evidence presented, and the arguments of counsel at hearings before the Court on October 22, 2021 and February 10, 2022 (the “**Hearings**”); the Court finding that (i) the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; (ii) venue is proper in this district pursuant to 28 U.S.C. § 1409; (iii) this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and (iv) notice of the PIQ Motion, the Bar Date Motion, and the Hearings was sufficient under the circumstances; and the Court having determined that the legal and factual bases set forth in the Motions and at the Hearings establish just cause for the relief granted herein;

IT IS HEREBY ORDERED THAT:

1. For the reasons stated on the record at the hearing on February 10, 2022 (which are incorporated herein by reference), and for the reasons stated below, the Bar Date Motion is GRANTED in part and DENIED in part on the terms and conditions set forth herein, and the PIQ Motion is DENIED as moot.

2. Each holder of a Pending Mesothelioma Claim (as defined below) shall be required to submit a proof of claim in accordance with the procedures described herein to avoid the potential consequences set forth in paragraph 8 of this Order.

3. For purposes of this Order and the relief granted herein:

a. “Pending Mesothelioma Claim” means a mesothelioma claim against the

Debtor by a person who asserted a mesothelioma claim against the Debtor or

Asbestos Claimants to Debtor’s Motion for Order Pursuant to Rule 2004 Directing Submission of Personal Injury Questionnaires by Pending Mesothelioma Claimants (Dkt. 866); the *Objection of the Future Claimants’ Representative to Debtor’s Motion for Order Pursuant to Bankruptcy Rule 2004 Directing Submission of Personal Injury Questionnaires by Pending Mesothelioma Claimants* (Dkt. 869); and the *Reply in Support of Debtor’s Motion for Order Pursuant to Bankruptcy Rule 2004 Directing Submission of Personal Injury Questionnaires by Pending Mesothelioma Claimants* (Dkt. 947). With respect to the Bar Date Motion, those submissions included the *Objection of the Official Committee of Asbestos Personal Injury Claimants to Debtor’s Motion for Pending Mesothelioma Claims Bar Date* (Dkt. No. 1311); the *Objection of the Future Claimants’ Representative to Debtor’s Motion for Pending Mesothelioma Claims Bar Date* (Dkt. No. 1312); and the *Debtor’s Reply in Support of Motion for Pending Mesothelioma Claims Bar Date* (Dkt. 1313).

its predecessors (including the former CertainTeed Corporation (“**Old CT**”)) prior to January 23, 2020 (the “**Petition Date**”), relating in any way to asbestos or asbestos-containing products for which the Debtor or its predecessors-in-interest (including Old CT) are alleged to be responsible; *provided, however*, that Pending Mesothelioma Claims shall not include asbestos-related mesothelioma claims against the Debtor or its predecessors (1) that have been dismissed with prejudice or settled and paid, (2) are known to be time-barred, or (3) for which the exclusive remedy is provided under workers’ compensation statutes and similar laws; and

- b. the Pending Mesothelioma Claims Bar Date (as defined below) shall not apply to any claim or demand against, or interest in, the Debtor other than Pending Mesothelioma Claims. By way of example, and not limitation, the Pending Mesothelioma Claims Bar Date shall not apply to holders of: (i) non-asbestos-related claims; (ii) asbestos-related claims on account of diagnoses other than mesothelioma; (iii) asbestos-related claims for which the exclusive remedy is provided under workers' compensation statutes and similar laws; and (iv) claims against the Debtor based on, arising out of, or related to asbestos-related injury, disease, or death that either (A) had manifested, become evident, or been diagnosed as of the Petition Date, but for which a claim had not been asserted against the Debtor or its predecessors (including Old CT) as of the Petition Date or (B) had not manifested, become evident, or been diagnosed as of the Petition Date.

4. Holders of Pending Mesothelioma Claims who submit proofs of claim shall complete and submit a proof of claim substantially in the form attached hereto as **Exhibit A** (the **“Pending Mesothelioma Claim Form”**).

5. To avoid the potential consequences set forth in paragraph 8 of this Order, holders of Pending Mesothelioma Claims must complete their Pending Mesothelioma Claim Forms and either (i) submit them electronically through the electronic claims filing system maintained by Epiq Corporate Restructuring, LLC, the Debtor’s claims, noticing, and balloting agent (the **“Claims Agent”**), available at <https://dm.epiq11.com/DBMP> (the **“Claims Website”**), **by no later than 5:00 p.m. (prevailing Eastern Time) on September 12, 2022** (the **“Pending Mesothelioma Claims Bar Date”**), or (ii) send them to the Claims Agent *so as to be actually received by no later than 5:00 p.m. (prevailing Eastern Time) on the Pending Mesothelioma Claims Bar Date* at the following address:

If sent by first-class U.S. mail, the completed Pending Mesothelioma Claim Forms should be sent to:

DBMP LLC Claims Processing Center
c/o Epiq Corporate Restructuring, LLC
P.O. Box 4420
Beaverton, Oregon 97076-4420

If by hand delivery or overnight mail, the completed Pending Mesothelioma Claim Forms should be sent to:

DBMP LLC Claims Processing Center
c/o Epiq Corporate Restructuring, LLC
10300 SW Allen Blvd.
Beaverton, Oregon 97005

An electronic signature on a Pending Mesothelioma Claim Form submitted through the Claims Website shall be treated as equivalent to a physical signature. The Claims Agent shall make submitted Pending Mesothelioma Claim Forms publicly available via the Claims Website. The

Claims Agent also shall list on the claims register filed with the Court and on its website the following information in respect of submitted Pending Mesothelioma Claim Forms: (a) the proof of claim number, (b) the name of the claimant that submitted the proof of claim, (c) the name and address of the person who submitted the proof of claim (but not such person's telephone number), and (d) the date the proof of claim was submitted.

