## **ARTICLE I DEFINITIONS AND INTERPRETATIONS**

1.1 Definitions. All capitalized terms used in this Agreement not otherwise defined herein shall have the respective meanings ascribed to such terms in the Plan. The following capitalized terms have the meanings herein as described below:

1.1.1. “Beneficiary” shall mean the holders of Allowed Administrative Expense Claims, Priority Tax Claims, Other Secured Claims, Other Priority Claims, First Lien Secured Claims, Second Lien Secured Claims, and General Unsecured Claims, as applicable.

1.1.2. “Beneficiary Claims” shall mean Allowed Administrative Expense Claims, Priority Tax Claims, Other Secured Claims, Other Priority Claims, First Lien Secured Claims, Second Lien Secured Claims, and General Unsecured Claims, as applicable.

1.1.3. “Transfer” shall mean, with respect to a Trust Interest, any transfer, sale, pledge, assignment, conveyance, gift, bequest, inheritance, grant, distribution, hypothecation or other disposition of or creation of a security interest in such Trust Interest, whether voluntarily or by operation of law. “Transferor,” “Transferee,” and “Transferred” shall have correlative meanings.

1.1.4. “Trust Assets” shall mean, all assets held from time to time by the Trustee under this Agreement, which may include, without limitation, from and after the Effective Date, all assets of the Debtors that are not distributed on or prior to the Effective Date, other than, for the avoidance of doubt, the equity interests in any of the Debtors.

1.1.5. “Trust Interest” shall mean a beneficial interest in the Trust.

1.1.6. “Trustee” shall mean (x) initially, the Person named in the introductory paragraph to this Agreement as the Trustee, and (y) any successors or replacements duly appointed under the terms of this Agreement.

1.2 Plan Terms Control. In the case of any inconsistency between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall govern and control. This Agreement shall not be construed to impair or limit in any way the rights of any Person under the Plan.

## **ARTICLE II ESTABLISHMENT, PURPOSE AND FUNDING OF TRUST**

### **2.1 Creation and Name; Formation**

2.1.1. Upon the Effective Date of the Plan, the Trust, which is referred to in the Plan is hereby created. The Trustee may conduct the affairs of the Trust under the name of the “Trust” or such variation thereof as the Trustee sees fit.

2.2 Purpose of Trust. The Debtors and the Trustee, pursuant to the Plan and the Confirmation Order and in accordance with the Bankruptcy Code, hereby establish the Trust (i) for the purpose of collecting, administering, distributing and liquidating the Trust Assets for the benefit of the Beneficiaries in accordance with the terms of this Agreement and the Plan, (ii) to make distributions to the Beneficiaries, in each case, to the extent required by and in a manner consistent with the Plan and the priorities set forth therein and (iii) to implement the Wind Down pursuant to the Plan. The Debtors shall have no liability with respect to the distribution or payment of any proceeds of the Trust Assets to any of the Beneficiaries. The activities of the Trust shall be limited to those activities set forth in this Agreement and as otherwise contemplated by the Plan. The Trust is intended to qualify as a liquidating trust pursuant to Treasury Regulation Section 301.7701-4(d) and the primary purpose of the Trust shall be to liquidate and distribute the Trust Assets, and the Trust has no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Trust as set forth in the Plan.

### **2.3 Transfer of Trust Assets.**

2.3.1. On or prior to the Effective Date, the Debtors shall have transferred to the Trust the Trust Assets. Each Debtor hereby grants, releases, assigns, conveys, transfers and delivers, on behalf of the Beneficiaries, all of the Trust Assets owned, held, possessed or controlled by such Debtor to the Trustee as of the Effective Date, in trust for the benefit of the Beneficiaries for the uses and purposes as specified in this Agreement and the Plan. The transfer and delivery of the Trust Assets shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the maximum extent permitted under section 1146 of the Bankruptcy Code. None of the Debtors shall have any further obligations with respect to Beneficiary Claims under the Plan or the distribution or payment of any proceeds of the Trust Assets to any of the Beneficiaries upon the transfer of the Trust Assets to the Trust in accordance with this Agreement and the Plan, except that the Debtors shall, from time to time, execute and deliver or cause to be executed and delivered all such documents (in recordable form where necessary or appropriate) and the Debtors shall take or cause to be taken such further action, in each case as the Trustee may reasonably deem necessary or appropriate, to vest or perfect in or confirm to the Trustee title to and possession of the Trust Assets.

2.3.2. For all federal, state, and local income tax purposes, the Debtors, the Beneficiaries, and the Trustee shall treat the transfer of the Trust Assets to the Trust as a deemed transfer of the Trust Assets by the Debtors to the Beneficiaries on account of their Allowed Claims under the Plan, followed by a deemed transfer of the Trust Assets by the Beneficiaries to the Trust in exchange for their beneficial interests in the Trust. Thus, the Beneficiaries shall be treated as the grantors and owners of the Trust for federal income tax purposes.

2.3.3. To the extent that any Trust Assets cannot be transferred to the Trust because of a restriction on transferability under applicable non-bankruptcy law that is not superseded or preempted by section 1123 of the Bankruptcy Code or any other provision of the Bankruptcy Code, such Trust Assets shall be deemed to have been retained by the Debtors or their successor and the Trustee shall be deemed to have been designated as a representative of the Debtors or their successor pursuant to section 1123(b)(3)(B) of the Bankruptcy Code to enforce and pursue such Trust Assets on the behalf of the Debtors or their successor. Notwithstanding the foregoing, all proceeds of such Trust Assets (net of all reasonable costs and expenses (including the reasonable fees and expenses of professionals)), if received by the Debtors shall be transferred to the Trust or the Trustee on behalf its behalf to be distributed in accordance with this Agreement and the terms of the Plan.

2.3.4. In no event shall any part of the Trust Assets revert to or be distributed to the Debtors or any person other than the Beneficiaries in accordance with the terms of the Plan and this Agreement.

2.4 Nature of Trust. The Trust is irrevocable but this Agreement is subject to amendment and waiver as provided in this Agreement. The Trust is not intended to be, and shall not be deemed to be or treated as, a general partnership, limited partnership, limited liability partnership, joint venture, corporation, limited liability company, joint stock company or association, nor shall the Trustee, or the Beneficiaries, or any of them, for any purpose be, or be deemed to be or treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The relationship of the Beneficiaries, on the one hand, to the Trust and the Trustee, on the other hand, shall not be deemed a principal or agency relationship, and their rights shall be limited to those conferred upon them by this Agreement, the Plan and the Confirmation Order.

