### **EXHIBIT A**

Dated as of February 10, 2021

NOTICE IS HEREBY GIVEN TO ALL HOLDERS OF CLAIMS, HOLDERS OF INTERESTS, AND PARTIES IN INTEREST IN THE POTENTIAL CHAPTER 11 CASES OF HIGHPOINT RESOURCES CORPORATION AND ITS SUBSIDIARIES AS FOLLOWS:

**Subject:** Summary of Plan of Reorganization, Information Regarding Key Dates, and Certain Other Matters.

To Whom It May Concern,

On February 10, 2021, the anticipated debtors and debtors in possession (collectively, the "Debtors"), commenced the solicitation of votes, in accordance with title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), from Holders of Claims in Class 4 and Holders of Interests in Class 8 of the Debtors' Joint Prepackaged Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code (as may be amended, modified, or supplemented from time to time and including all exhibits or supplements thereto, the "Plan"), attached as Exhibit A to the Disclosure Statement Relating to the Debtors' Joint Prepackaged Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code (as may be amended, modified, or supplemented from time to time and including all exhibits or supplements thereto, the "Disclosure Statement").<sup>2</sup>

The Plan and Disclosure Statement are accessible now, free of charge, on the Debtors' restructuring website, <a href="https://dm.epiq11.com/HighPoint">https://dm.epiq11.com/HighPoint</a>. Copies of the Plan and the Disclosure Statement may also be obtained upon request of the Debtors' proposed co-counsel, Kirkland & Ellis LLP and Klehr Harrison Harvey Branzburg LLP, at the respective addresses specified below. Upon the commencement of the chapter 11 cases, the Debtors will file the Plan and Disclosure Statement on the docket with the Bankruptcy Court. Thereafter, the Plan and Disclosure Statement will continue to be available free of charge on the Debtors' restructuring website, <a href="https://dm.epiq11.com/HighPoint">https://dm.epiq11.com/HighPoint</a> and will also be available for inspection for a fee on the Bankruptcy Court's website at <a href="https://dwww.deb.uscourts.gov">www.deb.uscourts.gov</a> and will be on file with Clerk of the Bankruptcy Court, 824 North Market Street, 3rd Floor, Wilmington, Delaware 19801, where they will be available for review between the hours of 8:00 a.m. to 4:00 p.m., prevailing Eastern Time.

The anticipated Debtors in the chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, include: HighPoint Resources Corporation (0361); HighPoint Operating Corporation (0545); and Fifth Pocket Production, LLC (8360). The location of the Debtors' principal place of business is 555 17th Street, Suite 3700 Denver, Colorado 80202.

Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Plan or Disclosure Statement, as applicable. The statements contained herein are summaries of the provisions contained in the Plan and Disclosure Statement and do not purport to be precise or complete statements of all the terms and provisions of the Plan or documents referred therein. To the extent there is a discrepancy between the terms herein and the Plan or Disclosure Statement, the Plan or Disclosure Statement, as applicable, shall govern and control.

If you have questions regarding this notice you should contact Epiq Corporate Restructuring LLC, the Debtors' proposed solicitation agent in the chapter 11 cases, by: (a) writing to HighPoint Resources Ballot Processing Center, c/o Epiq Corporate Restructuring, LLC, P.O. Box 4422, Beaverton, OR 97076-4422; (b) emailing HighPointInfo@epiqglobal.com; and/or (c) calling the Debtors' restructuring hotline at (855) 914-4726 (domestic toll-free) or (503) 520-4495 (international toll).

If HighPoint is unable to achieve the requisite consents to implement a comprehensive restructuring and certain recapitalization transactions (the "Restructuring Transactions") on an out-of-court basis, the Debtors may initiate chapter 11 cases under the Bankruptcy Code to implement such transactions, whereby, among other things, Boron Merger Sub Inc., a wholly owned subsidiary of Bonanza Creek Energy, Inc. ("BCEI"), will merge with and into HighPoint Resources Corporation as contemplated by that certain Agreement and Plan of Merger, dated as of November 9, 2020 (such transaction, the "Merger", and such agreement, as may be amended, modified, or supplemented from time to time and including all exhibits or supplements thereto, the "Merger Agreement"), a copy of which is attached to the Disclosure Statement as Exhibit B, and that certain Transaction Support Agreement, dated as of November 9, 2020 (the "TSA"), a copy of which is attached to the Disclosure Statement as Exhibit C.

