I Waymond Nobles is writing the Bankruptcy Court to see again if you could appoint me a lawyer in this case # 20-33233 (DRT);, at this point, I'm looking for justice in the theft of my family oil and gas by Bill Hill oil & gas and Chesapeake. Due to the fraudulent lease and the wrongful passing of family land to peoples not in the bloodline and also due to fraudulent recorded filed on the railroad comm... if the J.E. Nobles well #1 was plugged in 1986, how and who gave the right to be placed in pooling and J.E. Nobles well #2 was just plugged in 2018, so again where and when could a dead person give the right to a lease when theirs heirs, my father Elzis L. Nobles passed in 2001. Which we are his heirs and never signed lease with Mr. Bill Hill are

his company, and my father lease is blank, so, how could there be any form of payment to us, are our mother which received a check. 3 years after she died. It seem's to me that Chesapeake play a roll in the fraudulent action because the land people didn't research and do there job to.

Make sure before pooling our land that right peoples was paid. Plugged well pooled, without lease is fraud. and paying wrong peoples is fraud, so, again I would like to get your help in asking for a federal investigation into this wrong doing because it seem that by law the knowingly filed fraudulent paperwork in the courts. Please help with these issues, and paperwork to show wrong doing will follow. like the answer from them on the 3/4's land, it's still the nobles land so where our payment look at line 5 of the objection land never clouded

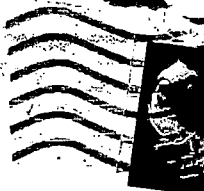

All Taxes still in Nobles names,
so paper all show signs of
wrong doing poor family just
seeking justice from big & small
oil and gas companys. also need
justice in wrong doing in state
court.

Thank you
Waymond Neth
