In support of this Application, Ankura respectfully states as follows:

I.
JURISDICTION

1. This Court has jurisdiction over the Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

2. The statutory predicates for the relief requested herein are 11 U.S.C. §§ 330 and 331, Rule 2016(a) of the Federal Rule of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Rules for the United States Bankruptcy Court for the Southern District of Texas (the “**Local Rules**”), and the *Order Granting Emergency Motion for Administrative Order Under Bankruptcy Code Sections 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 598] (the “**Interim Compensation Order**”).

II. BACKGROUND

A. The Bankruptcy Filings

3. On February 15, 2021 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors’ resulting bankruptcy cases (the “**Chapter 11 Cases**”) have been jointly administered under Case No. 21-30574. Except as set forth below in connection with the Sale Process, and until the conversion of the case to a Chapter 7 proceeding (as further described below), the Debtors remained in possession of their property managed their business as debtors-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

4. Background information on the Debtors, their businesses, and the relief requested in this Application can be found in the *Declaration of Stephen Marotta in Support of First Day Motions* (the “**Marotta Declaration**”) [Docket No. 19] and incorporated herein by reference.

5. On February 25, 2021, the United States Trustee appointed an Official Committee of Unsecured Creditors (the “**Committee**”) in these Chapter 11 Cases as reflected in the notice filed at Docket No. 149.

6. On June 21, 2021, the Chapter 11 Cases were converted to a Chapter 7 proceeding.

B. Ankura’s Retention.

7. On March 12, 2021, the Debtors filed the *Emergency Motion For Entry of an Order (I) Authorizing (A) Retention of Ankura Consulting Group, LLC and (B) Designation of Stephen Marotta as Chief Restructuring Officer Nunc Pro Tunc to the Petition Date* [Docket No. 279].

8. On March 31, 2021, the Court entered its order authorizing the Debtors’ to (a) retain Ankura Consulting Group, LLC; and (b) designate Stephen Marotta as Chief Restructuring Officer Nunc Pro Tunc to the Petition Date [Docket No. 451].

C. Interim Compensation and Monthly Statements.

9. On March 15, 2021, the Debtors filed their Emergency *Motion for Administrative Order Under Bankruptcy Code Sections 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 298] (the “**Interim Compensation Motion**”).

10. On May 12, 2021, the Court approved the relief sought in the Interim Compensation Motion through entry of the Interim Compensation Order [Docket No. 598].

11. Pursuant to the Interim Compensation Order, estate professionals, including Ankura, are to submit monthly statements (the “**Monthly Statements**”) of fees and expenses to certain notice parties. If no objections are raised during the applicable notice period (14 days), the Debtors are authorized to pay eighty percent (80%) of uncontested fees and one hundred percent (100%) of uncontested expenses in each applicable Monthly Statement.

12. The Interim Compensation Order also provides that the Monthly Statements for the first three months of these Chapter 11 Cases could be submitted to the notice parties in a combined statement. In addition, the first interim fee application also was to cover the first three months of these Chapter 11 Cases.

13. In accordance with the Interim Compensation Order, Ankura submitted its Monthly Statement for February 2021, March 2021 and April 2021 (combined) to the requisite notice parties on May 17, 2021. Ankura submitted its Monthly Statement for May 2021 on June 2, 2021. Prior to the filing of this Application, Ankura did not submit its Monthly Statement for June 2021; however, collectively, the Monthly Statements for February, March, April, May and June 2021 are referred to herein as the “Ankura Fee Statements.” Each Ankura Fee Statement consisted of a statement as to the fees and costs incurred in the stated month(s) including a breakdown of hours worked, by individual, according to defined project categories and rates charged.

14. The objection deadline for the Ankura Fee Statements for February, March, and April 2021 was June 1, 2021. The objection deadline for the Ankura Fee Statement for May 2021 was June 16, 2021. Ankura did not receive any objections to those Ankura Fee Statements. A chart setting forth the fees and expenses incurred by Ankura to date and reflected in the Ankura Fee Statements is set forth below.⁵

⁵ Though Ankura has not distributed and will not distribute a Monthly Statement for the period between June 1, 2021 and June 21, 2021, which is also included in this Application, the information for that period is set forth herein for the purposes of completeness.