6. The forms of the Pending Mesothelioma Claim Form and the Notice of Bar Date for Pending Mesothelioma Claims (the "**Bar Date/Questionnaire Notice**," attached as **Exhibit B**), and the manner of providing notice of the Pending Mesothelioma Claims Bar Date and the requirement to submit a Questionnaire (as defined below), are approved in all respects. The form and manner of notice of the Pending Mesothelioma Claims Bar Date and the requirement to submit a Questionnaire approved herein are deemed to fulfill applicable notice and other due process requirements of the Bankruptcy Rules and applicable law as to Pending Mesothelioma Claimants to which such notice is directed. Accordingly, the Debtor is authorized to serve the Notice Package (as defined below) in the manner described in paragraph 7 below.

7. No later than five business days after the date that the Court enters this Order, the Debtor, through the Claims Agent, shall serve a copy of (a) the Bar Date/Questionnaire Notice, (b) a Pending Mesothelioma Claim Form, and (c) a copy of this Order (the "**Notice Package**") by first class United States mail, postage prepaid, on counsel of record for all asbestos personal injury claimants with a claim status of "open" or "settled but not paid" in DBMP's claims database (as well as any asbestos personal injury claimants with a status of "open" or "settled but not paid" who are not represented by counsel if the addresses of those claimants are known). The Claims Agent shall provide counsel with a list containing each mesothelioma claimant in DBMP's claims database represented by that firm with a claim status of "open" or "settled but

not paid.” Notwithstanding any provision of the Bankruptcy Code or Bankruptcy Rules, including, without limitation, Bankruptcy Rule 2002, which requires service of notice of the Pending Mesothelioma Claims Bar Date on all parties-in-interest in this Chapter 11 Case, no other service of notice of the Pending Mesothelioma Claims Bar Date shall be required. The Debtor may, in its discretion, but shall not be required to, serve the Bar Date/Questionnaire Notice and/or the Notice Package on other entities in order to apprise them of the Pending Mesothelioma Claims Bar Date.

8. Unless the Court orders otherwise, pursuant to Bankruptcy Rule 3003(c)(2), any holder of a Pending Mesothelioma Claim who fails to file a Pending Mesothelioma Claim Form on or before the Pending Mesothelioma Claims Bar Date shall be subject to such legal consequences as the Bankruptcy Code may prescribe or permit. Such consequences may include (a) disallowance of an untimely filed Pending Mesothelioma Claim, (b) the barring, estopping, and enjoining of the holder thereof from asserting any Pending Mesothelioma Claim against the Debtor (or against any trust or other entity that, pursuant to any plan of reorganization, assumes liability for Pending Mesothelioma Claims), and (c) prohibition from voting to accept or reject any plan or plans of reorganization, from participating in any distribution in the Debtor’s chapter 11 case on account of such Pending Mesothelioma Claim, or from receiving further notices regarding such Pending Mesothelioma Claim. For the avoidance of doubt, nothing in this Order expands or limits the otherwise applicable consequences of failing to file a proof of claim by the Pending Mesothelioma Claims Bar Date.

9. The DBMP LLC Personal Injury Questionnaire (the “**Questionnaire**”) attached to this Order as **Exhibit C** and incorporated herein by reference is approved; *provided, however*, that non-substantive corrections and formatting changes to the Questionnaire may be made by

agreement among the Debtor, the Official Committee of Asbestos Personal Injury Claimants (the “**ACC**”), the Future Claimants’ Representative (the “**FCR**”), and CertainTeed LLC (“**CertainTeed**” and, collectively with the Debtor, the ACC, and the FCR, the “**Parties**” and individually a “**Party**”). The Questionnaire seeks evidence that is relevant to estimation of the asbestos liability of the Debtor and the negotiation, formulation, and confirmation of a plan of reorganization, and is proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties’ relative access to relevant information, the parties’ resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. Further, this Court has authority to order the use of the Questionnaire pursuant to Bankruptcy Rule 2004, 11 U.S.C. § 105(a), and the Court’s inherent powers, and use of the Questionnaire is the most efficient way to proceed and avoid undue burden.

10. Each claimant who completes and submits a Pending Mesothelioma Claim Form (or any other proof of claim) on account of a Pending Mesothelioma Claim (for purposes of this Order, a “**Pending Mesothelioma Claimant**”) is required to complete and return the Questionnaire, pursuant to the deadlines set forth in paragraph 11 below.

