Valued CARBO Ceramics Stakeholder:

You are receiving the attached notice related to the Chapter 11 filing of CARBO Ceramics. This notice is intended to let you know that CARBO announced on March 29, 2020 that it has reached an agreement with Wilks Brothers, LLC and Equify Financial, LLC (together, the "Wilks Brothers") under which the Wilks Brothers will acquire the Company through a debt-for-equity exchange pursuant to a plan of reorganization in a Chapter 11 bankruptcy case. To facilitate the agreement and effectuate the transaction, CARBO has initiated a voluntary Chapter 11 process in the U.S. Bankruptcy Court for the Southern District of Texas, Houston Division.

Please know that CARBO is open for business. Our focus, as always, is on providing high-quality products and solutions – and we have taken the necessary steps to do so throughout this process.

The attached notice, which is known as the Notice of Commencement (NOC), is intended to inform recipients of CARBO's Chapter 11 filing and provide additional information about the Chapter 11 cases. We want to assure you that these notices are typical of the Chapter 11 process and are sent out to various stakeholders, including current and former employees, investors, vendors and certain clients, among others. You may continue to receive notices like these as the case progresses. **This notice has no effect on your continued relationship with CARBO and does not require any action on your part.**

We are committed to keeping you updated. In the meantime, if you have any questions through this process, please call our dedicated hotline at (866) 977-0978 in the U.S. or +1 (503) 520-4410 internationally.

Best regards,
