The Plan is a “prepackaged” plan of reorganization. The solicitation of votes on the Plan concluded pre-bankruptcy. **Only holders of Existing Preferred Equity Interests (Class 5) were entitled to vote on the Plan.** The Debtors believe that any alternative to confirmation of the Plan could result in significant delays, litigation, and additional costs and, ultimately, could jeopardize recoveries for holders of Allowed Claims and Interests.

Information Regarding the Plan

Voting Record Date/Deadline. The voting record date for determining which holders of Class 5 Existing Preferred Equity Interests were entitled to vote on the Plan was May 17, 2021. The voting deadline was May 18, 2021. As of the voting deadline, all holders of Interests entitled to vote on the Plan, voted to accept the Plan.

UNLESS AN OBJECTION IS TIMELY SERVED AND FILED IN ACCORDANCE WITH THIS NOTICE, IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT. AS DESCRIBED BELOW, YOU ARE ADVISED TO CAREFULLY REVIEW AND CONSIDER THE PLAN, INCLUDING THE DISCHARGE, RELEASE, EXCULPATION, AND INJUNCTION PROVISIONS, AS YOUR RIGHTS MIGHT BE AFFECTED.

Summary of Plan Treatment

The following chart summarizes the classification of Claims and Interests under the Plan and the treatment, voting status, and estimated recovery under the Plan of each Class of Claims against and Interests in the Debtors. This chart is only a summary. Reference should be made to the entire Disclosure Statement and the Plan for a complete description.

<u>Class</u>	<u>Designation</u>	<u>Impairment</u>	<u>Entitled to Vote</u>	<u>Estimated Recovery</u>
1	Secured Claims	No	No	100%
2	Unsecured Priority Claims	No	No	100%
3	General Unsecured Claims	No	No	100%
4	Intercompany Claims	No	No	100%
5	5A Existing HIT Preferred Interests	Yes	Yes	0%
	5B Existing HITOP Preferred Interests	Yes	Yes	11–62%
6	Existing HIT Common Equity Interests	Yes	No	0% ³
7	Intercompany Interests	No	No	100%

Non-Voting Status of Holders of Certain Claims and Interests

As set forth above, all holders of Claims and of Existing HIT Common Equity Interests and Intercompany Interests are **not** entitled to vote on the Plan. As a result, such parties did not receive any ballots and other related solicitation materials in order to vote on the Plan. Claims and Interests in Classes 1, 2, 3, 4, and 7 are Unimpaired under the Plan, and therefore, are presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Each holder of an

³ This estimate excludes the value, if any, of the CVRs, which are speculative and may ultimately have no or minimal value.

Allowed Interest in Class 5 is impaired and entitled to vote either to accept or to reject the Plan. Only those votes cast by holders of Allowed Interests in Class 5 were counted in determining whether acceptances have been received sufficient in number and amount to obtain Confirmation, and Class 5 has accepted the Plan. Holders of Class 6 Existing HIT Common Equity Interests in the Debtors are Impaired and shall receive no distribution under the Plan on account of such Interests (except for the CVRs) and, therefore, are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code.

Summary Treatment of General Unsecured Claims

On or as soon as reasonably practicable after the Effective Date, except to the extent that a holder of an Allowed General Unsecured Claim, together with the Debtors, agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of, and in exchange for each Allowed General Unsecured Claim, each holder of an Allowed General Unsecured Claim shall (i) have its Allowed General Unsecured Claim reinstated, and paid in full, on the later to occur of the Effective Date or when such Allowed General Unsecured Claim becomes due in the ordinary course of the Debtors' or Reorganized Debtors' business operations or (ii) have its Allowed General Unsecured Claim otherwise rendered Unimpaired pursuant to section 1124 of the Bankruptcy Code.

Summary Treatment of Existing HIT Common Equity Interests

On the Effective Date, the Allowed Existing HIT Common Equity Interests shall be cancelled, extinguished and discharged in exchange for each holder receiving one CVR in respect of each share of the Allowed Existing HIT Common Equity Interests outstanding immediately prior to the Effective Date and such holders shall be automatically deemed to have accepted the terms of the CVR Agreement and to be a party thereto, in each case in accordance with the terms of the CVR Agreement.