11. The following deadlines and requirements shall apply:

- a. As soon as practicable after the Pending Mesothelioma Claims Bar Date, the Claims Agent shall transmit a copy of the claims register containing Pending Mesothelioma Claims to Donlin, Recano and Company, Inc. (the “**Questionnaire Agent**”). Within ten days after receiving the claims register, the Questionnaire Agent shall serve a copy of the Questionnaire and this Order, via first-class U.S. mail, postage prepaid, on the notice

party provided in the applicable Pending Mesothelioma Claim Form (or other proof of claim). The Debtor shall file a certificate of service and provide the ACC and the FCR with an electronic copy of such service list. Parties that submit a Pending Mesothelioma Claim Form electronically through the electronic claims filing system available on the Claims Website shall also be provided with an electronic version of the Questionnaire upon submission of the Pending Mesothelioma Claim Form. The Questionnaire Agent shall assign a unique numerical identifier (the “**PIQ ID**”) to each Pending Mesothelioma Claimant, which the Pending Mesothelioma Claimant shall be required to use in answering the Questionnaire.

- b. Responses to the Questionnaire, whether in electronic or paper form, including all attachments thereto, and all trust claim forms submitted by Pending Mesothelioma Claimants pursuant to the Questionnaire or obtained from any established asbestos personal injury trust (each, a “**Trust**”) pursuant to the optional authorization form incorporated in the Questionnaire,⁴ are referred to herein as “**Questionnaire Responses.**”
- c. All Pending Mesothelioma Claimants may submit their Questionnaire Responses and any attachments in paper form or by uploading electronic copies of the responses through the secure portal (the “**Portal**”) established by the Questionnaire Agent, available at <https://dbmp.donlinrecano.com>.

⁴ The authorization form is set forth as Exhibit 1 to the Questionnaire and is entitled “Claimants’ Optional Authorization for Debtor’s Counsel to Obtain Trust Records.” It is referred to below in this Order as the “**Authorization.**”

- d. If a Pending Mesothelioma Claimant chooses to submit the Questionnaire Response and any attachments through the Portal, he or she shall complete and submit the Questionnaire Response no later than 11:59 p.m., prevailing Eastern Time, on November 30, 2022.
- e. If a Pending Mesothelioma Claimant chooses to submit the Questionnaire Response and any attachments in paper form, he or she shall complete and submit the Questionnaire Response electronically to the PIQ Portal or by depositing it and any attachments in first-class U.S. mail (prepaid) or other delivery service, so that it is postmarked no later than November 30, 2022, addressed as follows:

- f. The Questionnaire Agent shall produce all Questionnaire Responses to the Parties, their respective bankruptcy counsel and special counsel (the **“Bankruptcy Counsel”**), and their respective retained asbestos claims experts. The Questionnaire Agent may make such production on a rolling basis as Questionnaire Responses are received.

g. No Questionnaire Responses shall be disseminated or disclosed, whether in written or electronic form, to any person other than (i) the Parties; (ii) any law firm rendering legal services to a Party in connection with estimation of the Debtor's asbestos liability or in negotiating, formulating, and confirming a plan of reorganization (the "**Permitted Uses**") in this bankruptcy case, and each such law firm's employees, agents, and representatives who are personally involved in rendering services in connection with the Permitted Uses; (iii) any Party's consulting or testifying experts, and members of their staff, who are personally involved in rendering services to a Party in connection with the Permitted Uses; (iv) any person who testifies at a deposition or hearing in connection with the Permitted Uses, and for whose examination or cross-examination reference to a Questionnaire Response is relevant; (v) third-party service companies providing outside photocopying, graphic production services, or litigation support services to counsel or experts in connection with the Permitted Uses; (vi) the Claims Agent and the Questionnaire Agent and any of their respective employees, agents, or representatives rendering services in connection with the Permitted Uses; (vii) the Court, including secretaries, judicial assistants, law clerks, and other clerical staff; and (viii) court reporters, stenographers, or videographers who record deposition or other testimony in connection with this bankruptcy case; *provided, however*, that the right of access to Questionnaire Responses hereby conferred on the foregoing persons is subject to the conditions

precedent set forth in paragraph 11.h. immediately below. Each Pending Mesothelioma Claimant completing a Questionnaire Response is deemed to have relied upon these access and use restrictions in connection with disclosure of the information provided in his or her Questionnaire Response.

- h. Any person exercising a right of access to Questionnaire Responses granted by this Order shall thereby consent, and be deemed to consent, to be bound by this Order and shall thereby submit, and be deemed to submit, to the exclusive jurisdiction and venue of this Court for any dispute pertaining to the interpretation or enforcement of this Order. Without limitation of the generality of the foregoing sentence, as a condition of the right of access to Questionnaire Responses conferred by paragraph 11.g. above, every entity described in subparts (ii) through (vi) of paragraph 11.g. shall execute a joinder in the form annexed to this Order as Exhibit D.1 or Exhibit D.2. Exhibit D.1 shall be executed on the part of corporations, partnerships, companies, or firms whose employees, representatives, or agents will receive access to Questionnaire Responses in the performance of the firm's duties with respect to this bankruptcy case. Exhibit D.2 shall be signed in an individual capacity by individuals (such as witnesses or self-employed experts) who receive a right of access to Questionnaire Responses under paragraph 11.g. above in their individual capacities, rather than as employees, agents, or representatives of a firm.