On February 10, 2021, and concurrent with the solicitation of votes on the Plan, the Debtors commenced an exchange offer to equitize and refinance certain of the Company's outstanding debt, consisting of the 7.0% senior notes due October 15, 2022 (the "7% Notes") and the 8.75% senior notes due June 15, 2025 (the "8.75% Notes", and, together with the 7% Notes, the "Notes") into shares of BCEI Common Stock and newly issued senior notes of BCEI (the "Exchange Offer").

In the event that the conditions to consummation of the Exchange Offer are not met, or if the required shareholder approval for the Merger is not obtained, the Merger and the Restructuring Transactions described in the TSA and the Merger Agreement may be consummated through the Plan if a sufficient number of BCEI shareholders support the Merger.

The primary purpose of the Plan is to implement the Restructuring Transactions, including the Merger, equitization of \$625 million of the Debtors' funded debt, issuance of \$100 million in new notes, and participation in an exit facility. <a href="Importantly">Importantly</a>, the Plan provides for the satisfaction of all trade, customer, and other non-funded debt that comprise Allowed General Unsecured Claims in full in the ordinary course of business. The Debtors believe that any valid alternative to confirmation of the Plan, other than implementation of the Exchange Offer and the Merger on an out-of-court basis, would result in significant delays, litigation, additional costs, and, ultimately, would jeopardize recoveries for holders of allowed claims.

The Debtors have reached an agreement with Holders of 86% of Notes Claims (collectively, the "Consenting Noteholders") and Holders of 46.5% of Existing HPR Interests (the "Consenting Shareholders" together with the Consenting Noteholders, the "Consenting Parties") regarding the terms of the TSA. Among other things, the TSA obligates the Consenting Parties to vote to approve the Debtors' "prepackaged" plan of reorganization and support the Debtors' restructuring.

### **Key Terms of the Plan<sup>3</sup>**

The Plan provides, among other things, that upon emergence:

- All outstanding and undisputed General Unsecured Claims against the Debtors will be unimpaired and unaffected by the chapter 11 cases and will be paid in full in cash or reinstated and satisfied in the ordinary course of business in accordance with the terms and conditions of the particular transaction giving rise to such allowed claim;
- All Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Other Priority Claims, and Allowed Other Secured Claims will be paid in full in cash, or receive such other customary treatment that renders such Claims unimpaired under the Bankruptcy Code;
- Holders of Allowed Notes Claims and Existing HPR Interests will receive their Pro Rata share of 9,804,435 shares of BCEI Common Stock, in accordance with and subject to dilution as permitted by the terms set forth in the Merger Agreement and the Plan. Based on the number of shares of BCEI Common Stock outstanding as of November 9, 2020, Holders of Allowed Notes Claims will receive approximately 30.4 percent of BCEI Common Stock in the aggregate, Holders of Allowed Existing HPR Interests will receive approximately 1.6 percent of BCEI Common Stock in the aggregate, and existing stockholders of BCEI would own approximately 68 percent of BCEI Common Stock;
- In addition to BCEI Common Stock, Holders of Allowed Notes Claims will receive their Pro Rata share of \$100 million in aggregate principal amount of the New Take Back Notes; and
- The capital structure of BCEI following the consummation of the transactions contemplated by the Plan shall include a senior secured credit facility with aggregate available commitments (drawn and undrawn, collectively) of not less than \$250 million in principal amount. Allowed RBL Claims are Unimpaired under the Plan.

