any allocation or distribution decision of the Trustee or Trust Oversight Committee, including that of the Claimant, or make any claim for money against the Trust or the Trustee in any way or at any time.

E. Whereas, the Trustee and Fire Victim Trust Oversight Committee have reviewed and advised the Claimant of (a) the total amount paid into the Fire Victim Trust available for compensation to the Fire Victims, (b) the total number of claims made against the Fire Victim Trust, (c) the process by which trust funds will be allocated and distributed, and (d) the total allocated amount from the Fire Victim Trust to the Claimant (“Total Allocation Award”).

F. Whereas, the Claimant has reviewed the Total Allocation Award.

G. Whereas, the Plan provides the Claimant and the Insurer execute a mutual limited release after the Claimant has reviewed the Total Allocation Award wherein the Claimant agrees to release only their claim against the Insurer under the Made Whole Doctrine (see Paragraph 1) and no other claim, cause of action, defense or remedy against the Insurer, and the Insurer agrees to release the Claimant as described herein in Paragraph 3. For the purpose of this Release, “Claimant” includes the Claimant’s heirs, legal representatives,

successor or assigns and “Insurer” includes the Claimants’ insurance carriers, their past and present holders of insurance subrogation claims against the Debtors (and their direct and indirect assignors or assignees), and each of their directors, officers, agents, consultants, financial advisers, employees, attorneys, predecessors, successors and assigns.

H. Whereas, nothing in this Release is an affirmation, representation, or an acknowledgment that the Claimant has in fact been fully compensated for their damages covered by the contract of insurance between the Insurer and the Claimant. The parties agree that Court’s approval of the Plan and the Claimants’ acceptance of the Total Allocation Award does not establish that the Claimant has been fully compensated under California law for their compensable damages as a result of the fire to the extent those damages are covered by insurance.

I. Whereas, the Insurer has agreed to the terms, provisions, and agreements of this Mutual Release in a separate agreement dated _____, 20__, affirming, adopting, and attaching a copy of this Mutual Release (“Insurer Adoption Agreement”). This Mutual Release is conditioned upon the Insurer, or the Insurer’s successor on behalf of the Insurer, filing in the Chapter 11 case the Insurer Adoption Agreement, which states the Insurer releases, as to the Made Whole Doctrine only, each Claimant who signs and agrees to the terms of this Mutual Release. The terms, provisions, and agreements of the Insurer Adoption Agreement are incorporated herein by reference. Insurer’s consent and agreement to the terms, provisions, and agreements of this Mutual Release shall be effective upon the signature of the Claimant.

J. Whereas, this release is not required for the Trustee to allocate and distribute preliminary awards to individuals on a case by case basis for humanitarian or urgent needs.

NOW, THEREFORE, in consideration for the agreements described in this Release and other good and valuable consideration, the Claimant and the Insurer agree as follows:

1. By accepting the Total Allocation Award, the Claimant hereby waives and releases their rights, known or unknown, to assert the Made Whole Doctrine against the Insurer. Claimant is not waiving or releasing any other claim, cause of action, defense, or remedy against Insurer. Also, by signing this agreement, the Claimant is not agreeing as a factual matter that the Claimant has been fully compensated for each and every category of their damages under California law.

2. The Claimant is not releasing any claims the Claimant may have against the Insurer other than the Claimant’s foregoing waiver set forth in Paragraph 1. The Parties to this Release further agree and acknowledge that the Claimant is not releasing any claims, except and only to the extent set forth above, they might have against the Insurer, including but not limited to those claims or causes of action related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) the right to pursue claims already made or to make new or continued claims under the policy; (3) claims handling issues; (4) delay in paying claims under the policy; (5) inadequate or untimely communication relating to the claim; (6) unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-today claims decisions; (7) actions or inactions of insurance agents or brokers in underwriting, securing, adjusting, calculating or recommending

coverage; (8) coverage issues over policy language; (9) any action for bad faith or breach of the covenant of good faith and fair dealing; (10) any claims to reform or modify the terms of any policy; (11) any rights to recover damages for breach of contract or tort (including punitive damages), penalties or equitable relief; (12) any claims of violations of statutory or regulatory obligations; or (13) any claim for unfair business acts or practices.