2.5 Effectiveness. The effectiveness of this Agreement shall occur upon the Effective Date of the Plan.

### **ARTICLE III ADMINISTRATION OF THE TRUST**

3.1 Rights, Powers and Privileges. In connection with the administration of the Trust, except as otherwise provided in this Agreement, the Plan, or the Confirmation Order, the Trustee is authorized to perform any and all acts necessary or desirable to accomplish the purposes of the Trust (including, without limitation, all powers, rights, and duties under applicable law); provided, that the Trustee shall not perform any acts that are inconsistent with this Agreement and/or the Plan. The Trust and the Trustee, as applicable, shall have all of the rights and powers granted to the them in the Plan, including the power and authority to: (i) hold, manage, sell, and distribute the Trust Assets to the Beneficiaries, (ii) hold the Trust Assets for the benefit of the Beneficiaries, (iii) hold, manage, sell, and distribute Cash or non-Cash assets of the Trust obtained through the exercise of its power

and authority in accordance with the Plan, (iv) effect all actions and execute all agreements and other documents necessary to Wind Down the Debtor's Estates pursuant to the Plan, (v) effect all actions and execute all agreements, instruments and other documents necessary to reconcile and resolve General Unsecured Claims, (vi) prosecute and resolve, in the name of the Debtors and/or the name of the Trustee, the Estates' Causes of Action transferred to the Trust, and (vii) perform such other functions not inconsistent with the provisions of this Agreement that the Trustee deems reasonably necessary or desirable in connection with the administration of the Trust and implementation of the Plan.

3.2 Agents and Professionals. The Trustee may, but shall not be required to, consult with and retain attorneys, accountants, real estate brokers, appraisers, valuation counselors, transfer agents, or other parties deemed by the Trustee to have qualifications necessary to assist in the proper administration of the Trust. The Trustee may pay the reasonable salaries, fees, and expenses of such persons (including himself/herself), including contingency fees, out of the Trust Assets, subject to the Wind Down Budget.

3.3 Investment and Safekeeping of Trust Assets.

3.3.1. All Trust Assets received by the Trustee shall, until distributed or paid as provided in this Agreement or the Plan, be held in the Trust for the benefit of the Beneficiaries. The Trustee shall be under no obligation to generate or produce, or have any liability for, interest or other income on any monies received by the Trust and held for distribution or payment to the Beneficiaries, except as such interest or income shall be actually received by the Trustee. Investments of any monies held by the Trustee shall be administered in view of the manner in which individuals of ordinary prudence, discretion and judgment would act in the management of their own affairs.

3.3.2. The right and power of the Trustee to invest monies held by the Trustee, or any income earned by the Trust shall be limited to the right and power to invest such monies, pending periodic distributions in accordance with the terms hereof and the Plan. For the avoidance of doubt, (i) the investment powers of the Trustee in this Agreement, other than those reasonably necessary to maintain the value of the Trust Assets and the liquidation purpose of the Trust, are limited to powers to invest in demand and time deposits, such as short-term certificates of deposits, in banks or other savings institutions, or other temporary, liquid investments, such as treasury bills, and in all cases limited only to those investments permitted to be made by a "liquidating trust" within the meaning of Treasury Regulation Section 301.7701-4(d), as reflected therein, or under applicable guidelines, rulings or other controlling authorities; and (ii) such investments will not be required to comply with Bankruptcy Code Section 345(b).

3.4 Limitations on Trustee. On behalf of the Trust or the Beneficiaries, the Trustee shall not at any time: (i) enter into or engage in any trade or business (other than the management and disposition of the Trust Assets), and no part of the Trust Assets or the proceeds, revenue or income therefrom shall be used or disposed of by the Trust in furtherance of any trade or business, (ii) except as provided in Section 3.3 hereof and below, reinvest any Trust Assets, or (iii) take any action that would jeopardize treatment of the Trust as a "liquidating trust" for federal income tax purposes. Other than as contemplated by the Plan or this Agreement, the Trustee is not empowered to incur indebtedness.

3.5 Trustee Action. The Trustee shall hold, collect, conserve, protect and administer the Trust Assets in accordance with the provisions of this Agreement and the Plan, and pay and distribute amounts as set forth herein for the purposes set forth in this Agreement. Except as otherwise provided herein, the Trustee shall exercise its business judgment for the benefit of the Beneficiaries in order to maximize the value of the Trust Assets and distributions, giving due regard to the cost, risk, and delay of any course of action. Any good faith determination by the Trustee as to what actions are in the best interest of the Trust shall be determinative.

3.6 Bankruptcy Court Approval of Trustee Actions. Except as provided in the Plan or otherwise specified in this Agreement, the Trustee need not obtain the order or approval of the Bankruptcy Court in the exercise of any power, rights, or discretion conferred hereunder, or account to the Bankruptcy Court. Notwithstanding the foregoing, the Trustee shall have the right to submit to the Bankruptcy Court any question or questions regarding which the Trustee may desire to have explicit approval of the Bankruptcy Court for the taking of any specific action proposed to be taken by the Trust with respect to any of the Trust Assets, this Agreement, or the Plan, including the administration or distribution of any of the Trust Assets. The Bankruptcy Court shall retain jurisdiction and power for such purposes and may approve or disapprove any such proposed action upon motion by the Trust.

3.7 Reliance by Trustee:

- (a) The Trustee may rely, and shall be protected in acting upon, any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, or other paper or document that the Trustee reasonably believes in good faith to be genuine and to have been signed or presented by the proper party or parties;
- (b) The Trustee may consult with any and all of the Trustee's professionals and the Trustee shall not be liable for any action taken or omitted to be taken by the Trustee in good faith in accordance with the advice of such professionals; and
- (c) Persons dealing with the Trustee shall look only to the Trust Assets to satisfy any liability incurred by the Trustee to such Person in carrying out the terms of this Agreement, and the Trustee shall not have any personal obligation to satisfy any such liability.

3.8 Valuation of Trust Assets. The Trustee shall apprise the Beneficiaries of the value of the Trust Assets. The Debtors, the Beneficiaries, and the Trust, as applicable, will consistently report the valuation of the assets transferred to the Trust. Such consistent valuations and revised reporting will be used for all federal, state, local, or other income tax purposes. Income, deductions, gain, or loss from the Trust shall be reported to the Beneficiaries of the Trust in conjunction with the filing of the Trust's income tax returns. Each Beneficiary shall report income, deductions, gain, or loss on such Beneficiary's income tax returns. Any dispute regarding the valuation of Trust Assets shall be resolved by the Bankruptcy Court.

