Credit Card Receivables

Fees: \$12,071.50, Total Hours: 11.9

- Under this project category, Davis Polk assisted the Debtors with issues relating to their credit card processing agreements and receivables securitization trusts, including reviewing and revising CEBURES notice of presentment.

Actual and Necessary Expenses

16. As set forth in **Exhibit E** hereto, Davis Polk has incurred or disbursed \$39,086.17 in expenses in providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover Davis Polk's direct operating costs, which costs are not incorporated into the Davis Polk hourly billing rates. Only clients for whom the services are actually used are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional costs upon clients who do not require extensive photocopying, delivery, and other services. Davis Polk charges all of its bankruptcy clients \$0.10 per page for photocopying and printing job expenses. On several occasions, overnight delivery of documents and other materials were required as a result of circumstances necessitating the use of such express services.

17. Regarding providers of online legal research (e.g., LexisNexis and Westlaw), Davis Polk charges all of its clients the standard usage rates these providers charge, which, due to contractual flat fees, may not always equal Davis Polk's actual cost. Davis Polk currently is under contract to pay these providers a flat fee every month. Charging its clients the online providers' standard usage rates allows Davis Polk to cover adequately the monthly flat fees it must pay to these types of providers.

18. Davis Polk has made every effort to minimize its expenses in the Chapter 11 Cases. The actual expenses incurred in providing professional services to the Debtors were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors, their estates, and other parties in interest.

Davis Polk's Requested Compensation and Reimbursement Should Be Allowed

19. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered ... and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

20. The foregoing professional services were performed by Davis Polk in an efficient manner, were necessary and appropriate to the administration of the Chapter 11 Cases, and were

in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. As required by the U.S. Trustee Guidelines, annexed hereto as **Exhibit F** is a chart setting forth the comparative blended rates of the professionals and paraprofessionals who rendered services with a corresponding comparison of rates for professionals and paraprofessionals not involved in these Chapter 11 Cases.

Notice

21. The Debtors will provide notice of this Application in accordance with the Interim Compensation Order. The Debtors submit that no other or further notice be given.

[Remainder of Page Left Blank Intentionally]

WHEREFORE, Davis Polk, in connection with services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services rendered in the total amount of \$9,869,695.00 and reimbursement of actual and necessary expenses incurred in the amount of \$39,086.17, for an aggregate total of \$9,908,781.17 for the Fee Period.

I, Timothy Graulich, hereby certify that:

1. I am an attorney admitted into practice in the State of New York and a partner at the law firm of Davis Polk & Wardwell LLP (“**Davis Polk**”), located at 450 Lexington Avenue, New York, New York. I am familiar with the work performed on behalf of the above-captioned debtors and debtors in possession (“**Debtors**”) by Davis Polk.

¹ The Debtors in these cases, along with each Debtor’s registration number in the applicable jurisdiction, are as follows: Grupo Aeroméxico, S.A.B. de C.V. 286676; Aerovías de México, S.A. de C.V. 108984; Aerolitoral, S.A. de C.V. 217315; Aerovías Empresa de Cargo, S.A. de C.V. 437094-1. The Debtors’ corporate headquarters is located at Paseo de la Reforma No. 243, piso 25 Colonia Cuauhtémoc, Mexico City, C.P. 06500.

2. I have reviewed the *Fourth Interim Application of Davis Polk & Wardwell LLP for Compensation for Services Rendered and Reimbursement of Expenses Incurred as Counsel to the Debtors and Debtors in Possession for the Period from May 1, 2021 through September 30, 2021* (the “**Application**”) to certify to certain matters addressed in the (i) *Order Pursuant to 11 U.S.C. §§ 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated September 8, 2020 [ECF No. 360] (the “**Interim Compensation Order**”), (ii) Rule 2016-1 of the Local Rules of Bankruptcy Procedure, incorporating the *Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York Bankruptcy Cases* [General Order M-447], among other guidelines (the “**Local Guidelines**”), and (iii) the United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases effective as of November 1, 2013 (the “**U.S. Trustee Guidelines**,” and together with Local Guidelines, the “**Fee Guidelines**”).² The Application covers the period May 1, 2021 through September 30, 2021 (the “**Fee Period**”).

3. To the best of my knowledge, information and belief, the statements contained in the foregoing Application are true and accurate in all material respects and comply with the Fee Guidelines in material part. Davis Polk responds to the questions identified in the U.S. Trustee Guidelines as follows:

Question 1: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Interim Compensation Order.

Answer: Davis Polk has agreed to negotiated discounts off of its standard rates.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: The fees sought in the Application do not exceed the fees budgeted for the May 1, 2021 through August 31, 2021 period, the originally contemplated fee period.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: As disclosed in the Retention Application, no.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: The Application does not include time and fees related to reviewing or revising time records or preparing, reviewing, or revising invoices in connection with the preparation of five monthly fee statements relating to the Fee Period covered by the Application. The Application requests compensation for 1 hour for each of the five monthly fee statements prepared during the Fee Period. All other time related to preparation of the monthly fee statement has been voluntarily written off.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: The Application does not include time and fees related to reviewing time records to redact any privileged or other confidential information. As set forth in the response to question 4, Davis Polk has written off all fees related to such time.

Question 6: Did the Application include any rate increases since retention in these cases?

Answer: The Application includes a customary annual rate increase for all time keepers since Davis Polk's retention in the Chapter 11 Cases, which was disclosed on the Court docket in the *Third Supplemental Declaration of Timothy Graulich in Support of the Application of Debtors for Authority to Employ and Retain Davis Polk & Wardwell LLP as Attorneys for the Debtors Nunc Pro Tunc to the Petition Date* [ECF No. 752].

Question 7: Did the client agree when retaining Davis Polk to accept all future rate increases? If not, did Davis Polk inform the client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The client was informed regarding Davis Polk's rates and potential future rate increases as part of its approval of Davis Polk's retention application. The client did not agree at that time to accept all future rate increases. As described in the *Third Supplemental Declaration of Timothy Graulich in Support of the Application of Debtors for Authority to Employ and Retain Davis Polk & Wardwell LLP as Attorneys for the Debtors Nunc Pro Tunc to the Petition Date* [ECF No. 752], the client agreed to the customary annual rate increase.