Notwithstanding the foregoing, the Plan Sponsor has agreed that, on the Effective Date, any Existing HIT Common Equity Interests held by the Plan Sponsor shall be deemed to be fully vested, and shall not entitle the Plan Sponsor to any distributions of CVRs.

"CVR" or "CVRs" means the contingent value rights of holders of Existing HIT Common Equity Interests, to receive contingent Cash payments pursuant to this Plan and the CVR Agreement.

Discharge, Injunctions, Exculpation, and Releases

Please be advised that the Plan contains certain discharge, release, exculpation, and injunction provisions as follows:

Discharge of Claims

Upon the Effective Date and in consideration of the Plan Distributions to be made under the Plan, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all

Claims, Interests, rights, and liabilities that arose prior to the Effective Date. Upon the Effective Date, all such Entities shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or terminated Interest in the Debtors against the Debtors, the Reorganized Debtors, or any of their assets or property, whether or not such holder has filed a Proof of Claim and whether or not the facts or legal bases therefor were known or existed prior to the Effective Date.

“Claim” means any “claim” as defined in section 101(5) of the Bankruptcy Code against the Debtors or property of the Debtors, including any Claim arising after the Petition Date.

“Entity” shall have the meaning set forth in section 101(15) of the Bankruptcy Code.

“Interest” means the interest (whether legal, equitable, contractual, or otherwise) of any holders of any class of Equity Securities of the Debtors, represented by shares of common or preferred stock, limited partnership interests or other instruments evidencing an ownership interest in the Debtors, whether or not certificated, transferable, voting or denominated “stock” or a similar security, or any option, warrant or right, contractual or otherwise, to acquire any such interest, including, for the avoidance of doubt, the (a) Existing HIT Common Equity Interests, (b) Incentive Equity Awards, (c) Existing Preferred Equity Interests, and (d) any Claim that is determined to be subordinated to the status of an Equity Security by Final Order of the Bankruptcy Court, whether under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise.

Releases by Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or the Confirmation Order, on and after the Effective Date, for good and valuable consideration, including their cooperation and contributions to the Chapter 11 Cases, the Released Parties shall be deemed released and discharged by the Debtors and their Estates from any and all Claims, obligations, debts, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, asserted or unasserted, existing, or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state laws, or otherwise, including Avoidance Actions, those Causes of Action based on veil piercing or alter-ego theories of liability, contribution, indemnification, joint liability, or otherwise that the Debtors, their Estates or their affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity or that any holder of a Claim or Interest or other Entity would have been legally entitled to assert derivatively for or on behalf of the Debtors, or their Estates, based on, relating to or in any manner arising from, in whole or in part, the Debtors, their Estates, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Released Party, excluding any assumed Executory Contract or Unexpired Lease, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Disclosure Statement, the Restructuring Support Agreement, the Plan Supplement, the Exit Facility Agreement, the DIP Credit

Agreement and other DIP Loan Documents, the Chapter 11 Cases, or, in each case, related agreements, instruments, or other documents, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that is determined in a Final Order to have constituted willful misconduct (including, without limitation, actual fraud) or gross negligence; provided, that if any Released Party directly or indirectly brings or asserts any Claim or Cause of Action that has been released or is contemplated to be released pursuant to the Plan in any way arising out of or related to any document or transaction that was in existence prior to the Effective Date against any other Released Party, and such Released Party does not abandon such Claim or Cause of Action upon request, then the release set forth in the Plan shall automatically and retroactively be null and void ab initio with respect to the Released Party bringing or asserting such Claim or Cause of Action; provided, further that the immediately preceding proviso shall not apply to (i) any action by a Released Party in the Bankruptcy Court (or any other court determined to have competent jurisdiction), including any appeal therefrom, to prosecute the amount, priority, or secured status of any prepetition or ordinary course administrative Claim against the Debtors or (ii) any release or indemnification provided for in any settlement or granted under any other court order; provided that, in the case of (i) and (ii), the Debtors shall retain all defenses related to any such action. Notwithstanding anything contained herein to the contrary, the foregoing release shall not release any obligation of any party under the Plan or any document, instrument, or agreement executed to implement the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in the Plan, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute its finding that each release described in the Plan is: (i) in exchange for the good and valuable consideration provided by the Released Parties, a good faith settlement and compromise of such Claims; (ii) in the best interests of the Debtors and all holders of Interests and Claims; (iii) fair, equitable and reasonable; (iv) given and made after due notice and opportunity for hearing; and (v) a bar to the Debtors asserting any claim, Cause of Action or liability related thereto, of any kind whatsoever, against any of the Released Parties or their property.

