FOR ALLOWANCE OF COMPENSATION AND REIMBURSEMENT OF EXPENSES
FOR THE PERIOD FROM MAY 1, 2021 THROUGH AUGUST 31, 2021**

Sander L. Esserman, the legal representative for future claimants in the chapter 11 case commenced by DBMP LLC (“DBMP” or the “Debtor”), and Stutzman, Bromberg, Esserman & Plifka, P.C. (together with the Future Claimants’ Representative, the “Applicants”) hereby file their combined fourth interim application (the “Application”) for allowance of compensation for services rendered during the period from May 1, 2021 through August 31, 2021 (the “Interim Period”), pursuant to sections 330 and 331 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and this Court’s *Amended Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* (the “Interim Compensation Order”) entered August 6, 2020 [Docket No. 402].

¹ The last four digits of the Debtor’s taxpayer identification number are 8817. The Debtor’s address is 20 Moores Road, Malvern Pennsylvania 19335.

² In light of the fact that Sander L. Esserman, the legal representative for future claimants (the “Future Claimants’ Representative” or “FCR”), is a member of the law firm Stutzman, Bromberg, Esserman & Plifka, P.C. (“SBEP”), which serves as counsel to the FCR, the FCR and SBEP will be submitting combined fee applications per the Court’s order appointing the FCR and the order authorizing the retention and employment of SBEP.

By this Application, the Applicants hereby move this Court for an order awarding the Applicants reasonable compensation for the Interim Period for professional legal services rendered in the amount of \$333,357.50, and reimbursement for actual and necessary expenses incurred in the amount of \$0, for a total of \$333,357.50. In support of this Application, Applicants respectfully represent as follows:

BACKGROUND

1. On January 23, 2020 (the “Filing Date”), the Debtor filed a voluntary petition in this Court for relief under chapter 11 of the Bankruptcy Code.
2. The Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).
3. On February 14, 2020, the Court entered an order [Docket No. 155] appointing an official committee of asbestos claimants (the “ACC”) in this chapter 11 case.
4. On June 1, 2020, the Court entered the *Order Appointing Sander L. Esserman as Legal Representative for Future Asbestos Claimants* (the “Retention Order”) [Docket No. 310].
5. On June 9, 2020, the FCR filed his *Ex Parte Application for Order Authorizing the Future Claimants’ Representative to Retain and Employ Young Conaway Stargatt & Taylor, LLP and Stutzman, Bromberg, Esserman & Plifka, A Professional Corporation, as his Attorneys* (the “Employment Application”). That same day, the Court entered its *Ex Parte Order Authorizing Retention and Employment of Young Conaway Stargatt & Taylor, LLP and Stutzman, Bromberg, Esserman & Plifka, A Professional Corporation as Attorneys for the Future Claimants’ Representative* [Docket No. 323] (the “Employment Order”). The Employment Order authorized the FCR to retain SBEP as his co-counsel in this case and directed the FCR to include SBEP’s requests for compensation in the FCR’s applications for payment.

6. Pursuant to the Interim Compensation Order, professionals may request monthly compensation and reimbursement. Such requests are to be served on the Notice Parties (as further defined in the Interim Compensation Order, the “Notice Parties”) for review. The Interim Compensation Procedures require a fourteen (14) day objection period. Accordingly, if no objection to a professional’s request is received within fourteen (14) days of such request, the Debtor is authorized to pay 90% of the fees and 100% of the expenses requested. The Interim Compensation Order also requires each retained professional to file, approximately every four (4) months, an application for interim Court approval and allowance pursuant to section 331 of the Bankruptcy Code of 100% of the compensation and reimbursement of expenses for the prior four (4) months.