3.9 Conflicts of Interest. The Trustee will appoint a disinterested Person to handle any matter where the Trustee has identified a conflict of interest or the Bankruptcy Court, on motion of a party in interest, determines one exists. In the event the Trustee is unwilling or unable to appoint a disinterested Person to handle any such matter, the Bankruptcy Court, on notice and hearing, may do so.

## **ARTICLE IV DISTRIBUTIONS FROM THE TRUST**

4.1 Distributions. After the Effective Date and following the transfer of Trust Assets to the Trust, as and to the extent required by the Plan or this Agreement, the Trustee shall make continuing efforts on behalf of the Trust to collect, liquidate and distribute all Trust Assets in accordance herewith to Beneficiaries in respect of their Trust Interests.

4.2 Provisions Governing Distributions. All distributions to be made under this Agreement shall be made in accordance with the Plan, the relevant provisions of which are incorporated herein by this reference.

4.3 Timing of Distributions. Any payment or other distribution required to be made under the Plan on a day other than a Business Day shall be due on the next succeeding Business Day, but shall be deemed to have been made on the required date. Any payment of Cash to be made pursuant to the Plan, subject to the terms hereof, shall be deemed made, if by electronic wire transfer, when the applicable electronic wire transfer is initiated by the sending bank or, if by check drawn on a domestic bank, when the earliest occurs of depositing in the mail for the entitled recipient, receipt by the entitled recipient, or delivery to a third party delivery service for delivery to the entitled recipient.

4.4 Payments Limited to Trust Assets. All payments to be made by the Trustee to or for the benefit of any Beneficiary shall be made only to the extent that the Trust has sufficient funds or reserves to make such payments in accordance with this Agreement and the Plan. Each Beneficiary shall have recourse only to the Trust Assets for distributions under this Agreement and the Plan.

4.5 Reserves; Pooling of Reserved Funds. Before any distribution can be made, the Trustee shall, in its reasonable discretion, establish, supplement, and maintain reserves in an amount sufficient to meet any and all expenses and liabilities of the Trust, including attorneys' fees and expenses, the fees and expenses of other professionals and fees owed the U.S. Trustee. The Trustee need not maintain the Trust's reserves in segregated bank accounts and may pool funds in the reserves with each other and other funds of the Trust; provided, however, that the Trust shall treat all such reserved funds as being held in a segregated manner in its books and records.

4.6 Fees, Expenses and Liabilities.

4.6.1. The Trustee is authorized and empowered to pay, from the Trust Assets, the fees and expenses of the Trust, including but not limited to, attorney's fees and expenses and the fees and expenses of other professionals. The Trustee is authorized, empowered and required to pay, from the Trust Assets, the tax liabilities of the Debtors due and payable after the Effective Date.

4.7 Priority of Distributions. Any recovery by the Trust on account of the Trust Assets shall be applied in accordance with the Plan.

4.8 Compliance with Laws. Any and all distributions of Trust Assets shall be in compliance with applicable laws except as may be expressly provided herein or in the Plan. Without limiting the generality of the foregoing, (a) the Trustee shall make distributions from the Trust to the Beneficiaries at least annually, to the extent it determines the Trust has sufficient cash available for distribution from all net cash income and all other cash received by the Trust; provided, however, that the Trustee may, to the extent consistent with applicable law as to liquidating trusts (*e.g.*, Revenue Procedure 82-58, 1982-2 C.B. 847, as amplified by Revenue Procedure 91-15, 1991-1 C.B. 484 and Revenue Procedure 94-45, 1994-2 C.B. 684), retain such amounts (i) as are reasonably necessary to meet contingent liabilities (including Disputed Claims), and to maintain the value of the Trust Assets during the term of the Trust, (ii) to pay reasonable administrative expenses including, without limitation, the compensation and the reimbursement of reasonable, actual and necessary costs, fees (including attorneys' fees) and expenses of the Trustee in connection with the performance of the Trustee's duties in connection with this Agreement and any amounts owed to the Trustee pursuant to the terms hereof, and (iii) to satisfy all other liabilities incurred or assumed by the Trust (or to which the Trust Assets are otherwise subject) in accordance with the Plan and this Agreement; and (b) the Trustee, in its discretion, may cause the Trust to withhold and / or pay to the appropriate tax authority from amounts distributable from the Trust to Beneficiaries any and all amounts as may be sufficient to pay the maximum amount of any tax or other charge that has been or might be assessed or imposed by any law, regulation, rule, ruling, directive, or other governmental requirement on such Holder or the Trust with respect to the amount to be distributed to such Holder. The Trustee shall determine such maximum amount to be withheld by the Trust in its sole, reasonable discretion and shall cause the Trust to distribute to the Holder any excess amount withheld. All such amounts withheld and paid to the appropriate tax authority (or reserved pending resolution of the need to withhold) shall be treated as amounts distributed to such Holders of Claims for all purposes of this Agreement.

4.9 Setoff Rights. The Trustee may, but shall not be required to, setoff against or recoup from the holder of any Allowed Claim (including any Beneficiary) on which payments or other distributions are to be made hereunder, claims or defenses of any nature that the Trust may have against such Person. However, neither the failure to do so, nor the allowance of any Claim under the Plan or otherwise, shall constitute a waiver or release of any such claim, right of setoff or right of recoupment against the holder of such Allowed Claim.

4.10 Unclaimed and Undeliverable Distributions.

4.10.1. Checks issued by the Trustee in respect of Claims shall be null and void if not negotiated within one hundred and twenty (120) days after the date of issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Trust, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check shall be made in writing to, and in such manner as may be required by, the Trustee by the holder of the Claim to whom such check was originally issued. All such requests shall be made promptly and in time for the check to be reissued and cashed before the date established by Section 4.10.2 of this Agreement. Distributions in respect of voided checks shall be treated as unclaimed distributions under the Plan

and Section 4.10.2 of this Agreement. The Beneficiary shall bear all the risk that, and shall indemnify and hold the Trust and Trustee harmless against any loss that may arise if, the Trustee does not reissue a check promptly after receiving a request for its reissuance and the date established by section 6.19 of the Plan and Section 4.10.2 of this Agreement passes without the check being reissued or cashed.

4.10.2. Undeliverable distributions or unclaimed distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of three hundred and sixty-five (365) days from the date of the distribution to others of similar payments or the otherwise applicable intended or designated distribution date. After the expiration of such period, all unclaimed property or interest therein shall revert to the Trust and the subject Claim to such property or interest in property of the holder shall be discharged and forever barred.