16. Pursuant to the Interim Compensation Order, Ankura has been paid \$2,398.363.00 in fees and \$2,722.33 in expenses during the Total Period, covering the period from February 15, 2021 through and including May 31, 2021, as requested in the Ankura Fee Statements. Since submission of the Ankura Fee Statements, Ankura has incurred additional fees in the amount of \$432,705.50. Ankura hereby seeks payment of the outstanding balance of \$1,032,296.25 in fees incurred but unpaid during the Total Period.

IV. SIGNIFICANT EVENTS DURING THE CHAPTER 11 CASES

A. The First-Day Pleadings and Required Filings.

17. On the Petition Date, the Debtors filed fourteen (14) “First-Day Pleadings” consisting of the following: a) four (4) motions⁶ seeking relief related to administration of the Chapter 11 Cases (together, the “**Administrative Motions**”); b) seven (7) motions⁷ relating to the payment of pre-petition obligations and/or post-petition utility deposits (together, the “**Operational Motions**”); and c) two (2) motions⁸ requesting relief relating to their consolidated, enterprise-wide cash management system and the procurement of post-petition financing (together, the motions being referred to as the “**Financing Motions**”).⁹

18. Because of the timing of the filing of the Chapter 11 Cases, exigent circumstances involving the weather affecting most of the State of Texas on or about the Petition Date, notice considerations, and objections of various parties in interest, the Court ultimately conducted five (5) contested interim and final hearings concerning the First Day Pleadings on February 16, 22,

⁶ Docket Nos. 2-5.

⁷ Docket Nos. 6-9, 11, and 13.

⁸ Docket Nos. 10 and 16.

⁹ The fourteenth pleading was a *Notice of Designation as Complex Chapter 11 Case* [Docket No. 14].

and 25 and March 12 and 18. Pursuant to those hearings, interim and/or final orders were entered in connection with all of the Debtors' First-Day Pleadings.¹⁰

19. Given the facts and circumstances of these Chapter 11 Cases and the need for the use of the lenders cash collateral, the DIP Motion filed by the Debtors [Docket No. 16] was particularly important to the execution of the Sale Process described below. By way of the DIP Motion, the Debtors sought authority to borrow up to approximately \$13.4 million in two tranches of \$11.5 million and \$1.9 million, respectively. However, because of the Debtors fiscal planning, the second tranche was never drawn. On February 16, 2021, the Court entered its Interim DIP Order¹¹ and set a final hearing on the DIP Motion (the "**Final DIP Hearing**").

20. The Chief Restructuring Officer ("CRO") and team were significantly involved in negotiations for the DIP Facility.

21. The Final DIP Hearing was heavily contested with approximately twenty (20) objections and/or joinders thereto. The principal objectors were PACA Claimants. Nevertheless, on March 18, 2021, the Court entered its Final DIP Order.¹²

22. As noted above, the Court's approval of the DIP Facility enabled the Debtors to conduct the Sale Process for all or substantially all of their assets outlined below. However, as set forth in greater detail below, even after entry of the Final DIP Order, the serial objections raised

¹⁰ The Debtors' *Emergency Motion for Authority to Pay or Honor Prepetition PACA Claims* [Docket No. 11] (the "**PACA Motion**") was initially granted by interim order before being ultimately withdrawn by the Debtors.

¹¹ *Interim Order (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Claims, (IV) Granting Adequate Protection to Prepetition Secured Parties, (V) Modifying Automatic Stay, (VI) Scheduling a Final Hearing, and (VII) Granting Related Relief* [Docket No. 42].

¹² *Final Order (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Claims, (IV) Granting Adequate Protection to Prepetition Secured Parties, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 335].

by the PACA Claimants and the unique factual scenarios presented by many of the PACA Claimants significantly complicated matters and required Ankura and the Debtors to prepare extensive additional analyses and participate in numerous contested hearings related to PACA issues.

23. In addition to the efforts put forth on the substantive motions, Ankura was also able to effectively work with Debtor personnel, the Debtors' claims agent, EPIQ, and other Debtor professionals to create and file the Debtors Schedules of Assets and Liabilities, and Statements of Financial affairs.

B. Stabilizing the Debtors Business Operations

24. The Debtor's operations relied on a complex supply chain, consisting of approximately 700 active vendors providing raw product, transportation, packaging and contract labor, among other things. At the time of filing, the Debtors' payables comprised over 6,500 invoices from these vendors, a majority of which were past due.