- i. DBMP is authorized to serve subpoenas under Bankruptcy Rule 9016 on the Trusts listed in the Authorization form, and their claims processing facilities, to obtain claim forms and attachments submitted by claimants to the Trusts (such as deposition transcripts, affidavits, invoices, etc.) pursuant to Authorizations returned as part of Questionnaire Responses. The subpoenas may request claim forms and other documents submitted to the Trusts or claims processing facilities by (i) claimants matching the last name and full social security number of the claimant or Injured Party contained in the Authorization, and/or (ii) claimants matching the claimant or Injured Party last name and last four digits of the social security number in the Authorization. An electronic signature on the Authorization through an electronic portal established to receive Questionnaire Responses shall be treated as equivalent to a physical signature. The Trusts and claims processing facilities shall not be subject to any actions, claims, or demands by claimants or any other parties as a result of their good faith compliance with this Order, the subpoenas, and the matching protocol contained therein.

12. Questionnaire Responses shall be confidential in accordance with this Order and treated as such without need of any special designation by or on behalf of the responding Pending Mesothelioma Claimants. Any entity granted access to Questionnaire Responses as provided in this Order must maintain the confidentiality of the same in a manner consistent with the obligations and restrictions imposed herein.

13. Pending Mesothelioma Claimants and the Parties shall have standing to enforce the protections afforded to Questionnaire Responses by this Order.

14. As a precautionary measure, but not as a precondition to protection, the Questionnaire Agent shall stamp the first page of any written Questionnaire Responses with the following legend: “CONFIDENTIAL – SUBJECT TO PROTECTIVE ORDER AND USE RESTRICTIONS.”

15. Any entity that receives access to Questionnaire Responses as provided in this Order shall provide for physical, managerial, and electronic security thereof such that Questionnaire Responses are reasonably maintained and secured, ensuring that they are safe from unauthorized access or use during utilization, transmission, and storage.

16. The Questionnaire Responses, and any analyses, conclusions, summaries, excerpts, or redacted copies derived therefrom, and any knowledge obtained therefrom, shall be used only in connection with the Permitted Uses.

17. Neither Questionnaire Responses nor any analyses, conclusions, summaries, excerpts, or redacted copies derived therefrom may be (a) publicly disclosed except pursuant to this Order; (b) used as a disclosed or undisclosed source in any article, study, research, editorial, publication, presentation, or scholarly work, or in any lobbying materials developed in connection with proposed legislation; (c) incorporated into or merged with any preexisting database that is to be used or maintained for any purpose other than this bankruptcy case; or (d) used as evidence in connection with the defense or resolution of any asbestos personal injury claim outside of this bankruptcy case.

18. If Questionnaire Responses maintained or converted to electronic form are incorporated into or merged with any preexisting electronic information or database for purposes

of this bankruptcy case (a “**Merged Database**”), the Merged Database must itself be treated as confidential to the same extent as the underlying Questionnaire Responses themselves, and shall be subject to the same use restrictions that this Order imposes on the Questionnaire Responses themselves. Any Merged Database relied upon by any expert submitting a report pursuant to Federal Rules of Bankruptcy Procedure 7026 or 9014 shall be produced to the other Parties no later than ten days after such report is served on the other Parties.

19. Nothing in this Order shall restrict any person’s right to make lawful use of:
 - a. any discrete data set or materials that came into the possession of such person lawfully and free of any confidentiality obligation;
 - b. any exhibit or other document that is placed on the public record in this bankruptcy case in conformity with the restrictions set forth in paragraph 20 below or the *Agreed Protective Order Governing Confidential Information* (Dkt. 251), or any data or material that is or becomes publicly available other than by a breach of this Order; or
 - c. any discrete data set or materials developed by or on behalf of such person independent of any Questionnaire Responses.

20. If, in the course of this bankruptcy case, any Party intends to offer into evidence or otherwise use Questionnaire Responses in connection with testimony, argument, or filings in this Court, or any reviewing court, such Party shall provide at least ten days written notice to the Pending Mesothelioma Claimant or Pending Mesothelioma Claimants who provided the Questionnaire Response (via counsel, where applicable) and may not divulge Questionnaire Responses except when the following conditions are met: (a) such information is relevant to this bankruptcy case; (b) there is no reasonable manner to use such information without disclosing

Questionnaire Responses; and (c) such Party has redacted or filed a proper motion to seal (or, in the case of categories (iii) and (vi) sought Court approval through a motion with notice to affected Pending Mesothelioma Claimants to introduce) (i) Social Security numbers (except last four digits), (ii) dates of birth (except year), (iii) names and addresses of claimant, claimant family members, and identifiable minors (except for their initials), (iv) financial account numbers (except last four digits), (v) medical information (except claimed disease, such as ‘pleural mesothelioma,’ ‘peritoneal mesothelioma,’ ‘asbestosis,’ or ‘lung cancer,’ and diagnosis date), and (vi) settlement amounts. Nothing herein shall prohibit an expert for any Party from using or referring to Questionnaire Responses in such expert’s report, or testifying concerning Questionnaire Responses in open court, so long as such testimony or report does not reveal the information described in categories (i) through (vi) of the previous sentence, and further, no notice to Pending Mesothelioma Claimants or their counsel is required and such testimony or report may refer to settlement amounts so long as they are not linked to a claimant or law firm.

