in the United State Bankruptcy
Court

Southern District of Texas
Houston Division

I Waymond Nobles would

ask due to my Indigency and
disability if you could have
the court grant me a lawyer
to help me get fair justice in my
case. I do have on going case
in state court, but can't seem
to get the judge to look at
any of the fraudulent issues.
We know that dead people can't
sign lease or pooling agreements
and the land has never been
divided so you can't just pay
peoples not in the bloodline.
~~over~~ again. I asking the court
to look in to the fraudulent action
of the oil company, family members

2

Continue the lawyer and the judges
because there is a sign out
side of ever courthouse in
America that states stating

Knowly and willing filing
a fraudulent document
Criminal Charges can be
filed.

So. I just asking for justice
in my case. My great great
grand father brought land in
1904 and it still in the Nobles
name in 2021 never divided.
So were just ask for the
money from oil & gas sells
that should have went to
the Nobles family. You
cant hide the railroad
commission paperwork that
in black & white and you
cant hide the fraudulent
2016 Settlement agreement
that was filed in Shelby County
Court, that didnt have all
niers in it per the federal.

Court, so. I'm also ask if you
 can help with a investigation
 into all the wrong doing. Please
 help my family. I can send
 copy of wrong doing also with
 a copy of the news-report... in 2014
 the noble family land in question
 is written about in a book in
 Nacogdoches library... Again judge
 dead peoples can't cash checks
 or sign leases or pooling agree-
 ments. and the Nobles have never
 divided there land its still
 on tax records all together.
 and I did reach out to.

 on Aug-6-2021. with no response

 my family & me.