25. Concurrent with filing for Chapter 11, the Debtors filed the Operational Motions to facilitate continuation of operations in Chapter 11 to preserve value of the Debtors' estate for stakeholders. These included an *Emergency Motion for Authority to Pay or Honor Prepetition Obligations to Limited Critical Vendors* (the "**Critical Vendor Motion**"), providing for payments of prepetition obligations up to \$3.50 million, an *Emergency Motion for Entry of an Order Authorizing the Debtors to Pay or Honor Certain Prepetition Shipping Charges* (the "**Shippers Motion**"), providing for payments of prepetition obligations up to \$2.55 million, and an *Emergency Motion for Entry of an Order Authorizing the Debtors to Pay or Honor Prepetition PACA Claims* (the "**PACA Motion**"), which, after approval on an interim basis, was ultimately withdrawn by the Debtors.

26. As described in greater detail below, Ankura was successful in negotiating directly with numerous key vendors and establishing processes and protocols for the Debtors' workforce to maintain largely uninterrupted receipts of highly perishable inventory, secure the contract labor necessary to process this inventory, and provide for delivery of finished goods to customers from the filing date through the completion of the sale process, all while preserving precious capital required for operations. Total expenditures under the above described Critical Vendor and Shippers Motions were approximately \$1.4 million, of which \$1.2 million was paid to staffing agencies.

27. In addition to direct negotiations with numerous staffing, shipping and other vendors, Ankura organized, managed and assisted the Debtors' procurement personnel in maintaining vendor relations and assuring ongoing supply. This included twice daily strategy and problem-solving calls with the procurement team, establishing a maintaining a shared system for tracking agreements and open vendor issues, establishing, facilitating and participating in vendor communications, participating in and managing negotiations with certain critical vendors, and providing other assistance on an ad hoc basis as needed.

28. Ankura also assisted in managing the challenges presented as most PACA vendors and numerous others demanded cash in advance ("CIA"), cash on delivery ("COD"), or other altered payment arrangements as a condition of ongoing business. Ankura's assistance in managing and facilitating these payments was crucial in maintaining ongoing supply and product delivery for the Debtors. It should be noted that these results were achieved despite the fact that during the period immediately following the filing of these cases a number of the Debtors' mid-level management in key positions accepted opportunities with new employers.

C. Ongoing Liquidity Management and Reporting

29. As part of the management of the Debtors' operations during these cases, Ankura spent considerable time managing and reporting the Debtors' liquidity position, which was critical to preserving value of the Debtors' estates including:

- Weekly reports on the Debtors' the liquidity position as required under the DIP Order;
- Assisting the Debtors with preparation and maintenance of a cashflow forecast, plan versus actual reporting, and other financial analysis;
- Assisting the Debtors in the preparation of required forecast updates including discussion with various parties in interest including the Debtors management, Board of Directors, secured lenders and professionals representing the Unsecured Creditors Committee;
- Preparation of update presentations relating to monitoring and managing liquidity, including conference meetings with the Debtors and their advisors, and variance reporting with respect to the DIP Facility.

D. The Debtors' Sale Process.

30. On February 26, 2021, the Bankruptcy Court entered its *Order (I) (A) Authorizing and Approving Bid Procedures; (B) Authorizing the Debtors' Entry into the Stalking Horse Purchase Agreement; (C) Authorizing and Approving Expense Reimbursement and Break-Up Fee; (D) Scheduling an Auction and Sale Hearing; (E) Authorizing and Approving Assumption and Assignment Procedures; and (F) Approving Notice Procedures* [Docket No. 164] (the "**Bid Procedures Order**")¹³ in the Chapter 11 Cases, authorizing Debtors to market their business and assets in accordance with the sale and bid procedures (the "**Sale Process**").

¹³ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Bid Procedures Order or the Bid Procedures annexed thereto, as applicable.

31. Ankura's role was critical to achieving an improvement in the consideration received for sale of the Debtors' assets. The CRO and the Ankura team participated in numerous meetings and conference calls to negotiate an improved sales price from buyers, and encourage an active auction process. As set forth in Docket No. 419, the Stalking Horse bid offer received in advance of the Chapter 11 filing from the Buyer, was approximately \$66.9 million for all assets of the debtors in both the United States and Canada.