21. If an entity granted access to Questionnaire Responses pursuant to this Order receives a subpoena, interrogatory, or other request for the production or disclosure of any Questionnaire Response, in whole or in part, to a third party (a “**Third-Party Discovery Demand**”), including a governmental or other regulatory body, such entity (a “**Discovery Target**”) shall provide prompt written notice of any such request or requirement to the Pending Mesothelioma Claimant or Pending Mesothelioma Claimants who provided the information requested (via counsel, where applicable), with copies to the Parties, so that any of them may seek a protective order or other appropriate remedy or waive compliance with the provisions of this Order. Pending a timely effort to obtain such a protective order or other remedy to prevent the requested production or disclosure, or written waiver by the Pending Mesothelioma Claimant

and each of the Parties of the right to seek such an order or remedy, the Discovery Target shall interpose an objection to the Third-Party Discovery Demand on the basis of this Order. If a motion for protective order is filed in this Court, a Discovery Target's obligations to comply with such Third-Party Discovery Demand are stayed and the Discovery Target shall be restrained from providing Questionnaire Responses to such third party until the motion for protective order is resolved by this Court.

22. Within the one-year anniversary of the date of substantial consummation of a confirmed Chapter 11 plan of reorganization for the Debtor (a "**Plan**"), each entity that has received Questionnaire Responses shall destroy such Questionnaire Responses, including all physical copies and all electronically stored versions thereof, in a commercially reasonable manner and continue to be bound by the terms and obligations imposed by this Order, and shall certify such destruction in writing to respective counsel of record for the Debtor, the Reorganized Debtor, the ACC, and the FCR; *provided, however*, that the obligations of this paragraph shall not apply to copies of pleadings and exhibits filed under seal with this Court, or to file copies in the possession of counsel of record for the Pending Mesothelioma Claimants or for the Parties of papers prepared in connection with this bankruptcy case (*e.g.*, pleadings, transcripts, interview or document summaries, internal memoranda, written communications with professionals, experts, and witnesses, depositions and exhibits thereto, court papers, and other papers prepared, created, or served in connection with this bankruptcy case); and *provided further* that the obligations of this paragraph may be superseded and rendered inoperative if and to the extent that a confirmed Plan specifically authorizes a particular entity to turn over Questionnaire Responses to an asbestos settlement trust created pursuant to the Plan.

23. Any person who seeks relief from any provision of this Order shall do so by motion in this Court on notice to the Parties, the Bankruptcy Administrator, and any Pending Mesothelioma Claimants or other persons directly affected by the relief sought. The movant shall bear the burden of showing good cause for the requested relief.

24. This Court shall retain exclusive jurisdiction to interpret, apply, and enforce this Order to the full extent permitted by law.

This Order has been signed electronically.

Chapter 11

Case No. 20-30080 (JCW)

NOTICE OF BAR DATE FOR PENDING MESOTHELIOMA CLAIMS

On [____], 2022, the United States Bankruptcy Court for the Western District of North Carolina entered an order (the “**Bar Date/PIQ Order**”) in the above captioned Chapter 11 case establishing a claims bar date for mesothelioma claims. Pursuant to the Bar Date/PIQ Order, the Court has established September 12, 2022 (the “**Pending Mesothelioma Claims Bar Date**”) as the date by which every holder of a Pending Mesothelioma Claim (as defined below) must submit a proof of claim to avoid the potential consequences set forth in paragraph 8 of the Bar Date/PIQ Order and described herein.

WHO IS SUBJECT TO THE PENDING MESOTHELIOMA CLAIMS BAR DATE

The Bar Date/PIQ Order applies to holders of Pending Mesothelioma Claims. “**Pending Mesothelioma Claim**” is a mesothelioma claim against the Debtor by a person who asserted a mesothelioma claim against the Debtor or its predecessors (including the former CertainTeed Corporation (“**Old CT**”)) prior to January 23, 2020 (the “**Petition Date**”), relating in any way to asbestos or asbestos-containing products for which the Debtor or its predecessors-in-interest (including Old CT) are alleged to be responsible; *provided, however*, that Pending Mesothelioma Claims shall not include asbestos-related mesothelioma claims against the Debtor or its

predecessors (1) that have been dismissed with prejudice or settled and paid, (2) are known to be time-barred, or (3) for which the exclusive remedy is provided under workers' compensation statutes and similar laws.

WHO IS NOT SUBJECT TO THE PENDING MESOTHELIOMA CLAIMS BAR DATE

The Pending Mesothelioma Claims Bar Date does not apply to any claim or demand against, or interest in, the Debtor other than a Pending Mesothelioma Claim. By way of example and not limitation, the Pending Mesothelioma Claims Bar Date does not apply to: (a) non-asbestos-related claims, (b) asbestos-related claims on account of diagnoses other than mesothelioma, (c) asbestos-related claims for which the exclusive remedy is provided under workers' compensation statutes and similar laws, and (d) claims against the Debtor based on, arising out of, or related to asbestos-related injury, disease, or death that either (i) had manifested, become evident, or been diagnosed as of the Petition Date, but for which a claim had not been asserted against the Debtor or its predecessors (including Old CT) as of the Petition Date, or (ii) had not manifested, become evident, or been diagnosed as of the Petition Date.

