27. Bankruptcy Write-Offs — 21.10 hours — \$15,407.50

This category reflects all amounts that Jones Day has voluntarily determined not to charge the Debtor. Those amounts include 21.10 hours (\$15,407.50) of working hours.

Expenses Incurred by Jones Day

28. Section 330 of the Bankruptcy Code authorizes “reimbursement for actual, necessary expenses” incurred by professionals employed in a chapter 11 case. Accordingly, Jones Day seeks reimbursement for expenses (“Expenses”) incurred in rendering services to the Debtor during the Compensation Period in the amount of \$121,843.37. Itemized records detailing the Expenses incurred during the Compensation Period are attached to the Prior Monthly Fee Statements.

29. Jones Day maintains the following policies with respect to Expenses:

- No amortization of the cost of any investment, equipment or capital outlay is included in the expenses. In addition, for those items or services that Jones Day purchased from or contracted with a third party (such as outside copy services), Jones Day seeks reimbursement only for the exact amount billed to Jones Day by the third party vendor and paid by Jones Day to the third party vendor.
- Jones Day generally does not charge for ordinary photocopying performed by lawyers, paraprofessionals and assistants. With respect to large photocopying jobs necessitating the use of Jones Day’s specialized duplication staff and equipment, such photocopying was charged at 10 cents per page. To the extent practicable, Jones Day utilizes less expensive outside copying services.
- Any meals charged to the Debtor either are associated with: (a) out-of-town travel; (b) meetings at Jones Day with the Debtor and other professionals; or (c) attorneys working late on urgent matters concerning the Debtor.
- Any charges for airline and train travel include the cost of each coach-class airline or train ticket purchased in connection with the provision of

services to the Debtor, plus, for each airline or train ticket issued by the travel service regularly used by Jones Day, a \$40 transaction fee to cover travel service expenses.

- The time pressures associated with the services rendered by Jones Day at times require Jones Day's professionals and paraprofessionals to devote substantial amounts of time during the evenings and on weekends. Jones Day may charge for secretarial and other staff overtime expense that is directly associated with such after-hours work and is necessary given the circumstances of the case. Jones Day does not consider such expenses to be part of its ongoing overhead expenses because they are special incremental expenses arising from the specific services being provided to the Debtor. Nevertheless, no such charges are included in any of the Prior Monthly Fee Statements.

30. Jones Day's Expenses include fees for a consultant to the Debtor, retained by Jones Day and included in the Prior Monthly Fee Statements consistent with the Expert Protocol.

31. In addition, Jones Day has written off \$55.00 in expenses in connection with services performed during the Compensation Period.

Conclusion

32. The fees and expenses requested herein by Jones Day are billed in accordance with its existing billing rates and procedures in effect during the Compensation Period. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable nonbankruptcy cases in a competitive national legal market and should be approved on an interim basis pursuant to sections 330 and 331 of the Bankruptcy Code, the Amended Interim Compensation Order and applicable Bankruptcy Rules and Local Rules.

Notice

33. This Application has been served in accordance with the Amended Interim Compensation Order on the Notice Parties, as defined therein. In accordance with the Amended

Interim Compensation Order, a notice of opportunity for hearing on this Application in accordance with Local Rule 9013-1(e)(7) has been served on the Notice Parties and all parties that have filed a notice of appearance with the Clerk of this Court and requested such notice. The Debtor submits that, in light of the nature of the relief requested, no other or further notice need be provided.

No Prior Request

34. No prior request for the relief sought in this Application has been made to this or any other court.

WHEREFORE, Jones Day respectfully requests that, pursuant to sections 330 and 331 of the Bankruptcy Code, the Amended Interim Compensation Order and applicable Bankruptcy Rules and Local Rules, the Court (i) enter an order substantially in the form attached hereto as Exhibit B granting the relief requested herein and (ii) grant such other and further relief to Jones Day as the Court may deem just and proper.
