IMPORTANT NOTICE REGARDING TREATMENT FOR CLASS 2

As described in more detail in the Disclosure Statement, if the Plan is confirmed and the Effective Date occurs:

The Prepetition Agent shall receive, on behalf of the Holders of the Prepetition Secured Claims:

- (a) on the Effective Date, from the Debtors, following payment of the DIP Facility Claims in full, all Available Cash, up to an amount necessary to satisfy the Prepetition Secured Claims in full, except for any portion of such Available Cash transferred by the Debtors to fund the Post-Effective Date Agent Professional Retainers and such Available Cash transferred by the Debtors or the Plan Administrator pursuant to the Wind-Down Budget to fund (i) the Budgeted Claims Reserve, (ii) the Professional Fee Claims Reserve, and (iii) the Gift Reserve; and
- (b) beginning on the first calendar quarter following the Effective Date, and continuing on at least a quarterly basis thereafter, the Plan Administrator shall pay all Available Cash in excess of the amounts in the Distribution Reserve Accounts then remaining to be paid in accordance with the Wind-Down Budget, up to an amount necessary to satisfy the Prepetition Secured Claims in full.

For the avoidance of doubt, unless and until the Allowed Prepetition Secured Claims are satisfied in full, except with respect to (i) amounts payable under the Wind-Down Budget and (ii) Available

Cash transferred to the Gift Reserve, all Available Cash resulting from the liquidation of Assets shall be distributed to the Holders of Allowed Prepetition Secured Claims. All Assets vesting in the Post-Effective Date Debtors other than Available Cash transferred to the Gift Reserve and the Professional Fee Claims Reserve shall be subject to the Liens of the Prepetition Agent; *provided, however*, that such Liens shall be retained for defensive purposes only to entitle the Prepetition Agent to enforce the Distribution and other terms of the Plan; *provided, further, however*, that the Prepetition Agent shall not foreclose upon such retained Liens unless a Final Order is entered finding that (i) a Plan Default occurred (including if any collateral is sought to be used in a manner inconsistent with the Plan) and (ii) such default was not cured in accordance with the Plan.

PLEASE READ THE DISCLOSURE STATEMENT AND PLAN FOR MORE DETAILS.

The Plan can be confirmed by the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) and thereby made binding on you if it is accepted by the holders of (i) at least two-thirds in amount of the allowed Claims or Interests voted in each Impaired Class, and (ii) more than one-half in number of the allowed Claims voted in each Impaired Class, and if the Plan otherwise satisfies the applicable requirements of section 1129(a) under the Bankruptcy Code. If the requisite acceptances are not obtained, the Bankruptcy Court may nonetheless confirm the Plan if it finds that the Plan (y) provides fair and equitable treatment to, and does not unfairly discriminate against, the Class or Classes rejecting the Plan and (z) otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, it will be binding on you whether or not you vote or if you vote to reject the Plan. To have your vote counted, you must complete, sign, and return this Ballot to the Solicitation Agent by the Voting Deadline.

Any Ballot that is illegible, contains insufficient information to identify the Beneficial Holder, does not contain an original signature, or is unsigned will not be counted. If neither the “accept” nor “reject” box is checked in Item 2, both boxes are checked in Item 2, nor the Ballot is otherwise not properly completed, executed, or timely returned, then the Ballot shall not be counted in determining acceptance or rejection of the Plan. Notwithstanding the foregoing, if your Nominee is collecting your vote through other customary methods, including (but not limited to) via a “voting information form,” please follow the instructions set forth by your Nominee.

Plan, and (ii) following the indefeasible payment in full of all Prepetition Secured Claims, all remaining Available Cash.

PLEASE READ THE DISCLOSURE STATEMENT AND PLAN FOR MORE DETAILS.

The Plan can be confirmed by the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) and thereby made binding on you if it is accepted by the holders of (i) at least two-thirds in amount of the allowed Claims or Interests voted in each Impaired Class, and (ii) more than one-half in number of the allowed Claims voted in each Impaired Class, and if the Plan otherwise satisfies the applicable requirements of section 1129(a) under the Bankruptcy Code. If the requisite acceptances are not obtained, the Bankruptcy Court may nonetheless confirm the Plan if it finds that the Plan (y) provides fair and equitable treatment to, and does not unfairly discriminate against, the Class or Classes rejecting the Plan and (z) otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, it will be binding on the Senior Noteholders whether or not such holders vote or if such holders vote to reject the Plan. To have a holder’s vote counted, such holder must complete, sign, and return this Ballot to the Solicitation Agent by the Voting Deadline.

Receipt of this Master Ballot does not indicate that a Beneficial Holder’s Claim(s) has been or will be Allowed. This Master Ballot is solely for purposes of voting to accept or reject the Plan and not for the purpose of allowance or disallowance of, or distribution on account of, Class 4 GUC Claims.