"Cause of Action" means any claims, interests, damages, remedies, causes of action, demands, rights, actions, suits, obligations, liabilities, accounts, defenses, offsets, powers, privileges, licenses, liens, indemnities, guaranties, and franchises of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured, assertable, directly or derivatively, matured or unmatured, suspected or unsuspected, in contract, tort, law, equity, or otherwise. Causes of Action also include: (i) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law; (ii) the right to object to or otherwise contest Claims or Interests; (iii) claims pursuant to sections 362, 510, 542, 543, 544 through 550, or 553 of the Bankruptcy Code; and (iv) such claims and defenses as fraud, mistake, duress, and usury, and any other defenses set forth in section 558 of the Bankruptcy Code.

“Released Parties” means (a) the Debtors, (b) the Non-Debtor Subsidiaries, (c) the Reorganized Debtors, (d) the Plan Sponsor, (e) the DIP Lender, (f) the DIP Agent, and (g) for each of the foregoing Entities in (a) through (f), each such Entity’s (and each such Entity’s current and former affiliates’ and subsidiaries’) predecessors, successors and assigns, current and former equity holders (regardless of whether such interests are held directly or indirectly), directors, officers, managers, principals, stockholders, shareholders, members, employees, agents, advisory board members, financial advisors, partners, attorneys, accountants, managed accounts or funds, management companies, fund advisors, investment bankers, consultants, representatives, and other professionals, each in their capacity as such; *provided*, however, that a holder of an Existing HIT Common Equity Interest, in such capacity, shall not be a Released Party.

Releases by Releasing Parties

Except as otherwise specifically provided in the Plan or the Confirmation Order, on and after the Effective Date, for good and valuable consideration, including the obligations of the Debtors under the Plan, the Plan Consideration and other contracts, instruments, releases, agreements, or documents executed and delivered in connection with this Plan, each Releasing Party shall be deemed to have consented to the Plan and the restructuring embodied herein for all purposes, and shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged the Released Parties from any and all Claims, Interests, obligations, debts, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, asserted or unasserted, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state laws, or otherwise, including Avoidance Actions, those Causes of Action based on veil piercing or alter-ego theories of liability, contribution, indemnification, joint liability, or otherwise that such Releasing Party would have been legally entitled to assert (whether individually or collectively), based on, relating to or in any manner arising from, in whole or in part, the Debtors, the Estates, the liquidation, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Releasing Party, excluding any assumed Executory Contract or Unexpired Lease, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Disclosure Statement, the Restructuring Support Agreement, the Plan Supplement, the DIP Credit Agreement and other DIP Loan Documents, the Exit Facility Agreement, the Existing Preferred Equity Interests, the Existing HIT Common Equity Interests, the New HIT Common Equity Interests, the New HITOP Interests, the Amended Constituent Documents, or, in each case, related agreements, instruments, or other documents, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that is determined in a Final Order to have constituted willful misconduct (including, without limitation, actual fraud) or gross negligence; provided that any holder of a Claim or Interest that objects to the releases contained in the Plan shall not receive the benefit of the releases set forth in the Plan (even if for any reason otherwise entitled). Notwithstanding anything contained herein to the contrary, the foregoing release shall not

release any obligation of any party (i) under the Plan or any document, instrument, or agreement executed to implement the Plan, (ii) under any Executory Contract or Unexpired Lease assumed under the Plan, or (iii) any contract or lease between a Non-Debtor Subsidiary and a Releasing Party.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in the Plan, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute its finding that each release described in the Plan is: (i) in exchange for the good and valuable consideration provided by the Released Parties, a good faith settlement and compromise of such Claims; (ii) in the best interests of the Debtors and all holders of Interests and Claims; (iii) fair, equitable, and reasonable; and (iv) given and made after due notice and opportunity for hearing..