4.10.3. If any distribution to a Beneficiary is returned to the Trustee as undeliverable, is by a check that has not been negotiated, or is otherwise unclaimed, no further distributions to such Beneficiary shall be made unless and until the Beneficiary claims the distributions by timely notifying the Trustee in writing and in such manner as the Trustee may require of any information necessary to make the distribution to the Beneficiary in accordance with this Agreement, the Plan, and applicable law, including such Beneficiary's then-current address or taxpayer identification number. If the Beneficiary timely provides the Trustee all such missing information in the required manner, all missed distributions shall be made to the Beneficiary as soon as is practicable, without interest.

4.10.4. Any undeliverable or unclaimed distribution shall remain in the possession of the Trust until such time as the distribution becomes deliverable or the holder accepts distribution, or such distribution reverts back to the Trust, as applicable, and shall not be supplemented with any interest, dividends, or other accruals of any kind.

4.10.5. No Responsibility to Attempt to Locate Beneficiaries. The Trustee may, in its sole discretion, attempt to determine a Beneficiary's current address or otherwise locate a Beneficiary, but nothing in this Agreement or the Plan shall require the Trustee to do so.

4.10.6. Disallowance of Claims; Cancellation of Corresponding Beneficial Interests. All Claims in respect of undeliverable or unclaimed distributions that pursuant to this Section 4.10 have become unclaimed property under section 347(b) of the Bankruptcy Code, shall be deemed disallowed and expunged, and the corresponding beneficial interests in the Trust of the Beneficiary holding such Disallowed Claims shall be deemed canceled. The holder of any such Disallowed Claim shall no longer have any right, claim, or interest in or to any distributions in respect of such Disallowed Claims. The holder of any such Disallowed Claim is forever barred, estopped, and enjoined from receiving any distributions under this Agreement and from asserting such Disallowed Claim against the Trust or Trustee.

4.10.7. Inapplicability of Unclaimed Property or Escheat Laws. Unclaimed or undeliverable property held by the Trust shall not be subject to the unclaimed property or escheat laws of the United States, any state, or any local governmental unit.

4.11 Conflicting Claims. If any conflicting claims or demands are made or asserted with respect to the beneficial interest of a Beneficiary under this Agreement, or if there is any disagreement between the assignees, transferees, heirs, representatives, or legatees succeeding to all or a part of such an interest resulting in adverse claims or demands being made in connection with such interest, then, in any of such events, the Trustee shall be entitled, in its sole discretion, to refuse to comply with any such conflicting claims or demands.

4.11.1. The Trustee, at its sole election, may elect to cause the Trust to make no payment or distribution with respect to the Trust Interest subject to the conflicting claims or demand, or any part thereof, and to refer such conflicting claims or demands to the Bankruptcy Court, which shall have exclusive jurisdiction over resolution of such conflicting claims or demands. Neither the Trust nor the Trustee shall be or become liable to any of such parties for their refusal to comply with any such conflicting claims or demands, nor shall the Trust or Trustee be liable for interest on any funds which may be so withheld.

4.11.2. The Trustee shall be entitled to refuse to act until either (i) the rights of the adverse claimants have been adjudicated by a final order of the Bankruptcy Court or (ii) all differences have been resolved by a valid written agreement among all such parties to the satisfaction of the Trustee, which agreement shall include a complete release of the Trust and Trustee. Until the Trustee receives written notice that one of the conditions of the preceding sentence is met, the Trustee may deem and treat as the absolute owner under this Agreement of the Trust Interest the Beneficiary identified as the owner of that interest in the books and records maintained by the Trustee. The Trustee may deem and treat such Beneficiary as the absolute owner for purposes of receiving distributions and any payments on account thereof for federal and state income tax purposes, and for all other purposes whatsoever.

4.11.3. In acting or refraining from acting under and in accordance with this Section 4.11 of the Agreement, the Trustee shall be fully protected and incur no liability to any purported claimant or any other Person to the extent set forth in Article IV of this Agreement.

4.12 Right to Object to Claims. The Trustee shall have the responsibility and authority for administering, disputing, compromising and settling or otherwise resolving and finalizing payments or other distributions with respect to Claims that are Beneficiaries under the Plan, all without Bankruptcy Court-approval, and may object to any such Claim until the later of one-hundred eighty (180) days following the Effective Date and such later date as may be approved by the Bankruptcy Court. The Trustee at any time may move the Bankruptcy Court for an extension of such Claim objection deadline. The Trustee shall generally prosecute objections to Claims pending as of the Effective Date and any additional objections filed from and after the Effective Date but shall be entitled to exercise any and all judgment and discretion with respect to the manner in which to defend against or settle any Claims. In addition, subject to the foregoing sentence, the Trustee may, at any time, request that the Bankruptcy Court estimate any Contingent Claim, Disputed Claim or Unliquidated Claim pursuant to Section 502(c) of the Bankruptcy Code regardless of whether any party previously objected to or sought estimation of such Claim.

4.13 No Distribution Pending Allowance. If a Claim or any portion of a Claim is Disputed, no payment or distribution shall be made on account of any portion of such Claim unless and until all objections to such Claim are resolved by Final Order or as otherwise permitted by the Plan or this Agreement.

## **ARTICLE V BENEFICIARIES**

5.1 Identification and Addresses of Beneficiaries. In order to determine the actual names and addresses of the Beneficiaries, the Trustee may deliver a notice to the Beneficiaries. Such notice may include a form for each Beneficiary to complete in order to be properly registered as a Beneficiary and be eligible for distributions under the Trust. Such form may request the Beneficiary's federal taxpayer identification number or social security number if the Trustee determines that such information is necessary to fulfill the Trust's tax reporting and withholding obligations. A Beneficiary may, after the Effective Date, select an alternative mailing address by notifying the Trustee in writing of such alternative distribution address. Absent receipt of such notice, the Trustee shall not be obligated to recognize any such change of address. Such notification shall be effective only upon receipt by the Trustee. The Trustee, in its reasonable discretion, may suspend distributions to any Beneficiary that has not provided its federal taxpayer identification number or social security number, as the case may be, after a request is made pursuant to this Section 5.1. If tax information is not provided within one hundred and eighty (180) days after such request, the applicable Beneficiary's underlying claim will be expunged and its Trust Interest disallowed for all purposes of this Agreement to the extent provided under the Plan. Each Beneficiary's Trust Interest is dependent upon such Beneficiary's classification under the Plan and the status of its Allowed Claim.

5.2 Beneficial Interest Only. The ownership of a Trust Interest shall not entitle any Beneficiary to any title in or to, possession of, management of or control of any of the Trust Assets or to any right to call for a partition or division of such Trust Assets or to require an accounting, except as specifically provided herein. Except as expressly provided in this Agreement, a Beneficiary shall not have standing to direct or to seek to direct the Trust or Trustee to do or not to do any act or to institute any action or proceeding at law or in equity against any Person upon or with respect to the Trust Assets.