The following chart summarizes the classification of Claims and Interests set forth in the Plan and indicates whether such class is entitled to vote on the Plan:

management, ownership or operation thereof), the purchase, sale, or rescission of any security of the Debtors or Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the Debtors' in- or outof-court restructuring efforts, any Avoidance Actions (but excluding Avoidance Actions brought as counterclaims or defenses to Claims asserted against the Debtors), intercompany transactions, the Chapter 11 Cases, the TSA, the formulation, preparation, dissemination, negotiation, entry into or filing of, as applicable, the TSA and related prepetition transactions, the Definitive Documents, the Disclosure Statement, the Plan, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the TSA, the Merger Agreement, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of consummation, the administration and implementation of the Plan, including the issuance, distribution or conversion of securities pursuant to the Merger Agreement, the Plan, or the distribution of property under the Plan or any other related agreement, including the Merger Agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, the Merger Agreement, any Restructuring Transaction, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, including the assumption of the Indemnification Provisions as set forth in the Plan.

Entry of the Confirmation Order shall constitute the Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Court's finding that the Third-Party Release is: (a) consensual; (b) essential to the confirmation of the Plan; (c) given in exchange for the good and valuable consideration provided by the Released Parties; (d) a good faith settlement and compromise of the Claims released by the Third-Party Release; (e) in the best interests of the Debtors and their Estates; (f) fair, equitable, and reasonable; (g) given and made after due notice and opportunity for hearing; and (h) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

#### 3. Exculpation.

Effective as of the Effective Date, without affecting or limiting either the Debtor Release or the Third-Party Release, and except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is released and exculpated from, any Cause of Action for any Claim related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, entry into, or filing of, as applicable, the Merger Agreement, the TSA and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Merger Agreement, the TSA, the Definitive Documents, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of

Confirmation, the pursuit of consummation, the administration and implementation of the Plan, including the issuance, distribution or conversion of securities pursuant to the Merger Agreement, the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan.

The Exculpated Parties and other parties set forth above have, and upon confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

#### 4. Injunction.

Effective as of the Effective Date, pursuant to section 524(a) of the Bankruptcy Code, and except as otherwise expressly provided in the Plan or the Confirmation Order or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities that have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan.

### <u>Assumption and Rejection of Executory Contracts and Unexpired Leases, Cure of Defaults, and Objections to Cure and Assumption</u>

Please be advised that Article V of the Plan contains certain provisions relating to Executory Contracts and Unexpired Leases as follows:

#### A. Assumption and Rejection of Executory Contracts and Unexpired Leases

Each Executory Contract and Unexpired Lease shall be deemed assumed, unless it is the subject of a motion to reject that is pending on the Effective Date or has been rejected pursuant to an order of the Court, without the need for any further notice to or action, order, or approval of the Court, as of the Effective Date, under sections 365 and 1123 of the Bankruptcy Code. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates. The Confirmation Order will constitute an order of the Court approving the above described assumptions and assignments.

Except as otherwise provided herein or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

#### C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors or the Reorganized Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all requests for payment of Cure that differ from the amounts paid or proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty must be Filed with the Court and/or served on the Reorganized Debtors on or before thirty (30) days after the Effective Date. Any such request that is not timely filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any other party in interest or any further notice to or action, order, or approval of the Court. Any Cure shall be deemed fully satisfied, released, and discharged upon

payment by the Debtors or the Reorganized Debtors of the Cure; provided that nothing herein shall prevent the Reorganized Debtors from paying any Cure despite the failure of the relevant counterparty to File such request for payment of such Cure. The Reorganized Debtors also may settle any Cure without any further notice to or action, order, or approval of the Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under the Plan, must be Filed with the Court on or before 30 days after the Effective Date. Any such objection will be scheduled to be heard by the Court at the Debtors' or Reorganized Debtors', as applicable, first scheduled omnibus hearing for which such objection is timely filed. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

If there is any dispute regarding any Cure, the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption, then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Reorganized Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise and full payment of any applicable Cure pursuant to this Article V.C shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.C, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Court.
