Jurisdiction and Venue

1. The United States Bankruptcy Court for the District of Delaware "the Court" has jurisdiction over this matter

Relief Requested

By this Objection to EFH's Motion, Creditor Request Entry of an Order further enforcing Court's Schedule Order, with deadline of 9/26/2021 for All matters. These matters to include all discovery Requested and or permission ^(to inspect property), and the last date for claims in which Creditor's claims should also be paid as priority in claims filed on or about Jan. 17, 2020

Background

April 2014 the Debtors voluntary filed petition with this Bankruptcy Court under chapter 11 code.

The Court allowed joint administration of Case (fraudulent associates, mergers). The Court has NOT appointed a trustee. To this date alone shows EFH and other jointly admin. are frivolous and have no intention on a reconstruction for more "7" years is far more than time to settle this matter correctly. Not once did EFH or Jason Madron and others uphold to any Ethics within law or to duty of care. Their continue to file frivolous Motion to prolong justice, to continue to hold "Debtors in possession" of my Property, file a statement for payment for frivolous work. The EFH continue to use this Court to cover their fraudulent actions / mismanagement and to keep correct owner hidden, can ex-out every month and through by there private business structure have been allowed to manage, creditor, Alvestor Coleman's

Accounts off shore, @ through by Unregistered Agents, and after few years change business name file Chapter 11 to forgive debt the intentionally cause fraudulently.

Other Relief

Jason M. Madron is a frivolous litigator his best intention is for himself other counsel on case "representing others jointly" by enriching themselves with monthly charges for nothing. To this date No plan, just continue to prolong with No evidence. Mr. Jason should be in agreement with Court: Schedule Order instead he's against. Further more proving his intension are Not Lawful. and SACTION IS Warranted.

Due by these actions and others' Creditor ask

In the United States Bankruptcy

Jan. 17. 2020 as Priority to be paid in-full and
Accept creditor's Motion to Conversion to Chapter

the only way to settle this matter.

Respectfully Submitted
