**MEMORANDUM ENDORSED ORDER:**

The Court recently received the email below from Ms. Sherrie Edwards, who is one of the parties involved in EEOC litigation that was settled with the Debtors. That litigation was filed in the United States District Court for the District of Arizona. The litigation was eventually settled, and that settlement was approved by the Arizona District Court. Given the Debtors' bankruptcy cases, the settlement was also presented to this Court for approval under Bankruptcy Rule 9019 and was approved after notice and a hearing.

As Ms. Edwards' question relates to the execution of the settlement, that inquiry is best directed to the Arizona District Court that presides over the EEOC litigation. Nonetheless, the Court requests that the United States Attorney's Office for the Southern District of New York, which appeared at the 9019 hearings in this Court on the settlement, reach out to Ms. Edwards to provide the name and contact information of an appropriate party at the EEOC that Ms. Edwards can contact regarding her inquiry. That information should be provided to Ms. Edwards by letter, a copy of which should be filed on the docket within two weeks of this order.

So Ordered.