"Releasing Parties" means collectively and solely in their capacity as such, (a) each Released Party, and (b) as to each of the foregoing Entities, each such Entity's (and each such Entity's current and former affiliates' and subsidiaries') predecessors, successors and assigns, current and former equity holders (regardless of whether such interests are held directly or indirectly), directors and officers (and any professionals for such directors and officers, in their capacity as such), managers, principals, stockholders, shareholders, members, employees, agents, advisory board members, financial advisors, partners, attorneys, accountants, managed accounts or funds, management companies, fund advisors, investment bankers, consultants, representatives, and other professionals; *provided* that the current or former directors, officers, managers, and employees of the Debtors shall not grant releases against the Debtors or Reorganized Debtors with respect to the Indemnification Agreements and Employee Arrangements; *provided further*, however, that a holder of an Existing HIT Common Equity Interest, in such capacity, shall not be a Releasing Party.

Exculpation

On the Effective Date, except as otherwise provided in the Plan or the Confirmation Order, for good and valuable consideration, to the maximum extent permissible under applicable law, none of the Exculpated Parties shall have or incur any liability to any holder of any Claim or Interest or any other Person for any act or omission in connection with, or arising out of the Debtors' restructuring, including the negotiation, implementation and execution of the Plan, this Disclosure Statement, the Restructuring Support Agreement, the Plan Supplement, the Chapter 11 Cases, the solicitation of votes for and the pursuit of confirmation of this Plan, the consummation of this Plan, the administration of this Plan, or the property to be distributed under this Plan, including all documents ancillary thereto, all decisions, actions, inactions, and alleged negligence or misconduct relating thereto and all activities leading to the promulgation and confirmation of this Plan except for gross negligence or willful misconduct, each as determined by a Final Order of the Bankruptcy Court. For purposes of the foregoing, it is expressly understood that any act or omission effected with the approval of the Bankruptcy Court conclusively will be deemed not to constitute gross negligence or willful misconduct unless the approval of the Bankruptcy Court was obtained by fraud or misrepresentation, and in all respects, the applicable Persons

shall be entitled to rely on the advice of counsel with respect to their duties and responsibilities under, or in connection with, the Chapter 11 Cases, the Plan, and administration thereof. The Exculpated Parties have, and upon confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the distributions of the securities pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

Proposed Attorneys for Debtors and Debtors in Possession

Exhibit B

IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE

In re:

HOSPITALITY INVESTORS TRUST, INC.,
et al.,¹

Debtors.

Chapter 11

Case No. 21-10831 (CTG)

(Jointly Administered)

Ref. Docket No. 49

ATTENTION DIRECT AND INDIRECT HOLDERS OF, AND PROSPECTIVE HOLDERS OF, STOCK ISSUED BY HOSPITALITY INVESTORS TRUST, INC.:

Upon the motion (the “Motion”) filed on May 19, 2021 of Hospitality Investors Trust, Inc. (“HIT”) and Hospitality Investors Trust Operating Partnership, L.P. (“HITOP” and, together with HIT, the “Debtors”) for entry of interim and final orders (i) establishing notification procedures and approving restrictions on certain transfers of interests in HIT *nunc pro tunc* to the Petition Date (defined below), and (ii) granting related relief, the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), having jurisdiction over the chapter 11 case of the Debtors, captioned as *In re Hospitality Investors Trust, Inc.*, No. 21-10831 (CTG) (the “Bankruptcy Case”), entered an interim order establishing procedures with respect to transfers in the beneficial ownership (including directly or indirectly) of common stock of HIT (“Common Stock”) and options to acquire beneficial ownership of Common Stock, and scheduling a hearing on a final order with respect to such procedures.