PROCEDURES FOR SUBMITTING PROOFS OF CLAIM

As further described below, claimants who submit proofs of Pending Mesothelioma Claims or their lawyers must complete, sign, and submit a proof of claim form substantially in the form attached to the Bar Date/PIQ Order as Exhibit A (each, a "**Pending Mesothelioma Claim Form**"). To avoid the potential consequences set forth in paragraph 8 of the Bar Date/PIQ Order, holders of Pending Mesothelioma Claims must complete their Pending Mesothelioma Claim Forms and either (i) submit them electronically through the electronic claims filing system maintained by Epiq Corporate Restructuring, LLC (the "**Claims Agent**"), the Debtor's claims, noticing, and balloting agent, available at <https://dm.epiq11.com/DBMP> (the "**Claims**

An electronic signature on a Pending Mesothelioma Claim Form submitted through the Claims Website shall be treated as equivalent to a physical signature.

Any Pending Mesothelioma Claim Form submitted by facsimile or electronic mail will not be accepted. If you submit a Pending Mesothelioma Claim Form electronically through the electronic claims filing system, you will be provided with a date and time-stamped copy of the submitted Pending Mesothelioma Claim Form on the Claims Website that you can print or download, which confirms receipt by the Claims Agent. If you want to receive acknowledgement of the Claims Agent’s receipt of a Pending Mesothelioma Claim Form submitted by mail, you must submit by the Pending Mesothelioma Claims Bar Date and concurrently with submitting your original Pending Mesothelioma Claim Form (a) a copy of the original form and (b) a self-addressed, postage prepaid return envelope.

PROCEDURES FOR SUBMITTING QUESTIONNAIRES

The Bar Date/PIQ Order further provides that every claimant who completes and submits a Pending Mesothelioma Claim Form (or any other proof of claim) on account of a Pending Mesothelioma Claim (each, a **“Pending Mesothelioma Claimant”** and, collectively, the **“Pending Mesothelioma Claimants”**) is required to complete and return the DBMP LLC Personal Injury Questionnaire (each, a **“Questionnaire”**). After the Pending Mesothelioma Claims Bar Date, Donlin, Recano and Company, Inc. (the **“Questionnaire Agent”**) will serve a unique paper copy of the Questionnaire with instructions for completing and returning the Questionnaire, via first-class U.S. mail, postage prepaid, on the notice party provided in the applicable Pending Mesothelioma Claim Form. For further information about the Questionnaire, please visit <https://dbmp.donlinrecano.com>, email dbmpinfo@donlinrecano.com, or call toll-free 877-366-6438.

EFFECT OF FAILURE TO TIMELY FILE A PROOF OF CLAIM FOR A PENDING MESOTHELIOMA CLAIM

UNLESS THE COURT ORDERS OTHERWISE, PURSUANT TO BANKRUPTCY RULE 3003(C)(2), ANY HOLDER OF A PENDING MESOTHELIOMA CLAIM WHO FAILS TO FILE A PENDING MESOTHELIOMA CLAIM FORM ON OR BEFORE THE PENDING MESOTHELIOMA CLAIMS BAR DATE SHALL BE SUBJECT TO SUCH LEGAL CONSEQUENCES AS THE BANKRUPTCY CODE MAY PRESCRIBE OR PERMIT, WHICH MAY INCLUDE DISALLOWANCE OF THE UNTIMELY FILED PENDING MESOTHELIOMA CLAIM AND THE BARRING, ESTOPPING, AND ENJOINING OF THE HOLDER THEREOF FROM ASSERTING ANY PENDING MESOTHELIOMA CLAIM AGAINST THE DEBTOR (OR AGAINST ANY TRUST OR OTHER ENTITY THAT, PURSUANT TO ANY PLAN OF REORGANIZATION, ASSUMES LIABILITY FOR PENDING MESOTHELIOMA CLAIMS), FROM VOTING

TO ACCEPT OR REJECT ANY PLAN OR PLANS OF REORGANIZATION, FROM PARTICIPATING IN ANY DISTRIBUTION IN THE DEBTOR'S CHAPTER 11 CASE ON ACCOUNT OF SUCH PENDING MESOTHELIOMA CLAIM, OR FROM RECEIVING FURTHER NOTICES REGARDING SUCH PENDING MESOTHELIOMA CLAIM. FOR THE AVOIDANCE OF DOUBT, NOTHING IN THE BAR DATE/PIQ ORDER EXPANDS OR LIMITS THE OTHERWISE APPLICABLE CONSEQUENCES OF FAILING TO FILE A PROOF OF CLAIM BY THE PENDING MESOTHELIOMA CLAIMS BAR DATE.

ADDITIONAL INFORMATION

If you require additional information regarding the filing of a Pending Mesothelioma Claim Form, you may contact the Claims Agent at (866) 977-0765 (toll free in the U.S.) or for non-U.S. parties at +1 (503) 924-5411 or visit the Claims Website at <https://dm.epiq11.com/DBMP>. RESERVATION OF RIGHTS

The Debtor reserves the right to (a) dispute, or to assert offsets, defenses, or counterclaims against, any claim for which a proof of claim is filed as to nature, amount, liability, classification, or otherwise; and (b) subsequently designate any claim as disputed, contingent, or unliquidated.

