CAUTION - EXTERNAL:

Honorable Judge Lane,

Your Honor,

I humbly request your reconsideration with respect to your Honor's denial of my claims. In reading your Order I believe that there are several potentially pivotal issues that I would like for your Honor to reconsider. I realize that my filing for this reconsideration is likely later than the Court's guidelines and I sincerely apologize for my delay. Due to my lack of knowledge of bankruptcy legal proceedings my assumption was that I did not have any further opportunity to petition the Court or to submit additional information. When I became aware that Your Honor had accepted Mr. Bassets request for reconsideration I realized that I had erred.

Respectfully,

Gregory R. Cordes