5.3 Ownership of Beneficial Interests Hereunder. Each Beneficiary shall own a beneficial interest in the Trust (as represented by the Trust Interest(s) issued to such Beneficiary consistent with the Plan). The record holders of the Trust Interests shall be recorded and set forth in a registry maintained by, or at the direction of, the Trustee expressly for such purpose.

5.4 Evidence of Beneficial Interest.

5.4.1. Ownership of a Trust Interest shall not be evidenced by any certificate, security, or receipt (unless otherwise determined by the Trustee) or in any other form or manner whatsoever. Ownership of the Trust Interests shall be maintained on books and records of the Trust maintained by the Trustee, which may be the official claims register maintained in the Chapter 11 Cases. The Trustee shall, upon the written request of a holder of a beneficial interest, provide reasonably adequate documentary evidence of such holder's Claim, as indicated on the books and records of the Trust. The expense of providing such documentation shall be borne by the requesting holder.

5.5 No Right to Accounting. Except as set forth in Sections 7.4 and 7.9 of this Agreement, neither the Beneficiaries nor their successors, assigns, creditors, or any other Person

shall have any right to an accounting by the Trustee, and the Trustee shall not be obligated to provide any accounting to any Person. Nothing in this Agreement is intended to require the Trustee at any time or for any purpose to file any accounting or seek approval of any court with respect to the administration of the Trust or as a condition for making any advance, payment, or distribution out of proceeds of Trust Assets.

5.6 No Standing. Except as expressly provided in this Agreement, if at all, a Beneficiary shall not have standing to direct or to seek to direct the Trust or Trustee to do or not to do any act or to institute any action or proceeding at law or in equity against any Person upon or with respect to the Trust Assets.

5.7 Requirement of Undertaking. The Trustee may request the Bankruptcy Court to require, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, including reasonable attorneys' fees, against any party litigant in such suit; provided, however, that the provisions of this Section 5.7 shall not apply to any suit by the Trustee.

5.8 [Limitation on Transferability]. It is understood and agreed that the Trust Interests shall be non-transferable and non-assignable during the term of this Agreement other than if transferred by will, intestate succession, or otherwise by operation of law. Any such Transfer by operation of law shall not be effective until appropriate notification and proof thereof is submitted to the Trustee, and the Trustee may continue to cause the Trust to pay all amounts to or for the benefit of the assigning Beneficiaries until receipt of proper notification and proof of such Transfer. The Trustee may rely upon such proof without the requirement of any further investigation. Notwithstanding any other provision to the contrary, the Trustee may disregard any purported Transfer of Claims by will, intestate succession or operation of law if sufficient necessary information (as reasonably determined by the Trustee), including applicable tax-related information, is not provided by such purported transferee or assignee to the Trustee.<sup>1</sup>

5.9 Exemption from Registration. The parties hereto intend that the rights of the Beneficiaries arising under this Agreement shall not be "securities" under applicable laws, but none of the parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities law. If such rights constitute securities, the exemption from registration provided by section 1145 of the Bankruptcy Code and under applicable securities laws shall apply to their issuance under the Plan. No party to this Agreement shall make a contrary or different contention.

## **ARTICLE VI**

### **THIRD PARTY RIGHTS AND LIMITATION OF LIABILITY**

6.1 Parties Dealing With the Trustee. In the absence of actual knowledge to the contrary, any Person dealing with the Trust or the Trustee shall be entitled to rely on the authority of the Trustee or any of the Trustee's agents to act in connection with the Trust Assets. No Person that

---

<sup>1</sup> **Note to Draft:** Subject to ongoing review.

may deal with the Trustee shall have any obligation to inquire into the validity or expediency or propriety of any transaction by the Trustee or any agent of the Trustee.

6.2 Limitation of Trustee's Liability. Notwithstanding anything herein or in the Plan to the contrary, in exercising the rights granted herein, the Trustee shall exercise its best judgment, to the end that the affairs of the Trust shall be properly managed and the interests of all the Beneficiaries are safeguarded; but the Trustee shall not incur any responsibility or liability by reason of any error of law or of any matter or thing done or suffered or omitted to be done under this Agreement, whether sounding in tort, contract, or otherwise, unless the Trustee has acted with gross negligence, fraud or willful misconduct that is found by a final judgment (not subject to further appeal or review) of a court of competent jurisdiction to be the direct and primary cause of loss, liability, damage or expense suffered. In no event shall the Trustee be liable for indirect, punitive, special, incidental or consequential damage or loss (including but not limited to lost profits) whatsoever, even if the Trustee has been informed of the likelihood of such loss or damages and regardless of the form of action. The Trustee's obligations, duties and responsibilities under the Plan, the Confirmation Order and this Agreement are qualified in their entirety by the availability of and reasonable likelihood of recovery of sufficient assets or Cash to fund the Trustee's activities. Upon the appointment of a successor Trustee and the delivery of the then remaining Trust Assets to the successor Trustee, the predecessor Trustee and any of its respective accountants, agents, assigns, attorneys, bankers, consultants, directors, employees, executors, financial advisors, investment bankers, real estate brokers, transfer agents, managers, members, officers, partners, predecessors, principals, professional persons, representatives, affiliate, employer, and successors shall have no further liability or responsibility with respect thereto (other than liabilities arising prior to the cessation of its role as Trustee). A successor Trustee shall have no duty to examine or inquire into the acts or omissions of its immediate or remote predecessor, and no successor Trustee shall be in any way liable for the acts or omissions of any predecessor Trustee, unless a successor Trustee expressly assumes such responsibility. A predecessor Trustee shall have no liability for the acts or omissions of any immediate or subsequent successor Trustee for any events or occurrences subsequent to the cessation of its role as Trustee.