32. Following an auction conducted pursuant to the Bid Procedures Order on March 22 and 23, 2021, on March 24, 2021, Debtors filed a Notice designating Stellex/CF Buyer (US) LLC ("**Buyer**") as the successful bidder at the auction. Prior to the auction, per its stalking horse bid, Buyer had indicated an intention to purchase substantially all of the company assets and businesses, both in the United States (pursuant to these proceedings) and in Canada (pursuant to the concurrent CCAA proceedings (the "**Canadian Proceedings**")). However, as a result of the robust bidding at the auction, which resulted in significantly increased bids, Buyer ultimately purchased only the domestic assets and business, while the Canadian assets and businesses were sold to two additional buyers (collectively, the "Canadian Buyers") with an estimated aggregate consideration of approximately \$88.9 million – a considerable improvement on the Stalking Horse bid. The almost 25% increase in value, which the CRO and the Ankura team were instrumental in achieving, is all the more significant because the final sale included three buyers, not one.

33. On March 29, 2021, the Court entered the *Order Authorizing Country Fresh Holdings Company Inc. and Its Affiliated Debtors to (I) Sell Substantially All of the Debtors' Assets Free and Clear of All Liens, Claims, Encumbrances, and Interests, (II) Authorizing and Approving the Debtors' Performance under the APA, (III) Authorizing and Approving the Assumption and Assignment of Certain of the Debtors' Executory Contracts, Unexpired Leases,*

And Permits Related Thereto, and (IV) Granting Related Relief [Docket No. 437] (the “**Sale Order**”) authorizing the Debtors to sell all or substantially all of their US-based assets to the Buyer and granting related relief.

34. Between approval of the Sale Order on March 29, 2021 and the closing date on April 29, 2021 (the “**Closing Date**”), Ankura spent a significant amount of time working with various counsel and business principals regarding numerous issues relating to the negotiation and finalization of definitive sale documentation with the Buyer. In part, this was because the Bid Procedures Order had contemplated Buyer (in its role as stalking-horse bidder) as purchaser of the Debtors’ US and Canadian-based assets. However, the ultimate outcome of the Sale Process was three separate sales to three separate buyers, with the Buyer purchasing all or substantially all of the Debtors’ domestic assets. As a result, the proposed Asset Purchase Agreement (the “**APA**”), the related Transition Services Agreement (the “**TSA**”), and other documentation and business points required significant revision and negotiation.

35. Meanwhile, during the material and often tense negotiations with Buyer and significant modifications to sale and transition documents, PACA Claimants made repeated attempts to either overturn the Sale Order completely (in conjunction with the Final DIP Order) or block the sale based on rights alleged under PACA. To ensure the success of the sale, Ankura needed to do significant additional analyses, and negotiate with both Buyer and PACA Claimants, ultimately resulting in payment of almost \$18.3 million to PACA claimants in conjunction with the closing.

36. Thus, following extensive negotiations with Buyer and PACA claimants, and an almost wholesale revision to the TSA (all of which significantly delayed the Closing Date and contributed to an additional three weeks of administrative expense) on April 29, 2021, the Debtors

filed their *Notice of Closing* [Docket No. 548]. The following day, working with the Debtors' personnel, Ankura began performing their obligations under the TSA.

E. Post-Closing TSA Activity and Business Support

37. Following the Closing Date, notwithstanding the sale of the Debtor assets to Buyer, significant transition issues remained. Significantly, because the assets were ultimately sold to three buyers as opposed to one, trifurcation of certain employees, business systems and business processes between the US Buyer and the two Canadian Buyers was necessary. For example, the Sun Rich division of the Debtors' businesses had both US and Canadian operations and customers. While the Buyer purchased assets associated with the US operations, Canadian Buyers purchased the company's Canadian assets. As a result, post-closing, Ankura supported Debtor, Buyer and Canadian Buyers' personnel in appropriately segregating Buyer revenue and payables from those belonging to Canadian Buyers.

38. In addition, Ankura provided support, as required, during the transition period. Employees that were transferred to the Buyer continued to be paid through the Debtors' legacy payroll system, but were prefunded by Buyer. This process required weekly reconciliation and processing by the Debtors' TSA personnel (the "**Shared Employees**").

39. Finally, Ankura was a resource for the Shared Employees for various other provisions of the TSA, including regarding administration for contracts which, pursuant to the terms of the sale, Buyer retained a designated period of time to determine whether to assume or reject (the "**Designated Contracts**")

F. PACA Claimant Issues.

40. Since the first hearing following the petition date, parties asserting claims under the Perishable Agricultural Commodities Act of 1930, as amended, 7 U.S.C. §§ 499a *et seq.* (as modified from time to time, "**PACA**," and any such claims arising thereunder being "**PACA**

Claims” and any holders of PACA Claims, “**PACA Claimants**”) have been central to these cases. Given the Debtors’ business and its reliance on fresh fruit and vegetables, it is understandable that PACA Claimants would play a key part in the Debtors’ efforts to restructure and find a purchaser for their assets.