DBMP LLC Personal Injury Questionnaire

PURPOSE OF QUESTIONNAIRE

The U.S. Bankruptcy Court for the Western District of North Carolina has authorized DBMP LLC ("DBMP" or the "Debtor"), a successor in interest to the former CertainTeed Corporation ("CertainTeed"), to issue this Personal Injury Questionnaire ("Questionnaire") to every person who (a) holds a mesothelioma claim against the Debtor, (b) asserted a mesothelioma claim against the Debtor or its predecessors (including CertainTeed) prior to January 23, 2020, and (c) files a proof of claim in this bankruptcy case (each a "Pending Mesothelioma Claimant" or "claimant," holding a "Pending Mesothelioma Claim"). **Only Pending Mesothelioma Claimants who submit proofs of claim in this bankruptcy case are required to answer the Questionnaire.** Such Pending Mesothelioma Claims arose, in whole or in part, from alleged exposure to asbestos-containing products that were sold by the Debtor or its predecessors (including CertainTeed) at various times through 1993, specifically the following products:

- Asbestos Cement Pipe (sold by CertainTeed through no later than 1993)
- Asphalt-Based Built-Up Roofing Products (sold by CertainTeed through no later than 1976)
- Asphalt-Based Roofing Shingles (sold by CertainTeed through no later than 1974)
- Roof and Foundation Coatings and Cements (sold by CertainTeed through no later than 1983)
- Asbestos Cement Siding Shingles (sold by CertainTeed through no later than 1975)
- Asbestos Cement Roofing Shingles (sold by CertainTeed through no later than 1967)
- Asbestos Cement Flat Sheets (sold by CertainTeed through no later than 1973)
- Glass Fiber Blanket Insulation Faced with Asbestos Paper for Railroad Car Application (sold by Gustin-Bacon through no later than the early 1950s)
- Flexible Trainline (sold by Gustin Bacon and then CertainTeed through no later than 1970)
- Drywall Joint Compound (sold by CertainTeed prior to July 1, 1956)
- Acoustical Plaster (sold by CertainTeed prior to July 1, 1956)
- Patching Plaster (sold by CertainTeed prior to July 1, 1956)

The Debtor is pursuing reorganization in a Chapter 11 case in the Bankruptcy Court, referred to as *In re DBMP LLC*, Case No. 20-30080 (Bankr. W.D.N.C.). The Bankruptcy Court has required all Pending Mesothelioma Claimants to complete this Questionnaire.

The purpose of this form is to obtain complete and up-to-date information about each Pending Mesothelioma Claim with respect to the topics noted below. If you have a Pending Mesothelioma Claim, you must provide accurate, complete, and timely responses to this Questionnaire.

The uses and further disclosure of such information in this bankruptcy case shall be restricted in accordance with the *Order (I) Establishing a Bar Date for Pending Mesothelioma Claims, (II) Approving Proof of Claim Form, (III) Approving Notice to Claimants, and (IV) Directing Submission of Personal Injury Questionnaires by Pending Mesothelioma Claimants* (the "Bar Date/Questionnaire Order"), dated _____, 2022. The use of this information is expressly limited to this bankruptcy case. A copy of that Order [Dkt. No. ____] is provided with this Questionnaire.

INFORMATION FOR PENDING MESOTHELIOMA CLAIMANTS

If you plan to complete this Questionnaire in hard copy, **make an extra copy before** beginning to complete this Questionnaire as some claimants will require additional pages.

LIST OF QUESTIONNAIRE SECTIONS AND INSTRUCTIONS

INDUSTRY CODES

- Contains reference codes for industry in which alleged exposure occurred for use in completing Part 6.

PART 1: STATUS OF DBMP CLAIM

- Provide information about the status of the claimant's Pending Mesothelioma Claim against DBMP. If you do not have an unresolved mesothelioma claim asserted against DBMP or its predecessors (including CertainTeed) before January 23, 2020, you do not have to answer the remainder of this Questionnaire other than Parts 2, 3, and 4.
- As used in this Questionnaire, the term "Settled Pending Mesothelioma Claim" means a Pending Mesothelioma Claim for which there is an enforceable settlement agreement between the claimant and the Debtor or its predecessors (including CertainTeed) prior to January 23, 2020, confirmed in writing with an agreed settlement amount.
- The "Claimant's PIQ ID" is a unique numerical identifier assigned to each Pending Mesothelioma Claimant by the Questionnaire Agent, which must be used in responding to this Questionnaire.

PARTS 2, 3, 4: INJURED PARTY INFORMATION, RELATED CLAIMANT INFORMATION, LAW FIRM INFORMATION

- In Part 2, provide identifying information for the person diagnosed with mesothelioma (the "Injured Party").
- Only complete Part 3 if the claimant (the plaintiff) is a "Related Claimant" (as defined below), rather than the Injured Party. Provide identifying information for the Related Claimant, including the Related Claimant's relationship to the Injured Party.
- As used in this Questionnaire, the term "Related Claimant" means a person who is not the Injured Party but who is making a claim based on or derived from the Injured Party's mesothelioma, either in a representative capacity (e.g., the personal representative of the Injured Party's estate suing for the Injured Party's injuries), or in an independent capacity (e.g., a family member suing for his or her own losses based on the alleged personal injury to or wrongful death of the Injured Party).
- As used in this Questionnaire, "claimant" means the Pending Mesothelioma Claimant, whether the Injured Party or the Related Claimant.
- In Part 4, provide contact information for the law firm that represents the claimant in responding to the Questionnaire. Also provide the identity of any other law firms that represent the claimant with respect to asbestos claims, whether in lawsuits, in making claims against trusts established to pay claims against bankrupt asbestos defendants ("Trusts"), or otherwise.