6.3 Indemnification. The Trustee and each of its respective accountants, agents, assigns, attorneys, bankers, consultants, directors, employees, executors, financial advisors, investment bankers, real estate brokers, transfer agents, managers, members, officers, partners, predecessors, principals, professional persons, representatives, affiliate, employer and successors (each, an "Indemnified Party") shall be indemnified for, and defended and held harmless against, by the Trust and solely from the Trust Assets, any loss, liability, damage, judgment, fine, penalty, claim, demand, settlement, cost, or expense (including the reasonable fees and expenses of their respective professionals) actually incurred without gross negligence, willful misconduct, or fraud on the part of the applicable Indemnified Party (which gross negligence, willful misconduct, or fraud, if any, must be determined by a final, non-appealable order of a court of competent jurisdiction) for any action taken, suffered, or omitted to be taken by the Indemnified Parties in connection with the acceptance, administration, exercise, and performance of their duties under the Plan or this Agreement, as applicable if the applicable Indemnified Party acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interest of the Trust or the Beneficiaries. An act or omission taken with the approval of the Bankruptcy Court, and not inconsistent therewith, will be conclusively deemed not to constitute gross negligence, willful misconduct, or fraud. The amounts necessary for the indemnification provided in this Section 6.3 (including, but not limited to, any

costs and expenses incurred in enforcing the right of indemnification in this Section 6.3) shall be paid by the Trustee out of the Trust Assets. The Trustee shall not be personally liable for the payment of any Trust expense or claim or other liability of the Trust, and no Person shall look to the Trustee personally for the payment of any such expense or liability. The indemnification provided in this Section 6.3 shall survive the death, dissolution, resignation or removal of the Trustee, Indemnified Party or the termination of the Trust, and shall inure to the benefit of each Indemnified Party's heirs and assigns.

## **ARTICLE VII SELECTION, REMOVAL AND COMPENSATION OF TRUSTEE**

7.1 Appointment. The Trustee has been selected by the Debtors with the consent of the Requisite Creditors. To effectuate an orderly and efficient transition of the administration, in accordance herewith, of the Trust Assets for the benefit of the Beneficiaries.

7.3 Removal of a Trustee. Any Person serving as Trustee may be removed and replaced at any time for cause. Any Beneficiary, on notice and hearing before the Bankruptcy Court, may seek removal of the Trustee for cause. Such removal shall be effective on the date specified in the order approving removal by the Bankruptcy Court. Notwithstanding the removal of the Trustee pursuant to this Section 7.3, the rights of the resigning Trustee under this Agreement with respect to acts or omissions occurring prior to the effectiveness of such removal will continue for the benefit of such resigning Trustee following the effectiveness of such resignation.

7.4 Resignation of Trustee. The Trustee may resign at any time by giving prior written notice of its intention to do so to the United States Trustee and Bankruptcy Court. Without limiting any other reporting or accounting obligations under the Plan or this Agreement, in the event of a resignation, the resigning Trustee shall file with the Bankruptcy Court a full and complete written accounting of monies and Trust Assets received, disbursed, and held during the term of office of that Trustee. The resignation shall be effective on the later to occur of: (a) the date specified in the notice; or (b) the date that is thirty days (45) days after the date such notices is filed with the Bankruptcy Court and served on the United States Trustee. Notwithstanding the resignation of the Trustee pursuant to this Section 7.4, the rights of the resigning Trustee under this Agreement with respect to acts or omissions occurring prior to the effectiveness of such resignation will continue for the benefit of such resigning Trustee following the effectiveness of such resignation.

7.5 Appointment of Successor Trustee. Upon the resignation or dissolution of a Trustee, the Trustee shall recommend a successor Trustee, which is acceptable to Beneficiaries that hold a majority of the First Lien Secured Claims, to be appointed by the Bankruptcy Court. Upon the death, incapacity or removal of a Trustee, the Bankruptcy Court upon request or on its own motion shall appoint a successor Trustee on an interim or permanent basis. Any successor Trustee so appointed shall consent to and accept in writing the terms of this Agreement and agrees that the provisions of this Agreement shall be binding upon and inure to the benefit of the successor Trustee.

7.6 Powers and Duties of Successor Trustee. A successor Trustee shall have all the rights, privileges, powers, and duties of its predecessor under this Agreement and the Plan. Notwithstanding anything to the contrary herein, a removed or resigning Trustee shall, when requested in writing by the successor Trustee, execute and deliver an instrument or, instruments conveying and transferring to such successor Trustee under the Trust all the estates, properties, rights, powers, and trusts of such predecessor Trustee.

7.7 Trust Continuance. The death, resignation, dissolution, incapacity or removal of the Trustee shall not terminate the Trust or revoke any then-existing agency created pursuant to this Agreement or invalidate any action theretofore taken by the Trustee.

7.8 Compensation and Costs of Administration. The Trustee shall receive fair and reasonable compensation for its services either on an hourly basis at the Trustee's standard hourly billing rates or a flat fee percentage not to exceed what a chapter 7 Trustee would be entitled to be paid under section 326 of the Bankruptcy Code (as may be amended from time to time) plus all reasonable and documented costs and expenses, which shall be charged against and paid out of the Trust Assets without further Bankruptcy Court approval or order (subject to the limitations set forth in this Agreement and the Plan). All reasonable and documented costs, expenses, and obligations, including filing fees, incurred by the Trustee (or professionals who may be employed by the Trustee in administering the Trust, in carrying out their responsibilities under this Agreement, or in any manner connected, incidental, or related thereto) shall be paid from the applicable Trust Assets prior to any distribution to the Beneficiaries without further Bankruptcy Court approval or order (subject to the limitations set forth in this Agreement and the Plan).

7.9 Periodic Reporting; Filing Requirements.

7.9.1. The Trustee on behalf of the Trust shall, as soon as practicable after the end of each calendar year and upon termination of the Trust, provide or make available a written report and account to the holders of Trust Interests, which report and account sets forth (i) the financial statements of the Trust at the end of that calendar year or period and (ii) the receipts and disbursements of the Trust for such period. The Trustee shall also provide the U.S. Trustee and the Bankruptcy Court the information and reports they may reasonably request concerning Trust administration.

7.9.2. The "taxable year" of the Trust shall be the "calendar year" as those terms are defined in Section 441 of the Tax Code. The Trustee shall file tax returns for the Trust as a grantor trust pursuant to Treasury Regulation Section 1.671-4(a) and any other applicable laws or regulations with the Beneficiaries treated as the grantors of the Trust for federal income tax purposes in respect of their Trust Interests. In addition, the Trustee shall file in a timely manner such other tax returns as are required by applicable law and pay any taxes shown as due thereon. The Trustee may withhold from amounts distributable to any Person any and all amounts, determined in the Trustee's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement.

7.9.3. Within ninety (90) days following the end of the taxable year, the Trust shall send to each Trust Beneficiary a separate statement setting forth the Trust Beneficiary's share of items of income, gain, loss, deduction or credit and will instruct each such Beneficiary to report such

items on their U.S. federal income tax returns. The Trust shall provide each Trust Beneficiary with a copy of the Form 1041 for the Trust (without attaching any other Trust Beneficiary's Schedule K-1 or other applicable information form) along with such Trust Beneficiary's Schedule K-1 or other applicable information form in order to satisfy the foregoing requirement. The Trust shall allocate the taxable income, gain, loss, deduction, or credit of the Trust with respect to each Trust Beneficiary. All parties (including the Debtors, Trust Beneficiaries, and the Trustee) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing.