MASTER BALLOT INSTRUCTIONS

1. To have the votes of your Beneficial Holders count, you should already have delivered to each such holder a copy of the Disclosure Statement, along with a Beneficial Holder Ballot (which may be a pre-validated ballot, as described in ¶ 2 below), with a return envelope addressed to you (or the Solicitation Agent in the case of a pre-validated ballot), so such holder may (i) return their Beneficial Holder Ballot to you in sufficient time for you to complete and return the Master Ballot to the Solicitation Agent, so that the Solicitation Agent *actually receives* the Master Ballot before the Voting Deadline or (ii) in the case of a pre-validated ballot, return their Beneficial Holder Ballot to the Solicitation Agent before the Voting Deadline. Notwithstanding the foregoing, you may transmit the Disclosure Statement and Beneficial Holder Ballot to Beneficial Holders in accordance with your customary procedures to transmit materials to and collect votes from Beneficial Holders.
2. You may pre-validate the Beneficial Holder Ballots by (i) signing the Beneficial Holder Ballot and indicating on the Beneficial Holder Ballot the name of the Nominee participant name and DTC participant number, (ii) the amount of the Class 4 GUC Claims held by the Nominee for the Beneficial Holder, and (iii) forwarding such Beneficial Holder Ballot, together with the Disclosure Statement, a preaddressed, postage-paid return envelope addressed to, and provided by, the Solicitation Agent. The Beneficial Holder will be required to complete the information requested in Item 2, Item 3, and Item 4 of the Beneficial Holder Ballot and return the Beneficial Holder Ballot directly to the Solicitation Agent so that it is received before the Voting Deadline.
3. With regard to any Beneficial Holder Ballots returned to you, to have the vote of your Beneficial Holders count, you must: (i) retain such Beneficial Holder Ballots in your files and transfer the requested information from each such Beneficial Holder Ballot onto the Master Ballot; (ii) execute the Master Ballot; and (iii) deliver the Master Ballot to the Solicitation Agent in accordance with these instructions.
4. Please keep any records of Beneficial Holder Ballots, including records of the Beneficial Holders to whom pre-validated Beneficial Holder Ballots were delivered, for at least one year after the Voting Deadline (or such other date as is set by order of the Bankruptcy Court). You may be ordered to produce the Beneficial Holder Ballots to the Debtor or the Bankruptcy Court.
5. For the avoidance of doubt, if it is your customary practice to collect votes from your beneficial holder clients via voter information form, e-mail, telephone, or other means, you may employ those customary practices to collect votes from the Beneficial Holders in lieu of a Beneficial Holder Ballot.

**Approach Resources Inc. et al.
Class 4 Master Ballot**

6. If you are both the Nominee and Beneficial Holder, and you wish to vote such Class 4 GUC Claims for which you are a Beneficial Holder, you may return either a Beneficial Holder Ballot or the Master Ballot for such Claims.
7. In the event that (i) the Debtors revoke or withdraw the Plan or (ii) the Confirmation Order is not entered or consummation of the Plan does not occur, this Master Ballot shall automatically be null and void and deemed withdrawn without any requirement of affirmative action by or notice to you.
8. The Master Ballot may not be used for any purpose other than to vote to accept or reject the Plan.
9. The Master Ballot does not constitute, and shall not be deemed to be, a proof of Claim or an assertion or admission of a Claim.
10. The following ballots shall not be counted in determining the acceptance or rejection of the Plan: (i) any ballot that is illegible or contains insufficient information to permit the identification of the Beneficial Holder, (ii) any ballot cast by a Person that does not hold a Claim in a Class entitled to vote on the Plan, (iii) any unsigned ballot, (iv) any ballot that does not contain an original signature (except with respect to Master Ballots emailed to the Solicitation Agent), and (v) any ballot not marked to accept or reject the Plan, or marked both to accept and reject the Plan.
11. If the Master Ballot is received after the Voting Deadline, it will not be counted, unless otherwise determined by the Debtors. The method of delivery of the Master Ballot to the Solicitation Agent is at your election and risk.
13. If a Beneficial Holder submits ballots for multiple Class 4 GUC Claims, whether held in other accounts or other record names, and such ballots indicate *different or inconsistent* votes to accept or reject the Plan, then all such ballots will not be counted.
14. If a Beneficial Holder submits more than one ballot voting the same Claims prior to the Voting Deadline, the latest received, properly executed Ballot submitted to the Solicitation Agent will supersede any prior Ballot.
15. To the extent that conflicting votes or “overvotes” are submitted by a Nominee, the Solicitation Agent, in good faith, will attempt to reconcile discrepancies with the Nominee. To the extent that any overvotes are not reconcilable prior to the preparation of the vote certification, the Solicitation Agent will apply the votes to accept and to reject the Plan in the same proportion as the votes to accept and reject the Plan submitted on the Master Ballots or pre-validated beneficial ballots that contained the overvote, but only to the extent of the Nominee’s position in the applicable security.
16. The Master Ballot should not be sent to the Debtors, the Bankruptcy Court, or the Debtors’ financial or legal advisors.

**Approach Resources Inc. et al.

17. There may be changes made to the Plan that do not have material adverse effects on an accepting Class. If such non-material changes are made to the Plan, the Debtors will not resolicit votes for acceptance or rejection of the Plan.