PART 5: INFORMATION ON MESOTHELIOMA DIAGNOSIS

- Provide diagnosis information related to the alleged injury and/or death of the Injured Party.

PART 6: ALLEGED EXPOSURE

- In Part 6A, identify whether the claimant alleges the Injured Party was exposed to asbestos from asbestos-containing products for which DBMP or CertainTeed is responsible ("CertainTeed Products"). (The CertainTeed Products for which DBMP is responsible are the same products for which CertainTeed was responsible.) Then, answer the questions with respect to the Injured Party's occupational and non-occupational alleged exposures to asbestos from CertainTeed Products.
- In Part 6B, answer the questions with respect to the Injured Party's occupational and non-occupational alleged exposures to asbestos from products for which any entity other than DBMP or CertainTeed is allegedly responsible (including products such as talc alleged to contain asbestos that may not have been intentionally added) ("Non-CertainTeed Products").
- In Parts 6A and 6B, "secondary exposure" means alleged exposure when another person who worked with or around asbestos-containing products (the "Primary Exposed Person") brought home asbestos fibers on his or her clothes. The "Secondary Exposed Person" is the person who experienced alleged exposure from the Primary Exposed Person. In the case of secondary exposure, list information for jobs and non-occupational contexts where primary exposure allegedly occurred and provide the required information regarding the Primary Exposed Person's alleged exposure.
- See below for "Option to Respond by Producing Documents."

- In both Parts 6A and 6B, if the answer is “unknown,” please leave that question blank. To the extent the answer is partially known (for example, the year when exposure began or ended but not the day or month), please provide the information that is known.

PART 7: INJURED PARTY’S ECONOMIC LOSS INFORMATION

- Provide the information requested in Part 7 regarding the Injured Party’s alleged economic losses and dependents.
- See below for “Option to Respond by Producing Documents.”

PART 8: LITIGATION AND OTHER CLAIMS RELATED TO THE INJURED PARTY’S ALLEGED ASBESTOS EXPOSURE

- Provide the information requested in Part 8 regarding all payments received from Trusts and entities that are not Trusts (e.g., other defendants).
- Then, for every lawsuit based on the Injured Party’s mesothelioma (or any other asbestos-related condition), provide the requested information in Part 8A and complete Tables A, B, and C. Answer these questions regardless of whether DBMP or CertainTeed was a defendant in the lawsuit. Please note that although attached complaints can answer many questions in Part 8A, they do not answer the questions concerning whether claims have been resolved through verdict and related questions.
- See below for “Option to Respond by Producing Documents.”

OPTION TO RESPOND BY PRODUCING DOCUMENTS (APPLICABLE TO PARTS 6, 7, AND 8)

- In lieu of providing a written response to Part 6A, Part 6B, Part 7, Part 8, or any particular question included therein, you may submit verified complaints, interrogatory responses, deposition transcripts of plaintiffs and/or product identification witnesses, bankruptcy trust claim forms, or expert reports that provide true and complete information responsive to the questions answered by this alternative means.

PART 9: CERTIFICATION

- Either the claimant or the claimant’s attorney must sign the appropriate certification.

PART 10: ATTACHMENT OF TRUST CLAIM FORMS

- The claimant must submit copies of all Trust claim forms submitted by or on behalf of the claimant or Injured Party to Trusts listed in Table B (or the electronic equivalent if submitted electronically), along with any other documents submitted such as deposition transcripts, affidavits, invoices, etc. Alternatively, the claimant may execute the authorization attached as Exhibit 1 for DBMP to obtain the claim forms and their attachments directly from the Trusts (the “Authorization”). The Authorization must be signed by the claimant (not just the attorney) and notarized. Please note that if you choose to execute the Authorization, it must contain the full Social Security numbers of the Injured Party and claimant.

PART 11: OTHER CASE DOCUMENTS

- The claimant must attach copies of the following documents in the possession, custody, or control of the claimant or the claimant’s counsel (or upload them through the Portal):
 - All depositions taken in any lawsuits listed in Part 8A that relate in any way to the Injured Party’s alleged exposures to asbestos or asbestos-containing products;
 - All written discovery (including interrogatories and responses to requests for admission) the claimant or the claimant’s attorney has answered on the claimant’s behalf in any of the lawsuits listed in Part 8A;
 - All expert reports produced by any party in any lawsuit listed in Part 8A;
 - Social Security printout and copy of union employment records (where applicable); and
 - Copy of medical records (or autopsy report) confirming diagnosis of mesothelioma.

Then complete the attached “DBMP LLC Personal Injury Questionnaire Document Checklist—Summary Inventory” to indicate the documents that are attached and why documents in any of these categories are not attached.

See instructions for Part 6 for the definition of "Primary Exposed Person," "Secondary Exposed Person," and "secondary exposure." If the answer to any question is "unknown," please leave that question blank. To the extent the answer is partially known (for example, the year when exposure began or ended but not the day or month), please provide the information that is known.

If you wish to produce documents instead of providing a written response, see "Option to Respond by Producing Documents" on page 4 above, and follow the instructions set forth there and on page 1 under "Information for Pending Mesothelioma Claimants."