7.10 Confidentiality. The Trustee shall and shall direct each of its respective accountants, agents, assigns, attorneys, bankers, consultants, directors, employees, executors, financial advisors, investment bankers, real estate brokers, transfer agents, managers, members, officers, partners, predecessors, principals, professional persons, representatives, affiliates, employers and successors (each a "Confidential Party" and, collectively, the "Confidential Parties") to hold strictly confidential and not use for personal gain any material, non-public information of or pertaining to any Person to which any of the Trust Assets relate or of which the Confidential Parties have become aware in their capacity as Confidential Parties; provided, however, that such information may be disclosed pursuant to legal process including but not limited to subpoena or other court orders or applicable laws or regulations. The Trustee shall be responsible for any breach of, or failure to comply with, the applicable terms of this Agreement by any other Confidential Party as if such Confidential Party were party hereto.

7.11 Appointment of Supplemental Trustee. If the Trustee has a conflict or any of the Trust Assets are situated in any state or other jurisdiction in which the Trustee is not qualified to act as trustee, the Trustee shall nominate and appoint a Person duly qualified to act as trustee (the "Supplemental Trustee") in such state or jurisdiction and require from each such Supplemental Trustee such security as may be designated by the Trustee in its discretion. The Trustee may confer upon such Supplemental Trustee all of the rights, powers, privileges, and duties of the Trustee hereunder, subject to the conditions and limitations of this Agreement, except as modified or limited by the laws of the applicable state or other jurisdiction (in which case, the laws of the state or other jurisdiction in which such Supplemental Trustee is acting shall prevail to the extent necessary). The Trustee shall require such Supplemental Trustee to be answerable to the Trustee for all monies, assets, and other property that may be received in connection with the administration of all the Trust Assets by the Supplemental Trustee. The Trustee may remove such Supplemental Trustee, with or without cause, and appoint a successor Supplemental Trustee at any time by executing a written instrument declaring such Supplemental Trustee removed from office and specifying the effective date and time of removal.

## **ARTICLE VIII MAINTENANCE OF RECORDS**

8.1 During the term of the Trust, the Trustee may destroy business records in the Trustee's possession as the Trustee deems appropriate provided that, absent express Bankruptcy Court approval to do otherwise, the Trustee shall maintain books and records containing a description of all property from time to time constituting the Trust Assets and an accounting of all receipts and disbursements until at least three (3) years after the final report to the Bankruptcy Court has been rendered by the Trustee. At the Trustee's discretion, all of such records and documents may, but need not, be destroyed at any time after three (3) years from the completion and winding up

of the affairs of the Trust (except to the extent such records and documents are necessary to be held longer to fulfill the Trustee's obligations pursuant to this Agreement). The Trustee may estimate and include, as part of the Trustee's compensation, a reasonable sum to be used for the purposes of maintaining, accessing and destroying records during the term of the Trust and for three (3) or more years thereafter, as applicable, which costs shall be payable from the Trust Assets.

## **ARTICLE IX DURATION OF TRUST**

9.1 Duration. This Agreement shall remain and continue in full force and effect until the Trust is terminated in accordance with the provisions of this Agreement and the Plan.

9.2 Termination of the Trust. The Trustee and the Trust shall be discharged or terminated, as the case may be, at such time as: (a) all distributions required to be made by the Trustee to the Beneficiaries have been made, but in no event shall the Trust be terminated later than five (5) years from the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such fifth anniversary (and, in the event of further extension, by order of the Bankruptcy Court, upon motion made at least six (6) months before the end of the preceding extension), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, unless a favorable letter ruling from the Internal Revenue Service that any further extension would not adversely affect the status of the Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on, and liquidation of, the Trust Assets. The Trust may not be terminated at any time by the Beneficiaries. In connection with the termination of the Trust, notwithstanding other provisions hereof, including Section 3.1, any remaining Trust Assets that are of inconsequential value or otherwise insufficient to support the cost of a distribution may be transferred by the Trustee to a non-profit charitable organization qualifying under Section 501(c)(3) of the Tax Code.

9.3 Continuance of Trust for Winding Up. After the termination of the Trust and for the purpose of liquidation and winding up the affairs of the Trust, the Trustee shall continue to act as such until its duties have been fully performed, including such post-distribution tasks as necessary to wind up the affairs of the Trust. Subject to the provisions of Section 8.1 hereof, after the termination of the Trust, the Trustee, for a time, shall retain or cause to be retained certain books, records, Beneficiary lists, and certificates and other documents and files that shall have been delivered to or created by the Trustee. Except as otherwise specifically provided herein, upon the discharge of all liabilities of the Trust and final distribution of the Trust, the Trustee shall have no further duties or obligations hereunder.

## **ARTICLE X MISCELLANEOUS**

10.1 Books and Records. The Trustee shall be provided with reasonable access, during normal business hours, to the Debtors' personnel and books and records upon request in order to allow the Trustee to discharge its duties as described in the Plan and this Agreement.

10.2 Preservation of Privilege. In connection with the rights, claims, and causes of action that constitute Trust Assets, any attorney-client privilege, work-product doctrine, or other privilege

or immunity attaching to any documents or communications (whether written or oral) transferred to the Trust pursuant to the terms of the Plan or otherwise shall vest in the Trustee and its representatives, and the Trustee is authorized to take all necessary actions to effectuate the transfer of such privileges, as necessary. The Trustee's receipt of such privileges shall not operate as a waiver of any other privileges or immunities possessed or retained by the Debtors.

10.3 Notices. Unless otherwise expressly provided herein, all notices to be given to Beneficiaries may be given by ordinary mail, or may be delivered personally, to the holders at the addresses appearing on the books kept by the Trustee. Any notice or other communication which may be or is required to be given, served, or sent to the Trust shall be in writing and shall be sent by electronic mail, registered or certified United States mail, return receipt requested, postage prepaid, or transmitted by hand delivery (if receipt is confirmed) addressed as follows:

If to the Trust: [TBD]

10.4 No Bond / Insurance. Notwithstanding any state law to the contrary, the Trustee (including any successor) shall be exempt from giving any bond or other security in any jurisdiction, unless the Trustee decides in its reasonable judgment to obtain such bond or other security. The Trustee is hereby authorized, but not required to obtain all reasonable insurance coverage for itself, its agents, representatives, employees or independent contractors, including coverage with respect to the liabilities, duties and obligations of the Trustee and its agents, representatives, employees or independent contractors under this Agreement and the Plan ("Insurance Coverages"). The cost of any such Insurance Coverage shall be an expense of the Trust and paid out of the Trust Assets.