41. Unfortunately, however, the significant time, effort and precious resources the Debtors had to expend defending against certain narrowly focused and absolute positions consistently taken by PACA Claimants, had quite a negative impact on these cases. Because of the positions taken by PACA Claimants in a multitude of filings and objections, resources that could have been spent on preserving the Debtors’ estates, maximizing value and preserving potential recoveries, were instead spent placating PACA Claimant demands when, ironically, the Debtors did not disagree that they were entitled to full payment of undisputed amounts (which constituted the vast majority of outstanding PACA amounts).

42. Although the PACA Claimants knew – and the Debtors did not disagree – that they were entitled to payment in full of their legitimate prepetition amounts, they demanded that they were entitled to *immediate* payment of all amounts without consideration to the collateral impact of such payments. Given the liquidity position of the Debtors, theirs was an untenable position which would have required (as the they requested) immediate conversion of the Debtors cases to Chapter 7 and resulted in catastrophic loss of value to the estate and, effectively, payment to no one but the PACA Claimants.

43. Fortunately, the Debtors’ cases proceeded under Chapter 11, culminating in the sale noted above. However, the negative impact of the positions taken by the PACA Claimants both prior and subsequent to the sale simply cannot be overstated. Over the course of the cases, the Debtors’ personnel, Ankura, the Buyers and all counsel involved have spent significant time

analyzing, reconciling, negotiating, and paying PACA Claimants. The legal arguments, filings and objections are well-known to the court.

44. However, in addition to what is evident on the Docket and on the record, as part of the resolution to the filings and objections, the Debtors and Ankura also had to undertake major analyses, including wholesale reconciliation of amounts the Debtors showed due against vendor statements, on an invoice-by-invoice basis for almost 1,000 invoices and almost 100 vendors, which resulted in the identification of almost \$1 million alleged payables either not due or already paid. This analysis also resulted in the payment of approximately \$18.3 million of undisputed prepetition PACA Claims in conjunction with the closing with Buyer.

45. In addition, following the closing the Debtors worked with Buyer to analyze and facilitate payment of an additional approximately \$3 million of post-petition PACA Claims.

G. Disputes Related to the Sale.

46. In addition to the PACA Claimants, the Debtors and Ankura also navigated objections and disputes from numerous other creditors and the Buyers. For example certain parties objected to the proposed sale based on proposed cure amounts, the use of leased equipment or vehicles, the payment of administrative-expense claims (whether by the Debtors or the Buyer) or other grounds. Responsibility for payment of certain leased vehicles required material analysis and negotiation by Ankura and the Debtors. Similarly, cancellation of the Debtors insurance policies and entitlement to any unearned premiums was a significant negotiation. In addition, as part of the Sale and reworking of the TSA, the Debtors and Ankura frequently had to negotiate and work with Buyer to ensure that certain details not contemplated under the TSA and sale documents were being executed to the mutual satisfaction of both parties.

47. For example, following the close, a significant disagreement arose regarding language in the TSA and the responsibility for – and ability to make – payments of post-petition,

pre-closing trade payables. This disagreement required significant attention from Ankura and the Debtors' other professionals, and several contested hearings to resolve. As part of the resolution, Ankura and the Buyer instituted and managed a process of requests, verification, dispute, reconciliation and payment of the post-petition, pre-closing payables.

H. Conversion of the Chapter 11 Cases to Chapter 7.

48. On May 14, 2021, the Debtors and an ad hoc group of certain affiliated lenders (the "**Ad Hoc Group of Secured Lenders**") filed the *Joint Motion of the Debtors and the Ad Hoc Group of Secured Lenders for an Order Authorizing and Approving the Conversion of the Chapter 11 Cases and Granting Related Relief* [Docket No. 609] (the "**Original Conversion Motion**"). On June 2, 2021, the Debtors and the Ad Hoc Group of Secured Lenders filed an amended motion to convert the Chapter 11 Cases [Docket No. 673] (the "**Amended Conversion Motion**," together with the Original Conversion Motion, the "**Conversion Motion**").

- (b) The rates charged for such services;
- (c) Whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) Whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
