Pursuant to sections 327, 330, and 331 of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York (the “**Local Rules**”), the *Order Approving Application of Debtors for Authority to Employ and Retain Davis Polk & Wardwell LLP as Attorneys for the Debtors Nunc Pro Tunc to the Petition Date*, dated September 8, 2020 [ECF No. 361] (the “**Retention Order**”), and the *Order Pursuant to 11 U.S.C. §§ 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated September 8, 2020 [ECF No. 360] (the “**Interim Compensation Order**”), Davis Polk & Wardwell LLP (“**Davis Polk**”), counsel for the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”), submits this *Fifteenth Monthly Fee Statement of Services*

² This amount reflects a reduction in fees in the amount of \$66,049.00 on account of voluntary write-offs. In addition to voluntary write-offs of full hours and the corresponding fees, the total also reflects a voluntary write-off in the amount of \$3,907.00 on account of applying a reduced rate for certain tasks, following discussions with the U.S. Trustee.

³ This amount reflects a reduction in expenses in the amount of \$1,788.10 on account of word processing, duplication, outside documents and research, meal, and travel charges to comply with the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective November 1, 2013* (the “**UST Guidelines**”).

Rendered and Expenses Incurred for the Period from October 1, 2021 Through October 31, 2021 (this “**Fee Statement**”).⁴ By this Fee Statement, Davis Polk seeks (i) compensation in the amount of \$2,655,641.20, which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that Davis Polk incurred in connection with such services during the Fee Period (i.e., \$3,319,551.50) and (ii) payment of \$6,618.64 for the actual, necessary expenses that Davis Polk incurred in connection with such services during the Fee Period.

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as **Exhibit A** is a chart of the number of hours expended and fees incurred (on an aggregate basis) by Davis Polk partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories Davis Polk established in accordance with its internal billing procedures. As reflected in **Exhibit A**, Davis Polk incurred \$3,319,551.50 in fees during the Fee Period. Pursuant to this Fee Statement, Davis Polk seeks reimbursement for 80% of such fees, totaling \$2,655,641.20.

2. Attached hereto as **Exhibit B** is a chart of Davis Polk professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Debtors in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each professional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$1,158.81.⁵ The blended hourly billing rate of all paraprofessionals is \$461.22.⁶

⁴ The period from October 1, 2021, through and including October 31, 2021, is referred to herein as the “**Fee Period**.”

⁵ The blended hourly billing rate of \$1,158.81 for attorneys is derived by dividing the total fees for attorneys of \$3,292,985.50 by the total hours of 2,841.7.

⁶ The blended hourly billing rate of \$461.22 for paraprofessionals is similarly derived by dividing the total fees for paraprofessionals of \$26,566.00 by the total hours of 57.6.

3. Attached hereto as **Exhibit C** is a chart of expenses that Davis Polk incurred or disbursed in the amount of \$6,618.64 in connection with providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover Davis Polk's direct operating costs, which costs are not incorporated into Davis Polk's hourly billing rates. Only the clients for whom the services are actually used are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as **Exhibit D** are the time records of Davis Polk for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during Fee Period as well as an itemization of expenses.

Notice

5. The Debtors will provide notice of this Fee Statement in accordance with the Interim Compensation Order. The Debtors submit that no other or further notice be given.

[Remainder of Page Left Blank Intentionally]

WHEREFORE, Davis Polk, in connection with services rendered on behalf of the Debtors, respectfully requests (i) compensation in the amount of \$2,655,641.20 which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that Davis Polk incurred in connection with such services during the Fee Period (i.e., \$3,319,551.50) and (ii) payment of \$6,618.64 for the actual, necessary expenses that Davis Polk incurred in connection with such services during the Fee Period.
