The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

Releases by the Debtors

Notwithstanding anything contained in the Plan to the contrary, pursuant to Section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, the Reorganized Debtors, and their Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative Claims asserted or assertable on behalf of the Debtors or their Estates, that the Debtors, the Reorganized Debtors, or their Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any claim against, or interest in, a Debtor or other entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), any Securities issued by the Debtors and the ownership thereof, the Debtors' in- or out-of-court restructuring efforts, the First Lien Credit Agreement, the Second Lien Credit Agreement, any Avoidance Actions

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (a) in exchange for the good and valuable consideration provided by the released parties, including, without limitation, the released parties' contributions to facilitating the restructuring and implementing the Plan; (b) a good faith settlement and compromise of the Claims released by the Debtor Release; (c) in the best interests of the Debtors and all Holders of Claims and Interests; (d) fair, equitable, and reasonable; (e) given and made after due notice and opportunity for hearing; and (f) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release any post-Effective Date obligations of any Party or entity under the Plan, any Restructuring Transaction, or any document, instrument, or agreement (including the New First Lien Credit Agreement Documents, the New Junior Lien Credit Agreement Documents, and other documents, instruments, and agreements set forth in the Plan Supplement) executed to implement the Plan and shall not result in a release, waiver, or discharge of any of the Debtors' or the Reorganized Debtors' assumed indemnification provisions as set forth in the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definition contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (a) consensual; (b) essential to the Confirmation of the Plan; (c) given in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties' contributions to facilitating the Restructuring and implementing the Plan; (d) a good faith settlement and compromise of the Claims released by the Third-Party Release; (e) in the best interests of the Debtors and their Estates; (f) fair, equitable, and reasonable; (g) given and made after due notice and opportunity for hearing; and (h) a bar to any of the Releasing Parties asserting any Claim or Cause of action released pursuant to the Third-Party Release.

Exculpation

Notwithstanding anything contained in the Plan to the contrary, no Exculpated Party shall have or incur liability for, and each Exculpated Party is released and exculpated from,

any Cause of Action for any Claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Restructuring Support Agreement, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the New First Lien Credit Agreement, the New First Lien Credit Agreement Documents, the New Junior Lien Credit Agreement, the New Junior Lien Credit Agreement Documents, and solicitation of votes on the Plan, the prepetition negotiation and settlement of Claims, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of debt and/or preferred equity (including the New First Lien Term Loans, New Junior Convertible Term Loans, and the New Revolving Exit Facility) and/or Securities (including the New Jason Equity and the Warrants) pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan

The Exculpated Parties have, and upon Confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes on, and distribution of consideration pursuant to, the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the exculpation set forth above does not release or exculpate any Claim relating to any post-Effective Date obligations of any Party or Entity under the Plan, any Restructuring Transaction, or any document, instrument, or agreement (including the New First Lien Credit Agreement Documents, the New Junior Lien Credit Agreement Documents, and other documents, instruments and agreements set forth in the Plan Supplement) executed to implement the Plan.

respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or Estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such claims or interests unless such entity has timely asserted such setoff right in a document filed with the Bankruptcy Court explicitly preserving such setoff, and notwithstanding an indication of a Claim or Interest or otherwise that such Entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (f) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests discharged, released, exculpated, or settled pursuant to the Plan.

Protection Against Discriminatory Treatment

In accordance with section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, no Governmental Unit shall discriminate against any Reorganized Debtor, or any Entity with which a Reorganized Debtor has been or is associated, solely because such Reorganized Debtor was a debtor under chapter 11, may have been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before such Debtor was granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

In addition, at the sole expense of the Debtors or the Reorganized Debtors, the Agents shall execute and deliver all documents reasonably requested by the Debtors, the Reorganized Debtors, or administrative agent(s) for the New Credit Facilities or the New Revolving Exit Facility to evidence the release of such mortgages, deeds of trust, Liens, pledges, and other security interests and shall authorize the Reorganized Debtors and their designees to file UCC-3 termination statements and other release documentation (to the extent applicable) with respect thereto.

Assumption of Executory Contracts and Unexpired Leases

Except as otherwise provided in the Plan, each Executory Contract and Unexpired Lease shall be deemed assumed, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date, pursuant to section 365 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease (a) was previously assumed or rejected; (b) was previously expired or terminated pursuant to its own terms; (c) is the subject of a motion to assume or assume and assign Filed on or before the Confirmation Date; or (d) is designated specifically, or by category, as an Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates. The Confirmation Order will constitute an order of the Bankruptcy Court approving the above-

described assumptions and assignments, all pursuant to sections 365(a) and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date.

Except as otherwise provided in the Plan or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

Information to identify the case:

Debtor: Jason Industries, Inc. EIN: 46-2888322
Name

Case Number: 20-22766 (RDD) Date case filed for Chapter 11: 06/24/2020

Official Form 309F (For Corporations or Partnerships)

Notice of Chapter 11 Bankruptcy Case

12/17

For the debtor listed above, a case has been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered. This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at www.pacer.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

5. Bankruptcy Clerk's Office	US Bankruptcy Court Southern District of New York 300 Quarropas Street, Room 248 White Plains, NY 10601 Documents in this case may be filed at this address. You may inspect all records filed in this case at this office or online at www.pacer.gov	Hours Open: Monday - Friday 8:30 AM - 5:00 PM All documents in this case are available free of charge on the website of the Debtors' notice and claims agent at www.dm.epiq11.com/jason
6. Meeting of Creditors The debtor's representative must attend the meeting to be questioned under oath. Creditors may attend, but are not required to do so.	Time and Date to be Determined The meeting may be continued or adjourned to a later date. If so, the date will be on the court docket.	Location to be Determined
7. Proof of claim deadline:	Deadline for filing proof of claim: A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be obtained at www.uscourts.gov or any bankruptcy clerk's office. Your claim will be allowed in the amount scheduled unless: • Your claim is designated as disputed, contingent or unliquidated; • You file a proof of claim in a different amount; or • You receive another notice If your claim is not scheduled or if your claim is designated as disputed, contingent, or unliquidated, you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled. You may review the schedules at the bankruptcy clerk's office or online at www.pacer.gov Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.	Not yet set. If a deadline is set, notice will be sent at a later time.
8. Exception to discharge deadline The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.	You must start a judicial proceeding by filing a complaint if you want to have a debt excepted from discharge under 11 U.S.C. § 1141(d)(6)(A). Deadline for filing the complaint: To be Determined	
9. Creditors with a foreign address	If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.	

10. Filing a Chapter 11 bankruptcy case	Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.
11. Discharge of debts	Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge under 11 U.S.C. § 1141(d)(6)(A), you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.