COMPENSATION RECEIVED DURING INTERIM PERIOD

7. All services for which the FCR and SBEP seek compensation were performed in connection with Mr. Esserman’s appointment as FCR. During the Interim Period, the FCR and SBEP have or should have received monthly payments from the Debtor pursuant to the Interim Compensation Order as follows:

SERVICES RENDERED BY THE FCR

8. Attached hereto as **Exhibits A1-A4** is a detailed description of the services performed and expenses incurred by the FCR and/or SBEP during the Interim Period. In summary, the FCR expended 108.8 hours in connection with this matter during the Interim Period resulting in fees totaling \$97,920.00. SBEP expended a total of 451.4 hours in connection with this matter during the Interim Period resulting in fees totaling \$235,437.50.

9. The time that the FCR and SBEP devoted to this case during the Interim Period includes time spent conferring with each other and the FCR's co-counsel regarding various matters relevant to the Future Claimants in this case. Time was also spent reviewing the docket in this case and meeting with counsel for the Debtor and the ACC. The Applicants worked with the FCR's co-counsel to review and respond to pleadings in connection with the reopening of the

record regarding the Debtor's motion for preliminary injunction and the ACC's motion to lift stay. SBEP also spent considerable time reviewing and analyzing documents produced by the Debtor in connection with the Debtor's Rule 2004 motions to seek discovery from certain asbestos trusts and to require mesothelioma claimants to complete personal injury questionnaires. The FCR worked with his co-counsel to analyze and respond to the Debtor's estimation motion. The Applicant's also worked with the FCR's co-counsel and counsel for the ACC to review and analyze various matters relating to and preparing the joint motions for substantive consolidation of DBMP with New Certaineed and the motion for standing and authority to investigate certain causes of action, as well as various discovery related pleadings in connection therewith. The FCR also spent time preparing for and attending hearings in this case.

10. Given the FCR's position as a party in this proceeding, his time and the resulting fees were not duplicative of those of any attorney time billed by his professionals. Moreover, SBEP and the FCR's general counsel, Young Conaway Stargatt & Taylor, LLP ("YCST"), worked diligently to ensure that SBEP's services were not duplicative of any attorney time billed by YCST. The FCR believes that his billing rate and the billing rates of the SBEP professionals assisting the FCR for the Interim Period in these cases, which reflect customary billing rates for the year 2021, should be deemed "reasonable billing rates" for the purposes of this Court's determination of the "reasonableness" of the fees for services rendered.

11. The attached **Exhibit B** sets forth the FCR and SBEP's time by project categories.

12. A summary of the professionals and paraprofessional who have rendered services with respect to the Application is attached hereto as **Exhibit C**.

13. Attached hereto as **Exhibit D** is a summary of the FCR's prior fee applications.

14. Attached hereto as **Exhibit E** is a summary of SBEP's prior fee applications.

DISBURSEMENTS

15. The FCR requests reimbursement for his actual and necessary expenses incurred during the Interim Period totaling \$0. SBEP requests reimbursement for its actual and necessary expenses incurred during the Interim Period totaling \$0. Attached hereto as **Exhibit F**, the Applicants have itemized the costs and expenses that were incurred during the Interim Period.

NOTICE

16. Notice of this Application has been provided in accordance with the Interim Compensation Order. The Applicants respectfully submit that further notice of this Application is neither required nor necessary.

WHEREFORE, for the reasons set forth herein, (i) the FCR requests interim allowance of compensation in the amount of \$97,920.00 as compensation for necessary professional services rendered during the Interim Period and the sum of \$0 for reimbursement for actual and necessary expenses the FCR incurred during the Interim Fee Period pursuant to Section 330 of the Bankruptcy Code; (ii) SBEP requests interim allowance of compensation in the amount of \$235,437.50 as compensation for necessary professional legal services rendered during the Interim Period and the sum of \$0 for reimbursement for actual and necessary expenses incurred during the Interim Fee Period pursuant to Section 330 of the Bankruptcy Code; (iii) that the allowance of such compensation be without prejudice to the FCR's and SBEP's right to seek additional compensation for services rendered and expenses incurred during the Interim Fee Period that were not processed at the time of this Application; and (iv) that the Court grant such other and further relief as is just and proper.
