this *Monthly Statement of Services Rendered and Expenses Incurred for the Period from July 1, 2021 through July 31, 2021* (this “**Fee Statement**”).² By this Fee Statement, Morris Nichols seeks (i) compensation in the amount of \$208,732.11, which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that Morris Nichols incurred in connection with such services during the Fee Period (i.e., \$208,087.20) and (ii) payment of \$644.91 for the actual, necessary expenses that Morris Nichols incurred in connection with such services during the Fee Period.

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as **Exhibit A** is a chart of the number of hours expended and fees incurred (on an aggregate basis) by Morris Nichols partners, associates, paraprofessionals and legal assistants during the Fee Period with respect to each of the project categories Morris Nichols established in accordance with its internal billing procedures. As reflected in **Exhibit A**, Morris Nichols incurred \$260,109.00 in fees during the Fee Period. Pursuant to this Fee Statement, Morris Nichols seeks reimbursement for 80% of such fees, totaling \$208,087.20.

2. Attached hereto as **Exhibit B** is a chart of Morris Nichols professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Debtors in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each

² The period from July 1, 2021 through and including July 31, 2021, is referred to herein as the “**Fee Period**.”

professional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$698.34.³ The blended hourly billing rate of all paraprofessionals is \$348.00.⁴

3. Attached hereto as **Exhibit C** is a chart of expenses that Morris Nichols incurred or disbursed in the amount of \$644.91 in connection with providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover Morris Nichols' direct operating costs, which costs are not incorporated into Morris Nichols' hourly billing rates. Only the clients for whom the services are actually used are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as **Exhibit D** are the time records of Morris Nichols for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during Fee Period as well as an itemization of expenses.