3. The Insurer agrees to release and waive any right to make claim for any amount paid to the Claimant pursuant to the Fire Victim Trust or to assert as a defense, offset or reduction, the money paid to the Claimant from the Fire Victim Trust, which belongs solely to the Claimant. The Claimant agrees to make no claim on the money paid to the Insurer from the Subrogation Wildfire Trust. In agreeing to this limited release, Insurer is not releasing any claim, cause of action, defense, or remedy it may have against the Claimant other than Claimant's foregoing release of any Made Whole Doctrine claim.

4. The Insurer is not releasing any claims the Insurer may have against Claimant other than the Insurer's foregoing waiver set forth in Paragraph 3. The Parties to this Release further agree and acknowledge that the Insurer is not releasing any claims, except and only to the extent set forth above, it might have against the Claimant, including but not limited to those claims related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) defenses to garden variety claims handling issues unrelated to the Made Whole Doctrine; (3) defenses related to delay in paying claims under the policy; (4) defenses to alleged inadequate or untimely communication relating to the claim; (5) defenses to alleged unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-to-day claims decisions; (6) defenses to actions or inactions of insurance agents or brokers in securing coverage; (7) coverage issues over policy language unrelated to Made Whole Doctrine; or (8) defenses to any common law action for bad faith unrelated to Made Whole Doctrine.

5. The Insurer further agrees that the Total Allocation Award shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action for any of the causes of action or claims for relief identified in Paragraphs 2 or 4. Claimant agrees that the amount paid to Insurer from the Subrogation Wildfire Trust shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action.

6. To the extent that the Claimant brings a claim for breach of contract, wrongful denial of coverage and/or bad faith against the Insurer, the Insurer shall not assert in any way or at any time that the Claimant should have or could have pursued that claim against the Debtors, the Fire Victim Trust, or any other party. The Insurer agrees that that it will not assert in any action or proceeding covered under Paragraph 2 or 4 that the Claimant has been compensated as a result of the Claimant's settlement with the Debtors.

7. Both the Claimant and the Insurer agree that this Release gives the parties released the status of third-party beneficiary of the Release, and such Releasees may enforce this Release and any rights or remedies set forth herein.

8. This Release contains the entire agreement between the parties as to the subject matter hereof and is effective immediately upon signing. Likewise, the release in Paragraph 1 is effective immediately upon signing. If there is a conflict between this Release and any other prior or contemporaneous agreement between the parties concerning the subject matter of the Release, the Release controls.

9. The law of the State of California shall govern the interpretation of this Release. The Bankruptcy Court has jurisdiction to resolve any disputes under this agreement.

10. Each Releasor states that he, she, or it is of legal age, with no mental disability of any kind, is fully and completely competent, and is duly authorized to execute this Release on Releasor's own behalf. Releasor further states that this Release has been explained to Releasor and that Releasor knows the contents as well as the effect thereof. Releasor further acknowledges that Releasor executed this Release after consulting with Releasor's attorney or the opportunity to consult with an attorney.

11. For avoidance of doubt, the Made Whole Doctrine is described herein. Subrogation is a doctrine that permits an insurance company, or its assignees, to assert the rights and remedies of an insured against a third-party tortfeasor. The Made Whole Doctrine is a common law exception to insurer's right of subrogation. The Made Whole Doctrine, under certain circumstances, could preclude an insurer from recovering any third-party funds unless and until the insured has been made whole for the loss. Both the Claimant and Insurer agree that this Release does not modify, abrogate or affect any prior release or waiver between the Parties arising from the Fire.

12. Consistent with the foregoing, it is expressly understood and agreed by claimant that claimant is waiving and releasing all known or unknown claims under the Made Whole Doctrine. It is expressly understood and agreed by insurer that insurer is waiving and releasing all known or unknown claims under the Made Whole Doctrine as to claimant.