10.5 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York (excluding conflict of laws rules), including all matters of validity, construction and administration; provided, however, that there shall not be applicable to the Trust, the Trustee or this Agreement, any provisions of the laws (statutory or common) of the State of New York pertaining to trusts that relate to or regulate, in a manner inconsistent with the terms hereof, (i) the filing with any court or governmental body or agency of trustee accounts or schedule of trustee fees and charges, (ii) affirmative requirements to post bonds for trustees, officers, agents or employees of a trust, (iii) the necessity for obtaining court or other governmental approval concerning the acquisition, holding or disposition of real or personal property, (iv) fees or other sums payable to trustees, officers, agents or employees of a trust, (v) the allocation of receipts and expenditures to income and principal, (vi) restrictions or limitations on the permissible nature, amount or concentration of trust investments or requirements relating to the titling, storage or other manner of holding or investing trust assets, or (vii) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of trustees.

10.6 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns.

10.7 Headings. The various headings of this Agreement are inserted for convenience only and shall not affect the meaning or understanding of this Agreement or any provision hereof.

10.8 Cumulative Rights and Remedies. The rights and remedies provided in this Agreement are cumulative and not exclusive of any rights and remedies under law or in equity.

10.9 No Execution. All funds in the Trust shall be deemed *in custodia legis* until such times as the funds have actually been paid to or for the benefit of a Beneficiary, and no Beneficiary or any other Person can execute upon, garnish or attach the Trust Assets or the Trust in any manner or compel payment from the Trust except by Final Order of the Bankruptcy Court. Payment will be solely governed by this Agreement and the Plan.

10.10 Intention of Parties to Establish Grantor Trust. This Agreement is intended to create a grantor trust for United States federal income tax purposes and, to the extent provided by law, shall be governed and construed in all respects as such a grantor trust. Consistent with Revenue Procedure 82-58, 1982-2 C.B. 847, as amplified by Revenue Procedure 91-15, 1991-1 C.B. 484 and Revenue Procedure 94-45, 1994-2 C.B. 684, the Trust shall be treated as a liquidating trust pursuant to Treasury Regulation Section 301.7701-4(d) and as a grantor trust pursuant to Sections 671-677 of the Tax Code. As such, for federal income tax purposes, the Beneficiaries will be treated as both the grantors and the deemed owners of the Trust.

10.11 Tax Treatment of Reserves for Disputed Claims. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Trustee of a private letter ruling if the Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Trustee), the Trustee may timely elect to (y) treat any portion of the liquidating trust allocable to Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation Section 1.468B-9 (and make any appropriate elections) and (z) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. If a “disputed ownership fund” election is made, all parties (including the Debtors, holders of Claims, the Creditors’ Committee, and the trustee of the liquidating trust) shall report for United States federal, state, and local income tax purposes consistently with the foregoing.

10.12 Expedited Determination of Taxes. The Trustee may request an expedited determination of taxes or tax refund rights of the Trust, including any reserve for Disputed Claims, or of the Debtors as to whom the Trust was established, under section 505(b) of the Bankruptcy Code for tax returns filed for, or on behalf of, such Trust or Debtor for all taxable periods through the termination of the Trust.

10.13 Amendment. The Trustee may, from time to time, modify, supplement, or amend this Agreement but only to clarify any ambiguity or inconsistency, or render the Agreement in compliance with its stated purposes, and only if such amendment does not materially and adversely affect the interests, rights, treatment, or distributions of any Beneficiary. The Trustee, with the approval of the Bankruptcy Court may, from time to time, modify, supplement, or amend this Agreement in any way that is not inconsistent with the Plan or the Confirmation Order.

10.14 Waiver. No failure by any Party to exercise or delay in exercising any right, power, or privilege hereunder shall operate as a waiver, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any further exercise thereof, or of any other right, power, or privilege.

10.15 Severability. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants and

restrictions contained in this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

10.16 Counterparts and Facsimile Signatures. This Agreement may be executed in counterparts and a facsimile or other electronic form of signature shall be of the same force and effect as an original.

10.17 Jurisdiction. The Bankruptcy Court shall have jurisdiction regarding the Trust, the Trustee, and the Trust Assets, including the determination of all disputes arising out of or related to administration of the Trust. The Bankruptcy Court shall have continuing jurisdiction and venue to hear and finally determine all disputes and related matters arising out of or related to this Agreement or the administration of the Trust. The Trustee and the Debtors expressly consent to the Bankruptcy Court hearing and exercising such judicial powers as is necessary to finally determine all such disputes and matters. If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in this Agreement, then the provisions of this Agreement shall have no effect on and shall not control, limit or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter, and all applicable references in this Agreement to an order or decision of the Bankruptcy Court shall instead mean an order or decision of such other court of competent jurisdiction.

**Schedule of Retained Causes of Action**

## Schedule of Retained Causes of Action

Section 10.11 of the *First Amended Joint Chapter 11 Plan of NPC International, Inc., and Its Affiliated Debtors*, dated as of October 30, 2020 [Docket No. 951] (as may be amended, modified, or further supplemented, the “**Plan**”)<sup>1</sup> provides that, except as otherwise provided in the Plan, including Sections 10.6, 10.7, 10.8, and 10.9, nothing contained in the Plan or the Confirmation Order will be deemed to be a waiver or relinquishment of any rights, claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtors had immediately prior to the Effective Date on behalf of the Estates or of themselves in accordance with any provision of the Bankruptcy Code or any applicable nonbankruptcy law. The Reorganized Debtors or Wind Down Co, as applicable, will have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors’ legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Confirmation Date and Effective Date to the same extent as if the Chapter 11 Cases had not been commenced.

**No Person may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors, Reorganized Debtors, or Plan Administrator, as applicable, will not pursue any and all available Causes of Action against them. The Debtors, Reorganized Debtors, or Plan Administrator, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Person, except as otherwise expressly provided in the Plan, including Causes of Action that are not expressly identified in this Schedule of Retained Causes of Action.** Unless any Causes of Action against a Person are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or an order of the Bankruptcy Court, the Reorganized Debtors or Plan Administrator, as applicable, expressly reserve all Causes of Action for later adjudication and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, will apply to such Causes of Action upon, after, or as a consequence of the Confirmation or consummation of the Plan.

In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Person will vest in the Reorganized Debtors or Plan Administrator, as applicable. The applicable Reorganized Debtor or Plan Administrator, as applicable, through its authorized agents or representatives, will retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors or Plan Administrator, as applicable, will have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court.