In certain circumstances, the procedures restrict transactions involving, and require notices of the holdings of and proposed transactions by, any person, group of persons, or entity that either (i) is a Substantial Stockholder of the Common Stock or (ii) as a result of such a transaction, would become a Substantial Stockholder of the Common Stock. For purposes of the procedures, a “Substantial Stockholder” is any person or entity (within the meaning of applicable regulations promulgated by the U.S. Department of the Treasury, including certain persons making a coordinated acquisition of stock) that beneficially owns (including options to acquire and direct or indirect ownership) at least 1,856,425 shares of Common Stock² (representing approximately 4.75% of all issued and outstanding shares of Common Stock as of the Petition Date). ***Any prohibited acquisition or other transfer of Common Stock (including options to acquire beneficial ownership of Common Stock) will be null and void ab initio and may lead to contempt, compensatory damages, punitive damages, or sanctions being imposed by the Bankruptcy Court.***

The procedures, as approved on an interim basis and as requested on a final basis, are available on the website of Epiq Corporate Restructuring, LLC., the Debtors’ Court-approved claims agent, located at <http://dm.epiq11.com/HospitalityInvestorsTrust>, and on the docket of the Chapter 11 Cases, ECF No. 49, which can be accessed via PACER at <https://www.pacer.gov>.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtors’ federal tax identification number, are: Hospitality Investors Trust, Inc. (3668); and Hospitality Investors Trust Operating Partnership, L.P. (0136). The Debtors’ executive offices are located at Park Avenue Tower, 65 East 55th Street, Suite 801, New York, NY 10022.

² Based on approximately 39,082,625 shares of Common Stock outstanding as of May 1, 2021.

A direct or indirect holder of, or prospective holder of, Common Stock that may be or become a Substantial Stockholder should consult the procedures.

PLEASE TAKE NOTICE that the final hearing on the Motion shall be held on **June 11, 2021 at 10:00 a.m. (EST)**. Any objections or responses to entry of a final order on the Motion (each, an “Objection”) shall be filed on or before **4:00 p.m. (EDT) on June 4, 2021**, and served on the following parties: (i) the Debtors, Park Avenue Tower, 65 East 55th Street, Suite 801, New York, NY 10022 (Attn: HIT Chapter 11 Notices, casenotices@hitreit.com); (ii) proposed counsel for the Debtors, Proskauer Rose LLP, 70 West Madison, Suite 3800, Chicago, IL 60602 (Attn: Jeff J. Marwil, jmarwil@proskauer.com and Paul V. Possinger, ppossinger@proskauer.com) and Potter Anderson & Corroon LLP, 1313 N. Market Street, 6th Floor, Wilmington, DE 19801-3700 (Attn: Jeremy W. Ryan, jryan@potteranderson.com); (iii) the Office of the United States Trustee, J. Caleb Boggs Federal Building, 844 King Street, Lockbox 35, Wilmington, Delaware 19801 (Attn: Joseph McMahon, Jr., Esq.); (iv) counsel to Brookfield Strategic Real Estate Partners II Hospitality REIT II LLC (the “Plan Sponsor”), Cleary Gottlieb Steen & Hamilton LLP, One Liberty Plaza, New York 10006 (Attn: Sean O’Neal, soneal@cgsh.com) and Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 King Street, Wilmington, DE 19801 (Attn: Pauline K. Morgan, pmorgan@ycst.com); and (v) counsel to the official statutory committees appointed in these Chapter 11 Cases, if any. In the event no Objections to entry of a final order on the Motion are timely received, this Court may enter such final order without need for the Final Hearing.

PLEASE TAKE FURTHER NOTICE that the requirements set forth in the procedures are in addition to the requirements of and applicable securities, corporate, and other laws and do not excuse non-compliance therewith.
